Item 3. Source and Amount of Funds or Other Consideration

Telenor East Invest AS sold 34 shares of Type-A convertible voting preferred stock of Open Joint Stock Company VimpelCom-Region (VimpelCom-Region), a Russian subsidiary of VimpelCom, to Eco Telecom Limited, for the aggregate purchase price of 680 Rubles. In connection with the Third Closing (as described in Item 4 herein), Telenor East Invest AS did not purchase any additional shares in VimpelCom-Region and, therefore, did not pay out any funds in connection with the Third Closing. No consideration has been paid to or by Telenor in connection with the Proposed Merger (as defined below).

Item 4. Purpose of the Transactions

Summary of Key Terms

Proposed Merger

On August 28, 2003, VimpelCom announced that its Board of Directors recommended to its shareholders to approve the merger of VimpelCom and VimpelCom-Region and the related issuance of new shares of VimpelCom in exchange for the 44.7% stake in VimpelCom-Region that is currently collectively owned by Eco Telecom Limited and Telenor East Invest AS (the Proposed Merger). This accelerated merger process was contemplated by the VimpelCom-Region Shareholders Agreement, dated as of May 30, 2001, as amended by Amendment No. 1 thereto dated as of May 15, 2002, by and among VimpelCom, Telenor East Invest AS, Eco Telecom Limited and VimpelCom-Region (as amended, the VimpelCom-Region Shareholders Agreement).

Under the terms of the Proposed Merger, VimpelCom will be the surviving entity and the legal successor of VimpelCom-Region. At its meeting on August 28, 2003, the VimpelCom Board approved the agenda of an extraordinary general meeting of shareholders of VimpelCom, which included items related to the Proposed Merger. Such meeting is to be held on October 24, 2003. As an interested party in the Proposed Merger, Telenor East Invest AS will not be eligible to vote its VimpelCom shares at such meeting in favor of certain resolutions necessary to consummate the Proposed Merger. However, Telenor East Invest AS is eligible to participate in the vote on the Proposed Merger at the VimpelCom-Region level, and on August 28, 2003, at an extraordinary general meeting of shareholders of VimpelCom-Region, Telenor East Invest AS voted its VimpelCom-Region shares in favor of the Proposed Merger. In addition to shareholder approval, the Proposed Merger will be subject to various Russian regulatory approvals (including approvals of the Ministry for Anti-Monopoly Policy and Support for Entrepreneurship of the Russian Federation and the Russian Federal Commission for the Securities Market) and the satisfaction of certain other conditions precedent.

Upon the consummation of the Proposed Merger, VimpelCom will issue 3,648,141 new shares of Common Stock (the equivalent of 4,864,188 new ADSs) to Telenor East Invest AS in exchange for 1462 shares of common stock and 197 shares of Type-A convertible voting preferred stock of VimpelCom-Region owned by Telenor East Invest AS, and will issue 7,300,680 new shares of Common Stock (the equivalent of 9,734,240 ADSs) to Eco Telecom Limited in exchange for 2,926 shares of common stock and 394 shares of Type-A convertible voting preferred stock of VimpelCom-Region owned by Eco Telecom Limited. Upon the completion of the Proposed Merger, Telenor East Invest AS will own approximately 26.6% and 29.9%, respectively, and Eco Telecom Limited will own approximately 32.9% and 24.5%, respectively, of VimpelCom's total voting stock and total Common Stock.

Amendments to Principal Agreements

In connection with the Proposed Merger, Telenor East Invest AS, Eco Telecom Limited, VimpelCom and VimpelCom-Region executed a Waiver and Termination Agreement dated August 28, 2003 (the "Waiver and Termination Agreement"), pursuant to which the parties thereto agreed to amend and waive certain provisions of the VimpelCom-Region Shareholders Agreement, as amended, and the VIP-R Primary Agreement, as amended, in furtherance of the Proposed Merger. In addition, the Waiver and Termination Agreement includes certain acknowledgements of the parties thereto regarding VimpelCom's engagement of UBS Warburg as its financial advisor in connection with the Proposed Merger and UBS Warburg's delivery to VimpelCom's board of directors of an opinion as to the fairness, from a financial perspective, to VimpelCom and its minority shareholders of the financial terms of the Proposed Merger. The Waiver and Termination Agreement also provides that upon delivery of a fairness opinion by UBS Warburg to VimpelCom's board of directors, acceptable to VimpelCom's board of directors, in their sole discretion, each of Telenor

East Invest AS, Eco Telecom Limited, VimpelCom and VimpelCom-Region agree to take certain actions set forth in the VimpelCom-Region Shareholders Agreement in furtherance of the Proposed Merger.

The Waiver and Termination Agreement further provides that, upon the consummation of the Proposed Merger, each of the VimpelCom-Region Shareholders Agreement, the VimpelCom-Region Registration Rights Agreement, as amended (as previously defined in and filed as an exhibit to the Statement), and certain obligations of the parties under the VimpelCom-Region Primary Agreement (as amended), will terminate. The Waiver and Termination Agreement will become null and void if the Proposed Merger is not consummated by December 31, 2004.

Furthermore, in connection with the Proposed Merger, Telenor East Invest AS, Eco Telecom Limited and VimpelCom entered into Amendment No. 1 to the VimpelCom Registration Rights Agreement dated as of August 28, 2003 (the VimpelCom Registration Rights Amendment). The VimpelCom Registration Rights Amendment amends the existing VimpelCom Registration Rights Agreement by incorporating by reference certain provisions of the VimpelCom-Region Shareholders Agreement, which will terminate upon the consummation of the Proposed Merger.

Third Closing

This Amendment No. 1 to VIP Registration Rights Agreement (this **Amendment**), dated as of the 28th day of August, 2003, by and among ECO TELECOM LIMITED, a company organized and existing under the laws of Gibraltar (**Eco Telecom**), TELENOR EAST INVEST AS, a company organized and existing under the laws of Norway (**Telenor**) and OPEN JOINT STOCK COMPANY VIMPEL-COMMUNICATIONS , an open joint stock company organized and existing under the laws of the Russian Federation (the **Company**).

WHEREAS, Eco Telecom, Telenor and the Company are parties to that Registration Rights Agreement, dated as of May 30, 2001 (the **Registration Rights Agreement**); and

WHEREAS, Eco Telecom, Telenor and the Company desire to amend the Registration Rights Agreement on the terms set forth herein.

NOW, THEREFORE, to implement the foregoing and in consideration of the mutual terms and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Unless otherwise expressly stated herein to the contrary, all provisions of the Registration Rights Agreement shall remain valid, binding and in effect as set forth in the Registration Rights Agreement, except as necessary to give effect to the matters set forth in this Amendment. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Registration Rights Agreement.

2. The definition of **New Securities** in Section 1.01 of the Registration Rights Agreement shall be amended and restated in its entirety to read as follows:

New Securities shall mean any capital stock of the Company, whether or not authorized, and any rights, options, subscriptions, warrants, phantom stock rights or other contract rights to purchase or receive such capital stock, or securities of any type whatsoever that are, or may become, convertible into or exchangeable or exercisable for, such capital stock of the Company.

3. The phrase **provided that the conditions specified in Section 6.02(c) of the VIP-R Shareholders Agreement are met** in the last sentence of Section 5.02(c) of the Registration Rights Agreement is hereby deleted and replaced with the following:

provided, that neither Telenor nor Eco Telecom (nor any of their respective Permitted Transferees) may pursue any such Opportunity more than twice prior to the second anniversary of the Closing; and provided, further, that the following conditions are met:

(i) Upon identifying any such Opportunity, the relevant Party shall promptly notify the Company thereof in writing, providing all relevant details to the Company;

(ii) The Company shall have a right of first refusal to pursue any such Opportunity, exercisable at no cost to the Company. The Board shall determine whether to exercise such right and pursue such Opportunity in accordance with the Management Regulations of the Company. If the Board determines that the Company should pursue such Opportunity, the Company shall, within fifteen (15) days of receipt of such notice from such Party, notify such Party that the Company has elected to exercise its right of first refusal in respect of such Opportunity. Thereafter, the Company may pursue such Opportunity as it shall, in its sole discretion, see fit, and such Party shall desist from pursuing such Opportunity;

(iii) If the Board determines that the Company should not pursue such Opportunity, the Company shall, within fifteen (15) days of receipt of such notice from such Party, notify such Party that the Company has elected not to exercise its right of first refusal in respect of such Opportunity. If such Party decides to pursue such Opportunity, it shall do so through a Russian special purpose vehicle established solely for the purpose of owning and developing such Opportunity. Such special purpose vehicle shall have financial statements audited in accordance with GAAP commencing from the date of its establishment prepared by an internationally recognized accounting firm. In such event:

(A) With respect to any Opportunity for which notice was given pursuant to Section 5.02(c)(i) prior to the second anniversary of the Closing, and with respect to any Opportunity in any subject (*subyekt*) of the Russian Federation in which the Company then holds a license to engage in the Business for which notice was given pursuant to Section 5.02(c)(i) on or after the second anniversary of the Closing, the Company shall have a call option in respect of all of such Party's right, title and interest in and to the Opportunity, exercisable within three (3) years from the date of such Party's notice to the Company pursuant to Section 5.02(c)(i) at an exercise price equal to the greater of the Fair Market Value of such Opportunity and the cost of acquiring and developing such Opportunity through the date of exercise of such call option as evidenced by documents provided by such Party to the Company; and

(B) With respect to any Opportunity for which notice was given pursuant to Section 5.02(c)(i) on or after the second anniversary of the Closing in any subject (*subyekt*) of the Russian Federation in which the Company does not then hold a license to engage in the Business, the Company shall have a call option in respect of all of such Party's right, title and interest in and to the Opportunity, exercisable within two (2) years from the date of such Party's notice to the Company pursuant to Section 5.02(c)(i), at an exercise price equal to the greater of the Fair

Market Value of such Opportunity and the cost of acquiring and developing such Opportunity through the date of exercise of such call option, as evidenced by documents provided by such Party to the Company;

provided, however, that if such Party decides to sell or otherwise dispose of such Opportunity prior to the expiration of the relevant call option period, such Party shall provide thirty (30) days prior written notice to the Company and the Company shall decide, prior to the expiration of such thirty (30) day period, whether to initiate the due diligence process set forth in Section 5.02(c)(iv) and thereafter, to exercise its call option in accordance with and subject to the terms described in this Section 5.02;

(iv) With respect to each call option described in Section 5.02(c)(iii), the Board shall determine whether to exercise such call option in accordance with the Management Regulations. If the Board determines that the Company should exercise such call option, the Company shall, at least ninety (90) days prior to the end of such two (2) year period or three (3) year period, as the case may be, notify such Party that, subject to due diligence, obtaining the necessary approvals from all Governmental and Regulatory Authorities and obtaining the representations and warranties, and guarantee set forth below, the Company wishes to exercise such call option. The Company shall have sixty (60) days to conduct a due diligence investigation in respect of such Opportunity, commencing on the date on which the Board notifies such Party of the Company's wish to exercise such call option. Such Party shall cooperate with the Company in connection with such due diligence investigation and, upon request of the Company, its counsel, auditors or financial advisors, provide the Company with all documents and other information concerning such Opportunity. In addition, such Party agrees that it will not vote any of its Shares and/or New Securities (and, in the case of Eco Telecom, exercise any other rights provided hereunder) against the sale or issuance by the Company of any shares of capital stock (provided such Party is given the opportunity to participate on a pro rata basis in order to maintain its shareholding in the Company, and that such Party may make payment for such portion of the shares of capital stock of the Company by contributing the Opportunity (in whole or in part) to the Company (based on the Fair Market Value of the Opportunity)), or the borrowing by the Company of any public debt securities, in each case, the proceeds of which will be used to finance, directly or indirectly, the purchase of such Opportunity. If following such due diligence investigation the Company still wishes to exercise such call option, it shall, at least thirty (30) days prior to the end of such two (2) year period or three (3) year period, as the case may be, notify such Party thereof and instruct its counsel to prepare definitive documentation to effect the exercise of such call option, which definitive documentation will include the following:

(A) customary representations by the seller of the Opportunity and such Party substantially similar to those representations set forth on Schedule 5.02(c)(iv)(A);

(B) delivery of financial statements of the relevant Person, audited by an internationally recognized accounting firm in accordance with GAAP; and

(C) a guarantee by the General Guarantor under (and as defined in) the Eco Telecom Guarantee Agreement or by the Guarantor under (and as defined in) the Telenor Guarantee Agreement, as applicable, of the representations and warranties of the seller of the Opportunity and Eco Telecom or Telenor, as applicable, and performance by the seller of the Opportunity and Eco Telecom or Telenor, as applicable, of the covenants and other terms in connection with the sale of the Opportunity substantially in the form of Schedule 5.02(c)(iv)(C).

(v) If for any reason the Company has not exercised such call option due to the failure of such Party to meet the requirements set forth in Section 5.02(c)(iv) within ninety (90) days from the date the Company notified such Party of its election to exercise the call option with respect to such Opportunity, such Party shall promptly sell or otherwise dispose of such Opportunity to a third party which shall not be an Affiliate of such Party and shall not be a Direct Competitor; provided, that in any event, such sale or disposition shall be consummated within 18 months from the date of such notice by the Company to such Party;

(vi) For purposes hereof, the term "Direct Competitor" means, as at any date of determination, any Person, or any Controlling Person of such Person, or any Controlled Affiliate of any such Controlling Person (other than the Company or any of its Controlled Affiliates), which is engaged in, or proposes to engage in, the Business and which owns or controls a telecommunications license for the Business in the Moscow License Area or in any ten (10) subjects (*subyekt*) of the Russian Federation for which the Company or any of its Controlled Affiliates holds a telecommunications license for the Business; and
