All reports and other documents that the Company subsequently files with the Commission pursuant to Sections 13(a), 13(c), 14, or 15(d) of the Exchange Act, prior to the filing of a post-effective amendment indicating that the Company has sold all of the securities offered under this Registration Statement or that deregisters the distribution of all such securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement from the date that the Company files such report or document. Any statement contained in this Registration Statement or any report or document incorporated into this Registration Statement by reference, however, shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained in a subsequently dated report or document that is also considered part of this Registration Statement, or in any amendment to this Registration Statement, is inconsistent with such prior statement. The Registrant's file number with the Commission is 001-13251.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Certain legal matters with respect to the validity of the Common Stock registered hereby have been passed upon for the Registrant by Marianne Keler, General Counsel of the Registrant. Ms. Keler is employed by the Registrant, in the past has received shares of Common Stock under the Company's Sallie Mae 401(k) Savings Plan, and is eligible to participate in this Plan from time to time in the future.

On May 9, 2002, we announced that we had appointed PricewaterhouseCoopers LLP to replace Arthur Andersen LLP ("Andersen") as our independent auditors. Our consolidated balance sheets as of December 31, 2001 and 2000, and the related consolidated statements of income, changes in stockholders' equity and cash flows for each of the three years in the period ended December 31, 2001 incorporated by reference in this Registration Statement have been audited by Andersen, as stated in their report dated January 16, 2002, which is incorporated by reference herein. After reasonable efforts, we have been unable to obtain Andersen's consent to the incorporation by reference into this Registration Statement of Andersen's report with respect to these financial statements. Under these circumstances, Rule 437a under the Securities Act permits us to file this Registration Statement without a written consent from Andersen. The absence of such consent may limit recovery by investors on certain claims. In particular, and without limitation, investors will not be able to assert claims against Andersen under Section 11 of the Securities Act. In addition, the ability of Andersen to satisfy any claims (including claims arising from Andersen's provision of auditing and other services to us) may be limited as a practical matter.

Item 6. Indemnification of Directors and Officers.

Article VIII of the Registrant's By-Laws provides for indemnification of the officers and directors of SLM Corporation to the fullest extent permitted by applicable law. Section 145 of the Delaware General Corporation Law provides, in relevant part, that a corporation organized under the laws of Delaware shall have the power, and in certain cases the obligation, to indemnify any person who was or is a party or is threatened to be made a party to any suit or proceeding because such person is or was a director, officer, employee or agent of the corporation or is or was serving, at the request of the corporation, as a director, officer, employee or agent of another corporation, against all costs actually and reasonably incurred by him in connection with such suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal proceeding, he or she had no reason to

believe his or her conduct was

unlawful. Similar indemnity is permitted to be provided to such persons in connection with an action or suit by or in right of the corporation, provided such person acted in good faith and in a manner he or she believed to be in or not opposed to the best interests of the corporation, and provided further (unless a court of competent jurisdiction otherwise determines) that such person shall not have been adjudged liable to the corporation.

The directors and officers of the Registrant and its subsidiaries are covered by a policy of insurance under which they are insured, within the limits and subject to certain limitations, against certain expenses in connection with the defense of actions, suits or proceedings, and certain liabilities that might be imposed as a result of such actions, suits or proceedings in which they are parties by reason of being or having been directors or officers.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

I. The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the Securities Act);

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total

dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
