Convergys Corporation

Item 2.02. Results of Operations and Financial Conditions

On October 20, 2004 Convergys Corporation reported its results for the third quarter ended September 30, 2004. The earnings release for the third quarter ended September 30, 2004 is attached as Exhibit 99.1. The attached exhibit is furnished pursuant to Item 2.02 of Form 8-K.

The earnings release contains non-GAAP financial measures, including pro forma operating income, pro forma net income, pro forma diluted earnings per share and free cash flow, which are not prepared in accordance with GAAP. A reconciliation of these non-GAAP measures to the comparable GAAP measures is included in the financial tables that are part of the earnings release.

These non-GAAP financial measures should not be construed as being more important than comparable GAAP measures. They are presented because Convergys Corporation management uses this information when evaluating the company's results of operations and cash flow and believes that this information provides the users of the financial statements with an additional and useful comparison of the company's current results of operations and cash flows with past and future periods.
