**Item 1.01. Entry into a Material Definitive Agreement.**

On December 20, 2004, BIOLASE Technology, Inc. (the **Company**) entered into a Binding Letter of Intent with Diodem LLC, a California limited liability company (**Diodem**). Pursuant to the Binding Letter of Intent, the Company has agreed to acquire all of the intellectual property portfolio of Diodem, consisting of eight U.S. and international patents. The acquisition will become effective upon the execution of a definitive agreement, which is expected to be completed in early January 2005.

The purchase price will consist of (a) \$3.0 million in cash, (b) \$4.5 million in common stock, valued at \$11.06 per share (which represents the closing price of the Company's common stock as quoted by the Nasdaq National Market on December 17, 2004), and (c) a warrant to purchase up to 81,037 shares of the Company's common stock, which shall be exercisable for a five-year period at a strike price of \$11.06 per share. The Company will not incur any royalty obligations on past or future sales of the Company's products. As a result of the acquisition, Diodem will immediately withdraw its patent infringement claims against the Company which are currently pending before the U.S. District Court for the Central District of California.

The press release announcing execution of the Binding Letter of Intent is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
