Item 2.02 Results of Operations and Financial Condition.

On January 27, 2005, Robert Half International Inc. issued a press release reporting earnings for the fourth fiscal quarter of 2004. A copy of the press release is attached hereto as Exhibit 99.1.

The foregoing information in this Current Report on Form 8-K, including exhibit 99.1 attached hereto, is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and shall not be incorporated by reference in any filing under the Securities Exchange Act of 1934, as amended, or the Securities Act of 1933, as amended, except as expressly set forth by specific reference in such future filing.

Item 8.01 Other Events

On December 6, 2004, Plaintiffs Ian O Donnell and David Jolicoeur, (Plaintiffs), on behalf of themselves and a putative class of salaried Staffing Managers, Account Executives and Account Managers, filed a complaint in Massachusetts Superior Court naming the Company and one of its wholly owned subsidiaries (collectively, RHI) as Defendants. The complaint alleges that RHI 's salaried Staffing Managers, Account Executives and Account Managers based in Massachusetts within the past two years have been misclassified under Massachusetts law as exempt employees and seeks an unspecified amount equal to three times their unpaid overtime compensation alleged to be due to them had they been paid as non-exempt, hourly employees, plus costs and legal fees. The complaint also makes similar allegations under the U.S. Fair Labor Standards Act on behalf of all Staffing Managers, Account Executives and Account Managers employed in any state other than Massachusetts and California within the past three years and seeks an unspecified amount for unpaid overtime pay alleged to be due to them had they been paid as non-exempt, hourly employees, plus an equal amount as liquidated damages.

This litigation is at a very early stage and discovery has not commenced. The case has been removed to the United States District Court for the District of Massachusetts. At this early phase of the litigation, it is not feasible to predict the outcome of this proceeding. Based on a preliminary review, the Company believes it has meritorious defenses to the allegations, and the Company intends to vigorously defend against the litigation.
