This report of Heritage's Audit and Finance Committee describes the manner in which the committee reviews Heritage's financial reporting process.

What are the Responsibilities of the Audit and Finance Committee?

The committee monitors Heritage's internal financial controls and its financial reporting process. The committee:

Reviews and discusses the audited financial statements with management.

Reviews and discusses reports filed with the Securities and Exchange Commission.

Discusses with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Receives written disclosures as required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discusses with the independent auditors the auditors' independence.

Recommends to the Board of Directors whether the audited financial statements should be included in Heritage's annual report on Form 10-K.

Who are the Members of Heritage's Audit and Finance Committee?

Heritage's Audit and Finance Committee consists of directors Daryl D. Jensen (chair), Philip S. Weigand, Brian S. Charneski, Jeffrey S. Lyon and Peter N. Fluetsch. Additionally, John A. Clees acts as a non-voting consultant to the Audit and Finance Committee. None of the members of the Audit and Finance Committee are officers or employees of Heritage or any Heritage subsidiary. Our board has determined that all members of the Audit and Finance Committee are considered independent under the requirements of the Securities and Exchange Commission and the Nasdaq's listing standards, and further, our board of directors has determined that Mr. Jensen meets the definition of an audit committee financial expert, as set forth in Item 401(h)(2) of Regulation S-K.

Audit and Finance Committee Report

The Audit and Finance Committee of the Heritage Board of Directors is composed of five independent directors and one consultant and operates under a written charter adopted by the Board of Directors. The committee is responsible for the selection of Heritage's independent auditors.

Management is responsible for maintaining Heritage's effective internal controls over financial reporting and for its assessment of the effectiveness of internal control over financial reporting. The independent auditors are responsible for performing an independent audit of Heritage's consolidated financial statements, management's assessment, and the effectiveness of Heritage's internal control over financial reporting, in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing reports thereon. The Audit and Finance Committee's responsibility is to monitor and oversee these processes.

Edgar Filing: HERITAGE FINANCIAL CORP /WA/ - Form DEF 14A

In this context, the Audit and Finance Committee has met and held discussions with management and the independent auditors. Management represented to the Audit and Finance Committee that Heritage's consolidated financial statements were prepared in accordance with auditing principles generally accepted in the United States of America, and the Audit and Finance Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit and Finance Committee discussed with the independent auditors matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Heritage's independent auditors also provided to the Audit and Finance Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit and Finance Committee discussed with the independent auditors that firm's independence.

Based on the Audit and Finance Committee's discussion with management and the independent auditors and the Audit and Finance Committee's review of the representation of management and the report of the independent auditors to the Audit and Finance Committee, the Audit and Finance Committee recommended that the Board of Directors include the audited consolidated financial statements in Heritage's annual report on Form 10-K for the year ended December 31, 2004 filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Report of the Personnel and Compensation Committee

This report of Heritage's Personnel and Compensation Committee describes in general terms the process the committee undertakes and the factors it considers to determine the appropriate compensation for Heritage's officers.

What Are The Responsibilities of the Personnel and Compensation Committee?

The committee establishes and monitors compensation programs for executive officers of Heritage and its subsidiaries. The committee:

reviews and approves individual officer salaries, bonus plan allocations, and stock option grants and other equity-based awards; and

establishes the compensation and evaluates the performance of the chief executive officer, while the chief executive officer evaluates the performance of the other executive officers and recommends individual compensation levels for approval by the committee.

None of the members of the committee are officers or employees of Heritage or any Heritage subsidiary.

What is Heritage's Philosophy of Executive Officer Compensation?

The committee's compensation philosophy is intended to reflect and support the goals and strategies that Heritage has established. The key elements of Heritage's strategy are geographic and product expansion, loan portfolio diversification, development of relationship banking and maintenance of asset quality. The committee believes these goals, which are intended to create long-term stockholder value, must be supported by a compensation program that:

attracts and retains highly qualified executives;

provides levels of compensation that are competitive with those offered by other financial institutions;

motivates executives to enhance long-term stockholder value by helping them to build their own ownership in Heritage; and

integrates Heritage's long-term strategic planning and measurement processes.

Edgar Filing: HERITAGE FINANCIAL CORP /WA/ - Form DEF 14A

Heritage's compensation program includes competitive salary and benefits, opportunities for employee ownership of Heritage stock through participation in an employee stock ownership plan and, for certain employees, an annual incentive cash bonus based upon attainment of company and individual performance goals and opportunities for stock ownership of Heritage stock through stock option and restricted stock programs.

To determine compensation packages for individual executives, the committee considers various subjective and objective factors, including:

individual job responsibilities and experience;

individual performance in terms of both qualitative and quantitative goals;

Heritage's overall performance, as measured by attainment of strategic and budgeted financial goals and prior performance; and

industry surveys, prepared by an independent consulting firm, of compensation for comparable positions with similar institutions in the State of Washington, the Pacific Northwest and the United States.

The components of Heritage's compensation program are the following:

Base Salary. Salary levels of executive officers are designed to be competitive within the banking industry. To set competitive salary ranges, the committee periodically evaluates current salary levels of other financial institutions with size, lines of business, geographic dispersion and market place position similar to Heritage's. Base salaries for Heritage's executive officers other than the chief executive officer are based upon recommendations by the chief executive officer, taking into account the subjective and objective factors described above. The committee reviews and approves or disapproves those recommendations.

Annual Incentive Bonus. Executive officers have an annual incentive opportunity with cash bonus awards based on the overall performance of Heritage and on attainment of individual performance targets. The annual awards are determined by formulas established by the committee following each fiscal year and are based upon an assessment of Heritage's performance (for the year ended December 31, 2004, primarily with respect to the Company's return on average equity) as compared to both budgeted and previous fiscal year performance and upon an evaluation by the chief executive officer of an executive's individual performance and contribution to Heritage's overall performance. The committee then reviews and approves the bonus recommendations and presents them to the Board of Directors for approval.

Stock Option and Other Stock-Based Compensation. Equity-based compensation is intended to more closely align the financial interests of Heritage's executives with long-term stockholder value, and to assist in the retention of executives who are key to the success of Heritage and its subsidiaries. Equity-based compensation generally has been in the form of incentive stock options and restricted stock awards pursuant to Heritage's existing stock option plans. The committee determines from time to time which executives, if any, will receive stock options or awards and determines the number of shares subject to each option or award. Grants of stock options and awards are based on various subjective factors relating primarily to the responsibilities of individual executives, their expected future contributions to Heritage and prior option grants.

How Is Heritage's Chief Executive Officer Compensated?

The base compensation for Heritage's chairman and chief executive officer, Donald V. Rhodes, was determined by the committee with final approval by the Board based on the same criteria as the compensation for the other executive officers. In October 1997, Heritage entered into an employment agreement with Mr. Rhodes providing for an annual base salary of \$174,000, which could be increased at the discretion of the Board of Directors or the committee. During the first quarter of 2002, Heritage entered into a new employment agreement with Mr. Rhodes, effective June 1, 2001, providing for an annual base salary of not less than \$234,000 beginning on April 1, 2001. During the year ended December 31, 2004, the annual salary of Mr. Rhodes was \$240,000. In addition to this, he received a performance bonus of \$87,150. The chief executive officer's bonus was based on achievement of certain targeted results of the Company (for 2004 with respect to the Company's return on average equity) and is determined by the committee with final approval by the Board.

The committee believes that for the year ended December 31, 2004, the compensation for Mr. Rhodes, as well as for the other executive officers, was consistent with Heritage's overall compensation philosophy and clearly related to the realization of Heritage's goals and strategies for the period.

Other Employee Benefits and Proposed Changes in Those Benefits.

On October 1, 1999, Heritage combined its defined contribution retirement plan, its salary savings 401(k) Plan and its Employee Stock Ownership Plan (ESOP) into the ESOP and amended the ESOP to give it 401(k) features. The ESOP was renamed the Heritage Financial Corporation 401(k) ESOP (KSOP). On that date, account balances in each employee's account in the defined contribution retirement plan and the 401(k) Plan were transferred to the KSOP, and each employee having account balances in those plans was given the ability to allocate up to 20% of those balances to purchase Heritage stock.

Under the KSOP, eligible employees have the right to defer a portion of their compensation to be contributed to the KSOP which is matched 50% by Heritage up to certain specified limits. Employees can elect whether to have their deferred compensation amount placed in a Heritage stock account to be invested in Heritage stock by the KSOP trustee (subject to availability) or in other available investment accounts and invested by the KSOP trustee in investments other than Heritage stock as directed by the participants. In addition to the matching contributions Heritage makes, Heritage makes a nondiscretionary 2% contribution and has the discretion to make additional contributions to the KSOP.

On December 31, 2004, the KSOP owned 370,848 shares of Heritage common stock, of which 299,581 shares were allocated to participants accounts and 71,267 shares were held in an unallocated account. Shares held in the unallocated account are released to participant accounts on a pro rata basis as the KSOP's loan payable to Heritage is repaid.

Executive Employment and Severance Agreements

In the first quarter of 2002, Donald V. Rhodes executed an employment agreement with Heritage and Heritage Bank effective June 1, 2001. The agreement with Mr. Rhodes provided for an annual base salary of not less than \$234,000 beginning on April 1, 2001. In addition to base salary, the agreement provided for Mr. Rhodes' participation in employee benefit plans and other fringe benefits applicable to senior executives of Heritage Bank. The term of the agreement continued until June 30, 2004. Mr. Rhodes was required to notify Heritage prior to 180 days before the end of the term of the employment agreement if Mr. Rhodes did not desire to seek to renew or renegotiate the employment agreement. Mr. Rhodes did provide timely notice that he wished to extend the term of his employment agreement until December 31, 2004 and the Company agreed to the extension. If Mr. Rhodes had not provided this notice, Heritage would not have been obligated to make any severance payments as described in the paragraph below. Mr. Rhodes executed a new agreement on August 26, 2004 to be effective January 1, 2005 that provides for an annual base salary of \$150,000 beginning on January 1, 2005. In addition to base salary, the agreement provides for Mr. Rhodes' participation in employee benefit plans and other fringe benefits applicable to senior executives of Heritage Bank except that Mr. Rhodes will not be eligible to participate in the Management Incentive Plan or receive options other than director restricted options. The term of the agreement will continue until December 31, 2006. If Employer terminates this Agreement for Cause, as defined in the agreement, effective before the end of the term hereof, Employer shall pay Executive upon the effective date of such termination only such salary earned and expenses reimbursable hereunder incurred through such termination date. Executive shall have no right to receive compensation or other benefits for any period after termination for Cause, and in the case of termination for Cause, Executive's unvested stock options, if any, shall terminate immediately. If Employer terminates this Agreement without Cause or Executive terminates this Agreement for Good Reason, both as defined in the agreement, and either termination is effective before the end of the term hereof, Employer shall pay Executive all reimbursable expenses incurred through such termination date and, in addition, a severance benefit in an amount equal to the amount of his then-current base salary which would otherwise have been paid to Executive during the then-remaining term of the Agreement. In such event, all forfeiture provisions regarding restricted stock awards or vesting requirements regarding options shall lapse or be considered completed as of the effective date of termination. Notwithstanding the above, in the event Executive's employment is terminated as a result of a sale or a merger of the Company (a Transaction), Executive will be compensated under the terms of this Agreement through the date of closing of the Transaction without provision for severance thereafter.

In 2002, Brian L. Vance executed an employment agreement with Heritage and Heritage Bank effective June 1, 2001. The agreement with Mr. Vance provides for an annual base salary of not less than \$150,000 per year effective on April 1, 2001. In addition to the base salary, the agreement provides for Mr. Vance's participation in employee benefit plans and other fringe benefits applicable to senior executives of Heritage Bank. The term of the agreement expired on June 30, 2004 and is currently subject to automatic one year renewal extensions unless prior notice otherwise is given. In the event that Mr. Vance is terminated by Heritage at any time for cause or by Mr. Vance without good reason, both as defined in the agreement, no termination benefit will be payable. If Mr. Vance is terminated without cause or he terminates the agreement for good reason,

a severance benefit will be payable in an amount equal to his then current annual base salary or the amount of such salary which would otherwise have been paid to Mr. Vance during the then remaining term of his agreement, whichever is greater.

The agreement with Mr. Vance also provides for the payment of a severance benefit to Mr. Vance in the event of his termination of employment without cause in some cases preceding and for any reason within one year after a change of control of Heritage or Heritage Bank. Under the terms of the agreement, Mr. Vance is entitled to receive two times his then current annual base salary following the termination or the amount due him until the end of the term of his agreement, whichever is greater. In those circumstances, Mr. Vance also is entitled to all benefits in his agreement, to be fully vested as to unvested options, and to have restrictions lapse on any restricted stock or other restricted securities.

For purposes of the agreements, change in control generally includes the acquisition by any person of 25% or more of the outstanding securities of Heritage; replacement of incumbent directors or election of newly elected directors constituting a majority of the Board of Heritage where the replacement or election has not been supported by the Board; dissolution, or sale of 50% or more in value of the assets, of either Heritage or Heritage Bank or any of their respective subsidiaries; or the merger of Heritage into any corporation, 25% or more of the outstanding common stock of which is owned by persons other than owners of the common stock of Heritage prior to such merger.

The employment agreement with Mr. Vance provides that in the event he receives an amount under the provisions of the agreements that results in imposition of a tax on the executive under the provisions of the Code Section 4999 (relating to golden Parachute payments), the employer is obligated to reimburse the executive for that amount, exclusive of any tax imposed by reason of receipt of reimbursement under the employment agreements.

The agreements restrict the right of Messrs. Rhodes and Vance to compete against Heritage or Heritage Bank in the State of Washington for a period of two years following termination of employment, except if employment is terminated by Heritage without cause or by Mr. Rhodes or Mr. Vance for good reason.

Effective on March 5, 1999, Central Valley Bank and D. Michael Broadhead entered into an employment agreement. The term of the agreement expired on December 31, 2002 and is currently subject to automatic one year renewal extensions unless prior notice otherwise is given. The agreement calls for Mr. Broadhead to serve as President of Central Valley Bank at a base annual salary of no less than \$110,000 plus customary fringe benefits. Also, under the agreement, on December 31, 2005 (regardless of whether Mr. Broadhead is employed by Central Valley Bank at the time), Mr. Broadhead is eligible to receive a payment of \$40,000 plus \$10,000 for each full year of his service at Central Valley Bank or its successor up to a \$200,000 maximum payment. Mr. Broadhead's estate is also entitled to a death benefit payment of no less than \$100,000 nor more than \$200,000 if he dies prior to the receipt of the December 31, 2005 service payment.

In the event Mr. Broadhead's employment is terminated by Central Valley Bank at any time for cause or if Mr. Broadhead resigns without good reason and his resignation does not coincide with a change in control of Heritage, Mr. Broadhead will not be entitled to any severance benefit payable to him. The agreement does provide for the payment of a severance benefit to Mr. Broadhead (in addition to his service payment described above) in the event of his termination of employment in some cases preceding, and for any reason following by up to one year, a change in control of Heritage. Under the terms of the agreement, Mr. Broadhead is entitled to receive an amount of up to 36 months of his base salary in effect at the time if his employment is terminated without cause by Central Valley Bank from the time after a change in control transaction is announced up to one year following the completion of the change in control or if Mr. Broadhead resigns for any reason within a year after the change in control is completed.

The agreement restricts the right of Mr. Broadhead to compete against Heritage or Central Valley Bank in Yakima County, Washington for a period of up to three years unless Mr. Broadhead is terminated without cause or resigns for good reason.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires directors, executive officers and greater than 10% stockholders to file reports of their ownership and any changes in ownership of Heritage securities with the Securities and Exchange Commission. These directors, executive officers and greater than 10% stockholders are required by regulation to provide Heritage with a copy of any Section 16(a) reports they file. Based on Heritage's review of copies of these reports received by it and written representations made to Heritage by these persons, Heritage believes that all Section 16(a) filing requirements applicable to its directors, executive officers and greater than 10% stockholders were complied with during the year ended December 31, 2004.

INTEREST OF MANAGEMENT IN CERTAIN TRANSACTIONS

During the year ended December 31, 2004, several directors and executive officers of Heritage and Heritage Bank and their associates, were customers of Heritage Bank or Central Valley Bank, and it is anticipated that these persons will continue to be customers of Heritage Bank or Central Valley Bank in the future. All transactions between Heritage Bank and Central Valley Bank and its executive officers and directors, and their associates, were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and, in the opinion of management, did not involve more than the normal risk of repayment or present other unfavorable features.
