ITEM 1.01. ENTRY INTO MATERIAL DEFINITIVE AGREEMENT

On May 5, 2005, the Board of Directors (the Board) of Environmental Power Corporation (the Registrant), voted to change the compensation paid to non-employee directors for their service as directors, by reducing the fee paid to each non-employee director for attendance at each meeting of the Board and committee of the Board from \$2,000 to \$1,500, and by providing for a new monthly fee of \$1,000. These changes were instituted at the recommendation of management of the Registrant and the Compensation Committee of the Board of Directors as a result of a study conducted by a compensation consultant retained by management which demonstrated that, in the judgment of management and the Compensation Committee, the Registrant's non-employee directors were somewhat under-compensated with respect to the cash portion of their compensation as compared to non-employee directors of similarly situated companies. No changes were made to the automatic annual option grants made to non-employee directors under the Registrant's Restated 2002 Director Option Plan, or to the cash compensation of \$4,000 per meeting of the Audit Committee paid to the chairman of the Audit Committee in respect of his or her service in such capacity.
