Report of Independent Registered Public Accounting Firm

Stockholders and Board of Directors

Wells Real Estate Investment Trust II, Inc.

We have audited the accompanying statement of revenues over certain operating expenses of the 180 Park Avenue 105 Building (the Building) for the year ended December 31, 2004. This statement is the responsibility of the Building's management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Building's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Building's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues over certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 2, and is not intended to be a complete presentation of the 180 Park Avenue 105 Building's revenues and expenses.

In our opinion, the statement of revenues over certain operating expenses referred to above presents fairly, in all material respects, the revenues and certain operating expenses described in Note 2 of the 180 Park Avenue 105 Building for the year ended December 31, 2004 in conformity with U.S. generally accepted accounting principles.

Notes to Statements of Revenues Over Certain Operating Expenses

For the year ended December 31, 2004

and the three months ended March 31, 2005 (unaudited)

1. Description of Real Estate Property Acquired

On March 14, 2005, Wells Operating Partnership II, L.P. (Wells OP II), through a wholly owned subsidiary, acquired the 180 Park Avenue 105 Building (the Building), a three-story office building containing approximately 222,000 square feet located in Florham Park, New Jersey. Total consideration for the acquisition was approximately \$54.0 million. Wells OP II is a Delaware limited partnership formed to acquire, own, lease, operate and manage real properties on behalf of Wells Real Estate Investment Trust II, Inc. (Wells REIT II), a Maryland corporation. Wells REIT II is the sole general partner of Wells OP II.

2. Basis of Accounting

The accompanying statements of revenues over certain operating expenses are presented in conformity with U. S. generally accepted accounting principles and in accordance with the applicable rules and regulations of the Securities and Exchange Commission for real estate properties acquired. Accordingly, the statements exclude certain historical expenses that are not comparable to the proposed future operations of the property such as certain ancillary income, amortization, depreciation, interest and corporate expenses. Therefore, the statements will not be comparable to the statements of operations of the Building after its acquisition by Wells OP II.

3. Significant Accounting Policies

Rental Revenues

Rental revenue is recognized on a straight-line basis over the terms of the related leases. The excess of rental income recognized over the amounts due pursuant to the lease terms is recorded as straight-line rent receivable. The adjustment to straight-line rent receivable decreased revenue by approximately \$83,000 for the year ended December 31, 2004 and approximately \$21,000 for the three months ended March 31, 2005.

Use of Estimates

The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Novartis Pharmaceuticals Corporation (Novartis) leases approximately 72% of the Building under a long-term lease agreement and approximately 28% of the Building is currently vacant. Novartis contributed approximately 100% of rental income for the year ended December 31, 2004 and for the three months ended March 31, 2005. Under the terms of the Novartis lease, the tenant is required to reimburse to landlord its proportionate share of the Building s operating expenses in excess of a base year.

5. Future Minimum Rental Commitments

Future minimum rental commitments for the Novartis Lease for the years ended December 31 are as follows (in thousands):

2005	\$ 4,773

2007	5,124

6. Interim Unaudited Financial Information

Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form 8-K/A

The statement of revenues over certain operating expenses for the three months ended March 31, 2005 is unaudited; however, in the opinion of management, all adjustments (consisting solely of normal, recurring adjustments) necessary for the fair presentation of the financial statement for the interim period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full fiscal year.
