In connection with the audits of the two fiscal years ended December 31, 2004, and the subsequent interim period through June 16, 2005, there were: (1) no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement, or (2) no reportable events.

The audit reports of KPMG on the consolidated financial statements of Power Integrations, Inc. and subsidiaries as of and for the years ended December 31, 2004 and 2003 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. The audit report of KPMG on management's assessment of the effectiveness of internal control over financial reporting and the effectiveness of internal control over financial reporting as of December 31, 2004 did not contain an adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

The Company has provided KPMG with a copy of this Form 8-K prior to its filing with the Securities and Exchange Commission (the SEC). The Company has received a letter from KPMG addressed to the SEC. A copy of that letter, dated as of June 22, 2005, is attached hereto as Exhibit 16.1.

On June 16, 2005, the Company engaged Deloitte & Touche LLP (Deloitte) as independent accountants to audit the Company's financial statements. The decision to engage Deloitte was approved by the audit committee of the Company's board of directors. The Company did not, nor did anyone on its behalf, consult Deloitte during the Company's two most recent fiscal years and during the subsequent interim period prior to the Company's engagement of Deloitte regarding the application of accounting principles to a specified transaction (completed or proposed), the type of audit opinion that might be rendered on the Company's financial statements, any matter being the subject of disagreement or reportable event or any other matter described in Item 304(a)(2) of Regulation S-K.
