**Item 7.01 Regulation FD Disclosure.**

On March 14, 2006, we announced that we had completed our on-site investigation into the explosion that occurred at the Sago Mine near Buckhannon, West Virginia on January 2, 2006. The Sago Mine is operated by our subsidiary Wolf Run Mining Company (f/k/a Anker West Virginia Mining Company, Inc.). We revealed our initial findings to the families of those killed in the accident yesterday in a series of private meetings. Our employees at the Sago Mine received briefings as they reported to work for their regular shifts at the mine. We expect normal coal mining activities to resume on Wednesday, March 15.
