Item 2.05. Costs Associated with Exit or Disposal Activities.

On March 13, 2006, Mercury Computer Systems, Inc. (the Company) announced that it had initiated certain measures across the organization to realign operating expenses with previously announced revised growth projections. As part of this initiative, the Company's worldwide workforce including contractors will be reduced by approximately 80 positions, or 8% of the workforce. On March 13, 2006, the Company began notifying approximately 55 employees that their employment was being terminated. The workforce reduction plan affects each of the Company's business units. Notification of affected personnel is expected to be substantially completed by March 31, 2006. The workforce reduction action is expected to result in total cash expenditures of approximately \$2 million, payable over the next three quarters.

Additional information related to this workforce reduction action is contained in a press release issued by the Company on March 13, 2006, a copy of which is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.

Safe Harbor Statement

This Current Report on Form 8-K contains statements regarding the workforce reduction action and total estimated cash expenditures associated with this action which are forward-looking statements as defined in Section 21E of the Securities Exchange Act of 1934, as amended. Such statements are based on current assumptions and expectations of the Company's management and are neither promises nor guarantees but involve risks and uncertainties, both known and unknown, that could cause actual results to differ materially from those discussed in the forward-looking statements. Important factors that could cause actual results to differ materially from those presently expected include, but are not limited to, difficulties for management in successfully implementing the reduction action, unanticipated delays in the implementation of the reduction action, unanticipated costs and expenses relating to the implementation of the reduction action, declines in the Company's revenues and earnings, and reliability and quality issues and adverse changes in general economic or market conditions. Reference is made to the discussion of risk factors detailed in our filings with the Securities and Exchange Commission, including, but not limited to, the Company's quarterly report on Form 10-Q for the fiscal quarter ended December 31, 2005. The forward-looking statements included herein are made only as of the date of publication and the Company undertakes no obligation to update the information set forth in this Current Report on Form 8-K.
