PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD THURSDAY, MAY 11, 2006

INFORMATION ABOUT THE ANNUAL MEETING

Our 2006 Annual Meeting of Stockholders will be held at the Mobile Convention Center, One South Water Street, Mobile, Alabama 36602 on Thursday, May 11, 2006 at 9:00 a.m., Central Time.

Solicitation of Proxies

Our Board of Directors has sent you this proxy statement to solicit your vote at the annual meeting (including any adjournment or postponement of the annual meeting). In this proxy statement we summarize information that we are required to provide you under the rules of the Securities and Exchange Commission. This proxy statement is designed to assist you in voting your shares. On or about April 10, 2006, we began mailing this proxy statement and the 2005 Annual Report to all stockholders of record at the close of business on March 31, 2006.

We will bear the cost of the solicitation of proxies. We will request brokers or nominees to forward this Proxy Statement to their customers and principals and will reimburse them for expenses so incurred. If deemed necessary, we may also use our officers and regular employees, without additional compensation, to solicit proxies personally or by telephone.

Stockholders Entitled to Vote

The Board of Directors has set March 31, 2006 as the record date for the annual meeting. Only stockholders of record at the close of business on the record date will be entitled to notice of and to vote at the annual meeting. At the close of business on March 31, 2006, there were 10,749,069 shares of the common stock of the Company, par value \$.001 per share, outstanding. Each stockholder is entitled to one vote in person or by proxy for each share of common stock held on all matters properly to come before the annual meeting.

Proposals to be Considered at the Annual Meeting

At the annual meeting, we will ask you to:

Proposal 1: Elect three Class I directors to serve on the Board of Directors of the Company for a three-year term expiring at the 2009 annual meeting; and

Proposal 2: Ratify the appointment of Grant Thornton LLP as independent registered public accountants for the year ending December 31, 2006.

Information About a Quorum

At the annual meeting, the presence of a majority of the shares of common stock entitled to vote, represented in person or by proxy, shall constitute a quorum for the transaction of business. If a quorum is not present or if we decide that more time is necessary for the solicitation of proxies, we may adjourn the annual meeting. We may do this with or without a stockholder vote. If there is a stockholder vote to adjourn, the

named proxies will vote all shares of common stock for which they have voting authority in favor of adjournment.

Table of Contents

Votes Necessary for Each Proposal to be Approved

Assuming the presence of a quorum, the three Class I director nominees receiving the most votes, whether cast in person or by proxy, will be elected (Proposal 1). Proposal 2 (ratification of auditors) requires for adoption the affirmative vote of the holders of a majority of shares of common stock present in person or represented by proxy and entitled to vote on the proposal at the annual meeting.

A stockholder may abstain or withhold his or her vote (collectively, "abstentions") with respect to each item submitted for stockholder approval. Abstentions will be counted as present for purposes of determining the existence of a quorum but will be counted as not voting in favor of any proposal brought before the annual meeting. Since the election of directors (Proposal 1) is determined by the votes cast at the annual meeting, abstentions will not affect the outcome of this matter. An abstention as to the ratification of the appointment of independent registered public accountants (Proposal 2) will have the same effect as voting against the proposal.

Generally, a broker is entitled to vote shares held in "street name" on routine matters without instructions from the beneficial owner of such shares. On the other hand, a broker may not be entitled to vote shares held in "street name" on certain non-routine items absent instructions from the beneficial owner of such shares (a "broker non-vote"). Broker non-votes, if any, are counted for general quorum purposes, but are not deemed to be present with respect to any matter for which a broker does not have authority to vote.

Submission of Proxies

Please complete, sign, date and return the proxy card in the enclosed envelope so the common stock you own will be voted in accordance with your wishes. If you desire to revoke your proxy, you may do so either by attending the annual meeting in person or by delivering written notice of revocation so that it is received by the Company or its transfer agent, American Stock Transfer & Trust Company, N.A., on or before May 10, 2006. The address for American Stock Transfer & Trust Company is 59 Maiden Lane, Plaza Level, New York, NY 10038, Attention: Gail Domenech.

PROPOSAL 1

ELECTION OF CLASS I DIRECTORS

Board Structure

Our Certificate of Incorporation provides that the number of directors of the Company shall be fixed by resolution of the Board of Directors and divided into three classes. We currently have eleven directors. Directors in each class are elected for three-year terms. The current term of the Class I directors expires at the 2006 annual meeting. The current Class II directors will serve until the 2007 annual meeting and until their successors are elected and qualified. The current Class III directors will serve until the 2008 annual meeting and until their successors are elected and qualified.

On March 6, 2006, Dennis P. Wilkins, a current Class I director, notified the Company that he will not stand for re-election to the Company's Board of Directors when his term expires at the 2006 annual meeting. In connection with Mr. Wilkins's decision not to stand for re-election, on March 8, 2006, the Board of Directors approved a reduction in the size of the Board of Directors from eleven persons to ten persons effective as of the conclusion of the 2006 annual meeting.

Voting of Proxies

The persons named as proxies in the enclosed proxy card, unless a contrary direction is indicated on the enclosed proxy card, intend to vote the shares for which they serve as proxy in favor of the nominees named herein. If any of the nominees should be unable to serve, which the Board of Directors does not anticipate will occur, the proxies will be voted for a substitute selected by the Board of Directors, or the Board of Directors may decide not to select an additional person as a director.

Unless otherwise specified in the enclosed proxy card, it is intended that votes will be cast for the election of all of the nominees as Class I directors. Proxies cannot be voted for a greater number of persons than the number of actual nominees so named. Vacancies that occur on the Board of Directors may be filled by remaining directors until the next election of directors for the class in which the vacancy occurred.

Information About the Nominees

The Board of Directors has nominated William R. Seifert, II, W. Austin Mulherin, III, and John C. Johnson for election as Class I directors to serve a three-year term until the 2009 annual meeting of stockholders and until their successors are elected and qualified. CORPORATE GOVERNANCE AND BOARD MATTERS

Governance Guidelines

We are committed to having sound corporate governance principles. Having such principles is essential to running our business efficiently and to maintaining our integrity in the marketplace. The Board of Directors has adopted corporate governance guidelines that set forth the fundamental corporate governance principles of the Company in order to demonstrate the Board's accountability and its desire to achieve superior business results. We have adopted a Code of Business Conduct and Ethics that is applicable to all of our directors, officers (including our Chief Executive Officer and senior financial officers) and employees. We have also adopted a separate code of ethics with additional guidelines and responsibilities applicable to our Chief Executive Officer and senior financial officers, known as the Code of Ethics for CEO and Senior Financial Officers. Copies of the Code of Business Conduct and Ethics and the Code of Ethics for CEO and Senior Financial Officers are exhibits to our Annual Report on Form 10-K for the year ended December 31, 2003, as filed with the Securities and Exchange Commission (SEC).

Board Independence

Our Board of Directors currently has eleven members, and will have ten members effective at the conclusion of the 2006 annual meeting. The Board has determined that the following six directors have no relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company) that would interfere with the exercise of their independent judgment in carrying out their responsibilities, and such persons are independent within the meaning of the Company's independence standards, which reflect the Nasdaq director independence standards currently in effect: Hal L. Daugherty, Charles P. Huffman, John C. Johnson, Ernest F. Ladd, III, W. Austin Mulherin, III and William R. Seifert, II. Therefore, a majority of the members of the Board of Directors are independent under the Nasdaq director independence standards.

Board Structure and Committee Composition

Our Board of Directors is divided into three classes, with one class of directors being elected at each annual meeting of stockholders. Each director serves for a term of three years or until his successor is elected and qualified. The Board of Directors oversees the business and affairs of the Company and monitors the performance of its management. Although the Board of Directors is not involved in the Company's day-to-day operations, the directors keep themselves informed about the Company through meetings of the Board, reports from management and discussions with the Company's executive officers. Directors also communicate with the Company's outside advisors, as necessary. The Board of Directors met five times in 2005.

During 2005, the Company had four standing committees of the Board of Directors: the Executive Committee, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The Board of Directors may from time to time form other committees as circumstances warrant. Such committees will have the authority and responsibility as delegated by the Board.

Only members of the Board of Directors can be members of a committee, and each committee is required to report its actions to the full Board of Directors. The Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee each operates under a written charter adopted by the Board. The committee charters of the Compensation Committee and the Nominating and Corporate Governance Committee were attached as appendices to our Proxy Statement for the 2004 annual meeting, and the Audit Committee Charter was included as an appendix to our Proxy Statement for the 2003 annual meeting. Copies of these three committees' charters are available on our website at www.cpsinet.com in the Investors' section under Financial Information.

Table of Contents

None of the incumbent directors attended less than 75% of the aggregate of (a) the total number of meetings of the Board of Directors and (b) the total number of meetings held by all committees of the Board of Directors on which he served. Absent extenuating circumstances, directors are expected to attend annual meetings of the Company's stockholders. All of our directors attended the 2005 annual meeting of stockholders.

The following describes the functions and sets forth the current membership of each Committee of the Board of Directors. The number of meetings that each Committee held in 2005 is also listed.

Executive Committee

The members of the Executive Committee are John Morrissey, Chairman, Dennis P. Wilkins and M. Kenny Muscat. Mr. Wilkins will no longer be a member of the Executive Committee when his term as a director expires at the 2006 annual meeting. The Executive Committee did not meet in 2005.

Between meetings of the Board of Directors and while the Board of Directors is not in session, the Executive Committee has all the powers and can exercise all the duties of the entire Board of Directors relating to the management of the business and affairs of the Company. The Executive Committee, however, is prohibited from taking certain actions, including, but not limited to, approving dividends and filling vacancies on the Board.

Audit Committee

The current members of the Audit Committee are Ernest F. Ladd, III, Chairman, William R. Seifert, II and Charles P. Huffman, all of whom are independent directors as defined under existing Nasdaq rules. The Audit Committee met five times during 2005.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities with respect to: the financial reports and other financial information provided by the Company to its stockholders and others; the Company's financial policies and procedures; the Company's system of internal controls; and the Company's auditing, accounting and financial reporting processes. The Audit Committee is directly responsible for appointing and overseeing the independent auditor of the Company.

The Board of Directors has carefully evaluated the backgrounds of the members of the Audit Committee and has determined that such members qualify as independent under applicable Nasdaq listing standards and SEC rules for Audit Committee membership. Furthermore, in accordance with SEC rules, the Board has determined that Ernest F. Ladd, III and Charles P. Huffman both qualify as an audit committee financial expert as defined by the applicable SEC rules. The Report of the Audit Committee appears in this proxy statement at page 18.

Compensation Committee

The current members of the Compensation Committee are William R. Seifert, II, Chairman, W. Austin Mulherin, III and John C. Johnson. The Board of Directors has determined that each of these members is independent under the Nasdaq director independence standards. The Compensation Committee met three times during 2005.

The Compensation Committee is authorized to approve and recommend to the Board of Directors the compensation to be paid to officers, directors and committee members of the Company. Executive compensation may include, but is not limited to, salary, bonus, stock options, other annual compensation and any combination thereof as the Compensation Committee deems appropriate in light of the performance of the Company.

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are W. Austin Mulherin, III, Chairman, Hal L. Daugherty, Jr. and Charles P. Huffman. The Board of Directors has determined that each of these members is independent under the Nasdaq director independence standards. The Nominating and Corporate Governance Committee met one time during 2005.

Table of Contents

The purpose of the Nominating and Corporate Governance Committee is to (a) identify individuals qualified to become members of the Board and to recommend director nominees to the Board for election by the stockholders, (b) monitor, oversee and evaluate the corporate governance principles applicable to the Company and (c) oversee the evaluation of the Board and management.

Consideration of Director Nominees

Director Qualifications

Criteria that will be used by the Nominating and Corporate Governance Committee in connection with evaluating and selecting new directors include factors relating to whether the director candidate would meet the definition of independence required by the Nasdaq listing standards, as well as skills, occupation and experience in the context of the needs of the Board. The Company's *Guidelines of Significant Governance Issues* (the Governance Guidelines) also set forth certain factors that should be considered by the Nominating and Corporate Governance Committee in recommending a nominee to the Board, including relevant experience, intelligence, independence, commitment, integrity, diligence, conflicts of interest, age, compatibility with the Company's management team and culture, prominence, understanding of the Company's business, the ability to act in the interests of all stockholders and other factors deemed relevant. The Board believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

Process for Evaluating Nominees for Director

The process that will be followed by the Nominating and Corporate Governance Committee to identify and evaluate director candidates will include requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Corporate Governance Committee and the Board. Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members.

Director Nominees Proposed by Stockholders

The Nominating and Corporate Governance Committee will consider stockholder-recommended director candidates for inclusion in the slate of nominees that the Board recommends to the stockholders for election. In considering whether to recommend any candidate for inclusion in the Board's slate of recommended director nominees, including candidates recommended by stockholders, the Nominating and Corporate Governance Committee will apply the selection criteria described above. The Nominating and Corporate Governance Committee will not assign specific weights to its various criteria and no particular criterion is necessarily applicable to all prospective nominees.

Stockholders may recommend individuals for the Nominating and Corporate Governance Committee to consider as potential director candidates by submitting the following information to the Nominating and Corporate Governance Committee of Computer Programs and Systems, Inc., c/o Corporate Secretary, 6600 Wall Street, Mobile, Alabama 36695:

The name of the recommended person;

All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act;

The written consent of the recommended person to being named in the proxy statement as a nominee and to serve as a director if elected;

Table of Contents

As to the stockholder making the recommendation, the name and address of such stockholder, as it appears on the Company's books; provided, however, that if the stockholder is not a registered holder of the Company's common stock, the stockholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects his or her beneficial ownership of the Company's common stock; and

A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In addition to submitting nominations in advance to the Nominating and Corporate Governance Committee for consideration, a stockholder also may nominate persons for election to the Board of Directors in person at a stockholders meeting. Our Bylaws provide that written notice of a stockholder's intent to make a nomination at a stockholders meeting must be given, either by personal delivery or by United States certified mail, postage prepaid, to the Secretary of the Company and received (1) with respect to any annual meeting, not less than 120 days nor more than 150 days before the first anniversary of the date of our proxy statement in connection with the last annual meeting of stockholders, (2) if the date of the applicable annual meeting has been changed by more than 30 days from the date of the previous year's annual meeting, not less than 60 days before the date of the applicable annual meeting, or (3) with respect to any special stockholders meeting called for the election of directors, not later than the close of business on the seventh day following the date on which notice of such meeting is first given to stockholders.

Each such stockholder's notice shall set forth:

the name and address of such stockholder, as it appears on the Company's books;

a representation that such stockholder is a stockholder of record and intends to appear in person or by proxy at such meeting to nominate the person or persons specified in the notice;

the class and number of shares of our stock beneficially owned by such stockholder and the nominee;

a description of all arrangements or understandings between such stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by such stockholder;

the name, age, business address and, if known, residence address of the nominee;

the principal occupation or employment of the nominee;

any other information relating to the nominee that is required to be disclosed in solicitations of proxies for election of directors or is otherwise required by the rules and regulations of the SEC; and

the written consent of the nominee to serve as a director if elected.

The chairman of the annual meeting of stockholders shall determine whether or not a nomination was made in accordance with the procedures set forth in our Bylaws. If the chairman determines that a nomination is defective, he will declare to the meeting that such nomination is defective, and the defective nomination will be disregarded.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

To Our Stockholders

Effective as of the conclusion of the 2004 annual meeting, the Compensation Committee of the Board of Directors became responsible for overseeing and administering the executive compensation program of the Company. Prior to that time, the full Board of Directors oversaw and administered the executive compensation program. Cash compensation determinations made by the Compensation Committee are still subject to approval by the entire Board. The Compensation Committee consists of three directors, William R. Seifert, II, W. Austin Mulherin, III and John C. Johnson, each of whom is independent, as determined by the Board, within the meaning of applicable Nasdaq listing standards. The specific duties and responsibilities of the Compensation Committee are described above under **CORPORATE GOVERNANCE AND BOARD MATTERS** Board Structure and Committee Composition, and in the Compensation Committee Charter that is attached as an appendix to the 2004 proxy statement.

The following report provides details and background information regarding our executive compensation program for 2005.

Compensation of the CEO and other Executive Officers

Total compensation for the executive officers is reviewed and set annually and currently includes three primary types of compensation:

- Base salary;
- Bonuses; and
- Restricted Stock.

The following discussion is applicable to executive officers of the Company, including the Chief Executive Officer and the other Named Executive Officers.

Base Salary. Executive officers' base salaries are determined by several factors, but principally by the responsibilities required by the position. In establishing base salaries, the Committee reviews recommendations by the Chief Executive Officer. Individual competence, length of service in a position, and comparisons to salaries for similar positions in other comparable companies guide the determination of the appropriate level of an executive officer's salary. Company performance may also be a factor in determining the amount of any base salary increase. The Committee's compensation strategy for executive officers is to pay salaries at or near the median compensation paid by comparable companies. Based on these factors, Mr. Dye's base salary for calendar year 2005 was set at \$500,000.

Bonus. In 1999 and 2001, several of our executive officers purchased common stock in the Company from certain of our stockholders. These officers financed their purchases with bank loans. In order to allow these officers to service the principal and interest payments on their loans, the Board approved the payment to these officers of annual cash bonuses, which historically have been paid bi-weekly along with the officers' salaries. As of January 2005, substantially all of these loans were satisfied in full. Therefore, while the Compensation Committee elected not to decrease the total amount of cash compensation payable to the executive officers, the Compensation Committee did not believe that these bi-weekly payments should continue to be considered bonuses. Accordingly, effective January 2005, the Compensation Committee decided to characterize the payments as part of the executive officers' base salary.

In October 2005, the Compensation Committee elected to pay a discretionary cash bonus of \$100,000 to each of David A. Dye, our Chief Executive Officer, and J. Boyd Douglas, our Chief Operating Officer, in consideration of the financial performance of the Company through September 2005. The Compensation Committee expects to pay cash bonuses to executive officers in the future as part of the Company's overall executive compensation program and intends to evaluate how and when cash bonuses will be paid, as well as the conditions under which they will be paid. The bonus structure has been, and will continue to be, designed to ensure that our overall compensation structure is competitive.

Table of Contents

The Compensation Committee believes that the current compensation levels of its key executives, including the bonus amounts, are consistent with our objective of rewarding, retaining and providing incentives for outstanding performance to the executives who contribute most to the operating results of the Company. The Compensation Committee specifically reviews and approves, subject to final approval of the full Board, each annual bonus paid to the executive officers, including the Chief Executive Officer.

Restricted Stock Plan. In 2005, upon the Compensation Committee's recommendation, the Board of Directors adopted the 2005 Restricted Stock Plan, which was approved by the Company's stockholders at the 2005 annual meeting. The Restricted Stock Plan is designed to attract, retain and motivate senior executive officers of CPSI by providing them with additional equity-based incentives. While no awards of restricted stock were made in 2005, the Compensation Committee approved a grant of shares of restricted stock under the Plan, effective January 30, 2006, to certain executive officers of the Company, including the Chief Executive Officer and the other Named Executive Officers. The Compensation Committee believes that it is important to the long-term success of CPSI to continue to provide long-term, equity based incentive compensation to CPSI's senior executive officers.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is currently composed of three directors who are independent directors as defined under existing Nasdaq rules and SEC rules. The Audit Committee operates under a written charter, as amended by the Board of Directors on April 1, 2003.

The Audit Committee hereby submits the following report:

We have reviewed and discussed with management the Company's audited financial statements as of, and for, the year ended December 31, 2005.

We have discussed with the independent registered public accountants, Grant Thornton LLP, the matters required to be discussed by Statement on Auditing Standard No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from the independent registered public accountants required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended by the Independence Standards Board, and have discussed with the registered public accountants their independence. We considered whether the provision of non-financial audit services was compatible with Grant Thornton LLP's independence in performing financial audit services.

Based on the reviews and discussions referred to above, we recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005. It should be noted that management is responsible for the Company's financial reporting process, including its system of internal controls, and of the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. The Company's independent registered public accountants are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures.

General

The Audit Committee has approved the engagement of Grant Thornton as the Company's independent registered public accountants for the year ending December 31, 2006. During the years ended December 31, 2003 and 2002, and through August 6, 2004, there were no disagreements with Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures which, if not resolved to the satisfaction of Ernst & Young, would have caused Ernst & Young to make reference to the matter in their report. During the years ended December 31, 2003 and 2002, and through August 6, 2004, there were no reportable events as that term is described under Item 304(a)(1)(v) of Regulation S-K promulgated by the SEC.

During the Company's two most recent fiscal years ended December 31, 2003, and the subsequent interim period through August 6, 2004, the Company did not consult with Grant Thornton regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.
