PROXY STATEMENT

Information Concerning Voting and Solicitation

This Proxy Statement is being furnished to you in connection with the solicitation by the Board of Directors of PortalPlayer, Inc., a Delaware corporation (the "Company"), of proxies to be used at the 2006 Annual Meeting of Stockholders to be held at the Hilton Santa Clara Hotel, located at 4949 Great America Parkway, Santa Clara, California 95054, at 9:00 a.m., Pacific Time, on Friday, June 9, 2006 and any adjournments or postponements thereof. This Proxy Statement and the accompanying form of proxy card are being mailed to stockholders on or about April 28, 2006.

Appointment of Proxy Holders

Your Board of Directors asks you to appoint Gary Johnson and Svend-Olav Carlsen as your proxy holders to vote your shares at the 2006 Annual Meeting of Stockholders. You make this appointment by voting the enclosed proxy card using one of the voting methods described below.

If appointed by you, the proxy holders will vote your shares as you direct on the matters described in this Proxy Statement. In the absence of your direction, they will vote your shares as recommended by your Board of Directors.

Unless you otherwise indicate on the proxy card, you also authorize your proxy holders to vote your shares on any matters not known by your Board of Directors at the time this Proxy Statement was printed and which, under our Bylaws, may be properly presented for action at the Annual Meeting.

Who Can Vote

Edgar Filing: PortalPlayer, Inc. - Form DEF 14A

Only stockholders who owned shares of our common stock at the close of business on April 21, 2006, the record date for the Annual Meeting, can vote at the Annual Meeting. As of the close of business on April 21, 2006, we had 24,670,872 shares of common stock outstanding and entitled to vote. Each holder of common stock is entitled to one vote for each share held as of April 21, 2006. There is no cumulative voting in the election of directors.

How You Can Vote

You may vote your shares at the Annual Meeting either in person or by mail as described below. Stockholders holding shares through a bank or broker should follow the voting instructions on the form of proxy card received.

Voting by Mail. You may vote by proxy by dating, signing and returning your proxy card in the enclosed postage-paid envelope. Giving a proxy will not affect your right to vote your shares if you attend the Annual Meeting and want to vote in person.

Voting at the Annual Meeting. You may vote by attending and voting at the Annual Meeting. However, your Board of Directors recommends that you vote by mail as it is not practical for most stockholders to attend the Annual Meeting. Voting your proxy card by mail will not limit your right to vote at the Annual Meeting, if you decide to attend in person. If you hold shares through a bank or broker, you must obtain a proxy, executed in your favor, from the bank or broker to be able to vote at the Annual Meeting.

Table of Contents

If you submit your proxy, but do not mark your voting preference, the proxy holders will vote your shares **FOR** the election of the nominees for director and **FOR** the ratification of the appointment of our independent registered public accounting firm.

Revocation of Proxies

Stockholders can revoke their proxies at any time before they are exercised in any of three ways:

by voting in person at the Annual Meeting;

by submitting written notice of revocation to PortalPlayer's Secretary prior to the Annual Meeting; or

by submitting another properly executed proxy at a later date.

Required Vote

Directors are elected by a plurality vote, which means that the eight nominees receiving the most affirmative votes will be elected. All other matters submitted for stockholder approval require the affirmative vote of the majority of shares present in person or represented by proxy and entitled to vote.

A quorum, which is a majority of the outstanding shares as of April 21, 2006, must be present to hold the Annual Meeting. A quorum is calculated based on the number of shares represented by the stockholders attending in person and by their proxy holders.

If you indicate an abstention as your voting preference, your shares will be counted toward a quorum. Abstentions on any matter are treated as shares present or represented and entitled to vote on that matter and have the same effect as a vote against such matter.

If a broker indicates on the enclosed proxy card or its substitute that such broker does not have discretionary authority to vote on a particular matter (broker non-votes), those shares will be considered as present for purposes of determining the presence of a quorum but will not be treated as shares entitled to vote on that matter.

Payment of Costs

PortalPlayer will pay the cost of printing and mailing proxy materials. In addition to the solicitation of proxies by mail, solicitation may be made by our directors, officers and other employees by personal interview, telephone or facsimile. No additional compensation will be paid to these

Edgar Filing: PortalPlayer, Inc. - Form DEF 14A

persons for solicitation. We will reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation materials to beneficial owners of our common stock.

IMPORTANT

Please promptly vote and submit your proxy by signing, dating and returning the enclosed proxy card in the postage-prepaid return envelope so that your shares can be voted. This will not limit your rights to attend or vote at the Annual Meeting.

Election of Directors

The proxies given to the proxy holders will be voted or not voted as directed and, if no direction is given, will be voted FOR these eight nominees. Your Board of Directors knows of no reason why any of these nominees would be unable or unwilling to serve. However, if for any reason any nominee would be unable or unwilling to serve, the proxies will be voted for any nominee designated to fill the vacancy by your Board of Directors, taking into account the recommendations of the Nominating and Corporate Governance Committee.

Committees of the Board of Directors

Your Board of Directors has established an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Your Board of Directors has determined that each director who serves on these committees is independent, as that term is defined by applicable listing standards of The Nasdaq Stock Market and rules of the Securities and Exchange Commission, except that Mr. Sanquini is not independent under the applicable listing standards of The Nasdaq Stock Market. However, in accordance with certain exceptions provided by these standards, your Board of Directors has determined that there are exceptional circumstances present such that Mr. Sanquini should remain on the Compensation Committee for the coming year. The Board of Directors has adopted written charters for each of these committees. Copies of these charters are available on our investors' relations website (www.portalplayer.com). Table of Contents

Director Nominations

Your Board of Directors nominates directors for election at each Annual Meeting of stockholders, and elects new directors to fill vacancies when they arise. The Nominating and Corporate Governance Committee has the responsibility to identify, evaluate, recruit and recommend qualified candidates to the Board of Directors for nomination or election.

Your Board of Directors has as an objective that its membership be composed of experienced and dedicated individuals with diversity of backgrounds, perspectives and skills. The Nominating and Corporate Governance Committee will select candidates for director based on their character, judgment, diversity of experience, business acumen and ability to act on behalf of all stockholders. The Nominating and Corporate Governance Committee believes that nominees for director should have experience (such as experience in management or accounting and finance, or industry and technological knowledge, that may be useful to PortalPlayer and the Board of Directors), high personal and professional ethics, and the willingness and ability to devote sufficient time to effectively carry out his or her duties as a director. The Nominating and Corporate Governance Committee believes it appropriate for at least one, and, preferably, multiple, members of the Board of Directors to meet the criteria for an audit committee financial expert as defined by rules of the Securities and Exchange Commission, and for a majority of the members of the Board of Directors to meet the definition of independent director under the rules of The Nasdaq Stock Market. The Nominating and Corporate Governance Committee also believes it appropriate for certain key members of our management to participate as members of the Board of Directors.

Prior to each Annual Meeting of Stockholders, the Nominating and Corporate Governance Committee identifies nominees first by evaluating the current directors whose term will expire at the Annual Meeting and who are willing to continue in service. These candidates are evaluated based on the criteria described above, including as demonstrated by the candidate's prior service as a director, and the needs of the Board of Directors with respect to the particular talents and experience of its directors. In the event that a director does not wish to continue in service, the Nominating and Corporate Governance Committee determines not to re-nominate the director, or a vacancy is created on the Board of Directors as a result of a resignation, an increase in the size of the board or other event, the Committee will consider various candidates for Board membership, including those suggested by the Committee members, by other Board of Directors members, by any executive search firm engaged by the Committee or by stockholders. A stockholder who wishes to suggest a prospective nominee for the Board of Directors should notify PortalPlayer's Secretary or any member of the Committee in writing, and should include any supporting material the stockholder considers appropriate.

In addition, our Bylaws contain provisions that address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at our Annual Meeting of Stockholders. In order to nominate a candidate for director, a stockholder must give timely notice in writing to PortalPlayer's Secretary and otherwise comply with the provisions of our Bylaws. To be timely, our Bylaws provide that we must have received the stockholder's notice not less than 90 days nor more than 120 days in advance of the date the Proxy Statement was released to the stockholders in connection with the previous year's Annual Meeting of Stockholders; however, if we have not held an Annual Meeting in the previous year or the date of the Annual Meeting is changed by more than 30 days from the prior year, we must have received the stockholder's notice not later than the close of business on the later of the 90th day prior to the Annual Meeting or the 7th day following the first public announcement of the Annual Meeting date. Information required by the Bylaws to be in the notice includes the name and contact information for the candidate and the person making the nomination and other information about the nominee that must be disclosed in proxy solicitations under Section 14 of the Securities Exchange Act of 1934 and the related rules and regulations under that Section.

Stockholder nominations must be made in accordance with the procedures outlined in, and include the information required by, our Bylaws and must be addressed to: Secretary, PortalPlayer, Inc., 70 W. Plumeria Drive, San Jose, California 95134. You can obtain a copy of our Bylaws by writing to the Secretary at this address.

Table of Contents**Stockholder Communications with the Board of Directors**

If you wish to communicate with the Board of Directors, you may send your communication in writing to: Secretary, PortalPlayer, Inc., 70 W. Plumeria Drive, San Jose, California 95134. You must include your name and address in the written communication and indicate whether you are a stockholder of PortalPlayer. The Secretary will review any communication received from a stockholder, and all material communications from stockholders will be forwarded to the appropriate director or directors or committee of the Board of Directors based on the subject matter.

Director Compensation

We reimburse our directors for reasonable expenses in connection with attendance at board and committee meetings.

In July 2005, the Board of Directors, upon the recommendation of the Compensation Committee of the Board of Directors and a subcommittee of the Compensation Committee, modified the compensation structure for non-employee, or outside, directors by eliminating the meeting fees for general board service and committee participation and increasing annual retainers for performances of such services as indicated in the following table:

Description of Service	Retainer Amount
General board service	\$ 20,000
Chairperson of the Board of Directors	25,000
Chairperson of the Audit Committee	40,000
Chairperson of the Compensation Committee	5,000
Chairperson of the Nominating and Corporate Governance Committee	5,000
Members of the Audit Committee	5,000
Members of the Compensation Committee	2,500
Members of the Nominating and Corporate Governance Committee	2,500

Prior to July 2005, the Company's non-employee, or outside, directors received an annual retainer of \$10,000 plus compensation of \$2,000 for each board meeting attended in person and \$1,000 for each board meeting attended via teleconference. The chairperson of our Audit Committee received an annual retainer of \$40,000. The chairpersons of our Compensation Committee and Nominating and Corporate Governance Committee each received compensation of \$2,000 for each committee meeting attended in person or via teleconference. Each committee member other than a committee chairperson received compensation of \$1,000 for each committee meeting attended in person or via teleconference.

Directors are also eligible to receive and have received stock options and restricted stock under the Company's Amended and Restated 2004 Stock Incentive Plan (the "Plan"). The exercise price of stock options given to directors is based on the fair market value of our common stock on the date of grant. Outside directors receive nondiscretionary, automatic grants of non-statutory stock options under the Plan. Prior to July 2005, outside directors were automatically granted an initial option to purchase 41,666 shares upon first becoming a member of the Board of Directors. In July 2005, the Board of Directors, upon the approval and recommendation of a subcommittee of the Compensation Committee, amended Sections 4(b)(i) and (ii) of the Plan, reducing the number of option grants to 27,916 and awarding 4,583 shares of restricted stock for new outside directors of the Board of Directors. The initial option and restricted stock vests and becomes exercisable over four years, with the first 25% of the shares subject to the initial vesting on the first anniversary of the date of grant and the remainder vesting monthly thereafter. Immediately after each of our regularly scheduled annual meetings of stockholders, each outside director is automatically granted a

Edgar Filing: PortalPlayer, Inc. - Form DEF 14A

non-statutory option to purchase shares of our common stock provided the director has served on the Board of Directors for at least six months. In 2005, the outside directors that met the tenure requirements were granted an option to purchase 8,375 shares of common stock and given an award of 1,375 shares of restricted stock. These options and restricted stock vest and become exercisable on the

Table of Contents

first anniversary of the date of grant or immediately prior to the Company's next Annual Meeting of Stockholders, whichever is earlier. The options granted to outside directors have a per share exercise price equal to 100% of the fair market value of the underlying shares on the date of grant. The options and restricted stock become fully vested if the Company is subject to a change of control.

In January 2004, Richard Sanquini was issued an option to purchase 133,333 shares with an exercise price of \$0.45 per share in connection with his services as our Acting Chief Executive Officer for the period from December 2002 to April 2003. At the time of grant, 100,000 of the shares subject to the option were fully vested, and the remainder vested in July 2004. In April 2003, we entered into a consulting arrangement with Mr. Sanquini, pursuant to which he provided management consulting services for consideration in the amount of \$5,000 per month, receiving a total of \$35,000 in 2004. Mr. Sanquini no longer provides management services to us, and accordingly we do not have any arrangements to compensate Mr. Sanquini for any services other than as a director as described above.

Compensation Committee Interlocks and Insider Participation

During 2005, Messrs. Whims, Sanquini and Singh served as members of the Compensation Committee. Employment, Severance and Change of Control Arrangements

On March 14, 2003, Mr. Johnson entered into an offer letter with the Company to serve as President and Chief Executive Officer. Under the terms of the offer letter, Mr. Johnson was entitled to receive an annual salary of \$300,000, subject to annual review by our Board of Directors and subject to certain conditions related to our performance and financial situation. In connection with this agreement, Mr. Johnson was granted an option to purchase 1,028,768 shares of common stock at an exercise price of \$0.45 per share. This option vests monthly over four years. Mr. Johnson is also eligible to receive an option to purchase an additional 85,731 shares annually for up to four years based on the Company's performance and whether the Company exceeds certain business objectives for each calendar year. These options, if granted, would vest immediately and would have an exercise price equal to the then fair market value per share of our common stock. The offer letter further provides that Mr. Johnson's employment relationship with us may be terminated at any time by Mr. Johnson or us. If we terminate Mr. Johnson's employment without cause, Mr. Johnson is entitled to receive monthly payments after his termination equal to 12 months base salary. The offer letter also provides that upon a change of control, Mr. Johnson's options will vest immediately and he will be eligible for our management retention plan. Our management retention plan provides that if net proceeds, as defined in the stock option grant, from a change in control are greater than \$43.3 million, then Mr. Johnson will be eligible to receive the greater of (a) one-third interest in the management retention plan's bonus pool or (b) the value of Mr. Johnson's vested options.

Report of the Compensation Committee of the Board of Directors on Executive Compensation

The following report of the Compensation Committee does not constitute solicitation material, and shall not be deemed filed or incorporated by reference into any other filing by PortalPlayer under the Securities Act of 1933, or the Securities Exchange Act of 1934.

The Compensation Committee is comprised of three non-employee directors. The Compensation Committee is responsible for setting and administering the policies governing annual compensation of executive officers, considers their performance and establishes and approves their compensation. A subcommittee consisting of Mr. Whims and Mr. Soghikian from the Compensation Committee has been formed for the purpose of granting options and restricted stock to individuals who are subject to Section 16 of the Securities Exchange Act of 1934 and whose compensation is covered by Section 162(m) of the Internal Revenue Code. The Compensation Committee expects, pursuant to its charter, to periodically review the approach to executive compensation and make changes as competitive conditions and other circumstances warrant and will seek to ensure PortalPlayer's compensation philosophy is consistent with its best interests and is properly implemented.

The Compensation Committee met in January 2006 and approved 2005 cash bonus payments to executive officers, and the Board of Directors concurred.

Compensation Philosophy and Objectives

The Compensation Committee believes that compensation of PortalPlayer's executive officers should encourage creation of stockholder value and achievement of strategic corporate objectives. It is the Compensation Committee's philosophy to align the interests of PortalPlayer's stockholders and management by integrating compensation with the PortalPlayer's annual and long-term corporate and financial objectives. In order to attract and retain the most qualified personnel, PortalPlayer intends to offer a total compensation package competitive with companies in the semiconductor industry, taking into account relative company size, performance and geographic location as well as individual responsibilities and performance. The components of executive officer compensation consist of base salary, bonus, stock options and restricted stock, which are discussed separately below.

PortalPlayer generally intends to qualify executive compensation for deductibility without limitation under section 162(m) of the Internal Revenue Code. Section 162(m) provides that, for purposes of the regular income tax and the alternative minimum tax, the otherwise allowable deduction for compensation paid or accrued with respect to a covered employee of a publicly-held corporation (other than certain exempt performance-based compensation) is limited to no more than \$1 million per year. None of the non-exempt compensation paid by PortalPlayer to any of its executive officers for 2005 as calculated for purposes of section 162(m) exceeded the \$1 million limit.

Executive Officer Base Salary

The Compensation Committee reviews salaries recommended by the Chief Executive Officer for executive officers other than the Chief Executive Officer. The Compensation Committee sets the salary level of each executive officer on a case by case basis, taking into account the individual's level of responsibilities and performance. The Compensation Committee also considers market information and the base salaries and other incentives paid to executive officers of other similarly sized companies within its industry. The Chief Executive Officer is involved in final

decisions on base salary adjustments for executives other than the Chief Executive Officer.

Bonus Plan

The Compensation Committee believes that a portion of executive officer compensation should be contingent upon PortalPlayer's performance and an individual's contribution to its success in meeting corporate and financial objectives. The Compensation Committee established target bonuses for each executive officer

Table of Contents

under our 2005 Bonus Plan, calculated as a percentage of annual salary, as follows: Gary Johnson, 67%; Sanjeev Kumar, 50%; Michael J. Maia, 50%; Svend-Olav Carlsen, 50%; and Richard Miller, 50%. Mr. Kumar was entitled to an additional bonus of \$20,000 upon the achievement of an additional revenue target.

Specifically, under the 2005 Bonus Plan, each executive officer was entitled to a target bonus equal to: (a) the percentage of his base salary as set forth above (the Initial Bonus Amount) upon achievement of company revenue and EBITDA targets; (b) 120% of his Initial Bonus Amount upon achievement of specified higher company revenue and EBITDA targets; or (c) 140% of his Initial Bonus Amount upon achievement of specified additional higher company revenue and EBITDA targets; provided, however, that the maximum bonus pool for employees and executive officers under the Bonus Plan was approximately 7% of EBITDA and provided further that, in order to be eligible for a bonus in each case, both the specified revenue and EBITDA targets for the Company must be met, after which the exact amount of the bonus depended upon achieving or exceeding non-financial individual performance objectives.

Equity Compensation

The Compensation Committee administers PortalPlayer's Amended and Restated 2004 Stock Incentive Plan for executive officers, employees, consultants and outside directors, under which it grants options to purchase PortalPlayer's common stock with an exercise price equal to the fair market value of a share of the common stock on the date of grant as well as restricted stock. A subcommittee consisting of two members of the Compensation Committee has been formed for the purpose of granting options and restricted stock to individuals who are subject to Section 16 of the Securities Exchange Act of 1934 and whose compensation is covered by Section 162(m) of the Internal Revenue Code.

The Compensation Committee believes that providing executive officers who have responsibility for PortalPlayer's management and growth with an opportunity to increase their ownership of PortalPlayer stock aligns the interests of the executive officers with those of the stockholders. Accordingly, the Compensation Committee and the subcommittee, when reviewing executive officer compensation, also consider stock option and restricted stock grants as appropriate. At its discretion, from time to time the subcommittee may also grant options based on individual and corporate achievements. The subcommittee determines the number of shares underlying each stock option grant based upon the executive officer's and PortalPlayer's performance, the executive officer's role and responsibilities, the executive officer's base salary and comparison with comparable awards to individuals in similar positions in the industry.

In addition, PortalPlayer's employees generally are able to participate in the 2004 Employee Stock Purchase Plan. Under the Employee Stock Purchase Plan, each executive officer may purchase up to 833 shares of our common stock in a six month period at a discount to the market price. The number of shares that may be purchased by each participant is limited by applicable tax laws.

Chief Executive Officer Compensation

The Compensation Committee determines the compensation of the Chief Executive Officer using the same criteria as for the other executive officers. As determined by the Compensation Committee, with the Board of Directors concurring, Mr. Johnson received an annual base salary in the amount of \$325,000, and a cash bonus payment of \$304,326 for the period January 1, 2005 through December 31, 2005. The Compensation Committee determined Mr. Johnson's compensation pursuant to objective data synthesized to competitive ranges following statistical analysis and subjective policies and practices, including assessment of his achievements, and a review of compensation paid to presidents and chief executive officers of comparable companies.

In discharging its oversight role, the Audit Committee reviewed and discussed the audited financial statements contained in the 2005 Annual Report with PortalPlayer's management and the independent registered public accounting firm.

The Audit Committee met privately with the independent registered public accounting firm, and discussed issues deemed significant by the independent registered public accounting firm, including those required by Statements on Auditing Standards No. 61 and No. 90 (Audit Committee Communications), as amended. In addition, the Audit Committee discussed with the independent registered public accounting firm the firm's independence from PortalPlayer and its management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and considered whether the provision of non-audit services was compatible with maintaining the independent registered public accounting firm's independence.
