PROXY STATEMENT

Annual Meeting of Stockholders to be held June 8, 2006

Proxy Solicitation by the Board of Directors

GENERAL

This statement is furnished in connection with the Annual Meeting of Stockholders of American Vanguard Corporation (the Company) to be held at the Fairmont Newport Beach, 4500 MacArthur Boulevard, Newport Beach, California, at 11:00 a.m. local time on June 8, 2006. Stockholders of record at the close of business on May 5, 2006 will be entitled to vote at the meeting.

Proxies are being solicited by the Board of Directors of the Company (the Board). The Company will bear all costs of the solicitation. The Company does not intend to solicit proxies otherwise than by use of the mail, but certain officers and other employees of the Company or its subsidiaries, without additional compensation, may use their personal efforts, by telephone, telecommunication, or other similar means to obtain proxies. If the enclosed proxy is executed and returned, the shares represented by the proxy will be voted as specified therein. If a proxy is signed and returned without specifying choices, the shares will be voted FOR the election of each nominee for director as set forth in this Proxy Statement, FOR the proposal to ratify the appointment of BDO Seidman, LLP as independent accountants for 2006, and in the Board's discretion as to other matters that may properly come before the Annual Meeting.

Any stockholder has the power to revoke his or her proxy at any time prior to the voting thereof at the Annual Meeting by (i) filing with the Company's Secretary written revocation of his or her proxy, (ii) giving a duly executed proxy bearing a later date, or (iii) voting in person at the Annual Meeting. Attendance by a stockholder at the Annual Meeting will not in itself revoke his or her proxy. This Proxy Statement is being mailed to stockholders on or about May 12, 2006.

SECURITIES ENTITLED TO VOTE

The Board has fixed the close of business on May 5, 2006, as the record date for the purpose of determining the stockholders entitled to notice of and to vote at the Annual Meeting. The Company has only two authorized classes of shares, Preferred Stock and Common Stock, each with a par value of \$0.10 per share. There are 400,000 shares of Preferred Stock authorized, none of which have been issued. There are 40,000,000 shares of Common Stock authorized, of which 25,990,370 are outstanding as of May 12, 2006. Each stockholder will be entitled to one vote, in person or by proxy, for each share standing in his or her name on the Company's books as of the record date.

QUORUM

In order for business to be conducted, a quorum must be represented at the Annual Meeting. A quorum is a majority of the shares entitled to vote at the Annual Meeting. Shares represented by proxies in which authority to vote for any matter is considered withheld, proxies which are marked abstain or proxies as to which there is a broker non-vote will be counted as shares present for purposes of determining the presence of a quorum. Broker non-votes occur when nominees (such as brokers holding shares on behalf of beneficial owners) do not receive voting instructions from the beneficial owners and do not have discretionary authority to vote.

VOTE REQUIRED

The seven directors to be elected by the holders of Common Stock shall be the seven candidates receiving the highest number of votes cast by holders of Common Stock. Cumulative voting is not permitted. Only votes cast for a nominee will be counted. Abstentions or directions to withhold votes will result in those nominees receiving fewer votes, but will not count as a vote against the nominees.

The proposal to ratify the appointment of BDO Seidman, LLP as independent accountants and all other proposals duly presented for consideration at the Annual Meeting require the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote. Abstentions and broker non-votes will be treated as shares present and entitled to vote and therefore have the effect of votes against such proposal.

- (2) Exercisable in full on the date of grant.
- (3) Options were granted pursuant to the terms and condition of the American Vanguard Corporation 1994 Stock Incentive Plan (as amended and restated).
- (4) Represents the calculations at assumed 5% and 10% appreciation rates as prescribed by the rules and regulations of the SEC. Such calculations are not intended to forecast future appreciation, if any, and do not necessarily reflect the actual value, if any, that may be realized. The actual value of such options, if any, would be realized only upon the exercise of such options and depends upon the future performance of the Common Stock. No assurance can be made that the amounts reflected in these columns will be achieved. The potential realizable value was computed as the difference between the appreciated value (at the end of the term of the options) of the Common Stock into which the listed options are exercisable and the aggregate exercise price of such options. The calculations assume annual compounding and continued retention of the options and the underlying Common Stock by the optionee for the full option term.
- (5) Less than 1%.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee sets and administers the policies which govern annual and long-term executive compensation. The Committee is responsible for the design and implementation of salary and incentive programs for executive officers and other key officers/employees/personnel which are consistent with American Vanguard's overall compensation philosophy. Key elements of that philosophy include:

Attract and retain quality talent, which is critical to both the short-term and long-term success of the Company.

Assuring that total compensation levels are competitive with those at peer companies and are commensurate with relative stockholder returns and the Company's financial performance.

Focusing executives on the financial objectives that support total stockholder returns.

Emphasizing long-term financial performance and sustained market value creation vs. short-term gains.

Executive officers of the Company are paid salaries in line with their responsibilities. The salaries (short-term cash compensation) are set in an attempt to pay such officers competitively. With respect to long-term incentive compensation, upon the Committee's recommendation, the Board adopted, and the stockholders approved, the Company's 1994 Stock Incentive Plan (as amended) at the 2005 Annual Meeting. (the Plan), which is designed to link such officers and other key employees' long-term financial interests to those of the stockholders. The Committee expects to consider future various cash incentive compensation programs specifically tied to Company performance for the employees as a potential method of rewarding the achievement of specific Company performance based goals.
