The highlights of the transactions conducted during the fiscal year include the following:

Subsequent to the close of these financial statements, we consummated our investment in BrasilAgro. There is a special ingredient to this transaction that has turned it into a very distinctive one: it is the most eloquent evidence of our Company's comeback into the capital market for the purpose of expanding our businesses once again and diversifying our portfolio at the international level.

BrasilAgro subscribed shares for a total of Reais 583.2 million (approximately US\$ 282.4 million), which amount includes Cresud's share in the subscription: Reais 42.4 million (approximately US\$ 20.6 million).

BrasilAgro was created for the purpose of replicating Cresud's business in Brazil. The Company shall be involved mainly in four business lines while keeping its focus on Real Estate for farming purposes: (i) Sugar Cane, (ii) Grains and cotton, (iii) Forestry and (iv) Beef-cattle.

The production of milk rose by 122% compared to the same period of the previous fiscal year as a result of the start-up of our El Tigre dairy facilities, equipped with state-of-the art technology.

The development efforts contemplated by the second module at Los Pozos were completed: this is a 20,000-hectare establishment, and the project to start with the third module has been approved.
