The Schedule 13E-3 is amended and supplemented by adding the information contained herein. Only those items amended are reported herein.

***Item 15. Additional Information***

Item 15(b) is hereby amended and supplemented by adding the following at the end thereof:

On June 15, 2006, at a special meeting of the stockholders of Checkers, the stockholders voted to adopt the Agreement and Plan of Merger (the *Merger Agreement*), dated as of February 16, 2006, as amended, by and among Checkers, Taxi Holdings, and Taxi Acquisition, and to approve the transactions contemplated in such Merger Agreement.

On June 20, 2006, the merger of Taxi Acquisition with and into Checkers (the *Merger*) was completed, with Checkers continuing as the surviving corporation of the Merger. In connection with the Merger, a Certificate of Merger was filed with the Secretary of State of the State of Delaware on June 20, 2006.

In connection with the Merger, except as described below, each share of common stock of Checkers issued and outstanding immediately prior to the effective time of the Merger was cancelled and converted into the right to receive \$15.00 in cash, without interest. Shares owned by Checkers as treasury stock were cancelled without any payment. No shares of Checkers were owned by Taxi Holdings or Taxi Acquisition immediately prior to the Merger. Shares held by stockholders who made proper demands for appraisal and did not vote in favor of adoption of the Merger Agreement were not entitled to receive the merger consideration.

Each option, other than certain options held by members of Checkers' management as described below, to purchase shares of common stock of Checkers issued and outstanding immediately prior to the effective time of the Merger were cancelled and converted into the right to receive an amount in cash equal to (i) the number of shares of common stock subject to the option, multiplied by (ii) \$15.00 minus the per share exercise price of the option, net of any applicable withholding taxes (the *Option Consideration*). In lieu of payment of the Option Consideration, options to purchase 1,028,880 shares of common stock of Checkers that were held by members of Checkers' management prior to completion of the Merger were cancelled in consideration for options to purchase common stock, par value \$0.01, of Taxi Holdings representing in the aggregate approximately 8.9% of the fully diluted common equity of Taxi Holdings as of the closing.

The common stock of Checkers ceased trading on the NASDAQ National Market and was delisted as of the close of market on June 20, 2006. Checkers has filed a Form 15 with the Securities and Exchange Commission in order to deregister its common stock under the Securities Exchange Act of 1934, as amended.
