PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of eGain Communications Corporation, a Delaware corporation (eGain or the Company), of proxies in the accompanying form to be used at the Annual Meeting of Stockholders of eGain to be held at 345 East Middlefield Road, Mountain View, California on November 16, 2006, 10:00 a.m., Pacific Time, and any postponement or adjournment thereof (the Annual Meeting). The shares represented by the proxies received in response to this solicitation and not properly revoked will be voted at the Annual Meeting in accordance with the instructions therein. A stockholder who has given a proxy may revoke it at any time before it is exercised by filing with the Secretary of eGain a written revocation or a duly executed proxy bearing a later date or by voting in person at the Annual Meeting. On the matters coming before the Annual Meeting for which a choice has been specified by a stockholder by means of the ballot on the proxy, the shares will be voted accordingly. If no choice is specified, the shares will be voted **FOR** the election of the five nominees for director listed in this Proxy Statement and **FOR** approval of the proposals referred to in Item 2 in the Notice of Annual Meeting and described in this Proxy Statement.

Stockholders of record at the close of business on September 22, 2006 (the Record Date), are entitled to vote at the Annual Meeting. As of the close of business on that date, eGain had 15,314,393 shares of common stock, \$0.001 par value (the common stock), outstanding. The presence in person or by proxy of the holders of a majority of eGain s outstanding shares of common stock constitutes a quorum for the transaction of business at the Annual Meeting. Each holder of common stock is entitled to one vote for each share held as of the Record Date.

Directors are elected by a plurality vote. The five nominees for director who receive the most votes cast in their favor will be elected to serve as a director. Other proposals submitted for stockholder approval at the Annual Meeting will be decided by the affirmative vote of the majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on such proposal. Abstentions with respect to any proposal are treated as shares present or represented and entitled to vote on that proposal and thus have the same effect as negative votes. If a broker which is the record holder of shares indicates on a proxy that it does not have discretionary authority to vote on a particular proposal as to such shares, or if shares are not voted in other circumstances in which proxy authority is defective or has been withheld with respect to a particular proposal, these non-voted shares will be counted for quorum purposes but are not deemed to be present or represented for purposes of determining whether stockholder approval of that proposal has been obtained.

The expense of printing, mailing proxy materials and solicitation of proxies will be borne by eGain. eGain will reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation materials to beneficial owners of the common stock. No additional compensation will be paid to such persons for such solicitation.

This Proxy Statement, the accompanying form of proxy and the Annual Report to Stockholders on Form 10-K for the fiscal year ended June 30, 2006, including financial statements, are being mailed to stockholders on or about October 13, 2006.

IMPORTANT

Please mark, sign and date the enclosed proxy and return it at your earliest convenience in the enclosed postage-paid return envelope so that, whether you intend to be present at the Annual Meeting or not, your shares can be voted. This will not limit your rights to attend or vote at the Annual Meeting.

The Nominating and Corporate Governance Committee operates under the Nominating and Corporate Governance Committee Charter adopted by the Board in October 2004. Stockholder Communications with the Board of Directors

If you wish to communicate with the Board of Directors, you may send your communications in writing to: Secretary, eGain Communications Corporation, 345 East Middlefield Road, Mountain View, California 94043. You must include your name and address in the written communication and indicate whether or not you are a stockholder of the Company. The Secretary will review any communications received from a stockholder, and all material communications from stockholders will be forwarded to the appropriate director or directors or committee of the Board based on the subject matter.

Code of Ethics

In October 2004, the Board approved a code of ethics applicable to the Board, senior management including financial officers, and all other employees. The Code of Ethics and Business Conduct (Code of Ethics) includes standards to deter wrongdoing and promote honest and ethical conduct, including the ethical handling of

actual or apparent conflicts of interest between personal and professional relationships; full, fair, accurate, timely and understandable disclosure in reports filed with the Securities and Exchange Commission; compliance with laws; prompt internal reporting of violations of the Code of Ethics, and accountability for the adherence to the Code of Ethics. The Code of Ethics is available on the Company's website at: http://www.egain.com/about_us/investors. Copies of the Code of Ethics are also available in print upon written request to Secretary, eGain Communications Corporation, 345 East Middlefield Road, Mountain View, California 94043.

Director Qualifications

The Nominating and Corporate Governance Committee periodically reviews with the Board the appropriate skills and characteristics required of Board members given the current Board composition. The Nominating and Corporate Governance Committee believes that the Board should be comprised of individuals who have leadership qualities and a record of success in their arena of activity and who can make substantial contributions to Board operations. The assessment of Board candidates includes, but is not limited to, consideration of relevant industry experience, relevant financial experience, general business experience and compliance with independence and other qualifications necessary to comply with any applicable corporate and securities laws and the rules and regulations thereunder. Specific consideration shall also be given to: (i) contributions valuable to the business community; (ii) personal qualities of leadership, character, judgment and whether the candidate possesses and maintains throughout service on the Board a reputation in the community at large of integrity, competence and adherence to the highest ethical standards; (iii) relevant knowledge and diversity of background and experience in such things as business, software development, manufacturing, technology, finance and accounting, marketing, international business, government and the like; or (iv) whether the candidate is free of conflicts and has the time required for preparation, participation and attendance at all meetings. Other than the foregoing, there are no stated minimum criteria for director nominees. The Nominating and Corporate Governance Committee does, however, believe it is appropriate for at least one, and preferably, multiple, members of the Board to meet the criteria for an audit committee financial expert as defined by Securities and Exchange Commission rules, and that a majority of the members of the Board meet the definition of independent director under the rules of the Nasdaq Global Market, although eGain is currently not subject to Nasdaq listing requirements. The Nominating and Corporate Governance Committee also believes it is appropriate for certain members of management to serve on the Board. When evaluating a candidate for the Board, the Nominating and Corporate Governance Committee does not assign specific weight to any of these factors nor does it believe that all of the criteria necessarily apply to every candidate. A director's qualifications in light of the above-mentioned criteria is considered at least each time the director is nominated or re-nominated for Board membership.

Identifying and Evaluating Director Nominees

The Nominating and Corporate Governance Committee considers candidates for Board membership suggested by Board members and management of the Company. The Nominating and Corporate Governance Committee will consider persons recommended by the Company's security holders in the same manner as a nominee recommended by Board members or management. A security holder who wishes to suggest a prospective nominee for the Board should notify eGain's Secretary or any member of the Nominating and Corporate Governance Committee in writing with any supporting material the security holder considers appropriate. After completing the evaluation and review, the Nominating and Corporate Governance Committee makes a recommendation to the full Board as to the person who should be nominated to the Board, and the Board considers the nominees after evaluating the recommendation and report of the Nominating and Corporate Governance Committee. Each director candidate recommended for election at this year's Annual Meeting is an existing director seeking re-election to the Board.

Compensation of Directors

Directors of eGain do not currently receive any fees for service on the Board of Directors. Directors are reimbursed for their expenses for each meeting attended. Pursuant to eGain's 1998 Stock Plan, each non-

employee director will receive, if re-elected as a director at the Annual Meeting, an option to purchase 500 shares of common stock at an exercise price equal to the fair market value of the common stock on the date of grant. Such options will vest on the first anniversary of the grant.

Compensation Committee Interlocks and Insider Participation

Messrs. Brown, Darukhanavala and Wolfson, all of whom are non-employee directors, serve as members of the Compensation Committee. None of eGain's executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more of its executive officers serving as a member of eGain's Board of Directors or Compensation Committee.

The Board of Directors recommends a vote FOR election as director of the nominees set forth above.

PROPOSAL 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Upon the recommendation of the Audit Committee, the Board of Directors has appointed the firm of BDO Seidman, LLP as eGain's independent registered public accounting firm for the fiscal year ending June 30, 2007, subject to ratification by the stockholders. BDO Seidman, LLP audited eGain's financial statements for the fiscal year ending June 30, 2006. Representatives of BDO Seidman, LLP are expected to be present at eGain's Annual Meeting. They will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

Ratification will require the affirmative vote of a majority of the shares present and voting at the meeting in person or by proxy. In the event ratification is not provided, the Board of Directors will review its future selection of eGain's independent registered public accounting firm.

The Board of Directors recommends a vote FOR ratification of BDO Seidman LLP as eGain's independent registered public accounting firm.

**REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

The following report on executive compensation is provided by the Compensation Committee of the Board of Directors (the Compensation Committee) to assist stockholders in understanding the committee's objectives and procedures in establishing the compensation of eGain's executive officers and describes the basis on which it made fiscal 2006 compensation determinations. The Compensation Committee is currently comprised of three non-employee directors. In making its determinations, the Compensation Committee relied, in part, on independent surveys and public disclosures of compensation of management of companies in the ecommerce software industry.

Compensation Objectives

The Compensation Committee believes that compensation of eGain's executive officers should:

- encourage creation of stockholder value and achievement of strategic corporate objectives by providing management with longer term incentives through equity ownership by management;
- provide a competitive total compensation package that enables eGain to attract and retain, on a long-term basis, high caliber personnel;
- provide total compensation opportunity that is competitive with companies in eGain's industry, taking into account relative company size, performance and geographic location as well as individual responsibilities and performance; and
- provide fair compensation consistent with internal compensation programs.

Key Elements of Executive Compensation

The compensation of executive officers is based upon eGain's financial performance as well as an evaluation of eGain's progress in the achievement of certain business objectives, including the execution of corporate and collaborative agreements, the expansion of eGain's business and the attainment of certain operational and research and development milestones in eGain's technology development programs, as well as the achievement of individual business objectives by each executive officer. eGain's existing compensation structure for executive officers generally includes a combination of salary and stock options and may include cash bonuses for performance determined to be deserving of such bonuses by the Compensation Committee.

Salary. Salary levels are largely determined through comparisons with companies of similar headcount and market capitalizations or complexity in the ecommerce software industry. Actual salaries are based on individual performance contributions within a competitive salary range for each position that is established through job evaluation of responsibilities and market comparisons. The Compensation Committee, on the basis of its knowledge of executive compensation in the industry, believes that eGain's salary levels for the executive officers, other than Mr. Roy, are at a level that the Compensation Committee, at the time such salary determinations were made, considered to be reasonable and necessary given eGain's financial resources and the stage of its development. Mr. Roy's salary was set at \$24 per annum at his request beginning October 2003. The Compensation Committee reviews salaries on an annual basis. At such time, the Compensation Committee may change each executive officer's salary based on the individual's contributions and responsibilities over the prior 12 months and changes in median comparable company pay levels.

Stock Options. The Compensation Committee believes that by providing those persons who have substantial responsibility for the management and growth of eGain with an opportunity to increase their ownership of eGain stock through stock option grants, the interests of stockholders and executive officers will be closely aligned. Therefore, executive officers are eligible to receive stock options when the Compensation Committee performs its annual salary review; although the Stock Option Committee, at its discretion, may grant

options at other times in recognition of exceptional achievements. The number of shares underlying stock options granted to executive officers is based on competitive practices in the industry as determined by independent surveys and the Compensation Committee's knowledge of industry practice.

Chief Executive Officer Compensation

Ashutosh Roy is eGain's Chief Executive Officer. From the beginning of fiscal year 2004 through October 15, 2003, Mr. Roy's salary was \$100,000 per annum. In October 2003 at the request of Mr. Roy, the Compensation Committee reduced Mr. Roy's salary to \$24.00 per annum, which he continues to receive as of today. Mr. Roy made this request in light of the continued difficult economic environment surrounding eGain's industry and as part of eGain's commitment to reduce its expense and pursue profitability.

eGain's policy is generally to qualify compensation paid to executive officers for deductibility under Section 162(m) of the Internal Revenue Code. However, eGain reserves the discretion to pay compensation to its executive officers that may not be deductible.

Mr. Roy is a member of the Board of Directors, but did not participate in matters involving the evaluation of his own performance or the setting of his own compensation.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors (the "Audit Committee") operates under a written charter adopted by the Board of Directors on April 24, 2001. The current members of the Audit Committee are Mark A. Wolfson, David G. Brown and Phiroz P. Darukhanavala, each of whom meets the independence standards established by The Nasdaq Global Market.

The Audit Committee performs the following activities:

- overseeing eGain's financial reporting process on behalf of the Board of Directors; and
- provides independent, objective oversight of eGain's accounting functions and internal controls.

The Audit Committee reviewed and discussed the audited financial statements contained in the 2006 Annual Report on Form 10-K with eGain's management and its independent registered public accounting firm. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent registered public accounting firm are responsible for expressing an opinion on the material conformity of those financial statements with accounting principles generally acceptable in the United States.

The Audit Committee met privately with the independent registered public accounting firm, and discussed issues deemed significant by the registered public accounting firm, including those required by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards), as amended. In addition, the Audit Committee discussed with the independent registered public accounting firm their independence from eGain and its management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with the Audit Committees). The Audit Committee also considered BDO's provision of non-audit services to eGain and determined that such provision of such services was compatible with maintaining the independence of BDO.

In reliance on the reviews and discussions outlined above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in eGain's Annual Report on Form 10-K for the fiscal year ended June 30, 2006, for filing with the Securities and Exchange Commission.
