#### ***Director Indemnification Agreement***

On December 5, 2006, the Board of Directors (the Board) of Sally Beauty Holdings, Inc. (the Company) approved and authorized the Company to enter into an indemnification agreement with each member of the Board. The indemnification agreement is intended to provide directors with the maximum protection available under applicable law in connection with their services to the Company.

Each indemnification agreement, upon its execution by the Company and a director, will provide, among other things, that subject to the procedures set forth therein, the Company will, to the fullest extent permitted by applicable law, indemnify an indemnitee if, by reason of such indemnitee's corporate status as a director, such indemnitee incurs any losses, liabilities, judgments, fines, penalties or amounts paid in settlement in connection with any threatened, pending or completed proceeding, whether of a civil, criminal administrative or investigative nature. In addition, each indemnification agreement provides for the advancement of expenses incurred by an indemnitee, subject to certain exceptions, in connection with any proceeding covered by the indemnification agreement. Each indemnification agreement also requires that the Company cover an indemnitee under liability insurance available to any of the Company's directors, officers or employees.

Each indemnification agreement to be entered into by the Company and a director is in substantially the form furnished herewith as Exhibit 10.1, which is incorporated herein by reference.
