**ITEM 5.03 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS**

On March 21, 2008, the Compensation Committee (the Committee) of the Board of Directors (the Board) of Environmental Power Corporation (the Company) adopted the Company's Annual Incentive Management Plan (the AIM Plan) and Long-Term Incentive Plan (the LTIP), in which the Company's principal executive officer, principal financial officer and named executive officers will participate. Each of these plans is described below.

*Annual Incentive Management Plan*

The purpose of the AIM Plan is to align the interests of management with the Company's performance goals by focusing management on the achievement of annual financial and operational objectives with competitive financial incentives. Full-time employees not participating in other Company incentive programs will be eligible under the plan, with the extent of participation to be determined by position in the Company.

Pursuant to the AIM Plan, the Board, in cooperation with the Company's executive team, will set annual corporate financial objectives. Individual performance will also be considered, and threshold and maximum levels of performance will also be set. Under the AIM Plan, the Company's Chief Executive Officer will have a target award of 50% of base salary; other executive officers will have target awards of 35% of base salary. The Chief Executive Officer's award will be based 100% on the achievement of corporate goals; the other executive officers' awards will be based 75% on the achievement of corporate goals, and 25% on individual performance. Particular corporate objectives will be assigned a relative weight, as may also be the case with individual performance goals. The Board has not yet adopted the Company's corporate financial objectives for 2008.

Awards under the plan will be based on the overall level of achievement of both corporate and individual goals, and will be paid following the audit of year-end financials. Participants in the plan must be employed at the time of payout to receive an award. The AIM Plan can be modified or terminated at any time, is strictly a guideline, and is not binding on the Company. The Committee will determine awards to the Chief Executive Officer and other executives.

*Long-Term Incentive Plan*

The LTIP was adopted pursuant to the Committee's discretion under the Company's existing 2005 Equity Incentive Plan and 2006 Equity Incentive Plan, to set the terms and amounts of awards under such plans, subject to the limitations set forth in such plans. The purpose of the LTIP is to provide a long-term incentive plan based on the financial growth of the Company, to foster teamwork and an entrepreneurial spirit among participants and to provide a long-term compensation tool to motivate, reward and retain participants. The Company's Chief Executive Officer, its other executive officers and those additional persons designed by the Chief Executive Officer, are eligible to participate in the LTIP. Awards pursuant to the LTIP are expected to be made annually, and may be a combination of different long-term vehicles, including restricted stock awards, incentive stock options and stock appreciation rights, based upon guidelines considered by the Committee on an annual basis. For 2008, grants of stock appreciation rights will be considered. Such awards will be made under the 2005 Equity Incentive Plan or 2006 Equity Incentive Plan, and awards pursuant to the LTIP will be subject to the terms the equity incentive plan under which they are granted, including any limitations on awards set forth therein.

Awards under the LTIP will vest in three substantially equal annual installments beginning on the first anniversary of the grant date. The value of such awards will be determined based on the fair market value at the time of grant, utilizing a modified Black-Scholes methodology where appropriate. The target value of each annual award (as a percentage of base salary) will be established by the Committee for the Chief Executive Officer, will be 30% for the other executive officers, and will be discretionary for any other employees designated for participation in the LTIP by the Chief Executive Officer. All awards will vest in full upon the death or total disability of a participant, or upon a change in control of the Company, and will be forfeited, whether or not vested, upon any termination for cause. Awards vesting upon death or disability are to be paid or exercised within 12 months following such event.

The LTIP can be modified or terminated at any time, is strictly a guideline, and is not binding on the Company. The Committee will determine awards to the Chief Executive Officer and other executives.
