Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On January 26, 2009, the Board of Directors of i2 Technologies, Inc. (the Company) approved an amendment to the Amended and Restated Bylaws of the Company (as amended, the Bylaws), effective immediately, that amended Section 2.5 of the Bylaws to expand the information required to be included in the notice that must be provided by any stockholder who submits a nomination for election to the Board or who introduces business to be conducted at an annual meeting or special meeting. The amendments expand the information required in the proponent stockholder's notice to the Company such that, in addition to the existing requirements, the stockholder must provide:

the reasons for conducting such business at the meeting;

a description of any material interests in the proposed business of the stockholder and any person directly or indirectly controlling, controlled by, under common control with or acting in concert with such stockholder (a Stockholder Associated Person) and any anticipated benefits to the stockholder or such Stockholder Associated Person;

additional information regarding (i) the ownership interests of the stockholder and any Stockholder Associated Person, (ii) any derivative instrument, hedging transactions or other agreements that could or are intended to increase or decrease the stockholder's or any Stockholder Associated Person's economic interests in the Company's stock or voting rights in the Company's stock; (iii) the details of any proxy or other arrangement pursuant to which the stockholder has the right to vote shares of the Company; (iv) all other material interests of the stockholder and the Stockholder Associated Person in such nomination or proposal or capital stock of the Company; and (v) a list of all transactions by the stockholder and each Stockholder Associated Person involving the Company's capital stock or any of the aforementioned matters within the six month period prior to the date of the notice or the record date, as the case may be;

a description of all contracts, arrangements, understandings or relationships between the stockholder and any Stockholder Associated Persons and each nominee and any other person or persons (including their names) pursuant to which the nomination is to be made by the stockholder; and

a description of all contracts, arrangements, understandings or relationships between the stockholder and any Stockholder Associated Person or between the stockholder or any Stockholder Associated Person and any other persons (including their names) that relate to the proposal of such business by the stockholder.

The Company may also require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as an independent director or that could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of such nominee.

In addition to certain other minor changes and clarifications, the amendments also clarify that (i) only persons nominated in accordance with Section 2.5 may be elected as directors at any stockholder meeting and only other business proposed in accordance with Section 2.5 of the Bylaws may be conducted at a stockholder meeting and (ii) nothing in the advance notice requirements shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Company's proxy statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended.

The foregoing description of the changes effected by the amendments to the Bylaws is qualified in its entirety by reference to the provisions of Section 2.5 as revised, as set forth in the Amended and Restated Bylaws filed as Exhibit 3.1 to this current report and incorporated herein by reference.
