**PART III NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period:

As disclosed in a Current Report on Form 8-K filed with the Securities and Exchange Commission on March 2, 2009 by Spansion Inc. (the **Company**), the Company and each of its domestic subsidiaries filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the U.S. Bankruptcy Court for the District of Delaware on March 1, 2009 (the **Bankruptcy Filing**).

In the months leading up to and since the Bankruptcy Filing, the Company has been principally engaged in addressing bankruptcy-related matters, negotiating with creditors and potential strategic partners, and reformulating its business strategy in an effort to emerge from bankruptcy. The Company's financial, accounting and administrative personnel have devoted substantially all of their time to the maintenance of the Company's ongoing operations, including the development and implementation of the Company's post-petition business strategy, as well as the completion of the year-end audit process and the preparation and filing of the Company's Annual Report on Form 10-K for the fiscal year ended December 28, 2008, which has not yet occurred. The Company's ability to address all of these matters concurrently has been further hindered by the substantial reduction in force executed by the Company on February 23, 2009.

As a result of the increased burdens placed upon the Company's financial, accounting and administrative staff, the Company has been unable to timely complete its quarterly financial reporting process for the fiscal quarter ended March 28, 2009. However, the Company intends to file its quarterly report on Form 10-Q for the fiscal quarter ended March 28, 2009 as soon as practicably possible after completion of its financial reporting processes.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).     Yes     No

The Company has not yet filed its Annual Report on Form 10-K for the fiscal year ended December 28, 2008.

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?     Yes     No

The Company expects that there will be significant changes in the results of operations from the corresponding period for the last fiscal year related to the Company's bankruptcy proceeding and the corporate reorganization proceeding in Japan for the Company's Japanese subsidiary, Spansion Japan Limited. The Company expects these changes to include, among other things, the inability of the Company to continue consolidating Spansion Japan's results of operations with the Company's financial results on a go-forward basis due to Spansion Japan's corporate reorganization proceeding, and significant restructuring employment termination costs incurred as the Company continues its restructuring process. As of the date of this Form 12b-25, the Company has not completed its financial reporting process for the fiscal quarter ended March 28, 2009, so it is not yet in a position to quantify these differences between the comparable periods.
