Series: The Notes are part of a series of debt securities entitled Medium-Term Notes, Series A that we may issue under the Indenture.

This is a reopening of the Notes we initially issued on October 30, 2009. As of November 2, 2009, there was \$7,171,000 in aggregate principal amount of the Notes outstanding, not including the Notes offered by this pricing supplement. Upon settlement, the Notes offered by this pricing supplement will be fungible with the \$7,171,000 in aggregate principal amount of the Notes that we have previously issued.

We may re-open this series of Notes, and issue additional Notes of this series under the Indenture in the future.

Interest Payment Dates: Interest will be paid semiannually on April 29 and October 29, beginning on April 29, 2010, to holders of record as of the preceding April 15 and October 15, respectively.

Reopening Settlement Date: It is expected that the delivery of the Notes will be made against payment for the Notes on November 3, 2009, which is the first business day after the pricing of the Notes (this settlement cycle being referred to as T+1). Under Rule 15c6-1 of the Securities Exchange Act of 1934, as amended, trades generally are required to settle in three business days, unless the parties to any such trade expressly agree otherwise.
