Explanatory Note

This Form 8-K/A is being filed as an amendment (Amendment No. 1) to the Current Report on Form 8-K filed by Computer Programs and Systems, Inc. (the Company) with the Securities and Exchange Commission on May 10, 2011 (the Original Filing). The sole purpose of this Amendment No. 1 is to disclose the Company s decision regarding how frequently it will conduct shareholder advisory votes on executive compensation. No other changes have been made to the Original Filing.

Item 5.07. Submission of Matters to a Vote of Security Holders.

At the Company s 2011 Annual Meeting of Stockholders, the Company s stockholders voted on, among other matters, a proposal regarding the frequency of future shareholder advisory votes on the compensation of the Company s named executive officers or future say-on-pay votes. As previously reported by the Company in the Original Filing, a majority of the votes cast on the frequency proposal were cast in favor of holding an annual say-on-pay vote.

In light of the voting results with respect to the frequency proposal, at a meeting held on July 25, 2011, the Company s Board of Directors decided that the Company will hold an advisory say-on-pay vote each year in connection with its annual meeting of stockholders until the next vote on the frequency of shareholder advisory votes on the compensation of executives or until the Board of Directors otherwise determines that a different frequency for such advisory votes is in the best interests of the stockholders. The next advisory vote on the frequency of future say-on-pay votes will occur no later than 2017.
