BGC PARTNERS, INC.

Class A Common Stock

This prospectus relates to 20,000,000 shares of Class A common stock, par value \$0.01 per share, which we refer to as our Class A common stock, of BGC Partners, Inc., which we refer to as BGC Partners, we, us, or the Company.

Through this prospectus, we may offer and sell up to 20,000,000 shares of our Class A common stock under our shelf Registration Statement on Form S-3 (Registration No. 333-176523), which we refer to as the registration statement, of which this prospectus forms a part, from time to time in amounts, at prices and on terms to be determined at the time of the offering. We may sell the shares of our Class A common stock to or through one or more underwriters, dealers or agents or directly to purchasers on a delayed or continuous basis.

Unless otherwise set forth in the applicable prospectus supplement, we intend to use the net proceeds from the sale of the shares of our Class A common stock that we offer by this prospectus for general corporate purposes, including, but not limited to, financing our existing businesses and operations, expanding our businesses and operations through additional broker hires, strategic alliances and acquisitions, and repurchasing shares of Class A common stock or purchasing limited partnership interests of our subsidiary BGC Holdings, L.P., which we refer to as BGC Holdings, or other equity interests of our subsidiaries from Cantor Fitzgerald, L.P., which we refer to as Cantor, our executive officers, other employees, partners and others. Certain of such partners will be expected to use the proceeds from such sales to repay outstanding loans to, or credit enhanced by, Cantor before receipt of any net proceeds. We may use the net proceeds of this offering directly for such purposes, or contribute a portion of the net proceeds to our subsidiaries, BGC Partners, L.P., which we refer to as BGC U.S., and/or BGC Global Holdings, L.P., which we refer to as BGC Global, in consideration for BGC U.S. limited partnership interests and/or BGC Global limited partnership interests, which entities may in turn use the proceeds for such purposes.

Our Class A common stock is traded on the Nasdaq Global Select Market under the symbol BGCP. On September 6, 2011, the last reported sales price of the Class A common stock was \$6.23 per share.

An investment in shares of our Class A common stock involves risks. See the Risk Factors section of our latest Annual Report on Form 10-K filed with the Securities and Exchange Commission, which we refer to as the SEC, and any updates to those risk factors or new risk factors contained in our subsequent Quarterly Reports on Form 10-Q and Current Reports on Form 8-K filed with the SEC, all of which we incorporate by reference herein.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

SUMMARY

*This summary highlights selected information from this prospectus, but may not contain all of the information that may be important to you. The following summary is qualified in its entirety by the more detailed information included in or incorporated by reference into this prospectus. For a more complete understanding of the terms of our Class A common stock, and before making your investment decision, you should carefully read this entire prospectus and the documents referred to under the headings *Where You Can Find More Information* and *Documents Incorporated by Reference*. See the *Certain Defined Terms* section beginning on page v of this prospectus for the definition of certain terms used in this prospectus.*

*When we use the words *BGC Partners, we, us, our* or *the Company*, we are referring to *BGC Partners, Inc. and its consolidated subsidiaries*.*

The Company

We are a leading global brokerage company primarily servicing the wholesale financial markets, specializing in the brokering of a broad range of financial products, including fixed income securities, interest rate swaps, foreign exchange, equities, equity derivatives, credit derivatives, commodities, futures, structured products and other instruments. We also provide a full range of services, including trade execution, broker-dealer services, clearing, processing, information, and other back-office services to a broad range of financial and non-financial institutions. Through our eSpeed and BGC Trader brands, we also offer financial technology solutions and market data and analytics related to select financial instruments and markets. Our customers include many of the world's largest banks, broker-dealers, investment banks, trading firms, hedge funds, governments and investment firms. Our integrated platform is designed to provide flexibility to customers with regard to price discovery, execution and processing of transactions, and enables them to use voice, hybrid, or, where available, fully electronic brokerage services in connection with transactions executed either over-the-counter, which we refer to as OTC, or through an exchange.

We have offices in 25 cities, including New York and London, as well as in Aspen, Beijing, Chicago, Copenhagen, Dubai, Garden City (New York), Hong Kong, Istanbul, Johannesburg, Mexico City, Moscow, Nyon, Paris, Rio de Janeiro, São Paulo, Sarasota, Seoul, Singapore, Sydney, Tokyo, Toronto, West Palm Beach and Zurich.

As of June 30, 2011, we had 1,780 brokers and salespeople across approximately 200 desks and products (more than triple the number we had in October 2004). In 2010, we processed approximately 21.3 million transactions, totaling almost \$171 trillion notional on our hybrid and fully electronic platforms. During the first half of 2011, we processed approximately 13.7 million such transactions, totaling almost \$107.1 trillion notional.

Our Organizational Structure

On April 1, 2008, BGC Partners OldCo and eSpeed merged to form BGC Partners. Immediately prior to the merger, pursuant to a separation agreement, Cantor transferred certain assets and liabilities to BGC Partners OldCo and/or its subsidiaries.

We are a holding company, and our businesses are operated through two operating partnerships: BGC U.S., which holds our U.S. businesses, and BGC Global, which holds our non-U.S. businesses. In connection with the separation, Maxcor Financial Group Inc. was contributed to BGC Partners OldCo in exchange for BGC Partners OldCo units that became shares of our common stock in the merger, and certain businesses were contributed to the OpCos in exchange for limited partnership interests of the OpCos. In connection with the merger, eSpeed contributed certain businesses to the OpCos in exchange for limited partnership interests of the OpCos.

The limited partnership interests of the OpCos are held by us and BGC Holdings, and the limited partnership interests of BGC Holdings are currently held by Cantor, the founding/working partners and holders of limited partnership units. We hold the BGC Holdings general partnership interest and the BGC Holdings special voting limited partnership interest, which entitle us to remove and appoint the general partner of BGC Holdings, and serve as the general partner of BGC Holdings, which entitles us to control BGC Holdings. BGC Holdings, in turn, holds the BGC U.S. general partnership interest and the BGC U.S. special voting limited partnership interest, which entitle the holder thereof to remove and appoint the general partner of BGC U.S., and the BGC Global general partnership

interest and the BGC Global special voting limited partnership interest, which entitle the holder thereof to remove and appoint the general partner of BGC Global, and serves as the general partner of BGC U.S. and BGC Global, all of which entitle BGC Holdings (and thereby us) to control each of BGC U.S. and BGC Global. BGC Holdings holds its BGC Global general partnership interest through a company incorporated in the Cayman Islands, BGC Global Holdings GP Limited.

The following diagram illustrates our ownership structure as of August 31, 2011. The following diagram does not reflect the various subsidiaries of us, BGC U.S., BGC Global, BGC Holdings or Cantor, or, to the extent applicable, outstanding RSUs.

* Shares of our Class B common stock are convertible into shares of our Class A common stock at any time in the discretion of the holder on a one-for-one basis. Accordingly, if Cantor converted all of its Class B common stock into Class A common stock, Cantor would hold 33.2% of the voting power and the public stockholders would hold 66.8% of the voting power (and the indirect economic interests in BGC U.S. and BGC Global would remain unchanged). The diagram does not reflect Cantor's economic interest in the 8.75% convertible notes or the 22,275,230 shares of Class A common stock acquirable by Cantor upon conversion thereof. If Cantor converted all of the 8.75% convertible notes into shares of Class A common stock, Cantor would hold 81.8% of the voting power and the public stockholders would hold 18.2% of the voting power (and Cantor's indirect economic interests in each of BGC U.S. and BGC Global would be 41.6%). Further, the diagram does not reflect (i) the 20,000,000 shares of Class A common stock that may be sold under the registration statement, (ii) the 9,989,148 shares of Class A common stock that may be sold pursuant to the BGC Partners, Inc. Dividend Reinvestment and Stock Purchase Plan under our shelf Registration Statement on Form S-3 (Registration No. 333-173109), (iii) the 165,090 shares of Class A common stock that remain available to be sold pursuant to the September 2010 sales agreement under our shelf Registration Statement on Form S-3 (Registration No. 333-166564), (iv) the 20,000,000 shares of Class A common stock that may be sold under our acquisition shelf Registration Statement on Form S-4 (Registration No. 333-169232), or (v) the 16,260,160 shares of Class A common stock that may be issued upon conversion of the 4.50% convertible notes. For purposes of the diagram and this paragraph, Cantor's percentage ownership also includes CFGM's percentage ownership.

USE OF PROCEEDS

Unless otherwise set forth in the applicable prospectus supplement, we intend to use the net proceeds from the sale of the shares of our Class A common stock that we offer by this prospectus for general corporate purposes, including, but not limited to, financing our existing businesses and operations, expanding our businesses and operations through additional broker hires, strategic alliances and acquisitions, and repurchasing shares of Class A common stock or purchasing limited partnership interests of BGC Holdings or other equity interests of our subsidiaries from Cantor, our executive officers, other employees, partners and others. Certain of such partners will be expected to use the proceeds from such sales to repay outstanding loans to, or credit enhanced by, Cantor before receipt of any proceeds. We may use the net proceeds of this offering directly for such purposes, or contribute a portion of the net proceeds to BGC U.S. and/or BGC Global in consideration for BGC U.S. limited partnership interests and/or BGC Global limited partnership interests, which Opcos may in turn use the proceeds for such purposes.

We may raise additional funds from time to time through equity or debt financing, including borrowings under our credit facility, for such purposes.

DIVIDEND POLICY

Our board of directors has authorized a dividend policy which provides that we expect to pay not less than 75% of our post-tax distributable earnings per fully diluted share as cash dividends to our common stockholders, with the balance of such distributable earnings to be available to repurchase shares of our Class A common stock or purchase BGC Holdings limited partnership interests or other equity interests of our subsidiaries, including from Cantor, our executive officers, other employees, partners and others. Please see below for a detailed definition of post-tax distributable earnings per fully diluted share.

Our board of directors and our audit committee have authorized repurchases of shares of our Class A common stock and purchases of BGC Holdings limited partnership interests or other equity interests of our subsidiaries as part of this policy, including those held by Cantor, our executive officers, other employees, partners and others. As of August 31, 2011, we had approximately \$48.8 million remaining under this authorization and may continue to actively make repurchases or purchases, or cease to make such repurchases or purchases, from time to time.

We expect to pay such dividends, if and when declared by our board of directors, on a quarterly basis. The dividend to our common stockholders is expected to be calculated based on post-tax distributable earnings allocated to BGC Partners, Inc. and generated over the fiscal quarter ending prior to the record date for the dividend. No assurance can be made, however, that a dividend will be paid each quarter.

The declaration, payment, timing and amount of any future dividends payable by us will be at the sole discretion of our board of directors. We are a holding company, with no direct operations, and therefore we are able to pay dividends only from our available cash on hand and funds received from distributions from BGC U.S. and BGC Global. Our ability to pay dividends may also be limited by regulatory considerations as well as by covenants contained in financing or other agreements. In addition, under Delaware law, dividends may be payable only out of surplus, which is our net assets minus our liabilities and our capital, or, if we have no surplus, out of our net profits for the fiscal year in which the dividend is declared and/or the preceding fiscal year. Accordingly, any unanticipated accounting, tax, regulatory or other charges against net income may adversely affect our ability to declare and pay dividends. While we intend to declare and pay dividends quarterly, there can be no assurance that our board of directors will declare dividends at all or on a regular basis or that the amount of our dividends will not change.

Certain Definitions

Revenues for distributable earnings, pre-tax distributable earnings and post-tax distributable earnings are supplemental measures of operating performance that are used by our management to evaluate the financial performance of us and our subsidiaries. We believe that distributable earnings best reflects the operating earnings generated by the Company on a consolidated basis and are the earnings which management considers available for distribution to BGC Partners and its common stockholders, as well as to holders of BGC Holdings limited partnership interests, during any period.

As compared with income (loss) from operations before income taxes, net income (loss) for fully diluted shares, and fully diluted earnings (loss) per share, all prepared in accordance with GAAP, distributable earnings calculations primarily exclude certain non-cash compensation and other expenses which generally do not involve the receipt or outlay of cash by us, which do not dilute existing stockholders, and which do not have economic consequences, as described below. In addition, distributable earnings calculations exclude certain gains and charges that management believes do not best reflect our ordinary operating results.

Revenues for distributable earnings are defined as GAAP revenues excluding the impact of our non-cash earnings or losses related to our equity investments, such as in Aqua Securities, L.P. and ELX Futures, L.P., and its holding company general partner, ELX Futures Holdings LLC.

Pre-tax distributable earnings are defined as GAAP income (loss) from operations before income taxes excluding items that are primarily non-cash, non-dilutive, and non-economic, such as:

Non-cash stock-based equity compensation charges for REUs granted or issued prior to the merger of BGC Partners OldCo with and into eSpeed, as well as post-merger non-cash, non-dilutive equity-based compensation related to partnership unit exchange or conversion;

Table of Contents

Allocations of net income to founding/working partner and other limited partnership units, including REUs, RPUs, PSUs and PSIs; and

Non-cash asset impairment charges, if any.

Distributable earnings calculations also exclude charges related to purchases, cancellations or redemptions of limited partnership interests and certain one-time or non-recurring items, if any.

Beginning with the first quarter of 2011, our definition of distributable earnings has been revised to also exclude certain gains and charges with respect to acquisitions, dispositions and resolutions of litigation. This change in the definition of distributable earnings is not reflected in, nor does it affect, our presentation of prior periods. Our management believes that excluding these gains and charges best reflects our operating performance.

Since distributable earnings are calculated on a pre-tax basis, management intends to also report post-tax distributable earnings and post-tax distributable earnings per fully diluted share :

Post-tax distributable earnings are defined as pre-tax distributable earnings adjusted to assume that all pre-tax distributable earnings were taxed at the same effective rate.

Post-tax distributable earnings per fully diluted share are defined as post-tax distributable earnings divided by the weighted-average number of fully diluted shares for the period.

In the event that there is a GAAP loss but positive distributable earnings, the post-tax distributable earnings per fully diluted share calculation will include all fully diluted shares that would be excluded under GAAP to avoid anti-dilution, but will exclude quarterly interest expense, net of tax, associated with the convertible notes.

Each quarter, the dividend to common stockholders is expected to be determined by our board of directors with reference to post-tax distributable earnings per fully diluted share. In addition to the quarterly dividend to our common stockholders, we expect to pay a pro rata distribution of net income to BGC Holdings founding/working partner and other limited partnership units, including REUs, RPUs, PSUs and PSIs, and to Cantor for its noncontrolling interest. The amount of all of these payments is expected to be determined using the above definition of post-tax distributable earnings per fully diluted share.

Certain employees who are holders of RSUs are granted pro rata payments equivalent to the amount of dividends paid to common stockholders. Under GAAP, a portion of the dividend equivalents on RSUs is required to be taken as a compensation charge in the period paid. However, to the extent that they represent cash payments made from the prior period's distributable earnings, they do not dilute existing stockholders and are therefore excluded from the calculation of distributable earnings.

Distributable earnings is not meant to be an exact measure of cash generated by operations and available for distribution, nor should it be considered in isolation or as an alternative to cash flows from operations or net income (loss) for fully diluted shares. We view distributable earnings as a metric that is not necessarily indicative of liquidity or the cash available to fund our operations.

Pre- and post-tax distributable earnings are not intended to replace the presentation of our GAAP financial results. However, management believes that they help provide investors with a clearer understanding of our financial performance and offer useful information to both management and investors regarding certain financial and business trends related to our financial condition and results of operations. Management believes that distributable earnings and the GAAP measures of our financial performance should be considered together.

Common Stock

As of August 31, 2011, there were 90,953,236 shares of our Class A common stock outstanding and 34,848,107 shares of our Class B common stock outstanding. The holders of Class A common stock are generally entitled to one vote per share on all matters to be voted upon by the stockholders as a group, entitling holders of Class A common stock to approximately 20.7% of our voting power as of such date, and do not have cumulative voting rights. The holders of Class B common stock are generally entitled to 10 votes per share on all matters to be voted upon by the stockholders as a group, entitling holders of Class B common stock to 79.3% of our voting power as of such date, and do not have cumulative voting rights. Cantor and CFGM, the managing general partner of Cantor and an entity controlled by our Chairman and Chief Executive Officer, Howard W. Lutnick, are the only holders of Class B common stock. Class B common stock generally votes together with Class A common stock on all matters submitted to the vote of Class A common stockholders.

Each share of our Class A common stock is equivalent to a share of our Class B common stock for purposes of economic rights. Subject to preferences that may be applicable to any outstanding preferred stock, the holders of shares of Class A common stock and Class B common stock are entitled to receive ratably such dividends, if any, as may be declared from time to time by our board of directors out of funds legally available therefor. See *Dividend Policy* and *Price Range of Class A Common Stock*. In the event of our liquidation, dissolution or winding up, the holders of shares of Class A common stock and Class B common stock are entitled to share ratably in all assets remaining after payment of liabilities, subject to prior rights of preferred stock, if any, then outstanding.

Shares of our Class A common stock are not subject to any conversion right. Our certificate of incorporation provides that each share of our Class B common stock is convertible at any time, at the option of the holder, into one share of Class A common stock. Each share of Class B common stock will automatically convert into one share of Class A common stock upon any sale, pledge or other transfer, which we refer to as a transfer, whether or not for value, by the initial registered holder, other than any transfer by the initial holder to (1) Cantor, (2) any entity controlled by Cantor or by Mr. Lutnick or (3) Mr. Lutnick, his spouse, his estate, any of his descendants, any of his relatives or any trust established for his benefit or for the benefit of his spouse, any of his descendants or any of his relatives.

Any holder of shares of our Class B common stock may pledge his, her or its shares of Class B common stock, as the case may be, to a pledgee pursuant to a bona fide pledge of the shares as collateral security for indebtedness due to the pledgee so long as the shares are not transferred to or registered in the name of the pledgee. In the event of any pledge of shares of Class B common stock meeting these requirements, the pledged shares will not be converted automatically into shares of our Class A common stock. If the pledged shares of Class B common

stock become subject to any foreclosure, realization or other similar action by the pledgee, they will be converted automatically into shares of Class A common stock upon the occurrence of that action. The automatic conversion provisions in our certificate of incorporation may not be amended, altered, changed or repealed without the approval of the holders of a majority of the voting power of all outstanding shares of Class A common stock.

None of the shares of our Class A common stock or our Class B common stock has any pre-emptive or other subscription rights. There will be no redemption or sinking fund provisions applicable to shares of Class A common stock or Class B common stock. All outstanding shares of Class A common stock and Class B common stock are fully paid and non-assessable.

Preferred Stock

Our board of directors has the authority to cause us to issue preferred stock in one or more classes or series and to fix the designations, powers, preferences and rights, and the qualifications, limitations or restrictions thereof, including dividend rights, dividend rates, terms of redemption, redemption prices, conversion rights and liquidation preferences of the shares constituting any class or series, without further vote or action by the stockholders. The issuance of preferred stock pursuant to such blank check provisions may have the effect of delaying, deferring or preventing a change of control of us without further action by our stockholders and may adversely affect the voting and other rights of the holders of shares of our Class A common stock. At present, we have no plans to issue any preferred stock.

Anti-Takeover Effects of Delaware Law, Our Certificate of Incorporation and Bylaws and the Convertible Notes

Some provisions of the Delaware General Corporation Law, which we refer to as the DGCL, our certificate of incorporation and bylaws and the convertible notes could make the following more difficult:

acquisition of us by means of a tender offer;

acquisition of us by means of a proxy contest or otherwise; or

removal of our incumbent officers and directors.

These provisions, summarized below, may discourage coercive takeover practices and inadequate takeover bids. These provisions may also encourage persons seeking to acquire control of us to first negotiate with our board of directors. We believe that the benefits of increased protection give us the potential ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure us and outweigh the disadvantages of discouraging those proposals because negotiation of them could result in an improvement of their terms.

Delaware Anti-Takeover Law

We are subject to Section 203 of the DGCL. In general, Section 203 of the DGCL prohibits a publicly held Delaware corporation from engaging in a business combination with an interested stockholder for a period of three years following the date the person became an interested stockholder, unless the business combination or the transaction in which the person became an interested stockholder is approved in a prescribed manner. Generally, a business combination includes a merger, asset or stock sale or other transaction resulting in a financial benefit to the interested stockholder. An interested stockholder is a person who, together with affiliates and associates, owns 15% or more of a corporation's outstanding voting stock, or was the owner of 15% or more of a corporation's outstanding voting stock at any time within the prior three years, other than interested stockholders prior to the time our Class A common stock was traded on the Nasdaq Stock Market. The existence of this provision would be expected to have an anti-takeover effect with respect to transactions not approved in advance by our board of directors, including discouraging takeover attempts that might result in a premium over the market price for shares of Class A common stock.

Certificate of Incorporation and Bylaws

Our bylaws provide that special meetings of stockholders may be called only by the Chairman of our board of directors, or in the event the Chairman of our board of directors is unavailable, by the Chief Executive Officer or by the holders of a majority of the voting power of our Class B common stock, which is held by Cantor and CFGM. In addition, as discussed above, our certificate of incorporation permits us to issue blank check preferred stock.

Our bylaws require advance written notice prior to a meeting of our stockholders of a proposal or director nomination which a stockholder desires to present at such a meeting, which generally must be received by our Secretary not later than 120 days prior to the first anniversary of the date of our proxy statement for the preceding year's annual meeting. Our bylaws provide that all amendments to our bylaws must be approved by either the holders of a majority of the voting power of all of our outstanding capital stock entitled to vote or by a majority of our board of directors.

The Convertible Notes

Pursuant to the terms of the convertible notes, holders of the convertible notes will have the right to require us to repurchase all or a portion of such notes upon the occurrence of a fundamental change (as defined in the respective Indentures governing the convertible notes) at 100% of their principal amount, plus accrued and unpaid interest. In addition, if a make-whole fundamental change occurs (as defined in the respective Indentures) prior to maturity of each of the convertible notes, under certain circumstances we will increase the conversion rate by a number of additional shares of our Class A common stock (as set forth in a table in the respective Indentures) for convertible notes converted in connection with such make-whole fundamental change. The fundamental change purchase rights and the provisions requiring an increase to the conversion rate for conversions in connection with make-whole fundamental changes may in certain circumstances delay or prevent a takeover of us and/or the removal of incumbent management that might otherwise be beneficial to investors.

In addition, to the extent that Cantor or its affiliates continue to hold the 8.75% convertible notes, these provisions may enhance Cantor's control of us even if Cantor were to reduce its voting power in us by, among other things, converting shares of our Class B common stock held by it into shares of our Class A common stock or selling or distributing shares of Class A common stock.

Corporate Opportunity

Our certificate of incorporation provides that no Cantor Company (as defined below) or any of the representatives (as defined below) of a Cantor Company will owe any fiduciary duty to, nor will any Cantor Company or any of their respective representatives be liable for breach of fiduciary duty to, us or any of our stockholders, including with respect to a corporate opportunity, except as described below. To the extent that any representative of a Cantor Company also serves as our director or officer, such person will owe fiduciary duties to us in his or her capacity as our director or officer. In addition, none of any Cantor Company or any of their respective representatives will owe any duty to refrain from engaging in the same or similar activities or lines of business as us, or doing business with any of our clients or customers.

If a third party presents a corporate opportunity (as defined below) to a person who is a representative of ours and a representative of a Cantor Company expressly and solely in such person's capacity as a representative of us, and such person acts in good faith in a manner consistent with the policy that such corporate opportunity belongs to us, then such person:

will be deemed to have fully satisfied and fulfilled any fiduciary duty that such person has to us as a representative of us with respect to such corporate opportunity;

will not be liable to us or any of our stockholders for breach of fiduciary duty by reason of such person's action or inaction with respect to the corporate opportunity;

will be deemed to have acted in good faith and in a manner that such person reasonably believed to be in, and not opposed to, our best interests; and
