Item 2.01. Completion of Acquisition or Disposition of Assets.

On September 16, 2011, The Lubrizol Corporation, an Ohio corporation (the Company), completed its previously announced merger (the Merger) pursuant to the Agreement and Plan of Merger, dated as of March 13, 2011 (as amended by the Amendment thereto, dated as of June 9, 2011, the Merger Agreement) by and among Berkshire Hathaway Inc., a Delaware corporation (Parent), Ohio Merger Sub, Inc., an Ohio corporation and wholly owned subsidiary of Parent (Merger Sub), and the Company. Pursuant to the Merger Agreement, Merger Sub merged with and into the Company, with the Company surviving the Merger as a wholly owned subsidiary of Parent.

A copy of the joint press release announcing the completion of the Merger is attached as Exhibit 99.1 hereto and incorporated herein by reference.

The information set forth in Item 3.03 of this Current Report on Form 8-K is incorporated herein by reference.

The foregoing description of the Merger Agreement does not purport to be complete and is subject and qualified in its entirety by reference to the full text of the Merger Agreement, filed as Exhibit 2.1 and Exhibit 2.2 hereto, and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On September 19, 2011, following the closing of the Merger, the Company entered into a series of intercompany loan notes in an aggregate principal amount of approximately \$5.9 billion. Each loan note bears interest at 7.5% annually, with semi-annual interest payments, and matures on September 19, 2021. In connection with this increased indebtedness, Parent issued a guarantee of all of the Company's payment obligations to its existing debt security holders and to Wells Fargo Bank, National Association, as trustee of the Company's indentures.

Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On September 16, 2011, in connection with completion of the Merger, the Company notified the New York Stock Exchange (the NYSE) that trading in Company common stock should be suspended and listing of Company common stock on the NYSE should be removed. On September 19, 2011, the NYSE filed with the SEC an application on Form 25 to delist and deregister the Company's common stock under Section 12(b) of the Securities Exchange Act of 1934 (the Exchange Act). In addition, the Company intends to file with the SEC a Form 15 requesting that the reporting obligations of the Company with respect to the Company's common stock under Sections 13(a) and 15(d) of the Exchange Act be suspended.

Item 3.03. Material Modification to Rights of Security Holders.

Under the terms of the Merger Agreement, each share of common stock of the Company issued and outstanding immediately prior to the effective time of the Merger (other than shares

held (i) in the treasury of the Company, (ii) by Parent, Merger Sub or any other direct or indirect wholly owned subsidiary of Parent, or (iii) by shareholders who have properly exercised and perfected their rights as dissenting shareholders), subject to certain exceptions described in the Merger Agreement, was converted into the right to receive \$135.00 in cash, without interest. All outstanding options to purchase shares of Company common stock issued under the Company's equity based compensation plans, whether vested or unvested, were cancelled and converted into the right to receive a cash payment equal to the excess, if any, of \$135.00 over the applicable exercise price of the option. Outstanding equity awards granted under international equity plans, whether vested or unvested, were cancelled and settled in cash in accordance with the terms of the applicable plans. Outstanding performance share units were cancelled in exchange for the right to receive a cash payment equal to \$135.00 multiplied by a number of shares of Company common stock determined under the applicable equity plan based on performance as of the closing. Outstanding time-based vesting restricted share units were cancelled in exchange for the right to receive a cash payment equal to \$135.00 multiplied by the number of shares of common stock underlying the restricted share units. Account balances, whether vested or unvested, under any employee benefit plan that provides for the deferral of compensation and represents amounts notionally invested in a number of shares of Company common stock were cancelled in exchange for the right to receive a cash payment equal to the number of such notionally invested shares multiplied by \$135.00.

The foregoing description of the rights of holders of Company common stock under the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached as Exhibit 2.1 and Exhibit 2.2 hereto and incorporated herein by reference.

Item 5.01. Changes in Control of Registrant.

A change of control of the Company occurred on September 16, 2011, upon the filing of the Certificate of Merger with the Secretary of State of the State of Ohio, at which time Merger Sub merged with and into the Company. As a result, the Company became a wholly owned subsidiary of Parent, with Parent owning 100% of the Company's common stock.

The aggregate consideration paid in connection with the Merger was approximately \$9.7 billion, which consideration was funded from cash on hand.

The information set forth in Item 2.01 and Item 3.03 of this Current Report on Form 8-K is incorporated herein by reference.
