Form 497

November 09, 2011

IMPORTANT NOTICE TO SHAREHOLDERS OF
NUVEEN GEORGIA PREMIUM INCOME MUNICIPAL FUND
NUVEEN GEORGIA DIVIDEND ADVANTAGE MUNICIPAL FUND AND
NUVEEN GEORGIA DIVIDEND ADVANTAGE MUNICIPAL FUND 2
(EACH, A FUND AND COLLECTIVELY, THE FUNDS)

NOVEMBER 9, 2011

Although we recommend that you read the complete Joint Proxy Statement/Prospectus, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving this Joint Proxy Statement/Prospectus?

A. You are receiving this Joint Proxy Statement/Prospectus in connection with the annual shareholder meetings of the Funds. The following proposals will be considered:

the election of Board members for each Fund (the list of specific nominees is contained in the enclosed Joint Proxy Statement/Prospectus);

the reorganization of your Fund; and

the elimination of the current fundamental investment policy and adoption of a new fundamental investment policy regarding each Fund's ability to make loans.

Proposals Regarding the Reorganizations

Q. What actions have the Board of Trustees approved?

A. Each Fund's Board of Trustees (the Board) has approved a series of mergers of single-state municipal closed-end funds, including the reorganization of each of Nuveen Georgia Premium Income Municipal Fund and Nuveen Georgia Dividend Advantage Municipal Fund (each, an Acquired Fund and collectively, the Acquired Funds) into Nuveen Georgia Dividend Advantage Municipal Fund 2 (the Acquiring Fund) (each, a Reorganization and collectively, the Reorganizations).

Q. Why has the Board of Trustees of each Fund recommended these proposals?

A. The Acquiring Fund and the Acquired Funds have substantially similar investment objectives and policies, and substantially similar portfolio compositions. The Funds are managed by the same portfolio manager. The proposed Reorganizations are intended to result

Edgar Filing: NUVEEN GEORGIA DIVIDEND ADVANTAGE MUNICIPAL FUND 2 - Form 497

in lower operating expenses (excluding costs of leverage) as a result of the larger size of the combined fund and to enhance the secondary trading market for common shares of the Funds. The Board has determined that the proposed Reorganizations would be in the best interests of each Fund.

Q. What are the potential benefits of the Reorganizations to common shareholders?

A. The investment adviser and the Board believe that the proposed Reorganizations are expected to offer the following potential benefits to common shareholders of the Funds:

Lower fees and operating expenses per common share (excluding costs of leverage) from greater economies of scale as the combined fund's size results in a lower effective management fee rate and allows fixed operating expenses to be spread over a larger asset base.

Improved secondary market trading as the combined fund's greater market liquidity may lead to narrower bid-ask spreads and smaller trade-to-trade price movements, and higher common share net earnings and enhanced total returns over time may lead to higher common share market prices relative to net asset value.

Increased flexibility in managing the structure and costs of leverage over time.

Q. How will preferred shareholders be impacted by the Reorganizations?

A. Upon the closing of the Reorganizations, shareholders of MuniFund Term Preferred Shares of an Acquired Fund will receive, in exchange for each of their MuniFund Term Preferred Shares held immediately prior to the Reorganization, one MuniFund Term Preferred Share of a new series of the Acquiring Fund with substantially identical terms, as of the time of the exchange, to the Acquired Fund's MuniFund Term Preferred Shares exchanged therefor (MuniFund Term Preferred Shares are referred to herein as MTP Shares). Among other terms, the new series of MTP Shares will have the same fixed per annum dividend rate, mandatory redemption term and liquidation preference as the Acquired Fund MTP Shares held immediately prior to the Reorganization. The Acquiring Fund's optional redemption right with respect to each new series of MTP Shares will be substantially the same as the Acquired Fund's rights as of the closing date of the Reorganization, with respect to the corresponding Acquired Fund MTP Shares.

As of the date of this Joint Proxy Statement/Prospectus, the Acquiring Fund and Acquired Funds had substantially similar levels of preferred shares outstanding. Preferred shareholders of the Acquiring Fund and Acquired Funds are expected to benefit from the larger size of the combined fund due to the larger combined fund's ability to invest in a more diverse pool of securities.

Q. Will the Reorganizations impact Fund distributions to common shareholders?

The Reorganizations are not expected to adversely impact distributions to common shareholders and may result in a higher distribution rate. A higher distribution rate, if any, would be a result of increased earnings from lower fees and operating expenses.

Q. Do the Funds have similar investment objectives and policies?

A. The Funds have substantially similar (but not identical) investment objectives, policies and risks, and are managed by the same portfolio manager. Each Fund invests primarily in municipal securities exempt from federal and Georgia income tax. Each Fund emphasizes investment grade municipal securities. Each Fund is a leveraged closed-end management investment company, and currently engages in leverage through the issuance of preferred shares and through the use of inverse floaters. The Nuveen Georgia Dividend Advantage Municipal Fund is a non-diversified fund, while each of the other Funds is a diversified fund.

The Nuveen Georgia Premium Income Municipal Fund is subject to certain investment restrictions that are not applicable to Nuveen Georgia Dividend Advantage Fund or Nuveen Georgia Dividend Advantage Fund 2, which are discussed in the Joint Proxy Statement/Prospectus.

Q. What specific proposals will I be asked to vote on in connection with a proposed Reorganization?

A. Generally, shareholders of each Acquired Fund will be asked to vote on an Agreement and Plan of Reorganization with common and preferred shareholders voting as a single class and preferred shareholders voting separately. Additionally, preferred shareholders of the Acquiring Fund will be asked to vote separately on the Agreement and Plan of Reorganization. All shareholders of the Acquiring Fund will also be asked to vote on the issuance of common shares in connection with the Reorganizations, with common and preferred shareholders voting as a single class and common shareholders voting separately.

Q. Will shareholders of the Acquired Funds receive new shares in exchange for their current shares?

A. Yes. Upon the closing of a Reorganization, the Acquired Fund will transfer substantially all of its assets to the Acquiring Fund in exchange for common and preferred shares of the Acquiring Fund, and the assumption by the Acquiring Fund of substantially all of the liabilities of the Acquired Fund. The Acquired Fund will then be liquidated, dissolved and terminated in accordance with its Declaration of Trust.

Acquired Fund shareholders will become shareholders of the Acquiring Fund. Holders of common shares will receive newly issued common shares of the Acquiring Fund, the aggregate net asset value of which will be equal to the aggregate net asset value of the common shares of the Acquired Fund held immediately prior to the Reorganization (including for this purpose fractional Acquiring Fund shares to which shareholders would be entitled). Fractional shares will be sold on the open market and shareholders will receive cash in lieu of such fractional shares. Holders of MTP Shares of each Acquired Fund will receive on a one-for-one basis newly issued MTP Shares of the Acquiring Fund, in exchange for MTP Shares of the Acquired Fund held immediately prior to the Reorganization.

Current shareholders of the Acquiring Fund will remain shareholders of the Acquiring Fund.

Q. Do the Reorganizations constitute a taxable event for the Acquired Fund shareholders?

A. No. Each Reorganization is intended to qualify as a tax free reorganization for federal income tax purposes. It is expected that you will recognize no gain or loss for federal income tax purposes as a direct result of a Reorganization, except that gain or loss may be recognized with respect to any cash received in lieu of fractional Acquiring Fund common shares. Prior to the closing of the Reorganizations, each Acquired Fund expects to declare a distribution of all of its net investment income and net capital gains, if any. Such a distribution may be taxable to an Acquired Fund's shareholders for federal income tax purposes. To the extent that portfolio securities are sold in connection with the Reorganizations, an Acquired Fund may realize capital gains or losses. However, it is not expected that any significant portfolio sales will occur in connection with the Reorganizations (less than 5% of assets).

Q. What will happen if the required shareholder approvals in connection with a Reorganization are obtained for one Fund but not other Funds?

A. The closing of the Reorganizations is contingent upon certain conditions being satisfied or waived. Shareholders of each Acquired Fund, voting separately, must approve the Reorganization of their Fund into the Acquiring Fund. The Acquiring Fund also must obtain the shareholder approvals described in this Joint Proxy Statement/Prospectus with respect to the Reorganizations in order for the Reorganizations to occur. Because the closing of the Reorganizations is contingent on all of the Acquired Funds and the Acquiring Fund satisfying their respective closing conditions, the closing will not occur unless each Fund obtains the requisite approvals. If one Fund does not obtain the requisite approvals, the closing will not occur for any Fund. Accordingly, it is possible that your Fund's Reorganization will not occur, even if shareholders of your Fund approve the Reorganization and your Fund satisfies all of its closing conditions. If the shareholder approvals are not obtained, each Fund's Board may take such actions as it deems in the best interests of the Fund including conducting additional solicitations with respect to the proposals or continuing to operate the Funds as stand-alone funds.

Q. Will I have to pay any direct fees or expenses in connection with the Reorganizations?

A. No. The Reorganizations are expected to result in cost savings for each Fund. The costs of the Reorganizations will be allocated between the Funds ratably based on the relative benefits of the Reorganizations comprised of forecasted cost savings and distribution increases, if any, to each Fund during the first year following the Reorganizations and paid out of such Fund's net assets. Common shareholders will indirectly bear the costs of the Reorganizations. The costs of the Reorganization are estimated to be \$110,000 for the Acquiring Fund, \$225,000 for Premium Income, and \$50,000 for Dividend Advantage.

Q. What is the timetable for the Reorganizations?

A. If the shareholder voting and other conditions to closing are satisfied (or waived), the Reorganizations are expected to take effect on or about February 3, 2012 or as soon as practicable thereafter.

Q. How does the Board recommend that I vote on the Reorganizations?

A. After careful consideration, the Board has determined that the Reorganizations are in the best interests of each Fund and recommends that you vote FOR your Fund's proposal(s).

Proposal Regarding New Fundamental Investment Policy

Q. What are the potential benefits of the new fundamental investment policy for common shareholders of the Funds?

A. Investment policies currently vary across otherwise-similar Nuveen municipal closed-end funds, reflecting evolving markets and guidelines as the different funds were launched over the past 20 years. As part of a continuing broader "best practices" initiative, which began approximately three years ago, all Nuveen municipal closed-end funds, including the Funds, are seeking to adopt a uniform set of investment policies that reflect municipal market and regulatory developments over time. The proposed new fundamental investment policy would permit each Fund to make loans to the extent permitted by the securities laws (the "New Investment Policy"). Among other things, this change is intended to provide each Fund the flexibility to make loans in circumstances where a municipal issuer is in distress, if the investment adviser believes that doing so would both:

facilitate a timely workout of the issuer's situation in a manner which benefits that Fund; and

be the best choice for reducing the likelihood or severity of loss on the Fund's investment.

Conforming and updating these investment policies is intended to benefit common shareholders by increasing portfolio manager efficiency and flexibility to take advantage of a wide range of appropriate opportunities in the municipal bond markets in pursuit of the Fund's investment objectives.

Q. What are the potential benefits of the New Investment Policy for preferred shareholders of the Funds?

A. The potential benefits to preferred shareholders are increased flexibility in diversifying portfolio risks and optimizing returns on current investments in order to pursue the preservation of and possible growth of capital which, if successful, will help to sustain and build net asset value and therefore, asset coverage levels for preferred shares.

Q. What actions are required in order to implement the New Investment Policy?

A. In order to implement the New Investment Policy and obtain the potential benefits described above, shareholders are being asked to approve the elimination of an existing fundamental policy and the implementation of a new replacement fundamental policy.

Q. What happens if shareholders do not approve the elimination of the fundamental investment policy and/or do not approve the New Investment Policy?

A. A Fund will not be able to implement the New Investment Policy as discussed above unless shareholders approve both proposals. The Fund would likely incur further expenses to solicit additional shareholder participation, and may experience potential disruptions to its investment operations. Each Fund's Board urges you to vote without delay in order to avoid the potential for higher costs and/or disruptions to portfolio operations.

To the extent an Acquired Fund's shareholders do not approve the New Investment Policy but approve the Reorganization, it is possible the Acquired Fund's shareholders will be subject to the New Investment Policy following the completion of the Reorganization even though they did not vote to approve the New Investment Policy. Conversely, if the Acquiring Fund's shareholders do not approve the New Investment Policy, it is possible that shareholders of an Acquired Fund that approved the Reorganization and the New Investment Policy may not benefit from the New Investment Policy.

Q. Was there a particular catalyst or portfolio concern prompting this proposal?

A. This proposal is part of a broader policy initiative undertaken by Nuveen for the past several years. There are currently no identified credit situations within the complex where this option is intended or targeted. As stated in the Joint Proxy Statement/Prospectus, this policy change proposal reflects the broader intent to provide Nuveen's municipal closed-end funds, including the Funds, the same portfolio management flexibility already available to other funds with similar investment objectives within the Nuveen complex.

Q. Does this proposal reflect a growing concern on Nuveen's part over the state of municipal issuers?

A. Nuveen's portfolio management and research team is actively engaged in monitoring both macro issues impacting the municipal bond market and individual credit holdings held by the various funds. The team regularly comments on the strength of the municipal bond market as well as providing in-depth research articles.

Providing a Fund with the option of making loans to help facilitate a timely workout of a distressed issuer's situation merely provides the Fund with an additional tool to help preserve shareholder value and, importantly, should not be viewed as a commentary on the state of the municipal bond market.

Q. Have the Nuveen municipal closed-end funds participated in loans to municipal issuers in the past?

- A.** Though such a loan situation in the municipal market is rare, it represents a more common workout practice in the corporate bond market. The most recent situation in which a Nuveen fund with the flexibility to do so made a loan to an issuer facing a credit workout situation occurred approximately eight years ago. Since that time, a limited number of funds having a policy permitting the making of loans have considered doing so in particular workout situations, but have taken other actions in pursuit of maximizing shareholder value.

This Joint Proxy Statement/Prospectus is being furnished to the shareholders of Nuveen Georgia Dividend Advantage Municipal Fund 2 (Dividend Advantage 2 or Acquiring Fund), and the shareholders of Nuveen Georgia Premium Income Municipal Fund (Premium Income) and Nuveen Georgia Dividend Advantage Municipal Fund (Dividend Advantage) (each, an Acquired Fund and collectively, the Acquired Funds), each a closed-end management investment company, in connection with the solicitation of proxies by each Fund's Board of Trustees (each, a Board and each Trustee, a Board Member) for use at the Annual Meeting of Shareholders of each Fund to be held in the offices of Nuveen Investments, Inc. (Nuveen or Nuveen Investments), 333 West Wacker Drive, Chicago, Illinois 60606, on Friday, December 16, 2011, at 2:00 p.m., Central time, and at any and all adjournments or postponements thereof (each, an Annual Meeting and collectively, the Annual Meetings) to consider the proposals listed below and discussed in greater detail elsewhere in this Joint Proxy Statement/Prospectus. Shareholders of record of the Funds as of the close of business on September 19, 2011 are entitled to notice of, and to vote at, the Annual Meeting and any and all adjournments or postponements thereof.

This Joint Proxy Statement/Prospectus explains concisely what you should know before voting on the proposals described in this Joint Proxy Statement/Prospectus or investing in the Acquiring Fund. Please read it carefully and keep it for future reference.

The securities offered by this Joint Proxy Statement/Prospectus have not been approved or disapproved by the Securities and Exchange Commission (SEC), nor has the SEC passed upon the accuracy or adequacy of this Joint Proxy Statement/Prospectus. Any representation to the contrary is a criminal offense.

On the matters coming before each Annual Meeting as to which a choice has been specified by shareholders on the accompanying proxy card, the shares will be voted accordingly where such proxy card is properly executed, timely received and not properly revoked (pursuant to the instructions below). If a proxy is returned and no choice is specified, the shares will be voted **FOR** the proposals.

Shareholders of a Fund who execute proxies may revoke them at any time before they are voted by filing with that Fund a written notice of revocation, by delivering a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. Merely attending the Annual Meeting, however, will not revoke any previously submitted proxy.

The Board of each Fund has determined that the use of this Joint Proxy Statement/Prospectus for the Annual Meeting is in the best interests of each Fund and its shareholders in light of the similar matters being considered and voted on by the shareholders.

The following table indicates which shareholders are solicited to vote with respect to each matter:

(1) The outstanding preferred shares for each Fund are MuniFund Term Preferred Shares. MuniFund Term Preferred Shares are referred to herein as MTP Shares.

Those persons who were shareholders of record at the close of business on September 19, 2011 will be entitled to one vote for each share held and a proportionate fractional vote for each fractional share held.

As of September 19, 2011, the shares of the Funds issued and outstanding were as follows:

Fund Ticker Symbol*	Common Shares	Preferred Shares Ticker Symbol	MTP Shares
Acquiring Fund, NKG	4,555,647	NKG PrC	3,226,500
Premium Income, NPG	3,807,553	NPG PrC	2,834,000
Dividend Advantage, NZX	1,972,481	NZX PrC	1,434,000

* Each Fund's common shares are listed on the NYSE Amex. Dividend Advantage's Preferred Shares are listed on the NYSE Amex. The Acquiring Fund and Premium Income's MTP Shares are listed on the New York Stock Exchange (NYSE). The reorganizations seek to combine three Funds that have substantially similar (but not identical) investment objectives, policies and risks to achieve certain economies of scale and other operational efficiencies for the Funds (each, a Reorganization and collectively, the Reorganizations). The Agreement and Plan of Reorganization by and among each Acquired Fund and Acquiring Fund (the Agreement) provides for (i) the Acquiring Fund's acquisition of substantially all of the assets of each Acquired Fund in exchange for newly issued common shares of the Acquiring Fund, par value \$0.01 per share (Acquiring Fund Common Shares), and newly issued MTP Shares of the Acquiring Fund, with a par value of \$0.01 per share and liquidation preference of \$10 per share (Acquiring Fund MTP Shares), and the Acquiring Fund's assumption of substantially all of the liabilities of each Acquired Fund, and (ii) the pro rata distribution of the Acquiring Fund Common Shares and Acquiring Fund MTP Shares received by each Acquired Fund to its common and preferred shareholders, as part of the liquidation, dissolution and termination of each Acquired Fund in accordance with its Declaration of Trust. The aggregate net asset value of Acquiring Fund Common Shares received by each Acquired Fund in a Reorganization will equal the aggregate net asset value of Acquired Fund common shares held by shareholders of such Acquired Fund immediately prior to the Reorganizations. Prior to the closing of the Reorganizations, the net asset value of each Acquired Fund

and Acquiring Fund will be reduced by the costs of the Reorganization borne by such Fund. No fractional Acquiring Fund Common Shares will be issued to an Acquired Fund's shareholders and, in lieu of such fractional shares, an Acquired Fund's shareholders will receive cash in an amount equal to the value received for such shares in the open market, which may be higher or lower than net asset value. Preferred shareholders of each Acquired Fund will receive the same number of Acquiring Fund MTP Shares having substantially identical terms as the outstanding MTP Shares of the Acquired Fund (Acquired Fund MTP Shares) held by such preferred shareholders immediately prior to the Reorganization. The preferred shareholders of an Acquired Fund will receive the following new series of MTP Shares of the Acquiring Fund:

Acquired Fund	Acquired Fund MTP Shares Outstanding	Acquiring Fund Shares To Be Issued in Reorganization
Premium Income Fund	MTP Shares, Series 2015 Fixed Dividend Rate: 2.65% Term Redemption Date: 3/1/2015	MTP Shares, 2.65% Series 2015 # 1 Fixed Dividend Rate: 2.65% Term Redemption Date: 3/1/2015
Dividend Advantage Fund	MTP Shares, Series 2015 Fixed Dividend Rate: 2.65% Term Redemption Date: 3/1/2015	MTP Shares, 2.65% Series 2015 # 2 Fixed Dividend Rate: 2.65% Term Redemption Date: 3/1/2015

Each new series of the Acquiring Fund MTP Shares will have the same fixed per annum dividend rate, mandatory redemption term and liquidation preference as the Acquired Fund MTP Shares for which it will be exchanged. The optional redemption right for the Acquiring Fund for each new series of MTP Shares will be substantially the same as the Acquired Fund's rights as of the closing of the Reorganization with respect to the corresponding Acquired Fund MTP Shares. See Proposal No. 2 Information About the Reorganizations Description of MTP Shares Issued by the Acquiring Fund. The aggregate liquidation preference of the Acquiring Fund MTP Shares received in the Reorganization will equal the aggregate liquidation preference of the corresponding Acquired Fund MTP Shares held immediately prior to the Reorganization. The Acquiring Fund will continue to operate after the Reorganization as a registered closed-end investment company with the investment objectives and policies described in this Joint Proxy Statement/Prospectus.

With respect to each Reorganization, the Reorganization is required to be approved by the affirmative vote of the holders of a majority of the outstanding shares of the Acquired Fund's common shares and preferred shares, voting as a single class, by the affirmative vote of a majority of the Acquired Fund's outstanding preferred shares, voting separately as a single class, and by the affirmative vote of a majority of the Acquiring Fund's preferred shareholders, voting separately as a single class. In addition, common and preferred shareholders of the Acquiring Fund voting as a single class and common shareholders voting separately, are being asked to approve the issuance of additional common shares of the Acquiring Fund in connection with the Reorganizations.

The closing of the Reorganizations is contingent upon certain conditions being satisfied or waived. Shareholders of each Acquired Fund, voting separately, must approve the Reorganization of their Fund into the Acquiring Fund. The Acquiring Fund also must obtain the shareholder approvals described in this Joint Proxy Statement/Prospectus with respect to the Reorganizations in order for the Reorganizations to occur. If one Fund does not obtain the requisite approvals, the closing will not occur for any Fund. Because the closing of the Reorganizations is contingent on all of the Acquired Funds and the Acquiring Fund satisfying (or obtaining the waiver of) their respective closing conditions, it is possible your Fund's Reorganization will not occur, even if shareholders of your Fund approve the Reorganization and your Fund satisfies all of its closing conditions. If the requisite shareholder approvals are not obtained, the Boards of the Funds may take such actions as they deem in

the best interest of the Funds including conducting additional solicitations with respect to the proposals or continuing to operate the Funds as stand-alone funds.

To the extent shareholders of an Acquired Fund do not approve the proposals relating to the new fundamental investment policy but approve the Reorganization, it is possible the Acquired Fund's shareholders will be subject to the new fundamental investment policy following the completion of the Reorganization even though they did not vote to approve the new fundamental investment policy. Conversely, if the shareholders of the Acquiring Fund do not approve the new fundamental investment policy, it is possible that shareholders of an Acquired Fund that approved the Reorganization may not benefit from the new fundamental investment policy.

This Joint Proxy Statement/Prospectus concisely sets forth the information shareholders of the Funds should know before voting on the proposals and constitutes an offering of common shares and MTP Shares, 2.65% Series 2015 # 1 and 2.65% Series 2015 # 2, of the Acquiring Fund only. Please read it carefully and retain it for future reference.
