PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS

To Be Held on April 25, 2013

INTRODUCTION

The Board of Directors of Cullen/Frost Bankers, Inc. (Cullen/Frost or the Company) is soliciting proxies to be used at the Annual Meeting of Shareholders and any adjournment or postponement thereof. The meeting will be held in the Commanders Room at Frost Bank, 100 West Houston Street, San Antonio, Texas 78205, on Thursday, April 25, 2013 at 11:00 a.m., San Antonio time. This Proxy Statement and the accompanying proxy card will be mailed to shareholders beginning on or about March 20, 2013.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE 2013 ANNUAL MEETING OF SHAREHOLDERS:

This Proxy Statement for the 2013 Annual Meeting of Shareholders and our 2012 Annual Report to Shareholders are available at www.cfrvoteproxy.com.

We are pleased to provide access to our proxy materials on the Internet. We have elected to provide access to our proxy materials both by sending you this full set of proxy materials, including a proxy card, and by notifying you of the availability of our proxy materials on the Internet. This Proxy Statement for the 2013 Annual Meeting of Shareholders and our 2012 Annual Report to Shareholders are available at our proxy materials website at <http://www.cfrvoteproxy.com>. This website does not use any functions that identify you as a visitor to the website, and thus protects your privacy.

You have the option to vote and submit your proxy by the Internet. If you have Internet access, we encourage you to record your vote by the Internet. We believe it will be convenient for you, and it saves postage and processing costs. In addition, when you vote by the Internet, your vote is recorded immediately, and there is no risk that postal delays will cause your vote to arrive late and therefore not be counted. If you do not vote by the Internet, please vote by telephone or by completing and returning the enclosed proxy card in the postage prepaid envelope provided. Submitting your proxy by either Internet, telephone or proxy card will not affect your right to vote in person if you decide to attend the Annual Meeting.

Record Date and Voting Rights

The close of business on March 6, 2013 has been fixed as the record date for the determination of shareholders entitled to vote at the Annual Meeting. The only class of securities of Cullen/Frost outstanding and entitled to vote at the Annual Meeting is our Common Stock, par value

Edgar Filing: CULLEN/FROST BANKERS, INC. - Form DEF 14A

\$0.01 per share. On March 6, 2013, there were 61,632,464 shares of Common Stock outstanding, with each share entitled to one vote.

Proxies

All shares of Cullen/Frost Common Stock represented by properly executed proxies, if timely returned and not subsequently revoked, will be voted at the Annual Meeting in the manner directed in the proxy. If a properly

Table of Contents

executed proxy does not specify a choice on a matter, the shares will be voted for the thirteen nominees to serve as Directors for a one-year term that will expire at the 2014 Annual Meeting of Shareholders, for the approval of the 2005 Omnibus Incentive Plan, as amended and restated (the 2005 Omnibus Incentive Plan), for the ratification of Ernst & Young LLP to act as our independent auditors for the 2013 fiscal year, for the non-binding approval of executive compensation, and in the discretion of the persons named as proxies with respect to any other business that may properly come before the meeting.

A shareholder may revoke a proxy at any time before it is voted by delivering a written revocation notice to the Corporate Secretary of Cullen/Frost Bankers, Inc., 100 West Houston Street, San Antonio, Texas 78205. A shareholder who attends the Annual Meeting may, if desired, vote by ballot at the meeting, and such vote will revoke any proxy previously given.

Quorum and Voting Requirements

A quorum of shareholders is required to hold a valid meeting. If the holders of a majority of the issued and outstanding shares of Cullen/Frost Common Stock entitled to vote are present at the Annual Meeting in person or represented by proxy, a quorum will exist. Shares for which votes are withheld, as well as abstentions and broker non-votes, are counted as present for establishing a quorum.

Directors are elected by a plurality of the votes cast at the Annual Meeting. Accordingly, the nominees receiving the highest number of votes will be elected. In the election of Directors, votes may be cast for or withhold authority with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote. Broker non-votes (as further discussed below) will have no effect on the outcome of this vote.

With respect to the approval of the Cullen/Frost Bankers, Inc. 2005 Omnibus Incentive Plan, as amended and restated, the affirmative vote of the holders of a majority of the shares of Cullen/Frost's Common Stock entitled to vote on, and who voted for, against or expressly abstained with respect to, this proposal will be the act of the shareholders; provided that the total votes cast on this proposal represent over 50% of the outstanding shares of Cullen/Frost's Common Stock. In voting for this matter, shares may be voted for, against or abstain. An abstention will have the effect of a vote against this matter. Broker non-votes (as further discussed below) are not counted as votes cast and therefore could prevent the total votes cast on this proposal from representing over 50% of the outstanding shares of Common Stock, but will not otherwise have an effect on this vote.

With respect to the ratification of Ernst & Young LLP to act as our independent auditors for the 2013 fiscal year, the affirmative vote of the holders of a majority of the shares of Cullen/Frost's Common Stock entitled to vote on, and who voted for, against or expressly abstained with respect to, this proposal will be the act of the shareholders. In voting for this matter, shares may be voted for, against or abstain. An abstention will have the effect of a vote against this matter.

With respect to the resolution to provide nonbinding approval of executive compensation, the affirmative vote of the holders of a majority of the shares of Cullen/Frost's Common Stock entitled to vote on, and who voted for, against or expressly abstained with respect to, this proposal will be the act of the shareholders. In voting for this matter, shares may be voted for, against or abstain. An abstention will have the effect of a vote against this matter. Broker non-votes (as further discussed below) will have no effect on the outcome of this vote. This resolution is advisory only and will not be binding upon Cullen/Frost or the Board of Directors.

Under the rules of the Financial Industry Regulatory Authority, Inc., member brokers generally may not vote shares held by them in street name for customers who do not provide voting instructions, and instead must submit a so-called broker non-vote unless they are permitted to vote the shares in their discretion under the rules of any national securities exchange of which they are members. Under the rules of the New York Stock Exchange, Inc. (NYSE), a member broker that holds shares in street name for customers has authority to vote

Table of Contents

on certain routine items if it has transmitted proxy-soliciting materials to the beneficial owner but has not received instructions from that owner. The proposal to ratify the selection of Ernst & Young LLP to act as Cullen/Frost's independent auditors is a routine item, and the NYSE rules permit member brokers that do not receive instructions to vote on this item. However, the NYSE rules do not permit member brokers that do not receive instructions, to vote on the election of Directors, on the 2005 Omnibus Incentive Plan, as amended and restated, or on the shareholder advisory vote relating to executive compensation. Thus, it is very important that you cast your vote regarding all items of business proposed in the proxy.

Expenses of Solicitation

Cullen/Frost will pay the expenses of the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, Directors, officers, and employees of Cullen/Frost may solicit proxies by telephone, facsimile, in person or by other means of communication. Cullen/Frost also has retained Okapi Partners LLC (Okapi) to assist with the solicitation of proxies. Directors, officers, and employees of Cullen/Frost will receive no additional compensation for the solicitation of proxies, and Okapi will receive a fee not to exceed \$6,500.00, plus reimbursement for out-of-pocket expenses. Cullen/Frost has requested that brokers, nominees, fiduciaries and other custodians forward proxy-soliciting material to the beneficial owners of Cullen/Frost Common Stock. Cullen/Frost will reimburse these persons for out-of-pocket expenses they incur in connection with its request.

The Board has adopted written charters for the Audit Committee, the Compensation and Benefits Committee and the Corporate Governance and Nominating Committee. All of these charters are available at www.frostbank.com or in print to any shareholder making a request by contacting the Corporate Secretary, Stan McCormick, at 100 West Houston Street, San Antonio, Texas 78205.

As described in more detail below under "Certain Corporate Governance Matters Director Independence," the Board has determined that each member of the Audit Committee, the Compensation and Benefits Committee and the Corporate Governance and Nominating Committee is independent within the meaning of the rules of the NYSE. The Board has also determined that each member of the Audit Committee is independent within the meaning of the rules of the SEC. In addition, the Board has determined that each member of the Audit Committee is financially literate and that at least one member of the Audit Committee has accounting or related financial management expertise, in each case within the meaning of the NYSE's rules. The Board has also determined that Mr. Ruben M. Escobedo is an audit committee financial expert within the meaning of the SEC's rules.

Leadership Structure

As provided in our Corporate Governance Guidelines, our Board selects its Chairman, Lead Director and CEO in a way that it considers to be in the best interests of Cullen/Frost. The Board does not have a policy on whether the role of Chairman and CEO should be separate or combined, but believes that the most effective leadership structure for Cullen/Frost is to combine these responsibilities. This structure avoids the potential confusion and conflict over who is leading the company, both within the company and when dealing with investors, customers and counterparties, and the duplication of efforts that can result from the roles being separated. The Board also believes that combining these roles in one person enhances accountability for the performance of Cullen/Frost. Furthermore, as Cullen/Frost has traditionally combined these roles (for some 30+ years now), separating them could cause significant disruption in oversight and lines of reporting. Nevertheless, depending upon the circumstances, the Board could choose to separate the roles of Chairman and CEO in the future.

To help ensure strong oversight by our non-management directors, our Audit Committee, Corporate Governance and Nominating Committee and Compensation and Benefits Committee are composed only of independent directors. In accordance with our Corporate Governance Guidelines, the Chair of the Corporate Governance and Nominating Committee acts as the Lead Director and presides at executive sessions of non-management directors and presents to the full Board any matters that may need to be considered by the full Board. Mr. Royce S. Caldwell, the current Lead Director, also is the Chair of the Compensation and Benefits Committee and is a member of several other Board committees. As a result, the Lead Director is fully informed of all activities of the Board and all of its committees. In addition to presiding at the executive sessions of the non-management directors, the Lead Director also reviews the agenda, schedule and materials for each Board Meeting and Board committee meeting and executive session, and facilitates communication between the non-management directors and the Chairman and CEO.

The Board is responsible for overseeing all aspects of management of Cullen/Frost, including risk oversight, which is effected primarily through the Audit Committee. Furthermore, certain members of the Board of Cullen/Frost also serves as the Board of Directors of Frost Bank, and as such receive regular reports on the operations of

Table of Contents

Frost Bank. The Board of Frost Bank has additional committees that are not committees of the Board of Cullen/Frost. These Frost Bank Board committees have a majority of independent directors and review risks and approve policy exceptions in lending and trust services. Each standing committee of the Boards of Cullen/Frost and Frost Bank has oversight responsibility for risks inherent within its area of oversight. The Audit Committee receives reports on, and reviews, the Bank's principal risk exposure, including financial reporting, credit, and liquidity risk. The Risk Committee of the Frost Bank Board receives reports on, and reviews the firm's credit and operational risk. Cullen/Frost management regularly discusses macro- and business-specific environmental factors with the Audit Committee and Risk Committee, as well as the potential impact of these factors on the risk profile (including the financial situation) of the Company. Cullen/Frost management also periodically reviews with the Board specific risk analyses, such as sensitivity and scenario analyses. In addition, the Audit Committee and Risk Committee receive written packages and detailed oral postings on various types of risk and other matters (which come from a combination of the Company's CEO, CFO, and Chief Risk Officer/Chief Credit Officer) at regularly scheduled meetings. The Board also interacts on a regular basis with executive officers, from both the control and line of business sides of Cullen/Frost. It is through these various channels that the Board seeks the information to oversee the Company's risk management.

Director Nomination Process

The Corporate Governance and Nominating Committee is responsible for identifying individuals qualified to become members of the Board of Directors and for recommending to the Board the nominees to stand for election as Directors.

In identifying Director candidates, the Corporate Governance and Nominating Committee may seek input from Cullen/Frost's management and from current members of the Board. In addition, it may use the services of an outside consultant, although it has not done so in the past. The Corporate Governance and Nominating Committee will consider candidates recommended by shareholders. Shareholders who wish to recommend candidates may do so by writing to the Corporate Governance and Nominating Committee of Cullen/Frost Bankers, Inc., c/o Corporate Secretary, 100 West Houston Street, San Antonio, Texas 78205. Recommendations may be submitted at any time. The written recommendation must include the name of the candidate, the number of shares of Cullen/Frost Common Stock owned by the candidate and the information regarding the candidate that would be included in a proxy statement for the election of Directors pursuant to paragraphs (a), (e) and (f) of Item 401 of Regulation S-K adopted by the SEC.

In evaluating Director candidates, the Corporate Governance and Nominating Committee initially considers the Board's need for additional or replacement Directors. It also considers the criteria approved by the Board and set forth in Cullen/Frost's Corporate Governance Guidelines, which include, among other things, the candidate's personal qualities (in light of Cullen/Frost's core values and mission statement), accomplishments and reputation in the business community, the fit of the candidate's skills and personality with those of other Directors and candidates and the ability of the candidate to commit adequate time to Board and committee matters. The objective is to build a Board that is effective, collegial and responsive to the needs of Cullen/Frost and that includes a diversity of viewpoints, background, experience and other demographics. In addition, considerable emphasis is given to Cullen/Frost's mission statement and core values, statutory and regulatory requirements, and the Board's goal of having a substantial majority of independent directors.

The Corporate Governance and Nominating Committee evaluates all Director candidates in the same manner, including candidates recommended by shareholders. In considering whether candidates satisfy the criteria described above, the committee will initially utilize the information it receives with the recommendation it otherwise possesses. If it determines, in consultation with other Board members, including the Chairman, that more information is needed, it may, among other things, conduct interviews.

Miscellaneous Information

There are no arrangements or understandings between any nominee or Director of Cullen/Frost and any other person regarding such nominee's or Director's selection as such.

CERTAIN CORPORATE GOVERNANCE MATTERS

Cullen/Frost believes that it has operated over the years with sound corporate governance practices that exemplify its commitment to integrity and to protect both the interests of its shareholders and the other constituencies that it serves. These practices include a substantially independent Board of Directors, periodic meetings of non-management Directors, and a sound and comprehensive code of conduct, which obligates Directors and all employees to adhere to the highest legal and ethical business practices. A review of some of Cullen/Frost's corporate governance measures is set forth below.

Director Independence

The Board of Directors believes that a substantial majority of its members should be independent within the meaning of the NYSE's rules. To this end, the Board reviews annually the relevant facts and circumstances regarding relationships between Directors and Cullen/Frost. The purpose of the Board's review is to determine whether any Director has a material relationship with Cullen/Frost (either directly or as a partner, shareholder or officer of an organization that has a relationship with Cullen/Frost).

In connection with the Board's latest review, the Board determined that the following Directors, who compose 85% of the Board, are independent within the meaning of the NYSE's rules: Mr. R. Denny Alexander, Mr. Carlos Alvarez, Mr. Royce S. Caldwell, Mr. Crawford H. Edwards, Mr. Ruben M. Escobedo, Mr. David J. Haemisegger, Ms. Karen E. Jennings, Mr. Richard M. Kleberg, III, Mr. Charles W. Matthews, Ms. Ida Clement Steen and Mr. Horace Wilkins, Jr. Mr. Richard W. Evans, Jr. and Mr. Patrick B. Frost are not independent because they are executive officers of Cullen/Frost.

In making its independence determinations, the Board considers the NYSE's rules, as well as the standards set forth below. The Board adopted these standards pursuant to the NYSE's rules to assist in making independence determinations. For purposes of the standards, the term Cullen/Frost Entity means, collectively, Cullen/Frost and each of its subsidiaries.

Credit Relationships. A proposed or outstanding relationship that consists of an extension of credit by a Cullen/Frost Entity to a Director or a person or entity that is affiliated, associated or related to a Director should not be deemed to be a material relationship if it satisfies each of the following criteria:

It is not categorized as "classified" by the Cullen/Frost Entity or any regulatory authority that supervises the Cullen/Frost Entity.

It is made on terms and under circumstances, including credit standards, that are substantially similar to those prevailing at the time for comparable relationships with other unrelated persons or entities and, if subject to the Federal Reserve Board's Regulation O (12 C.F.R. Part 215), is made in accordance with Regulation O.

Table of Contents

In the event that it was not made, in the case of a proposed extension of credit, or it was terminated in the normal course of the Cullen/Frost Entity's business, in the case of an outstanding extension of credit, the action would not reasonably be expected to have a material adverse effect on the Director or the business, results of operations or financial condition of any person or entity related to such Director.

The Board of Directors determined that credit relationships with each of our independent Directors satisfied these criteria.

Non-Credit Banking or Financial Products or Services Relationships. A proposed or outstanding relationship in which a Director or a person or Entity that is affiliated, associated or related to a Director procures non-credit banking or financial products or services from a Cullen/Frost Entity should not be deemed to be a material relationship if it (i) has been or will be offered in the ordinary course of the Cullen/Frost Entity's business and (ii) has been or will be offered on terms and under circumstances that were or are substantially similar to those prevailing at the time for comparable non-credit banking or financial products or services provided by the Cullen/Frost Entity to other unrelated persons or entities. The Board of Directors determined that non-credit banking or financial products or services relationships with each of our independent Directors satisfied these criteria.

Property or Services Relationships. A proposed or outstanding relationship in which a Director or a person or Entity that is affiliated, associated or related to a Director provides property or services to a Cullen/Frost Entity should not be deemed to be a material relationship if the property or services (i) have been or will be procured in the ordinary course of the Cullen/Frost Entity's business and (ii) have been or will be procured on terms and under circumstances that were or are substantially similar to those that the Cullen/Frost Entity would expect in procuring comparable property or services from other unrelated persons or entities. The Board of Directors determined that the lease payments to companies in which Mr. R. Denny Alexander and Mr. Crawford H. Edwards have interests, as further described under Certain Transactions and Relationships on page 42, below, satisfied these criteria.

Meetings of Non-Management Directors

Cullen/Frost's non-management Directors meet in executive sessions without members of management present at each regularly scheduled meeting of the Board. The Lead Director and Chair of the Board's Corporate Governance and Nominating Committee, who is currently Mr. Royce S. Caldwell, presides at the executive sessions.

The Guidelines are available on Cullen/Frost's website at www.frostbank.com or in print, to any shareholder making a request by contacting the Corporate Secretary, Stan McCormick, at 100 West Houston Street, San Antonio, Texas 78205.

Code of Business Conduct and Ethics

The Board of Directors has adopted a Code of Business Conduct and Ethics to promote the highest legal and ethical business practices by Cullen/Frost. The Code applies to Directors and Cullen/Frost employees, including Cullen/Frost's Chief Executive Officer, Chief Financial Officer and principal accounting officer. The Code addresses, among other things, honest and ethical conduct, accurate and timely financial reporting, compliance with applicable laws, accountability for adherence to the Code and prompt internal reporting of violations of the Code. EXECUTIVE COMPENSATION AND RELATED INFORMATION

Compensation and Benefits Committee Governance

Charter. The Compensation and Benefits Committee's charter is posted on Cullen/Frost's website at www.frostbank.com.

Scope of authority. The primary function of the Compensation and Benefits Committee (the Committee) is to assist the Board in fulfilling its oversight responsibility with respect to:

- B. overseeing the evaluation of Cullen/Frost's executive management;
- C. reviewing and approving the corporate goals and objectives relevant to the compensation of the CEO, evaluating the performance of the CEO in light of those goals and objectives and setting the CEO's compensation level based on this evaluation;
- D. making recommendations to the Board with respect to, and if appropriate under the circumstances, approving on behalf of the Board, non-CEO Executive Officer compensation and any adoption of or amendment to a material compensation or benefit plan, including any incentive compensation plan or equity based plan;

- E. discharging any duties or responsibilities imposed on the Committee by any of Cullen/Frost's compensation or benefit plans;

Table of Contents

- F. providing oversight of regulatory compliance with respect to compensation matters;
 - G. reviewing and making recommendations to the Board with respect to the components and amount of Board compensation in relation to other similarly situated companies. The Board retains the authority to set director compensation and to make changes to director compensation;
 - H. preparing any report or other disclosure required to be prepared by the Committee for inclusion in Cullen/Frost's annual proxy statement in accordance with applicable rules and regulations of the Securities and Exchange Commission; and
 - I. preparing a summary of the actions taken at each Committee meeting to be presented to the Board at the next Board meeting.
- Delegation authority.* While the Committee approves the annual normal grant of stock options and restricted stock/restricted stock units to officers, it delegates authority to the CEO to allocate a specified pool of stock options to address special needs as they arise.

Role of executive officers. After consulting with management's compensation consultant, and with the Committee's compensation consultant, the CEO recommends to the Committee base salary, target bonus levels, actual bonus payments and long-term incentive grants for Company officers. The Committee considers, discusses and modifies the CEO's recommendations, as appropriate, and takes action on such proposals. The CEO does not make recommendations to the Committee on his own pay levels. The Committee, in executive session and without members of Company management present, determines the pay levels for the CEO to be ratified by the Board of Directors.

Role of compensation consultants. Beginning in 2005, the Committee directly retained Aon Hewitt as its outside compensation consultant. During the course of 2010, the Committee, along with senior management, began to consider the benefits of retaining two different independent outside compensation consultants, one to advise the Committee and a separate one to advise management. On October 1, 2010, the Committee engaged Meridian Compensation Partners, LLC (Meridian) to serve as its outside compensation consultant. Management continues to retain Aon Hewitt as its outside compensation consultant.

The role of the Committee's independent consultant, Meridian, is to serve and assist the Committee in its review and oversight of executive and director compensation practices. The role of management's consultant, Aon Hewitt, is to assist the CEO and company management in reviewing, assessing, and developing recommendations for the Company's executive compensation programs.

The nature and scope of services rendered by Meridian on the Committee's behalf is described below:

Review of competitive market pay analyses, as needed, including executive compensation benchmarking services, proxy data studies, Board of Director pay studies, dilution analyses, and market trends;

Ongoing support with regard to the latest relevant regulatory, technical, and/or accounting considerations impacting compensation and benefit programs;

Assistance with the redesign of any compensation or benefit programs, if desired/needed;

Edgar Filing: CULLEN/FROST BANKERS, INC. - Form DEF 14A

Preparation for and attendance at selected management, committee, or Board of Director meetings; and

Other miscellaneous requests that occur throughout the year.

The Committee did not direct Meridian to perform the above services in any particular manner or under any particular method. The Committee has the final authority to hire and terminate its consultant, and the Committee evaluates the consultant annually.

Meridian did not provide any services for the Committee or the Company outside of the compensation consulting services outlined above.

Table of Contents

In its January 2013 meeting, the Committee reviewed the independence of Meridian as its consultant. Specifically, the Committee took into account the six independence factors as adopted by the SEC in Rule 10C-1 under the Exchange Act and applicable NYSE rules. The Committee determined that Meridian is an independent adviser to the Committee.

As previously mentioned, Aon Hewitt serves as consultant to management, providing services to management similar to those Meridian provides to the Committee. Neither the Committee nor management directed Aon Hewitt to perform services in any particular manner or under any particular method. Management retains the final authority to hire and terminate its consultant. Management evaluates its consultant annually.

Both the Committee's Meridian consultant and the Company's Aon Hewitt consultant attended all of the Committee meetings in 2012 and assisted the Committee with the market data and an assessment of executive compensation levels and program design, CEO compensation, and support on various regulatory and technical issues.

Compensation and Benefits Committee Interlocks and Insider Participation

Some of the members of the Compensation and Benefits Committee, and some of their associates, are current or past customers of one or more of Cullen/Frost's subsidiaries. Since January 1, 2012, transactions between these persons and such subsidiaries have occurred, including borrowings. In the opinion of management, all of the transactions have been in the ordinary course of business, have had substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to the lender, and did not involve more than the normal risk of collectability or present other unfavorable features. Additional transactions may take place in the future.

Compensation and Benefits Committee Report

The Compensation and Benefits Committee has reviewed and discussed the *Compensation Discussion and Analysis* with management. Based on our review and discussions, we have recommended to the Board of Directors that the *Compensation Discussion and Analysis* be included in this proxy statement and incorporated by reference into Cullen/Frost's Annual Report on Form 10-K for the year ended December 31, 2012.

Compensation Discussion and Analysis

Executive Summary

We are a financial holding company, headquartered in San Antonio, Texas, with well over 100 financial centers throughout Texas. We provide a wide range of banking, investment and insurance services to businesses and individuals in the Austin, Corpus Christi, Dallas, Fort Worth, Houston, Rio Grande Valley and San Antonio regions. Founded in 1868, we have helped clients with their financial needs during three centuries. Over the years, we've grown a lot, but what hasn't changed is our commitment to our values and to the relationships we've forged. Those relationships include our employees. We believe a key factor in our success is consistency—consistency in culture, philosophy, management and executive pay philosophy and practices.

At Cullen/Frost, we enjoy a strong history of sound and profitable performance. We believe everyone is significant at our Company and successful performance occurs when everyone works together as a team with common goals. As a result, our executive rewards programs tend to focus on total company success. At Cullen/

Table of Contents

Frost, we believe in providing a square deal for our shareholders, customers and employees. Therefore, we benchmark our executive rewards, at target, at approximately the 50th percentile of the external market while taking into account various other factors, including market conditions, company performance, internal equity, and individual experience levels, among other things. Because we believe our Company to be a safe and sound place to do business, we strive to avoid excessive risk, and do not offer executive rewards programs that would encourage the taking of such risks. Further, the consistency and continuity of management serves to enhance our conservative risk profile. The average tenure with the Company of the five Named Executive Officers included in this proxy statement is in excess of 33 years. Finally, we believe we offer executive rewards that align management and shareholder interests.

2012 was a great year for Cullen/Frost. Our Company experienced strong earnings of \$238 million, exceeding budgeted expectations.

During 2012, the following decisions were made concerning compensation of the Named Executive Officers:

Increases to base pay approximating 10% on average, effective January 1, 2013;

Annual bonus payments for 2012 performance paid in 2013, exceeding target by 5% due to the strong financial performance of our Company which exceeded budgeted expectations; and

Long-term incentive award grants consisting of stock options and restricted stock/restricted stock units at value levels generally consistent with prior years.

We believe that our executive rewards programs successfully balance elements of fixed compensation, short- and long-term incentives and benefit programs consistent with our core values of integrity, caring and excellence.

2012 Say On Pay Vote

The 2012 Annual Shareholders Meeting was held on April 26. This marked the second annual Say on Pay vote by shareholders of Cullen/Frost. The shareholders overwhelmingly showed their approval of the Company's executive pay programs with 95% of all votes cast being in favor of approval of the executive pay programs. The Committee and the Board were very appreciative of the positive vote and the strong message it delivered. The strong shareholder support has reaffirmed the Committee's approach to executive compensation philosophy and programs. Accordingly, for 2012, the Committee has continued to administer the same conservative reward programs and to demonstrate the same consistent pay philosophies that have been in place historically.

Introduction

This discussion is included to provide the material information necessary to understand the objectives and policies of Cullen/Frost's compensation program for the CEO, the CFO and the other three most highly compensated executive officers of Cullen/Frost (collectively, the Named Executive Officers) and to describe how these policies were implemented for 2012 performance:

Richard W. Evans, Jr.	<i>Chairman of the Board, Chief Executive Officer, and President of Cullen/Frost; Chairman of the Board and Chief Executive Officer of Frost Bank</i>
Phillip D. Green	<i>Group Executive Vice President and Chief Financial Officer of Cullen/Frost; Group Executive Vice President and Chief Financial Officer of Frost Bank</i>
David W. Beck, Jr.	<i>President and Chief Business Banking Officer of Frost Bank</i>
Richard Kardys	<i>Group Executive Vice President and Executive Trust Officer of Frost Bank</i>
Paul Bracher	<i>President and Executive Officer of Statewide Functions of Frost Bank</i>

Table of Contents

Objectives of the Compensation Program

The Cullen/Frost compensation program is administered by the Compensation and Benefits Committee (Committee). The objectives of the program are to:

Reward current performance;

Motivate future performance;

Encourage teamwork;

Remain competitive as compared to the external marketplace;

Maintain a position of internal equity among our executive management team;

Effectively retain Cullen/Frost's executive management team; and

Increase shareholder value by strategically aligning executive management and shareholder interests.

Design of the Total Compensation Program and Overview of Compensation Decisions made in 2012

Pay Philosophy

In general, it is Cullen/Frost's compensation philosophy to target aggregate executive compensation at the 50th percentile of the external market (as described below). Actual compensation paid to executives reflects the Company's performance versus market and therefore may fall above or below the 50th percentile in a given year. In addition to external competitiveness, the Committee evaluates the following factors when making compensation decisions for executive officers:

Performance (Company, segment and individual);

Internal equity;

Experience;

Strategic importance;

Technical implications such as tax, accounting, and shareholder dilution; and

Advice from the independent compensation consultants.

The Committee does not assign a specific weighting to these factors and may exercise its discretion when making compensation decisions for Named Executive Officers.

When reviewing the components of the compensation program, the Committee, together with Mr. Evans and the Director of Human Resources, works to ensure the total package is competitive with the external marketplace and remains balanced from an internal equity standpoint. However, it is the total package that should be competitive, and not necessarily the individual elements.

Mr. Evans makes recommendations to the Committee on the pay levels of his direct reports for the Committee's review and approval. Mr. Evans does not make recommendations to the Committee on his own pay levels. The Committee, in executive session and without members of Company management present, determines the pay levels for Mr. Evans to be ratified by the Board of Directors.

The Committee does not maintain a stated policy with regard to cash versus non-cash compensation. However, the allocation of cash and non-cash compensation for each of the Named Executive Officers is reviewed annually.

In general, the Committee does not take into account amounts realizable from prior compensation when making future pay decisions. However, grant date amounts and values are contemplated, particularly when establishing long-term incentive award grants.

Table of Contents

The Committee reviews a total compensation tally sheet for Mr. Evans annually. Cullen/Frost uses the tally sheet to inform the Committee on Mr. Evans' total compensation and accumulated wealth from the Company's equity and retirement benefit plans.

In light of the volatility in the U.S. financial markets in the last several years and the concern over executive compensation among financial institutions, the Committee has taken the additional measure of meeting annually with senior officers, including the Chief Risk Officer, as well as the Committee's compensation consultant and Management's compensation consultant, to discuss the risk profile of our total executive compensation program for Named Executive Officers. For 2012, the Committee determined that the total compensation program, which balances fixed compensation (base pay and retirement benefits) and various forms of shorter- and longer-term incentive pay (annual cash bonus and equity compensation), did not encourage excessive or unnecessary risks.

Benchmarking and Peer Companies

Under the direction of the Committee, Cullen/Frost, together with the Committee's independent external compensation consultant and management's independent external compensation consultant, conducts annual benchmarking of base pay, annual incentive pay, and long-term incentive pay. The competitiveness of other forms of pay is reviewed on a periodic basis, as determined by the Committee.

External market data is provided by the Company's independent external compensation consultant, Aon Hewitt, and is reviewed by the Committee's independent external compensation consultant, Meridian Compensation Partners, LLC. The Committee believes that the external market should be defined as peer companies in the banking industry of a similar asset size to Cullen/Frost. For 2012, Aon Hewitt provided market data collected from public filings for the following 15 companies:

Associated Banc-Corp	Commerce Bancshares, Inc.	SVB Financial Group
Bancorpsouth Inc.	First Horizon National Corporation	Synovus Financial Corporation
Bank of Hawaii Corporation	Firstmerit Corporation	TCF Financial Corporation
Cathay General Bancorp	Fulton Financial Corporation	Valley National Bancorp
City National Corporation	Susquehanna Bancshares, Inc.	Webster Financial Corporation

The peer group used in 2012 was the same as the group used in 2011. The 2012 peer group was developed based on the following criteria:

Size Companies with assets comparable to Cullen/Frost, where the Company would approximate the peer group median. The median asset size of the peer group listed above is \$18.7 billion as of December 31, 2011 as compared to Cullen/Frost's asset size of \$20.3 billion as of that same date.

Industry Companies in the commercial banking industry sector.

Locality Commercial banks headquartered across the United States.

Sample Size A peer group with 15-20 companies.

Additionally, market data was collected by Aon Hewitt from multiple published survey sources representing national financial institutions of a similar asset size to Cullen/Frost. The Committee believes that the combination of peer company data and survey data reflects Cullen/Frost's external market for business and executive talent. Accordingly, the Committee uses both of these sources when targeting Cullen/Frost's executive target aggregate compensation at the 50th percentile of the external market. The Committee does not utilize any stated weighting of external market data relative to other factors to determine compensation levels of the Named Executive Officers. Instead, the Committee, in consultation with Meridian Compensation Partners, evaluates the market data prepared by Aon Hewitt, along with the other factors listed previously to determine the appropriate compensation levels of the Named Executive Officers on an individual basis.

Relation of Pay Practices to Risk Management

Key elements of Cullen/Frost's mission are to build long-term relationships based on safe, sound assets. In support of its mission, our Company has long adhered to compensation policies and practices that are designed to support strong risk management. We pay base salaries to our employees that are competitive and that represent a significant portion of their compensation and, therefore, do not encourage excessive risk taking to increase compensation. We believe that our Company generally pays a greater share of total compensation to our employees in base salary than do our competitors. Cash incentive compensation, which represents a small percentage of the Company's total revenue, is awarded to many employees within Cullen/Frost to encourage excellence in delivering value to our customers and sustained superior financial performance to our shareholders. As our Company is dedicated to relationship banking, incentives for business line employees typically emphasize such factors as the level of client contact and success in meeting clients' overall needs, as well as production volume. We also note that our employees as a group, through long-term equity-based awards and investment in Company stock under the 401(k) Plan (described below) for Employees of Cullen/Frost and other holdings, are significant holders of Cullen/Frost stock. The Committee therefore does not believe that our compensation policies and practices encourage taking excessive or unnecessary risk. We regularly review all plans identified by human resources officers as potentially creating risk, regardless of magnitude, particularly with respect to executive officers. Based on the structure of our Company's longstanding compensation policies and practices, the Committee believes that those compensation policies and practices are not reasonably likely to have a material adverse effect on Cullen/Frost.

Elements of the Compensation Program

To ensure achievement of the program objectives, compensation is provided to the Named Executive Officers in the following elements:

Base Pay;

Annual Incentive Pay;

Long-Term Incentive Pay;

Benefits;

Perquisites; and

Post-Termination Pay.

The purpose, design, determination of amounts, and 2012 pay decisions are described below.

Base Pay

Base pay is an important element of executive compensation because it provides executives with a base level of monthly income. As discussed in the Pay Philosophy section, internal and external equity, performance, experience, and other factors are considered when establishing base salaries. The Committee does not assign a specific weighting to these factors when making compensation decisions. Base salary changes are generally approved in October of each year and are effective January 1st of the following year. No specific weighting is targeted for base salaries as a percentage of total compensation.

Edgar Filing: CULLEN/FROST BANKERS, INC. - Form DEF 14A

During its Fall 2012 meeting in October, the Committee approved base pay increases for Mr. Evans and the other Named Executive Officers. The increases were based on external market data, internal equity, and each individual's performance. The Committee observed that prior to the increases,

the base pay of Mr. Evans was slightly below the 50th percentile of the external market;

the base pay of Mr. Green was between the 50th percentile and the 75th percentile of the external market; and

the base pay levels for the remaining Named Executive Officers was approximately equal to the 50th percentile of the external market.

Table of Contents

The base pay increases approved by the Committee became effective January 1, 2013 and approximated an average of 10% of existing base pay, ranging from 4.1% to 12.5%. Base pay levels for 2012 can be seen in the Summary Compensation Table.

Annual Incentive Pay

Annual incentive pay is provided to Named Executive Officers to recognize achievement of annual financial targets and is paid in accordance with the quantitative and qualitative terms of the Bonus Plan for the Chief Executive Officer and the Executive Management Bonus Plan, which covers the other Named Executive Officers. This award is paid in the form of a cash bonus.

The Bonus Plan for the Chief Executive Officer differs from that of the other Named Executive Officers. Both bonus plans are described in the sections that follow.

Bonus Plan for the Chief Executive Officer

Annually, during its first-quarter meeting, the Committee establishes a cap tied to net income for the Chief Executive Officer's bonus, thereby directly relating the reward of the executive to the performance of Cullen/Frost. This measurement has historically been 0.8% of net income. After the close of the fiscal year, the Committee then exercises only downward discretion to arrive at a bonus payment amount to Mr. Evans. Traditionally, the Committee has not paid a bonus at the full 0.8% of fiscal year net income, but closer to a target of 90% of his base salary earnings.

For 2012, the Committee again approved a cap of 0.8% of fiscal year net income for Mr. Evans' bonus. To determine the bonus payment amount, the Committee exercises downward discretion based on the following qualitative measures approved by the Committee.

Performance Measures	Description
Operating Results	<i>Provides direction to ensure that Cullen/Frost meets its financial goals, both in terms of achieving budgetary results and in its commitment to performance compared to its peers.</i>
Leadership	<i>Leads Cullen/Frost, setting a philosophy based on the corporate culture that is well understood, widely supported, consistently applied, and effectively implemented.</i>
Strategic Planning	<i>Establishes clear objectives and develops strategic policies to ensure growth in Cullen/Frost's core business and expansion through appropriate acquisitions. Is committed to the utilization of advanced technology applications to support these growth goals, and maintains the long-term interest of Cullen/Frost in all actions.</i>
Human Capital Management and Development	<i>Ensures the effective recruitment of a diverse workforce, consistent retention of key employees and the ongoing motivation of all staff. Offers personal involvement in the recruiting process and provides feedback.</i>
Communications	<i>Serves as chief spokesperson for Cullen/Frost, communicating effectively with all of its stakeholders.</i>
External Relations	<i>Establishes and maintains relationships with the investment community to keep them informed on Cullen/Frost's progress. Serves in a leadership role in civic, professional and community organizations. Reinforces key customer relationships through regular market visits and customer contacts.</i>
Board Relations	<i>Works closely with the Board of Directors to keep them fully informed on all important aspects of the status and development of Cullen/Frost. Facilitates the Board's composition and committee structure, as well as its governance and any regulatory</i>

agency relations.

The Board must ratify the bonus payment amount determined by the Committee for Mr. Evans.

Cullen/Frost's budget for a given year typically represents a meaningful increase in earnings per share over the previous year. In finalizing a budget, the current economic, regulatory and interest rate environments are considered as well as market expectations. The budget must be ratified by the Board of Directors. For 2012, the Company's budgeted expectations were \$220 million. Actual performance for 2012 exceeded these expectations, as the company realized actual net income of \$238 million.

For 2012, Cullen/Frost's financial performance was strong and exceeded budgeted expectations as referenced above. In light of this, and taking into account the qualitative measures shown above, the Committee exercised downward discretion from the initial cap of 0.8% of net income. The Committee elected to pay a bonus to Mr. Evans of \$812,700, or 5% over his target of 90% of base salary earnings. This was ratified by the Board of Directors on January 31, 2012, and can be seen in the Summary Compensation Table.

For 2013, the Committee has again approved a cap for Mr. Evans of 0.8% of fiscal year net income.

At the October 2012 meeting, the Committee reviewed the competitiveness of the Chief Executive Officer's bonus target and payment. The Committee focused its review on the competitiveness of the established bonus target of 90% of base pay. The target level appeared to be slightly less than prevailing target levels in the external market, consistent with prior studies. As a result, the Committee chose to increase the bonus target for the Chief Executive Officer to 100% of base salary earnings effective 2013 to align more closely with the peer group.

Bonus Plan for the Other Named Executives

The remaining Named Executive Officers participate in the Executive Management Bonus Plan. Annually, a bonus pool is generated based on the financial performance of Cullen/Frost versus the budgeted expectations for the year. The bonus pool is funded at target if Cullen/Frost's financial performance meets budget. The bonus pool is funded at a level below target if Cullen/Frost's financial performance falls below budget. A minimum percentage of budget must be achieved before the bonus pool is funded, and no bonus payments are made unless Cullen/Frost attains this minimum threshold. Additional bonus dollars may be generated if Cullen/Frost achieves financial performance above budget. The Committee approves the corporate and individual objectives as well as the payment targets, which are expressed as a percentage of the executives' base salary earnings for the year. There is not a stated cap on this plan. However, over the past decade, the most paid to any Named Executive Officer was 20% above target.

For 2012, Cullen/Frost established the following individual targets as a percentage of 2012 base salary earnings for the Named Executive Officers in the Executive Management Bonus Plan:

Phillip D. Green	60%
David W. Beck, Jr.	50%
Richard Kardys	50%
Paul Bracher	50%

The individual targets are not formula driven. For all of the Named Executive Officers in the Management Bonus Plan, the targets are set at the discretion of the Chief Executive Officer and must be approved by the Committee. The bonus targets are based on external market data provided by Aon Hewitt, internal equity considerations, and strategic objectives for corporate performance. The targets are reviewed annually at the Fall meeting of the Committee and altered as deemed appropriate.

Payment amounts for the Named Executive Officers, with the exception of the Chief Executive Officer, are made based on recommendations of the Chief Executive Officer and approval of the Committee. Bonus amounts in excess of, or below target may be paid at the discretion of the Chief Executive Officer with the approval of the Committee. Before the Chief Executive Officer makes recommendations to the Committee regarding annual

Table of Contents

bonus payments for the other Named Executives, the Chief Executive Officer discusses these issues with Aon Hewitt and Meridian Compensation Partners. The Committee has the discretion to approve, disapprove or alter the Chief Executive Officer's recommendations.

The primary criterion for bonus payments for the Named Executive Officers is the measurement of financial performance vs. budgeted net income for Cullen/Frost.

As previously stated, Cullen/Frost's actual performance exceeded budgeted expectations for 2012. Based on this fact, the Chief Executive Officer recommended to the Committee that bonus payments be made to Mr. Green, Mr. Beck, Mr. Kardys and Mr. Bracher at 5% over target for 2012. The Committee approved this recommendation. The 2012 bonuses were paid in February of 2013 and can be seen in the Summary Compensation Table.

In October 2012, the Committee reviewed the competitiveness of each Named Executive's incentive target level. The Committee determined that while the target level for Mr. Green remained competitive, the target levels for Mr. Beck, Mr. Kardys and Mr. Bracher were below the 50th percentile of the external market. The Committee elected to increase target levels of those Named Executive Officers for 2013 as shown below. As previously stated, the target represents a percentage of base earnings.

Executive	2012 Target	2013 Target
Phillip D. Green	60%	60%
David W. Beck, Jr.	50%	60%
Richard Kardys	50%	60%
Paul Bracher	50%	60%

No specific weighting is targeted for annual incentive pay as a percentage of total compensation.

Long-Term Incentive Pay

Long-term incentives are awarded to the Named Executive Officers in an effort to align management and shareholder interests, ensure future performance of Cullen/Frost, enhance ownership opportunities, and increase shareholder value. Cullen/Frost maintains the 2005 Omnibus Incentive Plan (Plan) which was approved by shareholders and authorizes the granting of the following types of awards for executives:

Stock Options;

Stock Appreciation Rights;

Restricted Stock and Restricted Stock Units;

Performance Unit and Performance Share Awards;

Cash-Based Awards; and

Other Stock-Based Awards.

As shown in the Summary Compensation Table, long-term incentives are awarded to the Named Executive Officers in the form of stock options, restricted stock, and when appropriate, restricted stock units. The size of the grant is determined by the Committee, taking into account a variety of factors including the value of prior year grants when made, external market data, internal equity considerations, performance, overall share usage, shareholder dilution and cost. It has generally been the Committee's practice to award long-term incentives in a combined package of approximately half stock options and half restricted stock or restricted stock units, based on the estimated economic value of awards on the date of grant. The weighting between stock options and restricted stock/restricted stock units allows Cullen/Frost to strike a balance between performance and retention and minimizes the impact to shareholder dilution.

Table of Contents

Stock Options

Stock options are utilized to align management and shareholder interests and to reward executives with shareholder value creation. Stock options were granted at \$54.56, the closing price on the date of grant, October 23, 2012. The options granted in 2012 vest 25% per year beginning on the first anniversary from the date of grant and have a life of ten years. Should the Named Executive Officer retire from the company the options would continue to become exercisable on the original vesting schedule, but the expiration date of the grant would become the earlier of the original expiration or five years from the date of retirement. The vesting schedule and life were strategically chosen to be competitive, enhance our retention efforts and help to manage shareholder dilution.

Restricted Stock/Restricted Stock Units

Historically, the Committee has granted shares of restricted stock to the Named Executive Officers. In 2010, the Committee made the decision to begin granting restricted stock units in place of restricted stock to those Named Executive Officers who are 60 years of age or older at the time of grant, because these awards vest on retirement on or after age 65. This decision was made to prevent premature taxation of restricted shares at age 65 and to better align executive management and shareholder interests. Shares of restricted stock continue to be granted to the Named Executive Officers under the age of 60.

Restricted Stock/Restricted Stock Units are granted to create an immediate link to shareholder interests, enhance ownership opportunities and maintain a stable executive team. The awards granted in 2012 vest 100% four years from the date of the grant. This vesting schedule is both competitive and consistent with our traditional practice.

Stock Ownership Guidelines

While the Committee believes a significant portion of Named Executive Officers' total compensation should be linked to Cullen/Frost's stock price, no specific weighting is targeted for long-term incentive pay as a percentage of total compensation.

In its October 2012 meeting, the Committee reviewed the competitiveness of the long-term incentive program for the Named Executive Officers. External market data was once again heavily influenced by the unique economic environment. In reviewing peer data, the Committee observed:

An overall increase in grant date fair value of long-term incentive awards within the financial services industry made in 2011 versus the prior awards, largely due to stock prices continuing to recover; and

Continued variability in the delivery of long-term incentives due to TARP related influences. These influences include both restrictions associated with current TARP participants, and those awards made by organizations upon exiting TARP that could be considered non-routine.

These combined factors resulted in continued variability in the delivery of long-term incentive awards and the associated values delivered as reflected in peer group data. The Committee strongly considered these external factors, along with internal factors such as equity, performance, share usage, dilution and cost to determine the 2012 long-term incentive grants.

In its review, the Committee observed that long-term incentive awards to all Named Executive Officers were in line with or above the 50th percentile of external market data and all were below the 75th percentile. The Committee determined that it was critical to continue to place a strong emphasis on future financial performance and increasing shareholder value, while offering a competitive total rewards package overall. In 2012, the Committee took into account the change in the market value of Company stock as compared to the prior year, along with the Committee's desire to maintain a similar award value, and in its discretion awarded long-term incentives to the Named Executive Officers of similar economic value to the prior year's grant. The desired mix of half stock options and half restricted stock/units, based on the estimated economic value of the awards at the time of grant was maintained. The actual awards granted in 2012 can be seen in the Summary Compensation Table and the Grants of Plan-Based Awards Table.

Table of Contents

Historically, the Committee has generally approved and granted long-term incentive awards to the Named Executive Officers and any other designated employees at the Fall meeting or at the hire date of new designated employees, as applicable. Cullen/Frost maintains no policy, whether official or unofficial, for timing the granting of stock options or other equity-based awards in advance of the release of material nonpublic information. Our practice has been to grant long-term incentive awards on the date of the Fall Committee meeting.

Benefits

Cullen/Frost provides a benefits package including health and welfare and retirement benefits to remain competitive with the market and to help meet the health and retirement security needs of our employees, including the Named Executives. The following table provides a brief summary of Cullen/Frost's retirement benefit programs:

Perquisites

Cullen/Frost uses perquisites for Named Executive Officers to provide a competitive offering and conveniences. Below is a brief summary of the perquisites provided and the rationale for their use:

Physical Examinations

In order to ensure the continued health of our executive team, the Named Executive Officers were given the opportunity to undergo a thorough physical examination with the physician of their choice with the cost to be underwritten by Cullen/Frost.

Personal Financial Planning Services

To ensure the continued financial stability of our executive team, and to help maximize the amount executives realize from our compensation programs, the Named Executive Officers were given the opportunity to engage a financial advisor of their choice to provide personal financial planning services with the cost to be underwritten by Cullen/Frost subject to a cap.

Home Security Services

To ensure the safety of our executive team, home security services are provided in certain instances.

Club Memberships

Club memberships are provided to all the Named Executive Officers to be used at their discretion for both personal and business purposes. This provides the Named Executive Officers with the ongoing opportunity to network with other community leaders.

Use of Jet Aircraft

Through a provider in the fractional aircraft industry, Cullen/Frost has acquired use of a jet aircraft. Use of this aircraft is provided to Mr. Evans and, at Mr. Evans' direction, to Mr. Green, in connection with his extensive business travel requirements. This service is afforded to Mr. Evans to reduce travel time and related disruptions and to provide additional security, thereby increasing his availability, efficiency, and productivity. Mr. Evans has been authorized to use a portion of the aircraft hours for non-business purposes, which should generally not exceed ten percent of the available hours annually. While Mr. Evans did use the jet aircraft for non-business purposes during 2012, his usage was well below the stated allowance, amounting to less than 1% of the available hours. Additionally, Mr. Evans, along with Mr. Green, incurred imputed income in connection with family members accompanying them on business related travel. Imputed income rates are determined using the Standard Industry Fare Level (SIFL).

Life Insurance

Group life insurance is provided to the Named Executive Officers with a death benefit equal to three times base salary earnings for the most recent year, not to exceed \$2,000,000. In addition, an Executive Life Insurance Policy is maintained for Mr. Evans with a death benefit of \$1,000,000. See the All Other Compensation Table for more detail.

We do not pay tax reimbursements on perquisites.

The aggregate perquisite value received by each Named Executive Officer can be seen in the All Other Compensation Table.

Table of Contents

Post-Termination Pay

Cullen/Frost has change-in-control agreements with all the Named Executive Officers as well as other key employees of the Company. The primary intent of these agreements is to:

help executives evaluate objectively whether a potential change in control is in the best interests of shareholders;

help protect against the departure of executives, thus assuring continuity of management, in the event of an actual or threatened merger or change in control; and

provide compensation and benefit protection following a change in control that is comparable to the protections available from competing employers.

Under the agreements, Mr. Evans, Mr. Green, Mr. Beck and Mr. Kardys could receive severance payments of three times base salary and target bonus, and Mr. Bracher could receive severance payments of two times base salary and target bonus, if their positions were terminated by Cullen/Frost within two years following a change in control, if the termination is for reasons other than Cause, death, disability or retirement.

Cause is generally defined in the agreements as an executive's (1) willful and continued failure to substantially perform his duties after delivery of a written demand for substantial performance; (2) willful engagement in conduct materially injurious to Cullen/Frost; or (3) conviction of a felony. The Committee established the change-in-control benefits at their current level to be competitive and to provide executives with a level of pay and benefits comparable to what they had immediately prior to a change in control.

Change in control is generally considered in the agreements to be:

an acquisition of beneficial ownership of 20% or more of Cullen/Frost Common Stock by an individual, corporation, partnership, group, association, or other person;

certain changes in the composition of a majority of the Board of Directors; or

certain other events involving a merger or consolidation of Cullen/Frost or a sale of substantially all of its assets.

Further, the change-in-control agreements provide that the Named Executive Officers would receive the severance payments described above if they terminate their employment for Good Reason within two years following a change-in-control. Good Reason is generally considered in the agreements as one or more of the following:

a significant change or reduction in the executive's responsibilities;

an involuntary transfer of the executive to a location that is 50 miles farther than the distance between the executive's current residence and Cullen/Frost's headquarters;

a significant reduction in the executive's current compensation;

the failure of any successor to Cullen/Frost to assume the executive's change-in-control agreement; or

any termination of the executive's employment that is not effected pursuant to a written notice which indicates the reasons for the termination.

The change-in-control agreements also provide for a continuation of the welfare benefits of health care, life and accidental death and dismemberment, and disability insurance coverage for three years for Mr. Evans, Mr. Green, Mr. Beck and Mr. Kardys and for two years for Mr. Bracher following termination of employment without Cause or for Good Reason, as well as a tax gross-up payment in an amount necessary to make the executive whole for any excise taxes paid as a result of the severance payments.

Under the change-in-control agreements, if the executive becomes entitled to the severance benefits described above, all stock options would become immediately exercisable and all the vesting restrictions would lapse on all outstanding restricted shares and restricted stock units.

Table of Contents

Under the change-in-control agreements, a change in control would have no impact on benefits available to Named Executive Officers under the frozen retirement and retirement restoration plans.

The Committee believes that the change-in-control agreements are consistent with our objective to remain competitive, as compared to the external marketplace, with our executive compensation program. The change-in-control agreements do not affect decisions to be made regarding other elements of compensation.

For detailed estimated payments upon a change in control, please see the Change-in-Control Payments Table.

There are no other severance policies or employment contracts in place for the Named Executive Officers. If any of the Named Executive Officers were to have their employment with Cullen/Frost severed, the Committee would make any post-termination pay determinations based on the individual situation(s).

Policy on 162(m)

Section 162(m) of the Internal Revenue Code generally limits the corporate tax deduction to \$1,000,000 in a taxable year for compensation paid to each covered employee of Cullen/Frost, which under Section 162(m), includes all the Named Executive Officers (other than our Chief Financial Officer), unless the compensation is performance based (within the meaning of Section 162(m)).

In order to preserve Cullen/Frost's tax deduction, the Committee approved the Cullen/Frost Bankers, Inc. Deferred Compensation Plan For Covered Employees. In the event that a covered employee's total compensation would exceed the amount deductible under Section 162(m), this plan allows the Committee, in its discretion, to defer cash components of the covered employee's compensation until the plan year after he or she ceases to be a covered employee or upon his or her death or disability. Currently, Mr. Evans is the only covered employee participating in the plan.

For 2012, non-deductible compensation for Mr. Evans totaled approximately \$22,000. As the only cash component of Mr. Evans' compensation subject to 162(m) is his base salary, the Committee did not in its discretion defer any of Mr. Evans' 2012 compensation.

Other Policies

Stock Ownership Guidelines

The Committee maintains a Stock Ownership Policy for Executive Officers and Directors. The guidelines approved by the Committee are:

Participant	Target Ownership Level
Chairman and Chief Executive Officer	Five times Base Salary
All Other Executive Officers	Three times Base Salary
Outside Directors	Five times Annual Cash Retainer

For purposes of determining stock ownership levels, the following forms of equity interests are included in stock ownership calculations:

Stock owned outright or under direct ownership control;

Unvested Restricted Stock and Unvested Restricted Stock Units;

Deferred Stock Units; and

Shares owned through Company retirement plans.

Table of Contents

Participants are given up to five years from the date of initial approval of this policy to reach the guideline. Any new participants are given five years from the date they become an eligible participant to reach the guideline. The policy was approved by the Committee in its Fall 2011 meeting.

Participants' actual ownership levels are compared to the stated guidelines by the Chairman of the Board and reviewed by the Committee annually.

Anti-Hedging Policy

In its October 2012 meeting, the Committee approved an Anti-Hedging Policy for Directors and Executives. The policy states that it is inappropriate for any Executive Officer or Director to enter into any financial transaction that reduces the monetary risk associated with owning Cullen/Frost stock.

Policy on Recovery of Awards

Cullen/Frost currently has no written policy with respect to recovery of awards when financial statements are restated. However, in the event of a restatement Cullen/Frost would recover any awards as required by applicable law.

Conclusion

We believe the 2012 Compensation Program was competitive from an external standpoint and equitable from an internal standpoint. In addition, we are satisfied that our objectives were met by the program. We fully anticipate continuing to administer an executive compensation program that is conservative, remaining consistent with our corporate philosophy.

2. All restricted stock awards and restricted stock units fully vest on the fourth anniversary of their grant date. In the case of the restricted stock awards, should the Named Executive Officer reach the age of 65, the unvested shares vest immediately to coincide with the tax liability associated with the awards. In the case of the restricted stock units and only the units, should the Named Executive Officer retire at or above the age of 65, the units will vest at the earlier of four years from the grant date or three years from the date of retirement. As discussed previously, beginning in 2010, Named Executive Officers having attained the age of 60 on or before the time of grant, are awarded Restricted Stock Units as opposed to Restricted Shares.

Table of Contents

1. This plan was frozen for new participants and benefit accrual for existing participants on December 31, 2001.
2. Because both the Retirement Plan and the Retirement Restoration Plan were frozen as of December 31, 2001, the number of years of credited service shown above for each Named Executive Officer is also as of that date. At the time these plans were frozen, Cullen/Frost adopted the defined contribution Profit Sharing Plan and the accompanying nonqualified Profit Sharing Restoration Plan.
3. See Note 11 to the Consolidated Financial Statements in Cullen/Frost's Annual Report on Form 10-K for the year ended December 31, 2012 for a discussion of the associated assumptions used in the calculation of the present value of the accumulated benefits.
4. Under the terms of the Retirement Plan, all of the Named Executive Officers are eligible for early retirement. Eligibility for early retirement is defined as age 55 or older with five years of service.

Profit Sharing Plan

On January 1, 2002, Cullen/Frost adopted a qualified profit sharing plan that replaced its defined benefit plan. The Profit Sharing Plan is a tax-qualified defined contribution retirement plan that covers all employees, including the Named Executive Officers, who have completed at least one year of service, are age 21 or older, and are otherwise eligible for benefits. All contributions to the plan are made at the discretion of the Chief Executive Officer based upon Cullen/Frost's fiscal year profitability, and are not formula driven. Contributions are allocated to eligible participants pro rata, based upon compensation, age and other factors. Historically, contributions, subject to IRS limits, have approximated 2% of eligible salaries, which is generally defined as base salary plus cash incentives plus percentage adjustments for certain age levels. In addition, for those employees who attained the age of 45 prior to January 1, 2002 and who were participants in the now frozen Retirement Plan, an additional contribution, subject to IRS limits, is made based on age and years of service. Plan participants self-direct the investment of allocated contributions by choosing from a menu of investment options. Account assets are subject to withdrawal restrictions and participants vest in their accounts after three years of service. There were no distributions made during 2012 to the Named Executive Officers from the Profit Sharing Plan.

Profit Sharing Restoration Plan

Cullen/Frost maintains a separate nonqualified profit sharing plan for certain employees whose participation in the tax-qualified Profit Sharing Plan is limited by IRS rules. Contributions to the Profit Sharing Restoration Plan are made using the same approach as contributions to the Profit Sharing Plan but for eligible compensation dollars earned in excess of IRS limits. Distributions under this plan are made at the same time and in the same form as under the Profit Sharing Plan. There were no distributions made during 2012 to the Named Executive Officers from the Profit Sharing Restoration Plan.

Retirement Plan

The tax-qualified Retirement Plan for Employees of Cullen/Frost Bankers, Inc. and its Affiliates (as amended and restated), is a defined benefit plan that was frozen on December 31, 2001. This frozen plan provides, subject to IRS limits, a monthly benefit based on a formula-driven percentage of an eligible employee's final average compensation, based on the highest three years of compensation in the last ten years of service prior to January 1, 2002, and years of credited service as of that date. Participants in this plan are fully vested in their accrued benefits upon attaining age 65 or after five years of service, whichever occurs first. Richard Kardys is the only Named Executive Officer who received payments under this plan and the accompanying Retirement Restoration Plan in 2012. Mr. Kardys commenced his benefits under this plan upon attaining the age of 65 during 2011.

Table of Contents

Retirement Restoration Plan

The nonqualified Restoration of Retirement Income Plan for Participants in the Retirement Plan for Employees of Cullen/Frost Bankers, Inc. and its Affiliates (as amended and restated), which was also frozen on December 31, 2001, exists to provide benefits comparable to the Retirement Plan for those named employees whose participation in the Retirement Plan is limited by IRS rules.

SERP

Cullen/Frost maintains a nonqualified Supplemental Executive Retirement Plan (SERP) to provide target retirement benefits, as a percentage of annual cash compensation, defined as base salary earnings plus bonus earnings, beginning at age 55 for Mr. Evans. The target percentage is 45% of annual cash compensation at age 55, increasing to 60% at age 60 and later. Benefits under the SERP are reduced dollar-for-dollar by benefits received under the Retirement Plan, the Retirement Restoration Plan, and any Social Security benefits. SERP benefits will also be reduced by the annuity equivalent of any account balance in the Profit Sharing Plan and the Profit Sharing Restoration Plan at retirement.

401(k) Plan

Cullen/Frost maintains a 401(k) plan (the 401(k) Plan) that permits each participant to make before- or after-tax contributions in an amount not less than 2% of eligible compensation and not exceeding 20% of eligible compensation and subject to dollar limits from IRS rules. Cullen/Frost matches 100% of the employee's contributions to the plan based on the amount of each participant's contributions up to a maximum of 6% of eligible compensation. Eligible employees must complete 90 days of service in order to enroll and vest in Cullen/Frost's matching contributions immediately. Cullen/Frost's matching contribution is initially invested in Cullen/Frost Common Stock. However, employees may immediately reallocate Cullen/Frost's matching portion, as well as invest their individual contribution in a variety of investment alternatives offered under the 401(k) Plan.

Thrift Incentive Plan

Cullen/Frost maintains a nonqualified thrift incentive plan for certain employees whose participation in the 401(k) Plan is limited by IRS rules as an alternative means of receiving comparable benefits. Cullen/Frost uses a similar approach to contributions to the Thrift Incentive Plan as used in the 401(k) Plan, matching 100% of the employee's contributions to the plan based on the amount of each participant's contributions up to a maximum of 6% of base salary only. Amounts are distributed to participants at the end of each calendar year.

Table of Contents***Nonqualified Deferred Compensation Plan***

In order to help preserve Cullen/Frost's tax deduction under Section 162(m) of the Internal Revenue Code, the Committee has approved a nonqualified Deferred Compensation Plan for the Chief Executive Officer and the next three highest paid executive officers, other than the Chief Financial Officer, of Cullen/Frost (the "Covered Employees"). This plan requires that certain components of the compensation of a Covered Employee that would exceed the deductible amount under Section 162(m) of \$1,000,000 be deferred until the plan year after he or she ceases to be a Covered Employee or until his or her death or disability. Interest is accrued for account balances in this plan at prime rate. Mr. Evans is the only Covered Employee participating in the plan. Payments made to Mr. Evans under the Bonus Plan for the Chief Executive Officer are excluded from the provisions of Section 162(m). Therefore, during 2012, there were no deferrals made on Mr. Evans' behalf. Details regarding Mr. Evans' participation in the plan are set forth in the following table:

Potential Payments on Termination

As discussed previously in the Compensation Discussion and Analysis section of this proxy, under the existing change-in-control agreements, each Named Executive Officer could receive severance payments representing a multiple of base salary and target bonus plus a prorated bonus payment if his position were terminated by Cullen/Frost without Cause or by the Named Executive Officer for Good Reason within two years following a change in control. Multiples are shown below:

Richard W. Evans, Jr.	Three Times
Phillip D. Green	Three Times
David W. Beck, Jr.	Three Times
Richard Kardys	Three Times
Paul Bracher	Two Times

The severance payment would be made in a lump sum. In addition, the plan calls for a continuation of welfare benefits for three years, and two years in the case of Mr. Bracher, as discussed previously in the Compensation Discussion and Analysis. Where applicable, any potential payments under the change-in-control agreements would be made in compliance with Section 409A of the Internal Revenue Code, which may require certain payments made on separation of service to be deferred for six months. The existing agreements also provide for a tax gross-up payment in an amount necessary to make the executive whole for any excise taxes paid as a result of the severance payments and benefits and any accelerated vesting of equity-based awards in connection with a change in control. As shown in the table below, as of December 31, 2012, there would have been no excise tax or related tax gross-up payment made had there been a change in control.

There are no other severance policies or employment contracts in place for the Named Executive Officers and, generally, vesting of unvested stock options and restricted stock/restricted stock unit awards will not

Table of Contents

accelerate upon termination other than in the event of a change in control or in certain circumstances following retirement of the Named Executive Officer after attaining the age of 65.

For calculation purposes the change in control and termination of employment are assumed to have occurred on December 31, 2012, the last business day of the year. The closing price of the stock on December 31, 2012, \$54.27, was used to calculate the value of the Unvested Stock Option Spread and the value of the Unvested Restricted Stock Awards and Unvested Restricted Stock Units.

In the event of retirement of a Named Executive Officer, potential payments would consist of:

Stock Options that would continue to vest on their original schedule;

Restricted Stock Units that would vest on the sooner of their original schedule of four years from grant date or three years from date of retirement;

Any retirement benefits commenced by the Named Executive Officer under the

Retirement Plan for Employees of Cullen/Frost Bankers, Inc. and its Affiliates;

Restoration of Retirement Income Plan for Participants in the Retirement Plan for Employees of Cullen/Frost Bankers, Inc and its Affiliates;

Profit Sharing Plan;

Profit Sharing Restoration Plan; and

Supplemental Executive Retirement Plan (applies only to Mr. Evans)

For more detail concerning these potential payments at the time of retirement, see the 2012 Grants of Plan-Based Awards Table, the Holdings of Previously Awarded Equity Table, and the 2012 Post-Employment Benefits discussion above.

1. The amounts shown above as cash for Mr. Evans, Mr. Green, Mr. Beck and Mr. Kardys represent the base salary and target bonus multiplied by three plus the prorated target bonus. The amount shown above as cash for Mr. Bracher represents the base salary and target bonus multiplied by two plus the prorated target bonus.
2. The amounts shown above represent the difference between the grant price and the closing market price on December 31, 2012 on the unvested shares of stock options along with the value of all unvested restricted shares/units as of December 31, 2012 using the closing market price on December 31, 2012 of \$54.27.
3. The amounts shown above represent the value of personal benefits as well as health and welfare benefits multiplied by three times for Mr. Evans, Mr. Green, Mr. Beck and Mr. Kardys, and multiplied by two times for Mr. Bracher.
4. Based on the assumptions described above, none of the payments and benefits that would have been payable to the Named Executive Officers under the change-in-control agreements or other plans would have exceeded the Internal Revenue Code Section 280G safeharbor limit. As a result, the payments and benefits

described above would not have been subject to an excise tax under Internal Revenue Code Section 4999. Accordingly, no excise tax gross-up payments would have been payable under the change-in-control agreements.

5. As discussed in the preceding narrative, all elements of severance pay and benefits available to the Named Executive Officers under the change-in-control agreements are attributable to double trigger arrangements with the exception of equity awards, which would experience accelerated vesting due to the single trigger of a change-in-control.

CERTAIN TRANSACTIONS AND RELATIONSHIPS

Some of the Directors and executive officers of Cullen/Frost, and some of their associates, are current or past customers of one or more of Cullen/Frost's subsidiaries. Since January 1, 2012, certain transactions, including borrowings, between these persons and such subsidiaries have occurred. In particular, the offices of the Hulen Financial Center of Frost Bank in Fort Worth, Texas are leased on a long-term basis from 4200 S. Hulen Partners, L.P. of which Mr. R. Denny Alexander, a Director of Cullen/Frost, owns a 13.3% interest and is the managing general partner. These offices were the headquarters of Overton Bancshares, Inc., which Cullen/Frost acquired in 1998. Cullen/Frost assumed this lease in the acquisition and has maintained it since. During 2012, lease payments of \$901,632 were made by Frost Bank and Frost Insurance Agency, Inc. to 4200 S. Hulen Partners, L.P. The lease payments payable in the future through the end of lease term are \$3,114,470. Also, the offices of the North Hulen Motor Bank of Frost Bank in Fort Worth, Texas are leased on a long-term basis from Edwards Geren Limited, a Texas limited partnership, of which Mr. Crawford H. Edwards, a Director of Cullen/Frost, is a partner and general manager with a 0.593% interest. During 2012, lease payments of \$34,100.00 were made by Frost Bank to Edwards Geren Limited. The lease payments payable in the future through the end of lease term are \$246,617. Additionally, two siblings of Patrick B. Frost serve in non-executive positions of Frost Bank and received cash

compensation in 2012 in an aggregate amount of approximately \$526,000. In addition, they received stock option grants with an aggregate grant date fair value of approximately \$125,000. The compensation of Mr. Frost's siblings is in accordance with the company's employment and compensation practices applicable to employees with equivalent qualifications and responsibilities and holding similar positions. Mr. Frost does not have a material interest in the employment relationships of his siblings nor do any

of them share a household with Mr. Frost. In the opinion of management, all of the foregoing transactions, including borrowings, have been in the ordinary course of business, have had substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to the lender, and did not involve more than the normal risk of collectability or present other unfavorable features. Additional transactions may take place in the future.

Policies and Procedures for Review, Approval or Ratification of Related Person Transactions

The Board of Directors has adopted a written related-party transaction policy. Cullen/Frost regularly monitors its business dealings and those of its Directors and executive officers to determine whether any existing or proposed transactions would constitute a related-party transaction requiring approval under this policy. In addition, our Code of Business Conduct and Ethics requires Directors and executive officers to notify Cullen/Frost of any relationships or transactions that may present a conflict of interest, including those involving family members. Our Directors and executive officers are also required to complete a questionnaire on an annual basis designed to elicit information regarding any such related-party transactions.

When Cullen/Frost becomes aware of a proposed or existing transaction with a related party, Cullen/Frost's Corporate Counsel/Corporate Secretary, in consultation with management and external counsel, as appropriate, determines whether the transaction would constitute a related-party transaction requiring approval under this policy. If such a determination is made, management and Cullen/Frost's Corporate Counsel/Corporate Secretary, in consultation with external counsel, determine whether, in their view, the transaction should be permitted, whether it should be modified to avoid any potential conflict of interest, whether it should be terminated, or whether some other action should be taken. Such action is then referred to Cullen/Frost's Corporate Governance and Nominating Committee at its next meeting (or earlier, if appropriate), for review and final determination as it deems appropriate.

In determining whether to approve a related-party transaction, the Corporate Governance and Nominating Committee will consider, among other factors, the following:

whether the terms of the transaction are fair to Cullen/Frost and on the same basis as would apply if the transaction did not involve a related party;

whether there are business reasons for Cullen/Frost to enter into the transaction;

whether the transaction would impair the independence of an outside director; and

whether the transaction would present an improper conflict of interest for any related party of Cullen/Frost, taking into account the size of the transaction, the overall financial position of the related party, the direct or indirect nature of the related party's interest in the transaction, and the ongoing nature of any proposed relationship.

Any member of the Corporate Governance and Nominating Committee who has an interest in the transaction under discussion will abstain from voting on the approval of the transaction, but may, if so requested by the Chairperson of the Committee, participate in some or all of the Committee's discussions of the transaction.

APPROVAL OF THE 2005 OMNIBUS INCENTIVE PLAN

AS AMENDED AND RESTATED

(Item 2 On Proxy Card)

Edgar Filing: CULLEN/FROST BANKERS, INC. - Form DEF 14A

In 2005, the shareholders approved the establishment of the Cullen/Frost's 2005 Omnibus Incentive Plan (the Plan). The Plan is summarized below. The complete text of the Plan, restated as amended to date and giving effect to the further amendment described below (the Amendment), is attached as Annex A. The purpose of the Plan is to enable the Company and its subsidiaries and affiliates to retain and motivate key employees, and to encourage stock ownership by such key employees, by providing them with a means to acquire and increase their proprietary interest in the success of the Company.

Table of Contents

The Board of Directors believes that the Plan is a key element of the Company's executive compensation program intended to align management and shareholder interests, ensure future performance of Cullen/Frost, enhance ownership opportunities, and to increase shareholder value. In order to ensure that there will be sufficient shares available for grant under the Plan, the Board of Directors has unanimously approved, subject to shareholder approval, the Amendment. The Amendment is summarized below. The Amendment is reflected in the amended and restated Plan attached as Annex A.

The Plan permits grants of incentive stock options (ISOs), nonqualified stock options (NQSOs), stock appreciation rights (SARs), restricted stock, restricted stock units, performance shares, performance units, cash-based awards, other stock-based awards and substitute awards.

In general, the Plan permits certain awards to be considered qualifying performance-based compensation under Section 162(m) of the Internal Revenue Code. Section 162(m) limits the deductibility of remuneration in excess of \$1,000,000 paid by a public corporation to certain covered employees unless it is qualifying performance-based compensation. Under regulations promulgated pursuant to Section 162(m), at least three conditions must be satisfied in order for compensation to qualify as performance-based: (i) the compensation must be payable on account of the attainment of one or more pre-established, objective performance goals, (ii) the material terms of the compensation and the performance goals must be disclosed to and approved by shareholders before payment and (iii) a committee of the board of directors that is comprised solely of two or more outside directors must certify that the performance goals have been satisfied before payment. By approving the Plan, Cullen/Frost shareholders will be approving, among other things, the performance goals and the material terms of the Plan, as amended. Notwithstanding the adoption of the Plan and its submission to shareholders, the Company reserves the right to pay its employees, including participants in the Plan, other amounts which may or may not be deductible under Section 162(m) or other provisions of the Internal Revenue Code.

Performance goals may vary from participant to participant, group to group and period to period. The performance goals for awards granted under the Plan that are intended to constitute qualified performance-based compensation will be based upon one or more of the following:

net earnings or net income (before or after taxes);

earnings per share;

net sales or revenue growth;

net operating profit;

return measures (including but not limited to return on assets, capital, invested capital, equity, sales or revenue);

cash flow (including but not limited to operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment);

earnings before or after taxes, interest, depreciation, and/or amortization;

gross or operating margins;

productivity ratios;

share price (including but not limited to growth measures and total shareholder return);

expense targets;

margins;

operating efficiency;

market share;

Table of Contents

customer satisfaction;

working capital targets;

economic value added or EVA[®] (net operating profit after tax minus the sum of capital multiplied by the cost of capital); and

performance against budget.

The Compensation and Benefits Committee will determine whether the performance targets or goals that have been chosen for a particular performance award have been met. The Compensation and Benefits Committee may provide in an award that any evaluation of performance may include or exclude any of the following events that occur during the applicable performance period:

asset write-downs;

litigation, claims, judgments or settlements;

the effect of changes in tax laws, accounting principles or other laws or provisions affecting reporting results;

reorganization and restructuring programs;

extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in Management's Discussion and Analysis of Financial Condition and Results of Operations appearing in the Company's annual report to shareholders for the applicable year;

acquisitions or divestitures; and

foreign exchange gains and losses.

Awards that are designed to qualify as performance-based compensation may not be adjusted upward. However, the Compensation and Benefits Committee has the discretion to adjust such awards downward. In addition, the Compensation and Benefits Committee has the discretion to make awards that do not qualify as performance-based compensation.

SUMMARY DESCRIPTION OF THE AMENDMENT TO THE 2005 OMNIBUS INCENTIVE PLAN

Increase in Share Authorization

Edgar Filing: CULLEN/FROST BANKERS, INC. - Form DEF 14A

The Plan currently authorizes 7,310,725 shares of the Company's Common Stock for issuance, of which 706,340 remain available for grant. Of the shares authorized, no more than 489,000 of such shares may be granted pursuant to full value awards, which are awards settled in shares other than ISOs, NQSOs and SARs, and 41,970 of such shares remain available for grant. In addition, the Plan limits the number of shares that may be granted pursuant to ISOs to 7,310,725 shares, of which 706,340 shares remain available for grant. In order to ensure that there will be sufficient shares for grant under the Plan in future years, the Amendment increases the total number of shares authorized for issuance by 2,293,660 shares, of which 300,000 shares may be granted pursuant to full value awards. Of the 9,604,385 shares authorized under the Plan pursuant to the Amendment, no more than 789,000 shares may be granted pursuant to full value awards, and no more than 9,604,385 shares may be granted pursuant to ISOs.

SUMMARY DESCRIPTION OF THE EXISTING 2005 OMNIBUS INCENTIVE PLAN

Administration of the Plan

The Compensation and Benefits Committee of the Board is responsible for administering the Plan and has the discretionary power to:

interpret the terms and intent of the Plan and any Plan-related documentation;

determine eligibility for awards and the terms and conditions of awards; and

adopt Plan-related rules, regulations, forms, instruments, and guidelines.

Determinations of the Compensation and Benefits Committee made under the Plan are final and binding. The Compensation and Benefits Committee may delegate its administrative duties and powers under the Plan to one or more of its members or to one or more officers, agents or advisors of the Company and its subsidiaries and affiliates. The Committee may also delegate to one or more officers the power to designate other employees (other than executive officers) to be recipients of awards.

Eligibility and Participation

Employees of the Company and its subsidiaries and affiliates who are selected by the Compensation and Benefits Committee will be eligible to participate in the Plan. There are currently approximately 300 eligible employees.

Shares Available for Awards

The maximum number of shares currently authorized under the Plan is 7,310,725 shares of the Company's Common Stock. Of the shares available, no more than 489,000 of such shares may be granted pursuant to full value awards, which are awards settled in shares other than ISOs, NQSOs and SARs. These amounts would be increased pursuant to the Amendment, as described under Summary Description of the Amendment to the 2005 Omnibus Incentive Plan, above.

Shares covered by an award are counted against the shares available under the Plan only to the extent that such shares are issued. However, the full number of SARs granted that are to be settled by the issuance of shares are counted against the shares available under the Plan, regardless of the number of shares actually issued upon the settlement of such SARs. Shares related to awards that are (i) terminated by expiration, forfeiture, cancellation or otherwise without the issuance of such shares, (ii) settled for cash in lieu of shares or (iii) exchanged with the Compensation and Benefits Committee's permission, prior to the issuance of shares, for awards not involving shares, will, in each case, be available again for grant under the Plan.

Limits on Awards

The Plan imposes annual per-participant award limits, as follows:

The maximum number of shares of Company Common Stock subject to stock options that may be granted to a participant in a calendar year is 400,000 plus the participant's unused limit for stock options as of the end of the prior year. (If the participant did not receive any stock options in the prior year, the maximum number of shares of Company Common Stock subject to stock options that may be granted to a participant in the current calendar year is 800,000.)

The maximum number of shares of Company Common Stock subject to SARs that may be granted to a participant in a calendar year is 400,000 plus the participant's unused limit for SARs as of the end of the prior year. (If the participant did not receive any SARs in the prior year, the maximum number of shares of Company Common Stock subject to SARs that may be granted to a participant in the current calendar year is 800,000.)

Table of Contents

The maximum number of shares of restricted stock or restricted stock units that may be granted to a participant in a calendar year is 150,000 plus the participant's unused limit for restricted stock or restricted stock units as of the end of the prior year. (If the participant did not receive any restricted stock or restricted stock units in the prior year, the maximum number of restricted stock or restricted stock units that may be granted to a participant in the current calendar year is 300,000.)

The maximum number of performance shares or performance units that may be granted to a participant in a calendar year is 150,000 shares or the value of 150,000 shares determined as of the date of vesting or payout, as applicable, plus the participant's unused limit for performance shares or performance units as of the end of the prior year. (If the participant did not receive any performance shares or performance units in the prior year, the maximum number of performance shares or performance units or the value of shares determined as of the date of vesting or payout, as applicable, that may be granted to a participant in the current calendar year is 300,000.)

The maximum amount of cash-based awards that may be granted to a participant in a calendar year is \$2,000,000 plus the participant's unused limit for cash-based awards as of the end of the prior year. (If the participant did not receive any cash-based awards in the prior year, the maximum amount of cash-based awards that may be granted to a participant in the current calendar year is \$4,000,000.)

The maximum number of shares of Company Common Stock subject to other stock-based awards that may be granted to a participant in a calendar year is 150,000 plus the participant's unused limit for other stock-based awards as of the end of the prior year. (If the participant did not receive any shares of Common Stock subject to other stock-based awards in the prior year, the maximum number of shares of Common Stock subject to other stock-based awards that may be granted to a participant in the current calendar year is 300,000.)

The number and kind of shares that may be issued, the number and kind of shares subject to outstanding awards, the option price or grant price applicable to outstanding awards, the annual per-participant award limits, and other value determinations are subject to adjustment by the Compensation and Benefits Committee to reflect stock dividends, stock splits, reverse stock splits, and other corporate events or transactions, other than normal cash dividends.

Types of Awards

Under the Plan, the Compensation and Benefits Committee may grant various types of awards. A description of each of the types of awards is set forth below.

Stock Options

The Plan permits the Compensation and Benefits Committee to grant options to purchase the Company's Common Stock. Stock options can be both ISOs and NQSOs. The exercise price for stock options cannot be less than the fair market value of the Company's Common Stock on the date of grant. Fair market value under the Plan may be determined by reference to market prices on a particular trading day or on an average of trading days. The exercise price may be paid with cash or its equivalent or, subject to the sole discretion of the Compensation and Benefits Committee, with previously acquired shares of Company Common Stock, by means of a broker-assisted exercise or by other means approved by the Compensation and Benefits Committee. The expiration date for stock options cannot be later than the tenth anniversary of the date of grant.

Stock Appreciation Rights

The Compensation and Benefits Committee may grant SARs under the Plan, either alone or in tandem, with stock options. The grant price of a SAR cannot be less than the fair market value of the Company's Common

Table of Contents

Stock on the date of grant. The grant price of a SAR granted in tandem with a stock option will be the same as the exercise price of the tandem option. SARs cannot be exercised later than the tenth anniversary of the date of grant.

Freestanding SARs may be exercised on such terms as the Compensation and Benefits Committee determines, and tandem SARs may be exercised by relinquishing the related portion of the tandem option. Upon exercise of a SAR, the holder will receive shares of Company Common Stock that are equal in value to the difference between the fair market value of the Company Common Stock subject to the SAR, determined as described above, and the grant price.

Restricted Stock and Restricted Stock Units

Under the Plan, the Compensation and Benefits Committee may award shares of restricted stock and restricted stock units. Restricted stock awards consist of shares of Company Common Stock that are transferred to the participant subject to restrictions that may result in forfeiture if specified conditions are not satisfied. Restricted stock units are awards that result in a transfer of shares of Company Common Stock, cash or a combination thereof to the participant only after specified conditions are satisfied. A holder of restricted stock is treated as a current shareholder of the Company and is entitled to dividend and voting rights, whereas a holder of restricted stock units is treated as a shareholder only to the extent that shares of Company Common Stock are delivered in the future. The Compensation and Benefits Committee will determine the restrictions and conditions applicable to each award of restricted stock or restricted stock units.

Performance Shares and Performance Units

The Compensation and Benefits Committee may grant performance shares and performance units under the Plan. Performance shares will have an initial value that is based on the fair market value of the Company's Common Stock on the date of grant. Performance units will have an initial value that is determined by the Compensation and Benefits Committee. Generally, performance shares and performance units may be paid in the form of shares of Company Common Stock, cash or a combination thereof, as determined by the Compensation and Benefits Committee.

Performance shares and performance units will be earned only if performance goals are met over performance periods established by or under the direction of the Compensation and Benefits Committee. The performance goals may vary from participant to participant, group to group and period to period.

Cash-Based Awards

The Plan permits the Compensation and Benefits Committee to grant cash-based awards. The terms and conditions of the awards, including whether vesting is dependent upon the achievement of specific performance goals, will be determined by the Compensation and Benefits Committee. Payment under any cash-based award will be made in Company Common Stock or cash, as determined by the Compensation and Benefits Committee.

Other Stock-Based Awards

Under the Plan, the Compensation and Benefits Committee may grant equity-based or equity-related awards, referred to as other stock-based awards, other than stock options, SARs, restricted stock, restricted stock units or performance shares. The terms and conditions of each other stock-based award will be determined by the Compensation and Benefits Committee. Payment under any other stock-based awards will be made in Company Common Stock or cash, as determined by the Compensation and Benefits Committee.

Table of Contents

Substitute Awards

If the Company or a subsidiary acquires or combines with another company, the Compensation and Benefits Committee may grant substitute awards in assumption of, or in substitution or exchange for, awards previously granted, or the right or obligation to make future awards. The terms and conditions of each substitute award will be determined by the Compensation and Benefits Committee. Payment under any substitute award will be made in Company Common Stock or cash, as determined by the Compensation and Benefits Committee.

Transferability and Other Terms of Awards

The Plan provides that neither ISOs nor, except as the Compensation and Benefits Committee otherwise expressly determines, other awards may be transferred other than by will or by the laws of descent and distribution. During a participant's lifetime, an ISO and, except as the Compensation and Benefits Committee may determine, other nontransferable awards requiring exercise, may be exercised only by the recipient.

If provided in an award agreement, a participant's rights to an award may be subject to the participant agreeing not to compete with the Company or its subsidiaries or affiliates, and not to solicit the business or employees of the Company or its subsidiaries or affiliates. In addition, participants may be subject to nondisclosure and nondisparagement requirements. A breach of these restrictions may result in cancellation of awards or the recovery by the Company of gain realized under awards.

To comply with applicable law in other countries in which the Company and its subsidiaries and affiliates operate or may operate or have employees, the Compensation and Benefits Committee may modify the terms of awards made to such participants or establish a subplan for such participants.

Amendment of Awards or Plan

The Compensation and Benefits Committee may at any time alter, amend, modify, suspend, or terminate an outstanding award or the Plan in whole or in part. No amendment of an outstanding award may adversely affect the rights of a participant under the award without his or her consent, unless specifically provided for in the Plan. No amendment of the Plan will be made without shareholder approval if shareholder approval is required by applicable law.

Termination of Employment

The Compensation and Benefits Committee will determine how each award will be treated following termination of the participant's employment with or service for the Company, including the extent to which unvested portions of the award will be forfeited and the extent to which options, SARs, or other awards requiring exercise will remain exercisable.

Change of Control of the Company

If there is a change of control of the Company, then, at the time of such change of control, all awards whose exercisability is based on satisfaction of a service obligation will vest and become fully exercisable, and any other equity awards will be treated as determined by the Compensation and Benefits Committee in connection with the grant of such awards.

Furthermore, unless a replacement award is provided to a participant to replace an award upon a change of control, the Compensation and Benefits Committee may determine that any or all outstanding awards granted under the Plan, whether or not then-exercisable, will be cancelled and terminated, and that the participant holding such cancelled or terminated award will receive a cash payment (or shares, other securities or a combination of cash, shares and other securities equivalent to such cash payment) equal to the difference, if any, between the

Table of Contents

consideration received by shareholders of the Company in respect of a share of Company Common Stock in connection with such transaction and the purchase price per share, if any, under the award multiplied by the number of shares of Company Common Stock subject to the award. However, if such product is zero or less or to the extent that the award is not then exercisable, the award will be cancelled and terminated without any payment. Alternatively, the Compensation and Benefits Committee may provide that the period to exercise stock options or SARs granted under the Plan will be extended, but not beyond the expiration date of such stock options or SARs.

An award qualifies as a replacement award if it meets all the following conditions:

it has a value at least equal to the value of the replaced award as determined by the Compensation and Benefits Committee in its sole discretion;

it relates to publicly traded equity securities of the Company or its successor following the change of control or another entity that is affiliated with the Company or its successor following the change of control; and

its other terms and conditions are not less favorable to the participant than the terms and conditions of the replaced award.

A replacement award may take the form of a continuation of the replaced award if the requirements listed above are met. The Compensation and Benefits Committee, as constituted immediately before the change of control, in its sole discretion, will determine whether the requirements for a replacement award are satisfied.

Under the Plan, a change of control may be triggered if:

a person becomes the beneficial owner of 20% or more of the Company's then-outstanding securities eligible to vote for the election of the Board of Directors;

a merger, consolidation or sale of the Company or one of its subsidiaries that requires approval of the Company's shareholders is consummated, unless, immediately following such transaction, (1) the Company's shareholders own more than 60% of the surviving corporation's securities eligible to elect the directors of the surviving corporation, (2) no person beneficially owns 20% or more of the surviving corporation's securities eligible to elect the directors of the surviving corporation and (3) at least 50% of the directors of the surviving corporation were members of the Board of Directors of the Company prior to the transaction;

during a period of two consecutive years, Directors serving on the Board of Directors of the Company at the beginning of such period cease to constitute a majority of the Board; or

a liquidation, dissolution or sale of all or substantially all of the Company's assets is approved.

Certain Federal Income Tax Consequences

Set forth below is a summary of certain federal income tax consequences of the issuance and receipt of stock options under the Plan under the law as in effect on the date of this Proxy Statement. The summary does not purport to cover all federal employment tax or other federal tax consequences that may be associated with the Plan, nor does it cover state, local, or non-U.S. taxes.

Incentive Stock Options

A participant will not be subject to tax upon the grant of an ISO or upon the exercise of an ISO. However, the excess of the fair market value of the shares of Company Common Stock on the date of exercise over the exercise price paid will be included in a participant's alternative minimum taxable income. Whether a participant

Table of Contents

is subject to the alternative minimum tax will depend on the participant's particular circumstances. The participant's basis in the shares received will be equal to the exercise price paid, and the participant's holding period in the shares will begin on the day following the date of exercise.

If a participant disposes of the shares of Company Common Stock on or after the later of (1) the second anniversary of the grant date of the ISO and (2) the first anniversary of the exercise date of the ISO (the statutory holding period), the participant will recognize capital gain or loss in an amount equal to the difference between the amount realized on such disposition and the participant's basis in the shares. If a participant disposes of the shares before the end of the statutory holding period, the participant will have engaged in a disqualifying disposition. As a result, the participant will be subject to tax:

on the excess of the fair market value of the shares on the exercise date (or the amount realized on the disqualifying disposition, if less) over the exercise price paid, as ordinary income; and

on the excess, if any, of the amount realized on the disqualifying disposition over the fair market value of the shares on the exercise date, as capital gain.

If the amount a participant realizes from a disqualifying disposition is less than the exercise price paid (*i.e.*, the participant's basis) and the loss sustained upon such disposition would otherwise be recognized, a participant will not recognize any ordinary income from such disqualifying disposition and instead the participant will recognize a capital loss. In the event of a disqualifying disposition, the Company or one of its subsidiaries can generally deduct the amount recognized as ordinary income by the participant.

The current position of the Internal Revenue Service is that income tax withholding and FICA and FUTA taxes (employment taxes) do not apply upon the exercise of an ISO or upon any subsequent disposition, including a disqualifying disposition, of shares acquired pursuant to the exercise of the ISO.

Nonqualified Stock Options

A participant will not be subject to tax upon the grant of an NQSO. Upon exercise of an NQSO, an amount equal to the excess of the fair market value of the shares of Company Common Stock acquired on the exercise date over the exercise price paid is taxable to the participant as ordinary income, and such amount is generally deductible by the Company or one of its subsidiaries. This amount of income will be subject to income tax withholding and employment taxes. The participant's basis in the shares of Company Common Stock received will equal the fair market value of the shares on the exercise date, and the participant's holding period in such shares will begin.

Stock Appreciation Rights

A participant will not be subject to tax upon the grant of a SAR. Upon exercise of a SAR, an amount equal to the cash or the fair market value (measured on the date of exercise) of the shares of Company Common Stock received will be taxable to the participant as ordinary income, and such amount generally will be deductible by the Company or one of its subsidiaries. This amount of income will be subject to income tax withholding and employment taxes.

Restricted Stock and Performance Shares

A participant will not be subject to tax upon receipt of an award of restricted stock or performance shares subject to forfeiture conditions and transfer restrictions (the restrictions) under the Plan unless the participant makes the election referred to below. Upon lapse of the restrictions, the participant will recognize ordinary income equal to the fair market value of the shares of Company Common Stock on the date of lapse, and such income will be subject to income tax withholding and employment taxes. The participant's basis in the shares of

Table of Contents

Company Common Stock received will be equal to the fair market value of the shares of Company Common Stock on the date the restrictions lapse, and the participant's holding period in such shares of Company Common Stock begins on the day after the restrictions lapse. If any dividends are paid on such shares of Company Common Stock prior to the lapse of the restrictions they will be includible in the participant's income during the restricted period as additional compensation (and not as dividend income) and will be subject to income tax withholding and employment taxes.

If permitted by the applicable award agreement and the Plan, a participant may elect, within thirty days after the date of the grant of the restricted stock, to recognize immediately (as ordinary income) the fair market value of the shares of Company Common Stock awarded, determined on the date of grant (without regard to the restrictions). Such income will be subject to income tax withholding and employment taxes at such time. This election is made pursuant to Section 83(b) of the Code and the regulations thereunder. If the participant makes this election, the participant's holding period will begin the day after the date of grant, dividends paid on the shares of Company Common Stock will be subject to the normal rules regarding distributions on stock, and no additional income will be recognized by the participant upon the lapse of the restrictions. However, if the participant forfeits the restricted Shares before the restrictions lapse, no deduction or capital loss will be available to the participant (even though the participant previously recognized income with respect to such forfeited Shares).

In the taxable year in which the participant recognizes ordinary income on account of shares of Company Common Stock awarded, the Company or one of its subsidiaries generally will be entitled to a deduction equal to the amount of income recognized by the participant. In the event that the restricted shares of Company Common Stock are forfeited by the participant after having made the Section 83(b) election referred to above, the Company or one of its subsidiaries generally will include in its income the amount of its original deduction.

Restricted Stock Units and Performance Units

A participant will not be subject to tax upon the grant of a restricted stock unit or performance unit. Upon vesting of the restricted stock unit or performance unit, the fair market value of the shares of Company Common Stock covered by the award on the vesting date will be subject to employment taxes. Upon distribution of the cash or shares of Company Common Stock underlying the restricted stock units or performance units, the participant will recognize as ordinary income an amount equal to the fair market value (measured on the distribution date) of the shares of Company Common Stock received, and such amount will generally be deductible by the Company or one of its subsidiaries. This amount of income will generally be subject to income tax withholding on the date of distribution. The participant's basis in any shares of Company Common Stock received will be equal to the fair market value of the shares of Company Common Stock on the date of distribution, and the participant's holding period in such shares of Company Common Stock will begin on the day following the date of distribution. If any dividend equivalent amounts are paid to a participant, they will be includible in the participant's income as additional compensation (and not as dividend income) and will be subject to income and employment tax withholding.

Other Federal Income Tax Consequences

In general, under Section 162(m) of the Internal Revenue Code, remuneration paid by a public corporation to its chief executive officer or any of its other top four named executive officers, ranked by pay, is not deductible to the extent it exceeds \$1,000,000 for any year. Taxable payments or benefits under the Plan may be subject to this deduction limit. However, under Section 162(m), qualifying performance-based compensation, including income from stock options and other performance-based awards that are made under shareholder approved plans and that meet certain other requirements, is exempt from the deduction limitation. The Plan has been designed so that the Compensation and Benefits Committee in its discretion may grant qualifying exempt performance-based awards under the Plan.

Table of Contents

Under the so-called "golden parachute" provisions of the Internal Revenue Code, the accelerated vesting of stock options and benefits paid under other awards in connection with a change of control of a corporation may be required to be valued and taken into account in determining whether participants have received compensatory payments, contingent on the change of control, in excess of certain limits. If these limits are exceeded, a portion of the amounts payable to the participant may be subject to an additional 20% federal tax and may be nondeductible to the corporation.

If any award granted under the Plan is considered deferred compensation under Section 409A of the Internal Revenue Code, then certain requirements must be met to have the deferral be effective for federal tax purposes. These requirements include:

time periods for making the election to defer;

limitations on distributions; and

a prohibition on accelerating the time or schedule of any payment of deferred amounts except in circumstances permitted by the United States Department of the Treasury.

If the requirements set forth above are not met, a participant will immediately be taxed on such purportedly deferred amounts, a penalty of 20% of such amounts deferred after December 31, 2004 will be imposed, and penalty interest will accrue at the underpayment rate plus one percent.

New Plan Benefits

The benefits or amounts under the amended Plan that will be received by or allocated to the Company's CEO, other named executive officers and employees who are not executive officers are discretionary and, accordingly, are not presently determinable. If the Amendment had been in effect in 2012, the benefits or amounts received by or allocated to such persons would have been identical to the benefits or amounts actually received by or allocated to such persons under the Plan, as set forth in the table below.

SELECTION OF AUDITORS**(Item 3 On Proxy Card)**

The Board of Directors recommends that the shareholders of Cullen/Frost ratify the selection of Ernst & Young LLP, certified public accountants, as independent auditors of Cullen/Frost. Ernst & Young LLP have audited the financial statements of Cullen/Frost since 1969.

Neither Cullen/Frost's Articles of Incorporation nor its Bylaws require that the shareholders ratify the selection of Ernst & Young LLP as its independent auditors. Cullen/Frost is doing so because it believes it is a matter of good corporate practice. Should the shareholders not ratify the selection, the Audit Committee will reconsider its determination to retain Ernst & Young LLP, but may elect to continue to retain Ernst & Young LLP. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that the change would be in the best interests of Cullen/Frost and its shareholders.

The following table provides information on fees incurred by Cullen/Frost to Ernst & Young LLP.

The Audit Committee pre-approves each audit and non-audit service provided to Cullen/Frost by Ernst & Young LLP. Pursuant to the Audit Committee's charter, the Audit Committee has delegated to each of its members the authority to pre-approve any audit or non-audit service to be performed by the independent auditors, provided that any such approvals are presented to the Audit Committee at its next scheduled meeting.

Representatives from Ernst & Young LLP are not expected to be present at the Annual Meeting. If any shareholder desires to ask Ernst & Young LLP a question, management will ensure that the question is sent to Ernst & Young LLP and that an appropriate response is made directly to the shareholder.

NONBINDING APPROVAL OF EXECUTIVE COMPENSATION

(Item 4 On Proxy Card)

Section 14A of the Securities Exchange Act of 1934, as amended by the Dodd-Frank Wall Street Reform and Consumer Protection Act requires that issuers permit a separate nonbinding say on pay shareholder vote to approve the compensation of executives at least every three years. The Board of Directors has determined that, consistent with the nonbinding resolution adopted by the shareholders at the 2011 annual meeting of shareholders, this vote should take place every year.

The proposal gives shareholders the opportunity to vote for or against the following resolution:

RESOLVED, that the compensation paid to the Cullen/Frost Bankers, Inc.'s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.

Your vote is advisory, which means it will not be binding upon the Board of Directors and will not overrule any decision by the Board of Directors. However, the Compensation Committee may, in its sole discretion, take into account the outcome of the vote when considering future executive compensation arrangements.

We encourage you to carefully review the Compensation Discussion and Analysis and 2012 Compensation sections of this proxy statement for a detailed discussion of the Company's executive compensation program.

Our compensation policies and procedures are designed to pay for performance in a way that is strongly aligned with the long-term interests of our shareholders. The Compensation and Benefits Committee, which is composed entirely of independent Directors, in consultation with a leading human resources consulting firm, oversees our executive compensation program. (For more information regarding the Compensation and Benefit Committee's use of consultants, please see Role of Compensation Consultants on page 16, above.) The Committee continually monitors our policies to ensure that they continue to reward executives for results that are consistent with shareholder interests and strong risk management.

Our Board of Directors and our Compensation and Benefits Committee believe that our commitment to these responsible compensation practices justifies a vote by shareholders FOR the resolution approving the compensation of our executives as disclosed in this proxy statement.

The Board of Directors recommends you vote FOR this Proposal 4.

AUDIT COMMITTEE REPORT

The purpose of the Audit Committee is to assist the Board of Directors in its oversight of: (i) the integrity of Cullen/Frost's financial statements; (ii) Cullen/Frost's compliance with legal and regulatory requirements; (iii) the independent auditors' qualifications and independence; and (iv) the performance of the independent auditors and Cullen/Frost's internal audit function. The Audit Committee operates pursuant to a written charter that is available at www.frostbank.com or in print by contacting the Corporate Secretary, Stan McCormick, at 100 West Houston Street, San Antonio, Texas 78205. The Committee met six times in 2012. The Board has determined that each member of the Audit Committee is independent within the meaning of the NYSE's rules and the SEC's rules. The Board has also determined that each member of the Audit Committee is financially literate and that at least one member of the Audit Committee has accounting or related financial management expertise, in each case within the meaning of the NYSE's rules. The independent auditors are responsible for planning and carrying out a proper audit of Cullen/Frost's annual consolidated financial statements, for expressing an opinion as to conformity with generally accepted accounting principles, and for auditing management's assessment of internal control over financial reporting. Members of the Audit Committee are not full-time employees of Cullen/Frost and are not, and do not represent themselves to be, performing the functions of auditors or accountants. Accordingly, as described above, the Audit Committee provides oversight of the responsibilities of management and the independent auditors.

In the performance of its oversight function, the Audit Committee has reviewed and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 114, *The Auditor's Communication With Those Charged With Governance*, as currently in effect. In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Public Company Accounting Oversight Board's Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*, as currently in effect, and has discussed with the independent auditors the independent auditors' independence.

Based upon the reviews and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in its charter, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Cullen/Frost's Annual Report on Form 10-K for the year ended December 31, 2012 to be filed with the Securities and Exchange Commission.

Options issued in the form of Incentive Stock Options shall, in addition to being subject to the terms and conditions of this Article, comply with Section 422 of the Code. Accordingly, the aggregate Fair Market Value (determined at the time the Incentive Stock Option was granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year (under this Plan or any other plan of the Company) shall not exceed one hundred thousand dollars (\$100,000) (or such other limit as may be required by the Code).

determined by the Committee, the Shares that are tendered must have been held by the Participant for at least six (6) months (or such other period, if any, as the Committee may permit) prior to their tender to satisfy the Option Price if acquired under this Plan or any other compensation plan maintained by the Company or have been purchased on the open market); (c) a cashless (broker-assisted) exercise; (d) by a combination of (a), (b) and (c); or (e) any other method approved or accepted by the Committee in its sole discretion. The Committee, in its sole discretion, shall have the right to suspend payment of the Option Price pursuant to clauses (b), (c), (d) or (e) of the preceding sentence.

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars.

.7 Termination of Employment. Each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article 6, and may reflect distinctions based on the reasons for termination.

.8 Notification of Disqualifying Disposition. If any Participant shall make any disposition of Shares acquired pursuant to the exercise of an ISO under the circumstances described in Code Section 421(b) (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten (10) days thereof.

The Grant Price of Tandem SARs shall be equal to the Option Price of the related Option which may be lower than FMV of the Shares if the Tandem SAR is added to an Option after the grant date of the Option.

.2 SAR Agreement. Each SAR Award shall be evidenced by an Award Agreement that shall specify the Grant Price, the term of the SAR, and such other provisions as the Committee shall determine.

.3 Term of SAR. Notwithstanding any other provision of this Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (a) the Tandem SAR will expire no later than the expiration of the underlying ISO; (b) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the excess of the Fair Market Value of the Shares subject to the underlying ISO at the time the Tandem SAR is exercised over the Option Price of the underlying ISO; and (c) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.

.6 Settlement of SAR Amount. Upon the exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

(a) The excess of the Fair Market Value of a Share on the date of exercise over the Grant Price; by

(b) The number of Shares with respect to which the SAR is exercised.

The payment upon SAR exercise shall be in Shares (determined according to the FMV of a Share on the date of exercise).

.7 Termination of Employment. Each Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with Participants, need not be uniform among all SARs issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

- .6 Termination of Employment.** Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Restricted Stock and/or Restricted Stock Units following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock or Restricted Stock Units issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

- .7 Section 83(b) Election.** The Committee may provide in an Award Agreement that the Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Code Section 83(b). If a Participant makes an election pursuant to Code Section 83(b) concerning a Restricted Stock Award, the Participant shall be required to file promptly a copy of such election with the Company.

- .5 Termination of Employment.** The Committee shall determine the extent to which the Participant shall have the right to receive Cash-Based Awards or Other Stock-Based Awards following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, such provisions may be included in an Award Agreement entered into with each Participant, but need not be uniform among all Awards of Cash-Based Awards or Other Stock-Based Awards issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

Article 11. Transferability of Awards

- .1 Transferability.** Except as provided in Section 11.2 below, during a Participant's lifetime, his or her Awards shall be exercisable only by the Participant. Awards shall not be transferable other than by will or the laws of descent and distribution; Awards shall not be subject, in whole or in part, to attachment, execution, or levy of any kind; and any purported transfer in violation hereof shall be null and void. The Committee may establish such procedures as it deems appropriate for a Participant to designate a beneficiary to whom any amounts payable or Shares deliverable in the event of, or following, the Participant's death, may be provided.
- .2 Committee Action.** The Committee may, in its discretion, upon written request from a Participant, determine that notwithstanding Section 11.1, any or all of the Participant's Awards (other than ISOs) shall be transferable to and exercisable by a transferee, and subject to such terms and conditions, as the Committee may deem appropriate; provided, however, that only the Participant to which the Award had been granted, a family member (as defined below in Section 11.4 below) of such Participant, or a charity may be a transferee of such Award. Such a request and determination may be made at the time an Award is granted or at any time thereafter.
- .3 Domestic Relations Orders.** Without limiting the generality of Section 11.1, and notwithstanding Section 11.2, no domestic relations order purporting to authorize a transfer of an Award shall be recognized as valid.
- .4 Family Member.** For purposes of Section 11.2, family member shall mean a Participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships, any person sharing the Participant's household (other than a tenant of the Participant), a trust in which these persons (or the Participant) have more than fifty percent (50%) of the beneficial interest, a foundation in which these persons (or the Participant) control the management of assets, and any other entity in which these persons (or the Participant) own more than fifty percent (50%) of the voting interests.

Article 12. Performance Measures

- .1 Performance Measures.** The performance goals upon which the payment or vesting of an Award to a Covered Employee that is intended to qualify as Performance-Based Compensation shall be limited to the following Performance Measures:
- (a) Net earnings or net income (before or after taxes);
 - (b) Earnings per share;

- (c) Net sales or revenue growth;
- (d) Net operating profit;
- (e) Return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales, or revenue);

- (f) Cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment);
- (g) Earnings before or after taxes, interest, depreciation, and/or amortization;
- (h) Gross or operating margins;
- (i) Productivity ratios;
- (j) Share price (including, but not limited to, growth measures and total shareholder return);
- (k) Expense targets;
- (l) Margins;
- (m) Operating efficiency;
- (n) Market share;
- (o) Customer satisfaction;
- (p) Working capital targets;
- (q) Economic value added or EVA[®] (net operating profit after tax minus the sum of capital multiplied by the cost of capital); and
- (r) Performance against budget.

Any Performance Measure(s) may be used to measure the performance of the Company, Subsidiary, and/or Affiliate as a whole or any business unit of the Company, Subsidiary, and/or Affiliate or any combination thereof, as the Committee may deem appropriate, or any of the above Performance Measures as compared to the performance of a group of comparator companies, or published or special index that the Committee, in its sole discretion, deems appropriate, or the Company may select Performance Measure (j) above as compared to various stock market indices. The Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of performance goals pursuant to the Performance Measures specified in this Article 12.

- .2 Evaluation of Performance.** The Committee may provide in any such Award that any evaluation of performance may include or exclude any of the following events that occurs during a Performance Period: (a) asset write-downs, (b) litigation or claim judgments or settlements, (c) the effect of changes in tax laws, accounting principles, or other laws or provisions affecting reported results, (d) any reorganization and restructuring programs, (e) extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year, (f) acquisitions or divestitures, and (g) foreign exchange gains and losses. To the extent such inclusions or exclusions affect Awards to Covered Employees, they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.
- .3 Adjustment of Performance-Based Compensation.** Awards that are intended to qualify as Performance-Based Compensation may not be adjusted upward. The Committee shall retain the discretion to adjust such Awards downward, either on a formula or discretionary basis or any combination, as the Committee determines.
- .4 Committee Discretion.** In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Measures without obtaining stockholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining stockholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee

Table of Contents

may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 12.1.

Article 13. Dividend Equivalents

Any Participant selected by the Committee may be granted dividend equivalents based on the dividends declared on Shares that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Committee. Such dividend equivalents may, in the sole discretion of the Committee, accrue interest or be converted to cash or additional Shares by such formula and at such time and subject to such limitations as may be determined by the Committee. However, in no event will dividend equivalents be paid on Performance Shares or Performance Units until such Performance Shares or Performance Units actually vest. Notwithstanding anything herein to the contrary, no dividend equivalents may be granted in conjunction with Option or SARs.

Article 14. Benefits Upon Death

Awards remaining unpaid or rights remaining unexercised at the Participant's death shall be paid to the Participant's estate and may be exercised by the Participant's executor, administrator, or authorized legal representative.

Article 15. Rights of Participants

- .1 Employment.** Nothing in this Plan or an Award Agreement shall interfere with or limit in any way the right of the Company, its Affiliates, and/or its Subsidiaries, to terminate any Participant's employment at any time or for any reason not prohibited by law, nor confer upon any Participant any right to continue his employment for any specified period of time.

Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company, its Affiliates, and/or its Subsidiaries and, accordingly, subject to Articles 3 and 17, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company, its Affiliates, and/or its Subsidiaries.

- .2 Participation.** No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

- .3 Rights as a Shareholder.** Except as otherwise provided herein, a Participant shall have none of the rights of a stockholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 16. Change of Control

- .1 Change of Control.** If at any time there shall occur a Change of Control, then the time at which all then-outstanding Stock Options and Stock Appreciation Rights may be exercised shall be accelerated and the Stock Options and Stock Appreciation Rights shall immediately become fully vested and exercisable at the time of such Change of Control, and all other then-outstanding Awards whose exercisability depends merely on the satisfaction of a service obligation by a Participant to the Company, any Subsidiary or an Affiliate thereof shall vest in full and be free of restrictions related to the vesting of such Awards at the time of such Change of Control. The treatment of any other Awards shall be as determined by the Committee in connection with the grant thereof, as reflected in the applicable Award Agreement.

Table of Contents

Except to the extent that another Award meeting the requirements of Section 16.2 (a Replacement Award) is provided to the Participant to replace such Award (the Replaced Award), the Committee may, in its sole discretion, (i) determine that any or all outstanding Awards granted under the Plan, whether or not exercisable, will be canceled and terminated and that in connection with such cancellation and termination the holder of such Award may receive for each Share subject to such Awards a cash payment (or the delivery of shares of stock, other securities or a combination of cash, stock and securities equivalent to such cash payment) equal to the difference, if any, between the consideration received by shareholders of the Company in respect of a Share in connection with such transaction and the purchase price per share, if any, under the Award multiplied by the number of Shares subject to such Award; provided that if such product is zero or less or to the extent that the Award is not then exercisable, the Awards will be canceled and terminated without payment therefor; or (ii) provide that the period to exercise Stock Options or Stock Appreciation Rights shall be extended (but not beyond the expiration of such Stock Option or Stock Appreciation Right).

- .2 Replacement Awards.** An Award shall meet the conditions of this Section 16.2 (and hence qualify as a Replacement Award) if: (i) it has a value at least equal to the value of the Replaced Award as determined by the Committee in its sole discretion; (ii) it relates to publicly traded equity securities of the Company or its successor in the Change of Control or another entity that is affiliated with the Company or its successor following the Change of Control; and (iii) its other terms and conditions are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the provisions that would apply in the event of a subsequent Change of Control). Without limiting the generality of the foregoing, the Replacement Award may take the form of a continuation of the Award if the requirements of the preceding sentence are satisfied. The determination of whether the conditions of this Section 16.2 are satisfied shall be made by the Committee, as constituted immediately before the Change of Control, in its sole discretion.

Article 17. Amendment, Modification, Suspension, and Termination

- .1 Amendment, Modification, Suspension, and Termination.** Subject to Section 17.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and any Award Agreement in whole or in part; provided, however, that, without the prior approval of the Company's stockholders and except as provided in Section 4.4, no outstanding Option or SARs issued under this Plan shall be canceled in exchange for cash, other awards or stock options or stock appreciation rights with an exercise price that is less than the exercise price of the original Options or SAR, and no material amendment of this Plan shall be made without stockholder approval if stockholder approval is required by law, regulation, or stock exchange rule, including, but not limited to, the Securities Exchange Act of 1934, as amended, the Internal Revenue Code of 1986, as amended, and , if applicable, the New York Stock Exchange Listed Company Manual issuer rules.
- .2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events.** The Committee shall make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.4 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.
- .3 Awards Previously Granted.** Notwithstanding any other provision of this Plan to the contrary (other than Section 17.4), no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

- .4 Amendment to Conform to Law.** Notwithstanding any other provision of this Plan to the contrary, the Board of Directors may amend the Plan or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or an Award Agreement to any present or future law relating to plans of this or similar nature (including, but not limited to, Code Section 409A), and to the administrative regulations and rulings promulgated thereunder.

Article 18. Withholding

- .1 Tax Withholding.** The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.
- .2 Share Withholding.** With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder, Participants may elect to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction. All such elections shall be irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 19. Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 20. General Provisions

.1 Forfeiture Events.

- (a) The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment for cause, termination of the Participant's provision of services to the Company, Affiliate, and/or Subsidiary, violation of material Company, Affiliate, and/or Subsidiary policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates, and/or its Subsidiaries.
- (b) If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under the securities laws, and if the Participant knowingly or grossly negligently engaged in the misconduct, or knowingly or grossly negligently failed to prevent the misconduct, or if the Participant is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002, the Participant shall reimburse the Company the amount of any payment in settlement of an Award earned or accrued during the twelve- (12-) month period following the first public issuance or filing with the United States Securities and Exchange

Commission (whichever just occurred) of the financial document embodying such financial reporting requirement.

- .2 Legend.** The certificates for Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.
- .3 Gender and Number.** Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.
- .4 Severability.** In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.
- .5 Requirements of Law.** The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.
- .6 Delivery of Title.** The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:
- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
 - (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.
- .7 Inability to Obtain Authority.** The inability or failure of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.
- .8 Investment Representations.** The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.
- .9 Employees Based Outside of the United States.** Notwithstanding any provision of this Plan to the contrary, in order to comply with the laws in other countries in which the Company, its Affiliates, and/or its Subsidiaries operate or have Employees, the Committee, in its sole discretion, shall have the power and authority to:
- (a) Determine which Affiliates and Subsidiaries shall be covered by this Plan;

Edgar Filing: CULLEN/FROST BANKERS, INC. - Form DEF 14A

- (b) Determine which Employees outside the United States are eligible to participate in this Plan;
- (c) Modify the terms and conditions of any Award granted to Employees outside the United States to comply with applicable foreign laws;
- (d) Establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 20.9 by the Committee shall be attached to this Plan document as appendices; and
- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

A-18

Table of Contents

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

- .10 Uncertificated Shares.** To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.
- .11 Unfunded Plan.** Participants shall have no right, title, or interest whatsoever in or to any investments that the Company, and/or its Subsidiaries, and/or its Affiliates may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any person acquires a right to receive payments from the Company, its Subsidiaries, and/or its Affiliates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a Subsidiary, or an Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, a Subsidiary, or an Affiliate, as the case may be and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.
- .12 No Fractional Shares.** No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.
- .13 Retirement and Welfare Plans.** Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards may be included as compensation for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's or Affiliate's retirement plans (both qualified and non-qualified), welfare benefit plans or employment contracts or arrangements unless such other plan or contract or arrangement expressly provides that such compensation shall be taken into account in computing a Participant's benefit.
- .14 No Deferred Compensation.** No deferral of compensation (as defined under Code Section 409A or guidance thereto) is intended under this Plan. However, the Committee may permit deferrals of compensation pursuant to the terms of an individual's Award, a separate plan or a subplan which meets the requirements of Code Section 409A and the regulations thereunder. Additionally, to the extent any Award is subject to Code Section 409A, notwithstanding any provision herein to the contrary, the Plan does not permit the acceleration of the time or schedule of any distribution related to such Award, except as permitted by Code Section 409A, the regulations thereunder, and/or the Secretary of the United States Treasury.
- .15 Nonexclusivity of this Plan.** The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.
- .16 No Constraint on Corporate Action.** Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or a Subsidiary's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets or engage in any other type of transaction; or, (ii) limit the right or power of the Company or a Subsidiary or an Affiliate to take any action which such entity deems to be necessary or appropriate.

- .17 No Golden Parachute Payments.** Notwithstanding any other provision in this Plan to the contrary, the Company shall not be required to make any payment under this Plan or an Award Agreement that

A-19

Table of Contents

would be a golden parachute payment within the meaning of Section 18(k) of the Federal Deposit Insurance Act that is prohibited by applicable law.

.18 Governing Law. The Plan and each Award Agreement shall be governed by the laws of the State of Texas, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Texas, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.

.19 Indemnification. Subject to requirements of Texas law, each individual who is or shall have been a member of the Board, or a Committee appointed by the Board, or an employee of the Company to whom authority was delegated in accordance with Article 3, (each, an Indemnified Person) shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him in connection with or resulting from any claim, action, suit, or proceeding to which he may be a party or in which he or she may be involved by reason of any action taken or failure to act under this Plan and against and from any and all amounts paid by him in settlement thereof, with the Company's approval, or paid by him in satisfaction of any judgment in any such action, suit, or proceeding against him, provided he shall give the Company an opportunity, at its own expense, to handle and defend the same before he undertakes to handle and defend it on his own behalf. The foregoing right of indemnification shall not be available to an Indemnified Person to the extent that a court of competent jurisdiction in a final judgment or other final adjudication, in either case, not subject to further appeal, determines that the acts or omissions of such Indemnified Person giving rise to the indemnification claim resulted from such Indemnified Person's bad faith, fraud or willful criminal act or omission.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.
