Item 8.01. Other Events.

On July 29, 2013, Gannett Co., Inc. ("Gannett") sold \$600,000,000 aggregate principal amount of its 5.125% Senior Notes due 2020 (the "Notes"). The Notes were offered only to eligible purchasers through a private placement and have not been registered under the Securities Act of 1933, as amended, or any state securities laws. Gannett will pay interest on the Notes semi-annually, in arrears, on January 15 and July 15 of each year, commencing January 15, 2014, to holders of record on the immediately preceding January 1 and July 1. The Notes will rank equally with Gannett's outstanding public bonds and credit agreements. The Notes are guaranteed by all of Gannett's subsidiaries that guarantee its obligations under its credit agreements on a senior basis.

The Notes may become subject to redemption under certain circumstances, including a change of control (as defined in the Notes) of Gannett. In addition, after July 15, 2016, Gannett may, at its option, redeem the Notes at the redemption prices and subject to terms set forth in the Notes, together with accrued and unpaid interest thereon, if any, to the redemption date.

The Notes also provide for certain customary events of default, including, among others, nonpayment of principal or interest, bankruptcy and insolvency events, and cross acceleration, which would permit, or automatically cause, as applicable, the principal, premium, if any, interest and other monetary obligations on all the then outstanding Notes to be declared due and payable immediately.

On July 29, 2013, the company issued a press release announcing the completion of the offering and issuance of the Notes. A copy of the press release is attached hereto as Exhibit 99.1.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits

See Index to Exhibits attached hereto.

The company agrees to furnish to the Commission, upon request, a copy of each agreement with respect to long-term debt not filed herewith in reliance upon the exemption from filing applicable to any series of debt which does not exceed 10% of the total consolidated assets of the company.
