Conflicts of Interest:

TD Securities (USA) LLC is our affiliate. The agents are members of the Financial Industry Regulatory Authority, Inc., or FINRA. Accordingly, the offering of the Notes will conform to the requirements of FINRA Rule 5121. TD Securities (USA) LLC is not permitted to sell the Notes to an account over which it exercises discretionary authority without the prior specific written approval of the account holder.

Additional Amounts

All payments of principal and interest and other amounts payable in respect of the Notes by us will be made without us making any withholding of or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature (Taxes), unless the withholding or deduction of such Taxes is required or authorized by law or the administration thereof. In that event, we will, subject to certain exceptions and limitations set forth below, pay such additional amounts (Additional Amounts) to the holder or beneficial owner of any Note as may be necessary in order that every net payment of the principal of and interest on such Note and any other amounts payable on such Note, after any withholding or deduction for Taxes imposed or levied by or on behalf of Canada or any political subdivision or taxing authority thereof or therein having the power to tax (each a Taxing Jurisdiction) (and Taxes imposed or levied by a Taxing Jurisdiction on such Additional Amounts), will not be less than the amount such holder or beneficial owner would have received if such Taxes imposed or levied by or on behalf of a Taxing Jurisdiction had not been withheld or deducted. We will not, however, be required to make any payment of Additional Amounts to any holder or beneficial owner for or on account of:

any Taxes that would not have been so imposed but for a present or former connection (including, without limitation, carrying on business in a Taxing Jurisdiction or having a permanent establishment or fixed base in a Taxing Jurisdiction) between such holder or beneficial owner of a Note (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of power over, such holder or beneficial owner, if such holder or beneficial owner is an estate, trust, partnership, limited liability company or corporation) and a Taxing Jurisdiction, other than merely holding such Note or receiving payments with respect to such Note;

any estate, inheritance, gift, sales, transfer or personal property Tax or any similar Tax with respect to a Note;

any Tax imposed by reason that such holder or beneficial owner of a Note or other person entitled to payments on the Note does not deal at arm's length within the meaning of the *Income Tax Act* (Canada) with us or is, or does not deal at arm's length with any person who is, a specified shareholder of us for purposes of the thin capitalization rules in the *Income Tax Act* (Canada);

any Tax that is levied or collected otherwise than by withholding from payments on or in respect of a Note;

any Tax required to be withheld by any paying agent from any payment on a Note, if such payment can be made without such withholding by at least one other paying agent;

any Tax that would not have been imposed but for the failure of a holder or beneficial owner of a Note to comply with certification, identification, declaration, information or other reporting requirements, if such compliance is required by a Taxing Jurisdiction (including where required by statute, treaty, regulation or administrative pronouncement) as a precondition to relief or exemption from such Tax;

any Tax which would not have been imposed but for the presentation of a Note (where presentation is required) for payment on a date more than 30 days after (i) the date on which such payment became due and payable or (ii) the date on which payment thereof is duly provided for, whichever occurs later;

Table of Contents

any withholding or deduction imposed pursuant to (i) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended (FATCA), or any successor version thereof, or any similar legislation imposed by any other governmental authority, (ii) any treaty, law, regulation or other official guidance enacted by Canada implementing FATCA or an intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other governmental authority, or (iii) any agreement between us and the United States or any authority thereof implementing FATCA; or

any combination of the items listed above;

nor shall Additional Amounts be paid with respect to any payment on a Note to a holder who is a fiduciary or partnership or any person other than the sole beneficial owner of such payment to the extent a beneficiary or settlor with respect to such fiduciary, a member of such partnership or such beneficial owner would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner held its interest in the Note directly.

Redemption for Tax Reasons

We may redeem the Notes, in whole but not in part, at our option at any time prior to maturity, upon the giving of a notice of redemption as described below, if:

(i) as a result of any change (including any announced prospective change) in or amendment to the laws or treaties (or any rules, regulations, rulings or administrative pronouncements thereunder) of Canada or of any political subdivision or taxing authority thereof or therein affecting taxation, or any change in official position regarding the application or interpretation of such laws, treaties, rules, regulations, rulings or administrative pronouncements (including a holding by a court of competent jurisdiction), which change or amendment is announced or becomes effective on or after the date of this pricing supplement, in the written opinion of our legal counsel of recognized standing, we have or will become obligated to pay, on the next succeeding date on which interest is due, Additional Amounts (assuming, in the case of any announced prospective change, that such announced change will become effective as of the date specified in such announcement and in the form announced); or

(ii) on or after the date of this pricing supplement any action has been taken by any taxing authority of, or any decision has been rendered by a court of competent jurisdiction in, Canada or any political subdivision or taxing authority thereof or therein, including any of those actions specified in the paragraph immediately above, whether or not such action was taken or decision was rendered with respect to us, or any change, amendment, application or interpretation shall be officially proposed, which, in any such case, in the written opinion of our legal counsel of recognized standing, will result in our becoming obligated to pay, on the next succeeding date on which interest is due, Additional Amounts (assuming, in the case of any announced prospective change, that such announced change will become effective as of the date specified in such announcement and in the form announced);

and, in any such case, we in our business judgment, determine that such obligation cannot be avoided by the use of reasonable measures available to us. For the avoidance of doubt, reasonable measures do not include a change in the terms of the Notes or a substitution of the debtor.

Prior to the giving of any notice of redemption pursuant to the above paragraph, we will deliver to the trustee:

a certificate stating that we are entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to our right to so redeem have occurred; and

an opinion of counsel prepared in accordance with the terms of the indenture.

Any Notes redeemed for tax reasons will be redeemed at 100% of their principal amount together with interest accrued up to, but excluding, the redemption date. Notice of redemption will be given not less than 30 nor more than 60 days prior to the date fixed for redemption, which date and the applicable redemption price will be specified in the notice.

U.S. FEDERAL INCOME TAX CONSIDERATIONS

For a discussion of certain material U.S. federal income tax consequences of owning the Notes, please see the section **Tax Consequences – United States Taxation** in the accompanying prospectus supplement. The FATCA withholding tax described in that section under the heading **Additional Withholding Requirements** will not apply to the Notes, however, because recently issued final Treasury Regulations and administrative guidance contain a grandfathering provision that exempts from the FATCA withholding regime any debt instruments issued before July 1, 2014.

CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

For a discussion of certain material Canadian federal income tax consequences of owning the Notes, please see the section **Tax Consequences – Canadian Taxation** in the accompanying prospectus supplement.

We have agreed to sell to each of the agents, and each of the agents have agreed to purchase from us, as principal, the principal amount of the Notes shown opposite its name at the public offering price set forth above.

We estimate that the total offering expenses for the Notes, excluding underwriting commissions, will be approximately US\$550,000.

We have agreed to indemnify the several agents against certain liabilities, including liabilities under the Securities Act of 1933, as amended.

We expect that delivery of the Notes will be made against payment for the Notes on or about May 2, 2014, which is the fourth (4th) business day following the pricing date (this settlement cycle being referred to as T+4). Rule 15c6-1 under the Securities Exchange Act of 1934, as amended (the Exchange Act), generally requires that securities trades in the secondary market settle in three business days, unless the parties to a trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes on the pricing date will be required, by virtue of the fact that the Notes will settle in T+4, to specify an alternative settlement cycle at the time of any such trade to prevent a failed settlement. Such purchasers should also consult their own advisors in this regard. See Supplemental Plan of Distribution (Conflicts of Interest) in the accompanying prospectus supplement.

The agents and their respective affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. Certain of the agents and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking services for the Bank, for which they received or will receive customary fees and expenses.

In the ordinary course of their various business activities, the agents and their respective affiliates may make or hold a broad array of investments, including serving as counterparties to certain derivative and trading

arrangements, and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers, and such investment and securities activities may involve securities and/or instruments of the Bank. The agents and their respective affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or instruments and may at any time hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Because Desjardins Securities Inc. is not registered with the SEC as a U.S. registered broker-dealer, it will effect offers and sales of the Notes solely outside of the United States or within the United States to the extent permitted by Rules 15a-6 under the Exchange Act through one or more U.S. registered broker-dealers and as permitted by the rules and regulations of FINRA.

Conflicts of Interest

For the purposes of this provision, the expression an offer of Notes to the public in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression Prospectus Directive means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression 2010 PD Amending Directive means Directive 2010/73/EU.

any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. The modifying or superseding statement need not state that it has modified or superseded a prior statement or include any other information set forth in the document that it modifies or supersedes. The making of a modifying or superseding statement is not to be deemed an admission for any purposes that the modified or superseded statement, when made, constituted a misrepresentation, an untrue statement of a material fact or an omission to state a material fact that was required to be stated or that was necessary to make a statement not misleading in light of the circumstances in which it was made. Any statement so modified or superseded will not be deemed, except as so modified or superseded, to constitute a part of this prospectus supplement.

TRADING PRICE AND VOLUME OF TD S SECURITIES

The following chart sets out the trading price in Canadian dollars and volume of TD s securities on the Toronto Stock Exchange during the 12 months preceding the date of this prospectus supplement:

	June 2011	July 2011	August 2011	Sept 2011	Oct 2011	Nov 2011	Dec 2011				
Walter, Robert D. (4)	52,000	21,852	3,409	N/A	167,000	0	0	N/A	77,261		167,000

(1) Reflects cash amounts earned in 2006 for the annual board retainer, committee chair retainers, and meeting fees for board and committee meetings, including a committee chair retainer and meeting fees for a special litigation committee that met 4 times during 2006. For 2006, Messrs. Andelman, Califano, Cohen, Gifford and Meses. Redstone and Reese deferred these amounts under the CBS Corporation Deferred Compensation Plan for Outside Directors.

(2) Amounts reflect the 2006 compensation expense associated with stock-based awards (RSUs) granted in 2006 and in prior years. However, in accordance with SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions, which would otherwise be taken into account under SFAS No. 123 (revised 2004) Share-Based Payment (SFAS 123R). These amounts reflect the Company s accounting expense for these awards and may not correspond to the actual value recognized by the director. Differences in the amounts shown among Board members largely reflect differences in length of service. The expense is calculated in accordance with SFAS 123R. See RSUs and Restricted Shares in Note 12 to the audited 2006 consolidated financial statements on pages II-69 II-70 in the Company s Form 10-K for the fiscal year ended December 31, 2006, for a discussion of the assumptions made in calculating these amounts.

Edgar Filing: TORONTO DOMINION BANK - Form SUPPL

Andelman, David R.	\$ 55,004	2,105
Califano, Jr., Joseph A.	55,004	2,105

(b) Amounts reflect the aggregate number of stock awards outstanding as of the date of the indicated director's departure as noted in footnote (4) below. An award of 2,105 RSUs for this director was forfeited as a result of his or her leaving the Board during 2006 prior to the vesting of the RSUs.

(3) Amounts reflect the 2006 compensation expense, calculated in accordance with SFAS 123R, associated with stock option awards made in 2006 and in prior years. However, in accordance with SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions, which would otherwise be taken into account under SFAS 123R. These amounts reflect the Company's accounting expense for these awards and may not correspond to the actual value recognized by the director. Differences in the amounts shown among Board members largely reflect differences in length of service. See "Stock Options" in Note 12 to the audited 2006 consolidated financial statements on pages II-66 II-69 in the Company's Form 10-K for the fiscal year ended December 31, 2006, for a discussion of the assumptions made in calculating these amounts.

The outstanding option awards held by each of the directors named in the table as of the end of fiscal year 2006 (except as otherwise noted), and the fair value of the option awards granted during 2006 on the date of grant using the Black-Scholes option-pricing model, are as follows:

- (a) Amounts reflect the fair value, in accordance with SFAS 123R, of options to purchase 12,734 shares of the Company's Class B Common Stock granted to newly elected directors on January 3, 2006.
- (b) Amounts reflect the fair value, in accordance with SFAS 123R, of options to purchase 5,093 shares of the Company's Class B Common Stock granted pursuant to annual grants awarded to directors on January 31, 2006.
- (c) Awards of options to purchase 5,093 shares of the Company's Class B Common Stock granted on January 31, 2006, to each director indicated, and options to purchase 12,734 shares of the Company's Class B Common Stock granted on January 3, 2006, to Ms. Reese and Mr. Sprieser, were forfeited as a result of such directors leaving the Board during 2006. Amounts reflect the aggregate number of option awards outstanding as of the date of the indicated director's departure as noted in footnote (4) below.
- (4) The following directors left the Board during 2006: Philippe P. Dauman, effective September 6, 2006; Ann N. Reese, effective October 30, 2006; Judith A. Sprieser, effective December 13, 2006; and Robert D. Walter, effective May 26, 2006.
- (5) Mr. Dauman formerly served as an executive officer of Former Viacom. The present value as of December 31, 2006 of all pension benefits accrued in connection with this service is \$1,529,098, which represents a change of -\$12,798 from December 31, 2005. The present value is reduced, even though the monthly annuity remains the same, due to the fact that he has not yet started to receive payments and would, based on the current mortality tables, receive fewer total payments over his expected lifetime.

- A per meeting attendance fee of \$2,000 for each Board meeting;
- A per meeting attendance fee of \$2,000 to Committee members for each meeting of the Audit Committee, the Compensation Committee and the Nominating and Governance Committee; and
