PROXY STATEMENT

VOTING AND OTHER MATTERS

General

The enclosed proxy is solicited on behalf of Comstock Holding Companies, Inc., a Delaware corporation, by our Board of Directors (the Board) for use at our Annual Meeting of Stockholders to be held on June 20, 2014 at 9:30 a.m., local time, or at any adjournment thereof, for the purposes set forth in this proxy statement and in the accompanying Notice of Annual Meeting of Stockholders. The meeting will be held at our principal executive offices at 1886 Metro Center Drive, Reston, Virginia 20190. If you need directions to the meeting, please contact Judy Whitaker at 703-883-1700.

This proxy statement and form of proxy are first being mailed on or about May 15, 2014 to all stockholders entitled to vote at the meeting.

Voting Securities and Voting Rights

Stockholders of record at the close of business on April 28, 2014, which we have set as the record date, are entitled to notice of and to vote at the meeting. On the record date, there were issued and outstanding 18,354,121 shares of our Class A common stock and 2,733,000 shares of our Class B common stock. Each holder of our Class A common stock voting at the meeting, either in person or by proxy, may cast one vote per share of Class A common stock held on all matters to be voted on at the meeting. Each holder of our Class B common stock voting at the meeting, either in person or by proxy, may cast 15 votes per share of Class B common stock held on all matters to be voted on at the meeting.

The meeting will be held only if there is a quorum present. A quorum exists only if the holders of a majority of the voting power of the issued and outstanding stock of the Company and entitled to vote at the meeting are present in person or represented by proxy at the meeting. Votes cast by proxy or in person at the meeting will be tabulated by the inspector of elections appointed for the meeting and will determine whether a quorum is present. The inspector of elections will treat abstentions and broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Under the rules of the New York Stock Exchange, on certain routine matters, brokers may, at their discretion, vote shares they hold in street name on behalf of beneficial owners who have not

returned voting instructions to the brokers, so-called broker non-votes. In instances where brokers are prohibited from exercising discretionary authority, the shares they hold are not included in the vote totals. At the meeting, only Proposal 2, the ratification of the appointment of our independent registered public accounting firm, is considered a routine matter. Brokers will be prohibited from exercising discretionary authority with respect to Proposal 1, the election of directors, and Proposal 3, the non-binding, advisory vote to approve the compensation of our named executive officers. Therefore, if you hold your shares in the name of a bank, broker or other holder of record, for your vote to be counted in the election of directors or in the advisory vote related to the approval of our named executive officer compensation, you will need to communicate your voting decisions to your bank, broker or other holder of record before the date of the meeting. Because broker non-votes are not voted affirmatively or negatively, they will have no effect on the approval of any of the proposals, except where brokers may exercise their discretion on routine matters.

For proposal 1, assuming that a quorum is present, a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote in the election of directors will be required to elect each of the three director nominees to each serve for a three-year term expiring at the 2017 annual meeting of stockholders or until their successors are duly elected and qualified or until their earlier resignation or removal. Stockholders may vote for all of the director nominees, withhold authority to vote for all of the nominees or withhold authority to vote for individual nominee but vote for another nominee. For Proposal 2, the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014, the affirmative vote of the holders of a majority of the voting power of the issued and outstanding stock of the Company entitled to vote on the matter, present and voting, in person or represented by proxy at the meeting, will be required. For Proposal 3, the non-binding, advisory vote to approve the compensation of our named executive officers, the affirmative vote of the holders of a majority of the voting power of the issued and outstanding stock of the Company entitled to vote on the matter, present and

voting, in person or represented by proxy at the meeting, will be required. Voting for Proposal 3 is being conducted on a nonbinding, advisory basis and, therefore, the voting results will not be binding on our company, our Board or our Compensation Committee although our Compensation Committee and Board will consider the results of the voting on this proposal for future executive compensation decisions.

Stockholders may vote for, against or abstain from voting on Proposals 2 and 3. An abstention will not be considered voting on a particular proposal and a proxy marked abstain with respect to any proposal will not have any effect on the outcome of the vote on that proposal.

Whether or not a person plans to attend the meeting, he or she may vote by completing, signing and dating the accompanying proxy card and returning it in the postage-prepaid envelope enclosed for that purpose. If a person attends the meeting, he or she may vote in person even if such individual had previously returned a proxy card.

Voting of Proxies

When a proxy card is properly executed and returned, the shares it represents will be voted at the meeting as directed. If no specification is indicated, the shares will be voted (1) for the election of each the director nominees set forth in this proxy statement, (2) for the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014, and (3) for the non-binding, advisory vote to approve the compensation of our named executive officers.

Revocability of Proxies

Any person giving a proxy may revoke the proxy at any time before its use by delivering to us either a written notice of revocation or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

Solicitation

We will pay for this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies also may be solicited by certain of our directors and officers, personally or by telephone or e-mail, without additional compensation.

Deadline for Receipt of Stockholder Proposals

Proposals of stockholders intended for inclusion in the proxy statement to be furnished to all stockholders entitled to vote at our 2015 annual meeting of stockholders, pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, or Exchange Act, by the Securities and Exchange Commission (SEC) must be received at our principal executive offices not later than January 15, 2015, which is 120 days prior to the first anniversary of the mailing date of this proxy statement. Any proposal must comply with the requirements as to form and substance established by the SEC for such proposal to be included in our proxy statement.

Under our bylaws, stockholders who wish to submit a proposal at the 2015 annual meeting, other than one that will be included in our proxy statement, must notify us between February 21, 2015 and March 23, 2015, unless the date of the 2015 annual meeting of the stockholders is more than 30 days before or more than 60 days after the one-year anniversary of the 2014 annual meeting. If a stockholder who wishes to present a proposal fails to notify us by January 15, 2015 and such proposal is brought before the 2015 annual meeting, then under the SEC's proxy rules, the proxies solicited by management with respect to the 2015 annual meeting will confer discretionary voting authority with respect to the stockholder's proposal on the persons selected by management to vote the proxies. If a stockholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances

Edgar Filing: Comstock Holding Companies, Inc. - Form DEF 14A

consistent with the SEC's proxy rules. Stockholders should submit their proposals to Comstock Holding Companies, 1886 Metro Center Drive, 4th Floor, Reston, Virginia 20190, Attention: Corporate Secretary.

We will provide, without charge, additional copies of our annual report on Form 10-K for the year ended December 31, 2013 as filed with the SEC to each stockholder of record as of the record date that requests a copy in writing. Any exhibits listed in our Annual Report on Form 10-K also will be furnished upon request at the actual expense we incur in furnishing such exhibit. Any such requests should be directed to our Company's secretary at our principal executive office set forth in this proxy statement.

PROPOSAL 1

ELECTION OF DIRECTORS

Nominees

Our certificate of incorporation and bylaws provide that the number of our directors shall be fixed from time to time by resolution of our Board. Presently, the number of directors is fixed at eight and that number of directors is divided into three classes, with one class standing for election each year for a three-year term. At each annual meeting of stockholders, directors of a particular class will be elected for three-year terms to succeed the directors of that class whose terms are expiring. David M. Guernsey, James A. MacCutcheon, and Robert P. Pincus are in the class of directors whose term expires at the 2014 annual meeting of stockholders, and Messrs. Guernsey, MacCutcheon, and Pincus have each been nominated by our Board for re-election each for a three-year term expiring at the 2017 annual meeting of stockholders. Gregory V. Benson, Norman D. Chirite and Socrates Verses are in the class of directors whose terms expire at the 2015 annual meeting of stockholders. Christopher Clemente and A. Clayton Perfall are in the class of directors whose terms expire at the 2016 annual meeting of stockholders.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for each of the nominees named above. Messrs. Guernsey, MacCutcheon, and Pincus currently are directors of our Company. In the event that any nominee is unable or declines to serve as a director at the time of the meeting, the proxies will be voted for any nominee designated by the current Board to fill the vacancy. It is not expected that any nominee will be unable or will decline to serve as a director.

The Board recommends a vote FOR each of the nominees named in this proxy statement.

The Company believes that Mr. Perfall's significant executive-level experience, and corporate finance and public accounting background, qualifies him as a member of our Board.

Information Relating to Corporate Governance and the Board

Our Board has determined, after considering all relevant facts and circumstances, that Messrs. Chirite, Guernsey, MacCutcheon, Perfall, Pincus and Verses are independent directors, as "independence" is defined in the Nasdaq Marketplace Rules and , because they have no relationship with us that would interfere with their exercise of independent judgment. Mr. Clemente and Mr. Benson do not qualify as independent directors because they are current executive officers of the Company.

Our bylaws authorize our Board to designate one or more committees, each consisting of one or more directors of the Company. Our Board has established two standing committees: an Audit Committee and a Compensation Committee. The Board does not have a standing nominating committee. It is the Board's view, given its relatively small size and majority of independent directors that it is sufficient to select or recommend director nominees itself. Each director has the opportunity to suggest any nominee and such suggestions are comprehensively reviewed by the independent directors. Director nominees are recommended for selection by the Board by a majority of the independent directors. Prospective members of the Board must be qualified individuals who, if added to the Board, would provide the mix of sound business judgment, business experience, corporate perspectives and skills appropriate for us. Criteria for selection of candidates include, but are not limited to: (i) business and financial acumen, as determined by the independent directors in their discretion, (ii) qualities reflecting a proven record of accomplishment and ability to work with others, (iii) knowledge of our industry, (iv) relevant experience with and knowledge of corporate governance practices, and (v) expertise in areas relevant to us. Although we do not have a formal diversity policy, the Board considers, among other attributes, diversity of gender, professional experience and skills of the director candidates. Such persons should not have commitments that would conflict with the time commitments of being one of our directors.

The Board does not have a specific policy for consideration of nominees recommended by security holders because a significant degree of voting control relative to the Company's outstanding equity securities is maintained by two individuals who are executive officers and directors. However, security holders can recommend a prospective nominee for the Board by writing to our corporate secretary at our executive offices and providing the information required by our bylaws, along with any additional supporting materials the security holder considers appropriate. There have been no nominees recommended by our stockholders.

In addition to the above procedures, our bylaws provide that a stockholder may propose a director candidate to be considered and voted on at an annual meeting of stockholders by providing notice thereof to our corporate secretary not less than 90 calendar days nor more than 120 calendar days before the first anniversary of the date of our notice of annual meeting was sent to stockholders in connection with the previous year's annual meeting. This notice provided by a stockholder to our corporate secretary must set forth certain information relating to the proposed nominee as required by our bylaws. The chairman of the meeting will determine whether a nomination set forth by such stockholder is in accordance with the procedures set forth in the bylaws and may determine that such nomination is defective and therefore disregarded.

We pay no fees to third parties for evaluating or identifying potential nominees.

Our Board has adopted charters for the Audit and Compensation Committees describing the authority and responsibilities delegated to each committee by the Board. Our Board has also adopted Corporate Governance Guidelines, a Code of Conduct, a Code of Ethics for the CEO and Senior Financial Officers, and a Whistleblower Policy. We post on our website, at www.comstockhomebuilding.com, the charters of our Audit and Compensation Committees, our Corporate Governance Guidelines, Code of Conduct, Code of Ethics for the CEO and Senior Financial Officers, and Whistleblower Policy, and any amendments or waivers thereto; and any other corporate governance materials contemplated by SEC regulations or the Nasdaq Market Rules. These documents are also available in print to any stockholder requesting a copy in writing from our corporate secretary at our executive offices set forth in this proxy statement.

Interested parties may communicate with our Board or specific members of our Board, including our independent directors and the members of our various Board committees, by submitting a letter addressed to the Board of Comstock Holding Companies, Inc. c/o any specified individual director or directors at the address listed herein. All letters received are then forwarded to the indicated directors.

The Audit Committee

The purpose of the Audit Committee is to oversee our accounting and financial reporting processes and the audits of our financial statements. The Audit Committee also provides assistance to our Board with respect to its oversight of the integrity of our financial statements, our compliance with legal and regulatory requirements, the qualifications and independence of our independent registered public accounting firm, and the performance of our audit function, internally, if any, and by our independent registered public accounting firm. The primary responsibilities of the Audit Committee are set forth in its charter and include various matters with respect to the oversight of our accounting and financial reporting processes and audits of our financial statements on behalf of our Board. The Audit Committee also selects the independent registered public accounting firm to conduct the annual audit of our financial statements; reviews the proposed scope of such audit; and reviews our accounting and financial controls with the independent registered public accounting firm and our financial accounting staff.

The Audit Committee currently consists of Messrs. MacCutcheon, Perfall and Pincus, each of whom is an independent director of our Company under the Nasdaq Marketplace Rules as well as under the heightened standards for Audit Committee members adopted by the SEC pursuant to the Sarbanes-Oxley Act of 2002. The Board has determined that Mr. Perfall (whose background is detailed above) qualifies as an audit committee financial expert in accordance with

applicable rules and regulations of the SEC. Mr. Perfall serves as the Chairman of the Audit Committee.

The Compensation Committee

The purpose of the Compensation Committee includes determining, or recommending to our Board for determination, the compensation of our Chief Executive Officer and other executive officers, and discharging the responsibilities of our Board relating to our compensation programs and compensation of our executives on an annual basis. The Compensation Committee also decides equity grants to executives under our equity incentive plans, and periodically reviews the operations of the Company's executive compensation programs and policies. The Chief Executive Officer determines the compensation and equity grants in consultation with the Compensation Committee for all non-executive employees, but does not determine any compensation relating to the executive officers of the Company. Under the Compensation Committee Charter, the Compensation Committee is required to have a minimum of two (2) or more members, and currently consists of Messrs. Chirite, Guernsey, and Verses. Mr. Verses serves as Chairman of the Compensation Committee. All members of the Compensation Committee are independent under the applicable Nasdaq Rules.

Board and Committee Meetings

Our Board held a total of four (4) meetings in-person meetings during the fiscal year ended December 31, 2013. During the fiscal year ended December 31, 2013, the Audit Committee held four (4) meetings and Compensation Committee held one (1) meeting. No director attended fewer than 75% of the aggregate of (i) the total number of meetings of our Board, and (ii) the total number of meetings held by all Committees of our Board on which he was a member. We encourage each of our directors to attend the annual meeting of stockholders. All but one member of our Board attended the 2013 annual meeting.

Board Leadership Structure and Role in Risk Oversight

Our Board has the responsibility for selecting the appropriate leadership structure for the Company. In making leadership structure determinations, the Board considers many factors, including the specific needs of the business and what is in the best interests of the Company's stockholders. Our current leadership structure is comprised of a combined Chairman of the Board and Chief Executive Officer and Board committees led by independent directors. The Board believes that this leadership structure is the most effective for the Company at this time. Combining the Chairman of the Board and Chief Executive Officer roles promotes decisive leadership, fosters clear accountability and enhances the Company's ability to communicate its message and strategy clearly and consistently to its stockholders, employees and customers. The Board also believes there is a very well-functioning and effective balance between strong Company leadership and appropriate safeguards and oversight by independent directors, although the Company does not have a lead independent director.

The Board believes that its current leadership structure allows the directors to provide effective oversight of the Company's risk management strategies by receiving and approving recommendations prepared by our executive officers. The Audit Committee, comprised solely of independent directors, assists the Board in fulfilling its oversight responsibilities by periodically reviewing and making recommendations to the Board regarding the adequacy and effectiveness of the Company's risk management and related programs and activities. Mr. Clemente, the Chairman of the Board, attends Audit Committee meetings and is appropriately positioned to include risk management issues on the agenda for Board meetings as circumstances warrant. As appropriate, the Board receives recommendations from the Chairman of the Audit Committee regarding significant risks or exposures and the steps management has taken to minimize such risks to the Company. In addition, the Audit Committee regularly communicates with the independent Chairmen of the Compensation Committee regarding the risks within that committee's areas of responsibility. The Company believes that this leadership structure promotes effective Board oversight of risk management because, while the Chief Executive Officer is ultimately accountable for the management of the Company's risks, each of the Board committees, each chaired by an independent director, actively monitors the Company's risk management program and are provided with the information necessary to evaluate the specific risks relevant to such committee's area of responsibility.

Compensation Risks

Management and the Compensation Committee have considered and discussed risks inherent in our business and compensation arrangements and have concluded that the risks associated with our compensation practices and policies are not likely to have a material adverse effect on the Company.

Director Compensation

In 2013, we compensated our non-employee directors with an annual retainer fee of \$42,500. Our non-employee directors earned an additional \$7,500 to serve on the Audit Committee and \$5,000 to serve on the Compensation Committee. In addition, the chairman of the Compensation Committee, the chairman of the Audit Committee and the Audit Committee designated financial expert each earned an additional \$5,000 fee. We offered our non-employee

directors the option to receive all or a portion of their 2013 director compensation in the form of fully-vested shares of our Class A common stock. Other than pursuant to such election, we did not grant any equity awards to our directors during 2013. Employees who also serve as directors receive no additional compensation for their services as a director.

RATIFICATION OF APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The firm of PricewaterhouseCoopers LLP, an independent registered public accounting firm, has audited our consolidated financial statements for the fiscal years ended December 31, 2013 and 2012. Our Audit Committee has appointed PricewaterhouseCoopers LLP to audit our consolidated financial statements for the fiscal year ending December 31, 2014. Our organizational documents do not require that our stockholders ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm. However, we are submitting the appointment of PricewaterhouseCoopers LLP to our stockholders for ratification because we believe it is a matter of good corporate practice. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection, but may still retain PricewaterhouseCoopers LLP. We anticipate that representatives of PricewaterhouseCoopers LLP will be present at the meeting, will have the opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

The Board recommends a vote FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2014.

The aggregate fees billed by PricewaterhouseCoopers LLP for the fiscal years ended December 31, 2013 and 2012 are as follows:

Tax Fees(2)	64,000	66,250
Other Fees(3)	5,850	60,023
Total	\$ 371,850	\$ 369,273

(2) Tax fees represent amounts billed for tax compliance and advisory services.

(3) Other fees includes consulting fees related to execution and monitoring of ownership changes as defined under Section 382 of the Internal Revenue Code and consultation over prospective information systems.

The charter of the Audit Committee provides that the duties and responsibilities of the Audit Committee include the pre-approval of all audit, audit-related, tax, and other services permitted by law or applicable SEC regulations (including fee and cost ranges) to be performed by our independent registered public accounting firm. Any pre-approved services that will involve fees or costs exceeding pre-approved levels will also require specific pre-approval by the Audit Committee. Unless otherwise specified by the Audit Committee in pre-approving a service, the pre-approval will be effective for the 12-month period following pre-approval. The Audit Committee will not approve any non-audit services prohibited by applicable SEC regulations or any services in connection with a transaction initially recommended by the independent registered public accounting firm, the purpose of which may be tax avoidance and the tax treatment of which may not be supported by the Internal Revenue Code and related regulations. To the extent deemed appropriate, the Audit Committee may delegate pre-approval authority to the Chairman of the Audit Committee or any one or more other members of the Audit Committee provided that any member of the Audit Committee who has exercised any such delegation must report any such pre-approval decision to

the Audit Committee at its next scheduled meeting. The Audit Committee will not delegate to management the pre-approval of services to be performed by the independent registered public accounting firm.

Our Audit Committee requires that our independent registered public accounting firm, in conjunction with our Chief Financial Officer, be responsible for seeking pre-approval for providing services to us and that any request for pre-approval must inform the Audit Committee about each service to be provided and must provide the details associated with the particular service to be provided.

All of the services provided by PricewaterhouseCoopers LLP described above under the captions Audit Related Fees, Tax Fees and Other Fees were approved by our Audit Committee.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's accounting and financial reporting processes and the audit of its financial statements, including the performance and compensation of the Company's independent auditor. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls and the certification of the integrity and reliability of the Company's internal controls procedures.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed the Company's audited financial statements for the fiscal years December 31, 2013 and 2012 with management. The Audit Committee also reviewed with PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm, the results of their audit. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by the Auditing Standard No. 16. This discussion included, among other things, a review with the independent registered public accounting firm of the quality of the Company's accounting principles, the reasonableness of significant estimates and judgments, and the clarity of disclosure in the Company's financial statements, including the disclosures related to critical accounting policies and practices used by the Company. The Audit Committee has reviewed permitted services under rules of the Securities and Exchange Commission as currently in effect and discussed with PricewaterhouseCoopers LLP their independence from management and the Company. The Audit Committee received from the independent registered public accounting firm the written disclosures and letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. The Audit Committee also has discussed with the independent registered public accounting firm its independence from the Company and has considered whether the provision of non-audit services to the Company is compatible with the independence of the registered public accounting firm. In addition, the Audit Committee discussed the rules of the Securities and Exchange Commission that pertain to the Audit Committee and the roles and responsibilities of Audit Committee members.

Based on its review of the financial statements and the aforementioned discussions, the Audit Committee concluded that it would be reasonable to recommend, and on that basis did recommend, to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013. The Audit Committee also approved the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the year ending December 31, 2014.

Respectfully submitted by the Audit
Committee,

A. Clayton Perfall, Chair

James A. MacCutcheon

PROPOSAL 3

ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in July 2010, requires that we provide our stockholders a non-binding, advisory vote to approve the compensation of our named executive officers.

The Compensation Committee will review the results of the vote carefully. Depending upon the results of that review, the Compensation Committee will take such action, if any, as it deems appropriate. Because this vote is advisory, it is not binding on the Company, the Compensation Committee or the Board of Directors.

Before you vote on the resolution below, please read the Summary Compensation Table together with the related narrative disclosure and footnotes, in this proxy statement. Our Board is asking stockholders to cast a non-binding, advisory vote FOR the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables, is hereby APPROVED.

Our executive compensation program is comprised principally of salary, equity and cash bonus, designed to align compensation of our executives with stockholder value and financial performance and to achieve a balanced package that would attract and retain highly qualified senior officers and appropriately reflect each such officer's individual performance and contributions. The Company regularly reviews its compensation programs and the overall compensation package paid to each of its executive officers to assess risk and to ensure that the program is structured appropriately in order to attain the Company's strategic goals.

For the above reasons, the Board of Directors is asking stockholders to support this proposal. Although the vote we are asking you to cast is non-binding, the Compensation Committee and the Board value the views of our stockholders and will consider the outcome of the vote, among other factors, when determining future compensation arrangements for our executive officers. Following the vote at the 2014 annual meeting, the next advisory vote on executive compensation will take place in 2015.

The Board recommends a vote FOR this proposal.
