PROSPECTUS OF

OLD NATIONAL BANCORP

MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

The Boards of Directors of Founders Financial Corporation (Founders) and Old National Bancorp (Old National) have unanimously approved an Agreement and Plan of Merger (the Merger Agreement), pursuant to which Founders will merge with and into Old National (the Merger). If the Merger Agreement is approved by the shareholders of Founders and all other closing conditions are satisfied, each shareholder of Founders will be entitled to \$38.00 in cash and 3.25 shares of Old National common stock for each share of Founders common stock owned before the Merger, subject to certain adjustments as described in the Merger Agreement (collectively, the Merger Consideration). The Founders board of directors unanimously determined that the Merger, the Merger Agreement and the Merger Consideration would be in compliance with all applicable laws and that entering into the Merger Agreement and completing the Merger and the other transactions contemplated by the Merger Agreement is in the best interest of Founders, Founders Bank & Trust and the Founders shareholders.

The Merger is conditioned upon, among other things, the approval of the Merger Agreement by the Founders shareholders. This document is a proxy statement that the Founders board of directors is using to solicit proxies for use at a special meeting of shareholders to be held on October 28, 2014. At the meeting, the Founders shareholders will be asked (1) to approve the Merger Agreement, (2) to adjourn the meeting if necessary to solicit additional proxies, and (3) to transact such other business as may properly be brought before the meeting or any adjournment or postponement thereof.

This document is also a prospectus relating to Old National s issuance of up to 3,480,074 shares of Old National common stock in connection with completion of the Merger.

Old National common stock is listed on the NASDAQ Global Select Market under the trading symbol ONB. On July 25, 2014, the date of execution of the Merger Agreement, the closing price of a share of Old National common stock was \$13.87. On September 22, 2014, the closing price of a share of Old National common stock was \$13.38.

For a discussion of certain risk factors relating to the Merger, see the section captioned Risk Factors beginning on page 15.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of the securities to be issued under this proxy statement and prospectus or determined if this proxy statement and prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

The securities to be issued in connection with completion of the Merger are not savings or deposit accounts or other obligations of any bank or nonbank subsidiary of any of the parties, and they are not insured by the Federal Deposit Insurance Corporation, the Deposit Insurance Fund or any other governmental agency.

**This proxy statement and prospectus is dated September 23, 2014, and it
is first being mailed to Founders shareholders on or about September 29, 2014.**

The board of directors of Founders unanimously recommends that shareholders vote (1) FOR approval of the Merger Agreement and (2) FOR approval of the Adjournment Proposal.

The board of directors of Founders fixed the close of business on September 18, 2014, as the record date for determining the shareholders entitled to notice of, and to vote at, the special meeting and any adjournments or postponements of the special meeting.

YOUR VOTE IS VERY IMPORTANT. The Merger Agreement must be approved by the affirmative vote of the holders of at least two-thirds of the outstanding shares of Founders common stock entitled to vote. QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETING

Q: What am I voting on?

A: You are being asked to vote to approve the Merger Agreement, pursuant to which Founders will merge with and into Old National. Old National would be the surviving entity in the Merger, and Founders would no longer be a separate company.

Additionally, you are being asked to vote to approve the Adjournment Proposal.

Q: What will I receive in the Merger?

A: If the Merger is completed, each share of Founders common stock will be converted into the right to receive 3.25 shares of Old National common stock, subject to adjustment as summarized below, and \$38.00 in cash (collectively, the Merger Consideration). The Exchange Ratio is subject to adjustment as follows:

if, as of the end of the month prior to the effective time of the Merger, the Founders shareholders equity (computed in accordance with the terms of the Merger Agreement) is less than \$39,200,000, the Exchange Ratio will be decreased as provided in the Merger Agreement; and

if the average closing price of a share of Old National common stock (computed in accordance with the terms of the Merger Agreement) is less than \$11.13 per share and decreases by more than 20% in relation to the change in the NASDAQ Bank Index, Founders will have the right to terminate the Merger Agreement unless Old National elects to increase the Exchange Ratio.

See The Merger Agreement Merger Consideration for a more complete discussion of the Merger Consideration to be paid in the Merger.

Q: What risks should I consider before I vote on the Merger Agreement?

A: You should review Risk Factors beginning on page 15.

Q: Will Old National shareholders receive any shares or cash as a result of the Merger?

A: No. Old National shareholders will continue to own the same number of Old National shares they owned before the effective time of the Merger.

Q: When is the Merger expected to be completed?

A: We are working to complete the Merger as quickly as possible. We first must obtain the necessary regulatory approvals and the approval of the Merger Agreement by Founders shareholders at the special meeting. We currently expect to complete the Merger in the first half of 2015.

Q: What are the tax consequences of the Merger to me?

A: We have structured the Merger so that Old National, Founders, and their respective shareholders will generally not recognize any gain or loss for federal income tax purposes on the exchange of Founders shares for Old National shares in the Merger. Some Founders shareholders, however, may have taxable gain with respect to the cash received in the Merger. As a condition to the closing, Founders and Old National must each receive an opinion of counsel confirming these tax consequences. See *Material Federal Income Tax Consequences* beginning on page 81.

Your tax consequences will depend on your personal situation. You should consult your own tax advisor for a full understanding of the tax consequences of the Merger to you.

Table of Contents

Q: What happens if I do not return a proxy or otherwise do not vote?

A: Because the required vote of Founders shareholders on the Merger Agreement is based upon the number of outstanding shares of Founders common stock entitled to vote rather than upon the number of shares actually voted, a failure to vote and abstentions will have the same practical effect as a vote AGAINST approval of the Merger Agreement.

The vote on the Adjournment Proposal requires more votes to be cast in favor of this proposal than against. A failure to vote and abstentions will have no effect on this proposal.

If you properly complete and sign your proxy but do not indicate how your shares of Founders common stock should be voted on a proposal, the shares of Founders common stock represented by your proxy will be voted as the Founders board of directors recommends and therefore, FOR approval of the Merger Agreement and FOR approval of the Adjournment Proposal.

Q: Will I have dissenters' rights?

A: No. Under the Founders articles of incorporation and the Michigan Business Corporation Act (MBCA), the Founders shareholders will not have dissenters' rights in connection with the Merger.

Q: What do I need to do now?

A: After reading this proxy statement and prospectus, you may vote either: (1) by mail (by completing and signing the proxy that accompanies this prospectus and proxy statement) or (2) in person (by either delivering the completed proxy or by casting a ballot if attending the special meeting). In the event that you choose not to exercise your vote in person, you should mail your signed proxy in the accompanying pre-addressed, postage-paid envelope as soon as possible so that your shares can be voted at the October 28, 2014, Founders special meeting.

Q: Can I change my vote after I have mailed my signed proxy?

A: Yes. You can change your vote at any time before your proxy is voted at the special meeting. You can do this in one of three ways. First, you can send a written notice stating that you revoke your proxy. Second, you can complete and submit a new proxy, dated at a date later than your most recent proxy. Third, you can attend the special meeting and vote in person. Your attendance at the special meeting will not, however, by itself revoke your proxy.

Q: What constitutes a quorum?

A: The holders of over 50% of the outstanding shares of common stock as of the record date must be present in person or by proxy at the special meeting to constitute a quorum. In determining whether a quorum is present, shareholders who abstain will be treated as present for determining the presence or absence of a quorum.

Q: Should I send in my stock certificates now?

A: No. As soon as practicable after the completion of the Merger, you will receive a letter of transmittal describing how you may exchange your certificated shares for the Merger Consideration. At that time, you must send your completed letter of transmittal to Old National in order to receive the Merger Consideration. You should not send your share certificate until you receive the letter of transmittal.

Q: Can I elect the form of payment that I prefer in the Merger?

A: No. The amount of cash and shares of Old National common stock to be issued in the Merger have been fixed, subject to those adjustments summarized in this proxy statement and prospectus.

Table of Contents

Approval of the Merger Agreement requires the affirmative vote of holders of at least two-thirds of the outstanding shares of Founders common stock entitled to vote. Approval of the Adjournment Proposal requires more votes cast in favor of the proposal than are cast against it.

No approval by Old National shareholders is required.

The Merger and the Merger Agreement (pages 24 and 50)

The Merger Agreement provides that, if all of the conditions are satisfied or waived, Founders will be merged with and into Old National, with Old National surviving. Immediately following the Merger, Founders Bank & Trust will be merged with and into Old National Bank, a wholly owned subsidiary of Old National. We encourage you to read the Merger Agreement, which is included as Annex A to this proxy statement and prospectus and is incorporated by reference herein.

What Founders Shareholders Will Receive in the Merger (page 50)

If the Merger is completed, each share of Founders common stock will be converted into the right to receive 3.25 shares of Old National common stock, subject to the following adjustments, and \$38.00 in cash:

if, as of the end of the month prior to the effective time, the Founders shareholders' equity (computed in accordance with the terms of the Merger Agreement) is less than \$39,200,000, the Exchange Ratio will be decreased as provided in the Merger Agreement; and

if the average closing price of a share of Old National common stock (computed in accordance with the terms of the Merger Agreement) is less than \$11.13 per share and decreases by more than 20% in relation to the NASDAQ Bank Index, Founders will have the right to terminate the Merger Agreement unless Old National agrees to increase the Exchange Ratio.

Treatment of Founders' Stock-Based Awards (page 51)

The Merger Agreement provides that Old National and Founders will take all requisite action so that, at the effective time of the Merger, each of the stock-based awards issued and still outstanding under Founders' stock plans will be converted into an award of Old National common stock based on the Merger Consideration. All Founders stock-based awards will fully vest as of the effective time of the Merger.

Notwithstanding the foregoing, by September 8, 2014, any holder may elect and consent to the cash-out of all of the holder's Founders stock options, into an amount of cash for each share of Founders common stock subject to such Founders stock options equal to (a) the sum of (1) the Exchange Ratio multiplied by the Final Purchaser Price and (2) \$38.00 minus (b) the amount of the exercise price per share of such Founders stock options, which amount shall be paid in a lump sum as soon as administratively possible following the effective time of the Merger. Old National has agreed to extend the election period until seven days before the closing date of the Merger; provided that the extension of the election period shall not extend the exercise period of any Founders stock options.

Recommendations of Founders Board of Directors (page 31)

The Founders board of directors unanimously adopted the Merger Agreement and approved and authorized the proposed Merger. The Founders board of directors unanimously determined that the Merger, the Merger Agreement and the Merger Consideration would be in compliance with all applicable laws and that entering into the Merger Agreement and completing the Merger and the other transactions contemplated by the Merger Agreement is in the best interest of Founders, Founders Bank & Trust and the Founders shareholders. The

Table of Contents

Founders board of directors unanimously recommends that Founders shareholders vote FOR approval of the Merger Agreement. In reaching its determination, the Founders board of directors considered a number of factors, which are described in the section captioned Proposal 1 The Merger Founders Reasons for the Merger and Recommendation of the Board of Directors beginning on page 31. Because of the wide variety of factors considered, the Founders board of directors did not believe it practicable, nor did it attempt, to quantify or otherwise assign relative weight to the specific factors it considered in reaching its decision.

The Founders board of directors also unanimously recommends that you vote FOR approval of the Adjournment Proposal.

No Dissenters Rights (page 67)

Dissenters rights are statutory rights that, if available under law, enable shareholders to dissent from an extraordinary transaction, such as a merger, and to demand that the corporation pay the fair value for their shares as determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in connection with the extraordinary transaction. Dissenters rights are not available in all circumstances, and exceptions to these rights are provided in the MBCA. Under the Founders articles of incorporation and the MBCA, holders of Founders common stock will not have dissenters rights in connection with the Merger.

Voting Agreements (page 67)

As of the record date, the directors of Founders beneficially owned 217,535 shares of Founders common stock, including shares subject to options currently exercisable but not exercised. In connection with the execution of the Merger Agreement, all of the directors of Founders executed a voting agreement pursuant to which they agreed to vote their shares, and to use reasonable efforts to cause all shares owned by such director jointly with another person or by such director s spouse to be voted, for approval of the Merger Agreement.

Opinion of Founders Financial Advisor (page 35)

In connection with the Merger, the Founders board of directors received an oral and a written opinion, dated July 25, 2014, from Founders financial advisor, Donnelly Penman & Partners Inc. (Donnelly Penman), to the effect that, as of the date of the opinion and based on and subject to the various considerations described in the opinion, the Merger Consideration described in the Merger Agreement is fair, from a financial point of view, to the holders of Founders common stock. The full text of Donnelly Penman s written opinion, which sets forth, among other things, the assumptions made, procedures followed, matters considered, and limitations on the review undertaken by Donnelly Penman in rendering its opinion, is attached to this document as Annex B. We encourage you to read the entire opinion carefully. The opinion of Donnelly Penman is directed to the Founders board of directors and does not constitute a recommendation to any Founders shareholder as to how to vote at the Founders special meeting or any other matter relating to the proposed Merger.

Reasons for the Merger (page 31)

The Founders board of directors unanimously determined that the Merger, the Merger Agreement and the Merger Consideration would be in compliance with all applicable laws and that entering into the Merger Agreement and completing the Merger and the other transactions contemplated by the Merger Agreement is in the best interest of Founders, Founders Bank & Trust and the Founders shareholders. The Founders board of directors unanimously recommends that Founders shareholders vote FOR the proposal to approve the Merger Agreement.

Table of Contents

In its deliberations and in making its determination, the Founders board of directors considered many factors including, but not limited to, the following:

all of the factors identified for consideration in Article XI of the Founders articles of incorporation, which include, without limitation, fairness, impact on Founders and its employees and customers, impact on communities served, the condition of Old National, Old National's reputation, and Old National's intentions;

the business strategy and strategic plan of Founders, its prospects for the future, and projected financial results;

a review of the risks and prospects of Founders remaining independent, including the challenges of the current financial, operating and regulatory climate and the increasing costs associated with banking regulation, including the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010;

management's financial forecasts, and management's assessment of the execution risk involved in attaining the performance levels presented in the forecasts;

the absence of a liquid trading market in which shareholders can sell Founders shares and the increasing liquidity needs of Founders shareholders;

the greater market capitalization of Old National and the trading volume and liquidity of Old National common stock;

recent conditions and activity in the M&A market providing a unique window of opportunity for a merger of Founders which would deliver accelerated and enhanced shareholder value, as compared to organic growth; and

the purchase price per share of Founders common stock to be paid by Old National and the resulting valuation multiples.

For more information on the factors considered by the Founders board of directors in reaching its determination to recommend approval of the Merger Agreement, see Proposal 1 The Merger Founders Reasons for the Merger and Recommendation of the Board of Directors beginning on page 31.

Old National's board of directors concluded that the Merger Agreement is in the best interests of Old National and its shareholders. In deciding to approve the Merger Agreement, Old National's board of directors considered a number of factors, including, but not limited to, the following:

Founders' community banking orientation in Grand Rapids and Kent County, Michigan and its perceived compatibility with Old National and its subsidiaries;

a review of the demographic, economic, and financial characteristics of the markets in which Founders operates, including existing and potential competition and the history of the market areas with respect to financial institutions; and

management's review of the business, management and personnel, operations, earnings, and financial condition, including capital levels and asset quality, of Founders and Founders Bank & Trust.

Regulatory Approvals (page 66)

Under the terms of the Merger Agreement, the Merger cannot be completed until Old National receives necessary regulatory approvals, which include the approval of the Office of the Comptroller of the Currency (the OCC) and the Board of Governors of the Federal Reserve System (the Federal Reserve Board). Old National has filed an application with the OCC for approval and a waiver request with the Federal Reserve Bank of St. Louis, acting pursuant to delegated authority from the Federal Reserve Board, requesting a waiver of the application requirements. Old National cannot be certain when such approvals will be obtained or if they will be obtained.

since December 31, 2013, there shall not have been any change, state of facts, event, development or effect that has had, or would reasonably be expected to have, individually or in the aggregate, a material adverse effect for either party;

Founders must have received an opinion from Warner Norcross & Judd LLP, counsel to Founders, and Old National must have received an opinion from Krieg DeVault LLP, counsel to Old National, each dated as of the closing date, to the effect that the Merger constitutes a tax-free reorganization for purposes of Section 368(a) of the Internal Revenue Code, as amended;

Old National must have received a letter of tax advice, in a form satisfactory to Old National, from Founders independent certified public accounting firm to the effect that any amounts that are paid by Founders before the effective time of the Merger, or required to be paid at or after the effective time, to persons who are disqualified individuals under Section 280G of the Internal Revenue Code with respect to Founders, Founders Bank & Trust or their successors, and that otherwise should be allowable as deductions for federal income tax purposes, should not be disallowed as deductions for such purposes by reason of Section 280G of the Code; and

We cannot be certain when, or if, the conditions to the Merger will be satisfied or waived, or that the Merger will be completed.

Table of Contents

Termination (page 64)

Old National or Founders may mutually agree at any time to terminate the Merger Agreement without completing the Merger, even if the Founders shareholders have approved it. Also, either party may decide, without the consent of the other party, to terminate the Merger Agreement under specified circumstances, including if the Merger is not consummated by May 30, 2015, if any governmental entity has issued a final and nonappealable order or taken any other action permanently enjoining, restraining or otherwise prohibiting the consummation of the Merger or if the Founders shareholders do not approve the Merger Agreement at the Founders special meeting. In addition, either party may terminate the Merger Agreement if there is a breach of the agreement by the other party that would cause the failure of conditions to the terminating party's obligation to close, unless the breach is capable of being cured and is cured within thirty business days of written notice of the breach.

Old National has the right to terminate the Merger Agreement if the Founders board of directors changes its recommendation or fails to reject a takeover proposal and reaffirm its recommendation within five business days of public announcement of such takeover proposal, if Founders enters into an agreement relating to a takeover proposal, or in the absence of a takeover proposal and only during the period which is ten days before the mailing date of the proxy statement and prospectus and the date of the Founders special meeting, the Founders board of directors fails to publicly reaffirm its recommendation within five business days of a written request by Old National.

Old National has the right to terminate the Merger Agreement if the after-tax cost of all remedial or other corrective actions and measures required by applicable law to be taken with respect to Founders' real property is estimated to exceed, in the aggregate, \$1,500,000, or if the cost of such actions and measures cannot be reasonably estimated. Old National's right to terminate exists for a period of fifteen business days following Founders' receipt of Old National's notice of the amount of after-tax cost.

Founders has the right to terminate the Merger Agreement to enter into a definitive agreement that constitutes a superior proposal and prior to or simultaneously with termination pays the termination fee described below.

Founders has the right to terminate the Merger Agreement if Old National's common stock average closing price for the ten trading days ending on the sixth business day prior to the closing date of the Merger is below \$11.13 per share, and the decrease in Old National stock price from \$13.91 per share is more than 20% greater than the decrease in the NASDAQ Bank Index for the period from July 24, 2014 ending on the sixth business day prior to the closing date. Old National has the right to prevent Founders' termination by agreeing to Founders' request to increase the Exchange Ratio pursuant to a formula set forth in the Merger Agreement.

Termination Fee (page 65)

Founders is required to pay Old National a \$3,500,000 termination fee in the following circumstances:

if Old National terminates the Merger Agreement because the Founders board changes its recommendation or fails to reject a takeover proposal and reaffirm its recommendation within five business days of public announcement of such takeover proposal, if Founders enters into an agreement relating to a takeover proposal, or in the absence of a takeover proposal and only during the period which is ten days before the mailing date of the proxy statement and prospectus and the date of the Founders special meeting, the Founders board of directors fails to publicly reaffirm its recommendation within five business days of a written request by Old National;

if Old National terminates the Merger Agreement because Founders has breached the Merger Agreement, such that the conditions to Old National's obligations to complete the Merger are not

satisfied, and which either (A) cannot be cured by May 30, 2015 or (B) if capable of being cured by May 30, 2015, have not been cured within thirty business days following receipt of written notice from Old National of such breach, provided that Old National is not then in breach of the Merger Agreement, such that the conditions to Founders' obligations to complete the Merger are not satisfied, and (1) any person has made a takeover proposal to Founders on or after the date of the Merger Agreement but prior to the date that the Merger Agreement is terminated, and (2) within twelve months after the date of termination, Founders consummates a takeover proposal or enters into a definitive agreement with respect to a takeover proposal;

if (A) the Merger Agreement is terminated by Old National or Founders because the Merger does not occur on or before May 30, 2015 or the Merger Agreement is terminated by Old National or Founders because the Founders shareholder meeting has concluded and been finally adjourned and the Founders shareholder approval has not been obtained; (B) any person has made a takeover proposal to Founders on or after the date of the Merger Agreement but prior to (1) the date that the Merger Agreement is terminated, in the event the Merger Agreement is terminated by Founders because the Merger does not occur on or before May 30, 2015, or (2) the Founders shareholder meeting, in the case of a termination because the Founders shareholder meeting has concluded and been finally adjourned and the Founders shareholder approval has not been obtained; and (C) within twelve months after the date of termination, Founders consummates a takeover proposal or enters into a definitive agreement with respect to a takeover proposal; or

if Founders terminates the Merger Agreement, prior to receipt of the Founders shareholder approval, to enter into a definitive agreement that constitutes a superior proposal.

Interests of Certain Directors and Executive Officers of Founders in the Merger That are Different From Yours (page 68)

You should be aware that some of Founders' directors and executive officers may have interests in the Merger that are different from, or in addition to, their interests as shareholders. The Founders board of directors was aware of these interests and took them into account in adopting the Merger Agreement.

Additionally, Old National is obligated under the Merger Agreement to provide continuing indemnification to the officers and directors of Founders and Founders Bank & Trust for a period of six years following the Merger and to provide such directors and officers with directors' and officers' liability insurance and fiduciary insurance for a period of six years following the Merger.

Accounting Treatment of the Merger (page 67)

The Merger will be accounted for as a purchase transaction in accordance with United States generally accepted accounting principles.

Rights of Shareholders After the Merger (page 70)

When the Merger is completed, Founders shareholders, whose rights are governed by the Founders articles of incorporation and bylaws, will become Old National shareholders, and their rights then will be governed by Old National's articles of incorporation and by-laws. Old National is organized under Indiana law and Founders is organized under Michigan law. To review the differences in the rights of shareholders under each company's governing documents, see **Comparison of the Rights of Shareholders** beginning on page 70.

Table of Contents**Material Federal Income Tax Consequences of the Merger** (page 81)

Old National and Founders expect the Merger to qualify as a reorganization for U.S. federal income tax purposes. If the Merger qualifies as a reorganization, then, in general, Founders shareholders will not recognize any gain or loss for U.S. federal income tax purposes on the exchange of Founders shares for Old National shares in the Merger. With respect to cash received in the Merger, Founders shareholders will recognize gain (but not loss) in an amount equal to the lesser of (A) the amount of cash received in the Merger, and (B) the excess, if any, of (1) the sum of the amount of cash and the fair market value of the Old National common stock received in the Merger over (2) the Founders shareholder's aggregate tax basis in the Founders common stock surrendered in exchange for Old National common stock.

To review the tax consequences of the Merger to Founders shareholders in greater detail, please see the section **Material Federal Income Tax Consequences** beginning on page 81.

Comparative Per Share Data

The following table shows information about Old National's and Founders' book value per share, cash dividends per share, and diluted earnings per share, and similar information as if the Merger had occurred on the date indicated, all of which is referred to as pro forma information. In presenting the comparative pro forma information for certain time periods, it has been assumed that Old National and Founders had been merged throughout those periods along with certain other assumptions.

The information listed as Pro Forma Equivalent Founders Share was obtained by multiplying the Pro Forma Combined amounts by a fixed Exchange Ratio of 3.25. This information is presented to reflect the fact that Founders shareholders will receive shares of Old National common stock for each share of Founders common stock exchanged in the Merger. It is also anticipated that the combined company will derive financial benefits from the Merger that include reduced operating expenses and the opportunity to earn more revenue. The pro forma information, while helpful in illustrating the financial characteristics of the merged company under one set of assumptions, does not reflect these benefits and, accordingly, does not attempt to predict or suggest future results. Further, the pro forma information below excludes one-time expenses related to the Merger. The pro forma information also does not necessarily reflect what the historical results of the combined company would have been had the companies been combined during these periods.

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this proxy statement and prospectus (See [Where You Can Find More Information](#)), including the risk factors included in Old National's Annual Report on Form 10-K for the year ended December 31, 2013, you should consider carefully the risk factors described below in deciding how to vote. You should keep these risk factors in mind when you read forward-looking statements in this document and in the documents incorporated by reference into this document. Please refer to the section of this proxy statement and prospectus titled [Caution About Forward-Looking Statements](#).

Founders shareholders cannot be certain of the value of the Merger Consideration they will receive, because the market price of Old National common stock will fluctuate and the Exchange Ratio is subject to adjustment.

Upon completion of the Merger, each share of Founders common stock will be converted into the Merger Consideration. The Exchange Ratio is subject to downward adjustment, as described in the Merger Agreement and in this proxy statement and prospectus in the event that Founders' consolidated shareholders' equity is less than \$39,200,000 as of the end of month prior to the effective time. See [The Merger Agreement - Merger Consideration](#) for a more complete discussion of the Merger Consideration to be paid in the Merger.

Additionally, the market value of the Merger Consideration may vary from the closing price of Old National common stock on the date the Merger was announced, on the date that this document was mailed to Founders shareholders, on the date of the special meeting of the Founders shareholders and on the date the Merger is completed and thereafter. Any change in the Exchange Ratio or the market price of Old National common stock prior to completion of the Merger will affect the amount of and the market value of the Merger Consideration that Founders shareholders will receive upon completion of the Merger. Accordingly, at the time of the special meeting, Founders shareholders will not know or be able to calculate with certainty the amount or the market value of the Merger Consideration they would receive upon completion of the Merger. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in business, operations and prospects, and regulatory considerations. Many of these factors are beyond Old National's or Founders' control. You should obtain current market quotations for shares of Old National common stock and for shares of Founders common stock before you vote.

Regulatory approvals may not be received, may take longer than expected or may impose conditions that are not presently anticipated or cannot be met.

Before the transactions contemplated in the Merger Agreement may be completed, various approvals must be obtained from the Federal Reserve Board and the OCC. These governmental entities may impose conditions on the completion of the Merger or require changes to the terms of the Merger Agreement. Although Old National and Founders do not currently expect that any such conditions or changes would be imposed, there can be no assurance that they will not be, and such conditions or changes could have the effect of delaying completion of the transactions contemplated in the Merger Agreement or imposing additional costs on or limiting Old National's revenues, any of which might have a material adverse effect on Old National following the Merger. There can be no assurance as to whether the regulatory approvals will be received, the timing of those approvals, or whether any conditions will be imposed.

The Merger Agreement may be terminated in accordance with its terms and the Merger may not be completed, which could have a negative impact on Founders.

The Merger Agreement with Old National is subject to a number of conditions which must be fulfilled in order to close the Merger. Those conditions include: Founders shareholder approval, regulatory approvals, the continued

accuracy of certain representations and warranties by both parties and the performance by both parties

Table of Contents

of certain covenants and agreements. In particular, Old National is not obligated to close the Merger if Founders consolidated shareholders' equity is less than \$35,000,000, subject to adjustments in the Merger Agreement, as of the end of the month prior to the effective time of the Merger or after-tax environmental costs exceed \$1,500,000.

In addition, certain circumstances exist where Founders may choose to terminate the Merger Agreement, including the acceptance of a superior proposal or the decline in Old National's share price to below certain thresholds set forth in the Merger Agreement. See "The Merger Agreement - Merger Consideration" for a more complete discussion of the Merger Consideration to be paid in the Merger and "Termination" for a more complete discussion of the circumstances under which the Merger Agreement could be terminated. There can be no assurance that the conditions to closing the Merger will be fulfilled or that the Merger will be completed.

If the Merger Agreement is terminated, there may be various consequences to Founders, including:

Founders' businesses may have been adversely impacted by the failure to pursue other beneficial opportunities due to the focus of management on the Merger, without realizing any of the anticipated benefits of completing the Merger;

Founders may have incurred substantial expenses in connection with the Merger, without realizing any of the anticipated benefits of completing the Merger; and

the market price of Founders common stock might decline to the extent that Founders' market price following announcement of the Merger reflects a market assumption that the Merger will be completed.

If the Merger Agreement is terminated and the Founders board of directors seeks another merger or business combination, under certain circumstances Founders may be required to pay Old National a \$3,500,000 termination fee. Founders shareholders cannot be certain that Founders would be able to find a party willing to pay an equivalent or more attractive price than the price Old National has agreed to pay in the Merger.

Founders shareholders will have a reduced ownership and voting interest after the Merger and will exercise less influence over management.

The Founders shareholders currently have the right to vote in the election of the Founders board of directors and on other matters affecting Founders. When the Merger occurs, each Founders shareholder will become a shareholder of Old National with a percentage ownership of the combined organization that is much smaller than the shareholder's percentage ownership of Founders. Because of this, the Founders shareholders will have less influence on the management and policies of Old National than they now have on the management and policies of Founders.

Old National may be unable to successfully integrate Founders Bank & Trust's operations and retain Founders Bank & Trust's employees.

Founders Bank & Trust will be merged with and into Old National Bank immediately following the closing of the Merger. The difficulties of merging the operations of Founders Bank & Trust with Old National Bank include:

integrating personnel with diverse business backgrounds;

combining different corporate cultures; and

retaining key employees.

The process of integrating operations could cause an interruption of, or loss of momentum in, the activities of Old National, Old National Bank or Founders Bank & Trust, and the loss of key personnel. The integration of

Table of Contents

Founders Bank & Trust with Old National Bank will require the experience and expertise of certain key employees of Founders Bank & Trust who are expected to be retained by Old National. However, there can be no assurances that Old National will be successful in retaining these employees for the time period necessary to successfully integrate Founders Bank & Trust into Old National Bank. The diversion of management's attention and any delays or difficulties encountered in connection with the merger and integration of Founders Bank & Trust into Old National Bank could have an adverse effect on the business and results of operations of Old National or Old National Bank.

The termination fee and the restrictions on solicitation contained in the Merger Agreement may discourage other companies from trying to acquire Founders.

Until the completion of the Merger, with some exceptions, Founders is prohibited from soliciting, initiating, encouraging, or participating in any discussion of, or otherwise considering, any inquiries or proposals that may lead to an acquisition proposal, such as a merger or other business combination transaction, with any person or entity other than Old National. In addition, Founders has agreed to pay a termination fee of \$3,500,000 to Old National if Founders terminates the Merger Agreement to enter into a definitive agreement for a superior proposal or Old National terminates the Merger Agreement because the Founders board changes its recommendation or fails to reject a takeover proposal and reaffirm its recommendation within five business days of public announcement of such takeover proposal, if Founders enters into an agreement relating to a takeover proposal, or in the absence of a takeover proposal and only during the period which is ten days before the mailing date of the proxy statement and prospectus and the date of the Founders special meeting, the Founders board of directors fails to publicly reaffirm its recommendation within five business days of a written request by Old National. These provisions could discourage other companies from trying to acquire Founders even though such other companies might be willing to offer greater value to the Founders shareholders than Old National has offered in the Merger Agreement. The payment of the termination fee also could have a material adverse effect on Founders' financial condition.

Certain of Founders' executive officers and directors have interests that are different from, or in addition to, the interests of the Founders shareholders generally.

Certain of Founders' executive officers and directors have interests in the Merger that are in addition to, or different from, the interests of the Founders shareholders. The Founders board of directors was aware of these conflicts of interest when it approved the Merger Agreement.

For a more detailed discussion of these interests, see "Interests of Certain Directors and Officers of Founders in the Merger."

The fairness opinion obtained by Founders will not reflect changes in the relative values of Old National and Founders between the time the opinion was obtained and the effective time of the Merger.

The fairness opinion of Donnelly Penman was dated as of July 25, 2014. Founders does not intend to obtain any further update of the Donnelly Penman fairness opinion. Changes in the operations and prospects of Old National and Founders, general market and economic conditions, and other factors both within and outside of Old National's and Founders' control, on which the opinion of Donnelly Penman is based, may alter the relative value of the companies. Therefore, the Donnelly Penman opinion does not address the fairness of the Merger Consideration as of the date of this proxy statement and prospectus, the date of the special meeting or at the time the Merger will be completed.

The Merger may fail to qualify as a reorganization for federal tax purposes, resulting in your recognition of taxable gain or loss in respect of your Founders shares.

Founders intends the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. Although the Internal Revenue Service will not provide a ruling on the matter, Old

Table of Contents

National and Founders will, as a condition to closing, each obtain an opinion from their respective legal counsel that the Merger will constitute a reorganization for federal tax purposes. These opinions do not bind the Internal Revenue Service or prevent the Internal Revenue Service from adopting a contrary position. If the Merger fails to qualify as a reorganization, you generally would recognize gain or loss on each share of Founders common stock surrendered in an amount equal to the difference between your adjusted tax basis in that share and the fair market value of the Merger Consideration received in exchange for that share upon completion of the Merger.

The shares of Old National common stock to be received by Founders shareholders as a result of the Merger will have different rights from the shares of Founders common stock.

The rights associated with Founders common stock are different from the rights associated with Old National common stock. See the section of this proxy statement and prospectus entitled "Comparison of the Rights of Shareholders" for a discussion of the different rights associated with Old National common stock.

Each party is subject to business uncertainties and contractual restrictions while the Merger is pending, which could adversely affect each party's business and operations.

In connection with the pendency of the Merger, it is possible that some customers and other persons with whom Old National or Founders has a business relationship may delay or defer certain business decisions or might seek to terminate, change or renegotiate their relationships with Old National or Founders, as the case may be, as a result of the Merger, which could negatively affect Old National's or Founders' respective revenues, earnings and cash flows, as well as the market price of Old National common stock or Founders common stock, regardless of whether the Merger is completed.

Under the terms of the Merger Agreement, Founders is subject to certain restrictions on the conduct of its business prior to completing the Merger, which may adversely affect its ability to execute certain of its business strategies, including the ability in certain cases to enter into or amend contracts, acquire or dispose of assets, incur indebtedness or incur capital expenditures. Such limitations could negatively affect Founders' businesses and operations prior to the completion of the Merger.

Abstentions from voting will have the same effect as a vote against the Merger Agreement. The directors and executive officers of Founders (and their affiliates), as a group, owned with power to vote 222,399 shares of Founders common stock, representing approximately 20.9% of the outstanding shares of Founders common stock as of the record date, including shares subject to options currently exercisable but not exercised. PROPOSAL 1 THE MERGER

Background of the Merger

The Founders board of directors regularly evaluates Founders' strategy and opportunities to strengthen its business and create value for its shareholders through various strategic initiatives, alternatives and transactions, giving consideration to developments in the banking industry, regulatory environment, conditions in the communities that Founders serves, competitive considerations and other factors.

Founders Bank & Trust was organized in 1991 as Founders Trust Personal Bank with an original investment in common stock of \$3.8 million. Additional offerings of common stock were sold for total investment of \$1.0 million in 1994 and \$2.5 million in 2001. A majority of Founders shares continue to be held by individuals who invested in the initial capital offering.

When considering strategic alternatives from inception to present, management and the board of directors regularly examined the possibility of acquiring other institutions to gain additional profitability through scale. However opportunities were extremely limited due in large part to the existence of very few banks of a smaller, realistic size which were available for potential acquisition.

Management and the board of directors also regularly considered the merits of maintaining an independence strategy versus the opportunity to pursue additional shareholder value through sale of Founders. The independence strategy was maintained due to the strong financial performance of Founders, including reporting a profit in 78 consecutive quarters. As the financial performance relative to peers, market share and reputation of Founders continued to grow, management and the board of directors began to receive increasing levels of interest from other financial institutions. While no specific or actionable offers were presented to Founders, the general message was that at a time in the future there would be broad interest, should Founders elect to seek partnership with a merger of equals or a larger bank.

Throughout Founders' history, the board of directors viewed the general lack of liquidity in Founders stock as a key strategic weakness to the independence strategy. Founders shares are not traded in an established market. They are traded infrequently and generally in private transactions between individuals. During 2012 and 2013, there were fewer than 40 transactions in Founders shares, generally small, reported to Founders management. Strategic alternatives to create shareholder liquidity were believed to be relatively limited.

In addition, during the post financial crisis period, management and the board of directors assessed significant operating risk increases in the banking industry. Specifically, costs associated with increasing compliance and safety and soundness regulatory burdens, necessary technology enhancements, and increasing competition were noted as threats to a continued independence strategy. During the same period of time, public announcements of community bank acquisitions began to report transaction valuation multiples which had generally been unavailable since before the beginning of the financial crisis.

In combination, during 2013, all of these factors led the board of directors to serious consideration of whether the present independence strategy should be retained, or modified to seek a strategic partnership through acquisition of Founders.

Donnelly Penman has been engaged by the Founders board of directors on a continuing basis for many years to provide periodic valuations of Founders common stock to serve as a basis for valuing shares held by Founders Bank & Trust in trust and fiduciary accounts and shares subject to stock option and restricted stock awards. On May 29, 2013, at the invitation of the Board, representatives of Donnelly Penman provided a general presentation to the Founders

board of directors which addressed, among other subjects:

discussion of the community bank environment including current macro issues facing community banks,

Table of Contents

financial data and performance metrics for a peer group of publicly held Michigan bank holding companies comparing valuation multiples of larger and smaller banks,

a discussion of potentially available growth strategies,

merger and acquisitions (M&A) market update,

capital market summary,

a discussion of strategic alternatives available to Founders,

identification of likely merger partners if Founders were to pursue a merger with a larger institution,

a discussion of what a potential merger might look like, and

discussion of a possible managed sale process with transaction process alternatives.

Following this presentation, the board of directors held a general discussion of the strategic alternatives available to Founders. This discussion continued informally at several meetings held later in 2013.

On June 19, 2013, the Founders board of directors met with a representative of Founders legal counsel, Warner Norcross & Judd LLP (Warner Norcross), to discuss the process for considering and possibly pursuing a strategic alternative to remaining independent. This representative discussed with the board of directors the fiduciary duties of directors when considering a sale or merger, described a typical process and answered a variety of questions posed by directors. In July 2013, the board of directors determined that additional information and analysis was warranted, and instructed management to continue to provide this as applicable in the future. After the board of directors meetings in both September and October 2013, the board held executive sessions for purpose of continuing to discuss financial considerations, timing issues and next steps.

On January 8, 2014, Old National and United Bancorp, Inc. (United) of Ann Arbor, Michigan announced the execution of an agreement under which Old National would partner with United through a stock and cash merger. The valuation multiples of this transaction, including a price to tangible book value multiple in excess of 200%, were the highest valuation multiples seen for an acquisition of a Michigan bank for many years. This announcement was received and informally discussed among Founders directors and management team. United was well known to Founders management and, although larger, was viewed as a fairly comparable bank and this transaction was viewed as an indication of the approximate valuation Founders shareholders could realize if Founders chose to pursue a merger.

In early 2014, the Founders board of directors requested that Donnelly Penman provide an update of its previous presentation and advise the board of directors regarding the strategic alternatives specifically available to Founders. At a meeting of the full board of directors held on February 7, 2014, the board of directors received and discussed a presentation by Donnelly Penman. This presentation addressed:

an update on the general M&A market for financial institutions,

a Founders situation assessment,

specific M&A considerations to Founders,

an analysis of Founders' strategic positioning,

a review of 12 identified potential merger partners, including an assessment of willingness and capacity to pay with a range of estimated deal values,

a summary of Donnelly Penman's financial institutions M&A experience, and

discussion of a possible managed sale process, which included presentation of several alternative approaches.

Recent representative M&A transactions involving comparable community banks were discussed in detail.

On February 19, 2014, the Founders board of directors held a meeting at which a representative of Warner Norcross provided a review of the fiduciary and legal obligations applicable to directors when considering a sale or merger of a company and provided an overview of a typical process involved with selling or merging a community bank holding company. The Warner Norcross representative also reviewed with the board of directors provisions of Article XI of the Founders articles of incorporation which addresses the process for considering business combinations. These provisions require the board of directors to determine that a proposed business combination complies with all laws before accepting an acquisition proposal. Article XI then directs the board of directors to evaluate a proposal and determine whether the proposal is in the best interest of Founders, including its subsidiaries, and its shareholders. These provisions authorize the board of directors to consider:

fairness,

impact on Founders and its employees and customers,

impact on communities served,

condition of the offeror, and

the offeror's reputation and intentions.

At that meeting, the Founders board of directors unanimously determined that it would be in the best interests of Founders and its shareholders to explore and consider alternatives to Founders' previously determined and announced strategy of remaining independent while continuing that strategy during the period of this consideration. The board of directors established a special committee of the board of directors (the Committee) consisting of directors Gary Malburg (Chairman), Charles Bukrey and Brent Slay, all independent directors. The purpose of the Committee was to evaluate and advise the board of directors regarding strategic alternatives available to Founders. Directors Laurie Beard, President and Chief Executive Officer, and Greg Conway, Executive Vice President, although not formal members of the Committee, attended and participated in all meetings of the Committee.

The Founders board of directors discussed the managed sale process alternatives presented by Donnelly Penman and determined that a focused solicitation of a relatively small number of the most likely merger partners was the preferred process. This was due to the belief that there was a relatively small and identifiable universe of potential partners likely to present the highest offers and a need to preserve confidentiality of the process and competitively sensitive business information.

The board of directors unanimously authorized engagement of Donnelly Penman to act as financial advisor to Founders and its board of directors in connection with exploration of alternatives to remaining independent. The board of directors authorized the officers to negotiate and enter into an agreement with Donnelly Penman. In engaging Donnelly Penman, the board of directors considered, among other things, the type and amount of Donnelly Penman's fees, Donnelly Penman's expertise in advising financial institutions, including in M&A transactions, Donnelly Penman's professional reputation, and Donnelly Penman's established history of advising Founders over many years.

The board of directors was advised of and considered Donnelly Penman's past relationships with the identified potential merger partners, including Old National. The board of directors did not seek or consider proposals from other financial advisors because of the factors listed above and the need to maintain strict confidentiality of the process. On March 6, 2014, the Committee met and approved the Donnelly Penman engagement agreement.

A virtual data room was established. During the first week of March, Founders began populating the data room with materials for potential merger partners' due diligence investigation.

On April 15, 2014, Donnelly Penman presented to the Committee a summary of potential merger candidates which identified six potential merger partners (the Potential Merger Partners) as the most likely to be interested

Table of Contents

and capable of presenting an attractive merger proposal. Donnelly Penman presented business and financial information about each Potential Merger Partner. The presentation included an assessment of the willingness and capacity to pay and a range of estimated transaction values for each Potential Merger Partner and an assessment, based on Donnelly Penman's knowledge of and experience with each Potential Merger Partner, of that company's likely interest in a merger with Founders.

On April 16, 2014, the Founders board of directors held a meeting at which the board of directors discussed the Potential Merger Partners presented by Donnelly Penman to the Committee. A representative of Warner Norcross was present at the meeting and provided a review of the fiduciary and legal obligations applicable to directors when considering a sale or merger of a company. At the conclusion of the meeting, the board of directors unanimously authorized Donnelly Penman to contact each of the six Potential Merger Partners to determine their interest in participating in a process. If they expressed a desire to participate, Donnelly Penman was authorized to provide a letter, which very generally described but did not identify Founders and the process to be followed and a proposed confidentiality agreement. Donnelly Penman was also authorized to provide a confidential information memorandum describing Founders to each Potential Merger Partner that entered into a confidentiality agreement and to request each such Potential Merger Partner to provide a written but non-binding preliminary indication of interest by a specified date.

On May 1, 2014, Donnelly Penman contacted all six Potential Merger Partners electronically to inquire generally about their interest in participating in a process of considering a potential merger with a then unnamed community bank. Each of the six Potential Merger Partners expressed interest in a possible transaction and executed a customary confidentiality agreement. Donnelly Penman prepared a confidential information memorandum and distributed it to the six Potential Merger Partners on May 9, 2014.

All six Potential Merger Partners were granted access to Founders' virtual data room between May 13, 2014 and June 5, 2014. During this period and in the following weeks, the data room was supplemented with additional due diligence materials in response to the due diligence requests of the Potential Merger Partners.

The deadline for the Potential Merger Partners to submit written but non-binding indications of interest was initially set for May 30, 2014, but was extended to June 2, 2014 to accommodate Potential Merger Partners' time constraints. All six of the Potential Merger Partners submitted written but non-binding indications of interest on June 2, 2014.

Donnelly Penman prepared a written summary of the indications of interest. That summary and copies of the indication of interest letters were circulated to members of the Committee prior to the Committee's meeting scheduled for June 3, 2014. Analyst reports on those Potential Merger Partners for which such reports were available were also circulated prior to the meeting.

The Committee met on June 3, 2014 and reviewed the indication of interest letters, the summary prepared by Donnelly Penman, and the analyst reports. The Committee concluded that there was a clear divide between three higher proposals and three lower proposals and that the three higher proposals were all made by capable and highly regarded companies. The financial value of the consideration proposed in each of the three higher proposals was virtually indistinguishable. There was also a distinction in the market liquidity of the stocks of the three higher bidding Potential Merger Partners compared to the stocks of the three lower bidding Potential Merger Partners. The Committee voted unanimously to recommend to the full board of directors that the board of directors authorize Founders' management and financial advisors to proceed to the next phase of the process with the three Potential Merger Partners who submitted the higher proposals, including Old National, and to discontinue engagement with the three lower bidding Potential Merger Partners.

On June 4, 2014, the full Founders board of directors held a meeting. Prior to that meeting, the indication of interest letters, the summary prepared by Donnelly Penman, and analyst reports were made available to the board of directors. Representatives of Donnelly Penman presented a review of the indications of interest and the six Potential Merger Partners. A representative of Warner Norcross discussed fiduciary and legal obligations

Table of Contents

applicable to directors when considering a sale or merger of a company. The Committee presented their conclusion that there was a clear divide between the three higher proposals and the three lower proposals and its recommendation. The board of directors unanimously approved the Committee's recommendation to proceed to the next phase of the process with the three Potential Merger Partners who submitted the higher proposals, including Old National, and to discontinue engagement with the other three Potential Merger Partners. The board of directors determined that the remaining Potential Merger Partners would be advised that the board of directors would expect the next round of indications of interest to include a minimum of 25% and a maximum of 50% of the per share merger consideration to be paid in cash, which was intended to give shareholders some protection against loss of value in the event of a decline in the chosen Potential Merger Partner's stock price before the merger is completed.

Between June 16, 2014 and June 29, 2014, each of the three Potential Merger Partners had access to enhanced documentation in the virtual data room and performed on-site due diligence, which included both review of documents not placed in the virtual data room and interviews with key members of Founders' management team.

On June 17, 2014, a prototype merger agreement was sent by Founders to all three Potential Merger Partners with a request for comments on the prototype merger agreement by July 7, 2014.

On June 17, 2014, the Committee met with and received a presentation from senior officers of Potential Merger Partner #3. On June 24, 2014, the Committee met with and received a presentation from representatives of Old National, including its Chairman of the Board, Chief Executive Officer, Executive Vice President, Director of Corporate Strategy, and Executive Vice President, Associate Engagement and Integration. On June 25, 2014, the Committee met with and received a presentation from senior officers of Potential Merger Partner #2.

In the two weeks ending on July 2, 2014 members of the Committee and the Founders management team held additional individual and group meetings with representatives of each of the Potential Merger Partners. On July 2, 2014, the Committee held a meeting at which Committee members discussed their observations and conclusions regarding the three Potential Merger Partners and the potential for a merger with each.

The full Founders board of directors also held a meeting on July 2, 2014, at which the board of directors received a full report from management and the Committee on their meetings with the three Potential Merger Partners and on progress on due diligence and the bidding process. The board of directors then discussed the bidding process to date and the remaining bidding process, including the deadline for submission of final indications of interest. The board of directors instructed Donnelly Penman to provide further guidance to the three Potential Merger Partners regarding the preferred mix of stock and cash consideration and to request that they increase the cash component of their proposal to a level closer to 50%.

On July 3, 2014 Potential Merger Partner #3 withdrew from the bidding process without explanation.

On July 8, 2014 Old National and Potential Merger Partner #2 each submitted revised indications of interest. During the period from July 8, 2014 until conclusion of the Founders board of directors meeting on July 10, 2014 several telephone conversations occurred during which Old National and Potential Merger Partner #2 each had opportunities to increase the value of the merger consideration they proposed. Both did. At the end of this process, Old National's proposal represented the highest value to Founders shareholders with clear separation between the value of Old National's proposal and the value of the proposal of Potential Merger Partner #2.

On July 9, 2014 the Committee met with representatives of Donnelly Penman, Warner Norcross, and Founders management to evaluate the two proposals received. The meeting began with an extensive discussion of each of the two Potential Merger Partners as a merger partner and the perceived relative advantages and

Table of Contents

disadvantages of each Potential Merger Partner, focusing primarily on the factors identified in Article XI of the Founders articles of incorporation and without regard to the value of the merger consideration proposed by each. The President and the Executive Vice President were asked to and did advise the Committee of their individual evaluations. Donnelly Penman representatives then reviewed with the Committee a draft of the presentation they would make to the full board of directors on July 10, 2014 which presentation is discussed in more detail below. At that time, Old National's proposal represented the distinctly higher economic value of total consideration per share proposed by the two Potential Merger Partners, although it was recognized that either or both of the Potential Merger Partners might increase the value of their proposal before conclusion of the board of directors meeting. After extensive discussion, the Committee concluded that Old National was an acceptable merger partner, that Old National's proposal was an acceptable proposal, and that the Committee would recommend that the full board of directors accept the Old National proposal and proceed to negotiate exclusively with Old National if Old National's proposal continued to represent the highest economic value of total consideration per share at the time of the decision of the board of directors on the following day.

The Founders board of directors held a special meeting on July 10, 2014 to consider the two proposals. All directors were present and participated in that meeting in person or by telephone. Members of the Committee and management reported to the full board of directors on the meetings with representatives of Old National and Potential Merger Partner #2. Each member of the Committee, the President, and the Executive Vice President were asked to and did provide his or her personal evaluation of the relative impact of the two proposals on Founders, Founders Bank & Trust, their employees and customers, and the communities served by Founders Bank & Trust.

A Warner Norcross representative reviewed with the board of directors provisions in Article XI of the Founders articles of incorporation, which address the process for considering proposals for business combinations. These provisions require the board of directors to determine that a proposed business combination complies with all laws. It then directs the board of directors to evaluate a proposal and determine whether the proposal is in the best interest of Founders and Founders shareholders. These provisions authorize the board of directors to consider:

fairness,

impact on Founders and its employees and customers,

impact on communities served,

condition of the offeror, and

the offeror's reputation and intentions.

The board of directors conducted an extensive discussion of all of these factors.

A representative of Donnelly Penman provided a written and verbal presentation which analyzed and compared the two proposals in detail. The presentation also included a mergers and acquisitions market update and updates of the Founders standalone valuation, dividend discount model valuation and comparable company analyses which had been presented in Donnelly Penman's earlier presentations. It also included company profiles and business and financial

information about each of the two Potential Merger Partners and compared their key performance measures.

The Founders board of directors voted unanimously to proceed to the next phase of the process and authorized the officers and representatives of Founders to continue engagement with Old National exclusively and discontinue engagement with Potential Merger Partner #2. The officers and attorneys of Founders were authorized to negotiate exclusively with Old National to produce a mutually acceptable form of merger agreement to be considered by the board of directors for adoption at a later meeting.

Table of Contents

Following the meeting, Donnelly Penman informed Old National that Founders had determined to proceed exclusively with it to negotiate a definitive merger agreement and informed Potential Merger Partner #2 that Founders had determined not to proceed any further with Potential Merger Partner #2 at that time.

During the time period beginning on July 10, 2014 and ending on July 25, 2014, Warner Norcross and Old National's legal counsel, Krieg DeVault LLP (Krieg DeVault), with the participation of Donnelly Penman and management of Founders and Old National, proceeded to negotiate a proposed definitive merger agreement. Multiple drafts of the merger agreement were exchanged between Warner Norcross and Krieg DeVault and several negotiating sessions occurred. Also, during this time period, each party prepared, circulated and finalized its disclosure letter listing certain supplements and exceptions to the representations and warranties and covenants contained in the merger agreement.

On July 22, 2014, an informal meeting of the Founders board of directors was held at which representatives of Warner Norcross provided a comprehensive review of the proposed merger agreement. Various provisions of the merger agreement were discussed and questions regarding the merger agreement were asked and answered.

On July 25, 2014, the Founders board of directors held a special meeting to consider and adopt the proposed merger agreement. All directors were present and participated in the meeting in person or by telephone. Among other things, the following occurred at the meeting:

A representative of Warner Norcross advised that a proposed merger agreement, pursuant to which Founders would merge with and into Old National, had been successfully negotiated and would be presented for adoption by the board of directors at the meeting. Warner Norcross referred to the comprehensive review of the merger agreement that previously occurred at an informal meeting of the board of directors held on July 22, 2014. Additional questions from directors related to the merger agreement were asked and answered.

A representative of Warner Norcross discussed the fiduciary and legal obligations applicable to directors when considering a sale or merger of a company. Promptly following the meeting on Friday, July 25, 2014, Founders and Old National executed and delivered the Merger Agreement and respective disclosure letters. On Monday, July 28, 2014, before the U.S. financial markets opened, Founders and Old National issued a joint press release announcing execution of the Merger Agreement and the terms of the Merger.

Founders Reasons for the Merger and Recommendation of the Board of Directors

In recent years, a number of banks approached Founders about the possibility of a partnership. While policy of the Founders board of directors had steadily remained to maintain independence, they ultimately recognized that the assessment of potential valuation that was being proposed demanded that they explore the possibility of being acquired. Also, the risks of remaining independent were growing, as well as the expected cost increases related to regulatory compliance, technology and healthcare which could make it challenging to maintain the strong profitability Founders shareholders had come to expect. As a result, offers were entertained from a number of financial institutions, a bidding process ensued and Old National was ultimately deemed the best fit from both a business and cultural point of view.

In determining that the Merger, the Merger Agreement and the Merger Consideration are in the best interest of Founders, Founders Bank & Trust and Founders shareholders, in authorizing and approving the Merger, in adopting the Merger Agreement and in recommending that Founders shareholders vote for approval of the Merger Agreement, the Founders board of directors consulted with members of Founders management, Donnelly Penman and Warner Norcross, and also considered a number of factors that the Founders board of directors viewed as relevant to its decisions under the circumstances, including, without limitation, the following factors:

All of the factors identified for consideration in Article XI of the Founders articles of incorporation, which include, without limitation:

Fairness. The fairness of the transaction and consideration to be received by Founders and all of its shareholders;

Impact on the Corporation. The possible social and economic impact of the proposal and its consummation on Founders, Founders Bank & Trust and their employees, and customers; including the possible impact on their ability to fulfill legal obligations as a financial institution under applicable laws and regulations;

Impact on Communities. The possible social and economic impact of the proposal and its consummation on the communities which Founders and Founders Bank & Trust serves;

Condition of Offeror. The business and financial conditions and future prospects of Old National;

The Founders board of directors also considered a number of potential risks and uncertainties in connection with its consideration of the proposed Merger, including, without limitation, the following:

the challenges of integrating Founders' business, operations, customers and employees with those of Old National;

the need to obtain approval by shareholders of Founders and regulatory approvals in order to complete the transaction;

the status, developments related to, and likelihood of completion and successful integration of Old National and other pending mergers;

the risks associated with the operations of the combined company, including the ability of Old National to achieve the anticipated cost savings;

the restrictions on the conduct of Founders' business while the Merger is pending;

the impact that provisions of the Merger Agreement relating to payment of a termination fee by Founders may have on Founders receiving an alternative takeover proposal;

the potential costs associated with executing the Merger Agreement, including change in control payments, estimated advisor fees, and other transaction expenses; and

the risk of shareholder litigation in connection with the Merger.

This discussion of the information and factors considered by the Founders board of directors in reaching its conclusions and recommendation includes the factors identified above, but is not intended to be exhaustive and may not include all of the factors considered by the Founders board of directors. In view of the wide variety of factors considered in connection with its evaluation of the Merger and the other transactions contemplated by the Merger Agreement, and the complexity of these matters, the Founders board of directors did not find it useful and did not attempt to quantify, rank or assign any relative or specific weights to the various factors that it considered in reaching its determination to approve the Merger and the other transactions contemplated by the Merger Agreement, and to make its recommendation to Founders shareholders. Rather, the Founders board of directors viewed its decisions as being based on the totality of the information presented to it and the factors it considered, including its discussions with and questioning of members of Founders management and outside legal and financial advisors. In addition, individual members of the Founders board of directors may have assigned different weights to different factors.

Certain of Founders directors and executive officers have financial interests in the Merger that are different from, or in addition to, those of Founders shareholders generally. The Founders board of directors was aware of and considered these potential interests, among other matters, in evaluating the Merger and in making its recommendation to Founders shareholders. For a discussion of these interests, see *Interests of Certain Directors and Executive Officers of Founders in the Merger* beginning on page 68.

The Founders board of directors unanimously determined that the Merger, the Merger Agreement and the Merger Consideration would be in compliance with all applicable laws and that entering into the Merger Agreement and completing the Merger and the other transactions contemplated by the Merger Agreement is in the best interest of Founders, Founders Bank & Trust and the Founders shareholders. The Founders board of directors unanimously recommends that Founders shareholders vote FOR approval of the Merger Agreement.

Old National s Reasons For the Merger

Old National s board of directors concluded that the Merger Agreement is in the best interests of Old National and its shareholders. In deciding to approve the Merger Agreement, Old National s board of directors considered a number of factors, including, without limitation, the following:

Founders community banking orientation in Grand Rapids and Kent County, Michigan and its perceived compatibility with Old National and its subsidiaries;

a review of the demographic, economic and financial characteristics of the markets in which Founders operates, including existing and potential competition and history of the market areas with respect to financial institutions; and

Table of Contents

management's review of the business, operations, earnings, and financial condition, including capital levels and asset quality, of Founders and Founders Bank & Trust.

Effects of the Merger

The respective Boards of Directors of Old National and Founders believe that, over the long-term, the Merger will be beneficial to Old National shareholders, including the current shareholders of Founders who will become Old National shareholders if the Merger is completed. The Old National board of directors believes that one of the potential benefits of the Merger is the cost savings that may be realized by combining the two companies and integrating Founders Bank & Trust as a banking subsidiary of Old National, which savings are expected to enhance Old National's earnings.

Old National expects to reduce expenses by combining accounting, data processing, retail and lending support, and other administrative functions after completion of the Merger, which will enable Old National to achieve economies of scale in these areas. Promptly following the completion of the Merger, which is expected to occur in the first half of 2015, Old National plans to begin the process of eliminating redundant functions, and eliminating duplicative expenses.

The amount of any cost savings Old National may realize in 2015 and beyond will depend upon how quickly and efficiently Old National is able to implement the processes outlined above.

Old National believes that it will achieve cost savings based on the assumption that it will be able to:

reduce data processing costs;

reduce staff;

achieve economies of scale in advertising and marketing budgets;

reduce legal and accounting fees; and

achieve other savings through reduction or elimination of miscellaneous items such as insurance premiums, travel and automobile expense, and investor relations expenses.

Old National has based these assumptions on its present assessment of where savings could be realized based upon the present independent operations of the two companies. Actual savings in some or all of these areas could be higher or lower than is currently expected.

Old National also believes that the Merger will be beneficial to the customers of Founders as a result of the additional products and services offered by Old National and its subsidiaries and because of the increased lending capability.

Donnelly Penman also held discussions with the senior management of Old National with regard to their business operations, regulatory relations, and the published mean earnings estimates. Donnelly Penman relied upon the management of Founders and Old National as to the reasonableness and achievability of the financial and operating forecasts and projections (and the assumptions and bases therefore, including, but not limited to, any potential cost savings and operating synergies) prepared by and provided to us by management of Founders and Old National and Donnelly Penman has assumed, at the direction of Founders and Old National that such forecasts and projections reflect the best currently available estimates and judgments of such managements and that such forecasts and projections will be realized in the amounts and in the time periods currently estimated by such managements and that they provide a reasonable basis upon which Donnelly Penman could form its opinion. Such forecasts and projections were not prepared with the expectation of public disclosure. All such projected financial information is based on numerous variables and assumptions that are inherently uncertain, including, without limitation, factors related to general economic and competitive conditions. Accordingly, actual results could vary significantly from those set forth in such projected financial information. Donnelly Penman relied on this projected information without independent verification or analysis and do not in any respect assume any responsibility or liability for the accuracy or completeness thereof.

In conducting its review and arriving at its opinion, Donnelly Penman, with Founders consent, has relied, without independent investigation, upon the accuracy and completeness of all financial and other information provided to it by Founders and Old National or upon publicly available information. Donnelly Penman assumed that the stock consideration of the Merger will be treated as a tax-free reorganization for federal income tax reporting. Donnelly Penman did not undertake any responsibility for the accuracy, completeness or reasonableness of, or any obligation independently to verify, such information. Donnelly Penman further relied upon the assurance of management of Founders and Old National that they were unaware of any facts that would make the information provided or available to it incomplete or misleading in any respect. Donnelly Penman did not make any independent evaluations, valuations or appraisals of the assets or liabilities of Founders and Old National. Donnelly Penman did not review any individual credit files and assumed that the aggregate allowances for credit losses relating to the loans of Founders and Old National were and will continue to be adequate after the Merger to cover such losses. Donnelly Penman's opinion is necessarily based upon economic and market conditions and other circumstances as they existed and evaluated by it on the date of this opinion. Donnelly Penman does not have any obligation to update this opinion, unless requested by Founders in writing to do so, and Donnelly Penman expressly disclaims any responsibility to do so in the absence of such a written request.

No limitations were imposed by Founders on Donnelly Penman or on the scope of its investigation or the procedures that were followed by Donnelly Penman in rendering this opinion. The form and amount of the Merger Consideration was determined through arm's length negotiations between Founders and Old National. Donnelly Penman was not requested to opine as to, and this opinion does not address, Founders' underlying business decision to proceed with or effect the Merger or the relative merits of the Merger compared to any alternative transaction that might be available to Founders. Further, Donnelly Penman's fairness opinion does not constitute a recommendation to the shareholders of Founders with respect to any approval of the Merger Agreement or the Merger. Additionally, Donnelly Penman was not requested to opine as to, and this opinion does not address, the fairness of the amount or nature of the compensation to any of Founders' officers, directors or employees.

In its analyses, Donnelly Penman has made numerous assumptions with respect to industry performance, business and economic conditions, and other matters, many of which are beyond the control of Founders and Old National. The credit, financial and stock markets have been experiencing unusual volatility and Donnelly Penman expresses no opinion or view as to any potential effects of such volatility on Founders, Old National or the Merger. Further, for

purposes of its analyses and this opinion, Donnelly Penman assumed the value of a share of Old National common stock is equivalent to the current market price of Old National common stock and that

the current market price of Old National common stock is a reasonable basis on which to evaluate Old National. Any estimates contained in Donnelly Penman's analyses are not necessarily indicative of future results or value, which may be significantly more or less favorable than such estimates. Estimates of values of companies do not purport to be appraisals or to necessarily reflect the prices at which companies or their securities actually may be sold. No company or merger utilized in Donnelly Penman's analyses was identical to Founders, Old National or the Merger. Accordingly, such analyses are not based solely on arithmetic calculations; rather, they involve complex considerations and judgments concerning differences in financial and operating characteristics of the relevant companies, the timing of the relevant mergers and prospective buyer interests, as well as other factors that could affect the public trading markets of Founders or companies to which it is being compared. None of the analyses performed by Donnelly Penman was assigned a greater significance than any other.

At the July 25, 2014 meeting of the Founders board of directors, Donnelly Penman presented certain financial analyses of the Merger. The summary below is not a complete description of the analyses underlying the opinions of Donnelly Penman or the presentation made by Donnelly Penman to the Founders board of directors, but is instead a summary of the material analyses performed and presented in connection with the opinion.

Analysis of Selected Merger Transactions Michigan Group

Additionally, Donnelly Penman reviewed a subset of Michigan-based mergers and acquisitions that it deemed to be comparable. The set of mergers and acquisitions included in this group includes 3 transactions announced from January 1, 2013 through July 24, 2014. Donnelly Penman deemed these transactions to be reflective of the proposed Merger. Donnelly Penman reviewed the following multiples: transaction price to book value, transaction price to tangible book value, transaction price to last twelve months earnings per share, and premium to core deposits. As illustrated in the following table, Donnelly Penman compared the proposed Merger multiples to the median multiples of these comparable transactions.

Table of Contents***Discounted Dividend Analysis Founders Standalone***

Donnelly Penman calculated an estimated equity value per share for Founders based upon the values, discounted to the present, of estimates of projected dividends from the fiscal year ending December 31, 2014 through the fiscal year ending December 31, 2018 and a projected year 2018 terminal value (assuming Founders continued to operate as an independent company). The valuation date contemplated is July 24, 2014. In conducting its analysis, Donnelly Penman utilized financial estimates provided by and deemed reasonable by Founders senior management for 2014 through 2018. Donnelly Penman further assumed, which assumption was deemed reasonable by Founders management, that dividend distributions would equal \$0.48 for the remainder of 2014 and increase to an approximate 40% payout ratio thereafter throughout the forecast period.

This analysis utilized a discount rate of 12.0% and a terminal value indication based on an average of indications as provided by utilizing a multiple of 1.50 times tangible book value at December 31, 2018 and a multiple of 12.0 times 2018 estimated net income, both based on estimates of trading valuations for similarly performing institutions based on historical data. The discount rate was derived utilizing Ibbotson Associates, Inc.'s *Stocks, Bonds, Bills and Inflation Valuation Edition 2013 Yearbook* (which we refer to as the *2013 Yearbook*) on cost of equity buildup, in addition to Donnelly Penman's analytical judgment. There is no assurance such values would be realized. The analysis resulted in an estimated equity value per share of \$50.40, before any marketability discounts.

Discounted Dividend Analysis Pro Forma Institution

Donnelly Penman calculated an estimated equity value per share for the pro forma institution. Donnelly Penman used the most recent consensus analyst estimates available for Old National through 2016, and then assumed net income increased by 8% annually thereafter in years 2017, 2018, and 2019, consistent with long-term growth rates from consensus estimates. Founders standalone net income projections were then added for 2015 through 2019. Donnelly Penman contemplated 32.0% estimated annual cost savings off of Founders' standalone forecasted operating expenses, tax effected at 35.0%, and added back these cost savings to calculate a pro forma net income.

Donnelly Penman estimated a dividend payout per share of \$0.48 for 2015 for the pro forma institution, moving to an approximate 40.0% dividend payout ratio in 2016 and subsequent years, which represents an assumption of Donnelly Penman for its model based on Old National's historical payout ratios and return of excess capital. This analysis utilized a discount rate of 12.0% and a terminal value indication based on a multiple of 15.0 multiplied by 2019 net income. The discount rate was derived utilizing the *2013 Yearbook on cost of equity buildup*, in addition to Donnelly Penman's analytical judgment. The terminal multiple was estimated based on a return to more normalized valuation levels based on historical data. There is no assurance such values would be realized. The analysis resulted in an estimated equity value per share of \$16.06 for the pro forma institution. Multiplying the \$16.06 pro forma equity value per share by the transaction exchange ratio of 3.25 (and adding in the \$38.00 cash consideration per share) results in an implied equity value per share to Founders shareholders of \$90.20, as compared to an equity value per share on a standalone basis of \$50.40.

Additionally, Donnelly Penman ran sensitivity analyses based on a range of discount rates between 10% and 15% and terminal multiples between 10.0x and 20.0x price to earnings. This sensitivity analysis produced value ranges between \$70.94 to \$111.30 per Founders share, after contemplating the 3.25 transaction exchange ratio and \$38.00 cash consideration.

Donnelly Penman has acted as financial advisor to the Founders board of directors and senior management of Founders and its subsidiaries in connection with the Merger. The Founders board of directors and its subsidiaries agreed to pay Donnelly Penman advisory and transaction fees based on the closing price of the transaction, an advisory fee of \$25,000 was paid upon execution of the engagement letter, \$100,000 was paid upon delivery of Donnelly Penman's written fairness opinion. The remainder of the transaction fee due to Donnelly Penman, which is contingent upon completion of the Merger, is currently estimated to be approximately \$950,000. Founders has also agreed to indemnify Donnelly Penman against certain liabilities arising out of its engagement and to reimburse Donnelly Penman for certain of its reasonable out-of-pocket expenses.

Donnelly Penman was engaged on January 6, 2012 to provide quarterly valuations of Founders common stock in 2012 for a total annual compensation of \$11,000. On January 3, 2013, Donnelly Penman was engaged to perform a quarterly valuation for Founders in 2013 for a total annual compensation of \$11,000. On January 9, 2014, Donnelly Penman was engaged to perform a quarterly valuation for Founders, and received \$8,000 in compensation as Donnelly Penman only performed a valuation on the common stock as of January 1, 2014 and April 1, 2014. No other compensation or engagement, outside of the engagement connected to the sale of Founders, had occurred in that timeframe. It is expected that Donnelly Penman will be engaged to provide similar valuations in the future while the Merger is pending. During these periods, Donnelly Penman was not engaged by and received no compensation from Old National.

THE MERGER AGREEMENT

Structure of the Merger

Subject to the terms and conditions of the Merger Agreement, at the completion of the Merger, Founders will merge with and into Old National, with Old National as the surviving corporation. The separate existence of Founders will terminate and Founders common stock will be cancelled as a consequence of the Merger. Old National common stock will continue to be listed on the NASDAQ Global Select Market under the symbol ONB. Immediately following the Merger, Founders Bank & Trust will be merged with and into Old National Bank, a wholly-owned subsidiary of Old National.

Under the Merger Agreement, the officers and directors of Old National serving at the effective time of the Merger will continue to serve as the officers and directors of Old National after the Merger is consummated.

Merger Consideration

If the Merger is completed, your shares of Founders common stock will be converted into the right to receive 3.25 shares of Old National common stock, subject to adjustment as summarized below, and \$38.00 in cash.

The Exchange Ratio is subject to adjustment as follows:

Decrease for Founders Consolidated Shareholders Equity. If as of the end of the month prior to the effective time of the Merger the Founders consolidated shareholders equity is less than \$39,200,000, the Exchange Ratio shall be decreased to a quotient determined by dividing the Adjusted Stock Purchase Price by the total number of shares of Founders common stock outstanding, and further dividing that number by the Final Purchaser Price (as defined below). For purposes of the computation, the Adjusted Stock Purchase Price shall be equal to (x) the Stock Purchase Price, less (y) the difference between \$39,200,000 and the Founders consolidated shareholders equity as of the end of the month prior to the effective time of the Merger. As of August 31, 2014, Founders consolidated shareholders equity, as adjusted in accordance with the Merger Agreement, was approximately \$40.8 million.

The Stock Purchase Price shall be the Exchange Ratio in effect at the time of the adjustment multiplied by the Final Purchaser Price multiplied by the total number of shares of Founders common stock outstanding at the effective time of the Merger. The Final Purchaser Price shall be the average of the per share closing prices of a share of Old National common stock as quoted on the NASDAQ Global Select Market during the ten trading days preceding the sixth business day preceding the effective time of the Merger.

The Founders consolidated shareholders equity shall be the consolidated shareholder s equity of Founders excluding the net accumulated other comprehensive income/(loss), each as of the end of the last month which ends at least 21 days prior to the effective time of the Merger, determined in accordance with GAAP, and to which shall be added the following:

- i. any accruals, reserves or charges resulting from expenses of the Merger and other transactions contemplated by the Merger Agreement; and

- ii. any accruals, reserves or charges taken by Founders at the request of Old National.

Decrease in Market Price of Old National Common Stock. After the closing of the Merger is properly called under the Merger Agreement, Founders may terminate the Merger Agreement if both of the following conditions exist:

the average of the closing price of Old National common stock as reported on the NASDAQ Global Select Market for the ten trading days ending on the sixth business day prior to the closing date (the Pricing Period) (the Final Purchaser Price) is less than \$11.13; and

Table of Contents

the number determined by dividing the Final Purchaser Price by \$13.91 (the Initial Purchaser Price), is less than the number obtained by subtracting (1) 0.20 from (2) the quotient obtained by dividing the closing price of the NASDAQ Bank Index on the last day of the Pricing Period by the closing price of the NASDAQ Bank Index on July 24, 2014.

If these conditions exist, Founders has the right to proceed with the Merger with no change to the Exchange Ratio, or request Old National to increase the Exchange Ratio to a ratio computed by multiplying the Exchange Ratio by a fraction that has as its numerator \$11.13 and that has as its denominator the Final Purchaser Price (the Adjusted Exchange Ratio). If Founders requests Old National to increase the Exchange Ratio, then Old National can either accept or decline the requested increase to the Exchange Ratio. If Old National accepts the requested increase, the Merger Agreement will remain in effect in accordance with its terms, except the Merger Consideration will be increased to reflect the Adjusted Exchange Ratio. If Old National declines the requested increase, the Merger will be abandoned, unless Founders elects to proceed with the Merger on the basis of the original Exchange Ratio.

Treatment of Founders Stock-Based Awards

At the effective time of the Merger, each right of any kind to receive Founders common stock or benefits measured by the value of a number of shares of Founders common stock granted under the Founders stock plans will be converted into an award with respect to a number of shares of Old National common stock equal to the product of (1) the aggregate number of shares of Founders common stock subject to such award, multiplied by (2) the sum of (A) the Exchange Ratio and (B) \$38.00 divided by the Final Purchaser Price (the Converted Stock-Based Award Ratio). Such converted awards shall otherwise continue to have, and be subject to, the same terms and conditions set forth in the applicable Founders stock plan (or any other agreement to which such converted award was subject immediately prior to the effective time of the Merger). The exercise or strike price (if any) per share of Old National common stock applicable to any converted stock-based award shall be equal to (a) the per share exercise price of such award immediately prior to the effective time divided by (b) the Converted Stock-Based Award Ratio. All unvested Founders stock-based awards will fully vest as of the effective time of the Merger.

Notwithstanding the foregoing, by September 8, 2014, any holder may elect and consent to the cash-out of all of the holder's Founders stock options, into an amount of cash for each share of Founders common stock subject to such Founders stock options equal to (a) the sum of (1) the Exchange Ratio multiplied by the Final Purchaser Price and (2) \$38.00 minus (b) the amount of the exercise price per share of such Founders stock options, which amount shall be paid in a lump sum as soon as administratively possible following the effective time of the Merger. Old National has agreed to extend the election period until seven days before the closing date of the Merger; provided that the extension of the election period shall not extend the exercise period of any Founders stock options.

Exchange and Payment Procedures

At and after the effective time of the Merger, each certificate representing shares of Founders common stock will represent only the right to receive the Merger Consideration in accordance with the terms of the Merger Agreement. Old National will reserve a sufficient number of shares of Old National common stock to be issued as a part of the Merger Consideration. As soon as practicable after the effective time of the Merger, Old National will mail a letter of transmittal to each holder of Founders common stock that will include detailed instructions on how such holder may exchange such holder's Founders common shares for the Merger Consideration.

Old National will provide a written notice of ownership of uncertificated shares to each former Founders registered shareholder setting forth the number of shares of Old National common stock that each holder of Founders common stock has received in the Merger and a check in the amount of cash that such holder has the right to receive to be delivered to such shareholder upon delivery to Old National of certificates

representing such shares of Founders common stock and a properly completed letter of transmittal. No interest will be paid on any Merger Consideration that any such holder shall be entitled to receive.

The stock transfer books of Founders will be closed at the effective time of the Merger and after the effective time there will be no transfers on the stock transfer records of Founders of any shares of Founders common stock. Old National will be entitled to rely on Founders' stock transfer books to establish the identity of those persons entitled to receive the Merger Consideration. If any old certificate is lost, stolen, or destroyed, upon the making of an affidavit of that fact by the person claiming such old certificate to be lost, stolen, or destroyed and, if required by Old National, the posting by such person of a bond or other indemnity as Old National may reasonably direct as indemnity against any claim that may be made with respect to the old certificate, Old National will issue the Merger Consideration in exchange for such lost, stolen or destroyed certificate.

Dividends and Distributions

Until Founders common stock certificates are surrendered for exchange, any dividends or other distributions declared after the effective time of the Merger with respect to Old National common shares into which shares of Founders common stock may have been converted will accrue but will not be paid. When such certificates have been duly surrendered, Old National will pay any unpaid dividends or other distributions, without interest.

Acquisition Proposals by Third Parties

Except as described below, Founders has agreed that, from the time of the execution of the Merger Agreement until the earlier of the effective time of the Merger or the termination of the Merger Agreement in accordance with the terms of the Merger Agreement, it will not and will cause its subsidiaries and representatives to not:

solicit, initiate, encourage or knowingly facilitate (including by way of furnishing non public information) any inquiries regarding, or the making of any proposal or offer that constitutes or could reasonably be expected to lead to, a proposal that constitutes takeover proposal; or

engage or enter into, continue or otherwise participate in any discussions or negotiations regarding, or furnish to any other party material nonpublic information in connection with any takeover proposal, or otherwise cooperate with or assist or participate in, or encourage or knowingly facilitate any such inquiries, proposals, discussions or negotiations or any effort or attempt to make a takeover proposal. Founders will, and will cause each of its subsidiaries and each of its and its subsidiaries representatives to, immediately upon execution of the Merger Agreement, cease any solicitation, encouragement, discussions or negotiations with any person that may be ongoing with respect to any takeover proposal.

Notwithstanding the restrictions described above, at any time prior to obtaining the Founders shareholder approval, if Founders receives a takeover proposal from a person, Founders and its representatives are permitted, subject to certain conditions, (a) to contact such person and its representatives to request that such person provide clarification of any term or condition of such takeover proposal that the Founders board of directors determines in good faith to be ambiguous or unclear, and (b) if the Founders board of directors determines in good faith, after consultation with its independent financial advisors and outside legal counsel, that such takeover proposal constitutes, or is reasonably expected to lead to, a superior proposal, and that failure to take such action would more likely than not to result in a breach of the Founders board of directors fiduciary duties, to furnish to such person information with respect to Founders and participate in discussions or negotiations with such person.

A takeover proposal means any inquiry, proposal or offer from any person (other than Old National and its subsidiaries) or group, within the meaning of Section 13(d) of the Exchange Act, relating to, in a single transaction or series of related transactions, any (1) acquisition of assets of Founders and its subsidiaries equal to more than 20% of Founders consolidated assets or to which more than 20% of Founders revenues or earnings on a consolidated basis are attributable, (2) acquisition of more than 10% of the outstanding Founders common stock or the capital stock of any subsidiary of Founders, (3) tender offer or exchange offer that if consummated would result in any person beneficially owning more than 20% of the outstanding Founders common stock, (4) merger, consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving Founders or any of its subsidiaries or (5) any combination of the foregoing types of transactions if the sum of the percentage of consolidated assets, consolidated revenues or earnings and Founders common stock involved is more than 20%; in each case, other

than the Merger.

A superior proposal means, any bona fide written takeover proposal that the Founders board of directors has determined in its good faith judgment, after consultation with its independent financial advisors and outside

legal counsel, is reasonably likely to result in the consummation of a transaction more favorable to the Founders shareholders from a financial point of view than the Merger, taking into account (A) all relevant legal, regulatory and financial aspects of the proposal (including certainty of closing) and the person making the proposal, and (B) any changes to the terms of the Merger Agreement proposed by Old National in response to such proposal or otherwise, provided that for purposes of the definition of superior proposal, the references to 20% in the definition of takeover proposal above shall be deemed to be references to 50%.

The Merger Agreement requires that Founders fully inform Old National as to the status on a current basis of any takeover proposal, including any material developments, discussions or negotiations regarding any takeover proposal.

Changes in Founders Board Recommendation

The Founders board of directors has agreed, subject to certain exceptions summarized below, not to:

fail to recommend the approval of the Merger Agreement,

change, qualify, withhold, withdraw or modify, or publicly propose to take such action, in a manner adverse to Old National, its recommendation to approve the Merger Agreement,

take any formal action or make any recommendation or public statement in connection with a tender offer of exchange offer other than a recommendation of rejection of such offer, taking no position with respect to such offer, or a temporary stop, look and listen communication pursuant to Rule 14d-9(f) of the Exchange Act, or

adopt, approve or recommend a takeover proposal.

Notwithstanding the restrictions described above, prior to obtaining the Founders shareholder approval, the Founders board of directors is permitted to make an adverse recommendation change if, the Founders board of directors, has determined in good faith, after consultation with its independent financial advisors and outside legal counsel, that a takeover proposal constitutes a superior proposal.

Prior to making an adverse recommendation change, the Founders board of directors must inform Old National in writing of its intention to make an adverse recommendation change and provide to Old National the material terms and conditions of the takeover proposal and identity of the person making the takeover proposal. During this notice period, Founders must negotiate with Old National (if it wishes to do so) to enable Old National to revise the terms of the Merger Agreement so that the superior proposal no longer constitutes a superior proposal. Following the notice period, the Founders board of directors must consider in good faith any changes to the Merger Agreement proposed by Old National and have determined that the superior proposal continues to constitute a superior proposal.

Conditions to the Merger

The obligations of Old National and Founders to consummate the Merger are subject to the satisfaction or waiver, on or before the completion of the Merger, of a number of conditions, including:

Founders' consolidated shareholders' equity (computed in accordance with the Merger Agreement) shall not be less than \$35,000,000 as of the end of the month prior to the effective time of the Merger. As of August 31, 2014, Founders' consolidated shareholders' equity, as adjusted in accordance with the Merger Agreement, was approximately \$40.8 million.

Voting Agreements

As of the record date, the directors of Founders beneficially owned 217,535 shares, or approximately 20.4% of the outstanding shares of Founders common stock, including shares subject to options currently exercisable but not exercised. Accounting Treatment of the Merger

Old National will account for the Merger under the acquisition method of accounting in accordance with United States generally accepted accounting principles. Using the purchase method of accounting, the assets (including identified intangible assets) and liabilities of Founders will be recorded by Old National at their respective fair values at the time of the completion of the Merger. The excess of Old National's purchase price over the net fair value of the tangible and identified intangible assets acquired less liabilities assumed, will be recorded as goodwill.

No Dissenters' Rights

Dissenters' rights are statutory rights that, if available under law, enable shareholders to dissent from an extraordinary transaction, such as a merger, and to demand that the corporation pay the fair value for their shares as determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in connection with the extraordinary transaction. Dissenters' rights are not available in all circumstances, and exceptions to these rights are provided in the MBCA. Under the Founders articles of incorporation and the MBCA, holders of Founders common stock will not have dissenters' rights in connection with the Merger.

INTERESTS OF CERTAIN DIRECTORS AND EXECUTIVE OFFICERS OF FOUNDERS IN THE MERGER

When considering the recommendation of the Founders board of directors, you should be aware that some of the executive officers and directors of Founders and Founders Bank & Trust have interests that are different from, or in conflict with, your interests. Treatment of Founders Stock-Based Awards

At the effective time of the Merger, each right of any kind to receive Founders common stock or benefits measured by the value of a number of shares of Founders common stock granted under the Founders stock plans will be converted into an award with respect to a number of shares of Old National common stock equal to the product of (1) the aggregate number of shares of Founders common stock subject to such award, multiplied by (2) the sum of (A) the Exchange Ratio and (B) \$38.00 divided by the Final Purchaser Price (the **Converted Stock-Based Award Ratio**). Such converted awards shall otherwise continue to have, and be subject to, the same terms and conditions set forth in the applicable Founders stock plan (or any other agreement to which such converted award was subject immediately prior to the effective time of the Merger). The exercise or strike price (if any) per share of Old National common stock applicable to any converted stock-based award shall be equal to (a) the per share exercise price of such award immediately prior to the effective time divided by (b) the **Converted Stock-Based Award Ratio**. All Founders stock awards will fully vest as of the effective time of the Merger.

Notwithstanding the foregoing, by September 8, 2014, any holder may elect and consent to the cash-out of all of the holder's Founders stock options, into an amount of cash for each share of Founders common stock subject to such Founders stock options equal to (a) the sum of (1) the Exchange Ratio multiplied by the Final Purchaser Price and (2) \$38.00 minus (b) the amount of the exercise price per share of such Founders stock options, which amount shall be paid in a lump sum as soon as administratively possible following the effective time of the Merger. In addition, Old National has agreed to cause Founders' and Founders Bank & Trust's directors and officers to be covered for a period of six years after the effective time of the Merger by Founders' existing directors' and officers' liability insurance policy and fiduciary liability policy (or a substitute policy obtained by Old National having the same coverages and amounts and terms and conditions that are not less advantageous to such directors and officers) with respect to acts or omissions occurring before the effective time of the Merger; provided that Old National shall

Number, Classification and Qualifications of Directors

The Old National By-Laws provide that the board of directors shall be comprised of 15 members. All directors of Old National are elected for terms expiring at the next annual meeting of the shareholders and until their respective successors have been duly elected and qualified or such director's earlier resignation, death or removal. Any vacancy occurring on the board of directors, whether resulting from an increase in the number of directors or otherwise, may be filled by the affirmative vote of not less than a majority of the remaining directors then in office, even though such directors remaining in office may constitute less than a quorum of the board of directors.

The Old National Articles provide that directors need not be shareholders of Old National. The Old National By-Laws provide that a director shall not qualify to serve as such effective as of the end of the term during which he or she becomes 75 years of age. The Old National By-Laws further provide that the board of directors may establish other qualifications for directors in its Corporate Governance Guidelines in effect from time to time.

The Founders Articles provide that the board of directors shall be comprised of not less than seven directors, with the exact number of directors to be determined by resolution adopted by the affirmative vote of at least two-thirds of the entire board of directors. The Founders board of directors currently consists of 11 members. The Founders Articles further provide for the board of directors to be divided into three classes, with directors in each class elected to staggered three-year terms. Holders of common stock are entitled to elect one class of directors constituting approximately one-third of the board of directors for a three-year term at each annual meeting of shareholders. Consequently, it could take two annual elections to replace a majority of the Founders board of directors.

The Founders Articles provide that directors must be permanent residents of Kent County, Michigan, for at least 24 months prior to commencing services as a director. This qualification can be waived as to any director by the affirmative vote of at least two-thirds of the board of directors. The board of directors has exclusive discretion to determine a potential director's qualification, subject to any election rights of shareholders pursuant to the MBCA, the Founders Articles, and the Founders Bylaws.

The Founders Bylaws provide that directors must be at least 21 years of age, and must be U.S. citizens.

The Founders Articles provide that subject to the rights of holders of preferred stock then outstanding, any vacancies on the board of directors, or newly created director positions, shall be filled by a majority vote of directors then in office, whether or not a quorum. A director chosen to fill a vacancy or newly created

position will serve until the next election for such director's respective class. Any newly created or eliminated positions shall be appointed by the board among the classes to make all classes as equal in number as possible.

Election of Directors

Old National's directors are elected by a plurality of the votes cast by the shares entitled to vote at a meeting at which a quorum is present. Old National's board of

directors has adopted a corporate governance policy regarding director elections that is contained in Old National's Corporate Governance Guidelines. The policy provides that in any uncontested election, any nominee for director who receives a greater number of votes withheld for his or her election than votes for such election will tender his or her resignation as a director promptly following the certification of the shareholder vote. Old National's Corporate Governance and Nominating Committee of its board of directors, without participation by any director so tendering his or her resignation, will consider the resignation offer and recommend to the board of directors whether to accept it. The board of directors, without participation by any director so tendering his or her resignation, will act on the Corporate Governance and Nominating Committee's recommendation no later than 90 days following the date of the annual meeting of shareholders at which the election occurred. If the board of directors decides to accept the director's resignation, the Corporate Governance and Nominating Committee will recommend to the board of directors whether to fill the resulting vacancy or to reduce the size of the board. Old National will promptly disclose the decision of its board of directors and the reasons for the decision in a broadly disseminated press release that will also be filed with the SEC on a Form 8-K.

Founders**Removal of Directors**

Under the IBCL, directors may be removed in any manner provided in the corporation's articles of incorporation. In addition, the shareholders or directors may remove one or more directors with or without cause, unless the articles of incorporation provide otherwise. The Old National By-Laws provide that any director or the entire board of directors (exclusive of directors who may be elected by the holders of one or more series of preferred stock) may be removed, with or without cause, only by (i) the affirmative vote of the holders of not less than two-thirds (2/3) of the outstanding shares of Old National common stock at a meeting of shareholders called expressly for the purpose of removing one or more directors, or (ii) the affirmative vote of not less than two-thirds (2/3) of the actual number of directors elected and qualified and then in office.

Under the MBCA, unless the articles of incorporation provide otherwise, shareholders may remove a director or the entire board of directors with or without cause. Founders Articles provide that a director may be removed only for good cause, as defined in the Founders Articles, which is determined by the affirmative vote of two-thirds of the total number of directors (without including the director subject to the removal determination).

Upon receipt of a request from a shareholder to remove a director, the board of directors shall determine if good cause for removal exists by the affirmative vote of at least two-thirds of the entire board of directors. The director subject to the removal determination is excluded from the total

number of directors and is not entitled to vote on the removal or related matters. Upon the board of directors finding good cause for removal, a director may be removed at an election meeting or a special meeting of shareholders by the affirmative vote of a majority of the shares entitled to vote.

Table of Contents**Old National****Founders****Transactions Involving Directors**

The Old National Articles allow directors to have an interest in a contract or transaction with Old National, if the interest is disclosed to or known by the board of directors, and the board authorizes, approves or ratifies the contract or transaction by a majority vote of those present, with the interested director to be counted in determining the existence of a quorum, but not in calculating a majority to approve the transaction. In addition, the IBCL allows a director to have a direct or indirect interest in a transaction with Old National if any of the following circumstances have been established: (i) the transaction was fair to Old National; (ii) the material facts of the transaction and the director's interest were disclosed or known to the board of directors or a committee of the board and the board of directors or committee authorized, approved or ratified the transaction; or (iii) the material facts of the transaction and the director's interest were disclosed or known to the shareholders entitled to vote and they authorized, approved or ratified the transaction. A transaction is authorized, approved or ratified under clause (ii) above if it received the affirmative vote of the majority of the directors on the board or the committee who had no interest in the transaction, but a transaction may not be authorized, approved or ratified by a single director. For purposes of the shareholder vote to authorize, approve or ratify a transaction under clause (iii) above, shares owned by or voted under the control of the interested director may be counted in the vote.

The MBCA allows a director to have a direct or indirect interest in a transaction with Founders if any of the following circumstances have been established: (1) the transaction was fair to Founders at the time it was entered into; (2) the material facts of the transaction and the director's interest were disclosed or known to the board of directors, a committee of the board or the independent director or directors, and the board of directors, committee or independent director or directors authorized, approved or ratified the transaction; or (3) the material facts of the transaction and the director's interest were disclosed or known to the shareholders entitled to vote and they authorized, approved or ratified the transaction. A transaction is authorized, approved or ratified under clause (2) above if it received the affirmative vote of the majority of the directors on the board or the committee who had no interest in the transaction, though less than a quorum, or all independent directors who had no interest in the transaction. A transaction is authorized, approved or ratified under clause (3) above if it received the majority of votes cast by the holders of shares who did not have an interest in the transaction.

Director Liability

Pursuant to the IBCL, an Old National director will not be liable to Old National shareholders for any action or failure to act in his or her capacity as director, unless the director has breached or failed to perform his or her duties as a director in good faith, with the care an ordinarily prudent person in a like position would exercise under similar circumstances and in a manner the director reasonably believes to be in the best interests of the corporation, and the breach or failure to perform these duties constitutes willful misconduct or recklessness.

The MBCA provides that a corporation's articles of incorporation may provide that a director will not be personally liable to the corporation or its shareholders for any action taken or any failure to take any action as a director, with the exception of liability for certain actions. The Founders Articles provide that a director of Founders will not be personally liable to Founders or its shareholders for monetary damages for a breach of the director's fiduciary duty to the extent permitted by the MBCA.

Unless limited by its articles of incorporation, a corporation must indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because the director is or was a director of the corporation against reasonable expenses incurred by the director in defense of the proceeding. In addition, unless limited by its articles of incorporation, an officer of a corporation, whether or not a director, is entitled to mandatory indemnification to the same extent as a director, and a corporation may also indemnify and advance expenses to an officer, employee or agent to the same extent as to a director.

The Old National Articles and Old National By-Laws provide that every person who is or was a director, officer or employee of Old National or any other corporation for which he or she is or was serving in any capacity at the request of Old National shall be indemnified by Old National against any and all liability and expense that may be incurred by him or her in connection with, resulting from, or arising out of any claim, action, suit or proceeding, provided that the person is wholly successful with respect to the claim, action, suit or proceeding, or acted in good faith in what he reasonably believed to be in or not opposed to the best interests of Old National or any other corporation for which he or she is or was serving in any capacity at the request of Old National. Old National will also indemnify each director, officer and employee acting in such capacity in connection with criminal proceedings provided the director, officer or employee had no reasonable cause to believe that his or her conduct was unlawful. The indemnification by Old National extends to attorney fees,

person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders, and with respect to a criminal action or proceeding, if the person had no reasonable cause to believe his or her conduct was unlawful.

Additionally, to the extent that a director or officer of a corporation has been successful on the merits or otherwise in defense of a proceeding, the corporation must indemnify him or her against actual and reasonable expenses, including attorney's fees, incurred by him or her in connection with the action.

The Founders Articles require Founders to indemnify any director to the fullest extent permitted by law in connection with any actual or threatened civil, criminal, administrative or investigative action, suit or proceeding (whether brought by or in the name of Founders, a subsidiary, or otherwise) arising out of his or her service as a director, trustee, officer, or any other capacity to Founders, a subsidiary, a trust or any other person at the request of Founders or a subsidiary. Founders may similarly indemnify any person who is not a director to the extent authorized by the board of directors or the Founders Bylaws. The Founders Bylaws may expand, but not diminish, the scope of indemnification provided in the Founders Articles.

The Founders Bylaws require Founders to indemnify directors and executive officers against actions brought by a party other than Founders (i.e., against expenses, attorneys' fees, judgments, penalties, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action) if the director or executive officer acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interest of Founders or its shareholders, and, with respect to criminal actions or proceedings, had no reasonable cause to believe his or

The IBCL permits Old National to purchase insurance on behalf of its directors, officers, employees and agents against liabilities arising out of their positions with Old National, whether or not such liabilities would be within the above indemnification provisions. If the director or executive officer is found liable to Founders, indemnification will only be made after determination by a court. Non-directors and executive officers of Founders can be similarly indemnified to the extent authorized by the board of directors. Any such indemnification of a director or executive officer (unless ordered by a court) must be authorized upon a determination that indemnification of the director or executive officer is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the Bylaws, which requires (1) the majority vote of a quorum of the board of directors consisting of directors who are not parties or threatened to be made parties to the action; (2) the majority vote of a committee consisting solely of two or more directors who are not parties or threatened to be made parties to the action, if a quorum is not obtainable; (3) by independent legal counsel; (4) by all independent directors who are not parties or threatened to be made parties to the action; or (5) by the shareholders, without the vote of shares held by directors or executive officers who are parties or threatened parties to the action.

The MBCA and the Founders Articles and Bylaws permit Founders to purchase insurance on behalf of its directors, officers, employees and agents against liabilities arising out of their positions with Founders, whether or not such liabilities would be within the above indemnification provisions. Pursuant to this authority, Founders maintains such insurance for the directors, officers, employees, and agents of Founders and any bank subsidiary of Founders.

Such notice must be delivered to the Secretary at least 120 days before an annual election meeting and not more than seven days following the notice of a special meeting.

Shareholder proposals for business to be considered at a meeting or by written consent must be submitted by a shareholder who has been a record owner of at least 1% of Founders common stock for at least one year and who submits the proposal not less than 120 days prior to the shareholders' action. Subject to applicable laws and regulations, the board of directors has discretion regarding including or excluding shareholder proposals in proxy statements.

Special Meetings of Shareholders

The Old National By-Laws provide that special meetings of shareholders may be called by the board of directors, the Chairman of the Board, the Chief Executive Officer or the President of Old National, and shall be called by the Chairman of the Board, the Chief Executive Officer, the President or the Secretary at the written request of a majority of the members of the board of directors or upon delivery to Old National's Secretary of a signed and dated written demand for a special meeting from the holders of at least 25% of all the votes entitled to be cast on any issue proposed to be considered at the proposed special meeting.

The Founders Bylaws provide that special meetings of shareholders may be called by resolution of a majority of the board of directors or by the Chairman or the President of Founders. Shareholders have no ability to call a special meeting or require the board to call a special meeting of shareholders. The MBCA permits shareholders holding at least 10% of the voting shares to request the appropriate circuit court to order a special meeting of shareholders for good cause shown.

Shareholder Action Without a Meeting

The Old National Articles provide that any action required or permitted to be taken at any meeting of the shareholders may be taken without a meeting if a consent in writing setting forth the action is signed by all the shareholders entitled to vote with respect to it, and the consent is filed with the minutes of the proceedings of the shareholders.

The MBCA provides that any action required or permitted to be taken at an annual or special meeting of shareholders of a Michigan corporation may be taken without a meeting, without prior notice, and without a vote, if before or after the action all of the shareholders entitled to vote consent in writing.

in its articles of incorporation to specify a higher shareholder vote requirement for certain amendments. Certain provisions of the Old National Articles may only be altered, amended or repealed by the affirmative vote of the holders of not less than 80% of the outstanding shares of Old National common stock, given at a meeting of shareholders duly called for that purpose, upon a proposal adopted and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National. These provisions include Article VIII, Section 11 (relating to the approval of certain business combinations), Article VIII, Section 12 (relating to the board's consideration of certain non-financial factors in the evaluation of business combinations) and Article VIII, Section 13 (relating to limitations on further purchases of shares by shareholders who own 15% or more of Old National's outstanding shares).

The Old National Articles and the Old National By-Laws provide that the Old National By-Laws may only be altered, amended or repealed by a majority vote of the total number of directors of Old National.

Business Combination Restrictions and Other Shareholder Limitations*Business Combinations*

The Old National Articles require the affirmative vote of not less than 80% of the outstanding shares of Old National common stock to approve certain business combinations, including a merger or consolidation of Old National with or into any other corporation, which are not approved and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National. All other business combinations require the affirmative vote of a majority of the outstanding shares of Old National common stock. Certain provisions of the Founders Articles may only be amended by the affirmative vote of at least two-thirds of the holders of outstanding common stock entitled to vote. These provisions include Article VI (Directors), Article VII (Limitation of Directors Liability), Article VIII (Indemnification), Article X (Shareholder Proposals), Article XI (Business Combinations), Article XII (Dissenter's Rights), and Article IX (Amendments).

The Founders Bylaws may be amended by the affirmative vote of two-thirds of the board of directors at any regular or special meeting of the board of directors, or by the shareholders by an affirmative of at least two-thirds of the holders of outstanding common stock entitled to vote.

The increased voting requirements for shareholders regarding amendments to the Founders Articles and Founders Bylaws described above are not applicable if the proposed amendment is recommended to the shareholders by the affirmative vote of not less than two-thirds of the members of the Founders board of directors, which shall include the affirmative vote of at least one director of each class.

Business Combinations

The Founders Articles define a business combination as any of the following transactions: merger, share exchange, asset sale, plan of liquidation, change of control, binding commitment, and other transactions that have the same effect as the aforementioned. The Founders Articles provide that the board of directors shall evaluate any business combination proposal for compliance with all applicable laws, and shall then evaluate the proposal to determine whether it is in the best interests of Founders, including its shareholders and subsidiaries. The directors have exclusive

directors of Indiana corporations, in their discretion, may consider both the short-term and long-term interests of the corporation, taking into account and weighing, as the directors deem appropriate, the effects of such action or inaction on the corporation's shareholders and other constituencies as well as certain interests described in the IBCL and any other factors the directors consider relevant. The Old National Articles require the board of directors, in connection with exercising its business judgment in determining what is in the best interests of Old National and its shareholders when evaluating a business combination or a tender or exchange offer, consider factors in addition to the adequacy of the financial consideration, such as the following factors and any other factors it deems relevant: the social and economic effects of the transaction on Old National and its subsidiaries, depositors, loan and other customers, creditors and other elements of the communities in which Old National and its subsidiaries operate or are located; the business and financial condition and earning prospects of the acquiring person or entity, including, but not limited to, debt service and other existing or likely financial obligations of the acquiring person or entity, and the possible effect of such conditions upon Old National and its subsidiaries and the other elements of the communities in which Old National and its subsidiaries operate or are located; and the competence, experience and integrity of the acquiring person or entity and its management. This provision of the Old National Articles may not be altered, amended or repealed except by the affirmative vote of the holders of not less than 80% of the outstanding shares of Old National common stock, given at a meeting of shareholders duly called for that purpose, on a proposal adopted and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National.

The inclusion of the foregoing requirement in the Old National Articles, as well as the flexibility provided to directors under the IBCL to consider non-financial factors and other interests in connection with the evaluation of a business combination transaction, may place the Old National board of directors in a stronger position to oppose a business combination transaction if the board concludes that the transaction would not be in the best interests of Old National and its shareholders, even if the price offered in

Shareholder action to approve a business combination cannot be approved by written consent in lieu of a meeting. In addition to any affirmative vote required by the MBCA, the affirmative vote of not less than two-thirds of the holders of outstanding common stock entitled to vote, and, if applicable, preferred stock, is required for the approval or authorization of any business combination. The Founders Articles provide that shareholders may dissent from any business combination (except pursuant to a court-ordered sale) regardless of whether shareholders would have the right to dissent under the MBCA, unless that action is approved by an affirmative vote of at least two-thirds of the entire board of directors, including the affirmative vote of at least one director of each class.

Michigan Fair Price Act

Michigan's Fair Price Act applies to Founders. The Fair Price Act requires a vote of the holders of 90% of outstanding shares and a vote of the holders of at least two-thirds of disinterested shares to approve a business combination. The Fair Price Act defines a business combination to include any merger, consolidation, share exchange, sale of assets, stock issue, liquidation or reclassification of securities involving an interested shareholder or certain affiliates. An interested shareholder is generally any person who owns 10% or more of the outstanding voting shares of the corporation. An affiliate is a person who directly or indirectly controls, is controlled by, or is under the common control of a specified person.

The supermajority vote required by the Fair Price Act does not apply to business combinations that satisfy certain conditions. These conditions include, among others:

Under the business combinations provision of the IBCL, any shareholder who acquires a 10%-or-greater ownership position in an Indiana corporation with a class of voting shares registered under Section 12 of the Securities Exchange Act of 1934 (and that has not opted-out of this provision) is prohibited for a period of five years from completing a business combination (generally a merger, significant asset sale or disposition or significant issuance of additional shares) with the corporation unless, prior to the acquisition of such 10% interest, the board of directors of the corporation approved either the acquisition of such interest or the proposed business combination. If such board approval is not obtained, then five years after a 10% shareholder has become such, a business combination with the 10% shareholder is permitted if all provisions of the articles of incorporation of the corporation are complied with and either a majority of disinterested shareholders approves the transaction or all shareholders receive a price per share determined in accordance with the fair price criteria of the business combinations provision of the IBCL. An Indiana corporation may elect to remove itself from the protection provided by the Indiana business combinations provision, but such an election remains ineffective for 18 months and does not apply to a combination with a shareholder who acquired a 10% ownership position prior to the election. Old National has not elected to remove itself from the protections of this provision.

any additional shares of the corporation except as part of the transaction that resulted in the interested shareholder becoming an interested shareholder or by virtue of proportionate stock splits or stock dividends.

The requirements of the Fair Price Act do not apply to business combinations with an interested shareholder that the board of directors has approved or exempted from the requirements of the Fair Price Act by resolution adopted before the interested shareholders first became an interested shareholder.

Control Share Acquisitions

The IBCL includes a control share acquisition provision. Under the control share acquisition provision, unless otherwise provided in the corporation's articles of incorporation or by-laws, if a shareholder acquires shares of the corporation's voting stock (referred to as control shares) within one of several specified ranges (one-fifth or more but less than one-third, one-third or more but less than a

majority, or a majority or more), approval of a majority of the disinterested shareholders must be obtained before the acquiring shareholder may vote the control shares. Under certain circumstances, including in the event that shareholder approval is not obtained, the shares held by the acquirer may be redeemed by the corporation at the fair value of the shares as determined by the control share acquisition

provision. Old National is subject to the control share acquisition provision. The control share acquisition provision does not apply to a plan of merger or share exchange, if the corporation complies with the applicable merger provisions and is a party to the plan of merger or plan of share exchange.

Limitations on Significant Shareholders

The Old National Articles provide that shareholders who acquire 15% of the outstanding Old National common stock and who seek to acquire, directly or indirectly, additional shares of common stock in connection with a tender or exchange offer, open market purchase or business combination must offer and pay for such additional shares a consideration that is at least equal to the highest percent over market value paid to acquire Old National common stock then held by such person. Any purchases of shares in violation of this provision are null and void. This provision of the Old National Articles may not be altered, amended or repealed except by the affirmative vote of the holders of not less than 80% of the outstanding shares of Old National common stock, given at a meeting of shareholders duly called for that purpose, upon a proposal adopted and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National.

a United States citizen or resident alien;

a corporation, or other entity taxable as a corporation for United States federal income tax purposes, created or organized under the laws of the United States or any state therein or the District of Columbia;

a trust if (1) it is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust, or (2) it was in existence on August 20, 1996 and has a valid election in effect under applicable Treasury Regulations to be treated as a United States person; and

an estate, the income of which is subject to United States federal income taxation regardless of its source.

If a partnership (including an entity treated as a partnership for United States federal income tax purposes) holds Founders common stock, the tax treatment of a partner in the partnership will generally depend on the status of such partner and the activities of the partnership.

Old National and Founders have structured the Merger to qualify as a reorganization within the meaning of Section 368(a)(1)(A) of the Code. The obligations of Old National and Founders to consummate the Merger are conditioned upon the receipt of an opinion from Krieg DeVault LLP for its client, Old National, and an opinion from Warner Norcross for its client, Founders, to the effect that the Merger will for federal income tax purposes qualify as a reorganization based upon customary representations made by Old National and Founders.

Table of Contents

Old National and Founders have not requested and do not intend to request any ruling from the Internal Revenue Service. Old National urges each Founders shareholder to consult such shareholder's own tax advisors as to the specific tax consequences resulting from the Merger, including tax return reporting requirements, the applicability and effect of federal, state, local and other applicable tax laws and the effect of any proposed changes in the tax laws. The Merger will constitute a reorganization within the meaning of Section 368(a)(1)(A) of the Code and therefore, the material United States federal income tax consequences of the Merger are as follows:

no gain or loss will be recognized by Old National, its subsidiaries or Founders or Founders Bank & Trust by reason of the Merger;

you will not recognize gain if you exchange your Founders common stock for Old National common stock, except to the extent of any cash received (see discussion below);

you will not recognize any loss if you exchange your Founders common stock for Old National common stock, even if you might otherwise recognize a loss in a sale to a third party;

your aggregate tax basis in the Old National common stock that you receive in the Merger will equal your aggregate tax basis in the Founders common stock you surrendered, decreased by the amount of cash received and increased by the amount of any gain recognized; and

your holding period for the Old National common stock that you receive in the Merger will include your holding period for the shares of Founders common stock that you surrender in the Merger.

Exchange of Founders Common Stock for Cash and Old National Common Stock. Founders shareholders will exchange all of their Founders common stock for a combination of Old National common stock and cash in the Merger. Accordingly, shareholders will recognize gain (but not loss) in an amount equal to the lesser of (i) the amount of cash received in the Merger; and (ii) the excess, if any, of (a) the sum of the amount of cash and the fair market value of the Old National common stock received in the Merger above (b) the Founders shareholder's aggregate tax basis in its Founders common stock surrendered in exchange therefor.

The gain recognized upon receipt of a combination of stock and cash will be capital gain unless the Founders shareholder's receipt of cash has the effect of a distribution of a dividend, in which case the gain will be treated as ordinary income to the extent of the holder's ratable share of Founders' accumulated earnings and profits, as calculated for U.S. federal income tax purposes. For purposes of determining whether a Founders shareholder's receipt of cash has the effect of a distribution of a dividend, the Founders shareholder will be treated as if he, she or it first exchanged all of his, her or its Founders common stock solely in exchange for Old National common stock and then Old National immediately redeemed a portion of that stock for the cash that the holder actually received in the Merger (referred to herein as the "deemed redemption"). Receipt of cash will generally not have the effect of a dividend to the Founders shareholder if such receipt is, with respect to the Founders shareholder, not essentially equivalent to a dividend or substantially disproportionate, each within the meaning of Section 302(b) of the Code. In order for the deemed redemption to be not essentially equivalent to a dividend, the deemed redemption must result in a meaningful reduction in the shareholder's deemed percentage stock ownership of Old National following the Merger. The determination generally requires a comparison of the percentage of the outstanding stock of Old National the

shareholder is considered to have owned immediately before the deemed redemption to the percentage of the outstanding stock of Old National the shareholder owns immediately after the deemed redemption. The Internal Revenue Service has indicated in rulings that any reduction in the interest of a minority shareholder that owns a small number of shares in a publicly and widely held corporation and that exercises no control over corporate affairs would result in capital gain (as opposed to dividend) treatment.

For purposes of applying the foregoing tests, a shareholder will be deemed to own the stock the shareholder actually owns and the stock the shareholder constructively owns under the attribution rules of Section 318 of the Code. Under Section 318 of the Code, a shareholder will be deemed to own the shares of stock owned by certain

Table of Contents

family members, by certain estates and trusts of which the shareholder is a beneficiary, and by certain affiliated entities, as well as shares of stock subject to an option actually or constructively owned by the shareholder or such other persons. If, after applying these tests, the deemed redemption results in a capital gain, the capital gain will be long-term if the Founders shareholder's holding period for its Founders common stock is more than one year as of the date of the exchange. If, after applying these tests, the deemed redemption results in the gain recognized by a Founders shareholder being classified as a dividend, such dividend will be treated as either ordinary income or qualified dividend income.

Any gain treated as qualified dividend income will be taxable to individual Founders shareholders at the long-term capital gains rate, provided that the shareholder held the shares giving rise to such income for more than 60 days during the 121 day period beginning 60 days before the closing date. The determination as to whether a Founders shareholder will recognize a capital gain or dividend income as a result of its exchange of Founders common stock for a combination of Old National common stock and cash in the Merger is complex and is determined on a shareholder-by-shareholder basis. Accordingly, each Founders shareholder is urged to consult such shareholder's own tax advisor with respect to this determination.

A Founders shareholder's aggregate tax basis in the Old National common stock received in the Merger will be equal to the shareholder's aggregate tax basis in such shareholder's Founders common stock surrendered, decreased by the amount of any cash received and increased by the amount of any gain recognized. A Founders shareholder's holding period for Old National common stock received in the Merger will include the holding period of the Founders common stock surrendered in the Merger.

Backup Withholding and Information Reporting. Payments of cash to a holder of Founders common stock may, under certain circumstances, be subject to information reporting and backup withholding at a rate of 28% of the cash payable to the holder, unless the holder provides proof of an applicable exemption or furnishes his, her or its taxpayer identification number, and otherwise complies with all applicable requirements of the backup withholding rules. Any amounts withheld from payments to a holder under the backup withholding rules are not additional tax and will be allowed as a refund or credit against the holder's U.S. federal income tax liability, provided the required information is furnished to the Internal Revenue Service.

Tax on Net Investment Income. Certain U.S. Holders whose income exceeds certain threshold amounts will be subject to a 3.8% Medicare contribution tax on net investment income in tax years beginning on or after January 1, 2013. Net investment income is generally the excess of dividends and capital gains with respect to the sale, exchange, or other disposition of stock over allowable deductions. Each Founders shareholder is urged to consult his, her or its tax advisor to determine their own particular tax consequences with respect to the Merger Consideration to be received in the Merger and the net investment income tax.

The preceding discussion is intended only as a summary of material United States federal income tax consequences of the Merger. It is not a complete analysis or discussion of all potential tax effects that may be important to you. Thus, Founders urges Founders shareholders to consult their own tax advisors as to the specific tax consequences to them resulting from the Merger, including tax return reporting requirements, the applicability and effect of federal, state, local, and other applicable tax laws and the effect of any proposed changes in the tax laws.

PROPOSAL 2 ADJOURNMENT OF THE SPECIAL MEETING

The shareholders of Founders are being asked to approve a proposal to adjourn or postpone the special meeting to permit further solicitation of proxies in the event that an insufficient number of shares is present in person or by proxy to approve the Merger Agreement.

Under the MBCA and the Founders Articles, the holders of at least two-thirds of the outstanding shares of common stock of Founders entitled to vote are required to approve the Merger Agreement. It is rare for a

Table of Contents

company to achieve 100% (or even 90%) shareholder participation at an annual or special meeting of shareholders, and only holders of a majority of the outstanding shares of common stock of Founders are required to be represented at the special meeting, in person or by proxy, for a quorum to be present. In the event that shareholder participation at the special meeting is lower than expected, Founders would like the flexibility to postpone or adjourn the meeting in order to attempt to secure broader shareholder participation. If Founders desires to adjourn the special meeting, Founders will request a motion that the special meeting be adjourned, and delay the vote on the proposal to approve the Merger Agreement until the special meeting is reconvened. If Founders adjourns the special meeting for 30 days or less, Founders will not set a new record date nor will it announce prior to adjournment the date, time and location at which the special meeting will be reconvened; no other notice will be provided.

Any adjournment will permit Founders to solicit additional proxies and will permit a greater expression of the views of Founders shareholders with respect to the Merger. Such an adjournment would be disadvantageous to shareholders who are against the proposal to approve the Merger Agreement because an adjournment will give Founders additional time to solicit favorable votes and increase the chances of approving that proposal. Founders has no reason to believe that an adjournment of the special meeting will be necessary at this time.

The Founders board of directors unanimously recommends that Founders shareholders vote FOR approval of the Adjournment Proposal.

The Merger Agreement permits Founders to continue to declare and pay quarterly cash dividends prior to the effective time of the Merger at rates not to exceed \$0.25 per share, paid in a manner consistent with past practice.

The payment of dividends by Founders and Founders Bank & Trust is affected by various regulatory requirements and policies, such as the requirement to maintain adequate capital above regulatory guidelines. The

Table of Contents

prompt corrective action provisions of the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA) impose further restrictions on the payment of dividends by insured banks which fail to meet specified capital levels and, in some cases, their parent bank holding companies. FDICIA generally prohibits a depository institution from making any capital distribution (including payment of a dividend) or paying any management fee to its holding company if the depository institution would thereafter be undercapitalized. These regulations and restrictions may limit Founders ability to obtain funds from Founders Bank & Trust for Founders cash needs, including payments of dividends and the payment of operating expenses.

Founders has issued stock options and restricted stock under its Stock Incentive Plan 2012 and a similar predecessor plan. This plan was authorized by the Founders board of directors and was not approved by Founders shareholders. As of the record date, a total of 24,089 shares of Founders Common Stock were subject to issuance upon exercise of outstanding stock options at a weighted average exercise price of \$30.80. A total of 122,253 additional shares of Founders Common Stock are authorized for issuance under the Stock Incentive Plan of 2012, but Founders has agreed in the Merger Agreement that it will not issue any additional stock options or restricted stock awards without the consent of Old National prior to the effective time of the Merger or termination of the Merger Agreement.

3. The Purchaser Board of Directors has, in light of and subject to the terms and conditions set forth in this Plan of Merger, resolved to adopt this Plan of Merger and to authorize the Merger and the other transactions contemplated by it; and

ARTICLE I

THE MERGER

1.1 *Merger*. Subject to the terms and conditions of this Plan of Merger, at the Effective Time, Company shall be merged with and into Purchaser and the separate corporate existence of Company shall cease. Company and Purchaser are each sometimes referred to as a *Constituent Corporation* prior to the Merger. At the Effective Time, the Constituent Corporations shall become a single corporation, which corporation shall be Purchaser (the *Surviving Corporation*). The effect of the Merger upon each of the Constituent Corporations and the Surviving Corporation shall be as provided in the IBCL and the MBCA, as applicable, with respect to the merger of corporations. Without limiting the generality of the foregoing, and subject to the IBCL and the MBCA, as applicable, at the Effective Time: (a) all the rights, privileges, powers, franchises, licenses, and interests in and to every type of property (whether real, personal, or mixed) of Company and Purchaser, shall vest in the Surviving Corporation, (b) all choses in action of Company and Purchaser shall continue unaffected and uninterrupted by the Merger and shall accrue to the Surviving Corporation, and (c) all debts, liabilities and duties of Company and Purchaser shall become the debts, liabilities and duties of the Surviving Corporation.

1.2 *The Closing*. Company and Purchaser shall consummate the Merger (the ***Closing***) (a) at the offices of Krieg DeVault LLP, at 10:00 a.m., local time, on a date to be agreed upon by Company and Purchaser, which

will be not later than two Business Days following satisfaction or waiver of the last of the conditions to Closing contained in *Article VI* (other than any conditions that by their nature are to be satisfied at the Closing) or (b) at such other place and time or on such other date as Company and Purchaser may mutually determine (the date on which the Closing actually occurs is referred to as the ***Closing Date***).

1.3 *Effective Time of Merger*. Upon completion of the Closing, Company and Purchaser shall each promptly execute and file a certificate of merger as required by the MBCA and the IBCL to effect the Merger (collectively, the ***Certificates of Merger*** , and individually, a ***Certificate of Merger***). No party shall take any action to revoke a Certificate of Merger after its filing without the written consent of the other party. The ***Effective Time*** of the Merger shall be the time and date when the Merger becomes effective as set forth in the Certificates of Merger, which may be the last day of the month in which the Closing occurs.

1.4 *Additional Actions*. At any time after the Effective Time, the Surviving Corporation may determine that deeds, assignments, or assurances or any other acts are necessary or desirable to vest, perfect, or confirm, of record or otherwise, in the Surviving Corporation its rights, title, or interest in, to, or under any of the rights, properties, or assets of Company and Purchaser acquired or to be acquired by the Surviving Corporation as a result of, or in connection with, the Merger, or to otherwise carry out the purposes of this Plan of Merger. Company and Purchaser grant to the Surviving Corporation an irrevocable power of attorney to execute and deliver all such deeds, assignments, and assurances and to do all acts necessary, proper, or convenient to accomplish this purpose. This irrevocable power of attorney shall only be operative following the Effective Time and at such time the officers and directors of the Surviving Corporation shall be fully authorized in the name of Company and Purchaser to take any and all such actions contemplated by this Plan of Merger.

1.5 *Surviving Corporation*. At the Effective Time, the Surviving Corporation shall have the following attributes until they are subsequently changed in the manner provided by Law:

1.5.1 *Name*. The name of the Surviving Corporation shall be Old National Bancorp .

1.5.2 *Articles of Incorporation*. The articles of incorporation of the Surviving Corporation shall be the articles of incorporation of Purchaser as in effect immediately prior to the Effective Time, without change.

1.5.3 *Bylaws*. The bylaws of the Surviving Corporation shall be the bylaws of Purchaser as in effect immediately prior to the Effective Time, without change.

1.5.4 *Officers*. The officers of the Surviving Corporation shall be the officers of Purchaser immediately before the Effective Time.

1.5.5 *Directors*. The directors of the Surviving Corporation shall be the directors of Purchaser immediately before the Effective Time.

1.6 *Reservation of Right to Revise Structure*. At Purchaser's election, the Merger may alternatively be structured so that (a) Company is merged with and into any other direct or indirect wholly-owned subsidiary of Purchaser or (b) any direct or indirect wholly-owned subsidiary of Purchaser is merged with and into Company; *provided, however*, that no such change shall (i) alter or change the amount or kind of the Merger Consideration or the treatment of the holders of Company Common Stock or Company Share-Based Awards, (ii) prevent the parties from obtaining the opinions of counsel referred to in *Section 6.2.5* and *Section 6.3.5* or otherwise cause the transaction to fail to qualify for the Intended Tax Treatment, or (iii) materially impede or delay consummation of the transactions contemplated by this Plan of Merger. In the event of such an election, the parties agree to execute an appropriate amendment to this Plan of

Merger (to the extent such amendment only changes the method of effecting the business combination and does not substantively affect this Plan of Merger or the rights and obligations of the parties or their respective shareholders) in order to reflect such election.

ARTICLE II

EFFECT OF MERGER ON CAPITAL STOCK

2.1 *Conversion of Securities.* At the Effective Time, by virtue of the Merger and without any action on the part of Company, Purchaser or any other Person:

2.1.1 *Cancellation of Excluded Shares.* Each share of Company Common Stock that is owned by Company (or by any of its wholly-owned Subsidiaries) or Purchaser (or by any of its wholly-owned Subsidiaries) (collectively, the ***Excluded Shares***), provided, however, that Excluded Shares shall not include Trust Account Shares or DPC Shares as defined in this Plan of Merger) immediately before the Effective Time will automatically be canceled and cease to exist without delivery of any consideration in exchange for or in respect of any Excluded Share.

2.1.2 *Conversion of Common Stock.* Each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than the Excluded Shares) shall be converted into the right to receive (i) \$38.00 in cash (the ***Cash Consideration***) and (ii) 3.25 (the ***Exchange Ratio***) fully paid and nonassessable shares of Purchaser Common Stock (collectively, the ***Merger Consideration***), whereupon such shares of Company Common Stock will no longer be outstanding and all rights with respect to such shares of Company Common Stock will cease to exist, except the right to receive the Merger Consideration, and any dividends or other distributions payable pursuant to *Section 2.4*, upon surrender of Certificates or Book-Entry Shares, in accordance with *Section 2.3*. No interest shall be paid or will accrue on any payment to holders of Certificates or Book-Entry Shares pursuant to the provisions of this *Article II*.

2.2 *Stock Plans.*

2.2.1 Company and Purchaser shall take all requisite action so that, as of the Effective Time, each right of any kind, contingent or accrued, to receive Company Common Stock or benefits measured in whole or in part by the value of a number of shares of Company Common Stock under the Company Stock Plans (each, an ***Award***), whether vested or unvested, that is outstanding immediately prior to the Effective Time shall cease to represent an Award with respect to Company Common Stock, and shall be converted by virtue of the Merger and without any action on the part of the holder of that Award, into an award (as converted, a ***Converted Stock-Based Award***) with respect to a number of shares of Purchaser Common Stock equal to the product of (a) the aggregate number of shares of Company Common Stock subject to such Award, multiplied by (b) the sum of (i) the Exchange Ratio and (ii) \$38.00 divided by the Final Purchaser Price (the ***Converted Stock-Based Award Ratio***). As of the Effective Time, Purchaser will assume each of the Company Stock Plans.

2.2.2 All Converted Stock-Based Awards shall continue to have, and be subject to, the same terms and conditions set forth in the applicable Company Stock Plan and agreement to which such Converted Stock-Based Award was subject immediately prior to the Effective Time, except as otherwise provided in this Plan of Merger. The exercise price (if any) per share of Purchaser Common Stock applicable to any Converted Stock-Based Award shall be equal to (a) the per share exercise price of such Award immediately prior to the Effective Time divided by (b) the Converted Stock-Based Award Ratio. Prior to the Effective Time, Company shall make such amendments and take such other actions with respect to the Company Stock Plans as shall be necessary to effect the adjustment referred to in this *Section 2.2*, including notifying all participants in the Company Stock Plans of such adjustment.

2.2.3 Purchaser shall take all corporate action necessary to reserve for issuance a sufficient number of shares of Purchaser Common Stock for delivery upon exercise or settlement of the Converted Stock-Based Awards in accordance with this *Section 2.2*. As soon as reasonably practicable after the Effective Time, if and to the extent necessary to cause a sufficient number of shares of Purchaser Common Stock to be registered and issuable under

Converted Stock-Based Awards, Purchaser shall file a post-effective amendment to the Registration Statement or one or more registration statements on Form S-8 (or any successor or other appropriate form) with respect to the shares of Purchaser Common Stock subject to Converted Stock-Based Awards and shall use its commercially reasonable efforts to maintain the

effectiveness of such registration statement or registration statements (and maintain the current status of the prospectus or prospectuses contained therein) for so long as such Converted Stock-Based Awards remain outstanding.

2.2.4 Notwithstanding the foregoing, within 45 days after the date of this Plan of Merger, any holder may elect and consent to the cash-out of all of the holder's Company stock options, by virtue of the Merger and without any further action on the part of the holder of such Company stock options, into an amount of cash for each share of Company Common Stock subject to such Company stock options equal to (a) the sum of (i) the Exchange Ratio multiplied by the Final Purchaser Price and (ii) the Cash Consideration minus (b) the amount of the exercise price per share of such Company stock options, which amount shall be paid in a lump sum as soon as administratively possible following the Effective Time.

2.3 Surrender of Shares; Exchange Procedure. As soon as reasonably practicable after the Effective Time, Purchaser shall mail to each holder of record of shares of Company Common Stock (other than the Excluded Shares), as of the Effective Time, a form of letter of transmittal (which shall be in customary form and reasonably acceptable to Company and shall specify that delivery will be effected, and risk of loss and title to Certificates or Book-Entry Shares will pass, only upon proper delivery of such Certificates or Book-Entry Shares to Purchaser upon adherence to the procedures set forth in the letter of transmittal) and instructions for use in effecting the surrender of Certificates or Book-Entry Shares in exchange for the Merger Consideration and any dividends or other distributions payable pursuant to *Section 2.4*.

Upon surrender of a Certificate or of Book-Entry Shares for cancellation to Purchaser, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may reasonably be required by Purchaser and reasonably acceptable to Company, each holder of a Certificate or of Book-Entry Shares shall be entitled to receive in exchange therefor (a) book-entry shares representing the number of shares of Purchaser Common Stock and cash in the amount of the Cash Consideration to which such holder is entitled pursuant to *Section 2.1.2*, and (b) any dividends or distributions payable pursuant to *Section 2.4*, and such Certificates and Book-Entry Shares so surrendered shall forthwith be canceled. Purchaser shall mail, or cause to be mailed, a statement of ownership relating to the shares of Purchaser Common Stock and a check for payment of the Cash Consideration within seven days after such a surrender of a Certificate or of Book-Entry Shares.

In the event of a transfer of ownership of Company Common Stock that is not registered in the transfer records of Company, payment of the Merger Consideration may be made to a Person other than the Person in whose name the Certificates or Book-Entry Shares so surrendered are registered if properly endorsed or otherwise in proper form for transfer and the Person requesting such payment shall pay any transfer or other Taxes required by reason of the transfer or establish, to the reasonable satisfaction of Purchaser, that such Taxes have been paid or are not applicable. Until surrendered as contemplated by this *Section 2.3.2*, each Certificate and Book-Entry Share shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration and any dividends or other distributions payable pursuant to *Section 2.4*.

2.4 Distributions with Respect to Unexchanged Shares. No dividends or other distributions with respect to Purchaser Common Stock with a record date on or after the Effective Time shall be paid to the holder of any unsurrendered Certificate or Book-Entry Share with respect to the shares of Purchaser Common Stock that the holder of such unsurrendered Certificate or Book-Entry Share has the right to receive upon the surrender of such unsurrendered Certificate or Book-Entry Share until the holder of such Certificate or Book-Entry Share shall have surrendered such Certificate or Book-Entry Share in accordance with this Article II. Subject to escheat or other applicable Law, following the surrender of any Certificate or Book-Entry Share, there shall be paid to the record holder of shares of Purchaser Common Stock issued in exchange therefor, without interest, with respect to such shares of Purchaser Common Stock (a) at the time of such surrender, the amount of dividends or other distributions with a record date and

a payment date on or after the Effective Time and on or prior to the date of

A-4

Table of Contents

such surrender and (b) at the appropriate payment date, the amount of dividends or other distributions with a record date on or after the Effective Time but prior to such surrender and a payment date subsequent to such surrender payable with respect to such shares of Purchaser Common Stock.

2.5 No Further Ownership Rights in Company Common Stock. The Merger Consideration and any dividends or other distributions payable pursuant to *Section 2.4* upon the surrender of Certificates or Book-Entry Shares in accordance with the terms of this *Article II* shall be deemed to have been in full satisfaction of all rights pertaining to the Company Common Stock formerly represented by such Certificates or Book-Entry Shares. At the close of business on the Closing Date, the share transfer books of Company shall be closed, and there shall be no further registration of transfers on the share transfer books of Company of shares of Company Common Stock that were outstanding immediately prior to the Effective Time. From and after the Effective Time, the holders of Certificates or Book-Entry Shares shall cease to have any rights with respect to shares of Company Common Stock, except as otherwise provided in this Plan of Merger or by applicable Law.

2.6 No Liability. To the fullest extent permitted by applicable Law, none of Company, Purchaser, or the Surviving Corporation will be liable to any Company Shareholder or any other Person in respect of any cash properly delivered to a Governmental Entity pursuant to any applicable abandoned property, escheat or similar Laws.

2.7 Lost, Stolen or Destroyed Certificates. In the event that any Certificate has been lost, stolen or destroyed, Purchaser will, upon the receipt of an affidavit of that fact by the holder of such Certificate in form and substance reasonably satisfactory to Purchaser, pay in exchange for such lost, stolen or destroyed Certificate, the Merger Consideration and any dividends or other distributions payable pursuant to *Section 2.4* payable in respect of the shares of Company Common Stock previously evidenced by such lost, stolen or destroyed Certificate. Purchaser in its discretion and as a condition precedent to the payment of the Merger Consideration and any dividends or other distributions payable pursuant to *Section 2.4*, may require the owner of such lost, stolen or destroyed Certificate to deliver a bond in such amount as Purchaser may reasonably direct (which amount shall be consistent with Purchaser's customary procedure for Purchaser's existing shareholders) as indemnity against any claim that may be made against Purchaser with respect to such Certificate.

2.8 Withholding Rights. Purchaser shall be entitled to deduct and withhold, or cause to be deducted or withheld, from the consideration otherwise payable pursuant to this Plan of Merger such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code, or any provision of state, local or foreign tax Law. To the extent that amounts are so withheld or paid over to or deposited with the relevant Governmental Entity by Purchaser, such withheld amounts shall be treated for all purposes of this Plan of Merger as having been paid to the Person in respect of which such deduction and withholding was made by Purchaser.

2.9 Adjustments. Notwithstanding anything to the contrary in this Article II, if, between the date of this Plan of Merger and the Effective Time, there is declared (with an effective time prior to the Effective Time) or effected a reorganization, reclassification, recapitalization, stock split (including a reverse stock split), split-up, stock dividend or stock distribution (including any dividend or distribution of securities convertible into Purchaser Common Stock or Company Common Stock), combination, exchange, or readjustment of shares with respect to, or rights issued in respect of, Purchaser Common Stock or Company Common Stock, the Exchange Ratio shall be proportionately adjusted accordingly to provide to the holders of Company Common Stock the same economic effect as contemplated by this Plan of Merger prior to such event. Notwithstanding any other provisions of this *Section 2.9*, no adjustment shall be made in the event of the issuance of additional shares of Purchaser Common Stock pursuant to any dividend reinvestment plan or direct investment plan of Purchaser, pursuant to the exercise of stock options awarded under any director, employee or affiliate stock option plans of Purchaser or its subsidiaries, or upon the grant or sale of shares or rights to receive shares to or for the account of any director, employee, or affiliate of Purchaser or any of its

subsidiaries pursuant to any stock option or other compensation or benefit plans of Purchaser, or in connection with the issuance of shares as merger consideration in a transaction where Purchaser is the surviving corporation.

A-5

Table of Contents**2.10 Upset Provision.**

2.10.1 After Closing is properly called pursuant to *Section 1.2*, Company shall have the right to terminate this Plan of Merger upon written notice to Purchaser if the Upset Condition then exists. The **Upset Condition** shall have occurred if both of the following conditions exist: (a) the Final Purchaser Price is less than \$11.13 (the **Floor Purchaser Price**); and (b) the number determined by dividing the Final Purchaser Price by \$13.91 (the **Initial Purchaser Price**) is less than the number obtained by subtracting (i) 20% from (ii) the quotient obtained by dividing the Final Index Price by the Initial Index Price. The **Final Purchaser Price** means the average closing price of Purchaser Common Stock for the 10 trading days ending on the sixth Business Day prior to the date of Closing on which shares of Purchaser Common Stock were actually traded in transactions reported on The NASDAQ Global Select Market (the **Pricing Period**). The **Initial Index Price** means the closing price of the Nasdaq Bank Index (Nasdaq:IXBK), a sector index maintained by the Nasdaq Stock Market (**Bank Index**) on July 24, 2014. The **Final Index Price** means the closing price of the Bank Index on the last day of the Pricing Period.

2.10.2 If the Upset Condition exists, Company shall have the right, exercisable at any time prior to 5:00 p.m., Eastern Time on the second Business Day after the last day of the Pricing Period (the **Exercise Period**) to (a) proceed with the Merger on the basis of the Exchange Ratio set forth in *Section 2.1.2*, subject to applicable adjustment as provided in *Section 2.9 and Section 2.11*, by delivering to Purchaser within the Exercise Period written notice of its decision to do so or by failing to deliver any notice to Purchaser; or (b) request Purchaser to adjust the Exchange Ratio by delivering to Purchaser within the Exercise Period written notice to such effect (an **Increase Notice**) to a ratio computed by multiplying the Exchange Ratio by a fraction that has as its numerator the Floor Purchaser Price and that has as its denominator the Final Purchaser Price (the **Adjusted Exchange Ratio**).

2.10.3 If the Upset Condition occurs and Purchaser receives an Increase Notice, Purchaser shall either accept or decline the Adjusted Exchange Ratio by delivering written notice of its decision to Company at or before 5:00 p.m., Eastern Time on the second Business Day after receipt of the Increase Notice (the **Acceptance Period**). If Purchaser accepts the Adjusted Exchange Ratio within the Acceptance Period, this Plan of Merger shall remain in effect in accordance with its terms except the Exchange Ratio shall be equal to the Adjusted Exchange Ratio. If Purchaser declines the Adjusted Exchange Ratio or fails to deliver written notice of its decision to accept or decline the Adjusted Exchange Ratio within the Acceptance Period, the Merger shall be abandoned and this Plan of Merger shall thereupon terminate without further action by Company or Purchaser effective as of 5:00 p.m., Eastern Time on the Business Day following the expiration of the Acceptance Period; *provided*, that if Purchaser so declines the Adjusted Exchange Ratio or fails to deliver written notice of its decision to accept or decline the Adjusted Exchange Ratio within the Acceptance Period, Company may, by written notice delivered to Purchaser at or before 5:00 p.m., Eastern Time on the Business Day following the expiration of the Acceptance Period, elect to proceed with the Merger on the basis of the Exchange Ratio set forth in *Section 2.1.2*, subject to applicable adjustment as provided in *Section 2.9 and 2.11*, and, upon such election, no abandonment of the Merger or termination of the Plan of Merger shall be deemed to have occurred, this Plan of Merger shall remain in effect in accordance with its terms, and the Closing shall thereafter occur, in accordance with the terms of this Plan of Merger.

2.11 **Adjustments to Exchange Ratio.** At the Effective Time, the Exchange Ratio shall be adjusted, if applicable, as follows (which Exchange Ratio, as adjusted as provided below and in *Section 2.9*, shall become the Exchange Ratio for purposes of this Plan of Merger):

2.11.1 **Shareholders' Equity.** If as of the end of the month prior to the Effective Time, the Company Consolidated Shareholders' Equity is less than \$39,200,000, the Stock Purchase Price shall be reduced by an amount equal to (x) \$39,200,000 minus (y) the Company Consolidated Shareholders' Equity as of the end of the month prior to the Effective Time (the **Shareholders' Equity Price Adjustment**).

A-6

Table of Contents

2.11.2 *Exchange Ratio Adjustment*. Subject to the satisfaction of *Section 2.11.1*, the Exchange Ratio shall be decreased to a quotient determined by dividing the Adjusted Stock Purchase Price by the total number of shares of the Company Common Stock outstanding at the Effective Time, and further dividing that number by the Final Purchaser Price.

2.11.3 As used in this *Article II*, the following terms shall have the meanings indicated below:

Adjusted Stock Purchase Price shall be equal to the Stock Purchase Price minus the Shareholders' Equity Price Adjustment.

Company Consolidated Shareholders' Equity shall be the consolidated shareholders' equity of Company excluding the net accumulated other comprehensive income/(loss), each as of the end of the last month which ends at least 21 days prior to the Effective Time, determined in accordance with GAAP to which shall be added the following amounts (which amounts shall also be calculated in accordance with GAAP): (a) any accruals, reserves, or charges resulting from expenses of the Merger and other transactions contemplated by this Plan of Merger, and (b) any accruals, reserves or charges taken by Company at the request of Purchaser pursuant to *Section 5.19*.

Stock Purchase Price shall be equal to the Exchange Ratio in effect at the time of adjustment multiplied by the Final Purchaser Price multiplied by the total number of shares of the Company Common Stock outstanding as of the Effective Time.

ARTICLE III

If such tail prepaid policy has been obtained, the Surviving Corporation shall maintain it in full force and effect for its full term and honor all obligations thereunder.

Board of Directors

Founders Financial Corporation

5200 Cascade Rd, SE

Grand Rapids, Michigan 49546

Members of the Board of Directors:

Founders Financial Corporation (Founders) has entered into an Agreement and Plan of Merger (the Agreement), dated as of July 25, 2014, with Old National Bancorp (ONB) pursuant to which Founders will be merged with and into ONB in a transaction (the Merger) for which each Founders share issued and outstanding immediately prior to the effective time of the Merger will be converted into shares of ONB common stock at an exchange ratio of 3.25 shares of ONB common stock plus \$38.00 in cash (the Proposed Consideration) for each Founders share.

You have asked us whether, in our opinion, the Proposed Consideration is fair to the shareholders of Founders from a financial point of view.

Donnelly Penman & Partners Inc. (Donnelly Penman) is an investment-banking firm of recognized standing. As part of our investment banking services, we are continually engaged in the valuation of businesses and securities in connection with mergers and acquisitions, secondary distributions of securities, private placements and valuations for ESOPs, going private transactions, corporate and other purposes.

During the past several years, Donnelly Penman has been engaged by Founders to perform valuation services for which customary compensation was received. On March 7, 2014, Donnelly Penman was engaged by Founders through a letter agreement (the Engagement Letter) in connection with the exploration of a possible sale of Founders. Pursuant to the Engagement Letter, Donnelly Penman received an initial advisory fee and in connection with the Merger will receive a fee for this fairness opinion and an additional success fee from Founders.

In arriving at our opinion, we engaged in discussions with members of the management teams of each of Founders and ONB concerning the historical and current business operations, financial conditions and prospects of both Founders and ONB and we reviewed, among other things:

the Agreement;

certain nonpublic information for Founders, including each of its Audited Financial Statements for the years ended December 31, 2013 and 2012, and the internal financial results for the each of the quarterly periods

ended on March 31, and June 30, 2014, provided by Founders management;

certain publicly-available information for ONB, including each of its Annual Reports to Shareholders and Annual Reports on Form 10-K for the years ended December 31, 2013, 2012 and 2011 and the quarterly report on Form 10-Q for the quarterly period ended on March 31, 2014;

certain information, including historical and forecasted financial information, relating to earnings, dividends, assets, liabilities and prospects of Founders furnished by senior management of Founders;

Founders' senior management projected earnings estimates for fiscal years 2014 through 2018, which were deemed reasonable by Founders' management;

the most recently available consensus analyst estimates for projected earnings for ONB for fiscal years 2014, 2015, and 2016;

the financial condition and operating results of certain other financial institutions that we deemed comparable;

a contribution analysis of Founders and ONB to the combined entity with regard to certain financial metrics as of June 30, 2014 and March 31, 2014, respectively;

the recent stock prices and trading activity for the common stock of ONB during the last ten years and up until the trading day prior to the execution of the Agreement;

various valuation analyses of Founders that we performed including a cash dividend analysis, analysis of comparable transactions, a dividend discount analysis, and an accretion/dilution analysis;

various valuation analyses of ONB that we performed including an analysis of comparable companies and a pro forma dividend discount analysis;

information with respect to the potential pro forma impact of the Merger; and

such other information, financial studies, analyses and investigations and such other factors that Donnelly Penman deemed relevant for the purposes of our opinion.

We have also held discussions with the senior management of Founders regarding past and current business operations, regulatory relations, financial condition and future prospects of Founders and such other matters as we have deemed relevant to our inquiry. We have also held discussions with the senior management of ONB with regard to their business operations, regulatory relations, and the published mean earnings estimates. We have relied upon the management of Founders and ONB as to the reasonableness and achievability of the financial and operating forecasts and projections (and the assumptions and bases therefore, including, but not limited to, any potential cost savings and operating synergies) prepared by and provided to us by management of Founders and ONB and we have assumed, at the direction of Founders and ONB that such forecasts and projections reflect the best currently available estimates and judgments of such managements and that such forecasts and projections will be realized in the amounts and in the time periods currently estimated by such managements and that they provide a reasonable basis upon which we could form our opinion. Such forecasts and projections were not prepared with the expectation of public disclosure. All such projected financial information is based on numerous variables and assumptions that are inherently uncertain, including, without limitation, factors related to general economic and competitive conditions. Accordingly, actual results could vary significantly from those set forth in such projected financial information. We have relied on this projected information without independent verification or analysis and do not in any respect assume any responsibility or liability for the accuracy or completeness thereof.

In conducting our review and arriving at our opinion, we, with your consent, have relied, without independent investigation, upon the accuracy and completeness of all financial and other information provided to us by Founders and ONB or upon publicly available information. We have assumed, with your consent, that the stock

consideration of the Merger will be treated as a tax-free reorganization for federal income tax reporting. We do not undertake any responsibility for the accuracy, completeness or reasonableness of, or any obligation independently to verify, such information. We have further relied upon the assurance of management of Founders and ONB that they were unaware of any facts that would make the information provided or available to us incomplete or misleading in any respect. We did not make any independent evaluations, valuations or appraisals of the assets or liabilities of Founders and ONB. We did not review any individual credit files and assumed that the aggregate allowances for credit losses relating to the loans of Founders and ONB were and will continue to be adequate after the Merger to cover such losses. Our opinion is necessarily based upon economic and market conditions and other circumstances as they existed and evaluated by us on the date of this letter. We do not have any obligation to update this opinion, unless requested by you in writing to do so, and we expressly disclaim any responsibility to do so in the absence of such a written request.

No limitations were imposed by Founders on us or on the scope of our investigation or the procedures that were followed by us in rendering this opinion. The form and amount of the Proposed Consideration was determined through arms length negotiations between Founders and ONB. We were not requested to opine as to, and this opinion does not address, Founders underlying business decision to proceed with or effect the Merger or the relative merits of the Merger compared to any alternative transaction that might be available to Founders. Further, this letter does not constitute a recommendation to the shareholders of Founders with respect to any approval of the Agreement or the Merger. Additionally, we were not requested to opine as to, and this opinion does not address, the fairness of the amount or nature of the compensation to any of Founders officers, directors or employees.

In our analyses, we have made numerous assumptions with respect to industry performance, business and economic conditions, and other matters, many of which are beyond the control of Founders and ONB. The credit, financial and stock markets have been experiencing unusual volatility and we express no opinion or view as to any potential effects of such volatility on Founders, ONB or the Merger. Further, for purposes of our analyses and this opinion, we have, with your agreement, assumed the value of a share of ONB Common Stock is equivalent to the current market price of ONB common stock and that the current market price of ONB common stock is a reasonable basis on which to evaluate ONB. Any estimates contained in our analyses are not necessarily indicative of future results or value, which may be significantly more or less favorable than such estimates. Estimates of values of companies do not purport to be appraisals or to necessarily reflect the prices at which companies or their securities actually may be sold. No company or merger utilized in our analyses was identical to Founders, ONB or the Merger. Accordingly, such analyses are not based solely on arithmetic calculations; rather, they involve complex considerations and judgments concerning differences in financial and operating characteristics of the relevant companies, the timing of the relevant mergers and prospective buyer interests, as well as other factors that could affect the public trading markets of Founders or companies to which it is being compared. None of the analyses performed by us was assigned a greater significance than any other.

We hereby consent to the reference to our opinion in the prospectus and proxy statement to be issued pursuant to the Agreement and to the inclusion of the foregoing opinion in the prospectus and proxy statement relating to the meeting of shareholders of Founders to be convened for the purpose of voting on the Merger. In giving such consent, we do not thereby admit that we come within the category of persons whose consent is required under Section 7 of the Securities Act of 1933 or the rules and regulations of the Securities and Exchange Commission thereunder. Further, we express no view as to the price or trading range for shares of the common stock of ONB following the consummation of the Merger.

This opinion has been reviewed and approved by the Donnelly Penman Fairness Opinion Committee in conformity with our policies and procedures established under the requirement of Rule 5150 of the Financial Industry Regulatory Authority (FINRA).

Based upon and subject to the foregoing, we are of the opinion that, as of July 25, 2014, the Proposed Consideration to be received by Founders shareholders under the Agreement is fair, from a financial point of view, to the shareholders of Founders.

Very truly yours,

Donnelly Penman & Partners Inc.
