SUBJECT TO COMPLETION, DATED OCTOBER 16, 2014

IMPORTANT SHAREHOLDER MEETING PLEASE VOTE TODAY

Dear Forest Oil Corporation Shareholder:

Forest Oil Corporation (Forest), Sabine Investor Holdings LLC (Sabine Investor Holdings) and FR XI Onshore AIV, LLC (AIV Holdings) have entered into a merger agreement providing for a combination of Forest's business with the business of Sabine Oil & Gas LLC (Sabine). In the transaction, Sabine Investor Holdings and AIV Holdings will contribute all of the equity interests of Sabine Oil & Gas Holdings LLC (Sabine Holdings) to Forest, with Sabine Holdings becoming a wholly owned subsidiary of Forest. In exchange for the contribution, Sabine Investor Holdings and AIV Holdings will receive shares of Forest common stock and convertible common-equivalent preferred stock, collectively representing approximately a 73.5% economic interest in Forest and 80% of the total voting power in Forest. Forest's current shareholders will continue to hold their shares of Forest common stock, which, following the transaction, will represent approximately a 26.5% economic interest in Forest and 20% of the total voting power in Forest.

Forest common shares are currently listed on the New York Stock Exchange (the NYSE) under the ticker symbol FST, and after the combination transaction is completed, Forest common shares will continue to be listed on the NYSE. Neither Sabine Holdings nor the Sabine units are listed on any national securities exchange.

To approve the combination transaction, Forest shareholders are being asked to approve the issuance of Forest stock to Sabine Investor Holdings and AIV Holdings as required by NYSE rules (the share issuance proposal), to approve an amendment to Forest's certificate of incorporation to increase the number of authorized common shares (the authorized share proposal) and three related proposals. The approval of the share issuance proposal requires the affirmative vote of holders of a majority of the Forest common shares present (in person or by proxy) at the special meeting and entitled to vote. The approval of the authorized share proposal requires the affirmative vote of holders of a majority of the outstanding Forest common shares. This proxy statement is being used to solicit proxies for a special meeting of Forest common shareholders to approve both proposals and each other proposal described in this proxy statement. **The Forest board has unanimously approved the merger agreement and determined that the combination transaction is advisable and in the best interests of Forest and its shareholders, and unanimously recommends that Forest shareholders vote FOR the share issuance proposal, the authorized share proposal and the other proposals to be voted on at the special meeting.**

We urge you to read this document, including the annexes, carefully and in their entirety. In particular, you should consider the matters discussed under Risk Factors beginning on page A-125, which contains a description of certain risks you may wish to consider in evaluating the combination transaction.

QUESTIONS AND ANSWERS ABOUT THE FOREST SPECIAL MEETING

The questions and answers below highlight only selected procedural information from this document. They do not contain all of the information that may be important to you. You should read carefully the entire document to fully understand the voting procedures for the Forest special meeting.

Q: Why am I receiving these materials?

A: On July 9, 2014, Sabine Investor Holdings, AIV Holdings, certain of their affiliated entities and Forest entered into an amended and restated merger agreement, which we refer to throughout this document as the merger agreement, providing for a combination of Forest's and Sabine's businesses.

In the combination transaction, Sabine Investor Holdings and AIV Holdings will contribute all of the equity interests of Sabine Holdings to Forest, with Sabine Holdings becoming a wholly owned subsidiary of Forest. In exchange for the contribution, (i) Sabine Investor Holdings and AIV Holdings will receive 123,837,490 and 39,874,020 shares of Forest common stock, respectively, and (ii) Sabine Investor Holdings and AIV Holdings will receive 1,258,900 and 405,349 shares of Forest Series A convertible common-equivalent preferred stock, respectively. Sabine Holdings and Sabine will subsequently merge into Forest, with Forest surviving the merger.

As a result of the combination transaction, current Forest common shareholders will continue to hold their shares of Forest common stock, which will (based on the number of Forest common shares outstanding as of May 5, 2014) represent approximately 42% of the issued and outstanding Forest common shares, representing approximately a 26.5% economic interest in Forest and 20% of the total voting power in Forest, and Sabine Investor Holdings and AIV Holdings will collectively hold approximately 58% of the issued and outstanding Forest common shares and 100% of the issued and outstanding Forest Series A convertible common-equivalent preferred shares, collectively representing approximately a 73.5% economic interest in Forest and 80% of the total voting power in Forest. If the 2014 LTIP Proposal is approved, it is currently contemplated that substantially all shares reserved under the 2014 LTIP will be used to grant awards to continuing employees in connection with the closing of the combination transaction or shortly thereafter, which will dilute the ownership percentages in Forest common shares listed above as well as the voting power of current Forest common shareholders, but will not affect the collective voting power of Sabine Investor Holdings and AIV Holdings, which will remain at 80%.

This document is being sent to Forest common shareholders in connection with a special meeting of Forest common shareholders to vote upon approval of the issuance of common shares and convertible common-equivalent preferred shares to Sabine and other proposals related to the combination transaction.

Q: What am I being asked to vote on?

A: Forest common shareholders are being asked to consider and vote on the following proposals:

Share Issuance Proposal. A proposal to approve the issuance of 163,711,510 common shares and 1,664,249 Series A convertible common-equivalent preferred shares (convertible into 166,424,900

common shares) to Sabine Investor Holdings and AIV Holdings in exchange for all of the equity interests of Sabine Holdings, which is currently owned directly or indirectly by Sabine Investor Holdings and AIV Holdings, and to approve, in the event the authorized share proposal is not approved, the issuance of 1,137,113 Series B convertible common-equivalent preferred shares to Sabine Investor Holdings and AIV Holdings in lieu of 113,711,300 common shares underlying such Series B convertible common-equivalent preferred shares. If the authorized share proposal is approved, based on the shares currently outstanding and the shares issuable pursuant to the merger agreement, we estimate that approximately 283,000,000 common shares will be issued and outstanding. If the authorized share proposal is not approved, based on the shares currently outstanding and the shares issuable pursuant to the merger agreement, we estimate that approximately 169,000,000 common shares will be issued and outstanding;

Table of Contents

Authorized Share Proposal. A proposal to approve an amendment to the Forest certificate of incorporation to increase the number of authorized Forest common shares to 650,000,000 shares;

Name Change Proposal. A proposal to approve an amendment to the Forest certificate of incorporation to change the name of Forest to Sabine Oil & Gas Corporation ;

2014 LTIP Proposal. A proposal to approve the adoption of the Forest Oil Corporation 2014 Long Term Incentive Plan;

Section 162(m) Proposal. A proposal to approve certain material terms of the 2014 LTIP for purposes of complying with the requirements of Section 162(m) of the Internal Revenue Code; and

Adjournment Proposal. A proposal to approve the adjournment or postponement of the special meeting, if necessary or appropriate to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the share issuance proposal or the authorized share proposal.

Q: What vote is required to approve each of the proposals?

A: The approval of each of the share issuance proposal, the 2014 LTIP proposal, the Section 162(m) proposal and the adjournment proposal requires the affirmative vote of holders of a majority of the Forest common shares present (in person or by proxy) at the special meeting and entitled to vote.

The approval of the authorized share proposal and the name change proposal requires the affirmative vote of holders of a majority of the outstanding Forest common shares.

Q: What if I do not vote my shares or if I abstain from voting?

A: The approval of each of the share issuance proposal, the 2014 LTIP proposal, the Section 162(m) proposal and the adjournment proposal requires the affirmative vote of holders of a majority of the Forest common shares present (in person or by proxy) at the special meeting and entitled to vote. As a result, if you abstain from voting on any of these proposals, your Forest common shares will be counted as present for purposes of establishing a quorum, but the abstention will have the same effect as a vote against that proposal. If you fail to vote on any of these proposals, your Forest common shares will not be counted as present and, therefore, will not affect the adoption of such proposal, except to the extent that your failure to vote prevents a quorum for voting on such proposal.

The approval of the authorized share proposal and the name change proposal requires the affirmative vote of holders of a majority of the outstanding Forest common shares. As a result, if you do not vote your Forest common shares or abstain from voting, it will have the same effect as a vote against the authorized share proposal and the name change proposal.

The Forest board of directors recommends that you vote FOR all of the proposals.

Q: What proposals must be passed in order for the combination transaction to be completed?

A: The obligations of the parties to complete the combination transaction are conditioned upon approval of the share issuance proposal and, unless Forest and Sabine Investor Holdings otherwise agree, the authorized share proposal. We will not complete the combination transaction unless you approve the share issuance proposal and, unless Forest and Sabine Investor Holdings otherwise agree, the authorized share proposal.

The Forest board of directors recommends that you vote FOR all of the proposals.

Q: What will happen if the authorized share proposal is not approved?

A: The authorized share proposal is a condition to the consummation of the combination transaction. If, however, the authorized share proposal is not approved and Forest and Sabine Investor Holdings mutually

Table of Contents

agree to waive this condition, then in exchange for the contribution, Sabine Investor Holdings and AIV Holdings will instead receive shares of Forest Series B convertible common-equivalent preferred stock in lieu of a portion of the Forest common stock that would have been received by them if there were available for issuance a sufficient amount of authorized but unissued common shares. As a result, Sabine Investor Holdings and AIV Holdings would receive (i) 37,822,023 and 12,178,187 shares of Forest common stock, (ii) 1,258,900 and 405,349 shares of Forest Series A convertible common-equivalent preferred stock and (iii) 860,155 and 276,958 shares of Forest Series B convertible common-equivalent preferred stock, respectively.

In that case, upon consummation of the combination transaction, and based upon the number of Forest common shares currently outstanding, current Forest common shareholders would continue to hold their shares of Forest common stock, which shares will represent approximately 70% of the issued and outstanding Forest common shares, approximately a 26.5% economic interest in Forest and 20% of the total voting power in Forest, and Sabine Investor Holdings and AIV Holdings will collectively hold approximately 30% of the issued and outstanding Forest common shares, 100% of the issued and outstanding Forest Series A convertible common-equivalent preferred shares and 100% of the issued and outstanding Forest Series B convertible common-equivalent preferred shares, collectively representing approximately a 73.5% economic interest in Forest and 80% of the total voting power in Forest. If the 2014 LTIP Proposal is approved, it is currently contemplated that substantially all shares reserved under the 2014 LTIP will be used to grant awards to continuing employees in connection with the closing of the combination transaction or shortly thereafter, which will dilute the ownership percentages in Forest common shares listed above as well as the voting power of current Forest common shareholders, but will not affect the collective voting power of Sabine Investor Holdings and AIV Holdings, which will remain at 80%.

Q: How does the Forest board recommend that I vote on the matters to be considered at the special meeting?

A: The Forest board unanimously recommends that Forest common shareholders vote:

FOR the share issuance proposal;

FOR the authorized share proposal;

FOR the name change proposal;

FOR the 2014 LTIP proposal;

FOR the Section 162(m) proposal; and

FOR the adjournment proposal.

See The Forest Special Meeting Recommendation of the Forest Board.

In considering the recommendation of the Forest board, you should be aware that some of Forest's executive officers and directors have interests in the combination transaction that are different from, or in addition to, the interests of Forest common shareholders generally. See Proposal No. 1 The Share Issuance Interests of Forest's Executive Officers and Directors in the Combination Transaction.

Q: Will there be any changes to my Forest common shares as a result of the combination transaction?

A: No. All Forest common shares will remain outstanding after the combination transaction, and no changes will be made to the Forest common shares currently outstanding as a result of the combination transaction.

Q: What will happen to my outstanding Forest equity-based awards in the combination transaction?

A: In the combination transaction, each Forest stock option that is outstanding immediately prior to the effective time of the combination transaction will, as of the effective time of the combination transaction,

Table of Contents

automatically be cancelled and converted into the right to receive an amount of cash, without interest, equal to the product of (1) the total number of Forest common shares subject to such Forest stock option and (2) the excess, if any, of (a) the closing price of Forest common shares on the NYSE on the last trading day prior to closing date of the combination transaction, over (b) the exercise price per Forest common share applicable to such Forest stock option (with the aggregate amount of such payment rounded down to the nearest cent), less such amounts as are required to be deducted and withheld under any provision of state, local or foreign tax law with respect to the making of such payment. Each Forest stock option for which the exercise price per Forest common share applicable to such Forest stock option equals or exceeds the closing price of Forest common shares on the NYSE on the last trading day prior to the closing date of the combination transaction will be cancelled pursuant to the merger agreement for no consideration.

In the combination transaction, each Forest performance unit award that is outstanding immediately prior to the effective time of the combination transaction will automatically become fully vested and will be settled in cash or shares in accordance with the terms of the applicable award agreement for such Forest performance unit award (including concluding the performance period as of the closing date of the combination transaction for purposes of measuring achievement of performance conditions).

In the combination transaction, each Forest phantom unit award that is outstanding immediately prior to the effective time of the combination transaction will automatically become fully vested and will be settled in accordance with the terms of the applicable award agreement for such phantom unit award.

In the combination transaction, each Forest restricted share that is outstanding immediately prior to the effective time of the combination transaction will automatically become fully vested and the restrictions with respect thereto will lapse.

Q: When and where will the special meeting be held?

A: The special meeting will be held on November 20, 2014, at 9:00 a.m., local time, at the Telluride conference room, 707 17th Street, 21st Floor, Denver, Colorado 80202, subject to any adjournments or postponements.

By Mail. Shareholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies by completing, signing, and dating their proxy card or voting instruction card and mailing it in the accompanying pre-addressed envelope. Proxy cards submitted by mail and received by Forest after 5:00 p.m., local time, on November 19, 2014 may not be considered unless the special meeting is continued, adjourned or postponed, and then only if received before the date and time the continued, adjourned or postponed special meeting is held.

If you hold Forest common shares in street name through a bank, broker or other nominee, please follow the voting instructions provided by your bank, broker or other nominee to ensure that your Forest common shares are represented at the special meeting.

Q: How many votes do I have?

A: Forest common shareholders have one vote per share on each matter to be acted upon.

Q: If my Forest common shares are held in street name by my bank, broker or other nominee, will my bank, broker or other nominee automatically vote my shares for me?

A: No. If your Forest common shares are held in street name, you must instruct the broker, bank, nominee or other holder of record on how to vote your shares. Your broker, bank, nominee or other holder of record will vote your shares only if you provide instructions on how to vote by filling out the voting instruction form sent to you by your broker, bank, nominee or other holder of record with this document.

Please follow the voting instructions provided by your bank, broker or other nominee so that it may vote your Forest common shares on your behalf. Please note that you may not vote your Forest common shares held in street name by returning a proxy card directly to Forest or by voting in person at the special meeting unless you first obtain a legal proxy from your bank, broker or other nominee.

Q: What will happen if I return my proxy card without indicating how to vote?

A: If you submit your proxy via the Internet, by telephone or by mail, the officers named on your proxy card will vote your shares in the manner you requested if you correctly submitted your proxy. If you are a shareholder of record and sign your proxy card and return it without indicating how to vote on any particular proposal, the Forest common shares represented by your proxy will be voted in favor of that proposal.

Q: May I vote in person?

A: Yes. If you are a Forest common shareholder of record at the close of business on October 3, 2014, you may attend the special meeting and vote your Forest common shares in person, in lieu of submitting your proxy by telephone or Internet or returning your signed proxy card. If you hold your Forest common shares in street name through a bank, broker or other nominee, you must provide a legal proxy at the special meeting in order to vote in person, which legal proxy you must obtain from your bank, broker or other nominee.

Q: What do I do if I want to change my vote after I have delivered my proxy card?

A: If you are a record holder of Forest common shares, you may change or revoke your proxy at any time prior to the vote on the matters at the special meeting or, if the special meeting is continued, adjourned or postponed, the date and time of such continued, adjourned or postponed meeting by (1) delivering to

Table of Contents

Forest's Corporate Secretary at Forest's principal executive office, located at 707 17th Street, Suite 3600, Denver, Colorado 80202, a written revocation that must be received by Forest prior to the date and time of the special meeting, or, if the special meeting is continued, adjourned or postponed, the date and time of such continued, adjourned or postponed meeting, (2) submitting another valid proxy card with a later date by mail, (3) voting by submitting a proxy by telephone or Internet prior to the date and time of the special meeting, or, if the special meeting is continued, adjourned or postponed, the date and time of such continued, adjourned or postponed meeting, or (4) attending the special meeting in person and giving Forest's Inspector of Elections notice of your intent to vote your shares in person.

If your shares are held in street name by a broker, bank or other nominee, please refer to the information forwarded to you by your broker, bank or other nominee for instructions on revoking or changing your proxy. If you intend to revoke your voting instructions you must ensure that such revocation is received by Forest's Corporate Secretary prior to the date and time of the special meeting, or, if the special meeting is continued, adjourned or postponed, by the date and time of such continued, adjourned or postponed meeting.

Any revocation received as of or after the vote on the matters at the special meeting or, if the special meeting is continued, adjourned or postponed, the date and time of such continued, adjourned or postponed meeting will not be effective. Attendance at the special meeting will not, by itself, revoke a proxy. Only your last submitted proxy card will be considered. Please cast your vote FOR the proposals, following the instructions in your proxy card, as promptly as practicable.

Q: What happens if I sell my Forest common shares after the record date but before the special meeting?

A: If you transfer your Forest common shares after the record date but before the date of the special meeting, you will retain your right to vote at the special meeting (provided, that such shares remain outstanding on the date of the special meeting).

Q: Am I entitled to exercise appraisal rights under the New York Business Corporation Law if I do not vote in favor of the share issuance proposal and the authorized share proposal?

A: No. Under applicable law, no appraisal rights will be available to holders of Forest common shares in connection with the combination transaction.

Q: When do you expect to complete the combination transaction?

A: Sabine and Forest currently expect to complete the combination transaction in the fourth quarter of 2014. However, no assurance can be given as to when, or whether, the combination transaction will be completed.

Q: Who can help answer my questions?

A: If you need assistance in completing your proxy card or have questions regarding the special meeting, please contact Innisfree M&A Incorporated toll-free at (877) 456-3463. Banks and brokers may call collect at (212) 750-5833.

The Forest Special Meeting (Page 23)

The special meeting will be held on November 20, 2014, at 9:00 a.m., local time, at the [Telluride](#) conference room, 707 17th Street, 21st Floor, Denver, Colorado 80202, subject to any adjournments or postponements.

The Forest board has established October 3, 2014 as the record date for the special meeting. Only record holders of Forest common shares at the close of business on the record date for the special meeting are entitled to notice of, and to vote at, the special meeting and any adjournments or postponements of the special meeting. At the close of business on the record date, there were 119,374,111 Forest common shares outstanding and entitled to vote, which includes 1,967,258 of restricted shares beneficially owned by employees, officers and directors of Forest subject to vesting. Holders of Forest common shares have one vote per share on each matter to be acted upon.

The purpose of the special meeting is to vote upon the following proposals:

Sabine Investor Holdings and AIV Holdings in exchange for all of the equity interests of Sabine Holdings, which is currently owned directly or indirectly by Sabine Investor Holdings and AIV Holdings and to approve, in the event the authorized Share Proposal is not approved, the issuance of 1,137,113 Series B convertible common-equivalent preferred shares to Sabine Investor Holdings and AIV Holdings in lieu of 113,711,300 common shares underlying such Series B convertible common-equivalent preferred shares. If the authorized share proposal is approved, based on the shares currently outstanding and the shares issuable pursuant to the merger agreement, we estimate that approximately 283,000,000 common shares will be issued and outstanding. If the authorized share proposal is not approved, based on the shares currently outstanding and the shares issuable pursuant to the merger agreement, we estimate that approximately 169,000,000 common shares will be issued and outstanding;

The Merger Agreement (Page 54)

Overview

On July 9, 2014, Sabine Investor Holdings, AIV Holdings, certain of their affiliated entities, and Forest entered into an amended and restated merger agreement, which amended and restated the merger agreement originally entered into by Sabine Investor Holdings, Forest, New Forest Oil Inc. (Holdco) and certain of their affiliated entities on May 5, 2014. We refer to this amended and restated merger agreement throughout as the merger agreement . Pursuant to the terms and subject to the conditions set forth in the merger agreement, Forest

Table of Contents

and Sabine Holdings agreed to combine their businesses. In the combination transaction, Sabine Investor Holdings will contribute all of the equity interests of Sabine Holdings and AIV Holdings will contribute all of the equity interests in two other holding companies, FR NFR Holdings, Inc. and FR NFR, PI, Inc., to Forest, with Sabine Holdings becoming a wholly owned subsidiary of Forest. FR NFR Holdings, Inc. and FR NFR PI, Inc. will subsequently merge with and into Forest, with Forest surviving. Sabine Holdings, SOGH II and Sabine will subsequently merge with and into Forest, with Forest surviving and the operating subsidiaries of Sabine becoming subsidiaries of Forest.

The following diagram illustrates the structure of the combination transaction, assuming the contribution by AIV Holdings of all of the Forest shares it will receive in connection with the combination transaction to Sabine Investor Holdings immediately following the consummation of the combination transaction:

Before the Combination Transaction

Table of Contents***After the Combination Transaction******Consideration to Forest Shareholders and Sabine Investor Holdings***

Sabine Investor Holdings and AIV Holdings will contribute, directly or indirectly, all of the equity interests of Sabine Holdings to Forest, with Sabine Holdings becoming a wholly owned subsidiary of Forest. In exchange for the contribution, (i) Sabine Investor Holdings and AIV Holdings will receive 123,837,490 and 39,874,020 shares of Forest common stock, respectively and (ii) Sabine Investor Holdings and AIV Holdings will receive 1,258,900 and 405,349 shares of Forest Series A convertible common-equivalent preferred stock, respectively. Upon consummation of the combination transaction, current Forest common shareholders will continue to hold their shares of Forest common stock, which shares will represent (based on the number of Forest common shares outstanding as of May 5, 2014) approximately 42% of the issued and outstanding Forest common shares, approximately a 26.5% economic interest in Forest and 20% of the total voting power in Forest, and Sabine Investor Holdings and AIV Holdings will collectively hold approximately 58% of the issued and outstanding Forest common shares and 100% of the issued and outstanding Forest Series A convertible common-equivalent preferred shares, collectively representing approximately a 73.5% economic interest in Forest and 80% of the total voting power in Forest. If the 2014 LTIP Proposal is approved, it is currently contemplated that substantially all shares reserved under the 2014 LTIP will be used to grant awards to continuing employees in connection with the closing of the combination transaction or shortly thereafter, which will dilute the ownership percentages in Forest common shares listed above as well as the voting power of current Forest common shareholders, but will not affect the collective voting power of Sabine Investor Holdings and AIV Holdings, which will remain at 80%.

The authorized share proposal is a condition to the consummation of the combination transaction. If the authorized share proposal is not approved and Forest and Sabine Investor Holdings mutually agree to waive this condition, then in exchange for the contribution, Sabine Investor Holdings and AIV Holdings will instead receive shares of Forest Series B convertible common-equivalent preferred stock in lieu of a portion of the Forest common stock that would have been received by them if there were available for issuance a sufficient amount of authorized but unissued common shares. As a result, Sabine Investor Holdings and AIV Holdings would receive (i) 37,822,023 and 12,178,187 shares of Forest common shares, (ii) 1,258,900 and 405,349 shares of Forest Series A convertible common-equivalent preferred stock and (iii) 860,155 and 276,958 shares of Forest Series B convertible common-equivalent preferred stock, respectively. In that case, upon consummation of the combination transaction, and based upon the number of Forest common shares currently outstanding, current Forest common shareholders would hold approximately 70% of the issued and outstanding Forest common shares, representing approximately a 26.5% economic interest in Forest and 20% of the total voting power in Forest, and Sabine Investor Holdings and AIV Holdings will collectively hold approximately 30% of the issued

Table of Contents

and outstanding Forest common shares, 100% of the issued and outstanding Forest Series A convertible common-equivalent preferred shares and 100% of the issued and outstanding Forest Series B convertible common-equivalent preferred shares, collectively representing approximately a 73.5% economic interest in Forest and 80% of the total voting power in Forest.

Pursuant to the merger agreement, at the completion of the combination transaction, Forest's bylaws will be amended and, in the event the authorized share proposal or the name change proposal is approved, its certificate of incorporation will be amended as approved. In addition, following completion of the combination transaction, Sabine Investor Holdings and AIV Holdings intend to use their voting power to cause Forest to be reincorporated in Delaware (from New York), with the result that Forest and its shareholders will be governed by Delaware law instead of New York law. See Comparison of Rights of Forest Shareholders Before and After the Combination Transaction.

Treatment of Forest Equity-Based Awards

Forest Stock Options

Each Forest stock option that is outstanding immediately prior to the effective time of the combination transaction will, as of the effective time of the combination transaction automatically be cancelled and converted into the right to receive an amount of cash, without interest, equal to the product of (1) the total number of Forest common shares subject to such Forest stock option and (2) the excess, if any, of (a) the closing price of Forest common shares on the NYSE on the last trading day prior to the closing date, over (b) the exercise price per Forest common share applicable to such Forest stock option (with the aggregate amount of such payment rounded down to the nearest cent), less such amounts as are required to be deducted and withheld under any provision of state, local or foreign tax law with respect to the making of such payment. Each Forest stock option for which the exercise price per Forest common share applicable to such Forest stock option equals or exceeds the closing price of Forest common shares on the NYSE on the last trading day prior to closing date will be cancelled pursuant to the merger agreement for no consideration.

Forest Performance Unit Awards

Each Forest performance unit award that is outstanding immediately prior to the effective time of the combination transaction will automatically become fully vested at the effective time of the combination transaction and will be settled following the effective time of the combination transaction in cash or shares in accordance with the terms of the applicable award agreement for such Forest performance unit award (including concluding the performance period as of the closing date for purposes of measuring achievement of performance conditions).

Forest Phantom Unit Awards

Each Forest phantom unit award that is outstanding immediately prior to the effective time of the combination transaction will automatically become fully vested at the effective time of the combination transaction and will be settled following the effective time of the combination transaction in accordance with the terms of the applicable award agreement for such phantom unit award.

Forest Restricted Shares

Each Forest restricted share that is outstanding immediately prior to the effective time of the combination transaction will automatically become fully vested at the effective time of the combination transaction and the restrictions with respect thereto will lapse.

Recommendation of the Forest Board (Page 24)

The Forest board unanimously recommends that Forest common shareholders vote:

FOR the share issuance proposal;

Table of Contents

FOR the authorized share proposal;

FOR the name change proposal;

FOR the 2014 LTIP proposal;

FOR the Section 162(m) proposal; and

FOR the adjournment proposal.

See The Forest Special Meeting Recommendation of the Forest Board.

The Forest board has unanimously approved the merger agreement and determined that the combination transaction is advisable and in the best interests of Forest and its shareholders. In determining whether to approve the merger agreement and the transactions contemplated thereby, the Forest board considered the factors described in the section entitled Proposal No. 1 The Share Issuance Reasons for the Recommendation to Forest Shareholders by the Forest Board.

Opinion of Forest's Financial Advisor (Page 40)

In connection with the transactions contemplated by the merger agreement, dated May 5, 2014 (referred to as the original merger agreement), J.P. Morgan Securities LLC (J.P. Morgan), Forest's financial advisor, delivered to the Forest board on May 5, 2014, its oral opinion, which was subsequently confirmed in writing on May 5, 2014, as to the fairness, from a financial point of view and as of the date of such opinion and based upon and subject to the factors, assumptions, limitations and qualifications set forth in such opinion, of the exchange ratio in the proposed transactions contemplated by the original merger agreement to the holders of Forest common stock. While there is no longer an exchange ratio in the merger agreement, the exchange ratio under the original merger agreement would have resulted in Forest's current shareholders, on the one hand, and Sabine Investor Holdings and AIV Holdings, on the other hand, receiving the same percentage economic common-equivalent interest in the post-closing combined company of approximately 26.5% and 73.5% respectively as they will hold or receive as of the closing of the combination transaction under the merger agreement. For more information, see Proposal No. 1 The Share Issuance Background of the Combination Transaction. The full text of J.P. Morgan's written opinion dated May 5, 2014, which sets forth the assumptions made, matters considered and limits on the review undertaken, is attached as Annex G to this document and is incorporated herein by reference. The holders of Forest common stock are urged to read the opinion in its entirety. J.P. Morgan's written opinion is addressed to the Forest board, is directed only to the exchange ratio in the proposed transactions contemplated by the original merger agreement and does not constitute a recommendation to any Forest shareholder as to how such shareholder should vote or act with respect to the transactions contemplated by the original merger agreement, the merger agreement or any other matter.

For a description of the opinion that Forest received from J.P. Morgan, see Proposal No. 1 The Share Issuance Opinion of J.P. Morgan Securities LLC, Forest's Financial Advisor.

Interests of Forest's Executive Officers and Directors in the Combination Transaction (Page 49)

Certain members of Forest's board and executive officers may be deemed to have interests in the combination transaction that are in addition to, or different from, the interests of other Forest common shareholders. The Forest board was aware of these interests and considered them, among other matters, in approving the merger agreement and the combination transaction and in making the recommendation that the Forest common shareholders approve the share issuance proposal, the authorized share proposal and the related proposals. These interests include:

with respect to executive officers and directors, all Forest stock options will be cashed-out and all unvested Forest restricted shares will be vested;

Table of Contents

with respect to executive officers, all Forest performance unit awards will become vested based on performance through the closing and will be settled in accordance with their terms and all Forest phantom unit awards will become vested and will be settled in accordance with their terms;

change-in-control severance agreements with Forest's executive officers (other than Mr. Schelin) provide for severance benefits in the event of certain qualifying terminations of employment following the combination transaction, and a letter agreement with Mr. Schelin provides for a severance payment in the event of certain qualifying terminations of employment; and

Forest's directors and executive officers are entitled to continued indemnification and insurance coverage under the merger agreement.

For additional information, see Proposal No. 1 The Share Issuance Interests of Forest's Executive Officers and Directors in the Combination Transaction.

No Appraisal Rights (Page 53)

Under applicable law, no appraisal rights will be available to holders of Forest common shares in connection with the combination transaction.

Public Trading Markets; Listing of Forest Common Shares (Page 53)

Forest common shares are currently listed on the NYSE under the ticker symbol FST, and after the combination transaction is completed, Forest common shares will continue to be listed on the NYSE. If the name change proposal is approved, Forest intends to apply to change its ticker symbol on the NYSE from FST to SABO. Neither Sabine's nor Sabine Holdings' units are listed on any national securities exchange or otherwise publicly traded.

Directors and Management of Forest Following the Combination Transaction (Page 71)

Following the combination transaction, the Forest board of directors will consist of 10 directors, eight of whom will be designated by Sabine Investor Holdings. The directors will be classified with respect to their terms of office by dividing them into three classes. At each annual meeting of shareholders, directors to replace those whose terms expire at such annual meeting will be elected to hold office until the third succeeding annual meeting. The initial term of the directors will end with the first, second or third annual shareholders' meeting to be held by Forest following the combination transaction. Thereafter, the directors will serve three-year terms.

David Sambrooks, the current chief executive officer and a director of Sabine, will be the chief executive officer and a director of Forest, and Patrick McDonald, the current chief executive officer and a director of Forest, is also expected to serve as a director following the combination transaction. It is expected that the other members of the Forest board of directors other than Mr. Sambrooks and Mr. McDonald will be independent directors for purposes of the NYSE's listing requirements. On or prior to the completion of the combination transaction, Forest will cause the individuals indicated under Directors and Management of Forest Following the Combination Transaction to be elected or appointed as officers of Forest as specified in that section.

Impact on Forest's Debt (Page 52)

The combination transaction, if completed, will result in a change of control as defined in Forest's existing credit agreement and existing indentures. The occurrence of a change of control is an event of default under Forest's existing credit agreement. Sabine has obtained committed debt financing sufficient to refinance Forest's existing credit agreement. The occurrence of a change of control triggers an obligation for Forest to make a change of control offer for each series of its outstanding notes at a price of 101% of the outstanding principal

Table of Contents

amount thereof, plus accrued and unpaid interest, if any, following the occurrence of a change of control transaction, pursuant to the terms of the relevant indentures. Sabine has obtained committed bridge financing sufficient to finance the purchase of any such notes which are required to be purchased in connection with such change of control offer.

Accounting Treatment (Page 52)

In accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), Forest will account for the combination transaction using the acquisition method of accounting (acquisition accounting) with Sabine as the acquiring entity. Under the acquisition method of accounting, Sabine's assets and liabilities will retain their carrying values and Forest's assets and liabilities will be recorded at their fair values measured as of the acquisition date. The excess of the purchase price over the estimated fair values of Forest's net assets acquired, if applicable, will be recorded as goodwill.

Regulatory Approvals Required for the Combination Transaction (Page 52)

It is a condition to the completion of the combination transaction that the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act) terminate or expire. On May 23, 2014, Forest and Sabine Investor Holdings each filed the required notification and report forms under the HSR Act with the Federal Trade Commission (FTC) and the Antitrust Division of the U.S. Department of Justice (Antitrust Division) with respect to Sabine Investor Holdings' acquisition of voting securities in Forest. The FTC, which administers the HSR Act, granted early termination of the waiting period applicable to Sabine Investor Holdings' acquisition of voting securities in Forest on June 5, 2014. At any time before or after the completion of the combination transaction, the Antitrust Division, the FTC or state Attorneys General could take action under the antitrust laws as deemed necessary or desirable in the public interest, including without limitation seeking to enjoin the completion of the combination transaction or to permit completion only subject to divestitures of assets, regulatory concessions or other conditions.

Agreement Not to Solicit Other Offers (Page 58)

As more fully described in this document and in the merger agreement, and subject to the terms and conditions described in the merger agreement, Forest agreed that it will not, and will cause its subsidiaries and its and their respective directors and officers not to directly or indirectly:

solicit, initiate, knowingly encourage, or knowingly facilitate any inquiries regarding certain alternative acquisition proposals;

conduct or engage in any discussions, disclose any nonpublic information, or afford access to the business, properties, assets, books or records of Forest with respect to, or assist, facilitate or cooperate with any third party with respect to any such alternative acquisition proposals; or

enter into any agreement relating to any such alternative acquisition proposals.

Notwithstanding the foregoing, Forest and its representatives may take certain actions with respect to any such alternative acquisition proposal if:

the Forest common shareholders have not yet approved the share issuance proposal and the authorized share proposal;

Forest did not breach the non-solicitation provisions of the merger agreement; and

before taking any such actions, the Forest board determines in good faith, after consultation with its financial advisor and outside legal counsel, that such alternative acquisition proposal constitutes a superior proposal or is reasonably likely to lead to a superior proposal, as described in more detail under The Merger Agreement and Other Transaction Agreements Agreement Not to Solicit Other Offers.

Table of Contents

The Forest board is permitted to change its recommendation for the combination transaction and/or terminate the merger agreement in order to enter into a definitive agreement with respect to a superior proposal if:

Forest has given Sabine Investor Holdings at least three business days notice of its intention to take such action;

Forest has negotiated in good faith to enable Sabine Investor Holdings to revise the terms of the merger agreement such that it would cause the superior proposal to no longer constitute a superior proposal;

the Forest board will have considered in good faith any changes to the merger agreement proposed in writing by Sabine Investor Holdings and will have determined that the third-party proposal nonetheless remains a superior proposal; and

in the case of a termination of the merger agreement, Forest has paid to Sabine Holdings a \$15.0 million termination fee.

Termination of the Merger Agreement (Page 62)

The merger agreement may be terminated at any time prior to the effective time of the combination transaction:

by mutual written consent of Sabine Investor Holdings and Forest;

by either Sabine Investor Holdings or Forest:

if any governmental entity of competent jurisdiction has issued any order, decree, ruling or injunction or taken any other action permanently restraining, enjoining or otherwise prohibiting the consummation of the combination transaction and such order, decree, ruling or injunction or other action has become final and nonappealable, subject to certain additional requirements;

if the combination transaction has not been completed prior to 5:00 p.m., Houston time, on December 31, 2014 (the End Date), subject to certain exceptions; or

if the special meeting has concluded and Forest common shareholders have not approved the share issuance proposal;

by Forest:

if any of the representations or warranties of the Sabine parties was or becomes inaccurate or any breach by any Sabine party or AIV Holdings of any covenant or other agreement of such parties contained in the merger agreement occurs and such inaccuracy or breach (i) would result in certain closing conditions being incapable of being satisfied and (ii) is not curable, or, if curable has not been cured prior to the earlier of the business day prior to the End Date or the date that is 60 days after the date that notice of such inaccuracy or breach is provided to Sabine Investor Holdings by Forest, subject to certain additional requirements; or

to enter into a definitive agreement with respect to a superior proposal (in which case Forest must pay Sabine Holdings a \$15.0 million termination fee concurrently with such termination);

by Sabine Investor Holdings:

if any of the representations or warranties of Forest was or becomes inaccurate or any breach by Forest of any covenant or other agreement of the parties contained in the merger agreement occurs and such inaccuracy or breach (i) would result in certain closing conditions being incapable of being satisfied and (ii) is not curable, or, if curable has not been cured prior to the earlier of the business day prior to the End Date or the date that is 60 days after the date that notice of such inaccuracy or breach is provided to Forest by Sabine Investor Holdings, subject to certain additional requirements;

Table of Contents

if the Forest board of directors changes its recommendation for the combination transaction; or

if Forest engaged in a willful and material breach of its non-solicitation obligations.

Termination Fee (Page 63)

As more fully described in this document and in the merger agreement, and subject to the terms and conditions described in the merger agreement, the merger agreement requires Forest to pay Sabine Holdings a \$15.0 million termination fee if:

Sabine Investor Holdings terminates the merger agreement because of a Forest Recommendation Change or because Forest engaged in a willful and material breach of its non-solicitation obligations;

Sabine Investor Holdings terminates the merger agreement because of Forest's willful and material breach of its obligation with respect to holding the special meeting pursuant to the merger agreement and such breach would result in certain closing conditions not being capable of being satisfied and is not curable or, if curable, has not been cured prior to the earlier of the business day prior to the End Date or the date that is 60 days after the date that notice of such inaccuracy or breach is provided to Forest by Sabine Investor Holdings;

- (1) prior to the special meeting, there has been publicly announced, disclosed or otherwise made known a bona fide acquisition proposal for Forest that has not been withdrawn at least five days prior to the special meeting,
- (2) Forest terminates the merger agreement because the Forest special meeting has concluded and the Forest common shareholders did not approve the share issuance proposal and the authorized share proposal, and
- (3) within 12 months after such termination, Forest enters into a definitive agreement with respect to or consummates an acquisition proposal involving at least 50% of the assets or equity of Forest; or

Forest terminates the merger agreement to enter into a definitive agreement with respect to a superior proposal.

Material U.S. Federal Income Tax Consequences (Page 99)

The combination transaction will not result in any U.S. federal income tax consequences to Forest common shareholders with respect to their Forest common shares. See Material U.S. Federal Income Tax Consequences.

Holders of Forest common shares should consult their own tax advisors to determine the tax consequences of the combination transaction to them, including the effects of U.S. federal, state, local and foreign tax laws.

Comparison of Rights of Forest Shareholders Before and After the Combination Transaction (Page 116)

Pursuant to the merger agreement, at the completion of the combination transaction, Forest's bylaws will be amended and, in the event the authorized share proposal or the name change proposal is approved, its certificate of incorporation will be amended as approved. In addition, following completion of the combination transaction, Sabine Investor Holdings and AIV Holdings intend to use their voting power to cause Forest to be reincorporated in Delaware (from New York), with the result that Forest and its shareholders will be governed by Delaware law instead of New York law. See Comparison of Rights of Forest Shareholders Before and After the Combination Transaction.

The following table presents a non-GAAP financial measure, Adjusted EBITDA, which we use in our business. This measure is not calculated or presented in accordance with US GAAP.

We believe the presentation of Adjusted EBITDA provides useful information to investors to evaluate the operations of the business excluding certain items and for the reasons set forth below. Adjusted EBITDA should not be considered an alternative to net income, operating income, cash flow operating activities or any other measure of financial performance presented in accordance with US GAAP. Our Adjusted EBITDA may not be comparable to similarly titled measures of another company because all companies may not calculate Adjusted EBITDA in the same manner.

We use Adjusted EBITDA for the following purposes:

to assess the financial performance of our assets, without regard to financing methods, capital structure or historical cost basis;

to assess our operating performance and return on capital as compared to those of other companies in our industry, without regard to financing or capital structure;

Table of Contents

to assess the viability of acquisition and capital expenditure projects and the overall rates of return on alternative investment opportunities;

to assess the ability of our assets to generate cash sufficient to pay interest costs, pay distributions and support indebtedness;

for various purposes, including strategic planning and forecasting;

the indenture governing the 2017 Notes contains covenants that, among other things, limit Sabine's ability and the ability of the Sabine's restricted subsidiaries to incur additional indebtedness unless the ratio of adjusted consolidated EBITDA to adjusted consolidated interest expense over the trailing four fiscal quarters will be at least 2.0 to 1.0 (subject to exceptions for borrowings within certain limits under the Credit Facility); and

the Credit Facility requires Sabine to comply with certain financial covenants which involve maintaining certain ratios, including an interest coverage ratio at the end of each quarter which defined as a ratio of adjusted EBITDA for the period of four fiscal quarters then ending to interest expense for such period of not less than 2.5 to 1.0.
