Item 1.01 Entry into a Material Definitive Agreement.

On December 5, 2014, Flotek Industries, Inc. (the Company) and its affiliates entered into the Second Amendment (the Amendment) to Amended and Restated Revolving Credit, Term Loan and Security Agreement with PNC Bank, National Association dated as of May 10, 2013, as amended to date (the Credit Agreement). Pursuant to the Amendment, the negative covenant limiting the Company s ability to repurchase or redeem its common or preferred stock was amended to allow for the repurchase or redemption of up to \$25 million worth of common or preferred stock, subject to certain conditions. The Company also agreed to pay the expenses of the agent in connection with the Amendment. The description of the changes to the Credit Agreement effected by the Amendment is qualified in its entirety by reference to the copy thereof filed as Exhibit 10.1 to this Form 8-K, which is incorporated by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 9, 2014, the Board of Directors of the Company adopted the Amended and Restated Bylaws of Flotek Industries, Inc. (the Amended Bylaws) to provide for majority voting in uncontested director elections. The Amended Bylaws were effective December 8, 2014.

Under the Amended Bylaws, in an uncontested election at which a quorum is present, a director will be elected if the number of shares voted for the director s election exceeds the number of votes against that director s election, excluding abstentions. An incumbent director who receives more against votes than votes for his or her election is required to tender his or her letter of resignation for consideration by the Company s Nominating and Corporate Governance Committee and Board of Directors.

In contested elections, directors will continue to be elected by plurality vote. For purposes of the Amended Bylaws, a contested election is an election in which the number of nominees for director is greater than the number of directors to be elected.

The Company s Bylaws previously provided for a plurality voting standard in all director elections.

The foregoing description of the Amended Bylaws is qualified in its entirety by reference to the Amended and Restated Bylaws of Flotek Industries, Inc., which are filed as Exhibit 3.1 hereto and incorporated herein by reference. Article II, Section 9 of the Amended Bylaws reflects the changes described above.
