Dear Fellow Shareholder:

I invite you to attend our annual meeting of shareholders on May 14, 2015 in the lobby of the TXCN Building, 570 Young Street, Dallas, Texas. Included is a map for your use. We hope that you will be able to attend.

Materials being provided include the Notice of Annual Meeting setting forth the business expected to come before the meeting, the 2015 proxy statement and A. H. Belo's 2014 annual report. If you requested printed versions of the materials by mail, these materials also include a proxy/voting instruction card for the annual meeting. The proxy statement tells you more about the agenda and voting procedures for the meeting and provides information about A. H. Belo's directors, including those nominated for election at this year's meeting.

As permitted by the rules of the Securities and Exchange Commission, most of the Company's shareholders were mailed a Notice of Internet Availability of Proxy Materials with instructions for electronically accessing these proxy materials and for voting via the Internet. The Notice of Internet Availability of Proxy Materials also provides information on how you may obtain printed copies of our proxy materials free of charge. We believe that this approach allows us to provide our shareholders with the information they need to vote their shares while reducing delivery costs and conserving natural resources.

For those A. H. Belo shareholders with access to the Internet, we encourage you to vote your shares online. Detailed instructions on how to vote over the Internet or by telephone are set forth in the proxy materials and in the Notice of Internet Availability of Proxy Materials. We encourage you to elect to receive future annual reports, proxy statements and other materials over the Internet by following the instructions in the proxy statement. This electronic means of communication is quick and convenient and reduces the Company's printing and mailing costs.

Whether or not you attend the meeting, it is important that your shares be represented at the annual meeting. I encourage you to vote your shares as soon as possible either by returning your proxy/voting instruction card or by voting using the Internet or telephone voting procedures outlined in the proxy materials or in the Notice of Internet Availability of Proxy Materials.

I hope to see you on May 14.

Sincerely,

James M. Moroney III

ABOUT THE MEETING

What is the purpose of the annual meeting?

At the annual meeting, shareholders will act on matters outlined in the accompanying notice, including the election of directors, ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm, and any other matters properly brought before the meeting. Management will report on A. H. Belo's performance in 2014 and respond to questions and comments from shareholders.

Who can attend the annual meeting?

Shareholders and guests of A. H. Belo may attend the annual meeting.

Who may vote at the meeting?

Only shareholders who owned A. H. Belo shares of common stock at the close of business on March 19, 2015 (the record date), or their duly appointed proxies, are entitled to vote at the meeting, or at any postponement or adjournment of the meeting. Our common stock is divided into two series: Series A common stock and Series B common stock. Holders of either series of common stock as of the close of business on the record date will be entitled to vote at the meeting. At the close of business on the record date, a total of 19,410,312 shares of Series A common stock and 2,388,237 shares of Series B common stock were outstanding and entitled to vote.

Each outstanding share of Series A common stock will be entitled to one vote on each matter. Each outstanding share of Series B common stock will be entitled to 10 votes on each matter.

Table of Contents

Why did I receive a one-page Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission (the SEC), the Company has elected to provide access to its proxy materials via the Internet and has sent the Notice to its shareholders. Shareholders can access the proxy materials on the website referred to in the Notice or request to receive free of charge a printed set of the proxy materials, including a proxy/voting instruction card. Instructions on how to access the proxy materials over the Internet or to request a printed copy are set forth in the Notice. If you hold A. H. Belo shares in your A. H. Belo Savings Plan account or in your Belo Savings Plan account, the Notice also has instructions on how to provide your voting instructions via the Internet.

In addition, all shareholders may request to receive proxy materials electronically by email on an ongoing basis by following the instructions in the paragraph captioned *How to Receive Future Proxy Statements and Annual Reports Online* in the Annual Report and Additional Materials section of this proxy statement. The Company encourages shareholders to take advantage of the availability of the proxy materials on the Internet in order to help reduce printing and mailing costs and environmental impacts.

What constitutes a quorum to conduct business at the meeting?

In order to carry on the business of the meeting, we must have a quorum present in person or by proxy. A majority of the voting power of the outstanding shares of common stock eligible to vote and at least one-third of the outstanding shares entitled to vote must be present at the meeting, in person or by proxy, in order to constitute a quorum.

Abstentions and broker non-votes are counted as present at the meeting for purposes of determining whether we have a quorum. A broker non-vote occurs when a broker or other nominee returns a proxy but does not vote on a particular proposal because the broker or nominee does not have authority to vote on that particular item and has not received voting instructions from the beneficial owner.

How do I cast my vote?

You may receive more than one Notice or proxy/voting instruction card depending on how you hold your shares. It is important that you follow the instructions on each card or Notice and vote the shares represented by each card or Notice separately.

Shareholders of record. If you hold shares directly and are listed as a shareholder on A. H. Belo's stock records, you may vote in person if you attend the meeting or you may vote by proxy, which gives the proxy holder the right to vote your shares on your behalf. You may vote by proxy online via the Internet, by telephone, or, if you request copies of the proxy materials, by completing and returning your proxy card in the envelope provided. Shares represented by proxy cards that are properly completed and submitted will be voted in accordance with the shareholder's instructions.

Shares held in broker or other nominee name (street name). If you hold shares in street name, you have the right to instruct your broker or other nominee on how to vote those shares on your behalf and you will receive a Notice or, if you request, a copy of the proxy materials, including a voting instruction form, from them. Alternatively, you may vote these shares in person at the meeting, by following the instructions below under *How do I vote in person.*

Shares held in your A. H. Belo Savings Plan account or in your Belo Savings Plan account. These shares may be voted only by the plan trustee, but you may instruct the plan trustee on how to vote them. Information on how to provide voting instructions to the plan trustee via the Internet is set out in the Notice. The Notice also includes information on how to obtain paper copies of the proxy materials, including a voting instruction card, if you so desire. For more information, please refer to the question and answer *How do I vote my shares held in the A. H. Belo Savings Plan or in the Belo Savings Plan* below.

If you want to vote using the Internet or telephone, please follow the instructions on each proxy/voting instruction card or in the Notice, and have the proxy/voting instruction card or the Notice available when you call

Table of Contents

in or access the voting site. In order to be included in the final tabulation of proxies, completed proxy/voting instruction cards must be received, and votes cast using the Internet or telephone must be cast, by the date and time noted on the card or in the Notice.

How do I vote in person?

For shares held of record in your name, you may vote in person by completing a ballot at the annual meeting. If you plan to vote in person but hold shares through a broker or other nominee, you must provide a legal proxy from the broker or nominee evidencing your authority to vote shares the broker held for your account at the close of business on March 19, 2015. You must contact your brokerage firm directly in advance of the annual meeting to obtain a legal proxy. Blank ballots will be available at the registration table at the meeting. Completed ballots may be deposited at the registration table and a call for completed ballots will be made during the course of the meeting prior to the close of the polls. Voting instructions with respect to shares held in the A. H. Belo Savings Plan or the Belo Savings Plan must be submitted by May 12, 2015, and may not be provided at the meeting.

Can I change my vote or revoke my proxy prior to the final voting?

Yes. For shares held of record in your name, you may revoke your proxy (including an Internet or telephone vote) by:

filing a written notice of revocation with the Secretary of A. H. Belo at any time prior to the annual meeting; or

delivering a duly executed written proxy bearing a later date by the voting deadline set forth on the proxy card; or

submitting a new proxy by Internet or telephone by the voting deadline set forth on the proxy card; or

voting by ballot at the meeting. Attendance at the meeting does not by itself revoke a previously granted proxy.

If your shares are held through a broker or nominee, contact that broker or nominee if you wish to change your voting instructions.

For information on how to revoke or modify previously given voting instructions with respect to shares held through one of the Savings Plans, please see *How do I vote my shares held in the A. H. Belo Savings Plan or in the Belo Savings Plan* below.

How do I vote my shares held in the A. H. Belo Savings Plan or in the Belo Savings Plan?

Fidelity Management Trust Company is the plan trustee for the A. H. Belo Savings Plan. If you were an employee of Belo Corp., a wholly owned subsidiary of Gannett Co., Inc. and former parent company of A. H. Belo, you may also hold A. H. Belo shares in the Belo Savings Plan, for which Fidelity also serves as the plan trustee. The A. H. Belo Savings Plan and the Belo Savings Plan are referred to herein as the Savings Plans. Only the plan trustee can vote the shares held by the Savings Plans. If you participate in either of these Savings Plans and had full shares of A. H. Belo common stock credited to your account as of the record date, you received a Notice in lieu of paper copies of our proxy materials. The Notice includes instructions on how to access the proxy materials over the Internet and how to request a printed set of the proxy materials, including a voting instruction card, if you desire to do so. The Notice also has information on how to provide your voting instructions to the plan trustee via the Internet or telephone. You will not be able to vote these shares in person at the annual meeting.

Because of the time required to tabulate voting instructions from participants in the Savings Plans before the annual meeting, the trustee must receive your voting instructions by May 12, 2015. If you sign, date and return a paper voting instruction card but do not check any boxes on the card, the trustee will vote your shares FOR the nominees standing for election as directors named in this proxy statement and FOR ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm. In addition, at its discretion, the trustee of the Savings Plans will be authorized to vote on any other matter that may properly come

Table of Contents

before the meeting or any adjournment or postponement of the meeting. If the trustee does not receive instructions from you (by Internet, telephone or voting instruction card) by May 12, 2015, the trustee will vote your shares in the same proportion as the shares in your particular Savings Plan for which voting instructions have been received from other plan participants. You may revoke or modify previously given voting instructions by May 12, 2015, by submitting a new voting instruction by Internet or telephone, filing with the trustee either a written notice of revocation or submitting a properly completed and signed voting instruction card by that date.

What happens if I do not give specific voting instructions?

If you indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board or you sign and return a proxy card or voting instruction card without giving specific voting instructions, then the proxy holders or the trustee of the Savings Plans, as appropriate, will vote your shares in the manner recommended by the Board on all matters presented in this proxy statement as follows: FOR the nominees standing for election as directors named in this proxy statement and FOR ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm. In addition, the proxy holders or the trustee of the Savings Plans, as appropriate, may vote in their discretion on any other matter that may properly come before the annual meeting or any adjournment or postponement of the annual meeting.

If you hold your shares through a broker, and you do not provide *any* voting instructions on the Internet or by telephone and do not return a voting instruction form, your broker may vote your shares at its discretion only on certain routine matters. If the organization that holds your shares does not receive any voting instructions from you, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote your shares with respect to non-routine matters. This is generally referred to as a broker non-vote.

Which proposals are considered routine or non-routine ?

The Company believes that the election of directors (Proposal One) is not a routine matter and a broker or other nominee will not be permitted to vote any uninstructed shares on Proposal One. The Company believes that Proposal Two, the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm, is a routine matter on which brokers will be permitted to vote uninstructed shares. With respect to all other matters, however, your broker may not vote your shares for you without instructions and the aggregate number of unvoted shares is reported as the broker non-vote.

How are broker non-votes and abstentions treated?

For Proposal One (election of directors), abstentions and broker non-votes have no effect. For matters requiring majority approval, abstentions and broker non-votes have the effect of negative votes, meaning that abstentions and broker non-votes will be counted in the denominator, but not the numerator, in determining whether a matter has received sufficient votes to be approved.

What vote does the Board recommend?

The Board recommends a vote:

FOR all director nominees named in this proxy statement, and

FOR ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote in their own discretion.

What number of votes is required to approve each proposal?

Election of directors (Proposal One) The affirmative vote of a plurality of the voting power represented at the annual meeting and entitled to vote is required for the election of directors. This means that the nominees receiving the highest number of votes cast for the number of positions to be filled are elected. You do not have the right to cumulate votes in the election of directors. In other words, you cannot multiply the number of shares

Table of Contents

you own by the number of directorships being voted on and then cast the total for only one candidate or among several candidates as you see fit. Votes that are instructed to be withheld with respect to the election of one or more directors will not be voted for the director or directors indicated, although they will be counted for purposes of determining whether a quorum is present. Shares held in broker or street name cannot be voted on this proposal without your instruction.

Additionally, if an incumbent director does not receive the affirmative vote of at least a majority of the votes cast with respect to that director's election at the annual meeting (which for this purpose includes votes cast for the director's election and votes to withhold authority with respect to the director's election), then that director is required to promptly tender his or her resignation and the Board will act on such resignation as provided in the Company's Corporate Governance Guidelines, the applicable portion of which is attached to this proxy statement as Appendix A.

Ratification of appointment of independent registered public accounting firm (Proposal Two) The affirmative vote of a majority of the voting power represented at the annual meeting and entitled to vote is required to ratify the appointment of KPMG LLP as the independent registered public accounting firm for the Company for 2015. With respect to shares held in broker or street name, your broker has discretion to vote any uninstructed shares on this matter.

Other matters Unless otherwise required by law or the Company's Certificate of Incorporation, the affirmative vote of a majority of the voting power represented at the annual meeting and entitled to vote is required for other matters that properly may come before the meeting.

Where can I find the voting results of the annual meeting?

The preliminary voting results will be announced at the annual meeting. The final voting results will be tallied by the inspector of election and published in a Current Report on Form 8-K, which the Company is required to file with the SEC within four business days following the annual meeting.

PROXY SOLICITATION

Your proxy is being solicited on behalf of A. H. Belo's Board of Directors. In addition to use of the mail, the solicitation may also be made by use of facsimile, the Internet or other electronic means, or by telephone or personal contact by directors, officers, employees and agents of A. H. Belo. A. H. Belo pays the costs of this proxy solicitation.

We have hired Morrow & Co., LLC, 470 West Ave, Stamford, CT 06902, to assist in soliciting proxies from beneficial owners of shares held in the names of brokers and other nominees, and have agreed to pay Morrow & Co., LLC a fee of \$5,000 plus its related costs and expenses. We also supply brokers, nominees and other custodians with proxy forms, proxy statements and annual reports for the purpose of sending proxy materials to beneficial owners. We reimburse brokers, nominees and other custodians for their reasonable expenses.

Table of Contents**A. H. BELO CORPORATION STOCK OWNERSHIP**

The following tables set forth information about the beneficial ownership of A. H. Belo common stock by our current directors, nominees for election as director, the executive officers named in the Summary Compensation Table (the named executive officers or NEOs), all current directors, director nominees and executive officers as a group, and by each person known to A. H. Belo to own more than 5% of the outstanding shares of A. H. Belo Series A or Series B common stock. At the close of business on March 19, 2015, there were 19,410,312 Series A shares, 2,388,237 Series B shares and 21,798,549 combined Series A and Series B shares issued and outstanding.

Under SEC rules, the beneficial ownership of a person or group includes not only shares held directly or indirectly by the person or group but also shares the person or group has the right to acquire within 60 days of the record date pursuant to exercisable options and convertible securities. The information below, including the percentage calculations, is based on beneficial ownership rather than direct ownership of issued and outstanding shares, except as described in footnote (1) to the table below.

Unless otherwise indicated, each person listed below has sole voting power and sole dispositive power with respect to the shares of common stock indicated in the table as beneficially owned by such person. Series A common stock has one vote per share and Series B common stock has 10 votes per share. Consequently, the voting power of Series B holders is greater than the number of shares beneficially owned. For example, the shares of A. H. Belo common stock beneficially owned by all current directors, director nominees and executive officers as a group, representing 15.3% of the total outstanding shares of Series A and Series B common stock, have combined voting power of 56.4%.

(1) Series B shares are convertible at any time on a share-for-share basis into Series A shares but not vice versa. For purposes of determining the number of Series A shares beneficially owned by the persons listed, the person may be deemed to be the beneficial owner of the Series A shares into which the Series B shares owned are convertible. The numbers listed in the Series A column, however, do not reflect the Series A shares that may be deemed to be beneficially owned by the person listed because of this convertibility feature. If the Series A shares total included shares into which Series B shares held are convertible, the persons listed would be deemed to be the beneficial owners of the following percentages of the Series A shares: Mr. Moroney, 4.0%; Mr. Decherd, 9.6%; Ms. Herndon, 1.9%; and all current directors, director nominees and executive officers as a group, 15.4%. These percentages are calculated by taking the person's number of combined Series A and Series B shares as reflected in the table above and dividing that number by the sum of (a) the Series A shares issued and outstanding, plus (b) the total of Series B shares owned by the person as reflected in the table above, plus (c) the person's exercisable Series A stock options plus shares issuable upon the vesting and payment of restricted stock unit (RSU) awards listed in footnote (2) to the table.

The family relationships among the directors and named executive officers are as follows: Mr. Decherd and Ms. Herndon are brother and sister. Mr. Moroney is their second cousin.

The following shares are included in the individual's holdings because the individual has either sole or shared voting or dispositive power with respect to such shares.

Mr. Moroney 954 Series A shares held by Moroney Family Belo, LLC, a limited liability company of which Mr. Moroney is the manager; 5,960 Series A shares held by a family charitable foundation for which Mr. Moroney serves as trustee; and 503,374 Series B shares held by Moroney Preservation Limited, a family limited partnership, for which Mr. Moroney serves as manager. He disclaims beneficial ownership of these shares except to the extent of his pecuniary interest. Mr. Moroney shares voting and dispositive power with respect to 96 Series B shares owned by him and his wife.

Mr. Decherd 335,556 Series A shares and 300,291 Series B shares held by The Decherd Foundation for which Mr. Decherd serves as chairman and director; and 4,631 Series B shares owned by him and his wife as to which he shares voting and dispositive power.

PROPOSAL ONE: ELECTION OF DIRECTORS

A. H. Belo's bylaws provide that the Board of Directors comprises five to ten directors, divided into three classes, approximately equal in number, with staggered terms of three years so that the term of one class expires at each annual meeting. The bylaws further provide that a director will retire on the date of the annual meeting of shareholders next following his or her 68th birthday.

Selection, Qualifications and Experience of Directors

The Nominating and Corporate Governance Committee of the Board of Directors is responsible for identifying director candidates and making recommendations to the Board. The Board is ultimately responsible for nominating candidates for election to the Board. The Nominating and Corporate Governance Committee employs a variety of methods for identifying and evaluating director nominees. Candidates may come to the Committee's attention through current Board members, shareholders or other persons. In evaluating director candidates, the Committee considers a variety of criteria, including an individual's character and integrity; business, professional and personal background; skills; current employment; community service; and ability to commit sufficient time and attention to activities of the Board. The Nominating and Corporate Governance Committee also may take into account any specific financial, technical or other expertise, and the extent to which such expertise would complement the Board's existing mix of skills and qualifications. The Committee considers these criteria in the context of the perceived needs of the Board as a whole. For more information regarding the Nominating and Corporate Governance Committee and the nominee selection and evaluation process, please see "Corporate Governance - Committees of the Board - Nominating and Corporate Governance Committee."

Based on a review of the background and experiences of the directors, we believe that each of our directors, including those proposed for election to the Board at the 2015 annual meeting, possesses the professional and personal qualifications necessary for service on the A. H. Belo Board of Directors. In the individual biographies below, we have highlighted particularly noteworthy attributes of each Board member that led to the Board's conclusion that the person should serve as an A. H. Belo director in light of the Company's business and structure. In addition, we note that, based on their length of service to the Company, including prior to the 2008 spin-off of the Company by Belo Corp., several of our directors have significant exposure to both our business and the communities in which we operate.

Nominees for A. H. Belo Directors

The following candidates are nominated by the Board and each is an incumbent director: Jim Moroney and Ronald McCray are standing for election as a Class I directors and each will be eligible to serve a three-year term until the 2018 annual meeting. The independence of each director is addressed under "Corporate Governance - Director Independence."

Although Dealey Herndon is a Class I director, she is no longer eligible for reelection to the board of directors due to the mandatory retirement provisions of the Company's bylaws. As a result of Ms. Herndon's retirement, the Company will reduce the size of the board to eight directors.

Each independent director serves on each of the three standing committees of the Board (Audit, Compensation and Nominating and Corporate Governance). Mr. Moroney, Mr. Decherd and Ms. Herndon do not serve on any standing committee of the Board.

Any other services to be provided by the independent auditors must be separately pre-approved by the Audit Committee. In addition, if the fees for any pre-approved services are expected to exceed by 5% or more the estimated fee levels previously approved by the Audit Committee, the services must be separately pre-approved by the Committee. Belo's corporate governance policies and practices in light of the Sarbanes-Oxley Act of 2002 and subsequent legislation, SEC regulations, corporate governance listing standards adopted by the New York Stock Exchange (NYSE), and evolving best practices. The Board has formalized its corporate governance guidelines, approved a code of business conduct and ethics applicable to A. H. Belo's directors, management and other A. H. Belo employees, and adopted a charter for each Board committee. The Nominating and Corporate Governance Committee reviews A. H. Belo's corporate governance guidelines and Board committee charters annually and recommends changes to the Board as appropriate. Our corporate governance documents are posted on our website at www.ahbelo.com under About A. H. Belo Corporate Governance, and are available in print, without charge, upon written or oral request to A. H. Belo Corporation, Attention: Secretary, P. O. Box 224866, Dallas, Texas 75222-4866, (214) 977-8200.

Director Independence

To assist it in making determinations of a director's independence, the Board has adopted independence standards, which are set forth in A. H. Belo's corporate governance guidelines, the applicable portion of which is attached to this proxy statement as Appendix B. These standards incorporate the director independence criteria included in the NYSE listing standards, as well as additional, more stringent criteria established by the Board. The Board determined that the following directors are independent under these standards: John Beckert, Louis Caldera, Ron McCray, Ty Miller, John Puerner and Nicole Small. Each of the Audit, Compensation and Nominating and Corporate Governance Committees is composed entirely of independent directors. In accordance with SEC requirements, NYSE listing standards and the independence standards set forth in A. H. Belo's corporate governance guidelines, all members of the Audit Committee meet additional independence standards applicable to audit committee members and all members of the Compensation Committee satisfy additional independence requirements specific to compensation committee membership.

Meetings of the Board

The Board held five meetings in 2014. Each incumbent director attended at least 75% of the aggregate of (1) the total number of meetings held by the Board and (2) the total number of meetings held by all committees on which he or she served. Directors are expected to attend annual meetings of shareholders and all of the incumbent directors then serving attended the 2014 annual meeting either in person or by telephone.

Committees of the Board

Each of the Board's standing committees consists of independent directors John Beckert, Louis Caldera, Ron McCray, Ty Miller, John Puerner and Nicole Small. Descriptions follow of each of the committees of the Board of Directors of A. H. Belo.

Audit Committee

John Beckert chairs the Audit Committee. The Audit Committee is responsible for the appointment, compensation and oversight of the independent auditors. The Audit Committee also represents the Board in overseeing A. H. Belo's financial reporting processes, reviewing the Company's enterprise risk management process and policies, and, as part of this responsibility, consults with our independent auditors and with personnel from A. H. Belo's internal audit and financial staffs with respect to corporate accounting, reporting, risk management and internal control practices. The Audit Committee met six times during 2014.

The Board has determined that at least one member of the Audit Committee meets the NYSE standard of having accounting or related financial management expertise. The Board has also determined that at least one member of the Audit Committee, John Beckert, meets the SEC criteria of an audit committee financial expert.

Compensation Committee

Ron McCray chairs the Compensation Committee. The Compensation Committee evaluates the performance of the Chief Executive Officer and sets his compensation level based on this evaluation. The Compensation

Committee also approves the compensation of the other executive officers and recommends compensation for non-management directors, and administers, among other plans, the Company's 2008 Incentive Compensation Plan, the A. H. Belo Savings Plan, the A. H. Belo Change in Control Severance Plan, the A. H. Belo Pension Plan I and the A. H. Belo Pension Plan II. It also shares responsibility for senior executive succession planning with the Nominating and Corporate Governance Committee and reviews management's assessment of key risks associated with the Company's compensation programs, policies and practices. The Compensation Committee met six times during 2014.

To assist the Compensation Committee and management in assessing and determining appropriate, competitive compensation for our executive officers and directors, the Compensation Committee annually engages an outside compensation consultant. Beginning in February 2008, the Compensation Committee has annually engaged Mercer LLC (Mercer), a wholly-owned subsidiary of Marsh & McLennan Companies, Inc. (Marsh), as its compensation consultant. The scope of Mercer's engagement is to assist the Compensation Committee with its responsibilities related to the Company's executive and Board-level compensation programs. For additional information regarding the operation of the Compensation Committee, including the role of consultants and management in the process of determining the amount and form of executive compensation, see the Company's Compensation Discussion and Analysis below.

Mercer's fees for executive compensation consulting to the Compensation Committee in 2014 were approximately \$27,000. These fees and the engagement of Mercer for executive compensation consulting services were approved by the Compensation Committee. The Company has also retained Mercer and/or its Marsh affiliates to provide other services unrelated to executive compensation. These services include actuarial analysis of unpaid liabilities related to certain insurance claims. The aggregate expense for these other services in 2014 was approximately \$32,000, exclusive of insurance premiums. The decision to engage Mercer or its Marsh affiliates for these other services unrelated to executive compensation consulting was made by Company management, and these services and related fees were not separately approved by the Compensation Committee or the Board.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is chaired by Ty Miller, who also serves as the Board's Lead Director. The responsibilities of the Nominating and Corporate Governance Committee include the identification and recommendation of director candidates and the review of qualifications of directors for continued service on the Board. The Nominating and Corporate Governance Committee also has responsibility for shaping A. H. Belo's corporate governance practices, including the development and periodic review of the corporate governance guidelines and the Board committee charters and shares responsibility for senior executive succession planning. The Nominating and Corporate Governance Committee met four times in 2014.

In evaluating director nominees, the Nominating and Corporate Governance Committee considers a variety of criteria, including an individual's character and integrity; business, professional and personal background; skills; current employment; community service; and ability to commit sufficient time and attention to the activities of the Board. It may also take into account any specific financial, technical or other expertise and the extent to which such expertise would complement the Board's existing mix of skills and qualifications. The Committee considers these criteria in the context of the perceived needs of the Board as a whole and seeks to achieve a diversity of backgrounds and perspectives on the Board. The Board does not have a formal diversity policy, but does endeavor to have members with a broad mix of professional and personal backgrounds. The Committee assesses the effectiveness of its criteria and its efforts at achieving a diversity of backgrounds and perspectives on the Board when evaluating and recommending new director candidates.

The Nominating and Corporate Governance Committee employs a variety of methods for identifying and evaluating director nominees. The Committee reviews the size and composition of the Board as part of the annual Board evaluation process and makes recommendations to the Board as appropriate. If vacancies on the Board are anticipated, or otherwise arise, the Nominating and Governance Committee considers various potential candidates for director. Candidates may come to the Committee's attention through current Board members, shareholders or other persons.

The policy of the Nominating and Corporate Governance Committee, as set forth in A. H. Belo's corporate governance guidelines, is to consider a shareholder's recommendation for nominee(s) when the shareholder supplies

Table of Contents

the information required for director nominations under the advance notice provisions set forth in Article II of A. H. Belo's bylaws within the time periods set forth in such Article of the bylaws. Shareholders desiring to submit a nomination for director should consult A. H. Belo's bylaws, which are available upon request. The Committee evaluates shareholder-recommended nominees based on the same criteria it uses to evaluate nominees from other sources.

After the Nominating and Corporate Governance Committee identifies a potential candidate, there is generally a mutual exploration process, during which A. H. Belo seeks to learn more about a candidate's qualifications, background and level of interest in A. H. Belo, and the candidate has the opportunity to learn more about A. H. Belo. A candidate may meet with members of the Nominating and Corporate Governance Committee, other directors and senior management. Based on information gathered during the course of this process, the Nominating and Corporate Governance Committee makes its recommendation to the Board. If the Board approves the recommendation, the candidate is nominated for election by A. H. Belo's shareholders. The Board may also elect a director between annual meetings of shareholders. In those instances, the new director is nominated for re-election by A. H. Belo's shareholders at the first annual meeting after his or her election to the Board.

The Board convenes executive sessions of non-management directors without Company management present at each regularly-scheduled meeting. The Lead Director presides at the executive sessions of the non-management directors. In addition, the independent directors meet in executive session at least annually, without Mr. Moroney, Mr. Decherd or Ms. Herndon present. Board committee chairs preside at executive sessions of their respective committees.

Board Leadership Structure

Currently, Mr. Moroney serves as Chairman of the Board and Chief Executive Officer (CEO). The Board believes that the Company and its shareholders are best served by a leadership structure in which Mr. Moroney serves as chairman and CEO and the Board has an independent Lead Director. Combining the roles of chairman and CEO makes clear that the person serving in these roles has primary responsibility for managing the Company's business, under the oversight and review of the Board. Under this structure, the chairman and CEO chairs Board meetings, where the Board discusses strategic and business issues. The Board believes that this approach makes sense because the CEO is the individual with primary responsibility for implementing the Company's strategy and managing its day-to-day operations. This structure also enables the CEO to act as a bridge between management and the Board, helping both to act with a common purpose.

At the same time, the Board believes that strong, independent Board leadership is a critical aspect of effective corporate governance. Accordingly, to provide independent leadership, the Board has established the position of Lead Director. The Lead Director is an independent director elected annually by the independent directors. Ty Miller currently serves as the Lead Director. The Lead Director's responsibilities and authority include:

presiding at meetings of the Board at which the chairman and CEO is not present, including executive sessions of the independent directors;

having the authority to call executive sessions of the independent directors;

serving as a liaison between the chairman and CEO and the independent directors;

advising on the flow of information sent to the Board, and reviewing the agenda, materials and schedule for Board meetings; and

being available for consultation and communication with major shareholders, as appropriate.

The Board believes that a combined chairman/CEO, together with a Lead Director, is the most appropriate leadership structure for the Board at this time. The Board also believes that it is in the best interests of the Company for the Board to make a determination about whether to separate or combine the roles of chairman and CEO based upon the Company's circumstances at a particular time. The Company's bylaws permit the roles of chairman and CEO to be filled by the same or different individuals, thereby providing the Board flexibility to determine whether the roles should be combined or separated based upon the Company's needs from time to time.

Board Risk Oversight

At least annually, Company management provides the Audit Committee with a report regarding its enterprise risk assessment. The report identifies areas of enterprise risk, and aligns managerial and Board-level oversight, including at the Board committee level, and responsibility with the type of risk. In order to prepare the report, the Company's Internal Audit department interviews A. H. Belo business leaders at the corporate and operating unit level about the risk factors identified by the Company in its SEC filings, as well as other potential risks, to confirm Internal Audit's baseline risk assessment. The risk assessment results are reviewed with management to determine if any future adjustments to the audit plan are needed.

The Audit Committee discusses the report's findings with management. The Audit Committee oversees management's risk assessment, including reviewing the Company's risk profile and evaluating management's approach to addressing identified risks. As specified in the Audit Committee charter, one of the specific duties and responsibilities of the Audit Committee is to review and discuss the Company's policies with respect to risk assessment and risk management. While the Audit Committee has primary oversight responsibility for the risk assessment and management process, other committees of the Board also have responsibility for oversight of risk management. For example, our Human Resources department and Compensation Committee consider the risks associated with our compensation policies and practices. The Nominating and Corporate Governance Committee oversees risk associated with the Company's governance structure and processes.

The Board is kept informed of its committees' risk oversight and related activities primarily through attendance at Board and committee meetings and management reports. In addition, the Audit Committee escalates issues related to risk oversight to the full Board as appropriate so that the Board is appropriately informed of developments that could affect the Company's risk profile and other aspects of its business. The Board also considers specific risk topics in connection with strategic planning and other matters. While the Board's role in oversight of Company risk is not determinative of its leadership structure, the Board's leadership structure helps facilitate risk assessment and review by independent directors under the leadership of the Lead Director.

Compensation Risk Assessment

Our Human Resources department, together with the Company's Finance, Internal Audit, Risk Management and Legal departments and independent compensation consultants, have reviewed our compensation policies and practices to determine whether those policies and practices present a significant risk to the Company. The results of this review were communicated to the Compensation Committee. Our annual incentive compensation plans have appropriate limits that discourage excessive risk taking. In addition, all senior executives who are in a position to affect significant policies, practices or projects have both short-term and long-term compensation at risk, which the Company believes discourages excessive risk taking and encourages supervision of risk-related activities by other employees. Our compensation policies and practices reward consistent, long-term performance by weighting executive compensation to long-term incentives that reward operating, financial and share price performance. Based on this review, we have concluded that A. H. Belo's compensation policies and practices for its employees are not reasonably likely to have a material adverse effect on the Company.

Compensation Committee Interlocks and Insider Participation

Messrs. Beckert, Caldera, McCray, Miller and Puerner and Ms. Small served as members of A. H. Belo's Compensation Committee during 2014. No member of the Compensation Committee during 2014 was a current or former officer or employee of A. H. Belo or had any relationship with A. H. Belo requiring disclosure under the caption "Certain Relationships." None of A. H. Belo's executive officers served as a director or as a member of the compensation committee (or other committee serving an equivalent function) of any other entity that had an executive officer serving as a director or as a member of A. H. Belo's Compensation Committee during 2014.

Audit Committee Report

As described more fully in our written charter, which is posted on the Company's website at www.ahbelo.com under "About A. H. Belo Corporate Governance," the Audit Committee represents the Board in its oversight of A. H. Belo's financial reporting processes. In this context, the Audit Committee has reviewed and discussed with management and KPMG LLP, the Company's independent auditors, A. H. Belo's audited consolidated

financial statements and the audit of the effectiveness of A. H. Belo's internal control over financial reporting. The Audit Committee has discussed with KPMG LLP various matters, including the firm's judgments as to the quality of A. H. Belo's accounting principles and other matters required to be discussed under the rules adopted by the Public Company Accounting Oversight Board (PCAOB). In addition, the Audit Committee has received from KPMG LLP the written disclosures and the letter required by applicable requirements of the PCAOB regarding KPMG LLP's communications with the Audit Committee concerning independence, and has discussed with the firm its independence from A. H. Belo and our management team.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited consolidated financial statements be included in A. H. Belo's Annual Report on Form 10-K for the year ended December 31, 2014, for filing with the SEC.

Respectfully submitted,

Audit Committee

A. H. Belo is a leading local news and information company with commercial printing, distribution and direct mail capabilities, as well as expertise in emerging media and digital marketing. The Company operates two metropolitan daily newspapers and related websites, including The Dallas Morning News (www.dallasnews.com) and the Denton Record-Chronicle (www.dentonrc.com). The Company publishes various niche publications targeting specific audiences. A. H. Belo offers digital marketing solutions through The Dallas Morning News' 508 Digital division (508 Digital) and Your Speakeasy, LLC (Speakeasy), provides event promotion and marketing services through DMN Crowdsourcing LLC (Crowdsourcing), and also owns and operates commercial printing, distribution and direct mail service businesses. The Company also offers local marketing automation, search engine marketing, direct mail and promotional products through three newly acquired subsidiaries, which will provide new and existing A. H. Belo customers an integrated print and digital solution for their advertising and marketing needs.

The newspaper industry continues to experience substantial change caused by the effect of the Internet and other transformational technologies on consumers and advertisers and the rapid ascent of new media businesses. From an executive compensation perspective, this business environment underscores the importance of attracting and retaining both experienced and high-potential executives, and rewarding superior individual performance that may not presently be reflected in the Company's stock price, revenues or operating profit.

Our 2014 executive compensation program remained consistent with the prior year and is designed to deliver the results that drive the Company's current strategy. The Compensation Committee, with the support of the Company's senior management, continues to address executive compensation policies and practices proactively, taking into consideration both the interests of shareholders and the need to attract and retain a talented and experienced management team.

The key principles and design objectives of the Company's executive compensation strategy are to:

focus executive compensation plan design on attracting and retaining top-caliber executive talent that can deliver the results that drive the Company's current strategy;

encourage coordinated and sustained effort toward maximizing shareholder value;

motivate and reward executives for achievement of the Company's financial objectives as well as the executive's individual non-financial objectives;

align the long-term interests of executives with those of the Company's shareholders through equity-based awards; and

minimize dilution and increase executive retention, including through the use of cash incentive awards that are predictable and time-based.

Role of the Compensation Committee

The Compensation Committee of the Board of Directors oversees the Company's overall compensation structure, policies and programs, and has responsibility for establishing, implementing and monitoring adherence to the Company's compensation philosophy. In carrying out its responsibilities, the Compensation Committee, with assistance from its executive compensation consultant, reviews and determines the compensation (including salary, annual incentive, long-term incentives and other benefits) of our NEOs. For a more complete description of the responsibilities of the Compensation Committee, see *Corporate Governance - Committees of the Board*.

Role of the Compensation Consultant

The Compensation Committee has retained Mercer as its independent, outside consultant to advise the Compensation Committee on executive compensation matters. A representative from Mercer regularly attends Compensation Committee meetings, and reports directly to the Compensation Committee on matters relating to compensation for our executive officers, including the CEO. During 2014, Mercer, at the Compensation Committee's request:

advised in developing recommendations for the Compensation Committee on the size and structure of long-term incentive awards for our CEO and other executive officers;

provided the Compensation Committee ongoing advice and counsel on market compensation trends, legislative and regulatory updates and their impact on our executive compensation programs; and

assisted in the review of our CD&A.

Role of Company Management

The Compensation Committee makes the final decisions on CEO compensation, with advice from Mercer, as appropriate. Our senior management develops preliminary recommendations regarding compensation matters with respect to all executives other than the CEO and provides these recommendations to the Compensation Committee, which makes the final decisions as to these other executive officers. For 2014, the primary management liaisons to the Compensation Committee were Mr. Moroney and Mr. Blizzard. The management team is responsible for the administration of the compensation program once Compensation Committee decisions are finalized.

2014 Compensation Program Overview

The key components of our 2014 compensation program for our NEOs are:

base salary;

annual cash incentive bonuses or, in the case of Mr. Moise for the first quarter of 2014, quarterly sales commissions;

long-term equity-based and cash-based incentives; and

benefits.

Other than with respect to Mr. Moise, our executive compensation program and levels are consistent with the prior year and our NEOs did not receive increases in base salary, target bonus percentages or long-term incentive levels. The Company continued the use of individual non-financial objectives as a component of the annual cash incentive bonus opportunity, and the use of time-based cash as a component of the annual long-term incentive grants, a practice which began in 2012.

Edgar Filing: A. H. Belo Corp - Form DEF 14A

Given the absence of similarly-sized peer companies in our industry, the Company used general compensation survey data provided by Towers Watson to review levels of base salaries, annual cash incentive targets and long-term incentives. The Towers Watson survey contained over 425 general industry companies and over 60 media companies. When available, A. H. Belo used linear regression to produce a compensation data set. Regression analysis was based on the target revenue of the Company. NEO positions were compared to positions with similar responsibilities in the general industry or media industry data set, as applicable, although the company identities

Table of Contents

were not provided as to such position comparisons. Median data was provided to the Compensation Committee for review and consideration as one factor for use in determining compensation levels for each NEO.

Throughout 2014, the Compensation Committee, with the assistance of Mercer, reviewed and monitored trends in the industry, trends for companies facing similar business challenges and trends in the market generally, and considered recommendations to address such trends, in order to determine appropriate compensation policies.

Base Salary

Base salary is designed to provide a stable level of compensation that serves as a retentive tool to compensate our key executives for their respective roles and responsibilities.

In 2014, Mr. Moise received an increase to reflect his important role in the Company's efforts to diversify revenue streams, explore acquisition opportunities and grow marketing services revenue. Our remaining NEOs' base salaries remained at 2013 levels.

Name	2013	2014	\$ Increase	% Increase

James M. Moroney III	\$ 600,000	\$ 600,000		
Alison K. Engel	\$ 325,000	\$ 325,000

Grant S. Moise	\$ 300,000	\$ 325,000(1)	\$ 25,000	8.33%

(1) These annualized amounts give effect to salary increases that occurred during 2014, as applicable.

Incentive Programs

The Company's NEOs have the opportunity to earn incentive awards, which may be granted in the form of annual cash incentive bonuses, long-term equity-based incentive compensation (LTEI compensation or LTEIs), or long-term cash incentive compensation (LTCI compensation or LTCIs). Incentive awards are supplemental to the executive's base salary and are designed to focus executives on achieving key financial goals, encourage retention and motivation of participants, and reward them for market-driven results.

Annual cash incentive bonuses and LTEIs are provided under the A. H. Belo 2008 Incentive Compensation Plan (ICP) and administered by the Compensation Committee. This plan was approved by shareholders in 2014. Officers of A. H. Belo and its subsidiaries, including A. H. Belo's CEO and its other NEOs, are eligible to participate in the ICP. Additional ICP participants may be selected by the Compensation Committee based on management's evaluation of an individual's ability to significantly affect A. H. Belo's results. LTCI compensation is granted outside of the ICP. In the second quarter of 2014, Mr. Moise transitioned from a quarterly sales commission plan tailored to his specific business objectives to a cash incentive bonus program under the ICP. Each of our incentive compensation programs are discussed in more detail below.

Annual Cash Incentive Bonus Program

Overview. Under the terms of the ICP, each A. H. Belo executive officer is eligible to receive an annual cash incentive bonus based on financial performance objectives established in the annual financial plan approved by the Board of Directors or other management objectives (such as individual non-financial objectives) approved by the Board of Directors. The financial and non-financial performance objectives may vary from year to year and reflect the cyclical nature of A. H. Belo's businesses due to fluctuating advertising demand and changes in media usage habits by consumers and advertisers, and other competitive conditions, including recruiting and retaining talent. All NEOs, with the exception of Mr. Moise in the first quarter of 2014, participate in the annual cash incentive bonus program.

Specific Program for 2014. The Compensation Committee established a 2014 target bonus opportunity for the NEOs expressed as a percentage of base salary as follows: Mr. Moroney 85%; Ms. Engel 55%; Mr. Mong 45%; and Mr. Blizzard 45%. In the second quarter of 2014, Mr. Moise moved from a quarterly sales

commission program to the annual cash incentive bonus. Mr. Moise's target bonus opportunity was set at 55%, which was prorated in 2014. Other than Mr. Moise, the target bonus percentages for NEOs remain unchanged from 2013. In setting the target bonus award opportunities for NEOs, the Committee took into account both pay-for-performance and retention considerations and used Towers Watson survey data as a market guide.

In order to calculate achievement under the ICP with respect to 2014 incentive bonuses for Mr. Moroney; Ms. Engel; Mr. Mong; and Mr. Blizzard, the Compensation Committee selected EBITDA as the financial performance measure, and individual non-financial objectives as the non-financial performance measure. The weighting given to these factors was 50% for EBITDA and 50% for individual non-financial objectives. For Mr. Moise, the Compensation Committee selected EBITDA and revenue as the financial performance measure and individual non-financial objectives as the non-financial performance measure. For bonus calculation purposes, the Company defines EBITDA as earnings before interest, taxes, depreciation and amortization, with impairment expense, net investment-related gains or losses, and other income and expense added back, and with certain other adjustments which are described under [Financial Performance Goals and Results for 2014](#) below.

For financial performance for Mr. Moroney; Ms. Engel; Mr. Mong; and Mr. Blizzard, the minimum threshold for any cash incentive payout was set at 85% of the applicable EBITDA target. Mr. Moroney was evaluated against the consolidated EBITDA results of A. H. Belo (Consolidated EBITDA). Ms. Engel and Mr. Blizzard were evaluated 15% against Consolidated EBITDA results and 85% against EBITDA results of *The Dallas Morning News* (TDMN EBITDA). This heavier weighting on TDMN EBITDA was based on the fact that the finance, accounting and human resources departments at A. H. Belo Corporate and *The Dallas Morning News* are combined, and Ms. Engel and Mr. Blizzard spend the majority of their time on Dallas-based matters. Given his role as Editor, Mr. Mong was evaluated 100% against TDMN EBITDA.

For financial performance for Mr. Moise, four metrics were used: TDMN EBITDA (20% of total), Niche Publication EBITDA (30% of total), 508 Digital revenue (25% of total), and Speakeasy revenue (25% of total). The minimum threshold for TDMN EBITDA was 85%, and the minimum threshold for all other metrics was 75%.

The Company believes that linking one-half of the bonus opportunity directly to financial performance, with an opportunity to earn a greater payout than target bonus amount if maximum financial performance is achieved, provides participants with significant motivation to achieve the Company's financial objectives. The bonus payout ranges from 10% at the minimum to 200% at the maximum, with payments pro-rated for performance achievement between the two points. For Mr. Moise, 508 Digital revenue and Speakeasy revenue bonus payouts were capped at 100% if target EBITDA for 508 Digital or target EBITDA for Speakeasy, respectively, were not met.

For individual non-financial objectives for Mr. Moroney; Ms. Engel; Mr. Mong; and Mr. Blizzard, there is no minimum threshold for any cash incentive payout. The bonus payout can range from zero to a maximum of 100% of target. For Mr. Moise, the minimum threshold for cash incentive payout was 50% for each individual non-financial objective, and the maximum cap for cash incentive payout was 150% for each individual non-financial objective with payments pro-rated for performance achievement between the two points. The Company believes that given the transitional state of the newspaper industry and the unpredictability of core advertising revenues, which directly affect EBITDA, it is important to link one-half of the bonus opportunity to individual non-financial objectives that the NEOs can directly influence, and which have a positive impact on the Company and increase retention.

With Ms. Engel's departure from the company on January 2, 2015, she was not eligible for a bonus payment for 2014 performance.

Financial Performance Goals and Results for 2014. The table below shows the financial performance goals for 2014 for each of the corresponding performance levels (threshold, target and maximum) and our actual financial performance results for 2014. In order to give effect to the closing of the sale of *The Providence Journal* in September 2014, the Consolidated EBITDA target level goals and actual results shown in the table below include *The Providence Journal*'s financial performance only through August 31, 2014. Actual EBITDA results shown in the table below include adjustments for items that are excluded for purposes of bonus calculation, as management's ability to control or influence such items is limited. The adjustments include variances above or below the

The Company's 2014 Consolidated EBITDA results (as adjusted) exceeded threshold level goals and resulted in an achievement of 90.7% of target and, as a result, Mr. Moroney and Mr. Blizzard earned bonuses equal to 44.4% of their target Consolidated EBITDA bonus amounts. In 2014, TDMN EBITDA results (as adjusted) did not exceed threshold level goals and resulted in an achievement of 82.5% of target and, as a result Mr. Mong, Mr. Blizzard, and Mr. Moise earned bonuses equal to 0.0% of their target TDMN EBITDA bonus amounts. In 2014, Niche Publication EBITDA results (as adjusted) exceeded threshold level goals and resulted in an achievement of 84.8% of target and, as a result, Mr. Moise earned a bonus equal to 45.2% of his target Niche Publication bonus amount. In 2014, 508 Digital revenue results exceeded threshold level goals and resulted in an achievement of 94.8% of target and, as a result, Mr. Moise earned a bonus equal to 81.1% of his target 508 Digital revenue bonus amounts. In 2014, Speakeasy revenue results exceeded threshold level goals and resulted in an achievement of 140.6% of target. However, Speakeasy EBITDA results did not meet target and, as a result, Mr. Moise earned a bonuses equal to 100.0% of his target Speakeasy revenue bonus amounts.

Total financial performance bonus amounts were: Mr. Moroney \$113,275; Ms. Engel \$0; Mr. Mong \$0; Mr. Blizzard \$4,198; and Mr. Moise \$39,437.

Individual Non-Financial Objectives and Results for 2014. In an industry that continues to experience significant challenges, the Company believes the use of individual non-financial objectives as a compensation tool increases retention and drives individual performance. For 2014, Mr. Moroney worked with each NEO to craft appropriate individual non-financial objectives, which were then reviewed by the Compensation Committee. These objectives include qualitative objectives that are focused on strategic factors that create long-term shareholder value. Performance against these individual non-financial objectives was evaluated by Mr. Moroney (other than for himself) and then reviewed and approved by the Compensation Committee. Mr. Moroney's performance against his individual non-financial objectives is evaluated and approved by the Compensation Committee. A summary of each NEO's performance against his or her individual non-financial objectives is described below.

James M. Moroney III. In 2014, Mr. Moroney successfully managed the process that brought together the sale of *The Providence Journal*; worked with Ms. Engel to review our corporate expense structure in light of the sale of *The Providence Journal*; identified potential acquisition targets that would produce positive EBITDA in 2015; drove revenue and EBITDA results for 508 Digital and Speakeasy and continued to grow revenue and EBITDA for Crowdsourc and Niche Publication assets; formed a foundation for the citizen journalist network; closely monitored the implementation and execution of third-party printing contracts; and took expenses out of the operation through technology, out-sourcing and personnel management.

Robert W. Mong, Jr. In 2014, Mr. Mong successfully helped Mr. Moroney find his successor; launched a pilot citizen journalist network focusing on breaking news and four other topical areas; and supported new business initiatives that require production, distribution and printing-related expertise.

Daniel J. Blizzard. In 2014, Mr. Blizzard continued to aggressively pursue the monetization of non-core real estate assets in Providence, Rhode Island, Riverside, California and Dallas, Texas; oversaw the real estate and human resources matters related to the sale of *The Providence Journal*; assumed responsibility for state and national government affairs; and worked with Ms. Engel on pension de-risking actions.

Grant S. Moise. In 2014, Mr. Moise identified acquisition targets, successfully completed the acquisition of three digital and print marketing companies, looked for new business synergies, and developed new growth strategies for niche products.

After reviewing the detailed results of each NEOs performance against his or her individual non-financial objectives for 2014, the Compensation Committee determined that Mr. Moroney, Mr. Mong, and Mr. Blizzard had met their objectives. Mr. Moroney, Mr. Mong, and Mr. Blizzard earned the target amount of their respective cash incentive opportunity as follows: Mr. Moroney \$255,000; Mr. Mong \$81,761; and Mr. Blizzard \$63,000.

Mr. Moise was evaluated against each of his individual non-financial objectives using a point system and the results are below.

Individual Non-Financial Objective	Threshold Level Points	Target Level Points	Maximum Level Points	Actual Results
	(50% Funding)	(100% Funding)	(150% Funding)	
Identification of Acquisition Targets	27.5	55.0	82.5	55.0
Due Diligence	7.5	15.0	22.5	17.0

Total	50.0	100.0	150.0	97.0

Mr. Moise earned a bonus of \$65,020, which was equal to 97.0% of his target Individual Non-Financial Objective bonus amount.

Beginning in 2015, for all executive officers, except Mr. Moise, the financial performance metrics will be weighted 90% against consolidated Company EBITDA and 10% against the EBITDA for newly acquired businesses that have a proven financial record. For Mr. Moise, financial performance metrics will be weighted 50% against consolidated Company EBITDA and 50% against the EBITDA for newly acquired businesses that have a proven financial record. Threshold, target and maximum performance and payout ranges for the consolidated Company EBITDA component are 85%, 100% and 115% respectively for performance and 10%, 100% and 200% respectively for payout. Threshold, target and maximum performance and payout ranges for the newly acquired business EBITDA component are 75%, 100% and 125% respectively for performance and 10%, 100% and 200% respectively for payout.

Beginning in 2015, individual non-Financial Objectives for all executive officers, including Mr. Moise, will be comprised of performance metrics, based on a point system allocated to each objective which includes threshold, target and maximum performance and payout ranges for each objective of 50%, 100% and 150% respectively. Each specific individual non-financial objective may be weighted differently to better align with the Company's business strategies.

Quarterly Sales Commission Plan (Mr. Moise)

In the first quarter of 2014, Mr. Moise participated in a quarterly sales commission plan that is designed to incentivize increased sales and financial performance of the digital and niche publications businesses that Mr. Moise leads. With the Company's continued focus on diversifying revenue streams to restart topline growth, the quarterly sales commission plan particularly emphasizes the financial and operational performance of the two digital marketing businesses of *The Dallas Morning News*, 508 Digital and Speakeasy. 508 Digital focuses on serving the digital and social marketing needs of small and medium-sized businesses. Speakeasy develops, manages and executes campaigns and promotions for both local and national brands. Mr. Moise also leads *The Dallas Morning News* niche publications businesses. For first quarter of 2014, Mr. Moise's commissions were based on the revenue and EBITDA of 508 Digital and the revenue of Speakeasy and all niche publications. Actual commissions earned under the sales commission plan for 2014 were \$41,547.

Long-Term Incentive Compensation

In developing long-term incentive compensation recommendations for 2014, the Compensation Committee's primary focus was to balance dilution, cost and retention concerns. The Compensation Committee decided to continue granting 50% of the total long-term incentive compensation amount in the form of time-based RSUs under the ICP and 50% in the form of time-based cash outside of the ICP. This 50/50 LTEI compensation and LTCI compensation structure is intended to accomplish several objectives, including: (1) managing share usage and dilution to acceptable levels; (2) aligning the interests of executives with those of shareholders; (3) providing retention to key executives over a multi-year period; (4) enhancing the Company's ability to recruit executives who can further diversify sources of revenue and grow EBITDA; and (5) ensuring that the total expense incurred is consistent with the value delivered to executives.

In order to determine appropriate long-term incentive compensation levels for the NEOs in 2014, the Compensation Committee reviewed general industry survey data for companies of a similar size and scope as A. H. Belo, a description of which can be found under 2014 Compensation Program Overview, and considered recommendations from senior management and its compensation consultant. The Compensation Committee also considered both executive and corporate performance, total cost, shareholder dilution, retention and recruiting with no specific goals or weightings assigned to such factors, when determining the size of the long-term incentive compensation grants.

LTEI Compensation for 2014. Under the terms of the ICP, each A. H. Belo executive officer is eligible to receive LTEI compensation. These awards are designed to offer competitive compensation that encourages the retention and motivation of key executives, and rewards them based upon market-driven results. The ICP provides the Compensation Committee with discretion to require performance-based standards to be met before grants vest. According to the ICP structure, the Compensation Committee determines each executive officer's intended LTEI compensation value, then determines the allocation of the LTEI compensation award among three available types of equity instruments: time-based RSUs, stock options and performance-related RSUs. Time-based RSUs encourage executives to remain with the Company and to focus on its long-term success. Stock options encourage and reward stock price performance, thus aligning the executive's interests with those of shareholders. Performance-related RSUs reward the achievement of A. H. Belo's cumulative annual financial performance goals. Since the ultimate value of the LTEI compensation awards depend upon the performance of A. H. Belo common stock, the interests of the executive officers are aligned with the financial interests of A. H. Belo's shareholders. For 2014, the Compensation Committee elected to award the full value of LTEI compensation in the form of time-based RSUs.

Each time-based RSU represents a contingent right to receive the value of one share of A. H. Belo Series A common stock. Time-based RSUs are valued as of the date of vesting and are paid 60% in shares of A. H. Belo Series A common stock and 40% in cash. Time-based RSUs granted in 2014 vest as follows: 40% on the third trading day following the annual earnings release date for the year ending December 31, 2014; and 30% each on the third trading day following the annual earnings release date for the years ending December 31, 2015 and 2016.

Retirement Benefits

Prior to the 2008 spin-off, Belo Corp. offered pension benefits to eligible employees through The G. B. Dealey Retirement Pension Plan (the Belo Plan). In March 2007, Belo Corp. froze the Belo Plan and all affected employees were provided with transition benefits. At the time of the spin-off, Belo Corp. remained the sole sponsor and administrator of the Belo Plan for all of its approximately 9,300 participants, and A. H. Belo agreed to share investment oversight responsibilities with Belo Corp. and to reimburse Belo Corp. for 60 percent of each contribution Belo Corp. made to the Belo Plan.

The Company and Belo Corp. split the Belo Plan effective January 1, 2011. Under the agreement, benefit assets and liabilities allocable to the approximately 5,100 current and former employee participants of A. H. Belo and its newspaper businesses were transferred to two new defined benefit pension plans created, sponsored and managed by or on behalf of A. H. Belo (the A. H. Belo Plans). Benefits under the A. H. Belo Plans remain frozen, and A. H. Belo is now solely responsible for contributions to the A. H. Belo Plans. The split of the Belo Plan does not change the amount of the benefits any participant has accrued or is currently receiving. As of December 31, 2014, there were approximately 4,000 current and former employee participants in the A. H. Belo Plans.

In conjunction with the freeze of the Belo Plan in 2007, A. H. Belo adopted two separate defined contribution plans at the time of the spin-off which were designed to provide supplemental retirement benefits over a five-year period for all A. H. Belo employees who were participants in the Belo Plan, including Mr. Moroney and Mr. Mong. The A. H. Belo PTS Plan was an account-balance plan intended to qualify under the provisions of Section 401(a) of the Code. The A. H. Belo PTS Restoration Plan is a non-qualified plan and is intended to cover any transition supplement payments that exceed IRS limits to all qualified plan accounts. On July 1, 2013, the PTS Plan was merged with the A. H. Belo Savings Plan. There will be no future contributions to the PTS Restoration Plan. For additional discussion of the PTS Plan and the PTS Restoration Plan, see Post-Employment Benefits.

Employment Agreements

The Company does not have individual employment agreements with any of its current executive officers. The Company agreed to provide Mr. Blizzard with certain compensation and benefits in connection with his departure from the Company, as further described below under Change in Control Arrangements and Other Agreements Upon Termination of Employment.

Table of Contents

Change in Control and Severance Benefits

The Compensation Committee believes that severance and change of control benefits are necessary in order to attract and retain the caliber of executives A. H. Belo needs in its most senior positions. These benefits are particularly important in an industry undergoing significant restructuring, providing for continuity of senior management and helping executives focus on business results, cost management and strategic initiatives.

CIC Plan

No changes were made to the A. H. Belo Corporation Change In Control Severance Plan (the *CIC Plan*) in 2014. Additional information regarding the levels of payments and benefits available upon termination of employment in connection with a change in control, including a definition of key terms and quantifications of benefits that would have been received by our NEOs had termination occurred on December 31, 2014, is found under *Potential Payments on Change in Control or Upon Termination of Employment at December 31, 2014*.

Severance Plan

The Company continues to maintain the A. H. Belo Severance Plan (the *Severance Plan*), which provides for severance payments for both officers and non-officer employees of A. H. Belo and its subsidiary companies in the event of termination of employment due to general involuntary separations including, but not limited to, reduction-in-force and cost re-engineering actions. Under the Severance Plan, any NEO, as well as each vice president-level and above employee, who is terminated due to such an action is eligible for a lump sum severance payment plus a certain amount of ongoing benefits coverage. No changes were made to this plan in 2014. For additional discussion, see *Potential Payments on Change in Control or Upon Termination of Employment at December 31, 2014*.

Tax Treatment

The Company reviews and considers the deductibility under section 162(m) of the Code of compensation paid to the CEO and the other three most highly paid executives (excluding the CFO). Section 162(m) generally allows a deduction only if such compensation is less than \$1 million or is performance-based. The applicable awards granted under the ICP are intended to qualify as performance-based compensation and typically are fully tax-deductible for the Company, except for time-based RSUs and LTCIs. However, because there are uncertainties as to the application of regulations under Section 162(m), as with most tax matters, it is possible that the Company's deductions may be challenged or disallowed. Accordingly, there is no certainty that elements of compensation discussed in this proxy statement will in fact be deductible by the Company. The Company intends to continue seeking a tax deduction to the extent possible for all executive compensation, as long as the Company determines that doing so is in the best interests of A. H. Belo and its shareholders.

Considerations Regarding Shareholder Say on Pay and Say on Frequency Votes

At our annual meeting of shareholders held on May 18, 2011, our shareholders voted overwhelmingly to adopt the recommendation of our Board to conduct future advisory votes on executive compensation every three years. At our annual meeting of shareholders held on May 15, 2014, our shareholders voted overwhelmingly to approve an advisory resolution on executive compensation (say-on-pay). Accordingly, the next shareholder advisory vote on say-on-pay will be held at the Company's 2017 annual meeting of shareholders, at which meeting another advisory vote on the frequency of future say-on-pay votes (say-on-frequency) will be held.

Compensation Committee Report

In accordance with its written charter adopted by our Board of Directors, the Compensation Committee has oversight of the Company's overall compensation structure, policies and programs. In exercising its oversight responsibility, the Compensation Committee has retained a compensation consultant to advise the committee regarding market and general compensation trends.

Table of Contents

The Compensation Committee, after consultation with its compensation consultant, has reviewed and discussed the CD&A with management, which has the responsibility for preparing the CD&A. Based upon this review and discussion, the Compensation Committee recommended to our Board that the CD&A be included in this proxy statement and incorporated by reference in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission for the year ended December 31, 2014.

Effective with the second quarter of 2014, Mr. Moise participates in the cash incentive bonus program under the A. H. of financial performance measures and individual non-financial performance objectives. The weighting given to these factors was 50% for financial performance objectives and 50% for individual non-financial objectives. See Compensation Discussion and Analysis Incentive Programs Annual Cash Incentive Bonus Program. The first row in columns (c), (d) and (e) for each NEO (fourth row for Mr. Moise) relates to bonus opportunities that are based upon EBITDA. The second row in column (d) for each NEO (sixth row for Mr. Moise) relates to bonus opportunities that were based upon individual non-financial objectives. In 2014, the fifth row in columns (c), (d) and (e) for Mr. Moise relates to bonus opportunities that are based upon revenue.

- (2) The NEOs were awarded one-half of their long-term incentive compensation in the form of time-based RSUs that are reflected in column (i). No stock option awards were made under the ICP in 2014. For additional discussion, see Compensation Discussion and Analysis Incentive Programs Long-Term Incentive Compensation. These time-based RSUs are valued as of the date of vesting and are paid 60% in shares of A. H. Belo Series A common stock and 40% in cash, and vest as follows: 40% vested on March 3, 2015, and the remainder of the awards vest 30% on the third trading day following each annual earnings release date for the years ending December 31, 2015 and 2016, provided that the executive remains employed through the vesting date. On May 15, 2014, Mr. Moise was also awarded an incremental long-term incentive compensation grant of \$15,822, which is in addition to the \$75,000 long-term incentive compensation grant he received in March 2014. This award is payable one-half in the form of time-based RSUs under the ICP and one-half in the form of LTCIs outside of the ICP. The time-based RSUs vest 40% on March 3, 2015, and the remainder of the award vests 30% each on the third trading day following the annual earnings release date for the years ending December 31, 2015 and 2016. The LTCI award vested one-half on December 31, 2014 and one-half will vest on December 31, 2015.
- (3) The fair value estimates do not include any adjustments for risk of forfeiture. The fair value of the time-based RSUs awarded March 6, 2014 in column (l) is based on the closing market price for a share of A. H. Belo Series A common stock on that date, which was \$12.07. The fair value of the time-based RSUs awarded May 15, 2014 in column (l) is based on the closing market price for a share of A. H. Belo Series A common stock on that date, which was \$11.32.

Edgar Filing: A. H. Belo Corp - Form DEF 14A

- (2) The amounts in column (g) reflect unvested time-based RSUs that, subject to retirement eligibility, remain subject to additional vesting requirements that depend upon the executive's continued employment with the Company. The form of RSU provides for accelerated vesting of equity awards for terminating employees that meet the criteria for early retirement (age 55 or greater with three years of service). Mr. Moroney, Mr. Mong and Mr. Blizzard meet these criteria.

Vesting and scheduled vesting of all outstanding A. H. Belo RSU awards for each of the NEOs was/is as follows:

Vesting Date	Award Type	James M.	Alison K.	Robert W.	Daniel J.	Grant S.
		Moroney III	Engel (4)	Mong, Jr.	Blizzard	Moise

February 1, 2017*	Time-based RSU	12,118	4,350	622	2,176	1,143

(4) Ms. Engel forfeited her outstanding RSUs and stock options as of her effective date of resignation, January 2, 2014.

Option Exercises and Stock Vested in 2014

The following table presents information on amounts realized from A. H. Belo options exercised and stock awards vesting during 2014.

Name	Option Awards		Stock Awards	
	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise \$(1)	Number of Shares Acquired on Vesting (#)	Value Realized on Vesting \$(2)
James M. Moroney III		\$	56,143	\$ 568,167
Alison K. Engel	27,000	\$ 265,950	33,373	\$ 337,735

Daniel J. Blizzard		\$	16,686	\$ 168,862
Grant S. Moise		\$	5,320	\$ 53,838

(1) The value realized upon the exercise of stock option awards is equal to the difference between the market value of A. H. Belo Series A common stock at the time of exercise and the stock option exercise price, multiplied by the number of shares acquired upon exercise of the stock option.

(2) The value realized upon vesting of these time-based RSUs is equal to the number of units vesting multiplied by the closing market price of a share of A. H. Belo Series A common stock on the vesting date. The vested stock award represents the March 9, 2011, March 8, 2012, March 7, 2013 and September 11, 2013 time-based RSU awards which vested on February 18, 2014, at a price of \$10.12.

Post-Employment Benefits**Defined Benefit Pension Plan**

In connection with the spin-off of A. H. Belo from Belo Corp. in February 2008, A. H. Belo and Belo Corp. entered into a Pension Plan Transfer Agreement in October 2010 that split into separately sponsored plans the defined benefit pension plan that Belo Corp. had offered to certain employees. The split was effective January 1, 2011. As a result, A. H. Belo now sponsors two pension plans, the A. H. Belo Pension Plan I and the A. H. Belo Pension Plan II (the A. H. Belo Plans), for A. H. Belo participants and is solely responsible for managing and funding future contributions to such plans. Belo remains the sole sponsor for the Belo Plan and is responsible for management and funding contributions for the benefit of Belo participants but no longer A. H. Belo participants. The split of the Belo Plan did not change the amount of the benefits any participant has accrued or is currently receiving.

The A. H. Belo Plans provide for the payment of a monthly retirement benefit based on credited years of service and the average of five consecutive years of highest annual covered compensation out of the ten most recent calendar years of employment referred to as final monthly compensation. The formula for determining an individual participant's benefit is as follows: 1.1% times final monthly compensation times years of credited service plus 0.35% times final monthly compensation in excess of covered compensation times years of credited service (up to 35 years). Compensation covered under the A. H. Belo Plans includes regular pay plus overtime, bonuses, commissions, and any contribution made by the Company on behalf of an employee pursuant to a deferral election under any benefit plan containing a cash or deferred arrangement. Covered compensation excludes certain non-cash earnings and Company contributions to the Savings Plan. All participants are fully vested in their accrued benefit in the A. H. Belo Plans. Retirement benefits under the A. H. Belo Plans are paid to participants upon normal retirement at

Edgar Filing: A. H. Belo Corp - Form DEF 14A

the age of 65 or later, or upon early retirement, which may occur as early as age 55. An early retirement reduction factor, which is applied to the participant's normal age 65 monthly benefit, is based on the participant's Social Security normal retirement age. The A. H. Belo Plans also provide for

Table of Contents

the payment of death benefits. Mr. Moroney is currently eligible to receive benefits under the early retirement provisions of the A. H. Belo Pension Plan I. Mr. Mong is currently age 65 and receiving paid retirement benefits under the normal provisions of the A.H. Belo Pension Plan I. The annual amount Mr. Mong received is listed in the table for Pension Benefits at December 31, 2014.

The table below presents the present value of Mr. Moroney's and Mr. Mong's benefit under the A. H. Belo Pension Plan I at age 65, based upon credited years of service, including an additional five years of credited service granted in connection with the 2007 freeze of the Belo Plan, and covered compensation as of December 31, 2014. For the A. H. Belo Plans, A. H. Belo uses a December 31 measurement date for financial reporting purposes with respect to A. H. Belo's audited financial statements for the year ending December 31, 2014.

(1) Ms. Engel, Mr. Blizzard and Mr. Moise are not participants in the A. H. Belo Plans, the PTS Plan or the PTS Restoration Plan.

(2) Amounts indicated in column (d) do not include pension transition supplement payments that the Company funded into the PTS Plan, a qualified defined contribution retirement plan, and the PTS Restoration Plan, a non-qualified plan. See "All Other Compensation" in the Summary Compensation Table.

(3) Amounts indicated in column (e) represent retirement benefits elected by Mr. Mong to be paid in 2014 under the normal retirement provisions of the A. H. Belo Pension Plan I.

Pension Transition Benefits

In connection with the spin-off from Belo Corp. on February 8, 2008, A. H. Belo adopted the PTS Plan and the PTS Restoration Plan, which were designed to provide those employees who previously participated in the Belo Plan and were affected by the freeze of the Belo Plan in 2007, a supplemental benefit over a five-year period to replace a portion of the pension benefit they would have earned had the Belo Plan not been frozen. On July 1, 2013, the PTS Plan was merged with the A. H. Belo Savings Plan.

Mr. Moroney and Mr. Mong are the only NEOs for whom amounts have been credited under the PTS Restoration Plan. After 2013, no further contributions to the PTS Restoration Plan will be made. Their aggregate earnings in the year ending December 31, 2014 under the PTS Restoration Plan are as follows:

Name	Non-Qualified Deferred Compensation for 2014

(a)	Registrant Contributions in Last FYE (\$)(1) (c)	Aggregate Earnings in Last FYE (\$) (d)	Aggregate Withdrawals/ Distributions (\$) (e)	Aggregate Balance at Last FYE (\$) (f)

Change in Control Arrangements and Other Agreements Upon Termination of Employment

The following descriptions reflect the amount of compensation that would have become payable to each of the NEOs under existing arrangements if there had been a change in control or the NEO's employment had terminated on December 31, 2014, given the NEO's compensation and service levels at A. H. Belo as of such date

Table of Contents

and, if applicable, based on A. H. Belo's closing stock price on that date. As used in this section, termination means the termination of a NEO's employment with the Company due to death, disability or retirement at or after age 55 with at least three years of service or involuntary termination without cause. These amounts are in addition to benefits that were available without regard to the occurrence of any termination of employment or change in control, including then-exercisable stock options, and benefits available generally to salaried employees.

Other than as described in the following paragraph, at December 31, 2014, the Company did not have individual written agreements with any of the NEOs that would provide guaranteed payments or benefits in the event of a termination of employment or a change in control. The actual amounts that would be paid upon a NEO's termination of employment or a change in control can be determined only at the time of any such event. Due to the number of factors that affect the nature and amount of any benefits provided upon any such event, the actual amounts paid or distributed may be higher or lower than the amounts set forth in the table that follows. Factors that could affect these amounts include the timing during the year of any such event, the Company's stock price and the executive's age.

In connection with Mr. Blizzard's departure from the Company at the conclusion of the 2015 annual meeting, the Company entered into a letter agreement with Mr. Blizzard summarizing the terms of his departure. Under the terms of the letter agreement, Mr. Blizzard is eligible to receive upon his departure as part of the Severance Plan: (i) a cash severance payment equal to 16 weeks of base salary and (ii) payment of the cost of Mr. Blizzard's COBRA health insurance continuation coverage for a period of 6 months after his departure date. In addition, because Mr. Blizzard is retirement eligible, all unvested time-based restricted share units and long-term cash incentives will automatically vest upon his departure and will be paid 6 months after such departure date. Finally, pursuant to the letter agreement, the Company will enter into a consulting agreement with Mr. Blizzard for a term beginning on May 16, 2015 through February 16, 2016 at a rate of \$5,384.62 per week, based on his current base salary.

Severance Plan

The Severance Plan, an employee welfare benefit plan within the meaning of the Employee Retirement Income Security Act of 1974, as amended, provides severance benefits to eligible employees, including the NEOs, following involuntary terminations of employment by the Company, including, but not limited to, reduction-in-force and re-engineering actions. The severance benefit provided under the Severance Plan for participants at or above the level of vice president is an amount equal to 1.0 week of base pay multiplied by the number of years of service, subject to a minimum benefit of 16 weeks of pay, plus six months of COBRA premiums. Severance benefits are paid in a lump sum following termination of employment and upon the execution of a release. Outplacement services also may be provided. In the event of an involuntary termination of employment by the Company, all unvested option and RSU awards are forfeited immediately and all vested options remain exercisable for one year from the date of termination.

CIC Plan Change in Control Benefits

Under the CIC Plan, each designated executive is eligible for certain payments upon a change in control. The circumstances that would result in a change in control under the CIC Plan include: (1) the acquisition by a person or group of 30 percent or more of the combined voting power of the Company's voting securities (excluding voting securities held by Mr. Decherd and voting securities held by any entity over which Mr. Decherd has sole or shared voting power); (2) certain changes in the membership of the Company's Board of Directors that are not approved by the incumbent directors; (3) consummation of a business combination or sale of substantially all of the Company's assets, unless immediately following such transaction the beneficial owners of shares of A. H. Belo's common stock and other securities eligible to vote immediately prior to the transaction beneficially own more than 60 percent of the combined voting power of the voting securities of the continuing company resulting from such transaction; or (4) approval by A. H. Belo shareholders of a plan of liquidation or dissolution. In connection with any actual termination of employment, change in control or otherwise, A. H. Belo may determine to enter into or amend other agreements or arrangements that provide additional or alternative benefits that would be payable as a result of such events, as the Compensation Committee or Board determines appropriate.

Table of Contents

The amounts presented in the table below with respect to change in control payments are based upon the terms of the CIC Plan had there been a termination of employment in connection with a change in control on December 31, 2014.

ICP Change in Control Benefits

Compensation and benefits of all plan participants, which include A. H. Belo's executive officers, under the Company's ICP may also be affected by a change in control of A. H. Belo. Generally under the ICP, a change in control event means the first of the following to occur, unless the A. H. Belo Board of Directors has adopted a resolution stipulating that such event will not constitute a change in control for purposes of the ICP:

specified changes in the majority composition of A. H. Belo's Board;

specified mergers or sales or dispositions of all or substantially all of A. H. Belo's assets;

shareholder approval of a plan of complete liquidation or dissolution of A. H. Belo; or

acquisition of more than 30 percent of the combined voting power of A. H. Belo common stock.

Following a change in control of A. H. Belo, ICP bonuses are paid in full at the higher of target or forecasted full-year results in the year of the change in control; stock options held by ICP participants become fully-vested and are immediately exercisable; time-based RSUs vest and are payable in full immediately; and performance-related RSUs vest at the higher of target or forecasted full-year results in the year of the change in control; and all vested units are payable in full immediately.

Pension Transition Supplement Restoration Plan

Effective February 8, 2008, A. H. Belo adopted the PTS Restoration Plan, as a non-qualified plan, to provide the portion of PTS Plan benefit that cannot be provided under the PTS Plan because of Code limitations on the amount of qualified plan benefits. Generally under the PTS Restoration Plan, a change in control will occur on the date that there is a:

change in ownership in the Company, wherein any person or group acquires more than 50% of the total fair market value or total voting power of A. H. Belo stock;

change in effective control of the Company, wherein (a) any person or group acquires 30% or more of the total voting power of A. H. Belo stock or (b) a majority of the members of A. H. Belo's Board are replaced during any 12-month period by persons not appointed or endorsed by a majority of A. H. Belo's Board prior to the date of such appointment or election; or

change in the ownership of a substantial portion of the assets of the Company, wherein any person or group acquired A. H. Belo assets having a total gross fair market value of 40 percent or more of the total gross fair market value of all A. H. Belo assets.

Upon the occurrence of a change in control, as defined in the PTS Restoration Plan, the A. H. Belo Compensation Committee has the right, but not the obligation, to terminate the PTS Restoration Plan and distribute the entire balance of participants' accounts to the participants.

The approximate value of the severance benefits available to each of the NEOs, if there had been a termination of employment (as defined) due to death, disability or retirement, involuntary termination without cause, or had there been a termination of employment in connection with a change in control (as defined), on December 31, 2014, under the ICP, the Severance Plan or the CIC Plan, would have been as follows, based on a closing market price of \$10.38 per share for A. H. Belo's Series A common stock for the year ended December 31, 2014:

(1) In the event of a change in control, short-term, non-equity incentives (cash incentive bonuses) are paid in a lump sum to each executive at the higher of target or actual financial performance based on current full-year forecasted results (taking into consideration actual financial performance to date). The amounts in column (c) reflect the target bonus for each NEO. Cash bonuses are not automatically paid for executives terminating under other circumstances. See Compensation Discussion and Analysis Change in Control and Severance Benefits for a discussion of change in control events under the ICP.

(2) Generally, all unvested LTEIs and LTCIs are forfeited immediately in the event an executive is terminated with or without cause or voluntarily resigns; however, the Compensation Committee retains discretion to accelerate the vesting of these awards in the case of involuntary severance without cause. In the event of a change in control or an executive's retirement after age 55 with at least three years of service, qualification for long-term disability, or death, vesting of all LTEIs and LTCIs are accelerated and payment is made as soon as

practicable but no earlier than allowable under Section 409A of the Code.

- (3) As of December 31, 2014, a multiple of 2.0 would have applied to the Chief Executive Officer and a multiple of 1.5 would have applied to each of the other NEO's payments under the CIC Plan had a termination of

Table of Contents

employment in connection with a change in control occurred. This multiple is used to determine the total cash payment to be awarded to each executive, and is applied to the sum of the following components: (1) base salary in effect at the time of the change in control; (2) higher of the current target bonus in effect prior to the change in control or the average of the last three years' bonus payments; (3) employer-provided contributions to the A. H. Belo Savings Plan, PTS Plan payments and PTS Restoration Plan payments for the current year; and (4) employer cost of medical and dental benefits in excess of employee premiums. In addition to this change in control amount, the employee is also eligible for outplacement services valued at no more than \$25,000, plus reimbursement for any legal fees incurred to enforce the participant's rights under the plan. For each executive, the assumptions for outplacement costs and legal fees in the table above were \$25,000 and \$0, respectively. To the extent the cash payment and the value related to the acceleration of vesting for outstanding equity awards exceeds three times the employee's average taxable compensation earned during the five years preceding the year of the change in control, excise taxes will be assessed. For each of the executives listed in the table above, a gross-up payment would not be necessary.

- (4) In addition to the change in control payments available under the ICP and the CIC Plan, there are also change in control provisions in the PTS Restoration Plan. Upon the occurrence of a change in control, the Compensation Committee has the right, but not the obligation, to terminate the PTS Restoration Plan and distribute the entire balance of participants' accounts to the participants. At December 31, 2014, the balance in Mr. Moroney's PTS Restoration account was \$11,275 and the balance of Mr. Mong's PTS Restoration account was \$12,769. These amounts are not included in the table above. Ms. Engel, Mr. Blizzard, and Mr. Moise do not have PTS Restoration account balances as of December 31, 2014.
- (5) For Mr. Blizzard, the numbers do not reflect the total amount that will be paid through his consulting agreement following his departure from the Company.

Table of Contents**DIRECTOR COMPENSATION****Director Compensation for 2014**

Non-employee directors receive compensation for their Board and committee service. Officers and employees of the Company who also serve as A. H. Belo directors (Mr. Moroney and Mr. Decherd) do not receive separate compensation for Board service. Based on recommendations from the Compensation Committee, the Board determines the amount of non-employee director compensation each year and designates the manner in which it is paid. An annual retainer is paid on the date of the Company's annual meeting of shareholders for service through the date of the next annual meeting. Non-employee directors who are initially elected at a time other than at an annual meeting of shareholders receive a proportionate share of compensation relative to the service provided during an ordinary term of service. Vesting and payment dates for equity awards are adjusted to coincide with dates of awards relative to the previous award dates.

During 2014, non-employee directors on the A. H. Belo Board received an annual retainer package with a nominal value of \$117,000. The annual retainer is for the 2014-2015 term of service beginning May 15, 2014, the date of the Company's 2014 annual meeting of shareholders, through May 14, 2015, the date of the 2015 annual meeting of shareholders. One-half of the Board's annual retainer was paid in cash and the remaining one-half was paid in the form of time-based RSUs. The number of time-based RSUs was determined based on the closing market price of A. H. Belo Series A common stock on the date of the award. Annual awards for 2014-2015 were made on May 15, 2014.

Directors' time-based RSU awards vest on the date of the annual shareholders meeting approximately one year following the initial grant or on the next regularly scheduled shareholders meeting date for prorated awards made during a service period. Payment of vested time-based RSUs is made 60% in shares of A. H. Belo Series A common stock and 40% in cash. Payment will be made within 10 business days following the date of the annual shareholders meeting approximately three years following the initial grant. Directors who voluntarily resign or retire from A. H. Belo Board service prior to the vesting of time-based RSUs will receive a proportionate amount of the award based on actual service. Vesting is accelerated and payment is made immediately for time-based RSUs held by a director who becomes disabled or dies.

A. H. Belo directors who served as committee chairs in 2014 received an additional \$10,000 in cash. A. H. Belo reimburses directors for travel expenses incurred in attending meetings. No additional fee is paid to directors for attendance at Board and committee meetings.

The following table sets forth compensation for each A. H. Belo non-employee director for service as a director during the year ended December 31, 2014:

Board Composition & Qualifications

Majority Voting in the Election of Directors; Director Resignation Policy

If a nominee for director who is an incumbent director does not receive the vote of at least a majority of the votes cast in an uncontested election at any meeting for the election of directors at which a quorum is present, the director will promptly tender his or her resignation to the Board. For purposes of this Corporate Governance Guideline, a majority of votes cast means that the number of votes cast for a director's election exceeds 50% of the number of votes cast with respect to that director's election. Votes cast include votes to withhold authority in each case and exclude abstentions with respect to that director's election.

The Nominating and Corporate Governance Committee will make a recommendation to the Board as to whether to accept or reject the tendered resignation, or whether other action should be taken. The Board will act on the tendered resignation, taking into account the Nominating and Corporate Governance Committee's recommendation, and publicly disclose (by a press release, a filing with the Securities and Exchange Commission or other broadly disseminated means of communication) its decision regarding the tendered resignation and the rationale behind the decision within 90 days from the date of the certification of the election results. The Nominating and Corporate Governance Committee in making its recommendation, and the Board in making its decision, may each consider any factors or other information that it considers appropriate and relevant. The director who tenders his or her resignation will not participate in the recommendation of the Nominating and Corporate Governance Committee or the decision of the Board with respect to his or her offer to resign.

Board Composition & Qualifications

Independence

A majority of the directors comprising the Board shall be independent directors. An independent director is a director who meets the New York Stock Exchange (NYSE) standards of independence, as determined by the Board. The Board has adopted the standards set forth on Attachment A to these Guidelines to assist it in making determinations of a director's independence.

Board Committees:

Number, Structure and Independence of Committees

The Board has three standing committees: Audit, Compensation, and Nominating and Corporate Governance. All members of the Audit, Compensation, and Nominating and Corporate Governance Committees shall be directors who meet the NYSE standards of independence as determined by the Board. Directors who serve on the Audit and Compensation Committees must meet additional independence criteria described in Attachment A to these Guidelines, and directors who serve on the Audit Committee must be financially literate as determined by the Board.

Attachment A: Independence Standards

A director shall be independent if the director meets each of the following standards and otherwise has no material relationship with A. H. Belo, either directly, or as a partner, stockholder, or officer of an organization that has a relationship with A. H. Belo. For purposes of these standards, A. H. Belo means A. H. Belo Corporation and its consolidated subsidiaries, collectively.

1. the director is not, and in the past three years has not been, an employee of A. H. Belo;
2. an immediate family member of the director is not, and in the past three years has not been, employed as an executive officer of A. H. Belo;
3. (a) neither the director nor a member of the director's immediate family is a current partner of A. H. Belo's outside auditing firm; (b) the director is not a current employee of A. H. Belo's outside auditing firm; (c) no member of the director's immediate family is a current employee of A. H. Belo's outside auditing firm and personally works on A. H. Belo's audit; and (d) neither the director nor a

Edgar Filing: A. H. Belo Corp - Form DEF 14A

member of the director's immediate family was within the past three years (but is no longer) a partner or employee of A. H. Belo's outside auditing firm and personally worked on A. H. Belo's audit within that time;

4. neither the director nor a member of the director's immediate family is, or in the past three years has been, part of an interlocking directorate in which a current executive officer of A. H. Belo served on the compensation committee of another company at the same time the director or the director's immediate family member served as an executive officer of that company;
5. neither the director nor a member of the director's immediate family has received, during any 12-month period in the past three years, any direct compensation from A. H. Belo in excess of \$120,000, other than compensation for Board service, compensation received by the director's immediate family member for service as a non-executive employee of A. H. Belo, and pension or other forms of deferred compensation for prior service;

B-1

Table of Contents

6. the director is not a current executive officer or employee, and no member of the director's immediate family is a current executive officer, of another company that makes payments to or receives payments from A. H. Belo, or during any of the last three fiscal years has made payments to or received payments from A. H. Belo, for property or services in an amount that, in any single fiscal year, exceeded the greater of \$1 million or 2% of the other company's consolidated gross revenues;
7. the director is not an executive officer of a non-profit organization to which A. H. Belo makes or in the past three fiscal years has made, contributions that, in any single fiscal year, exceeded the greater of \$1 million or 2% of the non-profit organization's consolidated gross revenues;
8. the director is not, and during the last fiscal year has not been, a partner in, or a controlling shareholder or executive officer of, a business corporation, non-profit organization, or other entity to which A. H. Belo was indebted at the end of A. H. Belo's last full fiscal year in an aggregate amount in excess of 2% of A. H. Belo's total consolidated assets at the end of such fiscal year;
9. the director is not, and during the last fiscal year has not been, a member of, or of counsel to, a law firm that A. H. Belo has retained during the last fiscal year or proposes to retain during the current fiscal year; or
10. the director is not, and during the last fiscal year has not been, a partner or executive officer of any investment banking firm that has performed services for A. H. Belo, other than as a participating underwriter in a syndicate, during the last fiscal year or that A. H. Belo proposes to have perform services during the current fiscal year.

The Board may determine that a director or nominee is independent even if the director or nominee does not meet each of the standards set forth in paragraphs (7) through (10) above as long as the Board determines that such person is independent of management and free from any relationship that in the judgment of the Board would interfere with such person's independent judgment as a member of the Board and the basis for such determination is disclosed in A. H. Belo's annual proxy statement.

In addition, a director is not considered independent for purposes of serving on the Audit Committee, and may not serve on that committee, if the director: (1) receives, either directly or indirectly, any consulting, advisory or other compensatory fee from A. H. Belo Corporation or any of its subsidiaries other than: (a) fees for service as a director, and (b) fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with A. H. Belo; or (2) is an affiliated person of A. H. Belo Corporation or any of its subsidiaries; each as determined in accordance with Securities and Exchange Commission regulations.

In determining whether a director is considered independent for purposes of serving on the Compensation Committee, the Board must consider all factors relevant to determining whether the director has a relationship to A. H. Belo that is material to the director's ability to be independent from management in connection with the duties of a Compensation Committee member, including: (1) the source of the director's compensation, including any consulting, advisory or other compensatory fee from A. H. Belo; and (2) whether the director is affiliated with A. H. Belo, any of its subsidiaries, or an affiliate of any of its subsidiaries.

For purposes of this Attachment A, an immediate family member means a person's spouse, parents, children, siblings, mother and father-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person's home.

THE SEPARATE BELO SAVINGS PLAN

MAINTAINED BY BELO CORP.

(the Savings Plans)

You should have received by separate correspondence a Notice of Internet Availability of Proxy Materials (the Notice) informing you of your ability to access the A. H. Belo Corporation (A. H. Belo or the Company) proxy materials on the website referred to in the Notice or to request to receive a printed set of the proxy materials. The proxy materials relate to the 2015 Annual Meeting of Shareholders of A. H. Belo that will be held in the lobby of the TXCN Building at 570 Young Street, Dallas, Texas, on May 14, 2015, at 1:30 p.m. (local time). The A. H. Belo Board of Directors has fixed the close of business on March 19, 2015 as the record date (the Record Date) for the determination of shareholders entitled to receive notice of and to vote at the 2015 Annual Meeting of Shareholders or any adjournment(s) thereof. The annual meeting will be held for the purpose of electing directors, ratifying the appointment of KPMG LLP as the Company s independent registered public accounting firm, and considering any other matters that properly may come before the meeting or any postponement or adjournment of the meeting.

Directions to the Trustee

Only Fidelity Management Trust Company, as the trustee of each of the Savings Plans (Fidelity), can vote the shares of A. H. Belo stock held by each of the Savings Plans. However, under the terms of your plan, you are entitled to instruct Fidelity how to vote the shares of A. H. Belo stock that were allocated to your plan account at the close of business on the Record Date. Voting instructions with respect to shares held in the Savings Plans must be received by 11:59 p.m. Eastern Time on May 12, 2015, and may not be provided at the meeting.

The Notice you received includes instructions on how to access the proxy materials and how to provide your voting instructions to Fidelity via the Internet. It also provides information on how to request a printed set of the proxy materials, including a voting instruction card. Your participation is important and your vote is confidential. Please take the time to vote your plan shares via the Internet using the instructions included in the Notice, by using the toll-free telephone number provided in the proxy materials, or, if you opt to receive paper copies, by completing the voting instruction card and returning it in the envelope provided.

With respect to each of the Savings Plans, Fidelity will vote all A. H. Belo shares held by that plan in accordance with the voting instructions that are received via mail, telephone, or Internet on or before May 12, 2015 from participants in that plan, unless Fidelity determines such instructions are contrary to the requirements of the Employee Retirement Income Security Act of 1974, as amended (ERISA). If you sign, date and return a paper voting instruction card but do not check any boxes on the card, then Fidelity will vote your plan shares FOR all nominees standing for election as directors and FOR ratification of the appointment of KPMG LLP as the Company s independent registered public accounting firm. In addition, at its discretion, Fidelity is authorized to vote on any other matter that properly may come before the meeting or any adjournment or postponement of the meeting.

Confidentiality and Instructions

Your voting instructions to Fidelity are strictly confidential and will not be revealed, directly or indirectly, to any director, officer, or other employee of A. H. Belo or to anyone else, except as otherwise required by law. Therefore, you should feel completely free to instruct Fidelity to vote your plan shares in the manner you think best.

Voting Deadline

Because of the time required to tabulate voting instructions from participants before the annual meeting, Fidelity must establish a cut-off date for receipt of voting instructions. The cut-off date is May 12, 2015. Fidelity cannot ensure that voting instructions received after the cut-off date will be tabulated. Therefore, it is important that you act promptly to vote your plan shares on or before May 12, 2015. If Fidelity does not receive timely instructions from you with respect to your plan shares, Fidelity will vote your shares in the same proportion as the shares for which voting instructions have been received from other participants in your Savings Plan.
