Preliminary Statement

This Amendment No. 5 to Schedule 13D (this Amendment) filed by Telemar Participações S.A. (TmarPart) and Valverde Participações S.A., a wholly-owned subsidiary of TmarPart (Valverde, and together with TmarPart, the Reporting Persons) amends the Statement on Schedule 13D filed with the Securities and Exchange Commission on November 27, 2009 (the Initial 13D) by TmarPart, Tele Norte Leste Participações S.A. (TNL), Telemar Norte Leste S.A. (Telemar) and Coari Participações S.A. (Coari), as amended by Amendment No. 1 to Schedule 13D (Amendment No. 1) filed with the Securities and Exchange Commission on February 29, 2012 by the Reporting Persons, as amended by Amendment No. 2 to Schedule 13D (Amendment No. 2) filed with the Securities and Exchange Commission on October 8, 2013, as amended by Amendment No. 3 to Schedule 13D (Amendment No. 3) filed with the Securities and Exchange Commission on February 27, 2014 by the Reporting Persons, as amended by Amendment No. 4 to Schedule 13D (Amendment No. 4, the Initial 13D as amended by Amendment No. 1, Amendment No. 2, Amendment No. 3, Amendment No. 4, and as further amended by this Amendment, this Statement) filed with the Securities and Exchange Commission on September 17, 2014 by the Reporting Persons, by furnishing the information set forth below. Except as otherwise specified in this Amendment, all previous Items are unchanged. Capitalized terms used herein which are not defined herein have the meanings given to them in the Initial 13D, Amendment No. 1, Amendment No. 2, Amendment No. 3 and Amendment No. 4.

On November 18, 2014, Oi's shareholders acting in an extraordinary general shareholders meeting authorized the reverse split of all of Oi's issued Common Shares into one Common Share for each 10 issued Common Shares. This reverse share split became effective on December 22, 2014. As a result, the number of issued Common Shares was reduced to 286,155,320 and the number of outstanding Common Shares was reduced to 277,730,250.

On March 24, 2015, Oi entered into an Assignment of Rights and Obligations of Private Instrument and Other Agreements with PT International Finance B.V. (PTIF), PT Portugal, SGPS, S.A. (PT Portugal), Portugal Telecom, SGPS, S.A. (PT SGPS) and TmarPart under which PT Portugal assigned its rights under the Exchange Agreement, dated September 8, 2014, among PTIF, PT Portugal, PT SGPS, Oi and TmarPart (the Exchange Agreement) and the Call Option Agreement, dated September 8, 2014, among PTIF, PT Portugal, PT SGPS, Oi and TmarPart (the Option Agreement) to PTIF. On March 27, 2015, PT Portugal assigned all of its rights and obligations under the commercial paper issued by Rio Forte Investments S.A. (Rio Forte) that PT Portugal owned to PTIF.

On March 30, 2015, the transactions contemplated by the Exchange Agreement were completed through the transfer of commercial paper in the aggregate amount of \$897 million issued by Rio Forte to PT SGPS in exchange for 47,434,872 Common Shares and 94,869,744 Oi preferred shares, representing 16.9% of Oi's outstanding share capital, including 17.1% of Oi's outstanding voting capital (calculated prior to giving effect to this exchange). Under Brazilian law, the Common Shares acquired by PTIF, an indirect wholly-owned subsidiary of Oi, are deemed to be held in treasury by Oi. As a result, the number of outstanding Common Shares was reduced to 230,295,379.

On March 31, 2015, the shareholders of TmarPart acting at a meeting of the shareholders of TmarPart (1) unanimously approved the adoption of an alternative share structure, after analyzing options and taking into consideration the current obstacles to a registration of TmarPart shares with the U.S. Securities and Exchange Commission (the SEC) that would be necessary to allow the previously announced *incorporação de ações* (the Merger of Shares) of Oi and TmarPart, and (2) authorized the managements of TmarPart and Oi to begin taking the applicable steps to implement the alternative share structure.

The alternative share structure includes a voluntary exchange of Oi's preferred shares for Common Shares at the option of the preferred shareholder at an exchange rate of 0.9211 Common Shares for each Oi preferred share. The voluntary share exchange proposal requires that the holders of at least two-thirds of Oi's preferred shares (excluding treasury shares) agree to exchange their preferred shares for Common Shares within a period of 30 days commencing after the General Shareholders Meeting of Oi at which the opening of the period for the exchange is deliberated (the Voluntary

Share Exchange).

Prior to the beginning of the period for the Voluntary Share Exchange, the shareholders of TmarPart intend to cause:

Certain mergers of TmarPart and some of its affiliates that directly or indirectly own shares of Oi;

Adoption of new bylaws of Oi that will be intended to increase the corporate governance standards applicable to Oi as well as to limit the voting rights of holders of a large concentration of Common Shares; and

The election of members of the board of directors of Oi for terms expiring at the General Shareholders Meeting that approves Oi's financial statements for the year ending on December 31, 2017 (the New Board). Finally, on March 31, 2015, the parties to the Voting Agreement entered into an amendment to this agreement as described in Item 4.

The Reporting Persons are filing this Amendment to revise information previously reported in light of the change in the number of outstanding Common Shares as described above, the adoption of an alternative share structure for Oi by the shareholders of TmarPart and the amendment to the Temporary Voting Agreement.

ITEM 4. PURPOSE OF TRANSACTION

Item 4 is hereby amended by adding the following paragraphs at the end thereof:

On March 31, 2015, the shareholders of TmarPart acting at a meeting of the shareholders of TmarPart (1) unanimously approved the adoption of an alternative share structure, after analyzing options and taking into consideration the current obstacles to a registration of TmarPart shares with the SEC that would be necessary to allow the previously announced Merger of Shares of Oi and TmarPart, and (2) authorized the managements of TmarPart and Oi to begin taking the applicable steps to implement the alternative share structure.

The alternative share structure includes a voluntary exchange of Oi's preferred shares for Common Shares at the option of the preferred shareholder at an exchange rate of 0.9211 Common Shares for each Oi preferred share. The voluntary exchange proposal requires that the holders of at least two-thirds of Oi's preferred shares (excluding treasury shares) agree to exchange their preferred shares for Common Shares within a period of 30 days commencing after the General Shareholders Meeting of Oi at which the opening of the period for the exchange is deliberated.

Prior to the beginning of the period for the Voluntary Share Exchange, the shareholders of TmarPart intend to cause:

AG Telecom Participações S.A. to merge with and into Pasa Participações S.A. (PASA);

LF Tel S.A. to merge with and into EDSP75 Participações S.A. (EDSP75);

PASA and EDSP75 to merge with and into Bratel;

Valverde to merge with and into TmarPart;

Venus RJ Participações S.A., Sayed RJ Participações S.A. and PTB2 S.A. to merge with and into Bratel;

Bratel to merge with and into TmarPart; and

TmarPart to merge with and into Oi (collectively, the Corporate Ownership Simplification).
As a result of the Corporate Ownership Simplification, Valverde and TmarPart will cease to exist and the Global Shareholders Agreement and the Control Group Shareholders will terminate.

In addition, the shareholders of TmarPart intend to cause (1) the adoption of new bylaws of Oi, and (2) the election of the New Board. The Corporate Ownership Simplification, the adoption of new bylaws of Oi and the election of the New Board are expected to occur on the same date and are expected to be deliberated at shareholders' meetings of the relevant entities during the third quarter of 2015, subject to ANATEL's prior consent to the implementation of the Corporate Ownership Simplification.

The proposed new bylaws will include, among other things, the following provisions:

in the event of a sale of a controlling interest of Oi, the third party offeror will have to offer to purchase the minority interest at the same price and on the same conditions as offered to the shareholder selling its controlling interest in Oi;

the maintenance of the existing limited voting rights of our preferred shares;

a provision permitting our board of directors to periodically permit holders of our preferred shares to exchange those shares for our common shares in accordance with the terms and conditions established by our board of directors;

a limitation on the voting rights of any single shareholder to 15% of the total votes on any resolution of our shareholders meeting;

a requirement that at least 20% of the members of our board of directors be independent;

the establishment of a concurrent term of two years for the members of our board of directors, with the exception of the board of directors elected at the meeting at which these bylaws are adopted, which shall have a term of three years;

a prohibition against the same person holding the positions of chairman of the board of directors and chief executive officer (except during the first three years after the adoption of these bylaws);

an obligation of the board of directors to provide a recommendation with respect to any public offer to purchase Oi shares;

an obligation of our company to make an offer to purchase our common shares at a price at least equal to the economic value of these shares in the case of termination of the registration of our company with the CVM or the exit of our company from Level 1 Corporate Governance of the BM&FBOVESPA, except in the event that we enter the Level 2 Corporate Governance or the *Novo Mercado* segment of the BM&FBOVESPA; and

the requirement that disputes or controversies between our company and any of our shareholders are resolved through arbitration in front of the Market Arbitration Chamber (*Câmara de Arbitragem do Mercado*).

Under the proposed bylaws, the limitation on voting rights described above will cease to be in effect upon the occurrence of any of the following events:

a capital increase or corporate reorganization of our company that results in a dilution of the current shareholder base of more than 50%;

as a result of an offer to purchase all outstanding common shares of our company, either (1) the offeror acquires at least 20% of our outstanding common shares, or (2) such offeror or a group of shareholders representing the same or related interest of the offeror by voting agreement comes to hold, either individually or together, an interest in excess of 50% of our voting capital; or

at any time, no shareholder or group of shareholders representing the same or related interest by voting agreement, holds, individually or together, an interest in excess of 15% of our voting capital.

In connection with the adoption of the alternative share structure, on March 31, 2015, TmarPart entered into the Second Amendment to the Temporary Voting Agreement with PT SGPS, Caravelas, Bratel, AGSA, Jereissati and, as intervening party, Oi. The Second Amendment to the Temporary Voting Agreement replaced the commitment of the parties to perform actions in support of the Merger of Shares and the merger of Bratel into Oi with a commitment of the parties to perform actions in support of the Corporate Ownership Simplification, the adoption of new bylaws of Oi, the election of the New Board and the Voluntary Share Exchange. The Second Amendment to the Temporary Voting Agreement extended the term of the Temporary Voting Agreement until the earlier of (1) the implementation of the Corporate Ownership Simplification, the adoption of new bylaws of Oi and the election of the New Board, and (2) October 31, 2015.

Under the Second Amendment to the Temporary Voting Agreement, the parties thereto also agreed to:

exercise their voting rights in order to maintain the ordinary course of Oi's business during the term of the Temporary Voting Agreement;

keep the members of the Oi board of directors in their current positions until the implementation of the Corporate Ownership Simplification, the adoption of new bylaws of Oi and the election of the New Board;

in case of vacancy or resignation of any member of the Oi board of directors during the term of the Temporary Voting Agreement, to permit TmarPart to nominate the replacement member according to the rules provided in the General Shareholders' Agreement;

to vote in favor of the members of the New Board at the shareholders' meeting of Oi, at which the election of the members of the New Board occurs;

to vote against the adoption of the cumulative voting procedure provided for under Brazilian law in the election of members of the New Board and, if the cumulative voting procedure is adopted at such meeting, to exercise their voting rights in order to maximize the number of members in the board of directors of Oi that the parties to the Temporary Voting Agreement may collectively nominate; and

to convert all their Oi preferred shares into Common Shares in the Voluntary Share Exchange, provided that holders of at least two-thirds of the Oi preferred shares agreed to participate in the Voluntary Share Exchange.

Other than as described in this statement, none of the Reporting Persons nor, to the Reporting Persons best knowledge, any of the persons listed in Exhibit 99.2 hereto, has any present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D. The Reporting Persons, however, retain their rights to acquire additional Common Shares, to sell some or all of the Common Shares or to modify their plans with respect to any matters of the type described in sections (a)-(j) of Item 4.
