PROXY STATEMENT

2015 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD JUNE 12, 2015

Information Concerning Solicitation and Voting

This Proxy Statement is furnished to the holders of our common stock in connection with the solicitation of proxies on behalf of the board of directors for use at the Annual Meeting of Stockholders to be held on June 12, 2015 at 9:00 AM EDT at our principal executive offices located at 100 Benefitfocus Way, Charleston, South Carolina 29492, or for use at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. Only stockholders of record at the close of business on April 17, 2015 are entitled to notice of and to vote at the meeting.

In accordance with the rules of the Securities and Exchange Commission, instead of mailing a printed copy of our proxy materials to each stockholder of record, we are furnishing proxy materials, including the Notice, this Proxy Statement, our 2014 Annual Report to Stockholders, including financial statements, and a Proxy Card for the meeting, by providing access to them on the Internet to save printing costs and benefit the environment. These materials were first available on the Internet on April 30, 2015. We mailed a Notice of Internet Availability of Proxy Materials on or about April 30, 2015 to our stockholders of record and beneficial owners as of April 17, 2015, the record date for the meeting. This Proxy Statement and the Notice of Internet Availability of Proxy Materials contain instructions for accessing and reviewing our proxy materials on the Internet and for voting by proxy over the Internet. You will need to obtain your own Internet access if you choose to access the proxy materials and/or vote over the Internet. If you prefer to receive printed copies of our proxy materials, the Notice of Internet Availability of Proxy Materials contains instructions on how to request the materials by mail. You will not receive printed copies of the proxy materials unless you request them. If you elect to receive the materials by mail, you may also vote by proxy on the Proxy Card or Voter Instruction Card that you will receive in response to your request.

Each holder of our common stock is entitled to one vote for each share held as of the record date with respect to all matters that may be considered at the meeting. Stockholder votes will be tabulated by persons appointed by the board of directors to act as inspectors of election for the meeting.

We bear the expense of soliciting proxies. Our directors, officers, or employees may also solicit proxies personally or by telephone, telegram, facsimile, or other means of communication. We do not intend to pay additional compensation for doing so. In addition, we might reimburse banks, brokerage firms, and other custodians, nominees, and fiduciaries representing beneficial owners of our common stock, for their expenses in forwarding soliciting materials to those beneficial owners.

QUESTIONS AND ANSWERS ABOUT THE 2015 ANNUAL MEETING

Q: Who may vote at the meeting?

A: The board of directors set April 17, 2015 as the record date for the meeting. If you owned shares of our common stock at the close of business on April 17, 2015, you may attend and vote at the meeting. Each stockholder is entitled to one vote for each share of common stock held on all matters to be voted on. As of April 17, 2015, there were 28,574,010 shares of our common stock outstanding and entitled to vote at the meeting.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares, a stockholder of record. As a stockholder of record, you have the right to vote in person at the meeting. You will need to present a form of personal photo identification in order to be admitted to the 2015 Annual Meeting of Stockholders.

If your shares are held in a brokerage account or by another nominee or trustee, you are considered the beneficial owner of shares held in street name. In that case, the Notice of Internet Availability of Proxy Materials or proxy materials have been forwarded to you by your broker, bank or other holder of record who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by using the voting instructions included in the Notice of Internet Availability or proxy materials.

Q: What is the quorum requirement for the meeting?

A: A majority of our outstanding shares of capital stock entitled to vote as of the record date must be present at the meeting in order for us to hold the meeting and conduct business. This is called a quorum. Your shares will be counted as present at the meeting if you:

Are present and entitled to vote in person at the meeting; or

Properly submitted a Proxy Card or Voter Instruction Card.

If you are present in person or by proxy at the meeting, but abstain from voting on any or all proposals, your shares are still counted as present and entitled to vote. The proposal listed in this Proxy Statement identifies the votes needed to approve the proposed action.

Q: What proposals will be voted on at the meeting?

A: The one proposal to be voted on at the meeting is as follows:

1. To elect the three Class II directors named in the Proxy Statement for a three-year term expiring in 2018 or until their successors have been elected and qualified.

We will also consider any other business that properly comes before the meeting. As of the record date, we are not aware of any other matters to be submitted for consideration at the meeting. If any other matters are properly brought before the meeting, the proxy named in the Proxy Card or Voter Instruction Card will vote the shares it represents using its best judgment.

Q: Can I access these proxy materials on the Internet?

A: Yes. The Notice of Annual Meeting, Proxy Statement, and 2014 Annual Report to Stockholders (including the 2014 Annual Report on Form 10-K), are available for viewing, printing, and downloading at www.proxyvote.com. Our Annual Report on Form 10-K for the year ended December 31, 2014 is also available under the *About Investor Relations Financial Information Annual Meeting Materials* section of our website at www.benefitfocus.com and through the SEC's EDGAR system at <http://www.sec.gov>. All materials will remain posted on www.proxyvote.com at least until the conclusion of the meeting.

Q: How may I vote my shares in person at the meeting?

A: If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to vote in person at the meeting. You will need to present a form of personal photo identification in order to be admitted to the meeting. If your shares are held in a brokerage account or by another nominee or trustee, you are considered the beneficial owner of shares held in street name. As the beneficial owner, you are also invited to attend the meeting. Because a beneficial owner is not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, nominee, or trustee that holds your shares, giving you the right to vote the shares at the meeting.

Q: How can I vote my shares without attending the meeting?

A: If your common stock is held by a broker, bank or other nominee, they should send you instructions that you must follow in order to have your shares voted. If you hold shares in your own name, you may vote by proxy in any one of the following ways:

Via the Internet by accessing the proxy materials on the secured website *www.proxyvote.com* and following the voting instructions on that website;

Via telephone by calling toll free 1-800-690-6903 and following the recorded instructions; or

By requesting that printed copies of the proxy materials be mailed to you pursuant to the instructions provided in the Notice of Internet Availability and completing, dating, signing and returning the Proxy Card that you receive in response to your request.

The Internet and telephone voting procedures are designed to authenticate stockholders' identities by use of a control number to allow stockholders to vote their shares and to confirm that stockholders' instructions have been properly recorded. Voting via the Internet or telephone must be completed by 11:59 PM EDT on June 11, 2015. Of course, you can always come to the meeting and vote your shares in person. If you submit or return a Proxy Card without giving specific voting instructions, your shares will be voted as recommended by the board of directors, as permitted by law.

Q: How can I change my vote after submitting it?

A: If you are a stockholder of record, you can revoke your proxy before your shares are voted at the meeting by:

Filing a written notice of revocation bearing a later date than the proxy with our Corporate Secretary at 100 Benefitfocus Way, Charleston, South Carolina 29492 at or before the taking of the vote at the meeting;

Duly executing a later-dated proxy relating to the same shares and delivering it to our Corporate Secretary at 100 Benefitfocus Way, Charleston, South Carolina 29492 at or before the taking of the vote at the meeting;

Attending the meeting and voting in person (although attendance at the meeting will not in and of itself constitute a revocation of a proxy); or

If you voted by telephone or via the Internet, voting again by the same means prior to 11:59 PM EDT on June 11, 2015 (your latest telephone or Internet vote, as applicable, will be counted and all earlier votes will be disregarded).

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your bank, broker, or other holder of record. You may also vote in person at the meeting if you obtain a legal proxy from them as described in the answer to a previous question.

Q: Where can I find the voting results of the meeting?

A: We will announce the preliminary voting results at the meeting. We will publish the results in a Form 8-K filed with the SEC within four business days of the meeting.

Q: For how long can I access the proxy materials on the Internet?

A: The Notice of Annual Meeting, Proxy Statement, 2014 Annual Report to Stockholders, and Annual Report on Form 10-K for the fiscal year ended December 31, 2014 are also available, free of charge, in PDF and HTML format under the *About Investor Relations Financial Information Annual Meeting Materials* section of our website at www.benefitfocus.com and will remain posted on this website at least until the conclusion of the meeting.

Table of Contents**PROPOSAL ONE****ELECTION OF DIRECTORS****Nominees**

Our board of directors currently consists of eight members and is divided into three classes, the members of which each serve for a staggered three-year term or until a successor has been elected and qualified. The term of office of one class of directors expires each year in rotation so that one class is elected at each annual meeting for a full three-year term. Our Class II directors, Mason R. Holland, Jr., Ann H. Lamont and Stephen M. Swad, have been nominated to fill a three-year term expiring in 2018. The two other classes of directors, who were elected or appointed for terms expiring at the annual meetings in 2016 and 2017, respectively, will remain in office.

If you are a stockholder of record, unless you mark your proxy card to withhold authority to vote, the proxy holder will vote the proxies received by it for the three Class II nominees named below, each of whom is currently a director and each of whom has consented to be named in this Proxy Statement and to serve if elected. In the event that any nominee is unable or declines to serve as a director at the time of the meeting, your proxy will be voted for any nominee designated by the board of directors to fill the vacancy. We do not expect that any nominee will be unable or will decline to serve as a director. If you are a beneficial owner of shares held in street name and you do not provide your broker with voting instructions, your broker may not vote your shares on the election of directors. Therefore, it is important that you vote.

The name of and certain information regarding each Class II nominee as of April 17, 2015 is set forth below, together with information regarding our directors remaining in office. This information is based on data furnished to us by the nominees and directors. There is no family relationship between any director, executive officer or person nominated to become a director or executive officer. The business address for each nominee for matters regarding the Company is 100 Benefitfocus Way, Charleston, South Carolina 29492.

Second Amended and Restated Voting Agreement

In connection with our IPO in September 2013, we entered into a Second Amended and Restated Voting Agreement (the "Voting Agreement"), with GS Capital Partners VI Parallel, L.P., GS Capital Partners VI Offshore Fund, L.P., GS Capital Partners VI Fund, L.P., and GS Capital Partners VI GmbH & CO. KG, which we refer to as the Goldman Funds; Oak Investment Partners XII, L.P.; Mason Holland; the Holland Family Trust; and Shawn Jenkins, all of which we refer to collectively as the Key Holders. Under the Voting Agreement, each Key Holder agrees to vote his, her, or its shares in favor of certain director nominees, including, among others, Class II director nominees Mr. Holland and Ms. Lamont. Additionally, each Key Holder agrees not to vote for the removal of the directors elected under the terms of the Voting Agreement, unless such removal is directed or approved by the party that nominated such director. The Voting Agreement will terminate in September 2018, and will terminate as to any party at such time as such party no longer has a right to nominate a director pursuant to the agreement. The Voting Agreement is more fully described under "Certain Relationships and Related-Party Transactions - Corporate Governance".

Required Vote

The three Class II director nominees receiving the highest number of affirmative votes of our common stock present or represented and entitled to be voted for them shall be elected as Class II directors. In accordance with Delaware law, votes withheld from any nominee are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but they have no legal effect on the election of directors. While broker non-votes will be counted for purposes of determining the presence or absence of a quorum, they will not be counted for purposes of determining the number of shares represented and voted with respect to the particular proposal on which the broker has expressly not voted and, accordingly, will not affect the election of directors.

The board of directors unanimously recommends that stockholders vote FOR the three Class II director nominees listed above.

CORPORATE GOVERNANCE MATTERS

Information about the Board

The board of directors currently comprises eight members, divided into three classes as follows: Class I, consisting of Messrs. DiSabato, Jenkins and Napier; Class II, consisting of Messrs. Holland and Swad and Ms. Lamont; and Class III, consisting of Messrs. Dennerline and Pelzer. Upon the expiration of the term of office for each class of directors, each director in such class will be elected for a term of three years and will serve until a successor is duly elected and qualified or until his or her earlier death, resignation or removal. Any additional directorships resulting from an increase in the number of directors or a vacancy may be filled by the directors then in office or the stockholders (as provided in our bylaws). Because only one-third of our directors will be elected at each annual meeting, two consecutive annual meetings of stockholders could be required for the stockholders to change a majority of the board.

As Executive Chairman, Mr. Holland has authority to, among other things, call and preside over meetings of the board of directors, set meeting agendas, and determine materials to be distributed to the board. Accordingly, Mr. Holland has substantial ability to shape the work of the board. Mr. Holland, as a co-founder of our Company, possesses detailed and in-depth knowledge of the issues, opportunities, and challenges facing our Company and our business, and is well positioned to develop agendas that ensure the board's time and attention are focused on critical matters.

We have historically separated the position of Executive Chairman and that of Chief Executive Officer, currently Mr. Jenkins, who is also a co-founder of our Company. While our board of directors believes the separation of these positions has served our Company well, and intends to maintain this separation where appropriate and practicable, the board does not believe that it is appropriate to prohibit one person from serving as both Chairman and Chief Executive Officer. We believe our leadership structure is appropriate given the size of our Company in terms of number of employees and the historical experience and understanding of our Company and industry of each of Messrs. Holland and Jenkins.

Director Independence

Our board of directors has established an audit committee, compensation committee, and nominating and governance committee. Our audit committee consists of independent directors Messrs. Pelzer (Chair), Dennerline and Swad. Our compensation committee consists of Messrs. Swad (Chair), Dennerline, Napier and Pelzer, and Ms. Lamont. Our nominating and governance committee consists of Ms. Lamont (Chair), and Messrs. Dennerline, Holland and Napier. The audit committee, compensation committee, and nominating and governance committee were established in May 2013 in anticipation of our IPO.

Our board has undertaken a review of the independence of our directors and has determined that Messrs. Dennerline, Pelzer and Swad are independent within the meaning of the NASDAQ Stock Market listing rules and meet the additional test for independence for audit committee members imposed by SEC regulation and the NASDAQ Stock Market listing rules.

We are a controlled company as set forth in NASDAQ Stock Market Listing Rule 5615 because more than 50% of the voting power of our common stock is held by a group of stockholders consisting of Messrs. Holland and Jenkins, Oak Investment Partners XII, L.P., and the Goldman Funds. Under NASDAQ Stock Market rules, a controlled company is exempt from the NASDAQ Stock Market corporate governance requirements that a majority of the board of directors consist of independent directors and that directors' nominations and executive compensation must be approved by a majority of independent directors or a nominating and governance committee or compensation committee comprised solely of independent directors. We will rely on some of these exemptions from the corporate governance

requirements until we are no longer a controlled company or our board determines to no longer rely on these exemptions. In particular, our nominating and governance committee (which approves directors' nominations) does not consist entirely of independent directors.

Family Relationships

There is no family relationship between any director, executive officer or person nominated to become a director or executive officer of our Company.

Executive Sessions of Non-Employee Directors

In order to promote open discussion among non-employee directors, our board of directors has a policy of regularly conducting executive sessions of non-employee directors at scheduled meetings and at such other times requested by a non-employee director.

Selection of Nominees for the Board of Directors

The nominating and governance committee of our board of directors has the responsibility for establishing the criteria for recommending which directors should stand for re-election to the board and the selection of new directors to serve on the board. In addition, the committee is responsible for establishing the procedures for our stockholders to nominate candidates to the board. The committee has not formulated any specific minimum qualifications for director candidates, but has determined certain desirable characteristics, including strength of character, mature judgment, career specialization, relevant technical skills and independence. The Nominating and Governance Committee Charter calls for the committee to consider diversity to be an additional desirable characteristic in potential nominees.

Our bylaws permit any stockholder of record to nominate directors. Stockholders wishing to nominate a director must deliver written notice of the nomination either by personal delivery or by U.S. certified mail, postage prepaid, to the Corporate Secretary (i) with respect to an election to be held at an annual meeting of stockholders, not more than 90 and not less than 60 days before the meeting at which directors are to be elected, and (ii) with respect to an election to be held at a special meeting of stockholders called for the purpose of the election of directors, not later than the close of business on the tenth business day following the date on which notice of such meeting is first given to stockholders.

Any such notice must set forth the following: (A) the name and address, as they appear on the Company's books, of (i) the stockholder who intends to make the nomination and the name and residence address of the person or persons to be nominated, and (ii) any Stockholder Associated Person (as defined below); (B) (i) any material interest in the director nomination of such stockholder or any Stockholder Associated Person, individually or in the aggregate, (ii) as to the stockholder or any Stockholder Associated Person, their holdings of our stock and whether the stockholder has entered into transactions to manage risk with respect to such stock, (iii) as to the stockholder and any Stockholder Associated Person, the name and address of such stockholder and Stockholder Associated Person, as they appear on the Company's stock ledger, and current name and address, if different, and (iv) to the extent known by the stockholder, the name and address of any other stockholder supporting the nominee for election as a director; (C) a representation that the stockholder is a holder of record of stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (D) a description of all arrangements or understandings between the stockholder and any Stockholder Associated Person and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder; (E) such other information regarding each nominee proposed by such stockholder as would be required to be disclosed in solicitations of proxies for election of directors, or as would otherwise be required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or the Exchange Act, including any information that would be required to be included in a proxy statement filed pursuant to Regulation 14A had the nominee been nominated by the board of directors; and (F) the written consent of each nominee to be named in a proxy statement and to serve as director of the Company if so elected. Our

bylaws define Stockholder Associated Person as (a) any person controlling, directly or indirectly, or acting in concert with, such stockholder, (b) any beneficial owner of our shares of stock owned of record or beneficially by such stockholder and (c) any person controlling, controlled by or under common control with such Stockholder Associated Person.

Risk Oversight

While our Company's senior management has responsibility for the management of risk, our board of directors plays an important role in overseeing this function. Our board of directors regularly reviews our market and business risks during its meetings and, since its formation, each of its committees began overseeing risks associated with its respective area of responsibility. In particular, our audit committee oversees risk related to our accounting, tax, financial and public disclosure processes. It also assesses risks associated with our financial assets. Our compensation committee oversees risks related to our compensation and benefit plans and policies to ensure sound pay practices that do not cause risks to arise that are reasonably likely to have a material adverse effect on our Company. Our nominating and governance committee seeks to minimize risks related to governance structure by implementing sound corporate governance principles and practices. Each of our committees reports to the full board of directors as appropriate on its efforts at risk oversight and on any matter that rises to the level of a material or enterprise level of risk.

Additionally, we have adopted an insider trading policy to establish guidelines for our employees, officers, directors, and consultants regarding transactions in our securities and the disclosure of material nonpublic information related to our Company. Table of Contents**DIRECTOR COMPENSATION**

In June 2014, our board of directors established a compensation program for our Company's independent directors not serving as a designee of an investor under the Voting Agreement. Each such director will receive an annual retainer of \$150,000, payable at the director's election either 50% in cash and 50% in restricted stock units, or 100% in restricted stock units. We will also pay such directors the following cash fees for each quarter they chair one of the board committees: audit, \$6,250; compensation, \$2,500; and any other committee, \$1,875.

In June 2014, our board of directors also adopted an Independent Director Agreement which requires our Company's non-employee directors, not serving as a designee of an investor under the Voting Agreement, to own stock in our Company with a cash value of \$225,000 or 3,750 shares, whichever is less. Such director need not own the requisite number of shares until he has completed three years of service as a director of our Company. If the ownership required is not met after the director has completed three years of service as a director of our Company, then all payments made to him by our Company will be entirely in the form of restricted stock units until the required ownership level is reached. For purposes of calculating the number of shares held by a director, shares that are owned directly are counted along with (a) shares over which the director has investment or voting power, and (b) shares that may be acquired pursuant to vested, in-the-money options to acquire Company stock. Shares used to achieve the minimum director ownership requirement may not be pledged, used as security, or otherwise encumbered by a director.

Based upon these discussions and reviews, the audit committee recommended to the board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, which is filed with the SEC.

Our audit committee is currently composed of the following three directors: Messrs. Pelzer (Chair), Dennerline and Swad. Under this policy, each year, at the time it engages an independent registered public accounting firm, the audit committee pre-approves the engagement terms and fees and may also pre-approve detailed types of audit-related and permitted tax services, subject to certain dollar limits, to be performed during the year. All other permitted non-audit services are required to be pre-approved by the audit committee on an engagement-by-engagement basis.

EXECUTIVE COMPENSATION

The following discussion and analysis of compensation arrangements of our named executive officers for 2014 should be read together with the compensation tables and related disclosures on our current plans, considerations, expectations and determinations regarding future compensation programs. Actual compensation programs that we may adopt in the future might differ materially from currently planned programs summarized in this discussion.

The discussion below includes a review of our compensation decisions with respect to 2014 for our named executive officers, including our principal executive officer and our two other most highly compensated executive officers. Our named executive officers for 2014 were:

Shawn A. Jenkins, who serves as our Chief Executive Officer, or CEO, and is our principal executive officer;

Raymond August, who serves as our President and Chief Operating Officer; and

Andrew L. Howell, who serves as our Chief Commercial Officer.

Key Elements of Our Compensation Program for 2014

In 2014, we compensated our named executive officers through a combination of base salary, annual cash bonus payments, and long-term equity incentives in the form of restricted stock units. In the past, we have granted our executive officers options. Our executive officers are also eligible for our standard benefits programs, which include:

health, vision and dental insurance;

life insurance;

short- and long-term disability insurance;

health savings account contributions; and

a 401(k) plan with a defined matching of contributions.

We do not use specific formulas or weightings in determining the allocation of the various compensation elements. Instead, the compensation for each of our named executive officers has been designed to provide a combination of fixed and at-risk compensation that is tied to the achievement of our short- and long-term objectives. We believe that this approach achieves the primary objectives of our compensation program.

Management Incentive Bonus Programs

In June 2014, our stockholders approved the Benefitfocus, Inc. Management Incentive Bonus Program, which is designed to provide a long-term framework for performance-based bonus plans going forward, continue to reward high level executives of our Company based on their responsibilities and for their contributions to the successful achievement of certain corporate goals and objectives, and to share the success and risks of our Company based upon the achievement of business goals. This program also permits bonus awards for 2015 and onwards to be structured to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended.

Our named executive officers and other members of our management team participate in our management incentive bonus programs. The foundation of grants made under these programs is the achievement by our Company of consolidated revenues. In 2014, the bonus earned pursuant to the bonus program then in place was a function of a percentage of bonus earned, or PBE, based on achieving annual revenue targets, the executive's annual base salary, and a designated bonus target percent, or BTP. The annual bonus is determined by multiplying the annual base compensation by the designated BTP, multiplied by the PBE. In 2014, Messrs. Jenkins, August and Howell earned bonuses under the 2014 bonus program of \$531,993, \$326,092 and \$198,491, respectively, based on achieving our annual revenue target, and BTPs of 100%, 100% and 50%, respectively.

Employment Agreements

We have entered into employment agreements with Messrs. Jenkins, Holland, Howell, and August. The compensation committee of our board of directors engaged Mercer Health & Benefits, LLC as its compensation consultant in 2014, to, among other things, continue its review and analysis of our compensation program, including our executives employment agreements. We paid Mercer Health & Benefits, LLC \$216,155 in fees to conduct its review.

Employment Agreements with Shawn Jenkins and Mason Holland

In January 2007, we entered into employment agreements with Shawn Jenkins, our Chief Executive Officer, and Mason Holland, our Executive Chairman, which set forth the terms and conditions of their employment. Pursuant to the agreements, we granted Mr. Jenkins and Mr. Holland, each of whom we refer to as an Executive, options to acquire 847,458 shares of our common stock and 423,729 shares of our common stock, respectively. Each agreement continues for terms of three years, which will be extended automatically each day, for an additional day, so that the remaining term continues to be three years in length. Either we or the Executive may at any time fix the term to a finite term of three years. Under the terms of each agreement, we must pay Messrs. Jenkins and Holland salaries at rates of not less than \$400,000 and \$200,000 per year, respectively. The board will review each Executive's salary at least annually and must increase each Executive's salary by at least 5% per year. Any increase in excess of 5% in any given year must be approved by the board members designated by GS Capital Partners VI Parallel, L.P., or the Goldman Board Designee, currently Joe DiSabato. We may not decrease either Executive's base salary under these agreements.

Each Executive is eligible to participate in any management incentive programs we establish, and each Executive may receive incentive compensation based upon achievement of targeted levels of performance and other criteria established by the board or compensation committee (which in each case requires the approval of at least one of the Goldman Board Designees). In the event we achieve the annual financial targets approved by the board (which approval must include at least one Goldman Board Designee), each of Messrs. Jenkins and Holland will be entitled to an annual bonus in an amount at least equal to his then-current base salary. If we exceed our financial targets by 10% for the year, Mr. Jenkins will earn an additional bonus amount equal to 50% of his then-current base salary.

If we terminate an Executive's employment due to his death or disability, we must pay to him, or his estate, his accrued compensation and, in the case of Mr. Jenkins, an amount equal to the average of the annual bonuses paid or payable to him during the three full fiscal years preceding the date of termination, pro-rated for the number of days the Executive was employed in the fiscal year in which his employment was terminated, which amount we refer to as the Prorated Bonus Amount. If we terminate an Executive's employment for cause (as defined below) or an Executive resigns for any reason other than adequate justification, we must pay such Executive all accrued compensation.

If an Executive resigns for adequate justification (as defined below), or if we terminate an Executive's employment for any reason other than (i) due to his death or disability, or (ii) for cause, including in connection with a change in control of our Company, we must pay such Executive his accrued compensation and a pro rata share of his annual bonus, if such bonus is awarded. Additionally, we must pay such Executive each month, for a period of 36 months, one-twelfth (1/12) of the sum of, (i) his then-current base salary, and (ii) a pro rata share of his annual bonus, if such

bonus is awarded. Furthermore, we must continue providing life insurance, disability,

Table of Contents

medical, dental, and hospitalization benefits to the Executive (which amount will be reduced to the extent the Executive receives these benefits from a subsequent employer). Finally, the restrictions on any outstanding incentive awards held by the Executive, including stock options, will lapse and such awards will become fully vested and immediately exercisable.

Under each agreement, adequate justification is defined as: (a) an uncured material failure of the Company to comply with the agreement; (b) any non-voluntary, Company-imposed relocation of the Executive outside Charleston, South Carolina; (c) a change in control of our Company that results in a material diminution in the Executive's responsibilities; or (d) the removal of the Executive, in the case of Mr. Jenkins, from the position of Chief Executive Officer or, in the case of Mr. Holland, from the position of Chairman of our board of directors, in each case except as otherwise provided in the respective agreement. Under each agreement, termination for cause is defined as: (i) a conviction of the Executive of, or entering a plea of no contest by the Executive with respect to, having committed a felony; (ii) abuse of controlled substances or alcohol, or acts of dishonesty or moral turpitude by the Executive that are detrimental to the Company; (iii) acts or omissions by the Executive that he knew, or should reasonably have known, would substantially damage the business of the Company; (iv) negligence by the Executive in the performance of, or disregard by the Executive of, his obligations under the agreement or otherwise relating to his employment, or a breach by the Executive of the agreement, which negligence, disregard or breach continues uncured after receiving notice from the Company; or (v) failure by the Executive to obey the reasonable and lawful orders and policies of the board that are consistent with the provisions of the agreement.

In the event the Executive, during the 24 months following the termination of his employment, becomes employed by a company that engages, in whole or part, in the same or substantially the same business as ours, the Executive will forfeit any remaining severance payments.

Employment Agreement with Raymond August

In July 2014, we entered into an employment agreement with Raymond August. Under the agreement, we agreed to pay Mr. August a base salary of \$460,000 per year for 2014. Annual compensation reviews and adjustments to Mr. August's compensation will occur on or around the time we perform our annual budget process. We also agreed to pay Mr. August a bonus amount of up to 100% of his then-current base pay, subject to adjustment, upon achievement of the Company's annual targets. Pursuant to the agreement, we granted Mr. August 175,000 restricted stock units in 2014 with a five-year vesting period beginning on October 1, 2015, subject to continued employment.

In the event we terminate Mr. August's employment without cause at any time prior to a change in control, we will provide Mr. August: (i) severance payments at a rate equal to his base salary then in effect for a period of 12 months following his termination date, (ii) a portion of his targeted annual bonus, and (iii) an insurance premium in an amount equal to that which was paid on his behalf prior to the termination of his employment.

In the event we or our acquirer terminates Mr. August's employment without cause at the time of, or within 12 months following, a change in control of our Company, we or our acquirer will provide Mr. August: (i) severance payments at a rate equal to his base salary then in effect for a period of 12 months following his termination date, (ii) a portion of his targeted annual bonus, (iii) immediate acceleration of outstanding restricted stock units granted to him in 2014, and (iv) specified insurance premiums during the period he receives severance payments. If he resigns due to a decrease in his base salary or targeted annual bonus, a change in his position with the Company, or a change in his duties and responsibilities to the Company, and provided he resigns within three months of the occurrence of, and without having consented to, such event, Mr. August will be entitled to receive the same severance benefits he would have been eligible to receive were his employment terminated by us without cause.

If we terminate Mr. August's employment with or without cause, after completion of any period during which his eligibility for a bonus is to be determined, or a Bonus Period, but prior to the date when such bonus is

to be paid, Mr. August will be entitled to receive such bonus at the time it would have been paid but for the termination of his employment. If we terminate Mr. August's employment without cause prior to the completion of a Bonus Period, he will be entitled to receive a portion of the bonus at the time it would have been paid but for the termination of his employment, prorated for the portion of the Bonus Period that he was employed by the Company.

Under the employment agreement, cause is defined as any determination by our board of any of the following: (i) Mr. August's violation of any applicable material law or regulation respecting the business of the Company, (ii) Mr. August's commission of a felony or a crime involving moral turpitude, (iii) any act of dishonesty, fraud or misrepresentation in relation to his duties to the Company, (iv) Mr. August's uncured failure to perform in any material respect his duties under the agreement, (v) Mr. August's failure to attempt in good faith to implement a clear and reasonable directive from our board or to comply with any of our policies and procedures which failure is material and occurs after written notice from our board, (vi) any act of gross misconduct that is materially and demonstrably injurious to the Company, or (vii) Mr. August's breach of his fiduciary responsibility.

Employment Agreement with Andy Howell

In March 2007, we entered into an employment agreement with Andy Howell, our Chief Commercial Officer. Under the agreement, we originally agreed to pay Mr. Howell a base salary of \$225,000 for his service as our Senior Vice President and General Counsel. Mr. Howell has served as our Chief Commercial Officer since August 2014, and his base salary for 2014 was \$415,000. Annual compensation reviews and adjustments to Mr. Howell's compensation will occur on or around the time we perform our annual budget process. Mr. Howell is eligible to participate in our bonus plans. The amount of his potential bonus, and the formula we use to calculate that amount, are both subject to modification by us to match our future goals and objectives. In connection with his employment agreement, we granted Mr. Howell an option to purchase 78,606 shares of our common stock.

In addition, as permitted by the laws of the State of Delaware, we have entered into indemnification agreements with each of our directors. Under the terms of our indemnification agreements, we are required to indemnify each of our directors, to the fullest extent permitted by the laws of the State of Delaware, if the indemnitee acted in good faith and in a manner the indemnitee reasonably believed to be in or not opposed to the best interests of our Company, and with respect to any criminal proceeding, had no reasonable cause to believe the

indemnitee's conduct was unlawful. We must indemnify our officers and directors against any and all (a) costs and expenses (including attorneys' and experts' fees, expenses and charges) actually and reasonably paid or incurred in connection with investigating, defending, being a witness in or participating in, or preparing to investigate, defend, be a witness in or participate in, and (b) judgments, fines, penalties and amounts paid in settlement in connection with, in the case of either (a) or (b), any threatened, pending or completed action, suit, arbitration, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, by reason of the fact that (x) such

Subsidiary of The Goldman Sachs Group

Due to the size of its voting and economic interest in our Company, we are deemed to be controlled by The Goldman Sachs Group and are therefore considered to be a subsidiary of The Goldman Sachs Group under the Bank Holding Company Act (the BHC Act). The BHC Act imposes regulations and requirements on The Goldman Sachs Group and on any company that is deemed to be controlled by The Goldman Sachs Group under the BHC Act and the regulations of the Board of Governors of the Federal Reserve System, or the Federal Reserve. We will remain subject to this regulatory regime until The Goldman Sachs Group is no longer deemed to control us for purposes of the BHC Act.

As a controlled subsidiary of The Goldman Sachs Group, we are restricted from engaging in activities that are not permissible under the BHC Act, or the rules and regulations promulgated thereunder. Additionally, we are subject to examination by the Federal Reserve and required to provide information and reports for use by the Federal Reserve under the BHC Act. We may also be subject to regulatory oversight and examination because we are a technology service provider to regulated financial institutions. We have agreed to certain covenants primarily for the benefit of

The Goldman Sachs Group that are intended to facilitate its compliance with the BHC Act, but that may impose certain obligations on our Company, as further described below.

Corporate Governance

In connection with our IPO, we entered into the Voting Agreement. Under this agreement, each Key Holder agrees to vote his, her, or its shares in favor of:

two individuals nominated by GS Capital Partners VI Parallel, L.P. (currently Mr. DiSabato only) for as long as The Goldman Sachs Group and its affiliates hold 10% or more of the fully diluted equity interest in our Company;

one individual nominated by Oak Investment Partners (currently Ms. Lamont) for as long as Oak Investment Partners holds 5% or more of the fully diluted equity interest in our Company; and

for each of Messrs. Holland and Jenkins for as long as each holds shares equal to or in excess of 50% of the number of shares each beneficially held upon entering into this agreement.

Additionally, each Key Holder agrees not to vote for the removal of the foregoing directors unless such removal is directed or approved by the party that nominated such director. This agreement also provides that, so long as a nominee of The Goldman Sachs Group or its affiliate serves as one of our directors and to the extent permitted by the NASDAQ Stock Market listing rules, that director has a right to serve on our nominating and corporate governance and compensation committees. This right will terminate when (i) we cease to be a controlled company under the NASDAQ Stock Market listing rules or (ii) an affiliate of The Goldman Sachs Group ceases to be, either alone or as part of a group, a stockholder of ours whose beneficial ownership of our voting stock results in us being a controlled company, whichever event occurs first. The agreement will terminate in September 2018, and will terminate as to any party at such time as such party no longer has a right to nominate a director pursuant to the agreement.

In connection with our IPO, we also entered into a Second Amended and Restated Investors' Rights Agreement (the Investor Rights Agreement) with the Key Holders. On February 24, 2015, in connection with an equity investment by Mercer LLC in our Company, as more fully described below, we amended the Investor Rights Agreement to, among other things, add Mercer as a Key Holder under the Investor Rights Agreement only. Pursuant to the Investor Rights Agreement, as amended, the Key Holders have the right, subject to various conditions and limitations, to include their shares in registration statements relating to our securities. The holders of at least 66 $\frac{2}{3}$ %, of the then outstanding shares subject to these registration rights have the right to demand that we register such shares under the Securities Act of 1933, as amended, or Securities Act, with respect to shares having an aggregate offering price of at least \$5,000,000, and subject to other limitations. In addition, these holders are entitled to piggyback registration rights with respect to the registration under the Securities Act of shares of common stock. In the event that we propose to register any shares of common stock under the Securities Act either for our account or for the account of other security holders, the holders of shares having piggyback registration rights are entitled to receive notice of such registration and to include shares in any such registration, subject to limitations. Further, at any time after we become eligible to file a registration statement on Form S-3, the holders of at least 5% of the shares subject to these registration rights may require us to file registration statements under the Securities Act on Form S-3 with respect to shares of common stock having an aggregate offering price, net of selling expenses, of at least \$5,000,000. To the extent that we qualify as a well-known seasoned issuer, or WKSI, at the time a requisite number of holders demand the registration of shares subject to these registration rights, we will file an automatic shelf registration statement covering the shares for which registration is demanded if so requested by the holders of such shares. These registration rights are subject to conditions and limitations, among them the right of the underwriters of an offering to limit the number of shares of

common stock held by such security holders to be included in such registration.

Additionally, because of The Goldman Sachs Group's status as a bank holding company under the BHC Act, we are subject to certain covenants in the Investor Rights Agreement, as amended, for the benefit of The Goldman Sachs Group (and in certain instances Mercer) that are intended to facilitate compliance with the BHC Act. These covenants address the right to conduct audits on, and access certain information of, our Company; the right to review the policies and procedures that we implement to comply with the laws and regulations that relate

Table of Contents

to our activities; notice rights of certain events and business activities and the obligation to cooperate to mitigate potential adverse consequences resulting therefrom. These covenants will remain in effect as long as the Federal Reserve deems us to be a subsidiary of The Goldman Sachs Group under the BHC Act.

Mercer LLC Investment

On February 24, 2015, we entered into a Securities Purchase Agreement with Mercer, a wholly owned subsidiary of Marsh & McLennan Companies, Inc., a Delaware corporation (the Investor). Pursuant to the Securities Purchase Agreement, we sold and issued to the Investor 2,817,526 shares of our common stock for \$26.50 per share or an aggregate of \$74,664,439. At the same time, we also issued Mercer a warrant (the Warrant) to purchase an additional 580,813 shares of our common stock for \$26.50 per share at any time during the 30-month term of the Warrant. The Securities Purchase Agreement provides as follows:

Board Observer Right. Until the earlier of (i) the expiration or termination of the Alliance Agreement (as defined below) and (ii) the first date on which the Investor and its affiliates own less than (A) 75% of the shares of the Company's common stock acquired on February 24, 2015 or (B) 5% of the Company's common stock outstanding, in each case in this clause (ii), for a period of at least 45 consecutive days (the Termination Date), the Investor is entitled to designate an observer as outlined in the Securities Purchase Agreement, to attend all meetings of our board of directors and its committees, subject to certain exceptions.

Standstill. Until the Termination Date and subject to certain exceptions as set forth in the Securities Purchase Agreement, the Investor and its affiliates are restricted from, among other things, acquiring additional shares of our common stock such that they beneficially own more than 17.5% of our common stock outstanding and any shares issuable pursuant to the Warrant without consent of our board of directors, proposing to enter into, directly or indirectly, any merger or business combination involving our company, taking certain actions to seek control of our management, board of directors or policies, soliciting proxies with respect to our common stock, or joining a group for the purpose of acquiring, holding, voting or disposing of our common stock. These standstill restrictions immediately terminate in circumstances including, but not limited to, any public third-party proposal or announcement relating to a merger or business combination with our company or certain third parties acquiring shares representing 15% or more of our common stock outstanding.

Lockup. Until the earlier of the Termination Date or December 31, 2017, the Investor will not sell, transfer or otherwise dispose of, directly or indirectly, any shares of our common stock or enter into any swap or other arrangement that transfers to another person any of the economic consequences of ownership thereof, except: to our Company; in response to a tender or exchange offer for our common stock; as part of a merger or other transaction in which all outstanding shares of our common stock are converted into or exchanged for other consideration and is approved by our stockholders; transfers to affiliates of the Investor in accordance with the Securities Purchase Agreement; or with approval of our board of directors.

Right of Notice. Until the Termination Date, in the event that our board of directors initiates or participates in a process with respect to a transaction that would result in a sale of substantially all the assets of our Company or would result in a change of control of our Company, the Investor is entitled to notice of such process and to participate in such process on terms at least as favorable as the most favorable terms offered to any third party participating therein.

In addition, for the same period, we have agreed not to enter into any agreement providing for a change of control, unless we notify the Investor in writing at least five business days before taking such action, and consider in good faith any offer or proposal made by the Investor within such period.

Right of First Offer. We have granted the Investor a right of first offer with respect to certain new issuances of our equity securities, as have our majority stockholder and other large stockholders with respect to sales of their shares of our common stock pursuant to a Right of First Offer Agreement. In general, we and the applicable stockholders are required to offer the Investor the right to purchase any shares of our common stock or other equity securities of our company that we or such stockholders propose to issue or sell, at a price we or the

stockholders, as applicable, specify, and if the Investor declines to purchase such shares or other securities at such price, we or the stockholders may issue or sell such securities to one or more third parties at a price no less than the price offered to the Investor. These rights of first offer are subject to the limitation on acquisitions of additional shares of common stock by the Investor under the standstill restrictions described above, and are also subject to certain other exceptions, including only applying to 50% of shares or other securities proposed to be sold by any stockholder in a registered offering or certain other similar forms of sales. These rights of first offer will remain in effect until the Termination Date, subject to certain exceptions.

In connection with the Securities Purchase Agreement, we entered into an amendment of the Mercer Exchange Software as a Service Agreement (the Alliance Agreement), with Mercer Health & Benefits LLC, an affiliate of the Investor (Mercer Health). The amendment to the Alliance Agreement, among other things, expands certain terms and conditions of the existing relationship between our Company and Mercer Health.

OTHER MATTERS

The audit committee of our board of directors has selected the independent registered public accounting firm of Ernst & Young LLP, or EY, to audit our consolidated financial statements for the fiscal year ending December 31, 2015. EY has audited our financial statements annually since 2006. A representative of EY is expected to be present at the 2015 Annual Meeting of Stockholders with the opportunity to make a statement if they desire to do so and to respond to appropriate questions. EY has advised us that it does not have, and has not had, any direct or indirect financial interest in our Company or its subsidiaries in any capacity. Notwithstanding the selection of EY, our audit committee, in its discretion, may appoint a different independent registered public accounting firm at any time, if it believes doing so would be in the best interests of our Company and our stockholders.

Other than those matters set forth in this Proxy Statement, we do not know of any additional matters to be submitted at the meeting.
