Item 8.01 Other Events

As previously announced, on February 5, 2015, Frontier Communications Corporation ( Frontier ) entered into a Securities Purchase Agreement to acquire the wireline properties of Verizon Communications Inc. ( Verizon ) in California, Florida and Texas (the Transaction ). Prior to the closing of the Transaction, Verizon will contribute, to a newly formed entity, the three Verizon subsidiaries that own Verizon 's wireline properties in the three states and conduct its Separate Telephone Operations there; Frontier will acquire that newly formed entity at the closing. Frontier is filing this Current Report on Form 8-K to present the audited combined statements of assets, liabilities and parent funding of Verizon Communications Inc. 's Separate Telephone Operations in California, Florida and Texas (the Group ) as of December 31, 2014 and 2013 and the related combined statements of operations and comprehensive income (loss), parent funding, and cash flows for each of the three years in the period ended December 31, 2014, which is filed as Exhibit 99.1 hereto.

As part of the Transaction, certain assets and liabilities that are included in the Group 's audited financial statements will not be acquired by Frontier and will be retained by Verizon, and certain other assets and liabilities that are not included in the Group 's audited financial statements will be acquired by Frontier. This Current Report on Form 8-K also presents the unaudited pro forma condensed combined financial statements of Frontier, after giving effect to the Transaction, as of December 31, 2014 and for the year ended December 31, 2014, which is filed as Exhibit 99.2 hereto. In conformity with SEC rules, these pro forma financial statements must, and do, assume that the Transaction will be completed with the proceeds of Frontier 's currently existing \$10.850 billion bridge financing commitments, using the interest rates contained in those bridge commitments. We do not currently intend to complete the Transaction with the proceeds of the bridge financing, but instead we currently intend to complete registered equity and debt offerings of approximately \$3 billion and \$7.850 billion, respectively, prior to closing the Transaction. At this time, however, no assurance can be given that these offerings will be successfully completed, on terms deemed acceptable by us.

Additionally, as previously announced, on October 24, 2014, Frontier completed the acquisition of the wireline properties of AT&T Inc. ( AT&T ) in Connecticut, by acquiring all of the issued and outstanding capital stock of The Southern New England Telephone Company and SNET America, Inc. (the Transferred Companies )(the Connecticut Acquisition ). Prior to the closing of the Connecticut Acquisition, (i) AT&T transferred to the Transferred Companies certain assets and caused the Transferred Companies to assume certain liabilities relating to the business to be acquired and (ii) the Transferred Companies transferred to AT&T certain assets, and AT&T assumed certain liabilities of the Transferred Companies, to be retained by AT&T following the closing (the Transferred Companies, after giving effect to such transactions, being referred to as the Connecticut Operations ). Exhibit 99.3, incorporated herein by reference, presents the unaudited pro forma condensed combined statement of income of Frontier, after giving effect to the Connecticut Acquisition, for the year ended December 31, 2014.
