Safe Harbor

This presentation contains "forward-looking" statements that involve risks, uncertainties and assumptions. If the risks or uncertainties or the assumptions prove incorrect, our results may differ materially from those expressed or implied by such forward-looking statements other than statements of historical fact could be deemed forward-looking, including, but not limited to, any projections of financial information, including statements about revenue growth, the potentially accretive nature of the transaction and similar statements about market liquidity following the transaction; any statements about historical results that may suggest trends for our business; the plans, strategies, and objectives of management for future operations; any statements of expectation or belief regarding future markets or market size, technology developments, or enforceability of our intellectual property rights; and any statements of assumption of any of the items mentioned.

These statements are based on estimates and information available to us at the time of this presentation and are not guarantees of performance. These risks and uncertainties include, but are not limited to, the risk that Transmode shareholders fail to tender their Transmode's outstanding shares, that any other closing conditions are not satisfied, and that the transaction may not close; the risk that Infinera's businesses will not be integrated successfully; the risk that synergies will not be realized or realized to the extent expected; that the combined company will not realize on its financing or operating strategies; the risk that litigation in respect of either company or the transaction could arise; the risk that disruption caused by the combined company would make it difficult to maintain certain strategic relationships; risks of competitive responses and shifts in the market; delays in the release of new products; fluctuations in customer demand; trends, and changes in the macro economic market. These risks and uncertainties also include those risks and uncertainties disclosed

document and the supplement to the offer document filed with the Swedish Financial Supervisory Authority and in the Registrars Form S-4 filed with the SEC, those risks and uncertainties identified under the heading "Risk Factors" in the Infinera Quarterly Report for the quarter ended June 27, 2015 filed with the SEC, and those risks and uncertainties identified in any subsequent reports filed with the SEC. Our SEC filings are available on our website at [www.infinera.com](http://www.infinera.com) and the SEC's website at [www.sec.gov](http://www.sec.gov). We assume no obligation and do not currently intend to, update any such forward-looking statements.

Infinera is an Optical leader

Innovator & Long Haul DWDM Leader

Founded 2000, IPO as INFN 2007

Uses unique Photonic Integrated Circuits (PICs)

DWDM platforms, Intelligent Transport Networks

400+ Patents Filed/Granted

#1 Optical company rated by Infonetics 2014

Global

~1,600 employees

Headquarters Sunnyvale, CA, USA

Global presence  
Infinera Engineering Locations

### Infinera's Journey

2005: Shipped 10G PIC-based DTN, rapidly reaches \$100M

2008: #1 market share in NA LH\*

2007: 10G wave market leader (47%)\*, completed IPO

2010: Leapfrogs 40G, invests in 100G

2000: Infinera founded, promised to do the impossible: PICs

2014: #1 in 100G WDM, ex China\*

2012: Shipped 500G PIC-based DTN-X

2004: Introduced industry's first large scale PIC

2014: Introduced Cloud Xpress for Metro Cloud

\* Dell Oro

DWDM Long Haul Vendor Table 2015

## Infinera Today

A leader in Intelligent Transport Network solutions

145 customers in 73 countries; 62 DTN-X customers

Diversified customer base across multiple verticals

-

17 Tier 1s globally

-

3 of top 4 Internet Content Providers

-

4 of top 5 NA Cable/MSOs

-

Multiple top Wholesale and Enterprise Carriers

Fixed amount of SEK 110 in cash, subject to pro ration

Shareholders will receive 100% cash if total cash elected in the Offer (from both elections) is less than ~SEK 2.1Bn

If total cash elected (from both elections) is more than ~SEK 2.1Bn, then shareholders will receive all-cash for a portion of the from 70% to 100%), and will receive Infinera shares for the remainder

All shares electing the Original Consideration Alternative (the cash / stock mix) will be allocated the full associated cash amounts (i.e., equivalent to SEK

28.05 per share)

For shares electing the Capped Cash Alternative:

Table below illustrates the consideration per Transmode share based on the percentage electing Capped Cash

(1)

:

How Does the Pro Ration Work?

Applicable for Cash Capped Alternative

1.

Assumes 100% of shares tendered. Based on INFN closing price and SEK/USD exchange rate of 8.2540 as of June 26 and SEK/USD 8.6294 exchange rate as of July 31. June 26 was the last trading day before announcement of Infinera s

enhanced offer. See Offer Document dated July 7, 2015 at  
[www.infinera.se](http://www.infinera.se)

for additional details.

If the additional cash underlying the shares electing the all-cash alternative results in total cash paid in the Offer of less than SEK 110, shareholders will receive 100% cash at SEK 110

If the additional cash underlying the shares electing the all-cash alternative would result in total cash paid in the Offer of more than SEK 110, shareholders will receive:

SEK 110 per share in cash for as many shares as possible subject to the cap of SEK 2.1Bn

Shares not receiving SEK 110 per share in cash will receive ~0.6376 Infinera shares per Transmode share

This communication is neither an offer to purchase nor a solicitation of an offer to sell any shares. This communication is for information only. The exchange offer for shares of Transmode AB will not be made to, nor will exchanges be accepted from, or on behalf of, any jurisdiction in which the making of the exchange offer or the acceptance thereof would not comply with the laws of that jurisdiction. The acceptance period for the exchange offer for shares of Transmode described in this communication has not commenced.
