THE COMPANY

We are a Conway, Arkansas headquartered bank holding company registered under the federal Bank Holding Company Act of 1956. We are primarily engaged in providing a broad range of commercial and retail banking and related financial services to businesses, real estate developers and investors, individuals and municipalities through our wholly owned community bank subsidiary Centennial Bank (the Bank). The Bank has branch locations in Arkansas, Florida and South Alabama and a loan production office in New York City.

Home BancShares acquires, organizes and invests in community banks that serve attractive markets. Our community banking team is built around experienced bankers with strong local relationships. The Company was formed in 1998 by an investor group led by John W. Allison, our Chairman, and Robert H. Bunny Adcock, Jr., our Vice Chairman.

Edgar Filing: HOME BANCSHARES INC - Form S-3ASR

After obtaining a bank charter, we established First State Bank in Conway, Arkansas, in 1999. We acquired and integrated Community Bank, Bank of Mountain View and Centennial Bank in 2003, 2005 and 2008, respectively. Home BancShares and its founders were also involved in the formation of Twin City Bank and Marine Bank, both of which we acquired and integrated in 2005. During 2008 and 2009, we merged all of our banks into one charter and adopted Centennial Bank as the common name. In 2010, we

Table of Contents

acquired six banks in Florida through Federal Deposit Insurance Corporation (FDIC) assisted transactions, including Old Southern Bank, Key West Bank, Coastal Community Bank, Bayside Savings Bank, Wakulla Bank and Gulf State Community Bank. In 2012, we acquired three banks headquartered in Florida, including Vision Bank, Premier Bank and Heritage Bank of Florida (Heritage). Heritage was acquired through an FDIC-assisted transaction without loss share. In 2013, we acquired Liberty Bancshares, Inc. headquartered in Jonesboro, Arkansas. In 2014, we acquired Florida Traditions Bank headquartered in Dade City, Florida and Broward Financial Holdings, Inc. headquartered in Fort Lauderdale, Florida. During 2015, we acquired all the Florida Panhandle banking operations of Doral Bank (Doral Florida) and acquired a pool of national commercial real estate loans from J.C. Flowers & Co. The acquired loans were originated by the former Doral Bank within its Doral Property Finance portfolio. In connection with this acquisition, we opened a loan production office in New York, New York. On October 1, 2015, we completed our acquisition of Florida Business BancGroup, Inc. and its bank subsidiary, Bay Cities Bank, headquartered in Tampa, Florida.

Our principal executive office is located at 719 Harkrider, Suite 100, Conway, Arkansas, and our telephone number is (501) 339-2929.

RISK FACTORS

An investment in our securities involves significant risks. Our business, financial condition, and results of operations could be materially adversely affected by any of these risks. The trading price of our securities could decline due to any of these risks, and you may lose all or part of your investment. Before you make an investment decision regarding the securities, you should carefully consider the risks and uncertainties described under Risk Factors in the applicable prospectus supplement and in our most recent Annual Report on Form 10-K, and in any updates to those Risk Factors in our Quarterly Reports on Form 10-Q, together with all of the other information appearing in this prospectus or incorporated by reference into this prospectus and any applicable prospectus supplement, in light of your particular investment objectives and financial circumstances. The risks described in those documents are not the only ones that we face. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also affect our business operations, our financial results and the value of the securities. The prospectus supplement applicable to each series of securities we offer may contain a discussion of additional risks applicable to an investment in us and the securities we are offering under that prospectus supplement.

USE OF PROCEEDS

Unless otherwise specified in the applicable prospectus supplement, we intend to use the proceeds from the sale of the securities described in this prospectus for general corporate purposes and to support our ongoing and future anticipated growth, including potential acquisitions. Pending such use, we may temporarily invest the proceeds or use them to reduce indebtedness. The applicable prospectus supplement will provide more details on the use of proceeds of any specific offering.

Table of Contents**RATIOS OF EARNINGS TO FIXED CHARGES AND PREFERRED SHARE DIVIDENDS**

The following table sets forth our consolidated ratios of earnings to combined fixed charges and preferred share dividends for the periods shown. For purposes of computing the ratios, earnings represent the sum of income from continuing operations before taxes plus fixed charges and preferred share dividend requirements. Fixed charges represent total interest expense, including and excluding interest on deposits. Preferred share dividend requirements represent the amount of pre-tax income required to pay the dividends on preferred shares.

On January 16, 2009, we issued 50,000 shares of Fixed Rate Cumulative Perpetual Preferred Stock, Series A, par value \$0.01 per share (the Series A Preferred Shares). All of the Series A Preferred Shares were issued to the United States Department of the Treasury (the Treasury) pursuant to the Treasury's Capital Purchase Program. On July 6, 2011, we repurchased all 50,000 shares of the Series A Preferred Shares from the Treasury. We have not had any preferred shares outstanding or paid any dividends on preferred shares since we redeemed the Series A Preferred Shares. Therefore, the ratio of earnings to combined fixed charges and preferred share dividends is not different from the ratio of earnings to fixed charges for the years ended December 31, 2012, 2013, and 2014, and the nine month periods ended September 30, 2014 and 2015.

	Nine Months Ended		Years Ended December 31,

DESCRIPTION OF SECURITIES WE MAY OFFER

This prospectus contains summary descriptions of our common stock, preferred stock, rights and warrants that we may offer from time to time. These summary descriptions are not meant to be complete descriptions of each security. The particular terms of any security will be described in the accompanying prospectus supplement and other offering material. The accompanying prospectus supplement may add, update or change the terms and conditions of the securities as described in this prospectus.

When we use the terms security or securities in this prospectus, we mean any of the securities we may offer with this prospectus, unless we say otherwise.

DESCRIPTION OF CAPITAL STOCK

The following is a description of our common stock and certain provisions of our Restated Articles of Incorporation, Restated Bylaws and certain provisions of applicable law. The following is only a summary and is qualified by applicable law and by the provisions of our Restated Articles of Incorporation and Restated Bylaws, copies of which have been filed with the SEC and are also available upon request from us.

General

Edgar Filing: HOME BANCSHARES INC - Form S-3ASR

Under our Restated Articles of Incorporation, as amended, we have authority to issue up to 100,000,000 shares of common stock, par value \$0.01 per share, and up to 5,500,000 shares of preferred stock, par value \$0.01 per share. Each share of our common stock has the same relative rights as, and is identical in all respects to, each other share of our common stock.

Table of Contents

As of November 30, 2015, 70,126,449 shares of our common stock were issued and outstanding, and 1,901,887 shares of common stock were reserved for issuance pursuant to the Company's stock option and performance incentive plan. Our common stock is listed on the NASDAQ Global Select Market. The outstanding shares of our common stock are validly issued, fully paid and non-assessable.

As of November 30, 2015, no shares of our preferred stock were issued and outstanding.

Common Stock

Voting Rights. Holders of our common stock are entitled to one vote per share on all matters submitted to a vote of shareholders. Holders of our common stock do not have cumulative voting rights.

Dividend Rights. Holders of our common stock are entitled to dividends when, as, and if declared by our board of directors out of funds legally available for the payment of dividends. Holders of any series of preferred stock we may issue in the future may have a priority over holders of common stock with respect to dividends. The payment of dividends is subject to government regulation, in that regulatory authorities may prohibit banks and bank holding companies from paying dividends in a manner that would constitute an unsafe or unsound banking practice. In addition, a bank may not pay cash dividends if doing so would reduce the amount of its capital below that necessary to meet minimum regulatory capital requirements. State laws also limit a bank's ability to pay dividends. Accordingly, the dividend restrictions imposed on our subsidiaries by statute or regulation effectively may limit the amount of dividends we can pay.

Liquidation and Dissolution. In the event of the liquidation, dissolution and winding up of the Company, the holders of our common stock are entitled to receive ratably all of the assets of the Company available for distribution after satisfaction of all liabilities of the Company, subject to the rights of the holders of any of the Company's preferred shares that may be issued from time to time.

Other Rights. Holders of our common stock have no preferential or preemptive rights with respect to any securities of Home BancShares, and there are no conversion rights or redemption or sinking fund provisions applicable to our common stock.

Restrictions on Ownership. The Bank Holding Company Act requires any bank holding company, as defined in the Bank Holding Company Act, to obtain the approval of the Federal Reserve Board prior to the acquisition of 5% or more of our common stock. Any person, other than a bank holding company, is required to obtain prior approval of the Federal Reserve Board to acquire 10% or more of our common stock under the Change in Bank Control Act. Any holder of 25% or more of our common stock, or a holder of 5% or more if such holder otherwise exercises a controlling influence over us, is subject to regulation as a bank holding company under the Bank Holding Company Act.

Modification of Rights. Rights of the holders of our common stock may not be modified by less than a majority vote of the common stock outstanding. Additionally, under the Arkansas Business Corporation Act of 1987, a majority vote is required for the approval of a merger or consolidation with another corporation, and for the sale of all or substantially all of our assets and liquidation or dissolution of Home BancShares.

Transfer Agent. The transfer agent and registrar for our common stock is Computershare, P.O. Box 30170, College Station, Texas 77842-3170.

Preferred Stock

The 5,500,000 shares of our preferred stock, par value \$0.01 per share, are typically referred to as blank check preferred stock. This term means that these shares of preferred stock may be issued with such preferences, limitations, relative rights, and terms as determined by our board of directors. As such, the board of directors can, without shareholder approval, issue preferred stock with voting, dividend, liquidation and conversion rights that could dilute the voting strength of the holders of the common stock and may assist management in impeding an unfriendly takeover or attempted change in control.

Table of Contents

The terms of any particular series of preferred stock will be described in the prospectus supplement relating to that particular series of preferred stock.

DESCRIPTION OF RIGHTS

In this section, we describe the general terms and provisions of the rights to securities that we may offer to our shareholders. Rights may be issued independently or together with any other offered security and may or may not be transferable by the person purchasing or receiving the rights. In connection with any rights offering to our shareholders, we may enter into a standby underwriting or other arrangement with one or more underwriters or other persons pursuant to which such underwriters or other person would purchase any offered securities remaining unsubscribed for after such rights offering. Each series of rights will be issued under a separate rights agent agreement to be entered into between us and a bank or trust company, as rights agent, that we will name in the applicable prospectus supplement. The rights agent will act solely as our agent in connection with the certificates relating to the rights of the series of certificates and will not assume any obligation or relationship of agency or trust for or with any holders of rights certificates or beneficial owners of rights.

The prospectus supplement relating to any rights we offer will include specific terms relating to the offering, including, among others, the date of determining the shareholders entitled to the rights distribution, the aggregate number of rights issued and the aggregate amount of securities purchasable upon exercise of the rights, the exercise price, the conditions to completion of the offering, the date on which the right to exercise the rights will commence and the date on which the right will expire, and any applicable U.S. federal income tax considerations. To the extent that any particular terms of the rights, rights agent agreements, or rights certificates described in a prospectus supplement differ from any of the terms described here, then the terms described here will be deemed to have been superseded by that prospectus supplement.

Each right would entitle the holder of the rights to purchase for cash the principal amount of securities at the exercise price set forth in the applicable prospectus supplement. Rights may be exercised at any time up to the close of business on the expiration date for the rights provided in the applicable prospectus supplement. After the close of business on the expiration date, all unexercised rights would become void and of no further force or effect.

Holders may exercise rights as described in the applicable prospectus supplement. Upon receipt of payment and the rights certificate properly completed and duly executed at the corporate trust office of the rights agent or any other office indicated in the prospectus supplement, we will, as soon as practicable, forward the securities purchasable upon exercise of the rights. If less than all of the rights issued in any rights offering are exercised, we may offer any unsubscribed securities directly to persons other than shareholders, to or through agents, underwriters or dealers or through a combination of such methods, including pursuant to standby arrangements, as described in the applicable prospectus supplement.

The description in the applicable prospectus supplement and other offering material of any rights we offer will not necessarily be complete and will be qualified in its entirety by reference to the applicable rights agent agreement, which will be filed with the SEC if we offer rights. For more information on how you can obtain copies of the applicable rights agent agreement if we offer rights, see [Documents Incorporated by Reference](#) and [Where You Can Find More Information](#). We urge you to read the applicable rights agent agreement and the applicable prospectus supplement and any other offering material in their entirety.

DESCRIPTION OF WARRANTS

We may issue warrants from time to time in one or more series for the purchase of our common stock or preferred stock or any combination of those securities. Warrants may be issued independently or together with any shares of common stock or shares of preferred stock or offered by any prospectus supplement and may be attached to or separate from common stock or preferred stock. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a warrant agent, or any other bank or trust company specified in the related prospectus supplement relating to the particular issue of warrants. The warrant agent will act as our agent in connection with the warrants and will not assume any obligation or relationship of agency or trust for or with any holders of warrants or beneficial owners of warrants. The specific terms of a series of warrants will be described in the applicable prospectus supplement relating to that series of warrants along with any general provisions applicable to that series of warrants.

The following is a general description of the warrants we may issue. The applicable prospectus supplement will describe the specific terms of any issuance of warrants. The terms of any warrants we offer may differ from the terms described in this prospectus. As a result, we will describe in the prospectus supplement the specific terms of the particular series of warrants offered by that prospectus supplement. Accordingly, for a description of the terms of a particular series of warrants, you should carefully read this prospectus, the applicable prospectus supplement, and the applicable warrant agreement, which will be filed as an exhibit to the registration statement of which this prospectus forms a part.

Terms. If warrants are offered by us, the prospectus supplement will describe the terms of the warrants, including the following if applicable to the particular offering:

the title of the warrants;

the total number of warrants;

the number of shares of common stock purchasable upon exercise of the warrants to purchase common stock and the price at which such shares of common stock may be purchased upon exercise;

Exercise of Warrants. Each warrant will entitle the holder to purchase a number of shares of common stock or shares of preferred stock at an exercise price as will in each case be set forth in, or calculable from, the prospectus supplement relating to those warrants. Warrants may be exercised at the times set forth in the prospectus supplement relating to the warrants. After the close of business on the expiration date (or any later date to which the expiration date may be extended by us), unexercised warrants will become void. Subject to any restrictions and additional requirements that may be set forth in the prospectus supplement relating thereto, warrants may be exercised by delivery to the warrant agent of the certificate evidencing the warrants properly completed and duly executed and of payment as provided in the prospectus supplement of the amount required to purchase shares of common stock or shares of preferred stock purchasable upon such exercise. The exercise price will be the price applicable on the date of payment in full, as set forth in the prospectus supplement relating to the warrants. Upon receipt of the payment and the certificate representing the warrants to be exercised properly completed and duly executed at the office of the warrant agent or any other office indicated in the prospectus supplement, we will, as soon as practicable, issue and deliver the shares of common stock or shares of preferred stock purchasable upon such exercise. If fewer than all of the warrants represented by that certificate are exercised, a new certificate will be issued for the remaining amount of warrants.

The description in the applicable prospectus supplement and other offering material of any warrants we offer will not necessarily be complete and will be qualified in its entirety by reference to the applicable warrant agreement, which will be filed with the SEC if we offer warrants. For more information on how you can obtain copies of the applicable warrant agreement if we offer warrants, see [Documents Incorporated by Reference](#) and [Where You Can Find More Information](#). We urge you to read the applicable warrant agreement and the applicable prospectus supplement and any other offering material in their entirety.

PLAN OF DISTRIBUTION

We may sell the securities described in this prospectus on a continuous or delayed basis directly to purchasers or through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, concessions or commissions from us or the purchasers of the securities. These discounts, concessions or commissions as to any particular underwriter, broker-dealer or agent may be in excess of those customary in the types of transactions involved.

The securities may be sold from time to time in one or more transactions at fixed prices, which may be changed from time to time, at prevailing market prices at the time of sale, at varying prices determined at the time of sale or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions:

on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale, including, as of the date of this prospectus, the NASDAQ Global Select Market in the case of our common stock;

in the over-the-counter market;

in transactions otherwise than on these exchanges or services or in the over-the-counter market; or

through the writing of options, whether the options are listed on an options exchange or otherwise.

Each time that we use this prospectus to sell our securities, we will also provide a prospectus supplement. For each series of securities, the applicable prospectus supplement will set forth the terms of the offering including:

the public offering price;

the name or names of any underwriters, dealers or agents;

the purchase price of the securities;

the proceeds from the sale of the securities to us;

Table of Contents

any underwriting discounts, agency fees, or other compensation payable to underwriters or agents;

any discounts or concessions allowed or reallocated or repaid to dealers; and

the securities exchanges on which the securities will be listed, if any.

If we use underwriters in the sale of securities, the securities will be acquired by the underwriters for their own account. The underwriters may then resell the securities in one or more transactions at a fixed public offering price or at varying prices determined at the time of sale or thereafter. The securities may be either offered to the public through underwriting syndicates represented by managing underwriters, or directly by underwriters. The obligations of the underwriters to purchase the securities will be subject to certain conditions. The underwriters will be obligated to purchase all the securities offered if they purchase any securities. The public offering price and any discounts or concessions allowed or re-allowed or paid to dealers may be changed from time to time.

If we use dealers in the sale of securities, we will sell securities to such dealers as principals. The dealers may then resell the securities to the public at varying prices to be determined by such dealers at the time of resale. We may solicit offers to purchase the securities directly, and we may sell the securities directly to institutional or other investors, who may be deemed underwriters within the meaning of the Securities Act with respect to any resales of those securities. The terms of these sales will be described in the applicable prospectus supplement. If we use agents in the sale of securities, unless otherwise indicated in the prospectus supplement, they will use their reasonable best efforts to solicit purchases for the period of their appointment. Unless otherwise indicated in a prospectus supplement, if we sell directly, no underwriters, dealers or agents would be involved. We will not make an offer of securities in any jurisdiction that does not permit such an offer.

We may grant underwriters who participate in the distribution of securities an option to purchase additional securities to cover overallocments, if any, in connection with the distribution. Any underwriter may engage in overallocation, stabilizing transactions, short covering transactions and penalty bids in accordance with SEC orders, rules and regulations and applicable law. To the extent permitted by applicable law and SEC orders, rules and regulations, an overallocation involves sales in excess of the offering size, which create a short position. Stabilizing transactions permit bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum. To the extent permitted by applicable law and SEC orders, rules and regulations, short covering transactions involve purchases of the common stock in the open market after the distribution is completed to cover short positions. Penalty bids permit the underwriters to reclaim a selling concession from a dealer when the common stock originally sold by the dealer is purchased in a covering transaction to cover short positions. Those activities may cause the price of the common stock to be higher than it would otherwise be. If commenced, the underwriters may discontinue any of the activities at any time.

Any underwriters who are qualified market makers on the NASDAQ Stock Market may engage in passive market making transactions in the common stock on the NASDAQ Stock Market in accordance with Rule 103 of Regulation M, during the business day prior to the pricing of the offering, before the commencement of offers or sales of the common stock. Passive market makers must comply with applicable volume and price limitations and must be identified as passive market makers. In general a passive market maker must display its bid at a price not in excess of the highest independent bid for such security; if all independent bids are lowered below the passive market maker's bid, however, the passive market maker's bid must then be lowered when certain purchase limits are exceeded.

Underwriters, dealers and agents that participate in any distribution of securities may be deemed to be underwriters as defined in the Securities Act. Any discounts, commissions or profit they receive when they resell the securities may be

treated as underwriting discounts and commissions under the Securities Act. Only underwriters named in the prospectus supplement are underwriters of the securities offered in the prospectus supplement. We may have agreements with underwriters, dealers and agents to indemnify them against certain civil liabilities, including certain liabilities under the Securities Act, or to contribute with respect to payments that they may be required to make.

Table of Contents

We may authorize underwriters, dealers or agents to solicit offers from certain institutions whereby the institution contractually agrees to purchase the securities from us on a future date at a specific price. This type of contract may be made only with institutions that we specifically approve. Such institutions could include banks, insurance companies, pension funds, investment companies and educational and charitable institutions. The underwriters, dealers or agents will not be responsible for the validity or performance of these contracts.

Each series of securities will be a new issue of securities. Our common stock is listed on the NASDAQ Global Select Market. Unless otherwise specified in the applicable prospectus supplement, the securities will not be listed on any exchange. It has not presently been established whether the underwriters, if any, of the securities will make a market in the securities. If the underwriters make a market in the securities, such market making may be discontinued at any time without notice.

Agents, dealers and underwriters may be entitled to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments which the agents, dealers or underwriters may be required to make in respect thereof. Agents, dealers or underwriters may be customers of, engage in transactions with, or perform services for us and our subsidiaries in the ordinary course of business.

LEGAL MATTERS

The validity of the securities offered by this prospectus has been passed upon for us by Mitchell, Williams, Selig, Gates & Woodyard, P.L.L.C., Little Rock, Arkansas. As of November 30, 2015, attorneys with Mitchell, Williams, Selig, Gates & Woodyard, P.L.L.C. participating in this matter beneficially own approximately 2,634 shares of our common stock. If legal matters in connection with offerings made pursuant to this prospectus are passed upon by counsel for the underwriters, dealers or agents, if any, such counsel will be named in the prospectus supplement relating to such offering.

EXPERTS

BKD, LLP, independent registered public accounting firm, has audited our consolidated financial statements as of December 31, 2014 and 2013, and for each of the three years in the period ended December 31, 2014, included in our Annual Report on Form 10-K for the year ended December 31, 2014, and the effectiveness of our internal control over financial reporting as of December 31, 2014, as set forth in their reports, which are incorporated by reference in this prospectus and elsewhere in the registration statement. Our financial statements are incorporated by reference in reliance on BKD, LLP's reports, given on their authority as experts in accounting and auditing.

With respect to the unaudited financial information of Home BancShares for the three month periods ended March 31, 2015 and 2014, the three and six month periods ended June 30, 2015 and 2014, and the three and nine month periods ended September 30, 2015 and 2014, incorporated herein by reference, the independent registered public accountants have applied limited procedures in accordance with professional standards for a review of such information. However, as stated in their separate reports included in the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31, June 30, and September 30, 2015, and incorporated by reference herein, they did not audit and they do not express an opinion on that interim financial information. Because of the limited nature of the review procedures applied, the degree of reliance on their reports on such information should be restricted. The accountants are not subject to the liability provisions of Section 11 of the Securities Act for their report on the unaudited interim financial information because that report is not a report or a part of the registration statement prepared or certified by the accountants within the meaning of Sections 7 and 11 of the Securities Act.

Item 15. Indemnification of Directors and Officers.

Our Restated Articles of Incorporation, as amended, and Restated Bylaws authorize and require us to indemnify our directors, officers, employees and agents to the full extent permitted by law. Section 4-27-850 of the Arkansas Business Corporation Act of 1987 contains detailed and comprehensive provisions providing for indemnification of directors and officers of Arkansas corporations against expenses, judgments, fines and settlements in connection with litigation. Under Arkansas law, other than an action brought by or in the right of Home BancShares, such indemnification is available if it is determined that the proposed indemnitee acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of Home BancShares and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

In actions brought by or in the right of Home BancShares, the Arkansas statute limits such indemnification to expenses (including attorneys' fees) actually and reasonably incurred in the defense or settlement of such action if the indemnitee acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of Home BancShares. However, no indemnification is allowed in actions brought by or in the right of Home BancShares with respect to any claim, issue or matter as to which such person has been adjudged to be liable to us, unless and only to the extent that the court determines upon application that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

To the extent that the proposed indemnitee has been successful on the merits or otherwise in defense of any action, suit or proceeding (or any claim, issue or matter therein), under Arkansas law we must indemnify him or her against expenses (including attorneys' fees) that he or she actually and reasonably incurred in connection with such defense.

Our Restated Articles of Incorporation, as amended, also provide that no director shall be liable to us or our shareholders for monetary damages for breach of fiduciary duty as a director to the fullest extent permitted by the Arkansas Business Corporation Act.
