Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

As previously disclosed, Shaun Stanley, a former member of the Board of Directors (the Board) of Marrone Bio Innovations, Inc. (the Company), and a former member of the Audit Committee of the Board, did not stand for re-election to the Board upon the expiration of his term at the Company's Annual Meeting of Stockholders held on December 17, 2015. While the Company may designate an alternative independent Board member to replace Mr. Stanley on the Audit Committee, the Board is actively seeking an additional independent director to appoint to its Board and the Audit Committee, and therefore determined that the Audit Committee would be comprised of two members only at the present time.

As a result, the Company is not in compliance with Listing Rule 5605(c)(2)(A) of the NASDAQ Stock Market LLC (NASDAQ), which requires, among other things, that the Company's Audit Committee be comprised of at least three members. In accordance with NASDAQ Listing Rules 5605(c)(4), the Company has a cure period until the earlier of its next annual stockholders meeting or June 14, 2016, in order to add a third member to the Audit Committee and regain compliance. On December 21, 2015, the Company received a customary letter from NASDAQ referencing the non-compliance with the audit committee composition requirements and advising of the applicable cure period. The Company fully expects to comply with NASDAQ's audit committee composition requirements in the near term and in any event within the specified cure period.
