Glass Lewis Joins ISS in Recommending that Shareholders Vote the Blue Proxy Card FOR ALL Four Financial Institutions, Inc. s (FISI) Director Nominees

Two Leading Proxy Advisory Firms Recognize the Strength of Board s Strategic Plan in Delivering Value to Shareholders

*FISI Urges Shareholders to Follow the Recommendations of Both Glass Lewis and ISS and Vote the **BLUE** Proxy Card Today!*

WARSAW, N.Y., May 25, 2016 Financial Institutions, Inc. (Nasdaq: FISI), the parent company of Five Star Bank, Scott Danahy Naylon and Courier Capital, today announced that Glass Lewis & Co., LLC (Glass Lewis), a leading independent proxy advisory firm, has issued a report recommending that Financial Institutions shareholders vote on the **BLUE** proxy card **FOR ALL** four of the Company s director nominees **Martin Birmingham, Samuel Gullo, Kim VanGelder and James Wyckoff** at the 2016 Annual Meeting of Shareholders to be held on June 3, 2016. Glass Lewis clients include institutional investors, mutual funds, pension funds and other fiduciaries. The Glass Lewis recommendation follows the recommendation issued last week by Institutional Shareholder Services (ISS) which also recommended that FISI shareholders vote the **BLUE** proxy card **FOR ALL** four of the Company s director nominees.

In its May 24, 2016 report, Glass Lewis stated:

We find that the Company has generally outperformed peers and regional bank indices over the near-and longer-term, including over the one-year, three-year and 10-year periods reviewed in our analysis.

We find no cause for concern with the Company s strategic direction, which has been clearly communicated to investors and upon which management appears to be making progress, in our view.

Given the Company s generally favorable financial performance and clear strategy, we agree with the incumbent board that pursuing a sale at this juncture, particularly under the duress of a proxy contest, may not be in the best interests of shareholders.

Commenting on Clover Partners' nominees, Glass Lewis stated:

[] we do not believe the Dissident [Clover Partners] has made a compelling case that the incumbent board is deficient in [its financial experience] or that appointing the Dissident Nominees would likely lead to a more favorable outcome for all shareholders, particularly those with a long-term perspective.

We are concerned that the Dissident's [Clover Partners] brief holding period and publicly stated interest in selling the Company could deny long-term shareholders the upside potential associated with the Company's stand-alone strategy.

Glass Lewis ultimately concluded that:

In conclusion, we do not believe the Dissident [Clover Partners] has made a compelling case that electing its nominees to the board is warranted or in the best interests of all shareholders at this time.

Commenting on the Glass Lewis report and its recommendation, FISI issued the following statement:

We are extremely pleased that a second leading independent proxy advisory firm, Glass Lewis, has recommended that shareholders vote **FOR ALL** four of FISI's highly-qualified and very experienced director nominees on the **BLUE** proxy card. We are also pleased that in making its recommendation, Glass Lewis recognized the strength of the Company's strategic growth plan and superior performance. We are confident that our strategic plan is working and will continue to drive growth and profitability for shareholders. We strongly urge all shareholders to follow the recommendations of both Glass Lewis and ISS and vote **TODAY** on the **BLUE** proxy card **FOR ALL** four of FISI's director nominees to ensure that FISI is best positioned to continue executing on its successful strategic plan that has delivered total shareholder returns of 66%.

Shareholders are reminded that, no matter how many or how few shares they own, their vote is extremely important for the future of FISI. FISI is asking that shareholders follow the recommendations of both ISS and Glass Lewis and **VOTE TODAY** each and every **BLUE** proxy card they receive for the FISI Board's four highly-qualified and very experienced nominees: **Martin Birmingham, Samuel Gullo, Kim VanGelder and James Wyckoff**. Shareholders may also vote by phone or Internet by following the instructions on the **BLUE** proxy card they have received.

Shareholders are also urged **NOT** to sign or return any white proxy card or voting instruction form that they may receive from Clover Partners. Even a **WITHHOLD** vote with respect to Clover Partners' proposed director nominees on its white proxy card or voting instruction form will cancel any **BLUE** proxy card or voting instruction form previously given to FISI. Shareholders are also reminded that if they do sign a white proxy card that is sent to them by Clover Partners they have the right to change their vote by voting the **BLUE** proxy card.

Only the latest dated proxy card or voting instruction form voted will be counted, so shareholders are urged to vote **TODAY** each and every **BLUE** proxy card they have received! If you have any questions on how to vote your shares, please call Morrow & Co., LLC at (203) 658-9400 or toll free at 800-662-5200 or by email at votefisi@morrowco.com.
