PROXY STATEMENT

FOR

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON AUGUST 10, 2016

This proxy statement (Proxy Statement) is furnished to the holders of common shares of beneficial interest, par value \$0.001 per share of Ivy High Income Opportunities Fund (the Fund) in connection with the solicitation by the Board of Trustees of the Fund (the Board) of proxies to be voted at the Annual Meeting of Shareholders of the Fund to be held on August 10, 2016, and any adjournment, postponement or delay thereof (the Annual Meeting). The Annual Meeting will be held at 6300 Lamar Avenue, Overland Park, Kansas 66202 at 10:00 A.M. (local time).

This document gives you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Shareholders (Notice of Annual Meeting). Much of the information in this Proxy Statement is required under rules of the Securities and Exchange Commission (SEC). If there is anything you do not understand, please contact us at our toll-free number 1-800-777-6472.

The Notice of Annual Meeting, the enclosed proxy card and this Proxy Statement (collectively, the Proxy Materials) are first being mailed to the Fund's shareholders on or about June 29, 2016.

Shareholders of record or beneficial owners as of the record date may obtain a free copy of the Annual Report for the fiscal year ended September 30, 2015 and the Semi-Annual Report for the period ended March 31, 2016, which have previously been mailed to shareholders, by writing Ivy Client Services at P.O. Box 29217, Shawnee Mission, Kansas 66201-9217 Attn: Investor Services & Support, by calling toll free 1-800-777-6472 or on the Internet at www.ivyinvestments.com.

Why is a shareholder meeting being held?

The common shares of the Fund are listed on the New York Stock Exchange (NYSE), and the rules of the NYSE require the Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year.

What matters will be voted on?

Shareholders of the Fund are being asked to elect the Class III Trustee nominee named in this Proxy Statement, Mr. Jarold W. Boettcher, to hold office until the Fund's 2019 annual meeting or until his successor is elected and duly qualified.

Will my vote make a difference?

Yes! Your vote is important and could make a difference in the governance of the Fund, no matter how many shares you own.

Who is asking for my vote?

The enclosed proxy is solicited by the Board for use at the Annual Meeting to be held on August 10, 2016, and, if the Annual Meeting is adjourned, postponed or delayed, at any later meeting(s), for the purposes stated in the Notice of Annual Meeting.

How many votes are required to elect the Trustee nominee?

The election of a Trustee requires the affirmative vote of a plurality of votes cast by the shareholders at the Annual Meeting at which a quorum (*i.e.*, one-third of the outstanding shares of the Fund entitled to vote at the Annual Meeting) is present. For purposes of this vote, a vote to abstain or withholding your vote (or a direction to a broker or other nominee to do so) and a broker non-vote (which occurs when a broker has not received directions from shareholders and does not have discretionary authority to vote the shareholders' shares) are both not counted as votes cast, and therefore, will have no effect on the outcome of the Trustee election.

How does the Board recommend that shareholders vote?

The Board unanimously recommends that you vote **FOR** the Trustee nominee named in this Proxy Statement.

The Board has reviewed the qualifications and backgrounds of the Board's Trustee nominee and believes that he is experienced in overseeing investment companies and is familiar with the Fund, its investment strategies and operations and its investment adviser. The Board has approved the Trustee nominee named in this Proxy Statement and believes his election is in your best interests as shareholders.

Who is eligible to vote?

Shareholders of record of the Fund at the close of business on June 3, 2016, are entitled to be present and to vote at the Annual Meeting or any adjournment, postponement or delay thereof. Shareholders on that date will be entitled to one vote on each matter to be voted on for each share held and a fractional vote with respect to each fractional share held. Shares represented by your duly executed proxy/proxies will be voted in accordance with your instructions. If you sign a proxy card, but do not fill in a vote, your shares will be voted in accordance with the Board's recommendations. If any other business is brought before the Annual Meeting, your shares will be voted at your proxy's discretion unless you specify otherwise in your proxy.

Who will bear the costs of proxy solicitation?

The costs of soliciting proxies will be borne by the Fund.

How do you vote your Shares?

Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign, date and return the enclosed proxy card in the postage-paid envelope provided or vote via telephone or the Internet so your shares will be represented at the Annual Meeting. Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for telephone and Internet voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if a shareholder executed multiple proxy cards with respect to the Fund, shares are voted in accordance with the proxy card bearing the latest date.

If you attend the Annual Meeting and wish to vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of the Fund's shares, in order to gain admission you will be required to show valid photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your shares through a bank, broker or other custodian, in order to gain admission you will be required to show valid photographic identification, such as your driver's license, and satisfactory proof of ownership of shares of the Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the Annual Meeting.

All shares represented by your duly executed proxy/proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein.

If any other business is brought before the Annual Meeting, your shares will be voted at your proxies' discretion unless you specify otherwise in your proxy. **If you sign the proxy card(s), but do not fill in a vote, your shares will be voted in accordance with the Board's recommendations.**

Shareholders who execute proxy cards or record their voting instructions via telephone or the Internet may revoke their proxies at any time prior to the time they are voted by giving written notice to the Secretary of the Fund, by delivering a subsequently dated proxy (including via telephone or the Internet) prior to the date of the Annual Meeting or by attending and voting at the Annual Meeting. Merely attending the Annual Meeting, however, will not revoke a previously submitted proxy.

Broker-dealers that hold the Fund's shares in street name for the benefit of their customers will request the instructions of such customers on how to vote their shares on the election of a Trustee. The Fund understands that, under the rules of the NYSE, such broker-dealer firms may for certain routine matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. The election of a Trustee is a routine matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of the proposal. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

How many shares of the Fund were outstanding as of the record date?

At the close of business on June 3, 2016, the Fund had 16,567,087 common shares outstanding.

** It is currently anticipated that the Class II Trustees will next stand for election at the Fund's 2018 annual meeting of shareholders.

*** The Class III Trustee is standing for election at the Annual Meeting. It is currently anticipated that the Class III Trustee will next stand for election at the Fund's 2016 annual meeting of shareholders.

The Trustee nominee, if elected at the Annual Meeting, will hold office for a term in accordance with his class or until his successor shall have been elected and duly qualified. The Class I and Class II Trustees of the Fund, as set forth in the table above, will continue to serve under their current terms and will stand for re-election at subsequent annual meetings of shareholders as indicated above.

The Trustee nominee named in this Proxy Statement has agreed to continue to serve as a Trustee of the Fund if elected at the Annual Meeting. If, however, the Trustee nominee declines or otherwise becomes unavailable for election, the proxy confers discretionary power on the person named therein to vote in favor of a substitute Trustee nominee as the Fund's Governance Committee may select.

Trustee Qualifications

Following is a summary of various qualifications, experiences and skills of each Trustee (in addition to business experience during the past five years as set forth in the table above) that contributed to the Board's conclusion that an individual should serve on the Board. Glendon E. Johnson, Jr. Mr. Johnson practiced law for over 30 years, specializing in corporate finance, securities and mergers and acquisitions, including representing and advising financial services companies and investment advisers and their boards. The Board's Leadership Structure

The Fund is governed by its Board, which currently is comprised of seven Trustees. The Board is responsible for the overall management of the Fund, which includes general oversight and review of the Fund's investment activities, in accordance with federal law and the law of the State of Delaware, as well as the stated policies of the Fund. The Board has appointed officers of the Fund and has delegated to them the management of the day-to-day operations of the Fund based on policies adopted by the Board, with general oversight by the Board.

The Board is classified into three classes—Class I, Class II and Class III—as nearly equal in number as reasonably possible, with the Trustees in each class to hold office until their successors are elected and duly qualified. With the retirement of Ms. Eleanor Schwartz as a Trustee effective November 17, 2015, the Board will reconsider assignment of the Trustees to the classes after the Annual Meeting. At each succeeding annual meeting of shareholders, the successors to the class of Trustees whose terms expire at that meeting shall be elected to hold office for terms expiring at the later of the annual meeting of shareholders held in the third year following the year of their election or the election and qualification of their successors.

Seven members of the Board are Independent Trustees. Mr. Henry J. Herrmann is the sole interested Trustee of the Fund. An interested person of the Fund includes any person who is otherwise affiliated with the Fund or a service provider to the

Fund, such as IICO, the Fund's investment adviser. The Board believes that having a majority of Independent Trustees on the Board is appropriate and in the best interests of the Fund's shareholders. However, the Board also believes that having Mr. Herrmann serve on the Board to bring management's corporate and financial viewpoint is an important element in the Board's decision-making process.

Under the Fund's Amended and Restated Agreement and Declaration of Trust (the Declaration of Trust) and its Amended and Restated By-Laws (the Bylaws), a Trustee may serve as a Trustee until his or her term expires, until he or she dies or resigns, or in the event of bankruptcy, adjudicated incompetence or other incapacity to perform the duties of the office, or his or her removal. The Fund intends to hold annual meetings of shareholders so long as the common shares are listed on a national securities exchange and such meetings are required as a condition to such listing. Delaware law permits shareholders to remove Trustees under certain circumstances and requires the Trust to assist in shareowner communications.

The Board has elected Joseph Harroz, Jr., an Independent Trustee, to serve as Independent Chair of the Board. In that regard, Mr. Harroz's responsibilities include setting an agenda for each meeting of the Board; presiding at all meetings of the Board and the Independent Trustees; and serving as a liaison with other Trustees, the Fund's officers and other management personnel, and counsel to the Fund. The Independent Chair also performs such other duties as the Board may from time to time determine.

The Board holds four regularly scheduled in-person meetings each year. The Board may hold special meetings, as needed, either in person or by telephone, to address matters arising between regular meetings. The Independent Trustees also holds four regularly scheduled in-person meetings each year, during a portion of which management is not present, as well as a special telephonic meeting in connection with the Board's consideration of the Fund's management agreements, and may hold special meetings, as needed, either in person or by telephone.

The Board has established a committee structure that includes three committees: the Audit Committee, Governance Committee and Executive Committee, the first two of which are comprised solely of Independent Trustees. The Board annually evaluates its structure and composition, as well as the structure and composition of those committees. The Board believes that its leadership structure, including its Independent Chair position and its committees, is appropriate for the Fund in light of, among other factors, the asset size and nature of the Fund, the arrangements for the conduct of the Fund's operations, the number of Trustees, and the Board's responsibilities.

Risk Oversight

Consistent with its responsibility for oversight of the Fund, the Board oversees the management of risks relating to the administration and operation of the Fund. The Board performs this risk management oversight directly and, as to certain matters, directly through its committees and through its Independent Trustees. The following provides an overview of the principal, but not all, aspects of the Board's oversight of risk management for the Fund.

In general, the Fund's risks include, among other things, investment risk, credit risk, discount risk, liquidity risk, valuation risk, operational risk and regulatory compliance risk. The Board has adopted, and will periodically review, policies and procedures designed to address these and other risks to the Fund. In addition, under the general oversight of the Board, IICO and other service providers to the Fund have adopted a variety of policies, procedures and controls designed to address particular risks of the Fund. Different processes, procedures and controls are employed with respect to different types of risks.

The Board also oversees risk management for the Fund through review of regular reports, presentations and other information from officers of the Fund and other persons.

Senior officers of the Fund, senior officers of IICO, the Fund's investment adviser and IICO's affiliated companies (collectively, Waddell & Reed), and the Fund's Chief Compliance Officer (CCO) regularly report to the Board on a range of matters, including those relating to risk management. The Board also regularly receives reports from IICO with respect to the investments and securities trading of the Fund and reports from Fund management personnel regarding valuation procedures. In addition to regular reports from Waddell & Reed, the Board also receives reports regarding other service providers to the Trust, either directly or through Waddell & Reed or the Fund's CCO, on a periodic or regular basis. At least annually, the Board receives a report from the Fund's CCO regarding the effectiveness of the Fund's compliance program. Also, on an annual basis, the Board receives reports, presentations and other information from Waddell & Reed.

Senior officers of the Fund and senior officers of Waddell & Reed also report regularly to the Audit Committee on Fund valuation matters and on the Fund's internal controls and accounting and financial reporting policies and practices. Waddell & Reed compliance personnel also report regularly to the Audit Committee. In addition, the Audit Committee receives regular reports from the Fund's independent registered public accounting firm on internal control and financial reporting matters. On at least a quarterly basis, the Independent Trustees meet separately with the Fund's CCO to discuss matters relating to the Fund's compliance program.

Further Information About Voting and the Annual Meeting

One-third of the outstanding shares of the Fund entitled to vote at the Annual Meeting shall constitute a quorum at the Annual Meeting for purposes of conducting business at the Annual Meeting.

The Board has fixed the close of business on June 3, 2016 as the record date for the determination of shareholders of the Fund entitled to notice of, and to vote at, the Annual Meeting. Shareholders of the Fund on that date will be entitled to one vote on each matter to be voted on for each share held and a fractional vote with respect to each fractional share with no cumulative voting rights.

For purposes of the Trustee election, abstentions and broker non-votes will be included for purposes of determining whether a quorum is present at the Annual Meeting, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will have no effect on the Trustee election.

Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for Internet and telephone voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if multiple proxy cards are executed, shares are voted in accordance with the proxy card bearing the latest date.

If you wish to attend the Annual Meeting and vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of the Fund's shares, in order to gain admission you will be required to show photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your shares through a bank, broker or other custodian, in order to gain admission you will be required to show photographic identification, such as your driver's license, and satisfactory proof of ownership of shares of the Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your shares in a brokerage account or through a bank or other nominee, you will not be able to

vote in person at the Annual Meeting unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the Annual Meeting.

All shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If any other business is brought before the Annual Meeting, your shares will be voted at the proxies' discretion. **If you sign the proxy card, but do not fill in a vote, your shares will be voted in accordance with the Board's recommendation.**

Shareholders who execute proxy cards or record their voting instructions via telephone or the Internet may revoke their proxies at any time prior to the time they are voted by giving written notice to the Secretary of the Fund, by delivering a subsequently dated proxy (including via telephone or the Internet) prior to the date of the Annual Meeting or by attending and voting at the Annual Meeting. Merely attending the Annual Meeting, however, will not revoke a previously submitted proxy.

Discretionary Voting

Broker-dealers that hold the Fund's shares in street name for the benefit of their customers will request the instructions of such customers on how to vote their shares on the election of a Trustee. The Fund understands that, under the rules of the NYSE, such broker-dealer firms may for certain routine matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. The election of a Trustee is a routine matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of the proposal. Broker-dealers who are not members of the New York Stock Exchange may be subject to other rules, which may or may not permit them to vote your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

Proxy Solicitation

The Fund's officers and employees, the Fund's investment adviser (none of whom will receive additional compensation therefor) may solicit proxies by telephone, mail, e-mail and personal interviews. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies, and will be reimbursed by the Fund for such out-of-pocket expenses.

Independent Registered Public Accounting Firm

Deloitte & Touche LLP (Deloitte & Touche) was selected as the Fund's independent registered public accounting firm, to audit the accounts of the Fund for the fiscal year ended September 30, 2015. Representatives of Deloitte & Touche are not expected to attend the Annual Meeting. The Fund does not know of any direct or indirect financial interest of Deloitte & Touche in the Fund.

Audit Fees. Fees included in the audit fees category are those associated with the audit of the Fund's annual financial statements or services that are normally provided in connection with statutory and regulatory filings or engagements and registration consents. For the period from the Fund's inception through the end of its first fiscal year ended September 30, 2014, and for the Fund's most recently completed fiscal year ended September 30, 2015, the aggregate fees billed to the Fund by Deloitte & Touche for professional services rendered for the audit of such Fund's annual financial statements were \$35,000 and \$35,000, respectively. There were no fees billed by Deloitte & Touche for either of the fiscal years ended September 30, 2014 or 2015 for assurance and related services reasonably related to the performance of the audit of such Fund's annual financial statements.

Tax Fees. Fees included in the tax fees category refer to professional services rendered by the registered principal accounting firm for tax compliance, tax advice and tax planning. Deloitte & Touche billed \$4,200 in fees for each of the fiscal years ended September 30, 2014 and 2015 for professional services rendered for tax compliance, tax advice and tax planning.

All Other Fees. Fees included in the all other fees category consist of service related to internal control reviews, strategy and other consulting, financial information systems design and implementation, consulting on other information systems, and other tax services unrelated to the Fund. Deloitte & Touche billed \$317 in fees for the fiscal year ended September 30, 2015, for services rendered to the Fund other than audit fees and tax fees as described above. There were no fees billed by Deloitte & Touche for the fiscal year ended September 30, 2014 for services rendered to the Fund other than audit fees and tax fees.

Audit Committee's Pre-Approval Policies and Procedures. The Fund's Audit Committee pre-approves all audit services to be provided by the Fund's independent registered public accounting firm. The Audit Committee pre-approves all non-audit

services to be performed for the Fund by the Fund's independent registered accounting firm; provided that the pre-approval requirement does not apply to non-audit services that (i) were not identified as such at the time of the pre-approval and (ii) do not aggregate more than 5% of total fees paid to the principal accountants by the Fund during the fiscal year in which the services are provided, if the Audit Committee approves the provision of such non-audit services prior to the completion of the audit.

The Audit Committee pre-approves all non-audit services to be performed by the Fund's independent registered accounting firm for IICO, the Fund's investment adviser (not including any sub-adviser whose role is primarily portfolio management and is subcontracted and overseen by IICO) or any entity controlling, controlled by, or under common control with IICO that provides ongoing services to the Fund if the engagement relates directly to the operations or financial reporting of the Fund; provided that the pre-approval requirement does not apply to non-audit services that (i) were not identified as such at the time of the pre-approval and (ii) do not aggregate more than 5% of total fees paid to the independent registered accounting firm by the Fund for all services and by IICO for non-audit services if the engagement relates directly to the operations or financial reporting of the Fund during the fiscal year in which those services are provided, if the Audit Committee approves the provision of such non-audit services prior to the completion of the audit.

No services performed by Deloitte & Touche in the audit-related fees, tax fees or all other fees categories for the fiscal years ended September 30, 2014 or 2015 were approved by the Audit Committee pursuant to the pre-approval exceptions described above or the waiver provisions of paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X promulgated by the SEC.

The aggregate non-audit fees billed for services rendered by Deloitte & Touche to the Fund for the fiscal years ended September 30, 2014 and 2015 were \$4,200 and \$4,317, respectively. The aggregate non-audit fees billed for services rendered by Deloitte & Touche to IICO (not including any sub-adviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser) and any entity controlling, controlled by, or under common control with IICO that provides ongoing services to the Fund for the fiscal years ended September 30, 2014 and 2015 were \$143,100 and \$87,900, respectively.

Important Notice Regarding Internet Availability of Proxy Materials for Annual Meeting to be held on August 10, 2016

The Proxy Materials are available to you on the Internet at <https://www.proxy-direct.com/ivy-27874>. The Proxy Materials will be available on the Internet through the day of the Annual Meeting.

The Fund will furnish to any shareholder, without charge, a copy of the Fund's most recent Annual Report and Semi-Annual Report, which have previously been mailed to shareholders, upon request, by writing Ivy Client Services at P.O. Box 29217, Shawnee Mission, Kansas 66201-9217 Attn: Investor Services & Support, by calling toll free 1-800-777-6472 or on the Internet at www.ivyinvestments.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 and Section 30(h) of the 1940 Act require the Fund's officers and Trustees, IICO, the Fund's investment adviser, affiliated persons of IICO, and persons who beneficially own more than ten percent of the Fund's shares to file certain reports of ownership (Section 16 filings) with the SEC. To the Fund's knowledge, all required Section 16 filings were timely and correctly made by reporting persons during the Fund's most recently completed fiscal year.

Deadline for Shareholder Proposals

The deadline for submitting shareholder proposals for inclusion in the Fund's proxy statement and form of proxy for the Fund's annual meeting of shareholders in 2017 is March 1, 2017. Any shareholder proposal that is intended to be presented at such annual meeting, but not submitted for inclusion in the Fund's proxy statement and form of proxy in accordance with the foregoing sentence, must be received by the Fund's Secretary at the address indicated on the first page of this Proxy Statement no later than May 15, 2017. Any such proposal received after such date will be considered untimely and will be excluded from consideration at the next annual meeting. The mere submission of a proposal or notice of proposal by a shareholder does not guarantee that such proposal will be included in the proxy

statement or otherwise considered at such annual meeting because certain federal rules must be complied with before consideration of the proposal is required.

Other Matters

The management of the Fund knows of no other matters which are to be brought before the Annual Meeting. However, if any other matters not now known properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

Adjournment

Failure of a quorum to be present at the Annual Meeting will necessitate adjournment and will subject the Fund to additional expense. The persons named in the enclosed proxy may also move for an adjournment of the Annual Meeting to permit further solicitation of proxies with respect to any proposal if they determine that adjournment and further solicitation is reasonable and in the best interests of the Fund. Under the Fund's Bylaws, an adjournment of a meeting with respect to a matter requires the affirmative vote of a majority of the shareholders present in person or by proxy at the Annual Meeting, or by the chairman of the meeting.

By order of the Board,

Wendy J. Hills

Vice President, General Counsel and Secretary

AUDIT COMMITTEE REPORT IVY HIGH INCOME OPPORTUNITIES FUND (THE FUND)

The Audit Committee of the Board of Trustees of the Fund operates pursuant to a Charter, which sets forth the role of the Audit Committee in the Fund's financial reporting process.
