Edgar Filing: Eaton Vance Tax-Managed Buy-Write Income Fund - Form N-Q

(1) Non-income producing security.

(2) Amount is less than 0.05%.

Written options activity for the fiscal year to date ended September 30, 2016 was as follows:

	Number of Contracts	Premiums Received
Outstanding, beginning of period	1,780	\$ 3,500,938
Options written	16,630	34,063,177
Options terminated in closing purchase transactions	(8,200)	(18,774,399)
Options exercised	(1,470)	(2,378,842)
Options expired	(7,100)	(13,435,051)
Outstanding, end of period	1,640	\$ 2,975,823

All of the assets of the Fund are subject to segregation to satisfy the requirements of the escrow agent. At September 30, 2016, the Fund had sufficient cash and/or securities to cover commitments under open derivative contracts.

Edgar Filing: Eaton Vance Tax-Managed Buy-Write Income Fund - Form N-Q

The Fund is subject to equity price risk in the normal course of pursuing its investment objectives. The Fund writes index call options above the current value of the index to generate premium income. In writing index call options, the Fund in effect, sells potential appreciation in the value of the applicable index above the exercise price in exchange for the option premium received. The Fund retains the risk of loss, minus the premium received, should the price of the underlying index decline.

At September 30, 2016, the aggregate fair value of open derivative instruments (not considered to be hedging instruments for accounting disclosure purposes) in a liability position and whose primary underlying risk exposure is equity price risk was \$2,629,383.

The cost and unrealized appreciation (depreciation) of investments of the Fund at September 30, 2016, as determined on a federal income tax basis, were as follows:

Aggregate cost	\$ 159,162,751
Gross unrealized appreciation	\$ 221,389,995
Gross unrealized depreciation	(77,622)
Net unrealized appreciation	\$ 221,312,373

Under generally accepted accounting principles for fair value measurements, a three-tier hierarchy to prioritize the assumptions, referred to as inputs, is used in valuation techniques to measure fair value. The three-tier hierarchy of inputs is summarized in the three broad levels listed below.

Level 1 quoted prices in active markets for identical investments

Level 2 other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.)

Level 3 significant unobservable inputs (including a fund's own assumptions in determining the fair value of investments)

In cases where the inputs used to measure fair value fall in different levels of the fair value hierarchy, the level disclosed is determined based on the lowest level input that is significant to the fair value measurement in its entirety. The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

At September 30, 2016, the hierarchy of inputs used in valuing the Fund's investments and open derivative instruments, which are carried at value, were as follows:

Asset Description	Level 1	Level 2	Level 3	Total
Common Stocks	\$ 380,475,124*	\$	\$	\$ 380,475,124
Total Investments	\$ 380,475,124	\$	\$	\$ 380,475,124
Liability Description				
Call Options Written	\$ (2,629,383)	\$	\$	\$ (2,629,383)
Total	\$ (2,629,383)	\$	\$	\$ (2,629,383)

* The level classification by major category of investments is the same as the category presentation in the Portfolio of Investments. The Fund held no investments or other financial instruments as of December 31, 2015 whose fair value was determined using Level 3 inputs. At September 30, 2016, there were no investments transferred between Level 1 and Level 2 during the fiscal year to date then ended.

Edgar Filing: Eaton Vance Tax-Managed Buy-Write Income Fund - Form N-Q

For information on the Fund's policy regarding the valuation of investments and other significant accounting policies, please refer to the Fund's most recent financial statements included in its semiannual or annual report to shareholders.

Item 2. Controls and Procedures

(a) It is the conclusion of the registrant's principal executive officer and principal financial officer that the effectiveness of the registrant's current disclosure controls and procedures (such disclosure controls and procedures having been evaluated within 90 days of the date of this filing) provide reasonable assurance that the information required to be disclosed by the registrant on this Form N-Q has been recorded, processed, summarized and reported within the time period specified in the Commission's rules and forms and that the information required to be disclosed by the registrant on this Form N-Q has been accumulated and communicated to the registrant's principal executive officer and principal financial officer in order to allow timely decisions regarding required disclosure.

(b) There have been no changes in the registrant's internal controls over financial reporting during the fiscal quarter for which the report is being filed that have materially affected, or are reasonably likely to materially affect the registrant's internal control over financial reporting.

Signatures

Pursuant to the requirements of the Securities Exchange Act of 1934 and the Investment Company Act of 1940, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
