Item 1.01. Entry into a Material Definitive Agreement.

Diamondback Energy, Inc., a Delaware corporation (*Diamondback*), and Diamondback's wholly-owned subsidiary, Diamondback E&P, LLC, a Delaware limited liability company, entered into a Purchase and Sale Agreement (the *Purchase Agreement*) with Brigham Resources Operating, LLC and Brigham Resources Midstream, LLC, each an unrelated third-party seller (together, the *Seller*), dated as of December 13, 2016, to acquire certain assets of the Seller for an aggregate purchase price of approximately \$2.43 billion, consisting of \$1.62 billion in cash and the issuance of 7.69 million shares of Diamondback's common stock, par value \$0.01 per share (the *Common Stock*), to the Seller, subject to certain adjustments. The transactions contemplated by the Purchase Agreement are referred to herein as the *Pending Acquisition*.

The assets subject to the Pending Acquisition (the *Assets*), located in Pecos and Reeves counties across over 93,761 gross (76,319 net) acres, include approximately 9,500 BOE/d (77% oil) of average net production for November 2016, based on production, completion and flowback data provided by the Seller that has not been verified by us, from 48 gross producing horizontal wells and 16 gross producing vertical wells. The Assets are also estimated to include six drilled but uncompleted wells as of January 1, 2017. Based on our internal estimates and the data provided by the Seller, we believe the Assets include approximately 1,149 net royalty acres. Additionally, based on publicly available data with respect to recent horizontal wells on and surrounding the properties, we believe the assets are prospective for four primary targets: Wolfcamp A, Wolfcamp B, the 2nd Bone Spring and the 3rd Bone Spring. We believe that development potential within the footprint of the Pending Acquisition includes 1,213 net horizontal locations, based on 880-foot spacing (six wells per section) in the Wolfcamp A and Wolfcamp B and 1,320-foot inter-lateral spacing (four wells per section) in the 3rd Bone Spring and 2nd Bone Spring. Additional development and downspacing potential may exist throughout the Wolfcamp and Bone Spring intervals. We believe that the identified potential horizontal locations are conducive to more capital efficient longer laterals with an average of 8,000 feet. Assuming all of the acreage in the Pending Acquisition is acquired, our total leasehold interest as of September 30, 2016 would have been approximately 182,000 net acres and our production for the quarter ended September 30, 2016 would have been approximately 54.4 MBOE/d (74% oil). In addition to the previously announced planned addition of a sixth rig in 2017, if the Pending Acquisition is consummated, we plan to add two additional rigs to develop the Pending Acquisition in 2017. Giving effect to the Pending Acquisition, our preliminary full year 2017 production guidance would increase to 64.0 to 73.0 MBOE/d.

The closing of the Pending Acquisition is scheduled to occur in February 2017. However, the transaction remains subject to completion of due diligence and satisfaction of other closing conditions. There can be no assurance that we will complete the Pending Acquisition on the terms set forth herein or at all.

The preceding summary of the Purchase Agreement is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached as Exhibit 2.1 hereto and incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

Pursuant to the Purchase Agreement, Diamondback intends to issue approximately 7.69 million shares of Common Stock to the Seller upon completion of the Pending Acquisition. The shares of Common Stock described in this Item 3.02 will be issued in reliance upon the exemption from the registration requirements of the Securities Act of 1933, as amended (the *Securities Act*), provided by Section 4(a)(2) of the Securities Act as sales by an issuer not involving any public offering.

The information set forth in Item 1.01 with respect to the Pending Acquisition is incorporated herein by reference.

Item 7.01. Regulation FD Disclosure.
