Item 1.01. Entry into a Material Definitive Agreement

Merger Agreement

On December 16, 2016, Virtus Investment Partners, Inc., a Delaware corporation (the Company), and 100 Pearl Street 2, LLC, a Delaware limited liability company and wholly owned subsidiary of the Company (Merger Sub), entered into an Agreement and Plan of Merger (the Merger Agreement) with RidgeWorth Holdings LLC, a Delaware limited liability company (RidgeWorth), and Lightyear Fund III AIV-2, L.P., a Delaware limited partnership, solely in its capacity as Seller Representative, pursuant to which Merger Sub will (on the terms and subject to the satisfaction or waiver of the closing conditions in the Merger Agreement) merge with and into RidgeWorth with RidgeWorth continuing as the surviving company and a wholly owned subsidiary of the Company (the Merger).

The purchase price (the Purchase Price) for the Company's acquisition of RidgeWorth equals (x) \$472,000,000, plus (y) the fair market value of certain of RidgeWorth's investments at the effective time of the Merger (the Closing), with the final Purchase Price subject to the adjustments described below. The Merger is expected to be financed using a combination of the Company's existing balance sheet resources, debt and equity and/or equity-linked securities. In connection with the transaction, the Company has received \$475 million of committed debt financing from Barclays Bank PLC and Morgan Stanley Senior Funding, Inc.

The Merger Agreement provides that the Purchase Price will be reduced if RidgeWorth does not obtain client consents (Consents) relating to (i) the assignment of advisory contracts pursuant to which it and its subsidiaries provide investment management services to their clients (other than mutual funds) and (ii) the merger of the RidgeWorth mutual funds into the Company's fund complex, representing revenues at least equal to 92.5% of a baseline revenue amount (the Base Revenue Run Rate). The Purchase Price is subject to working capital and net debt adjustments as well as reductions for unpaid transaction expenses, accrued bonuses and commissions and other specified liabilities of RidgeWorth, in each case as of immediately prior to Closing. The Purchase Price is also subject to a customary post-Closing adjustment as well as a true-up payment in respect of Consents obtained in the six months following Closing.

In connection with the Merger, certain key employees holding outstanding equity interests in RidgeWorth (the RidgeWorth Equity Interests) have entered into rollover agreements with the Company, pursuant to which, immediately prior to the Merger, each such holder will exchange a portion of his or her RidgeWorth Equity Interests (the Rollover Equity Interests) for a combination of Company common stock and either deferred cash consideration or investments in the Company's mutual funds.

The Closing of the Merger is subject to (1) the receipt of Consents representing revenues that are not less than 77.5% of the Base Revenue Run Rate, (2) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (3) the absence of any material adverse effect (as defined in the Merger Agreement) on the business of RidgeWorth and its subsidiaries and (4) other customary closing conditions. The Merger is expected to close in mid-2017, subject to the satisfaction or waiver of such conditions.

The Merger Agreement contains customary termination rights for the Company and RidgeWorth, including in the event the Merger is not consummated on or before July 16, 2017 (subject to extension to September 16, 2017 in certain specified circumstances). The Merger Agreement also contains customary representations, warranties, covenants and indemnification and escrow provisions. RidgeWorth is required, among other things, to conduct its business in the ordinary course consistent with past practice during the interim period between the execution of the Merger Agreement and the consummation of the Merger, subject to certain exceptions.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and is

incorporated herein by reference.

The Merger Agreement and the above description of the Merger Agreement have been included to provide investors with information regarding the terms of the Merger Agreement and are not intended to provide any other

factual information about the Company, RidgeWorth or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement and may be subject to limitations agreed upon by the parties in connection with negotiating the terms of the Merger Agreement, including being qualified by confidential disclosures made by each party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. In addition, certain representations and warranties may be subject to a contractual standard of materiality different from those generally applicable to investors and may have been used for the purpose of allocating risk between the parties rather than establishing matters as facts. Information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the Company, RidgeWorth or any of their respective subsidiaries, affiliates or businesses.

Debt Commitment Letter

In connection with entering into the Merger Agreement, on December 16, 2016, the Company entered into a debt financing commitment letter (the Debt Commitment Letter) with Barclays Bank PLC and Morgan Stanley Senior Funding, Inc. (together, the Initial Commitment Parties). Pursuant to the Debt Commitment Letter, the Initial Commitment Parties have committed to arrange and provide the Company with a senior secured credit facility composed of (i) a term loan facility of up to \$475 million, provided that, if the Company issues equity securities or equity-linked securities on or prior to the Closing Date, the principal amount of the term loan may be reduced by the lesser of the net cash proceeds received by the Company from such issuance and \$275 million, and (ii) a revolving credit facility of up to \$100 million (together, the Facilities). The proceeds of the Facilities may be used to fund the Company's acquisition of RidgeWorth pursuant to the Merger Agreement, to repay of amounts borrowed under an existing revolving credit facility, and to pay transaction fees and expenses related to the foregoing. The availability of borrowings under the Facilities is subject to satisfaction of certain customary conditions.

A copy of the Debt Commitment Letter is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The foregoing description of the Debt Commitment Letter is qualified in its entirety by reference to the full text of the Debt Commitment Letter.
