TELEFÓNICA, S.A.

TELEFÓNICA, S.A. (herein after Telefónica) as provided in article 228 of the Spanish Stock Market Act (*Ley del Mercado de Valores*), hereby reports the following

SIGNIFICANT EVENT

Telefónica has entered today into a swap agreement with Koninklijke KPN NV (hereinafter, KPN) to deliver 72.0 million of its treasury shares (representing 1.43% of its share capital), in exchange for 178.5 million shares of its subsidiary Telefónica Deutschland Holding AG, representing 6.0% of the share capital of the latter. The exchange ratio has been determined based on the average of the volume weighted average price (VWAP) of the respective shares during the last 5 trading sessions.

The execution of this agreement is not subject to any conditions and settlement is expected to take place tomorrow.

As a result of this agreement, Telefónica increases from 63.2% to 69.2% its shareholding in Telefonica Deutschland, one of the Group's main cash flow growth contributors, increasing, as a result, its share in dividends distributed by Telefonica Deutschland.

Under this agreement, KPN has committed, among other obligations, to comply with certain restrictions which, in case of sale of the aforementioned Telefónica shares, would ensure an orderly sale of such shares. In this regard, and pursuant to article 531 of the Spanish Corporations Act, the literal transcription of clause 2.4 of the agreement signed between Telefonica and KPN is included as appendix to this significant event.
