The transaction value was determined by multiplying (a) \$38.50, the tender offer price, by (b) the sum of (i) 43,848,089, the number of issued and outstanding shares of Company common stock (including 82,103 shares of Company common stock subject to issuance pursuant to Company restricted stock awards), (ii) 2,885,555, the number of shares of Company common stock subject to issuance pursuant to options to purchase shares of Company common stock, (iii) 788,241, the number of shares of Company common stock subject to outstanding purchase rights under the Spectranetics employee stock purchase plan, (iv) 617,527, the number of shares of Company common stock subject to issuance pursuant to Company restricted stock units and (v) 526,275, the number of shares of Company common stock subject to issuance pursuant to Company performance stock units (assuming settlement of outstanding Company performance stock units based on achievement of applicable performance goals at 150% of the target performance level for Company performance stock units granted in 2016 and the target performance level for Company performance stock units granted in 2017). The foregoing share figures have been provided by the issuer to the offerors and are as of June 27, 2017, the most recent practicable date.

** The filing fee was calculated in accordance with Rule 0-11 under the Securities Exchange Act of 1934, as amended, and Fee Rate Advisory No. 1 for Fiscal Year 2017, issued August 31, 2016, by multiplying the transaction value by 0.0001159.
