Statements in this Investor Presentation contain various forward-looking statements within the meaning of Section 27A of the Securities Exchange Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which represent expectations or beliefs concerning Spirit Airlines, Inc. (the Company, we). The words expects, estimates, plans, anticipates, indicates, believes, will, should, seeks, targets and similar expressions are intended to identify forward-looking statements. Similarly, objectives, plans or goals, or actions the Company may take in the future, are forward-looking statements. Forward-looking statements are subject to various risks and uncertainties. Forward-looking statements regarding revenues, cost of operations, the delivery of new service routes, and other financial and operational performance metrics are based on assumptions and are subject to change. All

upon  
information  
available  
to  
the  
Company  
at  
the  
time  
the  
statement  
is  
made.

The

Company has no intent, nor undertakes any obligation, to publicly update or revise any forward-looking statement, whether as to future results of operations, financial performance, or otherwise, except as required by law. Forward-looking statements are subject to a number of factors that could cause actual results to differ materially from the Company's expectations, including the competitive environment in the airline industry; the Company's ability to attract and retain qualified pilots and flight attendants; changes in fuel costs; the impact of worldwide economic conditions; the Company's liquidity and general level of capital resources; changes in demand for air travel; changes in non-ticket revenues; government regulation; changes in legislation, regulation and government policy as a result of the 2016 congressional elections; operational disruptions out of key airports; and dependence on a limited number of aircraft and engine manufacturers. A discussion concerning these and other factors is contained in the Company's Securities and Exchange Commission (SEC) filings, including its Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K.

Spirit Airlines, Inc. ( SAVE or Spirit Airlines ) intends to offer an EETC ( SAVE 2017-1 ) to raise ~\$421 million of proceeds

Spirit Airlines intends to issue \$420,500,000 of Pass Through Certificates, Series 2017-1, in three classes, as follows:

Class AA: \$247,099,000

Class A: \$82,366,000

Class B: \$91,035,000

The Equipment Notes underlying the SAVE 2017-1 certificates will have the benefit of a security interest in the following twelve (12) Airbus aircraft to be delivered new to Spirit Airlines

Five (5) new Airbus A321-200ceo aircraft scheduled to be delivered new to Spirit Airlines between February 2018 and March 2018

Seven (7) new Airbus A320-200ceo aircraft scheduled to be delivered new to Spirit Airlines between December

Edgar Filing: Spirit Airlines, Inc. - Form FWP

2017 and October 2018

The EETC Structure will include the following:

Senior Class AA debt amortizing over 12.2 years

Subordinate Class A debt amortizing over 12.2 years

Subordinate Class B debt amortizing over 8.2 years

Liquidity Facilities will be provided for three semi-annual interest payments on Class AA, Class A and Class B

The waterfall structure will be consistent with recent EETC precedents

Joint Structuring Agents and Joint Lead Bookrunners: Morgan Stanley and Citi

Joint Bookrunners: Goldman Sachs & Co. and Barclays

Liquidity Provider and Depositary: Commonwealth Bank of Australia, New York Branch, and Citibank, N.A., respectively

Transaction Overview

Summary of the Certificates Offering

1.

Initial LTV as of February 15, 2019, the first regular distribution date after all aircraft are expected to have been financed and all distributions expected to be made on or prior to such date and assumed depreciation of aircraft. Appraised value is calculated using the mean and median ( LMM ) values of each aircraft as appraised by AISI, BK and MBA. An appraisal is only an estimate and should not be relied upon as a measure of realizable value

2.

Each series of Equipment Notes will mature on the Final Expected Distribution Date for the related class of certificates

3.

The certificates will be issued in minimum denominations of \$2,000 (or such other denomination that is the lowest integral multiple of \$1,000, is, at the time of issuance equal to at least 1,000 euros) and integral multiples of \$1,000 in excess thereof

(2) The Liquidity Facility for each of the Class AA

Certificates, Class A Certificates and Class B

Certificates is expected to be sufficient to cover up

to three consecutive semiannual interest payments

with respect to such Class, except that the Liquidity

Facilities will not cover interest on the Deposits.

(3) The proceeds of the offering of each Class of

Certificates will initially be held in escrow and

deposited with the Depositary, pending financing of

each Aircraft. The Depositary will hold such funds

as interest bearing Deposits and such funds, in the

case of the Class AA Certificates, will be held in

fiduciary accounts. Each Trust will withdraw funds

from the Deposits relating to such Trust to

purchase Equipment Notes of the corresponding

series from time to time as each Aircraft is

financed. The scheduled payments of interest on

the Equipment Notes and on the Deposits relating

to a Trust, taken together, will be sufficient to pay

accrued interest on the outstanding Certificates of

such Trust. If any funds remain as Deposits with

respect to a Trust at the Delivery Period

Termination Date, such funds will be withdrawn by

the Escrow Agent and distributed to the holders of

the Certificates issued by such Trust, together with

accrued and unpaid interest thereon. No interest

will accrue with respect to the Deposits after they

## Edgar Filing: Spirit Airlines, Inc. - Form FWP

### Classes Offered

After a Certificate Buyout Event, subordinate Certificate holders have the right to purchase all (but not less than all) of the Certificates ranking senior thereto at par plus accrued and unpaid interest

No buyout right during the 60-day Section 1110 period

No Equipment Note buyout rights

Same waterfall both before and after an event of default

Interest on Eligible Pool Balance of Class A and Class B is paid ahead of principal on Class AA

The Equipment Notes will be cross-collateralized by all Aircraft

All Indentures will include cross-default provisions

Three tranches of amortizing debt are being offered

All three tranches will benefit from a separate liquidity facility covering three semiannual interest payments
