2017 CEO TOTAL COMPENSATION MIX (page 40)

The compensation program for named executive officers is designed to reward them for their overall contribution to Company performance, including the Company's execution against its business plan and the creation of shareholder value, and to provide executives with an incentive to continue to expand their contributions to Accenture. The following reflects the mix of pay for our chairman and chief executive officer, Pierre Nanterme, for fiscal 2017 performance:

CHAIRMAN & CEO FISCAL 2017 COMPENSATION DECISIONS

PAY-FOR-PERFORMANCE (page 36)

The Compensation Committee believes that total realizable compensation for the Company's named executive officers should be closely aligned with the Company's performance and each individual's performance. As the graph below shows, the Company's performance with respect to total shareholder return over a 3-year period was at the 88th percentile among the companies in our peer group. The realizable total direct compensation for our chairman and chief executive officer was in the 33rd percentile, which indicates that relative company performance ranked higher than relative realizable pay, as compared to our peer group. See page 36 for a definition of realizable total direct compensation.

CORPORATE

GOVERNANCE

The Board is responsible for providing governance and oversight over the strategy, operations and management of Accenture. The primary mission of the Board is to represent and protect the interests of our shareholders. The Board oversees our senior management, to whom it has delegated the authority to manage the day-to-day operations of the Company. The Board has adopted Corporate Governance Guidelines, which, together with our Memorandum and Articles of Association, form the governance framework for

the Board and its Committees. The Board regularly reviews its Corporate Governance Guidelines and other corporate governance documents and from time to time revises them when it believes it serves the interests of the Company and its shareholders to do so and in response to changing regulatory and governance requirements. The following sections provide an overview of our corporate governance structure, including director independence and other criteria we use in selecting director nominees, our Board leadership structure and the responsibilities of the Board and each of its committees.

Key Corporate Governance Documents

The following materials are accessible through the Governance Principles section of our website at <https://accenture.com/us-en/company-principles>:

Corporate Governance Guidelines

Accenture's Code of Business Ethics is applicable to all of our directors, officers and employees. If the Board grants any waivers from our Code of Business Ethics to any of our directors or executive officers, or if we amend our Code of Business Ethics, we will, if required, disclose these matters through the Investor Relations section of our website on a timely basis.

CORPORATE GOVERNANCE PRACTICES

Edgar Filing: Accenture plc - Form PREM14A

Accenture has a history of strong corporate governance. We are committed to governance policies and practices that serve the interests of the Company and its shareholders. **Annual Board and committee self-assessment
process**

The Nominating & Governance Committee conducts a confidential survey of the Board and its committees each year. The lead director and chair of the Nominating & Governance Committee also conduct a self-assessment interview with each Board member that is designed to enhance his or her participation and role as a member of the Board, as well as to assess the competencies and skills each individual director is expected to bring to the Board.

Commitment to Board refreshment

Our Board takes an active role in Board succession planning and is committed to Board refreshment and works towards creating a balanced Board with both fresh perspectives and deep experience. The current average tenure of our 11 director nominees is 4.6 years.

Robust director selection process

Our Board has a robust director selection process resulting in a diverse and international Board in terms of gender, ethnicity, experience, skills and tenure.

Active shareholder engagement

We regularly engage with our shareholders to better understand their perspectives.

Robust Code of Business Ethics

Our Code of Business Ethics, which applies to all employees as well as all members of the Board, reinforces our core values and helps drive our culture of compliance, ethical conduct and accountability. We updated our Code of Business Ethics in September 2017, evolving our content to be more approachable and intuitively organized by six fundamental behaviors: Make Your Conduct Count; Comply with Laws; Deliver for Our Clients; Protect People, Information and Our Business; Run Our Business Responsibly; and Be a Good Corporate Citizen.

Clawback policy

We maintain a clawback policy applicable to our chairman and chief executive officer, global management committee members (the Company's primary management and leadership team, which consists of approximately 20 of our most senior leaders other than our chairman and chief executive officer) and approximately 240 of our most senior leaders, which provides for the recoupment of incentive cash bonus and equity-based compensation in the event of a financial restatement under specified circumstances.

Equity ownership requirements

Each named executive officer is required to hold Accenture equity with a value equal to at least 6 times his or her base compensation by the 5th anniversary of becoming a named executive officer. Each director is required to hold Accenture equity having a fair market value equal to 3 times the value of the annual director equity grants within 3 years of joining the Board.

Prohibition on hedging or pledging of company stock

Our directors and all employees are prohibited from entering into hedging transactions, and our directors, our chairman and chief executive officer, members of our global management committee and other key employees are prohibited from entering into pledging transactions.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Corporate Governance****3****LEADERSHIP STRUCTURE**

Pierre Nanterme, our chief executive officer, also serves as the chairman of our Board. Our Corporate Governance Guidelines provide that if the same person holds the chief executive officer and chairman roles or if the chairman is not independent, the independent directors of the Board will designate one of the independent directors to serve as the lead director. Marjorie Magner has served as our independent lead director since January 31, 2014. The Board has determined that the presence of our independent lead director who, as described below, has meaningful oversight responsibilities, together with a strong leader in the combined role of chairman and chief executive officer, serves the best interests of Accenture and its shareholders at this time. The Board believes that in light of Mr. Nanterme's knowledge of Accenture and our industry, which has been built up over 34 years of experience with the Company, he is well positioned to serve as both chairman and chief executive officer of the Company.

LEAD DIRECTOR; EXECUTIVE SESSIONS

The lead director helps ensure there is an appropriate balance between management and the independent directors and that the independent directors are fully informed and able to discuss and debate the issues that they deem important. The responsibilities of the lead director, which are described in the Company's Corporate Governance Guidelines, include, among others:

Board Matter**Responsibility****Agendas**

Providing input on issues for Board consideration, helping set and approving the Board agenda, ensuring that adequate information is provided to the Board, helping ensure that there is sufficient time for discussion of all agenda items and approving schedules for Board meetings.

Board meetings

Presiding at all meetings of the Board at which the chairman is not present.

Executive sessions

Authority to call meetings of independent directors and presiding at all executive sessions of the independent directors.

Communicating with directors

Acting as a liaison between the independent directors and the chairman and chief executive officer.

**Communicating with
shareholders**

If requested by major shareholders, being available for consultation and direct communication. Serving as a liaison between the Board and shareholders on investor matters.

The Board believes that one of the key elements of effective, independent oversight is that the independent directors meet in executive session on a regular basis without the presence of management. Accordingly, our independent directors meet separately in executive session at each regularly scheduled in-person Board meeting. Our independent directors held 4 meetings during fiscal 2017, all of which were led by the lead director.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Corporate Governance****4****DIRECTOR INDEPENDENCE**

The Board has adopted categorical standards designed to assist the Board in assessing director independence (the Independence Standards), which are included in our Corporate Governance Guidelines. The Corporate Governance Guidelines and the Independence Standards have been designed to comply with the standards required by the New York Stock Exchange (NYSE). Our Corporate Governance Guidelines state that the Board shall perform an annual review of the independence of all directors and nominees and that the Board shall affirmatively determine that, to be considered independent, a director must not have any direct or indirect material relationship with Accenture. In addition, committee members are subject to any additional independence requirements that may be required by applicable law, regulation or NYSE listing standards.

In making its independence recommendations, the Nominating & Governance Committee evaluates the various commercial, charitable and employment transactions and relationships known to the committee that exist between us and our subsidiaries and the directors and the entities with which certain of our directors or members of their immediate families are, or have been, affiliated (including those identified through our annual directors questionnaires). Furthermore, the Nominating & Governance Committee discusses other relevant facts and circumstances regarding the nature of these transactions and relationships to determine whether other factors, regardless of the Independence Standards, might compromise a director's independence.

Based on its analysis, the Nominating & Governance Committee recommended, and the Board determined that, other than Pierre Nanterme, all of our directors (Jaime Ardila, Charles H. Giancarlo, Herbert Hainer, William L. Kimsey, Marjorie Magner, Nancy McKinstry, Gilles C. Pélisson, Paula A. Price, Arun Sarin, Frank K. Tang and Tracey T. Travis) are independent under all applicable standards, including those applicable to committee service. The Board concurred in these recommendations. In reaching its determinations, the Nominating & Governance Committee and the Board considered the following:

During fiscal 2017, Charles H. Giancarlo, Herbert Hainer, Nancy McKinstry, Gilles C. Pélisson, Paula A. Price and Tracey T. Travis were employed by organizations that do business with Accenture. The amount received by Accenture or such other organization in each of the last three fiscal years did not exceed the greater of \$1 million or 1% of either Accenture's or such organization's consolidated gross revenues.

Each of Ms. Price and Ms. Travis is a director of a non-profit organization to which Accenture made charitable contributions of less than \$120,000 during fiscal 2017.

In addition, the Board determined that each of Dina Dublon, Blythe McGarvie and Wulf von Schimmelmann, who did not stand for re-appointment at the 2017 Annual Meeting, was independent during the period each of them

served on the Board during fiscal 2017. In reaching this determination, the Nominating & Governance Committee and the Board considered that, during the time he served on the Board, Mr. von Schimmelmann served as a director of a non-profit organization to which Accenture made charitable contributions of less than \$120,000 during fiscal 2017.

STRATEGIC OVERSIGHT

The Board is responsible for providing governance and oversight regarding the strategy, operations and management of Accenture. Acting as a full Board and through the Board's 4 standing committees, the Board is involved in the Company's strategic planning process. Each year, the Board holds a strategy retreat during which members of Accenture Leadership present the Company's overall corporate strategy and seek input from the Board. At subsequent meetings, the Board continues to review the Company's progress against its strategic plan. In addition, throughout the year, the Board will review specific strategic initiatives where the Board will provide additional oversight. The Board is continuously engaged in providing oversight and independent business judgment on the strategic issues that are most important to the Company.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Corporate Governance****5****RISK OVERSIGHT**

The Board is responsible for overseeing the Company's enterprise risk management (ERM) program. As described more fully below, the Board fulfills this responsibility both directly and through its standing committees, each of which assists the Board in overseeing a part of the Company's overall risk management.

The Company's chief operating officer, who is a member of our global management committee and reports to our chief executive officer, coordinates the Company's ERM program. The responsibility for managing each of the highest-priority risks is assigned to one or more members of our global management committee. The Company's ERM program is designed to identify, assess and manage the Company's risk exposures. As part of its ERM program, the Company:

- identifies its material operational, strategic and financial risks;

- develops plans to monitor, manage and mitigate these risks; and
- evaluates and prioritizes these risks by taking into account many factors, including the potential impact of risk events should they occur, the likelihood of occurrence and the effectiveness of existing risk mitigation strategies.

THE BOARD

The Board plays a direct role in the Company's ERM program. In that regard, the Board receives quarterly reports from the chairs of each of the Board's committees, which include updates when appropriate, with respect to the risks overseen by the respective committees. In addition, the chief operating officer briefs the Board annually and provides a detailed review of the Company's ERM program, including the annual risk assessment process, program scope and status of priority risks, among other things.

The committees of the Board oversee specific areas of the Company's risk management, which are described below.

AUDIT COMMITTEE

The Audit Committee reviews our guidelines and policies with respect to risk assessment and management and our major financial risk exposures, along with the monitoring and control of these exposures. As needed, the committee reviews the risks believed to be the most important and, at a minimum, the chief operating officer provides the Audit Committee an annual review of the ERM program as a whole. The Audit Committee also discusses with the chairs of the Finance and Compensation Committee the risk assessment process for the risks overseen by those committees on at least an annual basis.

COMPENSATION COMMITTEE

The Compensation Committee reviews, and discusses with management, management's assessment of certain risks, including whether any risks arising from the Company's compensation policies and practices for its employees are reasonably likely to have a material adverse effect on the Company.

FINANCE COMMITTEE

The Finance Committee reviews and discusses with management financial-related risks facing the Company, including foreign exchange, counterparty and liquidity-related risks, major acquisitions, and the Company's insurance and pension exposures.

NOMINATING & GOVERNANCE COMMITTEE

The Nominating & Governance Committee evaluates the overall effectiveness of the Board, including its focus on the most critical issues and risks.

During fiscal 2017, the Board held 6 meetings, 4 of which were held in person. The Board expects that its members will rigorously prepare for, attend and participate in all Board and applicable committee meetings and each annual general meeting of shareholders. Directors are also expected to become familiar with Accenture's organization, management team and operations in connection with discharging their oversight responsibilities.

All incumbent directors attended at least 75% of the meetings of the Board and of the committees on which they served in fiscal 2017 (held during the periods when they served).

DIRECTOR ATTENDANCE AT ANNUAL MEETINGS

All of our Board members who served on the Board at the time of our 2017 annual general meeting of shareholders attended that meeting.

COMMITTEES OF THE BOARD

The Board has an Audit Committee, a Compensation Committee, a Finance Committee and a Nominating & Governance Committee. From time to time, the Board may also create ad hoc or special committees for certain purposes in addition to these 4 standing committees. Each committee consists entirely of independent, non-employee directors. The charter of each committee provides that non-management directors who are not members of such committee may nonetheless attend the meeting of that committee, but may not vote. The table below lists the current membership of each committee and the number of meetings held in fiscal 2017.

In support of our belief that diversity with respect to committee tenure is important in order to provide for both fresh perspectives and deep experience and knowledge of the Company, in fiscal 2017, Paula A. Price was rotated to Audit Committee chair, Jaime Ardila was rotated to Finance Committee chair and Nancy McKinstry was added to the Nominating & Governance Committee.

OVERSIGHT OF COMPENSATION

A number of individuals and entities contribute to the process of reviewing and determining the compensation of our chairman and chief executive officer, members of our global management committee and directors:

Compensation Committee. Our Compensation Committee makes the final determination regarding the annual compensation of our chairman and chief executive officer and members of our global management committee, taking into consideration, among other factors, an evaluation of each individual's performance, the recommendation of the chairman and chief executive officer regarding the compensation of the members of our global management committee and the advice of the Compensation Committee's independent compensation consultant as described below. In addition, our Compensation Committee reviews and, based in part on the advice of its independent consultant, makes recommendations to the Board with respect to the appropriateness of the compensation paid to our independent directors, and the full Board then reviews these recommendations and makes a final determination on the compensation of our independent directors.

Nominating & Governance Committee. Together with the Compensation Committee, which is chaired by the lead director, the Nominating & Governance Committee reviews the performance of, and provides a performance rating for, our chairman and chief executive officer.

Chairman and Chief Executive Officer. The chairman and chief executive officer provides the Compensation Committee with an evaluation of the performance of each member of our global management committee, which includes an assessment of each individual's performance against his or her annual objectives and a recommendation regarding his or her compensation.

Chief Leadership & Human Resources Officer. Our chief leadership & human resources officer solicits input from members of our global management committee and other senior leaders of the Company regarding the performance of our chairman and chief executive officer to aid the Compensation Committee and Nominating & Governance Committee in the review of his performance.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Corporate Governance****10****ROLE OF COMPENSATION CONSULTANTS**

The Compensation Committee has engaged Pay Governance LLC ("Pay Governance") to serve as the Compensation Committee's independent compensation consultant. Pay Governance and its affiliates do not provide any services to the Company or any of the Company's affiliates other than advising the Compensation Committee on director and executive compensation. As requested by the Compensation Committee, Pay Governance advises the Compensation Committee on general marketplace trends in executive compensation, makes proposals for executive compensation programs, recommends peer companies for inclusion in competitive market analyses of compensation and otherwise advises the Compensation Committee with regard to the compensation of our chairman and chief executive officer and the members of our global management committee. Pay Governance also provides input for the Compensation Committee to consider regarding the final compensation packages of our chairman and chief executive officer, as discussed under "Executive Compensation Compensation Discussion and Analysis Process for Determining Executive Compensation."

Management separately receives benchmarking information with respect to the members of our global management committee from its compensation consultant, Willis Towers Watson plc ("Willis Towers Watson"). This information is based on a benchmarking approach developed by Willis Towers Watson and Pay Governance and is used by the chairman and chief executive officer in making his recommendations to the Compensation Committee with respect to the compensation of the members of our global management committee. The Compensation Committee also reviews this report. While Willis Towers Watson also acts as management's compensation consultant in various capacities with respect to our global workforce of approximately 425,000 employees and assists management in formulating its compensation recommendations for members of our global management committee, the Compensation Committee has separately engaged Pay Governance as its independent compensation consultant to provide it with independent advice and to avoid any conflicts of interest. The Compensation Committee has assessed the independence of Pay Governance pursuant to the applicable rules and determined that its engagement does not raise any conflict of interest.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS**Review and Approval of Related Person Transactions**

The Board has adopted a written Related Person Transactions Policy, which provides that all related person transactions covered by the policy must be reviewed and approved or ratified by the Board or by the Nominating & Governance Committee. The Related Person Transactions Policy applies to any transaction that would be required by the SEC to be disclosed in our proxy statement.

The Nominating & Governance Committee or the Board, as applicable, will not approve or ratify any related person transaction unless, after considering all relevant information, it has determined that the transaction is in, or is not inconsistent with, the best interests of the Company and our shareholders and complies with applicable law. In reviewing related person transactions, the Nominating & Governance Committee or the Board will consider all relevant facts and circumstances, including, among others:

the nature of the related person's interest in the transaction and the material terms of the transaction;

whether the transaction would likely impair the judgment of a director or an executive officer to act in the best interest of the Company and, in the case of an outside director, whether it would impair his or her independence; and

whether the value and the terms of the transaction are fair to the Company and on a substantially similar basis as would apply if the transaction did not involve a related person.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Corporate Governance****11****Certain Related Person Transactions**

From time to time, institutional investors, such as large investment management firms, mutual fund management organizations and other financial organizations, become beneficial owners of 5% or more of our Class A ordinary shares and, as a result, are considered related persons under the Related Person Transactions Policy. We may conduct business with these organizations in the ordinary course. During fiscal 2017, the following transactions occurred with investors who reported beneficial ownership of 5% or more of the Company's voting securities. Each of the following transactions was entered into on an arm's-length basis in the ordinary course and in accordance with our Related Person Transactions Policy described above:

Accenture recorded revenues of approximately \$10.2 million for these services. In addition, MFS and its affiliates received investment management fees totaling approximately \$1.2 million with respect to mutual funds offered under the Company's global retirement programs.

We provided consulting and outsourcing services to the *Capital Group Companies, Inc.* (Capital), which, together with its affiliates, beneficially owned approximately 5.0% of our outstanding Class A ordinary shares based on information contained in a Notification of Holdings under Irish law provided to Accenture on May 15, 2017 and reporting ownership as of May 12, 2017. Accenture recorded revenues of approximately \$25.1 million for these services. In addition, Capital and its affiliates received investment management fees totaling approximately \$1.6 million with respect to mutual funds offered under the Company's global retirement programs. Accenture recorded revenues of approximately \$6.9 million for these services. In addition, Vanguard and its affiliates received investment management fees totaling approximately \$3.0 million with respect to mutual funds offered under the Company's global retirement programs.

We provided consulting and outsourcing services to *BlackRock, Inc.* (BlackRock), which, together with its affiliates, beneficially owned approximately 6.3% of our outstanding Class A ordinary shares based on information disclosed in a Schedule 13G/A filed with the SEC on January 19, 2017. Accenture recorded revenues of approximately \$36,000 for these services. In addition, BlackRock and its affiliates received investment management fees totaling approximately \$1.6 million with respect to mutual funds offered under the Company's global retirement programs.

SHAREHOLDER ENGAGEMENT

We maintain an ongoing, proactive outreach effort with our shareholders. Throughout the year, members of our Investor Relations team and leaders of our business engage with our shareholders to seek their input, to remain well-informed regarding their perspectives and to help increase their understanding of our business. This year, as part of our recurring engagement with our shareholders, our outreach included, among other things, discussion around our public commitment to achieve our gender-balanced workforce commitment by the year 2025. In a combined effort with Investor Relations, Human Resources and our Legal team, we reached out to our top 50 shareholders. The discussions occurred in October and November 2017.

POLITICAL CONTRIBUTIONS AND LOBBYING

Pursuant to the Company's political contributions and lobbying policy, the Company has a longstanding global policy against making contributions to political parties, political committees or candidates using company resources, even where permitted by law. In the United States, Accenture maintains a political action committee (the "PAC") that is registered with the Federal Election Commission and makes federal political contributions on a bipartisan basis to political parties, political committees and candidates. The contributions made by the PAC are not funded by corporate funds and are fully funded by voluntary contributions made by Accenture Leaders in the United States. The Company does not penalize in any way Accenture Leaders who do not contribute to the PAC.

In addition, when we determine it is in the best interest of the Company, we work with governments to provide information and perspective that support our point of view, through our lobbyists and grassroots lobbying communications. We

disclose our U.S. federal, state and local lobbying activity and expenditures as required by law. The Audit Committee and senior management have oversight over political, lobbying and other grassroots advocacy activities. The Company's political contributions and lobbying policy is available on our website at <https://www.accenture.com/us-en/company-political-contributions-policy>.

CORPORATE CITIZENSHIP AND SUSTAINABILITY

At Accenture, we are creating a more inclusive and sustainable world by looking ahead to identify new opportunities, while responding to some of today's most pressing challenges. Corporate citizenship is central to our vision to improve the way the world works and lives—from closing employment gaps, to advancing client sustainability, to accelerating gender equality in the workforce. We use our global capabilities, digital experience, and innovation mindset to develop solutions that address a wide range of societal issues.

Key highlights include:

Our People. As a talent-led organization, our people's contributions fuel our clients' and our own business results. In fiscal 2017, we invested \$935 million in learning and professional development for our people. The rich diversity of our people makes our Company stronger, smarter and more innovative, which helps us better serve our clients and communities. Women now represent more than 40% of our total workforce and we have made a commitment to achieve a gender-balanced workforce by 2025.

Community Impact. Accenture's corporate citizenship initiative, Skills to Succeed, advances employment and entrepreneurship opportunities for individuals around the globe by leveraging digital innovation to drive impact at scale. Together with our strategic partners, since 2010, we have equipped more than 1.7 million people with the skills to get a job or build a business. By the end of fiscal 2020, we will equip more than 3 million people with these skills.

Environment. Fostering sustainable economic growth for our Company and our stakeholders is at the heart of our environmental strategy. By the end of fiscal 2020, we will reduce our carbon emissions to an average of 2 metric tons per employee representing a more than 50% reduction from our 2007 baseline. In 2017, we were included for the 13th consecutive year on both the Dow Jones Sustainability North America Index and the FTSE4Good Global Index.

Supply Chain. As a company with a multi-billion dollar global supply chain, we have the opportunity to promote human rights, and sustainable and inclusive business practices beyond our Company. By the end of fiscal 2020, we will expand to 75% the percentage of our key suppliers who disclose their targets and actions toward emissions reduction. We are also advancing supplier inclusion and diversity through the integration of more small, medium

and diverse enterprises into our global supply chain and by helping them develop their businesses, we are generating broader supply choice for our clients and our communities.

Annually, we publish our Corporate Citizenship Report, which explores our goals, progress and performance across our global operations and serves as our Communication on Progress to the United Nations Global Compact. It is accessible through <https://www.accenture.com/corporatecitizenship>.

Alternatively, the Board may decide to reduce the number of directors constituting the full Board.

As required under Irish law and our Articles of Association, the resolution in respect of this Proposal 1 is an ordinary resolution that requires the affirmative vote of a simple majority of the votes cast with respect to each director nominee.

BOARD DIVERSITY AND TENURE

Consistent with the Company’s Corporate Governance Guidelines, the Nominating & Governance Committee also seeks geographic, age, gender and ethnic diversity among the members of the Board. While the Board has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees, the Nominating & Governance Committee and the Board believe that considering diversity is consistent with the goal of creating a Board that best serves the needs of the Company and the interests of its shareholders, and it is one of the many factors that they consider when identifying individuals for Board membership.

In addition, we believe that diversity with respect to tenure is important in order to provide for both fresh perspectives and deep experience and knowledge of the Company. Therefore, we aim to maintain an appropriate balance of tenure across our directors. In furtherance of the Board’s active role in Board succession planning, the Board has appointed six new directors since 2014.

Our director nominees reflect those efforts and the importance of diversity to the Board. Of our 11 director nominees:

In considering each director nominee for the Annual Meeting, the Board and the Nominating & Governance Committee evaluated such person's background, qualifications, attributes and skills to serve as a director. The Board and the Nominating & Governance Committee considered the nomination criteria discussed above, as well as the years of experience many directors have had working together on the Board and the deep knowledge of the Company they have developed as a result of such service. The Board and the Nominating & Governance Committee also evaluated each of the director's contributions to the Board and role in the operation of the Board as a whole.

We believe our director nominees bring a well-rounded variety of experiences, qualifications, attributes and skills, and represent a mix of deep knowledge of the Company and fresh perspectives. The table below summarizes some of the experience, qualifications, attributes and skills of our director nominees. This high-level summary is not intended to be an exhaustive list of each of our director nominee's skills or contributions to the Board, we look to each director to be knowledgeable in these areas; however, we have included a director in each of the areas where the director has specific expertise or prominence that he or she brings to the Board. Further information on each director nominee, including some of their specific experience, qualifications, attributes or skills is set forth in the biographies on pages 17 to 22 of this proxy statement.

OUT OF 11 DIRECTORS**PROCESS FOR SELECTING NEW DIRECTORS**

To identify, recruit and evaluate qualified candidates for the Board, the Board has used the services of professional search firms. In some cases, nominees have been individuals known to Board members or others through business or other relationships. In the case of Tracey T. Travis, a third-party professional search firm identified her as a potential director nominee. Prior to her nomination, Ms. Travis also met separately with the chairman and chief executive officer, the chair of the Nominating & Governance Committee and the lead director, who initially considered her candidacy. In addition, the professional search firm retained by the Nominating & Governance Committee verified information about the prospective candidate. A background check was also completed before a final recommendation was made to the Board. Ms. Travis also met separately with other members of the Board, and after review and discussion with each of these directors, the Nominating & Governance Committee recommended, and the Board approved, Ms. Travis's appointment as a director.

DIRECTOR COMPENSATION

The Compensation Committee reviews and, based in part on the advice of its independent consultant, makes recommendations to the full Board with respect to the compensation of our independent directors at least every 2 years or as circumstances may warrant. The full Board reviews these recommendations and makes a final determination on the compensation of our directors.

The Compensation Committee reviewed director compensation most recently in fiscal 2016, when it reviewed the compensation practices of the boards of directors of relevant peer companies and the general market, as well as a study by its independent consultant, which was prepared at the request of the Compensation Committee.

ELEMENTS OF DIRECTOR COMPENSATION

Each independent director receives annual compensation in the form of an annual cash retainer and an annual equity retainer, as well as the additional retainers as noted below:

ANNUAL DIRECTOR COMPENSATION⁽¹⁾

Additional Compensation

\$25,000 retainer for Audit Committee Chair

\$11,250 retainer for Audit Committee Members

\$15,000 retainer for each Compensation, Finance and Nominating & Governance Committee Chair

\$7,500 retainer for each Compensation, Finance, and Nominating & Governance Committee member

\$42,500 retainer for Lead Independent Director

(1) Each of our independent directors may elect to receive the annual retainer and other retainers in the form of cash, entirely in the form of restricted share units (RSUs) or one-half in cash and one-half in RSUs. Grants of RSUs to our directors are fully vested on the date of grant, and future delivery of the underlying shares is not dependent on a director's continued service. Directors are entitled to a proportional number of additional RSUs on outstanding awards if we pay a dividend. The underlying shares for RSU awards granted in fiscal 2017 will be delivered 1 year after the grant date; directors may not further delay delivery of the shares.

Governance Features

Our compensation program for independent directors operates with the following governance features:

Equity Ownership Requirements. Directors must maintain ownership of Accenture equity having a fair market value equal to 3 times the value of the annual director equity grants. This requirement must be met by each director within 3 years of joining the Board. Each of our independent directors who had been a director for 3 or more years met this requirement in fiscal 2017.

Limit on Director Compensation. Annual limit of \$750,000 in maximum aggregate compensation per individual independent director.

Trading Windows. Our directors can only transact in Accenture securities during approved trading windows after satisfying mandatory clearance requirements.

Hedging Prohibition. Our Restricted Persons Trading policy prohibits our directors from hedging or pledging Accenture securities.

Other Compensation. Our independent directors do not receive any non-equity incentive plan compensation, participate in any Accenture pension plans or have any non-qualified deferred compensation earnings. We provide our directors with directors and officers liability insurance as part of our corporate insurance policies. We also reimburse our directors for reasonable travel and related fees and expenses incurred in connection with their participation in Board or Board committee meetings and other related activities such as site visits and presentations in which they engage as directors.

The Compensation Committee oversees the design and administration of the Company's compensation programs. The Compensation Committee believes that a well-designed, consistently-applied compensation program is fundamental to the creation of shareholder value over the long-term. The compensation program for the named executive officers is designed to reward them for their overall contribution to Company performance, including the Company's execution against its business plan and creation of shareholder value. The Compensation Committee recognizes that in a professional services firm, no one individual drives the Company's results; it is the combination of individual performance and the collective leadership of our people around the world that is responsible for the success of the organization. Specifically, the program is designed to:

Attract Talent. Attract, retain and motivate the best executives who are responsible for the success of Accenture;

Reward Performance. Align market relevant rewards with Accenture's principle of meritocracy by rewarding high performance;

Provide Incentives. Offer a compelling reward structure that provides executives with an incentive to continue to expand their contributions to Accenture;

Ensure Affordability. Ensure that rewards are affordable to Accenture by aligning them to Accenture's annual operating plan; and

Mitigate Dilution. Mitigate the potential dilutive effect of our rewards.

PAY-FOR-PERFORMANCE

The Compensation Committee believes that total compensation for the Company's named executive officers should be closely aligned with the Company's performance and each individual's performance. We use 3 broad themes to tie pay to performance for our named executive officers: driving growth by helping Accenture's clients become high performance businesses; educating, energizing and inspiring Accenture's people; and running Accenture as a high performance business.

Our named executive officers are eligible for a cash bonus award under our Global Annual Bonus plan, which rewards them for Company performance and individual performance based on achievement of numerous measures organized within these three broad themes. We also use 2 different equity compensation programs for our named executive officers: the Key Executive Performance Share Program, which rewards achievement during a future 3-year performance period, and the Accenture Leadership Performance Equity Award Program, which rewards executives for performance in the preceding fiscal year.

In reviewing alignment between pay and performance, the Compensation Committee considers the alignment relative to our peer group of the Company's performance with compensation earned over a multi-year period and continues to believe that a multi-year evaluation is more appropriate in determining compensation than a single-year benchmark.

As the graph below shows, the Company's performance with respect to total shareholder return over a 3-year period was at the 88th percentile among the companies in our peer group as of August 31, 2017. The realizable total direct compensation for Accenture's chairman and chief executive officer was at the 33rd percentile, which indicates that relative company performance ranked higher than relative realizable pay, as compared to our peer group.

We define realizable total direct compensation as the sum of the following, based on information reported in each company's most-recent annual proxy statement:

- (1) All cash compensation earned during the preceding 3-year period.
- (2) The value of all time-vested restricted shares, restricted share units, and (with respect to the peer companies) stock options granted during the preceding 3-year period, valued as of August 31, 2017.

- (3) The value of all performance-vested restricted shares and restricted share units granted during the preceding 3-year period, based on actual performance results or estimated performance to date (based on proxy disclosures), valued as of August 31, 2017.

The list of companies included in our peer group of companies used for benchmarking executive compensation are identified under Compensation Discussion and Analysis Fiscal 2017 Compensation Decisions Role of Benchmarking below. DXC Technology, a peer company, was not included in the above calculations due to lack of sufficient compensation data as of August 31, 2017.

As noted above, the average realizable total direct compensation for all of our named executive officers for the same 3-year period was in the 18th percentile while our total shareholder return percentile was significantly higher.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****37****SAY-ON-PAY VOTE**

Each year, the Compensation Committee considers the outcome of the shareholder advisory vote on executive compensation when making future decisions relating to the compensation of our named executive officers and our executive compensation program and policies. Shareholders continued to show strong support of our executive compensation programs, with approximately 96% of the votes cast for the approval of the say-on-pay proposal at our 2017 annual general meeting of shareholders. Given this strong support, which we believe demonstrates our shareholders' satisfaction with the alignment of our named executive officers' compensation with the Company's performance, the Compensation Committee determined not to implement any significant changes to our compensation programs in fiscal 2017 as a result of the shareholder advisory vote.

PROCESS FOR DETERMINING EXECUTIVE COMPENSATION

The Compensation Committee evaluates overall Company performance for a fiscal year by reviewing the results achieved against the performance objectives for the year in the context of the overall performance of the market (as discussed below under "Performance Objectives Used in Evaluations") and then determining whether the Company exceeded, met or partially met the objectives as a whole for the year.

In October 2017, the Compensation Committee, in consultation with Messrs. Nanterme and Rowland, assessed the overall Company performance for fiscal 2017. In assessing overall Company performance, the Compensation Committee focused on those aspects of the Company's performance reflected in the results discussed above. In making its determination, the Compensation Committee considered the Company's strong fiscal 2017 performance as compared to the very strong performance in fiscal 2016. In addition, the Compensation Committee considered the Company's sustained performance as it continued to execute its strategy of rotating to the New, which resulted in an increase in its investment in acquisitions. The Compensation Committee also specifically acknowledged the Company's successful execution of its strategic objectives and the external recognition the Company received for its achievements across a variety of categories. The Compensation Committee determined that the Company's performance exceeded the objectives for the year as a whole.

The Compensation Committee's determination of the Company's performance rating is then used as one of the key factors in setting the amounts of compensation that the named executive officers receive for each of the performance elements of compensation described below. In setting compensation, the Compensation Committee took into account as a key factor the individual performance rating for the chairman and chief executive officer it set together with the Nominating & Governance Committee and the lead director (who is also the chair of the Compensation Committee), as prescribed by the committees' charters, and the individual performance ratings for the other named executive officers.

Performance Objectives Used in Evaluations

As discussed above, individual performance-based compensation is determined by evaluating performance against annual objectives, with no single objective being material to an individual's overall performance evaluation. The objectives for fiscal 2017 were reviewed and approved by the Compensation Committee at the beginning of the fiscal year and served as one of the components against which the Nominating & Governance Committee, together with the Compensation Committee, considered Mr. Nanterme's performance for fiscal 2017. These included financial objectives that were established at the beginning of the year by reference to annual fiscal-year performance targets set for Accenture with respect to revenue growth in local currency, operating margin, earnings per share, new bookings and free cash flow, as well as other non-financial objectives, as described below. After these company-wide performance objectives were determined by the Compensation Committee for Mr. Nanterme, relevant portions were then incorporated into the performance objectives of the other named executive officers. Each named executive officer other than Mr. Nanterme may also have additional objectives specific to his or her role. We believe that encouraging our named executive officers, as well as other employees with management responsibility, to focus on a variety of performance objectives that are important for creating shareholder value reduces the incentive to take excessive risk with respect to any single objective.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****38**

The Nominating & Governance Committee, together with the Compensation Committee, with respect to Mr. Nanterme, and Mr. Nanterme with respect to the other named executive officers, evaluated the annual performance of, and issued an individual performance rating for, each of the named executive officers for fiscal 2017, by assessing whether they exceeded, met or partially met their performance objectives for the year. The individual performance rating and evaluation were used by Mr. Nanterme in connection with setting his recommendations to the Compensation Committee for each of the named executive officers' fiscal 2017 performance-based compensation, other than for himself. The Company does not apply a formula or use a pre-determined weighting when comparing overall performance against the various objectives, and no single objective is material in determining individual performance.

The named executive officers' performance is evaluated against numerous measures organized within 3 broad themes: driving growth by helping Accenture's clients become high performance businesses; educating, energizing and inspiring Accenture's people; and running Accenture as a high performance business. and includes evaluations of the following:

Driving shareholder value. Helping the Company's clients become high performance businesses, improving our market share through innovation and enhanced capabilities and offerings.

Demonstrating market relevance. Maintaining client satisfaction while increasing our leadership position in the marketplace.

Executing the growth strategy. Growing faster than the market with a focus on strategic priority areas.

Improving competitiveness. Delivering underlying profitability to allow for continued investment in the business.
Attracting and developing the best talent. Executing against our human capital strategy to attract, retain and inspire the best talent, with highly specialized skills.

Strong commitment to inclusion and diversity. Achieving diversity metrics related to recruitment, advancement and retention.

Driving an unwavering focus on compliance. Ensuring ongoing commitment to compliance by all of our people with our internal controls, our Code of Business Ethics and our Conduct Counts initiatives.

Determination of Total Compensation Opportunity

As discussed above, our compensation programs are designed to provide each of the named executive officers a total compensation opportunity and structure that should result in realizable total direct compensation that aligns with the Company's and the individual's performance.

In determining the total compensation opportunity for each named executive officer, in addition to internal comparisons across our global management committee, the Compensation Committee also reviewed the total compensation opportunities of the named executive officers of the companies within our peer group, specifically analyzing the reported total compensation opportunity at the 50th and 75th percentiles of the peer group as frames of reference. The Compensation Committee believes that the Company's programs are designed so that the named executive officers should only receive a level of compensation in the upper quartile of our peer group if both their individual performance and the Company's performance are in the exceeds category, as discussed under Company Highlights Fiscal 2017 Company Performance above and Performance Objectives Used in Evaluations above.

Comparison of Realizable Total Direct Compensation to Company Performance

Because the future performance of neither the Company nor the companies in our peer group are known at the time that the compensation opportunities under the Company's programs are established, the Compensation Committee also considers an annual review of the most recent historical alignment of pay and performance relative to the Company's peers. This review is intended to help the Compensation Committee ensure that the Company aligns pay and performance relative to its peers and that our compensation programs are working as intended. The results of the review with respect to all of our named executive officers are summarized in Pay-for-Performance above.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****39****FISCAL 2017 COMPENSATION DECISIONS**

Summaries of the processes undertaken and the compensation decisions made by the Compensation Committee in October 2017 for our chairman and chief executive officer and the other named executive officers of the Company are set out below.

Chairman and Chief Executive Officer

At a meeting in October 2017, the Nominating & Governance Committee, together with the Compensation Committee, set Mr. Nanterme's individual performance rating for fiscal 2017 at a level consistent with the overall Company performance rating, which was in the exceeds category. In making this determination, the committees took into account the Company's continued strong performance for fiscal 2017 as compared to the very strong results in fiscal 2016, Mr. Nanterme's leadership (including feedback solicited by our chief leadership & human resources officer from members of our global management committee and other senior leaders) and the impact that he had on the Company's performance, as well as his performance against a set of performance objectives, some of which were Company-based performance objectives, as described above under Process for Determining Executive Compensation. In evaluating performance against the objectives, no formula or pre-determined weighting was used, and no one objective was individually material. Mr. Nanterme was not present during the committees' review of his performance.

At a subsequent meeting, the Compensation Committee and its independent compensation consultant reviewed a market trends report, chief executive officer pay benchmarking report and the pay-for-performance report discussed below under Role of Benchmarking. As part of this review, when setting Mr. Nanterme's final 2017 compensation, the Compensation Committee considered the Company's performance results for fiscal 2017; sustained historical performance results achieved over multiple years; external market references (including absolute and relative performance against peers); internal compensation references; and the leadership role of Mr. Nanterme. Mr. Nanterme was not involved in setting his compensation and was not present during the Compensation Committee's review of his compensation.

As a result of its fiscal 2017 assessments and data provided by its compensation consultant, the Compensation Committee approved the following compensation elements for Mr. Nanterme set out below:

Compensation Element**Chairman and Chief Executive Officer Compensation Decisions****Base Compensation**

Base compensation of \$900,000.

Global Annual Bonus

Fiscal 2017 cash bonus of 2,723,000.

Long-Term Equity

Equity awards with a target grant date fair value of approximately \$16,250,000 to be made in January 2018.

The Key Executive Performance Share Program, which has a target grant date fair value of \$14,000,000, represents approximately 86% of the equity to be granted to Mr. Nanterme and will vest, if at all, following the completion of fiscal 2020 based on future Company performance over a 3-year period. The remaining \$2,250,000 representing approximately 14% of the equity to be granted to Mr. Nanterme, will vest on a time-based schedule under the Accenture Leadership Performance Equity Award Program.

CHAIRMAN & CEO FISCAL 2017 COMPENSATION DECISIONS

Named Executive Officers Other than the Chairman and Chief Executive Officer

In determining the fiscal 2017 compensation of the named executive officers, other than the chairman and chief executive officer, Mr. Nanterme submitted a recommendation to the Compensation Committee for the overall compensation of each of these officers for the committee's review, discussion and approval. In making these recommendations, Mr. Nanterme considered the following 4 factors:

Company Performance. Company performance, including objective and subjective measures;

Individual Performance. Each officer's individual contribution and demonstrated leadership;

Internal Benchmarks. Internal comparisons across our global management committee; and

External Benchmarks. External market references.

Individual contribution and leadership of each named executive officer were measured against the relevant portions of the performance objectives as described above in *Process for Determining Executive Compensation Performance Objectives Used in Evaluations*. Management and the Compensation Committee believe that this approach reflects that the leadership team is collectively responsible for a broad range of Company results and initiatives. In evaluating performance against the objectives, no formula or pre-determined weighting was used, and no one objective was individually material.

Mr. Nanterme discussed with the Compensation Committee the leadership role and performance of each of the named executive officers, other than himself. For the other named executive officers, to the extent applicable, Mr. Nanterme also discussed with the Compensation Committee the financial results of the businesses for which they were responsible. In developing his recommendations to the Compensation Committee for the compensation of such named executive officers, Mr. Nanterme considered information on market-comparable compensation provided by Willis

Towers Watson. Before making the final compensation decisions for the year, the Compensation Committee reviewed the recommendations of Mr. Nanterme.

Based upon Mr. Nanterme's recommendations, the Compensation Committee's assessment of each of the other named executive officers' fiscal 2017 performance and their upcoming responsibilities, and the other considerations described in this Compensation Discussion and Analysis, the Compensation Committee approved the following compensation elements for the named executive officers other than the chairman and chief executive officer:

Compensation Element**Other Named Executive Officer Compensation Decisions****Base Compensation**

Base compensation, taken as a whole, increased an average of 1% in local currency compared to base compensation for the prior compensation year.

Global Annual Bonus

Fiscal 2017 cash bonus, taken as a whole, decreased an average of 7% in local currency compared to the total cash bonus for fiscal 2016, reflecting continued strong Company and individual performance for fiscal 2017 following very strong fiscal 2016 results.

**Long-Term Equity
Compensation**

The total target grant date fair value of the equity awards to be made in January 2018, taken as a whole, increased 3% compared to fiscal 2017.

Grants under the Key Executive Performance Share Program, with a target grant date fair value of \$8,850,000, representing 72% of the collective equity to be granted to our other named executive officers, will vest, if at all, following the completion of fiscal 2020 based on 3-year Company performance; Grants totaling \$3,400,000, representing approximately 28% of the collective equity granted to our other named executive officers, will vest on a time-based schedule under the Accenture Leadership Performance Equity Award Program.

Role of Benchmarking

To support the Compensation Committee, the Compensation Committee's Independent Compensation Consultant performs extensive analyses focusing on executive compensation trends, compensation opportunity, total realizable pay, the difficulty of achieving incentive plan goals and pay-for-performance alignment.

Fiscal 2017 Peer Group

The Compensation Committee reviews and approves a peer group for use in conducting competitive market analyses of compensation for our named executive officers. We do not believe many companies compete directly with us in all lines of our business. However, the Compensation Committee identifies a peer group of relevant public companies for which data are available that are comparable to the Company in at least some areas of our business. Our peer group includes companies that have one or more of the following attributes, which were considered in the screening process to identify appropriate peers:

Listed Company. Publicly traded securities listed on a U.S. stock exchange that are subject to reporting obligations that are similar to Accenture's;

Similar Business or Industry. Similar business or services operations in the industries and markets in which Accenture competes;

Comparable Revenues. Revenues within a range similar to Accenture's revenues;

Competitor. Being a direct line-of-business competitor; and

Global Scale. Large, global companies with multiple lines of business.

During fiscal 2017, the Compensation Committee removed Computer Sciences Corporation, EMC Corporation and Xerox Corporation following a corporate reorganization at each of those companies and consolidation in those industries. The Compensation Committee added Chubb Limited, DXC Technology Company, Honeywell International Inc. and Intel Corporation to the Company's peer group. The Compensation Committee believes this grouping provides a meaningful gauge of current pay practices and levels as well as overall compensation trends among companies engaged in the different aspects of the Company's business. This group of companies is different from the peer group companies used for measuring total shareholder return for the Key Executive Performance Share Program for the reasons explained in Narrative Supplement to Summary Compensation Table and to Grants of Plan-Based Awards Table Key Executive Performance Share Program below.

Accenture Leadership Performance Equity Program

Voluntary Equity Investment Program

Cash Compensation

Cash compensation for Accenture's named executive officers consists of 2 components: base compensation and the Global Annual Bonus, each of which are described below.

Base Compensation

Base compensation provides a fixed level of compensation to a named executive officer each year and reflects the named executive officer's leadership role, as opposed to individual performance. Base compensation may vary for named executive officers based on relative market compensation. Increases to base compensation, if any, generally take effect at the beginning of the compensation year, which begins on December 1 of each year.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****43****Global Annual Bonus**

The Global Annual Bonus is designed to tie pay to both individual and Company performance. Funds are accrued during the fiscal year based on Company financial performance, compared to the earnings and profitability targets for the year. Final overall funding decisions are made at the end of the fiscal year based primarily upon the Company's performance against these targets and are subject to approval by the Compensation Committee. Once the program's Company-wide funding for the year is finalized, individual payout is determined based on each eligible employee's career level within the Company and individual performance rating. Payments under this program are made in December. The program is designed to give higher bonuses to top performers and to provide higher incentives as employees advance through our career levels. All members of Accenture Leadership (approximately 6,600 employees), in addition to our named executive officers, are generally eligible for the Global Annual Bonus.

Each of the named executive officers was assigned an annual target opportunity range that is a percentage of his or her base compensation. For Mr. Nanterme, this percentage ranged from zero to 350% of base compensation (the same as last year's range). For Mr. Rowland, this percentage ranged from zero to 175% of base compensation (an increase from last year's range of zero to 145% of base compensation to align with market relevant compensation). For the other named executive officers, this percentage ranged from zero to 145% of base compensation (the same as last year's range). A named executive officer may earn more or less than his or her target award based upon the Company's overall funding of the bonus pool under the plan and his or her individual annual performance rating, subject to a cap on the maximum payout. The Compensation Committee took the Company's strong performance in fiscal 2017 compared to its very strong performance in fiscal 2016 into consideration in approving an overall funding percentage for the Global Annual Bonus that was partially funded.

Long-Term Equity Compensation

Our long-term equity compensation aligns the interests of our named executive officers with those of our shareholders. The Company intends for long-term equity compensation to constitute a significant component of the compensation opportunity for the named executive officers. The Company offers all of its equity grants in the form of RSUs, which are subject to performance and/or time vesting requirements. With respect to fiscal 2017, equity compensation awards for our named executive officers were approved under the following 3 separate programs.

Program	Eligible Employees	Objective
Key Executive Performance	Named executive officers and other members of our global management committee	Reward participants for driving the Company's business to meet performance objectives related to operating income results and relative total shareholder return, in each case, over a 3-year period, encourage retention and align the

Share Program

interests of eligible participants with our shareholders.

Accenture Leadership Performance Equity Award Program

Members of Accenture Leadership

Recognize and reward high performers based on their individual performance and the Company's performance, in each case, during the prior fiscal year, encourage retention and align the interests of eligible participants with our shareholders.

Accenture Leadership Voluntary Equity Investment Program

Members of Accenture Leadership

Encourage share ownership among Accenture Leadership through voluntary monthly purchases of shares via payroll deductions, with a 50% RSU matching grant opportunity upon satisfaction of program terms.

Our long-term equity compensation programs are part of a larger framework of compensation for all of our employees. As individuals assume more senior roles at the Company, they become eligible for additional equity compensation programs. As described above, our named executive officers and members of the global management committee are eligible for awards that are intended to reward their individual performance, align their pay with achievement of both annual and long-term performance goals and encourage them to acquire meaningful ownership stakes in Accenture.

Key Executive Performance Share Program

The Key Executive Performance Share Program is the primary program under which the Compensation Committee grants RSUs to the named executive officers and members of our global management committee and is intended to be the most significant single element of our named executive officers' compensation over time. The program rewards these individuals for driving the Company's business to meet performance objectives related to 2 metrics: operating income results and relative total shareholder return, in each case over a 3-year period. For grants made with respect to fiscal 2017, the Company continued its approach of weighting operating income results more heavily than total shareholder return. The

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****44**

compensation opportunity under these grants will be based on performance weighted 75% on cumulative operating income results and 25% on cumulative total shareholder return, in each case over a 3-year period. This approach recognizes that operating income more accurately reflects the Company's performance against its objectives. Vesting of grants under the program depends on Accenture's cumulative performance against these metrics over the 3-year period. The Company believes this is important because it aligns a significant portion of the named executive officers' realizable total direct compensation against performance over an extended period. For example, a period of poor performance against the Company's operating income or total shareholder return targets could affect the ultimate vesting percentage for several years of RSU grants made to the named executive officers under this program. The Company also believes linking compensation to long-term Company performance encourages prudent risk management and discourages excessive risk taking for short-term gain.

Based on the Company's cumulative operating income and total shareholder return for the 3-year period from fiscal 2015 through fiscal 2017, the 2015 Key Executive Performance Share Program awards vested at 110.6% of the target level (see also Narrative Supplement to Summary Compensation Table and to Grants of Plan-Based Awards Table Key Executive Performance Share Program below).

Accenture Leadership Performance Equity Award Program

The Accenture Leadership Performance Equity Award Program, for which all members of Accenture Leadership are eligible, is designed to recognize and reward high-performing members of Accenture Leadership for their performance in the most recently completed fiscal year and is funded based on overall Company performance. High-performing members of Accenture Leadership receive equity grants in the form of time-vesting RSUs based on their annual performance rating, which awards will vest in equal installments over a 3-year period with shortened vesting schedules applicable to participants who are age 50 or older. Each of the named executive officers is eligible for grants under this program based on his or her annual performance rating for fiscal 2017. The number of RSUs granted to members of Accenture Leadership under this program may also be adjusted based on Company performance.

Voluntary Equity Investment Program

The Voluntary Equity Investment Program is a matching program that further encourages share ownership among all members of Accenture Leadership, who may designate up to 30% of their cash compensation to make monthly purchases of Accenture plc Class A ordinary shares. Total contributions from all participating members of Accenture Leadership under this program may be limited at the discretion of the Compensation Committee. Following the end of the program year, participants who continue to be employed are awarded a 50% matching RSU grant that generally vests 2 years later, which enables members of Accenture Leadership to receive 1 RSU for every 2 shares they purchased during the year, provided they do not sell or transfer the purchased shares prior to the matching grant date (see also Narrative Supplement to Summary Compensation Table and to Grants of Plan-Based Awards Table below).

Other Compensation

Consistent with the Company's compensation philosophy, the Company provides only limited personal benefits to the named executive officers. These include the use of an automobile and driver for the chairman and chief executive officer, premiums paid on life insurance policies and tax-return preparation services. Mr. Casati, who is based in Singapore, receives a housing allowance and maintenance costs. In addition, a gift to an educational institution made by Mr. Rowland in fiscal 2017 was matched by the Company under the charitable gift matching program applicable to all U.S. employees. Additional discussion of the personal benefits and other compensation provided to the named executive officers in fiscal 2017 is included in the Summary Compensation Table below.

ADDITIONAL INFORMATION

Equity Ownership Requirements

The Company has an equity ownership requirement policy pursuant to which the Company's most stringent share ownership requirements apply to the named executive officers. These share ownership requirements are intended to ensure that each of the named executive officers holds a meaningful ownership stake in Accenture. The Company intends that this ownership stake will further align the interests of the named executive officers and the Company's shareholders. Under these requirements, each of the named executive officers is required to hold Accenture equity (which may include unvested equity) with a value equal to at least 6 times his or her base compensation by the 5th anniversary of becoming a named executive officer. Each of our named executive officers maintains ownership of Accenture equity in excess of the

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****45**

requirement. Named executive officers may only satisfy this ownership requirement through the holdings they acquire pursuant to the Company's share programs, and the Company does not apply holding periods to any specific equity award beyond its vesting date(s).

Derivatives and Hedging

All employees, including our named executive officers, and members of the Board, are subject to a policy that prohibits them (or their designees) from purchasing shares on margin or purchasing financial instruments that are designed to hedge or offset any fluctuations in the market value of the Company's equity securities they hold, whether or not such securities were acquired from Accenture's equity compensation programs.

Pledging Company Securities

Our chairman and chief executive officer and the members of our global management committee, other key employees and members of the Board are prohibited from borrowing against any account in which the Company's securities are held or pledging the Company's securities as collateral for a loan.

Employment Agreements and Post-Termination Compensation

Each of the Company's named executive officers has entered into an employment agreement with the Company's local affiliate in the country in which he or she is employed. As more specifically described in *Potential Payments Upon Termination* below, certain of the employment agreements provide for various post-termination payments, some of which are conditioned on compliance with non-competition and non-solicitation obligations following termination. In addition, members of Accenture Leadership employed in the United States, including Messrs. Rowland and van't Noordende and Ms. Sweet, are eligible for benefits under our Accenture Leadership Separation Benefits Plan, subject to, among other things, compliance with post-termination non-competition and non-solicitation obligations. The Company's employment agreements and the Accenture Leadership Separation Benefits Plan do not include guaranteed bonus amounts, golden parachutes, multi-year severance packages, significant accelerated vesting of stock awards or other payments triggered by a change of control, U.S. Internal Revenue Code section 280G or other tax gross-up payments related to a change of control or other features that have been found in executive employment agreements in the Company's industry, other than as may be required by local law. The named executive officers receive compensatory rewards that are tied to their own performance and the performance of the Company's business, rather than by virtue of longer-term employment agreements. This is consistent with the Company's objective to reward individual performance and support the achievement of its business objectives. For more information, see *Potential Payments Upon Termination* below.

Similarly, except as described below under *Pension Benefits for Fiscal 2017*, the Company has chosen not to contribute to pension or other retirement plans for any of the current named executive officers and does not offer significant deferred cash compensation or other post-employment benefits to such officers. Mr. Rowland became a participant in the Company's U.S. pension plan prior to assuming a leadership role with the Company. As described

under Pension Benefits for Fiscal 2017 below, the benefits for Mr. Rowland under this plan were frozen on August 31, 2000. The plan was terminated for the majority of plan participants, including Mr. Rowland, effective May 30, 2016.

Finally, members of Accenture Leadership employed in the United States who retire from the Company after reaching age 50 and who have achieved at least 10 years of service are also eligible to participate in the U.S. Retiree Medical Benefit Program, which provides partially subsidized medical insurance benefits for them and their dependents (see Potential Payments upon Termination below).

Global Management Committee Retirement Provisions

On October 22, 2014, the Compensation Committee approved retirement provisions related to cash payments in lieu of receiving RSUs under the Accenture Leadership Performance Equity Award Program that are intended to generally apply to all global management committee members (see Potential Payments upon Termination below). While the provisions are intended to replace most individual retirement decisions, the Compensation Committee may, from time to time, approve individual separation arrangements with global management committee members that have varying terms.

No Change in Control Arrangements

As described above, the Company's employment agreements do not contain guaranteed bonus amounts, golden parachutes, multi-year severance packages or guarantees, accelerated vesting of stock awards or other payments triggered by a change of control. Similarly, we do not provide our executives U.S. Internal Revenue Code section 280G or other tax gross-up payments related to a change of control.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****46****Clawback Policy**

Accenture has a clawback policy that applies to both incentive cash bonus and equity-based incentive compensation awarded to the Company's chairman and chief executive officer, members of the global management committee and approximately 240 of its most senior leaders. Under the policy, to the extent permitted by applicable law and subject to the approval of the Compensation Committee, the Company may seek to recoup any incentive based compensation awarded to any executive subject to the policy, if (1) the Company is required to prepare an accounting restatement due to the material noncompliance with any financial reporting requirement under the securities laws; (2) the misconduct of an executive subject to the policy contributed to the noncompliance that resulted in the obligation to restate; and (3) a lower award would have been made to the covered executive had it been based upon the restated financial results.

Under the terms of Mr. Nanterme's employment agreement, a violation of his obligations of confidentiality, non-competition and/or non-solicitation would result in a repayment by him of 6 months of base compensation.

In addition, the existing equity grant agreements between Accenture and our named executive officers include recoupment provisions in specific circumstances, even after the awards have vested. For example, in the event a named executive officer leaves the Company and competes against us within a specified time period (for example, by joining a competitor, targeting our clients or recruiting our employees), the award recipient is generally obligated to return to the Company the shares originally delivered to that recipient under our equity programs.

Compensation Risk Assessment and Management

In fiscal 2017, management performed an annual comprehensive review for the Compensation Committee regarding whether the risks arising from any of our compensation policies or practices are reasonably likely to have a material adverse effect on the Company. We believe that the structure of our compensation program does not encourage unnecessary or excessive risk taking. Our policies and practices include some of the following risk-mitigating characteristics:

Governance Structure. Compensation programs operate within a governance and review structure that serves and supports risk mitigation;

Compensation Committee Oversight. The Compensation Committee approves performance awards for our chairman and chief executive officer and members of our global management committee after reviewing corporate and individual performance;

Vesting Conditions. Vesting of performance-based equity awards, the most significant element of our named executive officers' compensation opportunity over time, is determined based on achievement of 2 metrics, measured on a cumulative basis, over a 3-year period (operating income relative to plan for the program and total shareholder return relative to a peer group);

Balanced Incentives. Our compensation program includes a balance of annual and long-term incentive opportunities and of fixed and variable features;

Multiple Performance Objectives. Focus on a variety of performance objectives, thereby diversifying the risk associated with any single indicator of performance; and

Equity Ownership Requirements. Members of Accenture Leadership who are granted equity are subject to our equity ownership requirements, which require all of those leaders to hold ownership stakes in the Company to further align their interests with the Company's shareholders (see Additional Information Equity Ownership Requirements above).

(1) Represents aggregate grant date fair value of stock awards granted during each of the years presented, computed in accordance with Topic 718, without taking into account estimated forfeitures. For more information, please refer to Note 11 (Share-Based Compensation) to our Consolidated Financial Statements in Part II, Item 8 of our Annual Report on Form 10-K for the year ended August 31, 2017. Terms of the stock awards for fiscal 2017 performance are summarized under Compensation Discussion and Analysis Compensation Programs Long-Term Equity Compensation above and for awards granted in 2017 in Narrative Supplement to Summary Compensation Table and to Grants of Plan-Based Awards Table below. With respect to amounts included for the Key Executive Performance Share Program awards, the estimate of the grant date fair value determined in accordance with Topic 718, which is based on probable outcome as of the grant date, assumes vesting between target and maximum. Assuming the achievement of either the probable outcome as of the grant date or maximum performance, the aggregate grant date fair value of the Key Executive Performance Share Program awards for each fiscal year included in this column would be as follows:

As described above under Long-Term Equity Compensation Accenture Leadership Performance Equity Award Program, awards under our Accenture Leadership Performance Equity Award Program are typically granted in January in recognition of prior fiscal year performance. Thus, a portion of the amounts reported under Stock Awards each year in the Summary Compensation Table were granted in recognition of the prior fiscal year's performance.

(2) Amounts reflect payments that were or will be made in December 2017, December 2016 and December 2015 under the Global Annual Bonus program with respect to the 2017, 2016 and 2015 fiscal years, respectively. The terms of the Global Annual Bonus are summarized under Compensation Discussion and Analysis Compensation Programs Cash Compensation Global Annual Bonus above.

(3) In accordance with the SEC's disclosure rules, perquisites and other personal benefits provided to Mr. van t Noordende for fiscal 2017 are not included because the aggregate incremental value of these items was less than \$10,000. The incremental costs of perquisites and other personal benefits provided to Mr. Nanterme for fiscal 2017 were \$60,788 for a car and driver, \$24,176 for tax preparation and audit-related fees and \$1,904 to attend an event. The incremental cost of Mr. Nanterme's car and driver was computed based on the actual fees paid to a service provider. In addition, on one occasion during fiscal 2017, Mr. Nanterme was accompanied by a family member and a guest during business travel on a Company-chartered aircraft. There was no incremental cost to the Company associated with this travel. The incremental costs of perquisites and other personal benefits provided to Mr. Rowland for fiscal 2017 include a \$22,500 matching gift under our charitable gift matching program applicable to all U.S. employees to an educational institution where the Company recruits. The incremental costs of perquisites and other benefits provided to Mr. Rowland for fiscal 2017 also include \$6,500 for tax preparation fees. The incremental costs of perquisites and other personal benefits provided to Mr. Casati for fiscal 2017 were \$207,182 for a housing allowance and maintenance costs and \$1,612 for tax preparation fees. The incremental costs of perquisites and other personal benefits provided to Ms. Sweet for fiscal 2017 were \$13,000 for tax preparation fees.

Also included for fiscal 2017 are life insurance premium payments of \$10,469 for Mr. Nanterme, \$8,195 for Mr. Rowland, \$2,768 for Mr. Casati, \$4,362 for Mr. van t Noordende and \$3,956 for Ms. Sweet, and payments of \$1,247 to Mr. Rowland, \$1,588 to Mr. van t Noordende and \$8,855 to Ms. Sweet as reimbursement for excess taxes paid by them in jurisdictions in which those executives provided services to the Company outside of their respective home jurisdictions. These services resulted in taxes due in excess of the rate applicable to their respective home jurisdictions, which excesses were reimbursed by the Company. The amounts also include payments of \$3,349 to Mr. van t Noordende for tax equalization under the Company's same sex medical benefit equalization policy. The amounts further include \$8,972 for Mr. Nanterme for profit sharing mandated by French law.

Also, in accordance with applicable SEC rules, the value of dividend equivalents credited or otherwise allocated to RSUs in the form of additional RSUs with the same vesting terms as the original awards is not included in the All Other Compensation column because their value is factored into the grant date fair value of RSU awards. Additional RSUs awarded in connection with dividend adjustments are subject to vesting and delivery conditions as part of the underlying awards.

(4) Mr. Nanterme is based in Europe and is compensated in euros. We converted his fiscal 2017 salary, his 2017 Non-Equity Incentive Plan Compensation amount, his local life insurance premium payment, his tax preparation and audit-related fees, the costs related to attending an event, his profit sharing mandated by French law and the incremental cost of his car and driver to U.S. dollars at an exchange rate of 0.91284, which was the average monthly translation rate for fiscal 2017. His 2017 Non-Equity Incentive Plan Compensation amount in Euros was approximately 2.7 million, which was a 7% decrease from his 2016 Non-Equity Incentive Plan Compensation amount of 2.9 million.

(5) Mr. Rowland is our only named executive officer who had benefits during the relevant years under a defined benefit pension plan to which the Company contributed. He became a participant in the pension plan prior to assuming a leadership role at the Company, and his benefits under the plan were frozen on August 31, 2000; accordingly, there were no additional accruals in fiscal 2017. The actuarial present value of his accumulated pension benefit increased by \$19,647 during fiscal 2017 due solely to the passage of time and a change in the applicable discount and mortality rates. In fiscal 2017, Mr. Rowland received a lump sum payment in connection with the termination of the pension plan. The terms of his pension arrangements are summarized under Pension Benefits for Fiscal 2017 below.

(6) Mr. Casati is based in Singapore and is compensated in Singapore dollars. We converted his fiscal 2017 salary, his 2017 Non-Equity Incentive Plan Compensation amount, his local life insurance premium payment and the cost of his housing allowance and maintenance costs to U.S. dollars at an exchange rate of 1.39473, which was the average monthly translation rate for fiscal 2017.

Amounts reported under the Maximum column represent the highest end of the target opportunity range.

Key Executive Performance Share Program

Our Key Executive Performance Share Program is described generally under Compensation Discussion and Analysis Compensation Programs Long-Term Equity Compensation Key Executive Performance Share Program above. The description below relates to the RSU grants we made to our named executive officers in fiscal 2017 pursuant to the Key

STATEMENT****Executive Compensation****51**

Executive Performance Share Program, which have a 3-year performance period beginning on September 1, 2016 and ending on August 31, 2019. The Compensation Committee determined that the compensation opportunity under these grants will be based on performance weighted 75% on cumulative program specific operating income results and 25% on cumulative total shareholder return, in each case over that 3-year period.

Operating income results. Up to 75% of the total RSUs granted to a named executive officer on January 1, 2017 under this program will vest, if at all, at the end of the 3-year performance period based upon the achievement of operating income targets by the Company during the performance period. For each fiscal year during the performance period, the Compensation Committee approves an operating income plan for this program that the Compensation Committee and its compensation consultant deem to be challenging. The aggregate of these 3 annual operating income plans forms the reference, or target, for measuring aggregate operating income results over the 3 years. A performance rate is then calculated as the actual aggregate operating income divided by the target aggregate operating income, with the percentage vesting of RSUs determined as follows:

Performance Level	Accenture Performance Rate Versus Target	Percentage of RSUs
		Granted that Vest (Out of a Maximum of 75%)
Maximum	110% or greater	75%
Target	100%	50%
Threshold	80%	25%
Below Threshold	Less than 80%	0%

We will proportionally adjust the number of RSUs that vest if Accenture's performance level falls between Target and Maximum, or between Threshold and Target, in each case on a linear basis.

Total shareholder return. Up to 25% of the total RSUs granted to a named executive officer on January 1, 2017 under this program will vest, if at all, at the end of the 3-year performance period based upon Accenture's total shareholder return, as compared to the total shareholder return of the comparison companies listed below, together with the S&P 500 Total Return Index. Total shareholder return is determined by dividing the fair market value of the stock of a company at the end of the performance period (August 31, 2019), adjusted to reflect cash, stock or in-kind dividends paid on the stock of that company during the performance period, by the fair market value of that stock at the beginning of the performance period (September 1, 2016). In order to compare Accenture's total shareholder return with that of our comparison companies and the S&P 500 Total Return Index, each company and the S&P 500 Total Return Index is ranked in order of its total shareholder return. Accenture's percentile rank among the comparison companies and the S&P 500 Total Return Index is then used to determine the percentage vesting of RSUs as follows:

Performance Level	Accenture Percentile Rank (Measured as a Percentile)	Percentage of RSUs Granted That Vest (Out of a Maximum of 25%)
Maximum	Accenture is ranked at or above the 75th percentile	25%
Target	Accenture is ranked at the 60th percentile	17%
Threshold	Accenture is ranked at the 40th percentile	8%
Below Threshold	Accenture is ranked below the 40th percentile	0%

We will proportionally adjust the number of RSUs that vest if Accenture's performance level falls between Target and Maximum, or between Threshold and Target, in each case on a linear basis.

STATEMENT****Executive Compensation****52**

For fiscal 2017, the following comparison companies, together with the S&P 500 Total Return Index, are used for measuring total shareholder return for the Key Executive Performance Share Program. These companies were chosen in advance of the 2017 compensation year.

KEY EXECUTIVE PERFORMANCE SHARE PROGRAM PEER GROUP

Aon plc	International Business Machines Corporation
Automatic Data Processing, Inc.	Marsh & McLennan Companies, Inc.
Cap Gemini S.A.	Microsoft Corporation
Cisco Systems, Inc.	Oracle Corporation
Cognizant Technology Solutions Corporation	SAP SE
Hewlett Packard Enterprise Company ¹	S&P 500 Total Return Index
Infosys Limited	Xerox Corporation ²

1 Hewlett Packard Enterprise Company was subsequently removed from the list of peer companies following a corporate reorganization.

2 The total shareholder return calculation for Xerox Corporation is being modified to include, on an adjusted basis, a pro-rata portion of the performance of Conduent Incorporated following the spin-off of Conduent from its business.

This group of companies and the S&P 500 Total Return Index together represent a slightly different and broader list than the group of companies included in our peer group of companies used for benchmarking executive compensation generally and identified under Compensation Discussion and Analysis Fiscal 2017 Compensation Decisions Role of Benchmarking above. These companies and the S&P 500 Total Return Index together were determined to yield a better comparative group for purposes of evaluating total shareholder return.

Accenture plc Class A ordinary shares underlying the RSUs granted under the Key Executive Performance Share Program that vest are delivered following the Compensation Committee's determination of the Company's results with respect to the performance metrics. Each of our named executive officers received a grant of RSUs under the Key

Executive Performance Share Program on January 1, 2016 and January 1, 2017, and each, except Ms. Sweet, was eligible for provisional age-based vesting as of the grant dates. Provisional age-based vesting means that if a participant voluntarily terminates his or her employment after reaching age 50 and completing 15 years of continuous service, the participant is entitled to pro rata vesting of his or her award at the end of the 3-year performance period based on the portion of the performance period during which he or she was employed. The vesting schedules for the Key Executive Performance Share Program awards that were outstanding at the end of fiscal year 2017 are set forth in footnote 4 to the Outstanding Equity Awards at August 31, 2017 table below.

The terms of these programs provide that the number of RSUs granted and still outstanding on any applicable record date will be adjusted proportionally to reflect the Company's payment of dividends or other significant corporate events. Additional RSUs awarded in connection with dividend adjustments are subject to the same vesting conditions as the underlying awards.

Accenture Leadership Performance Equity Award Program

The Accenture Leadership Performance Equity Award Program is described generally under Compensation Discussion and Analysis Compensation Programs Long-Term Equity Compensation Accenture Leadership Performance Equity Award Program above. As described in such section, awards under this program are generally granted in January in recognition of prior fiscal year performance.

In general, grants under the Accenture Leadership Performance Equity Award Program made prior to fiscal 2017 vest in 3 equal installments on each July 19 (the anniversary date of our initial public offering) following the grant date until fully vested. Beginning with awards made in fiscal 2017, grants under the Accenture Leadership Performance Equity Award Program vest in 3 equal annual installments on each January 1 following the grant date until fully vested. However, grants under this program to participants who are age 50 or older on the date of grant have a shortened vesting schedule that is graduated based on the age of the participant on the grant date, with the shortest vesting periods applicable to participants who are age 56 or older on the grant date. As a result, a shorter vesting schedule applied for all or a portion of the RSUs granted under this program to each of our named executive officers, except Ms. Sweet, in fiscal 2017, as further

shown in the Stock Vested in Fiscal 2017 table below. The actual vesting schedules for these awards outstanding at fiscal year-end are set forth in footnote 1 to the Outstanding Equity Awards at August 31, 2017 table below.

The terms of this program provide that the number of RSUs granted and still outstanding on any applicable record date will be adjusted proportionally to reflect the Company's payment of dividends or other significant corporate events. Additional RSUs awarded in connection with dividend adjustments are subject to the same vesting conditions as the underlying awards.

Voluntary Equity Investment Program

Under the Voluntary Equity Investment Program, members of Accenture Leadership, including all of our named executive officers, where permitted, may elect to designate up to 30% of their total cash compensation to this share purchase program. These amounts are deducted from after-tax income and used to make monthly purchases of Accenture plc Class A ordinary shares from Accenture at fair market value on the 5th of each month for contributions made in the previous month. Participants are awarded a 50% matching RSU grant after the last purchase of the program year in the form of 1 RSU for every 2 shares that have been purchased during the previous program year and that have not been sold or transferred prior to the awarding of the matching grant. This matching grant will generally vest in full 2 years from the date of the grant. Under the program, if a participant leaves Accenture or withdraws from the program prior to the award of the matching grant, he or she will not receive a matching grant. Total contributions from all participating members of Accenture Leadership under this program may be limited at the discretion of the Compensation Committee. In the last completed program year, which ran from January to December 2016, Ms. Sweet and Mr. van t Noordende participated in the Voluntary Equity Investment Program and, based on her and his purchases through the program, received a grant of matching RSUs under the Voluntary Equity Investment Program in fiscal 2017 as indicated above.

The terms of this program provide that the number of RSUs granted and still outstanding on any applicable record date will be adjusted proportionally to reflect the Company's payment of dividends or other significant corporate events. Additional RSUs awarded in connection with dividend adjustments are subject to the same vesting conditions as the underlying awards.

(a) Vesting of the 2015 Key Executive Performance Share Program awards, based on the Company's achievement of the specified performance criteria with respect to the period beginning September 1, 2014 and ended August 31, 2017, was determined by the Compensation Committee on October 25, 2017, the stated vesting date. Because as of August 31, 2017, pursuant to the provisional age-based vesting provisions of their awards, each of the named executive officers, except Ms. Sweet, had fully satisfied the service criteria for vesting, 100% of the earned awards granted to them are being treated as having vested in full as of that date. None of the awards under this program actually vested until the stated vesting date of October 25, 2017. For more information on these provisional vesting terms, see Potential Payments Upon Termination Long-Term Equity Compensation below.

(b) Vesting of the 2014 Key Executive Performance Share Program awards, based on the Company's achievement of the specified performance criteria with respect to the period beginning September 1, 2013 and ended August 31, 2016, was determined by the Compensation Committee on October 24, 2016, the stated vesting date. Mr. Rowland is our only named executive officer who had benefits in fiscal 2017 under a pension or other retirement plan to which the Company contributed. Mr. Rowland became a participant in the Accenture United States Pension Plan (the "U.S. Pension Plan") prior to assuming a leadership role with the Company, and his benefits under this plan were frozen on August 31, 2000. The U.S. Pension Plan was terminated effective May 30, 2016. The material terms of the U.S. Pension Plan are described following the table below, which sets forth information with respect to Mr. Rowland's pension benefits.

(1) The accumulated benefit as of August 31, 2017 is zero as a result of the termination of the U.S. Pension Plan, as described below.

(2) Mr. Rowland received a lump sum payment in connection with the termination of the U.S. Pension Plan, as described below.

U.S. Pension Plan

The U.S. Pension Plan was a defined benefit pension plan that had been maintained and administered by the Company. The U.S. Pension Plan was terminated effective May 30, 2016 and the assets and liabilities associated with the plan that had not previously been distributed were transferred to a third-party annuity provider.

Mr. Rowland's pension benefits were frozen on August 31, 2000 when he assumed a leadership role with the Company. Mr. Rowland's pension benefits, which were based on his years of service and average monthly earnings during the 10-year period preceding the day his benefits were frozen, were determined as of the close of business on the day his benefits were frozen.

In connection with the termination of the U.S. Pension Plan, participants who had not already commenced benefits were given a one-time opportunity in early 2017 to receive benefits under the U.S. Pension Plan (the Plan Termination Offering), regardless of age or employment status. During the Plan Termination Offering, an eligible participant, including Mr. Rowland, could elect payment in the form of a lump sum or an immediate annuity. In connection with the Plan Termination Offering, Mr. Rowland elected to receive a lump sum payment in the amount of \$426,587. The payment has been made and Mr. Rowland is not entitled to any further payments or benefits under the U.S. Pension Plan.

POTENTIAL PAYMENTS UPON TERMINATION

Employment Agreements

Mr. Nanterme is entitled to specified payments in connection with the termination of his employment under his employment agreement and the requirements of French law. Mr. Nanterme's employment agreement includes the following provisions:

payments for his post-employment non-competition and non-solicitation obligations, equal to 12 months' base and bonus compensation (based on the average amount received over the 12 months preceding termination), except that those payments can be reduced or limited to the extent the Company chooses not to enforce the non-competition and non-solicitation obligations. Such amounts are payable monthly over the 12-month period following termination;

3 months' notice (or payment of 3 months' base and bonus compensation (based on the average amount received over the 12 months preceding termination) in lieu of notice) except in the case of serious or gross misconduct, payable in a lump sum; and

except in the case of voluntary resignation, a severance payment under the collective bargaining agreement that applies under French law to all Accenture employees in France, equal to one-third of a month of base and bonus compensation (based on the average amount received over the 12 months preceding termination) per year of service, up to a maximum of 12 months, payable in a lump sum.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****57**

Mr. Casati is subject to our standard employment agreement for members of Accenture Leadership in Singapore that provides for certain post-termination payments. Mr. Casati's employment agreement includes the following provisions:

payments for his post-employment non-competition and non-solicitation obligations, equal to his annual base compensation, except that the Company will not be obligated to make such payments in the event it waives the non-competition and non-solicitation obligations on or before termination. Such amounts are payable in two installments, the first within 30 days following termination and the second within 30 days following the 12-month anniversary of termination; and

4 months' notice for termination (or payment of 4 months' base compensation in lieu of notice), except in the event of termination for cause, payable in a lump sum.

If the employment of Mr. Nanterme or Mr. Casati had been terminated as of August 31, 2017 (the last business day of fiscal 2017), they would have been entitled to receive the following amounts pursuant to their respective employment agreements:

Aggregate Termination Payments

U.S. Accenture Leadership Separation Benefits Plan and U.S. Retiree

Medical Benefits Program

Members of Accenture Leadership employed in the United States, including Ms. Sweet and Messrs. Rowland and van't Noordende, are eligible for benefits under our U.S. Accenture Leadership Separation Benefits Plan and our U.S. Retiree Medical Benefits Program. Estimated benefits under these plans are summarized in the table below.

With respect to our most senior leaders, the U.S. Accenture Leadership Separation Benefits Plan provides that, subject to the terms and conditions of the plan, and contingent upon the execution of a separation agreement (which requires, among other things, a complete release of claims and affirmation of existing post-departure obligations, including non-compete and non-solicitation requirements), if the employment of a member of Accenture Leadership is involuntarily terminated, other than for cause (as defined under the plan) or certain other exceptions listed in the plan relating to terminations following a leave of absence or in connection with a business transaction where the individual is offered a position with a successor, the terminated executive is entitled to receive the following:

if the termination is for reasons unrelated to performance: (1) an amount equal to 6 months of base compensation, plus (2) 1 week of base compensation for each completed year of service (up to an additional 8 weeks of base compensation), plus (3) a \$12,000 COBRA payment (which is related to

health and dental benefits); or

if the termination is for reasons related to performance: (1) an amount equal to 4 months of base compensation, plus (2) an \$8,000 COBRA payment.

All such payments will be made in a lump sum unless we elect to provide the payments on a payroll-by-payroll basis. In addition, under this plan, members of Accenture Leadership terminated involuntarily, other than for cause, including those

terminated for reasons related to performance, are entitled to 12 months of outplacement benefits, which is provided by an outside firm selected by Accenture, at a maximum cost to Accenture of \$11,000 per person.

Members of Accenture Leadership employed in the United States who retire from the Company after reaching age 50 and who have achieved at least 10 years of service are also eligible to participate in the U.S. Retiree Medical Benefits Program, which provides partially subsidized medical insurance benefits for the retired members of Accenture Leadership and their dependents.

The following table sets forth estimated benefits under the U.S. Accenture Leadership Separation Benefits Plan and U.S. Retiree Medical Benefits Program for the named executive officers who are or were employed in the United States during fiscal 2017.

- (1) Amounts shown in this column reflect: (a) for each of Messrs. Rowland and van t Noordende: (x) an amount equal to 6 months plus 8 weeks of his annual base compensation, (y) a \$12,000 COBRA payment and (z) \$11,000 of outplacement services; and (b) for Ms. Sweet: (x) an amount equal to 6 months plus 7 weeks of her annual base compensation, (y) a \$12,000 COBRA payment and (z) \$11,000 of outplacement services.
- (2) Amounts shown in this column reflect, for each applicable named executive officer: (a) an amount equal to 4 months of his or her annual base compensation, (b) an \$8,000 COBRA payment and (c) \$11,000 of outplacement services.
- (3) The estimated present value of these medical insurance benefits is calculated (a) assuming each individual retired on August 31, 2017 (the last business day of fiscal 2017) or the earliest age at which they would be eligible for retirement and commenced receiving benefits immediately thereafter, (b) using a discount rate of 3.75% and (c) using mortality rates from U.S. mortality tables released by the Society of Actuaries. Ms. Sweet would not have been eligible for this retirement benefit because she had not achieved 10 years of service as of August 31, 2017, and therefore no amount is shown in respect of her retirement.

Long-Term Equity Compensation

Death or Disability

The terms of our equity grant agreements for programs other than the Key Executive Performance Share Program provide for the immediate acceleration of vesting in the event of the termination of the program participant's employment due to death or disability. The equity grant agreements for our Key Executive Performance Share Program provide for provisional vesting of the awards in the event of the termination of the participant's employment due to death or disability. Provisional vesting means that, while the timing of vesting of the Key Executive Performance Share Program awards is not accelerated due to death or disability, vesting continues to occur as if the participant's employment had not terminated under those circumstances.

With respect to each of our named executive officers, the number of RSUs that would have vested under these circumstances and the aggregate market value of such RSUs as of the last business day of fiscal 2017 (based on the closing price per share on August 31, 2017) is equal to the amount and value of shares set forth in the Stock Awards columns of the Outstanding Equity Awards at August 31, 2017 table above. Although vesting cannot yet be determined for the 2016 and 2017 Key Executive Performance Share Program awards, as results to date indicate achievement between the target and maximum levels for both programs, maximum amounts are included in that table with respect to both programs.

Other Terminations

The terms of our equity grant agreements for the Accenture Leadership Performance Equity Award Program also provide that, in the event of an involuntary termination of the program participant's employment, RSUs scheduled to vest within 12 months of termination immediately vest. However, shares underlying such RSUs will not be delivered until after the scheduled vesting date unless the program participant dies before such date.

The terms of our equity grant agreements for the Voluntary Equity Investment Program provide that (1) in the event of an involuntary termination of the program participant's employment prior to the first anniversary of the grant date, 50% of the RSUs will immediately vest and (2) in the event of an involuntary termination that occurs on or after the first anniversary of the grant date, all of the RSUs will immediately vest. In both cases, however, the shares underlying the RSUs will not be delivered until after the scheduled vesting date, unless the program participant dies before such date.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****59**

The terms of our equity grant agreements for the Key Executive Performance Share Program also provide for provisional vesting of the awards in the event of (1) voluntary termination of the program participant's employment after reaching age 50 and completing 15 years of continuous service or (2) involuntary termination. In such cases, the participant is entitled to pro rata vesting of his or her award at the end of the 3-year performance period based on the portion of the performance period during which he or she was employed.

As described under Compensation Discussion and Analysis Additional Information Post-Termination Compensation Global Management Committee Retirement Provisions above, the Compensation Committee determined that qualifying members of our global management committee who retire on or after the fiscal year-end but before the following February 1 will receive a cash payment in recognition of their prior fiscal year performance rather than receiving the shares underlying RSUs under the Accenture Leadership Performance Equity Award Program that they would have received had they not retired before that date.

The following table sets forth the amounts each named executive officer would have been entitled to receive under these provisions if his or her employment had been terminated as of August 31, 2017:

Name	Cash Payment in Lieu of		
	Vesting of Equity Award following Voluntary Termination(\$) ⁽¹⁾⁽²⁾	Vesting of Equity Award following Involuntary Termination(\$) ⁽¹⁾⁽²⁾	Equity Award Following Retirement(\$) ⁽³⁾

Gianfranco Casati	\$ 3,228,072	\$ 3,228,072	\$ 750,000

Alexander M. van t Noordende	\$ 3,228,072	\$ 4,519,589	\$ 583,333
Julie Sweet	\$ 2,664,889	\$ 6,651,892	

(1) The amounts in this column reflect the aggregate value of the vesting of RSU awards previously granted to the named executive officers under the termination provisions described above. Although vesting cannot yet be determined for the 2016 and 2017 Key Executive Performance Share Program awards, as results to date to indicate achievement between the target and maximum levels for both programs, vesting is reflected at the maximum amounts with respect to both programs.

(2) Values determined based on August 31, 2017 closing market price of Accenture plc's Class A ordinary shares of \$130.76 per share.

(3) Mr. Nanterme does not qualify for this retirement benefit, and therefore no amount is shown in respect of his retirement. For Messrs. Rowland, Casati and van t Noordende and Ms. Sweet, amounts shown in this column reflect the applicable portions of the grant date fair value of RSU awards to be made to them in January 2018 under the Accenture Leadership Performance Equity Award Program, which were approved by the Compensation Committee following the end of fiscal 2017.

PROPOSAL 2:

NON-BINDING VOTE

ON EXECUTIVE COMPENSATION

We are pleased to provide our shareholders the opportunity to vote on a non-binding advisory resolution to approve the compensation of our named executive officers as disclosed in this proxy statement, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.

In considering their vote, we urge shareholders to review the information on Accenture's compensation policies and decisions regarding the named executive officers presented in the Compensation Discussion and Analysis on pages 29 to 46, as well as the discussion regarding the Compensation Committee on pages 9 to 10.

The shareholder vote on this resolution will not be binding on management or the Board; however, the Board and the Compensation Committee value the opinions of our shareholders and will review and consider the voting results when making future compensation decisions for our named executive officers.

Shareholders continued to show strong support of our executive compensation programs, with **approximately 96% of the votes cast for the approval of the say-on-pay** proposal at our 2017 annual general meeting of shareholders.

Accenture employs a pay-for-performance philosophy for our entire global management committee and all of our named executive officers. Our compensation philosophy and framework have resulted in compensation for our named executive officers that reflects the Company's financial results and the other performance factors described in

Compensation Discussion and Analysis Process for Determining Executive Compensation. Our annualized total shareholder return for the 3-year period ended August 31, 2017 was 19.9%, the 88th percentile among our peers, and our annualized total shareholder return for the 5-year period ended August 31, 2017 was 18.9%, the 51st percentile among our peers.

As required under Irish law, the resolution in respect of Proposal 2 is an ordinary resolution that requires the affirmative vote of a simple majority of the votes cast.

THE TEXT OF THE RESOLUTION IN RESPECT OF

PROPOSAL 2 IS AS FOLLOWS:

Resolved, that the compensation paid to the Company's named executive officers as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby approved.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****61****PROPOSAL 3: APPROVAL OF AMENDMENT TO THE AMENDED AND RESTATED ACCENTURE PLC
2010 SHARE INCENTIVE PLAN**

Our Board, based on the recommendation of the Compensation Committee, has approved an amendment to the Amended and Restated Accenture plc 2010 Share Incentive Plan (the "2010 SIP"), subject to approval by our shareholders at the Annual Meeting to authorize an additional 16 million shares under the 2010 SIP. In connection with its review of this proposal, the Compensation Committee considered the information described below.

As of November 30, 2017, 15 million shares remained available under the 2010 SIP for future grants and 20,313,939 shares were subject to outstanding RSUs, and we expect to make awards of approximately 8 million shares between the date of this proxy statement and the Annual Meeting. We expect that if the proposed amendment to the 2010 SIP is approved by our shareholders, the additional shares will be sufficient to allow us to make equity awards in the amounts we believe are necessary for the next 2 to 3 years.

Why We Recommend You Approve the Proposed Amendment

We must attract, retain and motivate high-performers. The ability to issue equity is fundamental to our compensation strategy. Being a people-based business, our success is dependent, in large part, on our ability to use market relevant compensation to attract, retain and motivate the most talented professionals to serve our clients.

We proactively manage affordability to prevent dilution. Over the last 5 years, our ratio of share repurchases to share issuances has resulted in a net impact of a reduction to our weighted average diluted shares of approximately 2% per year. We expect to continue to reduce our weighted average diluted shares by approximately 1% in fiscal 2018. Our overhang has averaged 6.4% over the past 3 years. We calculate overhang as the number of shares available for issuance under our equity compensation plans (including pursuant to outstanding awards), divided by that number plus the total number of shares outstanding.

We use equity compensation to align employee and shareholder interests. Equity compensation is a critical means of aligning the interests of our employees with those of our shareholders. Our employees, particularly members of Accenture Leadership, whose equity is tied to Company and individual performance, are motivated under our current equity compensation plans to drive the business to maximize returns over the long-term. We believe this, in part, has resulted in the long-term value we have created for our shareholders.

We have a disciplined annual share granting practice. Our burn rate has averaged 1.4% over the past 3 years and 1.4% over the past 5 years. During the last 5 years, our burn rate has ranged between 1.3% and 1.7%. Of our total employee population of approximately 425,000, approximately 27,000 (composed of Accenture Leadership and other senior employees) are eligible for equity awards, and only those employees rated as high-performers (a

fraction of this group) receive equity awards in any given year.

The 3 year burn rate is calculated as the total number of shares granted under the 2010 SIP as a percentage of the annual weighted average diluted shares.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****62****Anticipated Future Equity Awards under the Amended and Restated****2010 Share Incentive Plan**

Consistent with past practice, we expect to make awards of approximately 8 million shares between the date of this proxy statement and the Annual Meeting, the majority of which will be our annual performance RSU awards made in January 2018 (including awards that will vest, if at all, based on the Company's performance over a 3-year period), including the awards to our named executive officers, as described under **Executive Compensation Compensation Discussion and Analysis Compensation Programs Long-Term Equity Compensation** above. Also included in the estimated number of awards to be made during that period are the annual matching grant awards to the participants in the Voluntary Equity Investment Program, described under **Executive Compensation Compensation Discussion and Analysis Compensation Programs Long-Term Equity Compensation** above, and potential grants to recognize eligible newly hired or promoted employees.

The Company is not currently contemplating any specific grants under the 2010 SIP, as it is proposed to be amended (the **Amended 2010 SIP**) other than, at this time, the annual grants of RSUs to directors for fiscal 2018 (which are currently anticipated to be similar to the annual grants for fiscal 2017 described under **Director Compensation Elements of Director Compensation** above).

Plan Summary

The principal features of the Amended 2010 SIP are summarized below. The summary is qualified in its entirety by reference to the full text of the Amended 2010 SIP. A copy of the Amended 2010 SIP is attached as Annex A to this proxy statement, marked to show the proposed amendments, and is incorporated herein by reference. Definitions in this Proposal 3 are applicable only within this section.

Administration

The Amended 2010 SIP will be administered by the Compensation Committee of the Board (the **Committee**), which may delegate its duties and powers in whole or in part to any subcommittee consisting solely of at least 2 individuals who are intended to qualify as **Non-Employee Directors** within the meaning of Rule 16b-3 under the Exchange Act (or any successor rule thereto) and **independent directors** within the meaning of the NYSE listed company rules, including those applicable to directors serving on a compensation committee. Additionally, the Committee may delegate the authority to grant awards under the Amended 2010 SIP to any employee or group of employees of Accenture plc, provided that such delegation and grants are consistent with applicable law and guidelines established by the Board from time to time. The Committee is authorized to interpret the Amended 2010 SIP and to establish, amend and rescind any rules and regulations relating to it and to make any other determinations that it deems necessary or desirable for the administration of the Amended 2010 SIP. The Committee has the authority to establish the terms and conditions of any award under the Amended 2010 SIP consistent with the provisions of the plan and to waive any terms and conditions at any time (including, without limitation, accelerating or waiving any vesting conditions). The

Committee may determine the number of shares subject to any award.

Eligibility

The Committee may grant awards under the Amended 2010 SIP only to employees, directors or other service providers of the Company or its affiliates who are selected by the Committee to participate in the Amended 2010 SIP (participants). Awards may also, in the discretion of the Committee, be made under the Amended 2010 SIP in assumption of, or in substitution for, outstanding awards previously granted by Accenture plc. The number of shares underlying any substitute awards will be counted against the aggregate number of shares available for awards under the Amended 2010 SIP.

As of November 30, 2017, approximately 27,000 employees, including our executive officers, would be eligible to participate in the programs approved under the Amended 2010 SIP. In addition, a small number of other service providers that we may engage from time-to-time, along with the members of the Board, are eligible to participate in the Amended 2010 SIP. The closing price of Accenture plc Class A ordinary shares as reported on the New York Stock Exchange was \$148.01 on November 30, 2017.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Executive Compensation****63****Share Reserve Under the Amended 2010 SIP**

The total number of Accenture plc Class A ordinary shares that may be used to satisfy awards under the Amended 2010 SIP (inclusive of awards previously granted and settled under the 2010 SIP) is 99 million, which is inclusive of the additional 16 million shares requested to be approved under this proposal.

Prohibition on Share Recycling Under the Amended 2010 SIP

The total number of Accenture plc Class A ordinary shares that may be used to satisfy awards under the Amended 2010 SIP may consist, in whole or in part, of unissued shares or previously-issued shares. The issuance or transfer of shares or the payment of cash to a participant upon the exercise or payment of any award will reduce the total number of shares available under the Amended 2010 SIP by the full number of shares which had been covered by the award, even if fewer shares are delivered due to net settlement of awards or withholding to cover taxes. Shares subject to awards that terminate, lapse or are cancelled without payment of consideration may again be used to satisfy awards under the Amended 2010 SIP.

Limits on Director Compensation

The maximum number of shares subject to awards that may be granted during a fiscal year to any non-employee director, taken together with any cash retainer paid to such non-employee director in respect of such fiscal year, shall not exceed \$750,000 in total value.

Term

Awards may be granted under the Amended 2010 SIP until December 10, 2024 (the fifteenth anniversary of the date the Amended 2010 SIP was first approved by the Board), but awards granted before that date may extend beyond that date.

Terms and Conditions of Options

Options granted under the Amended 2010 SIP will be, as determined by the Committee, non-qualified stock options or incentive stock options (ISOs), as described in section 422 of the Internal Revenue Code of 1986, as amended (the Code), for U.S. federal income tax purposes (or other types of options in jurisdictions outside the United States), as evidenced by the related award agreements. Options granted will be subject to the following terms and conditions and to such other terms and conditions as the Committee determines.

Exercise Price; Exercisability. Options granted under the Amended 2010 SIP will have a purchase price per share (exercise price) that is not less than the fair market value of a share on the date of grant and will be exercisable at such time and upon such terms and conditions as may be determined by the Committee. The expiration date for options granted under the Amended 2010 SIP will be determined by the Committee upon option grant and set forth in the

grant agreements governing the options but in any case shall not exceed 10 years from the date of grant. Under the Amended 2010 SIP, fair market value is generally defined as the average of the high and low trading price on the New York Stock Exchange on the applicable date.

Exercise of Options. Except as otherwise provided in the Amended 2010 SIP or in an award agreement, an option may be exercised for all, or from time to time any part, of the shares for which it is then exercisable. The exercise date of an option will be the later of the date a notice of exercise is received by Accenture plc and, if applicable, the date payment is received by Accenture plc. Except as otherwise provided in an award agreement, the purchase price for the shares as to which an option is exercised shall be paid in full no later than the time when the shares are delivered following the exercise of the option.

ISOs. The Committee may grant options under the Amended 2010 SIP that are intended to be ISOs. No ISO will have a per share exercise price of less than the fair market value of a share on the date granted or have a term in excess of 10 years. However, no ISO may be granted to any participant who, at the time of such grant, owns more than 10% of the total combined voting power of all classes of shares of Accenture plc, unless:

the exercise price for the ISO is at least 110% of the fair market value of a share on the date the ISO is granted; and

the date on which the ISO terminates is a date not later than the day preceding the fifth anniversary of the date on which the ISO is granted.

All options granted under the Amended 2010 SIP are intended to be nonqualified stock options, unless the applicable award agreement expressly states that the option is intended to be an ISO. If an option is intended to be an ISO, and if for any reason the option (or portion thereof) does not qualify as an ISO, then, to the extent of the nonqualification, the option (or portion thereof) will be regarded as a nonqualified stock option granted under the Amended 2010 SIP, provided that the option (or portion thereof) otherwise complies with the Amended 2010 SIP's requirements relating to nonqualified stock options.

Repricing. Once issued and outstanding under the Amended 2010 SIP, the exercise price of any option may not be reduced at any time during the term of such option without shareholder approval.

Terms and Conditions of Share Appreciation Rights

Grants. The Committee, in its sole discretion, also may grant a share appreciation right independent of an option or a share appreciation right in connection with an option, or a portion thereof. A share appreciation right granted in connection with an option:

may be granted at the time the related option is granted or at any time prior to the exercise or cancellation of the related option;

will cover the same number of shares covered by an option (or such lesser number of shares as the Committee may determine); and

will be subject to the same terms and conditions as the option, except for any conditions on its exercisability or transferability as the Committee deems fit to impose, or any additional limitations as may be included in an award agreement.

Terms. The exercise price per share of a share appreciation right will be an amount determined by the Committee that is not less than the fair market value of a share on the date of grant. The expiration date for share appreciation rights granted under the Amended 2010 SIP will be determined by the Committee upon granting of a share appreciation right and set forth in a grant agreement governing the share appreciation rights, but in any case shall not exceed 10 years from the date of grant. No share appreciation right shall vest before the first anniversary of the grant date. Each share appreciation right granted independent of an option will entitle a participant upon exercise to a payment from Accenture plc of an amount equal to:

the excess of the fair market value on the exercise date of 1 share over the exercise price per share, times

the number of shares covered by the share appreciation right.

Each share appreciation right granted in conjunction with an option, or a portion thereof, will entitle a participant to surrender to Accenture plc the unexercised option, or any portion thereof, and to receive from Accenture plc in exchange an amount equal to:

the excess of the fair market value on the exercise date of 1 share over the exercise price per share, times

the number of shares covered by the option, or portion thereof, which is surrendered.

The date a notice of exercise is received by Accenture plc will be the exercise date. Payment will be made in shares or in cash, or partly in shares and partly in cash, all as determined by the Committee. If the payment is made, in whole or in part, in newly issued shares, the participant will agree to pay to Accenture plc the aggregate par value of such shares. Share appreciation rights may be exercised from time to time upon actual receipt by Accenture plc of written notice of exercise stating the number of shares with respect to which the share appreciation right is being exercised.

Repricing. Once issued and outstanding under the Amended 2010 SIP, the exercise price of any share appreciation right may not be reduced at any time during the term of such share appreciation right without shareholder approval.

Other Share-Based Awards

The Committee, in its sole discretion, may grant awards of shares, awards of restricted shares, awards of RSUs representing the right to receive shares and other awards that are valued in whole or in part by reference to, or are otherwise based on the fair market value of, shares (other share-based awards). These other share-based awards will be in such form, and dependent on such conditions, as the Committee determines. This includes, without limitation, the right to receive one or more shares (or the equivalent cash value of such shares) upon the completion of a specified period of service, the occurrence of an event and/or the attainment of performance objectives. Other share-based awards may be granted alone or in addition to any other awards granted under the Amended 2010 SIP. Subject to the provisions of the Amended 2010 SIP, the Committee will determine:

to whom and when other share-based awards will be made;

the number of shares to be awarded under (or otherwise related to) these other share-based awards;

whether these other share-based awards will be settled in cash, shares or a combination of cash and shares; and

all other terms and conditions of the other share-based awards (including, without limitation, their vesting provisions, any required payments to be received from participants and other provisions ensuring that all shares so awarded and issued be fully paid and non-assessable).

Adjustments Upon Certain Events

Generally. In the event of any change in the outstanding shares by reason of any share dividend or split, reorganization, recapitalization, merger, consolidation, amalgamation, spin-off or combination transaction or repurchase or exchange of shares or other corporate exchange, or any distribution to shareholders of shares other than regular cash dividends or any transaction similar to the foregoing, the Committee in its sole discretion and without liability to any person will make such substitution or adjustment, if any, as it deems to be equitable, as to:

the number or kind of shares or other securities or property issued or reserved for issuance pursuant to the Amended 2010 SIP or pursuant to outstanding awards;

the grant price or exercise price of any share appreciation right;

any applicable performance measures or performance vesting terms with respect to outstanding awards; and/or

any other affected terms of any award.

Change in Control. In the event of a change in control (as defined below), the Committee may, in its sole discretion, provide for the termination of an award upon the consummation of the change in control and:

the payment of a cash amount in exchange for the cancellation of an award which, in the case of options and share appreciation rights, may equal the excess, if any, of the fair market value of the shares subject to such options or share appreciation rights over the aggregate exercise price of such options or share appreciation rights; and/or

the issuance of substitute awards that will substantially preserve the otherwise applicable terms of any affected awards previously granted.

The occurrence of any of the following events will constitute a change in control :

any person (other than Accenture plc, any trustee or other fiduciary holding securities under an employee benefit plan of Accenture plc, or any company owned, directly or indirectly, by the shareholders of Accenture plc in substantially the same proportions as their ownership of shares of Accenture plc) becomes the beneficial owner (as

defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of Accenture plc, representing 50% or more of the combined voting power of Accenture plc's then-outstanding securities;

during any period of 24 consecutive months, individuals who at the beginning of that period constitute the Board, and any new director (other than a director nominated by any person (other than the Board) who publicly announces an intention to take or to consider taking actions (including, but not limited to, an actual or threatened proxy contest) which if consummated would constitute a change in control) whose election by the Board or nomination for election by Accenture plc's shareholders has been approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority thereof;

the consummation of any transaction or series of transactions resulting in a merger, consolidation or amalgamation, in which Accenture plc is involved, other than a merger, consolidation or amalgamation which would result in the shareholders of Accenture plc immediately prior thereto continuing to own (either by remaining outstanding or by being converted into voting securities of the surviving entity), in the same proportion as immediately prior to the transaction(s), more than 50% of the combined voting power of the voting securities of Accenture plc or such surviving entity outstanding immediately after such merger, consolidation or amalgamation; or

the complete liquidation of Accenture plc or the sale or disposition by Accenture plc of all or substantially all of Accenture plc's assets.

Restrictions on Transfer

Unless otherwise determined by the Committee, an award will not be transferable or assignable by the participant other than by will or by the laws of descent and distribution. The Board may amend, alter or discontinue the Amended 2010 SIP, but no amendment, alteration or discontinuation will be made which:

without the approval of the shareholders of Accenture plc, would increase the total number of shares reserved for the purposes of the Amended 2010 SIP; or

without the consent of a participant, would materially adversely affect any of the rights of the participant under any award granted to the participant under the Amended 2010 SIP.

The Committee may amend the Amended 2010 SIP, however, in such manner as it deems necessary to permit awards to meet the requirements of the Code or other applicable laws.

New Plan Benefits

All awards to employees, directors and other service providers under the Amended 2010 SIP are made at the discretion of the Committee and its delegates. Stock Options. An employee to whom an ISO that qualifies under section 422 of the Code is granted generally will not recognize income at the time of grant or exercise of such option (although special alternative minimum tax rules may apply to the employee upon option exercise). No federal income tax deduction will be allowable to Accenture plc upon the grant or exercise of such ISO.

When the employee sells shares acquired through the exercise of an ISO more than 1 year after the date of transfer of such shares and more than 2 years after the date of grant of such ISO, the employee will normally recognize a long-term capital gain or loss equal to the difference, if any, between the sale prices of such shares and the option price. If the employee does not hold such shares for this period, when the employee sells such shares, the employee will recognize ordinary compensation income and possibly capital gain or loss in such amounts as are prescribed by the Code and regulations thereunder, and Accenture plc will generally be entitled to a federal income tax deduction in the amount of such ordinary compensation income.

An employee to whom an option that is not an ISO (a non-qualified option) is granted will not recognize income at the time of grant of such option. When such employee exercises a non-qualified option, the employee will recognize ordinary compensation income equal to the excess, if any, of the fair market value as of the date of a non-qualified option exercise of the shares the employee receives, over the option exercise price. The tax basis of such shares will be equal to the exercise price paid plus the amount includable in the employee's gross income, and the employee's holding period for such shares will commence on the day after which the employee recognized taxable income in respect of such shares. Subject to applicable provisions of the Code and regulations thereunder, Accenture plc or one of its affiliates will generally be entitled to a federal income tax deduction in respect of the exercise of non-qualified options in an amount equal to the ordinary compensation income recognized by the employee. Any such compensation includable in the gross income of an employee in respect of a non-qualified option will be subject to appropriate federal, state, local and foreign income and employment taxes.

Restricted Shares. Unless an election is made by the participant under section 83(b) of the Code, the grant of an award of restricted shares will have no immediate tax consequences to the participant. Generally, upon the lapse of restrictions (as determined by the applicable restricted share agreement between the participant and Accenture plc), a participant will recognize ordinary income in an amount equal to the product of (1) the fair market value of a share of Accenture plc on the date on which the restrictions lapse, less any amount paid with respect to the Award of restricted shares, multiplied by (2) the number of restricted shares with respect to which restrictions lapse on such date. The participant's tax basis will be equal to the sum of the amount of ordinary income recognized upon the lapse of restrictions and any amount paid for such restricted shares. The participant's holding period will commence on the date on which the restrictions lapse.

A participant may make an election under section 83(b) of the Code within 30 days after the date of transfer of an award of restricted shares to recognize ordinary income on the date of award based on the fair market value of ordinary shares of Accenture plc on such date. An employee making such an election will have a tax basis in the restricted shares equal to the sum of the amount the employee recognizes as ordinary income and any amount paid for such restricted shares, and the employee's holding period for such restricted shares for tax purposes will commence on the date after such date.

With respect to restricted shares upon which restrictions have lapsed, when the employee sells such shares, the employee will recognize capital gain or loss consistent with the treatment of the sale of shares received upon the exercise of non-qualified options, as described above.

Restricted Share Units. A participant to whom a RSU is granted generally will not recognize income at the time of grant (although the participant may become subject to employment taxes when the right to receive shares becomes vested due to retirement eligibility or otherwise). Upon delivery of ordinary shares of Accenture plc in respect of an RSU, a participant will recognize ordinary income in an amount equal to the product of (1) the fair market value of a share of Accenture plc on the date on which the ordinary shares of Accenture plc are delivered, multiplied by (2) the number of ordinary shares of Accenture plc delivered.

Other Share-based Awards. With respect to other share-based awards paid in cash or ordinary shares, participants will generally recognize income equal to the fair market value of the ordinary shares or the amount of cash paid on the date on which delivery of shares or payment in cash is made to the participant.

Code Section 409A. Section 409A of the Code generally provides rules that must be followed with respect to covered deferred compensation arrangements in order to avoid the imposition of an additional 20% tax (plus interest) upon the service provider who is entitled to receive the deferred compensation. Certain awards that may be granted under the Amended 2010 SIP may constitute deferred compensation within the meaning of and subject to section 409A. While the Committee intends to administer and operate the Amended 2010 SIP and establish terms with respect to awards subject to section 409A in a manner that will avoid the imposition of additional taxation under section 409A upon a participant, the Company cannot assure participants that additional taxation under section 409A will be avoided in all cases.

AUDIT

AUDIT COMMITTEE REPORT

The Audit Committee is composed entirely of independent directors, each of whom meets the independence and experience requirements set forth by the SEC and the NYSE. In addition, each member of the Audit Committee qualifies as an independent director and possesses the requisite competence in accounting or auditing in satisfaction of the requirements for audit committees prescribed by the Companies Act 2014.

The Audit Committee operates pursuant to a written charter, which may be accessed through the Governance Principles section of our website at <https://accenture.com/us-en/company-principles>. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis.

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the independent registered public accounting firm retained to audit the Company's financial statements, subject to any requirements under Irish law. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal accounting controls. KPMG, Accenture's independent registered public accounting firm, is responsible for expressing opinions on the conformity of the Company's audited financial statements with generally accepted accounting principles and on the Company's internal control over financial reporting. As part of the Audit Committee's oversight function, the Audit Committee:

Reviewed and discussed the Company's annual audited financial statements, assessment of the effectiveness of internal control over financial reporting and quarterly financial statements with management and with KPMG;

Reviewed related matters and disclosure items, including the Company's earnings press releases, and performed its regular review of critical accounting policies and the processes by which the Company's chairman and chief executive officer and chief financial officer certify the information contained in its quarterly and annual filings;

Discussed with KPMG the matters required to be discussed by the applicable auditing standards adopted by the Public Company Accounting Oversight Board and Rule 2-07 of SEC Regulation S-X; and

Received the written disclosures and letter from KPMG required by applicable requirements of the Public Company Accounting Oversight Board regarding KPMG's communications with the Audit Committee concerning independence and discussed with KPMG their independence and related matters.

In addition, in reliance upon its reviews and discussions as outlined above, the Audit Committee recommended, and the Board of Directors approved, the inclusion of the Company's audited financial statements in its Annual Report on Form 10-K for the fiscal year ended August 31, 2017 for filing with the SEC and approved the Company's Irish financial statements for presentation to the Company's shareholders. The Audit Committee also recommended during fiscal 2017 that KPMG be re-appointed as the Company's independent registered public accounting firm to serve until the Company's annual general meeting of shareholders in 2019 and that the Board submit this appointment to the Company's shareholders for ratification at the Annual Meeting. This report is provided by the following independent directors, who compose the Audit Committee:

STATEMENT****Audit****71****PROPOSAL 4: NON-BINDING RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS
AND BINDING AUTHORIZATION OF THE BOARD TO DETERMINE ITS REMUNERATION**

Shareholders are being asked to vote to ratify, in a non-binding vote, the appointment of our independent registered public accounting firm, KPMG, and also to vote to authorize, in a binding vote, the Board, acting through the Audit Committee, to determine KPMG's remuneration. Upon the Audit Committee's recommendation, the Board has recommended the re-appointment of KPMG as our independent registered public accounting firm to audit our consolidated financial statements and our internal control over financial reporting for the fiscal year ending August 31, 2018. Although ratification is not required by our Memorandum and Articles of Association or otherwise, the Board is submitting the selection of KPMG to our shareholders for ratification because we value our shareholders' views on the Company's independent registered public accounting firm. KPMG has served as our auditor since 2002, and we believe that the continued retention of KPMG is in the best interests of the Company and its shareholders. If our shareholders fail to ratify the selection, it will be regarded as notice to the Board and the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

In evaluating and selecting the Company's independent registered public accounting firm, the Audit Committee considers, among other things: the historical and recent performance of our current independent auditor; external data on audit quality and performance, including PCAOB reports; the capabilities, audit approach, industry experience, independence and tenure of the audit firm. To help ensure the independence of our auditor, the Audit Committee periodically considers the rotation of our independent auditor and the advisability and potential impact of selecting a different independent registered public accounting firm. In addition, in conjunction with the mandated rotation of the lead engagement partner, the Audit Committee and its chairman are directly involved in the selection of KPMG's lead engagement partner.

We expect that one or more representatives of KPMG will be present at the Annual Meeting. Each of these representatives will have the opportunity to make a statement, if he or she desires, and is expected to be available to respond to appropriate questions.

As required under Irish law, the resolution in respect of Proposal 4 is an ordinary resolution that requires the affirmative vote of a simple majority of the votes cast.

THE TEXT OF THE RESOLUTION IN RESPECT OF**PROPOSAL 4 IS AS FOLLOWS:**

To ratify, in a non-binding vote, the appointment of KPMG as the independent registered public accounting firm for the Company until the next annual general meeting of the Company in 2019 and to authorize, in a binding vote, the Board, acting through the Audit Committee, to determine its remuneration.

NON-AUDIT SERVICES OF INDEPENDENT AUDITOR**

Pursuant to its charter, the Audit Committee is responsible for reviewing and approving, in advance, any audit and any permissible non-audit engagement or relationship between Accenture and its independent auditors. The Audit Committee has delegated to its chair the authority to review and pre-approve any such engagement or relationship, which may be proposed in between its regular meetings. Any such pre-approval is subsequently considered and ratified by the Audit Committee at the next regularly scheduled meeting. ANNUAL IRISH LAW PROPOSALS**PROPOSAL 5: BOARD AUTHORITY TO ISSUE SHARES**

Under Irish law, directors of an Irish public limited company must have authority from its shareholders to issue any shares, including shares which are part of the company's authorized but unissued share capital. Our current authorization, approved by shareholders at our 2017 annual general meeting, will expire on August 10, 2018. We are presenting this Proposal 5 to renew the Board's authority to issue our authorized shares on the terms set forth below.

We understand that it is customary practice in Ireland to seek shareholder authority to issue up to 33% of a company's issued ordinary share capital and for such authority to be limited to a period of 12 to 18 months. Therefore, in accordance with customary practice in Ireland, we are seeking approval to authorize the Board to issue up to a maximum of 33% of our issued ordinary share capital as of December 11, 2017 (the latest practicable date before this proxy statement), for a period expiring 18 months from the passing of this resolution, unless otherwise varied, revoked or renewed. Notwithstanding the foregoing, we expect to propose renewal of this authorization on a regular basis at our annual general meetings in subsequent years.

Granting the Board this authority is a routine matter for public companies incorporated in Ireland and is consistent with Irish market practice. This authority is fundamental to our business and enables us to issue shares, including, if applicable, in connection with funding acquisitions and raising capital. We are not asking you to approve an increase in our authorized share capital or to approve a specific issuance of shares. Instead, approval of this proposal will only grant the Board the authority to issue shares that are already authorized under our Articles of Association upon the terms below. In addition, we note that, because we are a NYSE-listed company, our shareholders continue to benefit from the protections afforded to them under the rules and regulations of the NYSE and SEC, including those rules that limit our ability to issue shares in specified circumstances. Furthermore, we note that this authorization is required as a matter of Irish law and is not otherwise required for other companies listed on the NYSE with whom we compete. Accordingly, approval of this resolution would merely place us on par with other NYSE-listed companies.

If shareholders approve this Proposal 5, we expect to use approximately 25,971,828 shares authorized hereby in connection with the internal merger transaction. If shareholders fail to approve this Proposal 5, we expect to use the shares remaining under our current authorization in connection with the internal merger transaction. The internal merger transaction will not have a material effect on our shareholders. See Proposal 8 for additional information concerning the internal merger transaction.

As required under Irish law, the resolution in respect of Proposal 5 is an ordinary resolution that requires the affirmative vote of a simple majority of the votes cast.

THE TEXT OF THE RESOLUTION IN RESPECT OF**PROPOSAL 5 IS AS FOLLOWS:**

That the directors be and are hereby generally and unconditionally authorized with effect from the passing of this resolution to exercise all powers of the Company to allot relevant securities (within the meaning of section 1021 of the Companies Act 2014) up to an aggregate nominal amount of \$ (shares) (being equivalent to approximately 33% of the aggregate nominal value of the issued ordinary share capital of the Company as of December 11, 2017 (the latest practicable date before this proxy statement)), and the authority conferred by this resolution shall expire 18 months from the passing of this resolution, unless previously renewed, varied or revoked; provided that the Company may make an offer or agreement before the expiry of this authority, which would or might require any such securities to be allotted after this authority has expired, and in that case, the directors may allot relevant securities in pursuance of any such offer or agreement as if the authority conferred hereby had not expired.

PROPOSAL 6: BOARD AUTHORITY TO OPT-OUT OF PRE-EMPTION RIGHTS

Under Irish law, unless otherwise authorized, when an Irish public limited company issues shares for cash to new shareholders, it is required first to offer those shares on the same or more favorable terms to existing shareholders of the company on a pro-rata basis (commonly referred to as the pre-emption right). Because our current authority will expire on August 10, 2018, we are presenting this Proposal 6 to renew the Board's authority to opt-out of the pre-emption right on the terms set forth below.

We understand that it is customary practice in Ireland to seek shareholder authority to opt-out of the pre-emption rights provision in the event of (1) the issuance of shares for cash in connection with any rights issue and (2) the issuance of shares for cash, if the issuance is limited to up to 5% of a company's issued ordinary share capital. It is also customary practice for such authority to be limited to a period of 12 to 18 months. Therefore, in accordance with customary practice in Ireland, we are seeking this authority for a period expiring 18 months from the passing of this resolution, unless otherwise varied, renewed or revoked. Notwithstanding the foregoing, we expect to propose renewal of this authorization on a regular basis at our annual general meetings in subsequent years.

Granting the Board this authority is a routine matter for public companies incorporated in Ireland and is consistent with Irish customary practice. Similar to the authorization sought for Proposal 5, this authority is fundamental to our business and, if applicable, will facilitate our ability to fund acquisitions and otherwise raise capital. We are not asking you to approve an increase in our authorized share capital. Instead, approval of this proposal will only grant the Board the authority to issue shares in the manner already permitted under our Articles of Association upon the terms below. Without this authorization, in each case where we issue shares for cash, we would first have to offer those shares on the same or more favorable terms to all of our existing shareholders. This requirement could cause delays in the completion of acquisitions and capital raising for our business. Furthermore, we note that this authorization is required as a matter of Irish law and is not otherwise required for other companies listed on the NYSE with whom we compete. Accordingly, approval of this resolution would merely place us on par with other NYSE-listed companies.

As required under Irish law, the resolution in respect of Proposal 6 is a special resolution that requires the affirmative vote of at least 75% of the votes cast. In addition, under Irish law, the Board may only be authorized to opt-out of pre-emption rights if it is authorized to issue shares, which authority is being sought in Proposal 5.

THE TEXT OF THE RESOLUTION IN RESPECT OF

PROPOSAL 6 IS AS FOLLOWS:

As a special resolution, that, subject to the passing of the resolution in respect of Proposal 5 as set out above and with effect from the passing of this resolution, the directors be and are hereby empowered pursuant to section 1023 of the Companies Act 2014 to allot equity securities (as defined in section 1023 of that Act) for cash, pursuant to the authority conferred by Proposal 5 as if sub-section (1) of section 1022 did not apply to any such allotment, provided that this power shall be limited to:

(a) the allotment of equity securities in connection with a rights issue in favor of the holders of ordinary shares (including rights to subscribe for, or convert into, ordinary shares) where the equity securities respectively attributable to the interests of such holders are proportional (as nearly as may be) to the respective numbers of ordinary shares held by them (but subject to such exclusions or other arrangements as the directors may deem necessary or expedient to deal with fractional entitlements that would otherwise arise, or with legal or practical problems under the laws of, or the requirements of any recognized regulatory body or any stock exchange in, any territory, or otherwise); and

(b) the allotment (other than pursuant to sub-paragraph (a) above) of equity securities up to an aggregate nominal value of \$ (shares) (being equivalent to approximately 5% of the aggregate nominal value of the issued ordinary share capital of the Company as of December 11, 2017 (the latest practicable date before this proxy statement)),

and the authority conferred by this resolution shall expire 18 months from the passing of this resolution, unless previously renewed, varied or revoked; provided that the Company may make an offer or agreement before the expiry of this authority, which would or might require any such securities to be allotted after this authority has expired, and in that case, the directors may allot equity securities in pursuance of any such offer or agreement as if the authority conferred hereby had not expired.

PROPOSAL 7: DETERMINE PRICE RANGE FOR RE-ALLOTMENT OF TREASURY SHARES

Our historical open-market share repurchases and other share buyback activities result in some of our ordinary shares being returned as treasury shares. Our executive compensation program, the 2010 Employee Share Purchase Program, and our other compensation programs make use of treasury shares that we acquire through our various share buyback activities.

Under Irish law, our shareholders must authorize the price range at which Accenture plc may re-allot any shares held in treasury as new shares of Accenture plc. In this proposal, that price range is expressed as a percentage of the minimum and maximum of the closing market price on the day preceding the day on which the relevant share is re-allotted. Irish law requires that this authorization be renewed by our shareholders every 18 months, and we therefore expect that it will continue to be proposed at subsequent annual general meetings.

The authority being sought from our shareholders provides that the minimum and maximum prices at which a treasury Class A ordinary share may be re-allotted are 95% (or nominal value where the re-allotment of treasury shares is required to satisfy an obligation under any compensation program (including any share scheme or option scheme)) and 120%, respectively, of the closing market price of the Class A ordinary shares on the NYSE the day preceding the day on which the relevant share is re-allotted, except as described below. Any re-allotment of treasury shares will only be at price levels that the Company considers to be in the best interests of our shareholders.

As required under Irish law, the resolution in respect of Proposal 7 is a special resolution that requires the affirmative vote of at least 75% of the votes cast.

THE TEXT OF THE RESOLUTION IN RESPECT OF**PROPOSAL 7 IS AS FOLLOWS:**

As a special resolution, that the re-allotment price range at which any treasury Class A ordinary shares for the time being held by Accenture plc may be re-allotted shall be as follows:

- (a) The maximum price at which a treasury Class A ordinary share may be re-allotted shall not be more than 120% of the closing price on the New York Stock Exchange for shares of that class on the day preceding the day on which the relevant share is re-allotted by Accenture plc.
- (b) The minimum price at which a treasury Class A ordinary share may be re-allotted shall be the nominal value of the share where such a share is required to satisfy an obligation under any compensation program (including any share scheme or option scheme) operated by Accenture plc or, in all other cases, not less than 95% of the closing price on the New York Stock Exchange for shares of that class on the day preceding the day on which the relevant share is re-allotted by Accenture plc.

(c) The re-allotment price range as determined by paragraphs (a) and (b) shall expire 18 months from the date of the passing of this resolution, unless previously varied, revoked or renewed in accordance with the provisions of Section 109 and/or 1078 of the Companies Act 2014.

INTERNAL TRANSACTION PROPOSALS

PROPOSAL 8: APPROVE INTERNAL MERGER TRANSACTION

Executive Summary

Purpose of this Proposal. The Company is seeking shareholder approval for an internal transaction that would result in the merger of Accenture plc's direct subsidiary, Accenture Holdings plc ("Accenture Holdings"), into Accenture plc, with Accenture plc as the surviving entity (the "merger"). The Company currently operates its business through subsidiaries of Accenture Holdings as its holding company. The Board has determined that this holding company structure is no longer necessary and that its elimination will result in cost savings and administrative efficiencies.

Effects of Transaction. The merger transaction is internal and administrative in nature and will not dilute your interest in the Company as ordinary shares of Accenture Holdings have historically been included in the Company's calculation of diluted Class A ordinary shares outstanding. Furthermore, the transaction will have no effect on:

your legal or economic rights in Accenture plc; or

how Accenture goes to market, how it manages its business or how it serves its clients.

Exchange of Accenture Holdings Shares. In connection with the internal merger transaction, shareholders of Accenture Holdings (other than Accenture entities that hold shares of Accenture Holdings), who are primarily our former partners and current members of our leadership will receive one Class A ordinary share of Accenture plc

for every share of Accenture Holdings that they own, after which Accenture Holdings will cease to exist.

Reason for this Proposal. While it is neither customary nor required under Irish law for Irish companies to seek shareholder approval for internal transactions with their subsidiaries such as this merger, our Articles of Association currently require shareholder approval for any merger of the Company with another company, including transactions with the Company's own subsidiaries and affiliates. **The Board is submitting for shareholder approval, and has recommended that shareholders vote FOR , this proposal** to approve the Common Draft Terms of Merger, which is the document that sets forth the terms of the merger of Accenture Holdings into Accenture plc.

For additional details regarding the proposed transaction, please see the discussion below.

Transaction Mechanics

The transaction will be structured as a merger by acquisition under the Companies Act 2014, with Accenture plc as the surviving entity. As a result, on the effective date of the merger, all of the assets and liabilities of Accenture Holdings will be acquired by Accenture plc, and Accenture Holdings will cease to exist. The procedures required to effect the transaction are described below.

Accenture plc Shareholder Approval. Pursuant to our Articles of Association, our shareholders are required to approve the Common Draft Terms of Merger, the document that sets forth the terms of the merger, the form of which is attached to this proxy statement as Annex B (the "Common Draft Terms of Merger").

Accenture Holdings Shareholder Approval. On February 5, 2018, Accenture Holdings will hold its annual general meeting to approve, among other proposals, the Common Draft Terms of Merger. Accenture plc owns 96% of the outstanding shares of Accenture Holdings entitled to vote at such annual general meeting and will vote all of its shares in favor of approving the Common Draft Terms of Merger. Therefore, the proposal is assured to pass at Accenture Holdings' annual general meeting.

Irish High Court Approval. If this proposal is approved by the Company's and Accenture Holdings' respective shareholders, the Company and Accenture Holdings will jointly apply to the Irish High Court for an order confirming the merger, determining the fairness of the terms and conditions of the merger to Accenture Holdings shareholders and setting the effective date of the merger.

Effectiveness. If all of the conditions are satisfied (and the transaction is not otherwise abandoned), the merger will take effect on the date set in the order or such other date directed by the Irish High Court. We currently expect that the effective date will occur in March 2018.

STATEMENT****Internal Transaction Proposals****77****Parties**

Accenture plc. Accenture plc is an Irish public limited company with no material assets other than Accenture Holdings ordinary shares. Accenture plc operates its business through subsidiaries of Accenture Holdings. As the controlling shareholder of Accenture Holdings, the Company currently controls the management and operations of Accenture Holdings and consolidates the results of Accenture Holdings in its consolidated financial statements.

Accenture Holdings plc. Accenture Holdings plc is an Irish public limited company, having its registered office at 1 Grand Canal Square, Grand Canal Harbour, Dublin 2, Ireland and a company registration number 560222. Accenture Holdings plc is a direct subsidiary of Accenture plc. Following the merger, Accenture Holdings will cease to exist.

Conditions to the Consummation of the Internal Merger Transaction

The internal merger transaction will not be completed unless, among other things, the following conditions are satisfied or, if allowed by law, waived:

Shareholder Approval. Both our and the shareholders of Accenture Holdings approve the Common Draft Terms of Merger;

Availability of Documents. At least 30 days prior to the date of the Accenture Holdings annual general meeting, certain documents relating to the merger are made available free of charge to Accenture plc and Accenture Holdings shareholders at the registered offices of Accenture plc and Accenture Holdings;

No Legal Restraints. There is no threatened, pending or effective decree, order, injunction or other legal restraint prohibiting the consummation of the merger; and

Irish High Court Approvals. The requisite order of the Irish High Court confirming the merger, determining the fairness of the terms and conditions of the merger to Accenture Holdings shareholders and setting the effective date has been obtained.

Amendment, Termination or Delay

Subject to U.S. securities law and Irish law constraints, the Common Draft Terms of Merger may be amended at any time before or after its approval by Accenture shareholders at the Annual Meeting. However, after the shareholders have approved the Common Draft Terms of Merger, no changes may be made except as provided by the Irish High

Court.

While we currently expect to complete the merger in March 2018, until the issuance of the order of the Irish High Court, the merger may be abandoned or delayed by the Board and/or the board of directors of Accenture Holdings, even if approved by the shareholders of both Accenture plc and Accenture Holdings and all other conditions (other than the approval of the Irish High Court) have been satisfied.

Appraisal Rights

Shareholders of Accenture plc are not exchanging their shares in connection with this internal merger transaction. Accordingly, appraisal rights are neither relevant nor available under Irish law to Accenture plc shareholders.

U.S. Federal Securities Law Consequences

The issuance of Class A ordinary shares of Accenture plc to Accenture Holdings shareholders in connection with the internal merger transaction will not be registered under the Securities Act. Section 3(a)(10) of the Securities Act exempts securities issued in exchange for outstanding securities from the general requirement of registration where the terms and conditions of such issuance and exchange have been approved by any court of competent jurisdiction, after a hearing upon the fairness of the terms and conditions of the issuance and exchange at which all persons to whom such securities will be issued have a right to appear and to whom adequate notice of the hearing has been given. In determining whether it is appropriate to grant the order confirming the merger and setting the effective date, the Irish High Court will consider, including at a hearing at which Accenture Holdings shareholders will have the right to appear and to whom adequate notice of such hearing will have been given, the fairness of the terms and conditions of the merger to Accenture Holdings shareholders, such that Class A ordinary shares of Accenture plc issued pursuant to the merger will constitute an exempt issuance within the meaning of Section 3(a)(10) of the Securities Act.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Internal Transaction Proposals****78****Effective Date and Time of the Internal Merger Transaction**

The transaction will take effect on the effective date set forth in the order of the Irish High Court confirming the merger and determining the fairness of the terms and conditions of the merger to Accenture Holdings shareholders. We and Accenture Holdings intend to propose to the Irish High Court that the merger take effect on a date in March 2018. While, the determination of the effective date is entirely within the Irish High Court's discretion, we are not aware of any reason why it would not grant the requested date. In addition, until the issuance of the order of the Irish High Court, the merger may be abandoned or delayed by the Board and/or the board of directors of Accenture Holdings. See Amendment, Termination or Delay.

Interests of Certain Persons in the Internal Merger Transaction

No person who has been a director or executive officer of Accenture plc, at any time since the beginning of the last fiscal year, or any associate of any such person, has any substantial interest in the merger, except for any interest arising from his or her ownership of securities of Accenture Holdings, as the case may be. No such person is receiving any extra or special benefit not shared on a *pro rata* basis by all other Accenture Holdings shareholders.

Regulatory Matters

Other than as disclosed in this proxy statement and the compliance with U.S. federal and state securities laws and Irish law, we are not aware of any further governmental approvals or actions that are required to complete the merger. We do not believe that any significant regulatory approvals will be required to effect the merger.

Income Tax Consequences

There will be no U.S. federal or Irish income tax consequences to a holder of Accenture plc shares as a result of the merger, and Accenture plc will not recognize gain or loss for U.S. federal income tax purposes and will be exempt from Irish tax on any gain or loss for Irish tax purposes.

Accounting Treatment

Under U.S. GAAP, the merger represents a transaction between entities under common control. Assets and liabilities transferred between entities under common control are accounted for at historical cost. Accordingly, the assets and liabilities of Accenture Holdings will be reflected at their carrying amounts in the consolidated group accounts of Accenture plc at the time of the merger.

Effect of the Internal Merger Transaction on SEC Filing Obligations and**SEC Registrant Status**

The merger will not change our SEC filing status. Upon completion of the merger, we will continue to remain subject to SEC reporting requirements, and we will continue to report our consolidated financial results in U.S. dollars and in accordance with U.S. GAAP. As required by Irish law, in connection with annual general meetings of Accenture plc, our Irish financial statements will be made available to shareholders. As a result of the transaction, Accenture Holdings will cease to exist and therefore no longer be obligated either to prepare separate financial statements or to file reports with the SEC.

Company's and Accenture Holdings' historical financial statements are included in their respective Annual Reports on Form 10-K for the year ended August 31, 2017, which are incorporated by reference in this proxy statement.

PROPOSAL 9: APPROVE AN AMENDMENT TO THE COMPANY'S ARTICLES OF ASSOCIATION TO NO LONGER REQUIRE SHAREHOLDER APPROVAL OF CERTAIN INTERNAL TRANSACTIONS

Our Articles of Association currently require shareholder approval, by ordinary resolution, with respect to (1) any amalgamation or merger of the Company with another company and (2) any sale, lease or exchange by the Company of all or substantially all of its assets. This requirement extends not only to transactions with third parties, but also to internal transactions between our subsidiaries and affiliates. **The Board is submitting for shareholder approval, and has recommended that shareholders vote FOR , the following proposal** to approve an amendment to the Company's Articles of Association to permit the Company to engage in these internal transactions without obtaining shareholder approval.

Reasons for Proposal. The reasons for this proposal are as follows:

Under Irish law, it is neither required nor customary to seek shareholder approval for most internal transactions. This unusual provision is a carryover that has been part of our constitutional documentation since our initial public offering in 2001.

This amendment to the Company's Articles of Association would enable the Company to perform an internal transaction more efficiently and in a manner consistent with Irish law and common practice.

Permitting the Company to engage in internal transactions without obtaining shareholder approval would provide the Company with the administrative and operational flexibility to efficiently pursue internal corporate structuring transactions (such as the internal reorganization transaction described in Proposal 8) that have no material effect on the Company's shareholders, while eliminating the cost and delay of conducting a proxy solicitation. Accordingly, the Board is recommending that shareholders approve this administrative amendment to the Company's Articles of Association in order to permit the Company to engage in such internal transactions without obtaining shareholder approval, consistent with Irish law.

Effect of Proposal. Under the proposed amendment, the Company will continue to be required by its Articles of Association to seek shareholder approval for any transactions with third parties, such as mergers and amalgamations and sales, leases or exchanges by the Company of all or substantially all of its assets, in addition to any other resolution or sanction required by applicable law. However, certain internal corporate structuring transactions (e.g., mergers of subsidiaries into the Company) would no longer require shareholder approval. By no longer requiring

shareholder approval of these internal transactions, such as the transaction contemplated by Proposal 8, the Board can more readily implement an optimal corporate structure for the Company and its shareholders going forward.

As required under Irish law, the resolution in respect of Proposal 9 is a special resolution that requires the affirmative vote of at least 75% of the votes cast.

THE TEXT OF THE RESOLUTION IN RESPECT OF

PROPOSAL 9 IS AS FOLLOWS:

That Article 81 of the Articles of Association is hereby amended by the insertion of the underlined text as follows:

(a) Any amalgamation or merger of the Company and another company (in the case of clause (ii), other than a subsidiary or affiliate) shall require the approval of (i) the Board by a resolution passed with the approval of a majority of those Directors then in office and eligible to vote on that resolution and (ii) an Ordinary Resolution, in addition to any other resolution or sanction required by applicable law.

(b) Any sale, lease or exchange by the Company (in the case of clause (ii), other than with a subsidiary or affiliate) of all or substantially all of its property or assets, including its goodwill and its corporate franchises, will require the approval of (i) the Board by a resolution passed with the approval of a majority of those Directors then in office and eligible to vote on that resolution and (ii) an Ordinary Resolution, in addition to any other resolution or sanction required by applicable law.

QUESTIONS AND ANSWERS ABOUT

THE ANNUAL MEETING

WHY DID I RECEIVE THESE PROXY MATERIALS?

We are providing these proxy materials in connection with the solicitation by the Board of proxies to be voted at the Annual Meeting. We either (1) mailed you a Notice of Internet Availability of Proxy Materials (Notice of Internet Availability) notifying each shareholder entitled to vote at the Annual Meeting how to vote and how to electronically access a copy of this proxy statement and our Annual Report for the fiscal year ended August 31, 2017 (referred to as the Proxy Materials) or (2) mailed you a paper copy of the Proxy Materials and a proxy card in paper format. You received these Proxy Materials because you were a shareholder of record as of the close of business on December 11, 2017. If you have not received, but would like to receive, a paper copy of the Proxy Materials and a proxy card in paper format, you should follow the instructions for requesting such materials contained in the Notice of Internet Availability.

WHAT IS THE DATE, TIME AND LOCATION OF THE ANNUAL MEETING?

We will hold the Annual Meeting at 12:00 pm local time on Wednesday, February 7, 2018, at The Dock, located at 7 Hanover Quay, Grand Canal Dock, Dublin 2, Ireland, subject to any adjournments or postponements. For directions to the meeting, you may contact our Corporate Secretary, c/o Accenture, 161 N. Clark Street, Chicago, Illinois 60601, USA.

WHO IS ENTITLED TO VOTE?

The Board has set December 11, 2017 as the record date for the Annual Meeting. All persons who were registered holders of Accenture plc's Class A ordinary shares and/or Class X ordinary shares at the close of business on that date are shareholders of record for the purposes of the Annual Meeting and will be entitled to attend and vote at the Annual Meeting. Beneficial owners who, at the close of business on the record date, held their shares in an account with a broker, bank or other holder of record generally cannot vote their shares directly and instead must instruct the record holder how to vote their shares.

As of the close of business on the record date, there were Class A ordinary shares outstanding (which includes shares held by Accenture) and Class X ordinary shares outstanding. Class A ordinary shares held by Accenture may not be voted and, accordingly, will have no impact on the outcome of any vote of the shareholders of Accenture plc. Each shareholder of record is entitled to one vote per Class A ordinary share and one vote per Class X ordinary share on each matter submitted to a vote of shareholders. Holders of Class A ordinary shares and Class X ordinary shares will vote together, and not as separate classes, on all matters being considered at the Annual Meeting. Your shares will be represented if you attend and vote at the Annual Meeting or if you submit a completed proxy.

IF I AM A CURRENT OR FORMER ACCENTURE EMPLOYEE WITH**EMPLOYEE PLAN SHARES, HOW DO I VOTE?**

If you are a current or former Accenture employee with shares received through our employee plans and held by Morgan Stanley Smith Barney LLC (MSSB) or UBS Financial Services, Inc. You may submit one proxy for all of these shares via the Internet, by telephone or by mail in the same manner as described above for registered shareholders. If you vote your plan shares by 11:59 pm EST on February 4, 2018, MSSB and/or UBS will vote the shares as you have directed.

It is important that you direct MSSB and/or UBS how to vote your shares. If voting instructions are not received on time by MSSB, MSSB will not vote your shares for any proposal. If voting instructions are not received on time by UBS, UBS will not vote your shares on non-routine proposals (Proposals 1, 2, 3, 8 and 9). UBS will, however, vote your shares on routine proposals (Proposals 4, 5, 6 and 7 in this proxy statement) in the same proportion as the plan shares with respect to which voting instructions for routine proposals were received by UBS on a timely basis.

Participants with shares received through employee plans may attend the Annual Meeting by following the instructions in the section **What do I need to be admitted to the Annual Meeting?** below. WHAT DO I NEED TO BE ADMITTED TO THE ANNUAL MEETING?

At the entrance to the Annual Meeting in Dublin, we will request to see your admission ticket and valid photo identification, such as a driver's license or passport. We encourage you to request an admission ticket for the Annual Meeting in advance. You may request admission tickets by visiting www.proxyvote.com and following the instructions provided. You will need the 16-digit control number included on your proxy card, voter instruction form or Notice of Internet Availability. If you do not request an admission ticket in advance, we will need to determine if you owned ordinary shares on the record date by:

asking to review evidence of your share ownership as of December 11, 2017, such as your brokerage statement. You must bring such evidence with you in order to be admitted to the meeting; or

verifying your name and share ownership against our list of registered shareholders.

If you are acting as a proxy, we will need to review a valid written legal proxy signed by the registered owner of the ordinary shares granting you the required authority to attend the meeting and vote such shares.

WHAT CONSTITUTES A QUORUM?

In order to establish a quorum at the Annual Meeting there must be at least 3 shareholders present in person or by proxy who have the right to attend and vote at the meeting and who together hold shares representing more than 50% of the votes that may be cast by all shareholders of record. For purposes of determining a quorum, abstentions and broker non-votes are counted as present.

HOW ARE VOTES COUNTED?

You may vote **FOR**, **AGAINST** or **ABSTAIN** with respect to each of the proposals presented. A vote **FOR** will be counted in favor of the proposal or respective director nominee and a vote **AGAINST** will be counted against each proposal or respective nominee. Except as described below, an **ABSTAIN** vote will not be counted **FOR** or **AGAINST** and will have no effect on the voting results for any of the proposals in this proxy statement. Broadridge Investor Communication Solutions, Inc. will act as our Inspector of Election at the Annual Meeting and assist us in tabulating the votes.

WHAT IS A BROKER NON-VOTE AND HOW DOES IT AFFECT VOTING?

If you are a beneficial owner whose shares are held of record by a broker, we encourage you to instruct the broker how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal for which the broker does not have discretionary authority to vote. This is called a **broker non-vote**, which occurs for proposals considered **non-routine** under NYSE rules. Your broker will, however, still be able to register your shares as being present at the Annual Meeting for purposes of determining the presence of a quorum and will be able to vote on **routine** proposals.

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Questions and Answers****85**

The routine proposals in this proxy statement are Proposals 4, 5, 6 and 7, for which your broker has discretionary voting authority under the NYSE rules to vote your shares, even if the broker does not receive voting instructions from you. All other proposals (Proposals 1, 2, 3, 8 and 9) are considered non-routine such that, if you are a beneficial owner whose shares are held of record by a broker and you do not provide voting instructions, a broker non-vote will occur and your shares will not be voted on these proposals.

WHAT IS THE VOTE REQUIRED TO APPROVE EACH OF THE PROPOSALS DISCUSSED IN THE PROXY STATEMENT?

The chart below summarizes the voting requirements and effects of broker non-votes and abstentions on the outcome of the vote for the proposals at the Annual Meeting.

		Discretionary Voting Allowed	Broker Non-Votes	Broker Abstentions
1. Re-Appointment of Directors	Majority of Votes Cast	No	No effect	No effect

9. Amend the Company's Articles of Association to no Longer Require Shareholder Approval of Certain Internal Transactions	75% of Votes Cast	No	No effect	No effect

(1)

Under NYSE rules, approval of this proposal requires the affirmative vote of a majority of votes cast but, unlike under Irish law, abstentions count as a vote against the proposal.

There is no cumulative voting in the appointment of directors. The appointment of each director nominee will be considered and voted upon as a separate proposal. Proxies cannot be voted for a greater number of persons than the number of nominees named. If the proposal for the appointment of a director nominee does not receive the required majority of the votes cast, then the director will not be appointed and the position on the Board that would have been filled by the director nominee will become vacant. The Board has the ability to fill the vacancy upon the recommendation of its Nominating & Governance Committee, in accordance with Accenture plc's Articles of Association, subject to re-appointment by Accenture plc's shareholders at the next annual general meeting of shareholders.

WHO WILL PAY FOR THE COST OF THIS PROXY SOLICITATION?

Accenture will bear the costs of soliciting proxies from the holders of our Class A ordinary shares and Class X ordinary shares. Proxies may be solicited on our behalf by our directors, officers and other selected Accenture employees telephonically, electronically or by other means of communication, and by Georgeson LLC, whom we have hired to assist in the solicitation of proxies. Directors, officers and employees who help us in the solicitation will not be specially compensated for those services, but they may be reimbursed for their out-of-pocket expenses incurred in connection with the solicitation. Georgeson LLC will receive a fee of \$25,000, plus reasonable out-of-pocket costs and expenses, for its services. Brokerage houses, nominees, fiduciaries and other custodians will be requested to forward soliciting materials to beneficial owners and will be reimbursed for their reasonable out-of-pocket expenses incurred in sending the materials to beneficial owners.

STATEMENT****86****ADDITIONAL INFORMATION****HOUSEHOLDING OF SHAREHOLDER DOCUMENTS**

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements with respect to 2 or more shareholders sharing the same address by delivering a single annual report and proxy statement or a single notice of internet availability of proxy materials addressed to those shareholders. This process, which is commonly referred to as "householding", reduces the volume of duplicate information received at households and helps to reduce costs. While the Company does not household, a number of brokerage firms with account holders who are Accenture shareholders have instituted householding. Once a shareholder has consented or receives notice from his or her broker that the broker will be householding materials to the shareholder's address, householding will continue until the shareholder is notified otherwise or until one or more of the shareholders revokes his or her consent. If your notice of internet availability of proxy materials or your annual report and proxy statement, as applicable, have been household and you wish to receive separate copies of these documents now and/or in the future, or if your household is receiving multiple copies of these documents and you wish to request that future deliveries be limited to a single copy, you may notify your broker. You can also request and the Company will promptly deliver a separate copy of the Notice of Internet Availability or the Proxy Materials by writing or calling our Investor Relations Group at the following address, telephone number or e-mail address: Accenture, Investor Relations, 1345 Avenue of the Americas, New York, New York 10105, USA; telephone number, +1 (703) 948-5150 in the United States and Puerto Rico, and +(353) (1) 407-8203 outside the United States and Puerto Rico; or e-mail, investor.relations@accenture.com.

SUBMISSION OF FUTURE SHAREHOLDER PROPOSALS

Our annual general meeting of shareholders for 2019 is expected to be held in February 2019. In accordance with the rules established by the SEC, any shareholder proposal submitted pursuant to Rule 14a-8 to be included in the proxy statement for that meeting must be received by us by August 1, 2018. If you would like to submit a shareholder proposal to be included in those proxy materials, you should send your proposal to our Corporate Secretary, c/o Accenture, 161 N. Clark Street, Chicago, Illinois 60601, USA. In order for your proposal to be included in the proxy statement, the proposal must comply with the requirements established by the SEC and our Articles of Association.

Pursuant to our Articles of Association, a shareholder must give notice of any intention to propose a person for appointment as a director not less than 120 nor more than 150 days before the first anniversary of the date of the proxy statement for our prior year's annual general meeting ("traditional advance notice"). In addition, shareholders have the right, subject to certain terms and conditions, to have their nominee included in our proxy materials for the applicable Annual Meeting ("proxy access"). Subject to our Articles of Association, any notice of an intention to nominate a person for appointment as a director pursuant to traditional advance notice or proxy access must be received by our Corporate Secretary on or after July 1, 2018 but no later than August 1, 2018. Unless a shareholder who wishes to present a proposal at the Annual Meeting (other than a proposal to appoint a person as a director outlined above) outside the processes of Rule 14a-8 of the Exchange Act has submitted such proposal to us by the close of business on November 1, 2018, subject to applicable rules, we will have discretionary authority to vote on any such proposal.

with respect to all proxies submitted to us even when we do not include in our proxy statement advice on the nature of the matter and how we intend to exercise our discretion to vote on the matter.

Irish law currently provides that shareholders holding 10% or more of the total voting rights may request that the directors call an extraordinary general meeting at any time. The shareholders who wish to request an extraordinary general meeting must deliver to Accenture's principal executive office a written notice, signed by the shareholders requesting the meeting and stating the purposes of the meeting. If the directors do not, within 21 days of the date of delivery of the request, proceed to convene a meeting to be held within 2 months of that date, those shareholders (or any of them representing more than half of the total voting rights of all of them) may themselves convene a meeting, but any meeting so convened cannot be held after the expiration of 3 months from the date of delivery of the request. These provisions of Irish law are in addition to, and separate from, the requirements that a shareholder must meet in order to have a proposal included in the proxy statement under the rules of the SEC.

RECONCILIATION OF NON-GAAP MEASURES TO GAAP MEASURES

In this proxy statement, Accenture discloses the following non-GAAP financial measures:

Net Revenues. Percentage changes in revenues before reimbursements (net revenues) on a local currency basis. Financial results in local currency are calculated by restating current-period activity into U.S. dollars using the comparable prior-year period's foreign currency exchange rates. This approach is used for all results where the functional currency is not the U.S. dollar. Accenture's management believes that

Table of Contents**ACCENTURE 2017 PROXY
STATEMENT****Additional Information****88**

information regarding changes in its net revenues that excludes the effect of fluctuations in foreign currency exchange rates facilitates meaningful comparison of its net revenues before reimbursements.

Earnings Per Share. Earnings per share for fiscal 2016, excluding gains on the sale of businesses; and earnings per share and operating margin for fiscal 2017, excluding a pension settlement charge. Accenture's management believes that information regarding the effects of the gains on the sale of businesses and the pension settlement charge facilitates understanding as to both the impact of these items and the company's operating performance.

Free Cash Flow. Free cash flow (defined as operating cash flow net of property and equipment additions). Accenture's management believes that this information provides meaningful additional information regarding the Company's liquidity.

While Accenture's management believes that this non-GAAP financial information is useful in evaluating Accenture's operations, this information should be considered as supplemental in nature and not as a substitute for the related financial information prepared in accordance with GAAP.

The Shares may consist, in whole or in part, of unissued Shares or previously-issued Shares. If Shares are not issued or are withheld from payment of an Award to satisfy tax obligations with respect to the Award, such Shares will not be added back to the aggregate number of Shares with respect to which Awards may be granted under the Plan, but rather will count against the aggregate number of Shares with respect to which Awards may be granted under the Plan. When an Option or Share Appreciation Right is granted under the Plan, the number of Shares subject to the Option or Share Appreciation Right will be counted against the aggregate number of Shares with respect to

which Awards may be granted under the Plan as one Share for every Share subject to such Option or Share Appreciation Right, regardless of the actual number of Shares (if any) used to settle such Option or Share Appreciation Right upon exercise and regardless of whether the Company utilizes the proceeds received upon Option exercise to repurchase Shares on the open market or otherwise. Shares that are subject to Awards that terminate, lapse or are cancelled may again be used to satisfy Awards under the Plan.

4. Administration

The Plan shall be administered by the Committee, which may delegate its duties and powers in whole or in part to any subcommittee thereof consisting solely of at least two individuals who are intended to qualify as Non-Employee Directors within the meaning of Rule 16b-3 under the Act (or any successor rule thereto) and independent directors within the meaning of the New York Stock Exchange or other applicable listed company rules. Additionally, the Committee may delegate the authority to grant Awards under the Plan to any employee or group of employees of the Company or an Affiliate; provided that such delegation and grants are consistent with applicable law and guidelines established by the Board from time to time. The Committee may grant Awards under this Plan only to Participants; provided that Awards may also, in the discretion of the Committee, be made under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company, its predecessor, Accenture Ltd, or the Company's Affiliates or a company that becomes an Affiliate. The number of Shares underlying such substitute Awards shall be counted against the aggregate number of Shares available for Awards under the Plan. The Committee is authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administration of the Plan, as described herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, but not limited to, Participants and their beneficiaries or successors). The Committee shall have the full power and authority to establish the terms and conditions of any Award consistent with the provisions of the Plan and to waive any such terms and conditions at any time (including, without limitation, accelerating or waiving any vesting conditions). The Committee shall require payment of any amount it may determine to be necessary to withhold for federal, state, local or other taxes of any relevant jurisdiction as a result of the granting, vesting or exercise of an Award, the delivery of cash or Shares pursuant to an Award, or upon the sale of Shares acquired by the granting, vesting or exercise of an Award.

5. Limitations

(a) *Time Limitation.* No Award may be granted under the Plan after December 10, 2024, but Awards theretofore granted may extend beyond that date.

(b) *Aggregate Limits on Awards to Non-Employee Directors.* The maximum number of Shares subject to Awards granted during a fiscal year to any non-employee director, taken together with any cash retainer paid to such non-employee director in respect of such fiscal year, shall not exceed \$750,000 in total value (calculating the value of

any such Awards based on the grant date fair value of such Awards for financial reporting purposes and excluding, for this purpose, the value of any dividends or dividend equivalents paid on any Shares or Awards).

6. Terms and Conditions of Options

Options granted under the Plan shall be, as determined by the Committee, non-qualified stock options or ISOs for United States federal income tax purposes (or other types of Options in jurisdictions outside the United States), as evidenced by the related Award agreements, and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine:

- (a) *Grant Price; Exercisability and Term.* Options granted under the Plan shall have a Grant Price that is not less than the Fair Market Value of a Share on the date of grant (other than in the case of Options granted in substitution of previously granted awards, as described in Section 4, or as provided under Section 8), and shall be exercisable at such time and upon such terms and conditions, as may be determined by the Committee. No Option shall have a term in excess of ten years.
- (b) *Exercise of Options.* Except as otherwise provided in the Plan or in an Award agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of this Section 6 of the Plan, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date payment is received by the Company pursuant to clauses (i), (ii) or (iii) in the following sentence. Except as otherwise provided in an Award agreement, the purchase price for the Shares as to which an Option is exercised shall be paid in full no later than the time when Shares are delivered following option exercise, with such

payment made to the Company (i) in cash or its equivalent (e.g., by check), (ii) to the extent permitted by the Committee, by net-settlement in Shares or by transferring Shares having a Fair Market Value equal to the aggregate Grant Price for the Shares being purchased to a nominee of the Company and satisfying such other requirements as may be imposed by the Committee; provided, that such Shares have been held by the Participant for no less than six months (or such other period as established from time to time by the Committee or generally accepted accounting principles, (iii) partly in cash and, to the extent permitted by the Committee, partly in such Shares or (iv) through the delivery of irrevocable instructions to a broker to sell Shares obtained upon the exercise of the Option and deliver promptly to the Company an amount out of the proceeds of such sale equal to the aggregate Grant Price for the Shares being purchased. No Participant shall have any rights to dividends or other rights of a shareholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, the Participant has paid in full for such Shares, the Shares in question have been registered in the Company's register of shareholders and, if applicable, the Participant has satisfied any other conditions imposed by the Committee pursuant to the Plan.

- (c) *ISOs*. The Committee may grant Options under the Plan that are intended to be ISOs. No ISO shall have a per Share Grant Price of less than the Fair Market Value of a Share on the date granted or have a term in excess of ten years; provided, however, that no ISO may be granted to any Participant who at the time of such grant, owns more than ten percent of the total combined voting power of all classes of shares of the Company or of any Subsidiary, unless (i) the Grant Price for such ISO is at least 110% of the Fair Market Value of a Share on the date the ISO is granted and (ii) the date on which such ISO terminates is a date not later than the day preceding the fifth anniversary of the date on which the ISO is granted. Any Participant who disposes of Shares acquired upon the exercise of an ISO either (A) within two years after the date of grant of such ISO or (B) within one year after the transfer of such Shares to the Participant, shall notify the Company of such disposition and of the amount realized upon such disposition. All Options granted under the Plan are intended to be nonqualified stock options, unless the applicable Award agreement expressly states that the Option is intended to be an ISO. If an Option is intended to be an ISO, and if for any reason such Option (or portion thereof) shall not qualify as an ISO, then, to the extent of such nonqualification, such Option (or portion thereof) shall be regarded as a nonqualified stock option granted under the Plan; provided that such Option (or portion thereof) otherwise complies with the Plan's requirements relating to nonqualified stock options. In no event shall any member of the Committee, the Company or any of its Affiliates (or their respective employees, officers or directors) have any liability to any Participant (or any other Person) due to the failure of an Option to qualify for any reason as an ISO.
- (d) *Attestation*. Wherever in this Plan or any agreement evidencing an Award a Participant is permitted to pay the Grant Price or taxes relating to the exercise of an Option by delivering Shares to a nominee of the Company, the Participant may, subject to procedures satisfactory to the Committee, satisfy such delivery requirement by presenting proof of beneficial ownership of such Shares, in which case the Company shall treat the Option as exercised without further payment and shall withhold such number of Shares from the Shares acquired by the exercise of the Option.

- (e) *Repricing of Options.* Notwithstanding any provision herein to the contrary, the repricing of an Option, once granted hereunder, is prohibited without prior approval of the Company's shareholders. For this purpose, a repricing means any of the following (or any other action that has the same effect as any of the following): (i) changing the terms of an Option to lower the Grant Price; (ii) any other action that is treated as a repricing under generally accepted accounting principles; and (iii) repurchasing for cash or canceling an Option in exchange for another Award at a time when the Grant Price is greater than the Fair Market Value of the underlying Shares, unless the cancellation and exchange occurs in connection with a change in capitalization or similar change permitted under Section 9(a) below.

7. Terms and Conditions of Share Appreciation Rights

- (a) *Grants.* The Committee also may grant (i) a Share Appreciation Right independent of an Option or (ii) a Share Appreciation Right in connection with an Option, or a portion thereof. A Share Appreciation Right granted pursuant to clause (ii) of the preceding sentence (A) may be granted at the time the related Option is granted or at any time prior to the exercise or cancellation of the related Option, (B) shall cover the same number of Shares covered by an Option (or such lesser number of Shares as the Committee may determine) and (C) shall be subject to the same terms and conditions as such Option except for such additional limitations as are contemplated by this Section 7 (or such additional limitations as may be included in an Award agreement).
- (b) *Terms.* The exercise price per Share of a Share Appreciation Right shall be an amount determined by the Committee that is not less than the Fair Market Value of a Share on the date of grant (other than in the case of Share Appreciation Rights granted in substitution of previously granted awards, as described in Section 4). Each Share Appreciation Right granted independent of an Option shall entitle a Participant upon exercise to a payment from the Company of an amount equal to (i) the excess of (A) the Fair Market Value on the exercise date of one Share over (B) the exercise price per Share, times (ii) the number of Shares covered by the Share Appreciation Right. granted in conjunction with an Option, or a portion thereof, shall entitle a Participant to surrender to the Company the unexercised Option, or any portion thereof, and to receive from the Company in exchange therefor an amount equal to (I) the excess of (x) the Fair Market Value on the exercise date of one Share over (y) the Grant Price per Share, times (II) the number of Shares covered by the Option, or portion thereof, which is surrendered. The date a notice of exercise is received by the Company shall be the exercise date. Payment shall be made in Shares or in cash, or partly in Shares and partly in cash (any such Shares valued at such Fair Market Value), all as shall be determined by the Committee. If the payment is made, in whole or in part, in newly issued Shares, the Participant shall agree to pay to the Company the aggregate par value of such Shares. Share Appreciation Rights may be exercised from time to time upon actual receipt by the Company of written notice of exercise stating the number of Shares with respect to which the Share Appreciation Right is being exercised. No fractional Shares will be issued in payment for Share Appreciation Rights, but instead cash will be paid for a fraction or, if the Committee should so determine, the number of Shares will be rounded downward to the next whole Share.

(c) *Limitations.* The Committee may impose, in its discretion, such conditions upon the exercisability or transferability of Share Appreciation Rights as it may deem fit but in no case shall a Share Appreciation Right vest and become exercisable until the lapse of a period of at least one year from the date of grant. No Share Appreciation Right shall have a term in excess of ten years.

(d) *Repricing of Share Appreciation Rights.* Notwithstanding any provision herein to the contrary, the repricing of a Share Appreciation Right, once granted hereunder, is prohibited without prior approval of the Company's shareholders. For this purpose, a repricing means any of the following (or any other action that has the same effect as any of the following): (i) changing the terms of a Share Appreciation Right to lower its exercise price; (ii) any other action that is treated as a repricing under generally accepted accounting principles; and (iii) repurchasing for cash or canceling a Share Appreciation Right in exchange for another Award at a time when its exercise price is greater than the Fair Market Value of the underlying Shares, unless the cancellation and exchange occurs in connection with a change in capitalization or similar change permitted under Section 9(a) below.

8. Other Share-Based Awards

The Committee, in its sole discretion, may grant Awards of Shares, Awards of restricted Shares, Awards of RSUs and other Awards that are valued in whole or in part by reference to, or are otherwise based on the Fair Market Value of, Shares (Other Share-Based Awards). Such Other Share-Based Awards shall be in such form, and dependent on such conditions, as the Committee shall determine, including, without limitation, the right to receive one or more Shares (or the equivalent cash value of such Shares) upon the completion of a specified period of service, the occurrence of an event and/or the attainment of performance objectives. Other Share-Based Awards may be granted alone or in addition to any other Awards granted under the Plan and also may be granted as matching Awards in connection with a Participant's purchase of Shares under the Plan or under any other plan maintained by the Company, or pursuant to open market purchases. Subject to the provisions of the Plan, the Committee shall determine: (i) to whom and when Other Share-Based Awards will be made; (ii) the number of Shares to be awarded under (or otherwise related to) such

Other Share-Based Awards; (iii) whether such Other Share-Based Awards shall be settled in cash, Shares or a combination of cash and Shares; and (iv) all other terms and conditions of such Other Share-Based Awards (including, without limitation, the vesting provisions thereof, any required payments to be received from Participants and other provisions ensuring that all Shares so awarded and issued shall be fully paid and non-assessable).

9. Adjustments Upon Certain Events

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Awards granted under the Plan:

- (a) *Generally.* In the event of any change in the outstanding Shares after the Board Approval Date by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, amalgamation, spin-off or combination transaction or repurchase or exchange of Shares or other corporate exchange, or any distribution to shareholders of Shares other than regular cash dividends or any transaction similar to the foregoing, the Committee in its sole discretion and without liability to any person shall make such substitution or adjustment, if any, as it deems to be equitable, as to (i) the number or kind of Shares or other securities or property issued or reserved for issuance pursuant to the Plan or pursuant to outstanding Awards, (ii) the Grant Price or exercise price of any Share Appreciation Right, (iii) any applicable performance measures or performance vesting terms with respect to outstanding Awards and/or (iv) any other affected terms of any Award.
