(the Registrant) issuable pursuant to equity awards assumed by the Registrant in connection with its acquisition of CH2M HILL Companies, Ltd. (CH2M) granted under the CH2M Amended and Restated Long Term Incentive Plan, effective as of February 20, 2017 (the CH2M 2017 LTIP), which number of shares has been adjusted to reflect such number of shares of the Registrant's common stock based on an exchange ratio in the Merger Agreement (as defined in the Explanatory Note below). Pursuant to Rule 416(a) of the Securities Act of 1933, as amended (the Securities Act), this Registration Statement also covers such indeterminable number of additional shares of common stock of the Registrant (Common Stock) as may become issuable to prevent dilution in the event of stock splits, stock dividends or similar transactions.

ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Registrant is a Delaware corporation. Articles 14 and 15 of the Registrant's Amended and Restated Certificate of Incorporation provide that the officers and directors of the Registrant shall be indemnified and held harmless by the Registrant, and directors shall not be personally liable, in each case, to the fullest extent authorized by the General Corporation Law of the State of Delaware, as amended from time to time (the DGCL). Section 145 of the DGCL provides that a Delaware corporation has the power to indemnify officers and directors in certain circumstances.

Subsection (a) of Section 145 of the DGCL empowers a corporation to indemnify any director or officer, or former director or officer, who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding; provided such director or officer acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

Subsection (b) of Section 145 of the DGCL empowers a corporation to indemnify any director or officer, or former director or officer, who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above against expenses (including attorneys' fees) actually and

reasonably incurred in connection with the defense or settlement of such action or suit; provided that such director or officer acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation. However, no indemnification may be made in respect of any claim, issue or matter as to which such director or officer has been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such director or officer is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Subsection (c) of Section 145 provides that to the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145, or in defense of any claim, issue or matter therein, such director or officer shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith. Subsection (e) of Section 145 requires an undertaking to repay any such amount advanced if the director or officer receiving such amount is ultimately determined not to be entitled to indemnification.

Indemnification and advancement of expenses provided by, or granted pursuant to, Section 145 of the DGCL is not to be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled. Section 145 of the DGCL permits a corporation to purchase and maintain insurance on behalf of a current or former director or officer against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liabilities under Section 145 of the DGCL.

Article 14 of the Registrant's Amended and Restated Certificate of Incorporation provides that, to the fullest extent permitted under the DGCL, as the same exists or may hereafter be amended, a director of the Registrant shall not be personally liable to the Registrant or its shareholders for monetary damages for breach of fiduciary duty as a director, except that Article 14 shall not eliminate or limit a director's liability (i) for any breach of the director's duty of loyalty to the Registrant or its shareholders, (ii) for acts or omissions that are not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL or (iv) for any transaction from which the director derived an improper benefit. Article 14 further provides that if the DGCL is hereafter amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Registrant shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended from time to time. Article 14 further provides that any repeal or modification of Article 14 shall not increase the personal liability of any director of the Registrant for any act or occurrence taking place prior to such repeal or modification or otherwise adversely affect any right or protection of a director of the Registrant existing at the time of the repeal or modification.

Article 15 of the Registrant's Amended and Restated Certificate of Incorporation provides that the Registrant shall indemnify to the fullest extent authorized or permitted by law any person made, or threatened to be made, a party to any action or proceeding (whether civil or criminal or otherwise) by reason of the fact that he, his testator or intestate, is or was a director or officer of the Registrant or by reason of the fact that such director or officer, at the request of the Registrant, is or was serving any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, in any capacity.

The Registrant may, from time to time, maintain a policy, or policies, of directors' and officers' liability insurance which insures directors and officers against the cost of defense, settlement or payment of claims and judgments under certain circumstances.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

The foregoing summaries are subject to the complete text of the Registrant's Amended and Restated Certificate of Incorporation, the Registrant's Amended and Restated Bylaws and to the referenced sections of the DGCL and are qualified in their entirety by reference thereto.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED.

Not applicable.

ITEM 8. EXHIBITS.

The Exhibits listed on the accompanying Exhibit Index are filed as part of, and incorporated by reference into, this Registration Statement.

ITEM 9. UNDERTAKINGS.

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) promulgated under the Securities Act if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that:

(A) Paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities

(other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
